FOR THE SECOND QUARTER OF 2025 AND
THE SIX MONTHS ENDED 30 JUNE 2025

This announcement is published on a voluntary basis by the board of directors (the "**Board**") of Win Hanverky Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") so as to provide an update on the same store sales performance regarding the high-end fashion retailing business of the Group ("**High-end Fashion Retailing Business**") for (1) the three months ended 30 June 2025 ("**Second Quarter 2025**") and (2) the six months ended 30 June 2025 ("**Year-to-date 2025**").

The same store sales growth rate of the direct operated offline stores under the High-end Fashion Retailing Business for the Second Quarter 2025 and Year-to-date 2025 were approximately –14% and –7% respectively (see below table), whereas the overall revenue growth rate of the High-end Fashion Retailing Business for the Second Quarter 2025 and Year-to-date 2025 were approximately –3% and +5% respectively. The High-end Fashion Retailing Business introduced franchise store model for a fast-growing brand in the second half of 2024. The increase in the overall revenue growth rate for the Year-to-date 2025 was mainly driven by the wholesale revenue from sales to franchisees of the brand.

The same store sales growth rate of the direct operated offline stores under the High-end Fashion Retailing Business in various geographical segments was as follows:

	Same store sales growth rate*	
	Year-on-year change	
	Second Quarter 2025	**Year-to-date 2025**
Mainland China	– 14%	– 5%
Hong Kong and Macau	– 18%	– 16%
Others	–5%	– 7%
Group	**– 14%**	**– 7%**

As at 30 June 2025, the Group had a total of 95 direct operated offline stores (30 June 2024: 110 offline stores) under the High-end Fashion Retailing Business in the following geographical segments:

	Number of direct operated offline stores**		
	As at		
	30 June 2025	**30 June 2024**	**Change**
Mainland China	72	83	–11
Hong Kong and Macau	14	17	–3
Others	9	10	– 1
Group	**95**	**110**	**–15**

As at 31 December 2024, the Group had a total of 102 direct operated offline stores under the High-end Fashion Retailing Business.

Remark:

* *Same store sales growth rate represents a comparison of sales of the same direct operated offline stores having full month operations in the comparable periods.*

** *Number of direct operated offline stores includes stores not having full month operations in the comparable periods.*

CAUTION STATEMENT

The Board wishes to remind investors that the above operational data is based on the Group's internal records which have not been audited by auditors.
