VOLUNTARY ANNOUNCEMENT

STRATEGIC PARTNERSHIP WITH EXXONMOBIL HONG KONG LIMITED PLANNING TO DEPLOY SUPER-FAST EV CHARGING STATIONS AT ESSO-BRANDED SERVICE STATIONS

This is an announcement issued by Cornerstone Technologies Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**" or "**Cornerstone**") on a voluntary basis to inform shareholders and potential investors about recent business developments.

COOPERATION DETAILS

The board of directors is proud to announce that Cornerstone EV Charging Service Limited ("**Cornerstone EV Charging**"), an indirectly wholly-owned subsidiary, has been selected as the EV charging service partner for ExxonMobil Hong Kong Limited ("**EMHK**"), which operates one of the largest petrol station network in Hong Kong.

CONVENIENCE AND SUSTAINABLE DEVELOPMENT

Cornerstone's public charging network currently has over 110 charging locations and more than 1,800 charging points. The addition of new super-fast charging stations in petrol stations can significantly enhance convenience for EV drivers with parking-fee free charging stations in accessible locations across Hong Kong. This particularly could help to address the increasing demand from the commercial EV sector, including electric taxis, vans, and trucks. The Company has extensive experience in developing and implementing EV charging infrastructure at petrol stations, which includes the establishment of ultra-fast EV charging stations under the Spark EV brand in Thailand, where Cornerstone already operates over 70 stations and 200 charging points, and to be expanded to 250 locations and 700 charging points by end of the year. This unparalleled expertise and experience can support the potential roll-out of such a project in Hong Kong.

ENVIRONMENTAL COMMITMENT AND OUTLOOK

The partnership also aligns with Cornerstone's commitment to environmental sustainability and supports efforts toward greener transportation in Hong Kong. The initiative can contribute to Hong Kong's sustainability objectives and aims to facilitate greater adoption of electric vehicles. This potential collaboration is consistent with the Company's objectives to reduce carbon emissions and encourage low-carbon lifestyles, supporting Hong Kong's target to achieve carbon neutrality by 2050. "Make EV Charging Accessible" is the mission of the Company and Cornerstone will continue to invest in the EV charging sector both locally and internationally.

On behalf of the Board
Cornerstone Technologies Holdings Limited
LIANG Zihao
Co-Chairman and Executive Director

Hong Kong, 1 September 2025

As at the date of this announcement, the executive Directors are Mr. LIANG Zihao, Mr. LI Man Keung Edwin, Mr. HO Karl, Mr. PAN Wenyuan, Ms. WU Yanyan and Mr. YIP Shiu Hong, the non-executive Directors are Mr. WU Jianwei and Mr. KOH Herbin Puay Teck and the independent non-executive Directors are Ms. IP Ka Lai, Mr. LI Michael Hankin, Ms. SO Sze Wan Lisa and Mr. TAM Ka Hei Raymond.

This announcement, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.
