VOLUNTARY ANNOUNCEMENT
OPENING OF VIRTUAL ASSETS ACCOUNT

This announcement is made by WebX International Holdings Company Limited (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis for the purpose of keeping shareholders of the Company and potential investors informed of the latest development of the Group.

As part of the business development of cloud-based computing and internet traffic services, Cloudpotent Limited, a wholly-owned subsidiary of the Company (the "**Subsidiary**"), has completed its account opening for holding Bitcoin with a regulated virtual asset trading platform service provider in Hong Kong. In this connection, the Subsidiary has also purchased more than one Bitcoin at an average price of approximately USD118,000 (equivalent to approximately HKD918,000) which was funded by internal resources of the Group (not being proceeds from the subscription as disclosed in the Company's announcements dated 29 July 2025, 18 August 2025, 1 September 2025 and 10 September 2025). As all of the applicable percentage ratios in respect of the purchase of the Bitcoin are less than 5%, such purchases do not amount to any notifiable transaction under Chapter 19 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the "**GEM Listing Rules**").

Before the above purchases, an investment committee (the "**Investment Committee**") of the Board has been established to enhance operational efficiency and strengthen decision-making and risk management processes in investment, particularly considering the Group's strategic focus on cryptocurrencies and related technologies. The Investment Committee is tasked with reviewing and providing recommendations to the Board regarding appropriate transactions involving virtual assets and strategies for managing these assets to minimise the potential risk of holding relevant virtual assets. Additionally, the Investment Committee will evaluate, approve, and make recommendations concerning various risks presented by the Group's management team.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.

On behalf of the Board
