CHANGE IN BOARD LOT SIZE

The board (the "**Board**") of directors (the "**Directors**") of GoFintech Quantum Innovation Limited (the "**Company**") hereby announces that the board lot size of the shares of HK$0.10 each in the capital of the Company (the "**Share(s)**") for trading on main board of The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") will be changed from 8,000 Shares to 2,000 Shares with effect from 9:00 a.m. on Thursday, 6 November 2025 (the "**Change in Board Lot Size**").

Based on the closing price of HK$2.04 per Share as quoted on the Stock Exchange as at the date of this announcement, the market value of each existing board lot of 8,000 Shares each is HK$16,320.00. Upon the Change in Board Lot Size becoming effective, the Shares shall be traded in board lots of 2,000 Shares each, and the corresponding market value for each board lot of 2,000 Shares will become HK$4,080.00 each (based on the closing price of HK$2.04 per Share as quoted on the Stock Exchange as at the date of this announcement).

As the Change in Board Lot Size will not affect any of the relative rights of the Company's shareholders (the "**Shareholders**"), with the Change of Board Lot Size reducing the board lot value, the Board is of the view that such reduction will lower the threshold for investors to acquire the Shares, thus facilitating the trading and improving the liquidity of the Shares, which will enable the Company to attract more investors and broaden the Shareholders' base. As such, the Board is of the opinion that the Change in Board Lot Size is in the interest of the Company and the Shareholders as a whole.

As no odd lot size of the Shares will be created as a result of the aforesaid Change in Board Lot Size (other than those already existed before the Change in Board Lot Size becoming effective), no odd lot arrangement is required for the Company to match the sales and purchase of odd lots.

As at the date of this announcement, the Company has no intention to carry out any other corporate actions or arrangements in the next twelve (12) months which may have an effect of undermining or negating the intended purpose of the Change in Board Lot Size.
