### CHANGE IN BOARD LOT SIZE

The board (the "**Board**") of directors (the "**Director(s)**") of Dream International Limited (the "**Company**") hereby announces that the board lot size of the ordinary shares in the Company (the "**Share(s)**") for trading on the Main Board of The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") will be changed from 2,000 Shares to 500 Shares with effect from 9:00 a.m. on Thursday, 6 November 2025 (the "**Change in Board Lot Size**"). Based on the closing price of HK$11.30 per Share as quoted on the Stock Exchange as at the date of this announcement, the market value of the existing board lot of 2,000 Shares each is HK$22,600. Upon the Change in Board Lot Size becoming effective, the market value of the then board lot of 500 Shares each will be HK$5,650 (based on the closing price of HK$11.30 per Share as quoted on the Stock Exchange as at the date of this announcement). The Change in Board Lot Size will reduce the board lot value. The Board is of the view that the reduction in board lot value resulting from the Change in Board Lot Size may improve the liquidity of the Shares. The Change in Board Lot Size will not affect any of the relative rights of the shareholders of the Company (the "**Shareholders**"). The Board is of the opinion that the Change in Board Lot Size is in the interests of the Company and the Shareholders as a whole.

As no odd board lot size of the Shares will be created as a result of the Change in Board Lot Size (other than those already existed before the Change in Board Lot Size becoming effective), no odd lot arrangement to match the sales and purchase of odd lots will be made by the Company.

As at the date of this announcement, the Company has no intention to carry out other corporate actions in the next twelve months which may have an effect of undermining or negating the intended purpose of the Change in Board Lot Size and the Company does not have any intention to conduct other fund raising activities in the next twelve months. However, the Board cannot rule out the possibility that the Company will conduct debt and/or equity fund raising exercises when suitable fund raising opportunities arise in order to support the operations and future development of the Group. The Company will make further announcements in this regard in accordance with the Rules Governing the Listing of Securities on the Stock Exchange as and when appropriate.
