INSIDE INFORMATION
POSITIVE PROFIT ALERT

This announcement is made by EverChina Int'l Holdings Company Limited (the "**Company**" and together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 (2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company ("**Shareholders**") and potential investors that based on the preliminary review and analysis of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2026 (the "**Period**"), the Group is expected to record a profit of approximately HK$5.8 million as compared to the loss of approximately HK$23.6 million for the same period last year. The turnaround to profit is primarily due to a non-recurring net gain of approximately HK$35.1 million, resulting from changes in the Group's ownership interest in Daka Robotics (Beijing) Company Limited, an associate of the Group. These changes were caused by the issuance of new shares and capital restructuring carried out by the associate during the Period.

The Company is still in the process of finalising the interim results of the Group for the Period. The information contained in this announcement is based solely on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group for the Period and the information currently available to the Board. Such information has not been audited or reviewed by the Company's auditor and may be subject to adjustments following further internal review by the Board and review by the audit committee of the Company. Details of the Group's financial performance for the Period will be set out in the Company's interim results announcement, which is expected to be published on 30 November 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
