VOLUNTARY ANNOUNCEMENT

This announcement is made by Sisram Medical Ltd (the "**Company**") on a voluntary basis.

The Company is pleased to announce that Alma Lasers Ltd., a wholly-owned subsidiary of the Company, has launched *Universkin* ("**Product**"), an AI-powered personalised medical-grade skincare system, for the U.S. market.

The Product integrates AI-assisted proprietary analysis software that enables physicians to efficiently capture facial images, perform skin analyses, and generate personalised skincare formulations tailored to patients' skin profiles and concerns.

The Company believes that the launch of the Product will promote innovation in personalised skincare treatment through advanced AI technology, lay a solid foundation for the coming global launch and hence create a new driver for the Company's revenue matrix. It will further strengthen the Company's product portfolio and market competitiveness.

Shareholders and investors are advised to exercise caution when dealing in the securities of the Company.
