VOLUNTARY ANNOUNCEMENT FUTURE DATA GROUP PROPOSED TO ENTER INTO A SERVICE AGREEMENT WITH ABGHL ON THE PROMOTION OF ITS DIGITAL DEVELOPMENT OF RWA BRAND

This announcement is made by Future Data Group Limited (the "**Company**" or "**Future Data Group**", together with its subsidiaries, collectively the "**Group**") on a voluntary basis to keep the shareholders of the Company (the "**Shareholders**") and potential investors abreast of the latest business development of the Group.

SERVICE AGREEMENT

The board (the "**Board**") of directors (the "**Directors**") of the Company is pleased to announce that on 23 July 2025, the Company entered into a service agreement (the "**Agreement**") with Asian Brand Group Holdings Limited ("**ABGHL**"). ABGHL will provide digital value-added services to the Company to promote the digital development of its real-world assets ("**RWA**") brand, allowing the Company to implement the system through independently developed brand data statistical analysis, brand element structure model positioning, and brand value-added service management.

Scope of service provided by ABGHL:

– Comprehensive brand evaluation: the provision of a comprehensive suite of tools designed to scientifically assess and enhance the value of the Company's brand by adopting advanced methodologies to accurately calculate its, worth, optimize digital assets and establish a brand value archive.

– Efficiency-based digital enhancement: ABGHL to enhance the presence of the Company's brand and operational efficiency in the digital realm. ABGHL agreed to enhance brand consulting using the RWA digital consulting model to ensure that the Company's brand strategies align with the latest industry standards and technological advancements.

– Amplification of brand impact: In addition to the above services, ABGHL will also focus on amplifying the Company's brand impact through high-profile events and media engagement.

INFORMATION OF ABGHL

Established in Hong Kong in 2005, ABGHL is a professional brand value systemization service provider, principally engage in brand evaluation, value-added management and brand financial services.

The subsidiaries of ABGHL own a number of independent intellectual property rights and patented technologies and independent scientific research achievements in brand evaluation, and have been awarded the qualification of national high-tech enterprise and Zhongguancun high-tech enterprise. ABGHL assists companies in achieving brand credit and brand value enhancement.

REASONS FOR AND BENEFITS OF ENTERING INTO THE AGREEMENT

With the increasing acceptance of digital currency and decentralized finance by global institutions, RWA is fast becoming a key component of the financing needs and stablecoin investment strategies of corporations and institutions. The entering of the Agreement enables the Company to explore the development of innovative financial products and services such as asset tokenization, digital asset funds and the practical application of regulated stablecoin.

The Agreement will also help the Company to promote the Group's financing performance and development in the RWA market. In the long run, the Agreement is expected to further strengthen the Company's market competitiveness in its industry and create potential value-added returns for the Shareholders.

In view of the above, the Board considers that entering into the Agreement is in the interests of the Company and its Shareholders as a whole.

By Order of the Board
Future Data Group Limited
