VOLUNTARY ANNOUNCEMENT
OBTAINING OF GROUP 2 STRUCTURAL STEELWORKS CERTIFICATE
FROM THE CONSTRUCTION INDUSTRY COUNCIL

This announcement is made by GME Group Holdings Limited (the "**Company**", and together with its subsidiaries, the "**Group**") on a voluntary basis to keep shareholders of the Company and its potential investors informed of the latest business development of the Group.

The Company is pleased to announce that Good Mind Engineering Limited ("**GMEHK**"), an indirect wholly-owned subsidiary of the Company, has obtained the Group 2 Structural Steelworks Certificate (the "**Certificate**") from The Registered Specialist Trade Contractors Scheme (the "**RSTCS**") administered by the Hong Kong Construction Industry Council on 8 September 2025. Assessment for renewal of registration is required every three years for the Certificate to remain valid.

In addition to the Certificate, GMEHK is currently holding four other Group 2 certificates from the RSTCS, including certificates in Concreting, Concreting Formwork, Reinforcement Bar Fixing and Scaffolding.

The Certificate enhances the Company's capability to participate in sub-contracting tenders without a cap on the contract sum in structural steelworks, which improves the prospects of successful tendering by the Company. The Company will continue to improve and strengthen its capacity and capability in this regard in the Hong Kong construction industry.
