On 3 October 2025, the Company terminated the Amended Service Agreements. The Amended Service Agreements were entered into for the purpose of implementing the Project, which was based on a non-legally binding letter of intent ("**LOI**") with the intention of pursuing the launch of digital collectibles. As a result, the Company did not proceed with entering into a formal agreement for the Project, and the Project will not proceed. Accordingly, the Company has decided to terminate the Amended Service Agreements.

The Board considers that the termination of the Amended Service Agreements has no material adverse impact on the existing business operations and financial position of the Group. The Board believes this decision is in the best interests of the Company and its shareholders, and will continue to explore other opportunities that align with the Company's strategic objectives.

The Board wishes to emphasise that the Company currently has no plan to launch digital collectibles or to develop the RWA brand. If the Company develops any such plans in the future, it will make further announcements as and when appropriate in compliance with the GEM Listing Rules.

Shareholders and potential investors of the Company are reminded to exercise caution when dealing in the shares of the Company.
