CHINA ISOTOPE & RADIATION CORPORATION
中國同輻股份有限公司

(A joint stock company incorporated in the People's Republic of China with limited liability)

(Stock Code: 1763)

INSIDE INFORMATION
PROPOSED GRATUITOUS TRANSFER OF SHARES BY CONTROLLING SHAREHOLDER

This announcement is made by China Isotope & Radiation Corporation (the "**Company**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities (the "**Listing Rules**") on The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Company has been informed by China Baoyuan Investment Co., Ltd. (中國寶原投資有限公司, "**China Baoyuan**"), its direct controlling shareholder, that due to the adjustment to business layout and strategy plan, it is proposed that China Baoyuan will gratuitously transfer all of the 108,085,353 domestic shares in the Company held by it, representing approximately 33.79% of the Company's total issued share capital as of the date of this announcement, to China National Nuclear Corporation (中國核工業集團有限公司, "**CNNC**"), the ultimate controlling shareholder of the Company (the "**Proposed Gratuitous Transfer**").

As of the date of this announcement, CNNC does not directly hold any shares in the Company but indirectly holds 236,150,233 domestic shares in the Company through China Baoyuan, China Institute of Atomic Energy ("**CIAE**"), Nuclear Power Institute of China ("**NPIC**"), Beijing CNNC Industry Investment Fund (LLP) ("**CNNC Fund**") and CNNC 404 Company Limited ("**404 Company**"), representing approximately 73.83% of the total issued share capital of the Company as at the date of this announcement. Upon completion of the Proposed Gratuitous Transfer, CNNC will directly hold 108,085,353 domestic shares in the Company (representing approximately 33.79% of the total issued share capital of the Company upon completion of the Proposed Gratuitous Transfer), and indirectly hold 128,064,880 domestic shares in the Company through CIAE, NPIC, CNNC Fund and 404 Company (representing approximately 40.04% of the total issued share capital of the Company upon completion of the Proposed Gratuitous Transfer), i.e. an aggregation of 236,150,233 domestic shares in the Company, representing approximately 73.83% of the total issued share capital of the Company upon completion of the Proposed Gratuitous Transfer.

After the completion of the Proposed Gratuitous Transfer, China Baoyuan will cease to be a shareholder of the Company, and CNNC will remain as the ultimate controlling shareholder of the Company.

CNNC is the national leader and main force in the application of nuclear technology, placing great expectations on the development of the nuclear technology application industry. CNNC's brand influence and industry background will significantly enhance the position, influence and core competitiveness of the Company in areas such as technological innovation and market expansion, contributing to the high-quality development of the Company. With the support of CNNC, the Company will play a more crucial role, undertake more significant responsibilities, and exert a more prominent influence.

The Executive of the Securities and Futures Commission has granted a waiver, pursuant to Note 6 to Rule 26.1 of The Codes on Takeovers and Mergers, that the Proposed Gratuitous Transfer will not give rise to any obligation on CNNC to make a mandatory general offer for shares of the Company.

The directors of the Company note that the Proposed Gratuitous Transfer is still at a preliminary stage and it is uncertain as to whether the Proposed Gratuitous Transfer will materialise. The Company will make further announcement(s) on the Proposed Gratuitous Transfer as and when appropriate in accordance with the Listing Rules and fulfill its information disclosure obligations in a timely manner in accordance with the relevant laws and regulations.

Shareholders and the public are reminded to exercise caution when dealing in the securities of the Company.
