VOLUNTARY ANNOUNCEMENT SUCCESSFUL TENDER

This announcement is made by Maiyue Technology Limited (the "**Company**", and together with its subsidiaries, the "**Group**") on a voluntary basis to keep the shareholders and potential investors of the Company informed of the latest business development of the Group.

The board of directors of the Company (the "**Board**") is pleased to announce that Nanning Maiyue Software Company Limited* ("**Nanning Maiyue**"), a wholly-owned subsidiary of the Company, has successfully won the bid (the "**Tender**") recently for a project through the tendering platform, the electronic bidding and procurement system (the "**Platform**"), of Guangxi Beibu Gulf Investment Group Co., Ltd.. The summary of the Tender is set out below:

Tenderee	**Successful tenderer**	**Date of publication of the tender result**	**Name of the project**	**Estimated total contract value** *(RMB million)*
Guangxi Beitou IT Innovation Technology Investment Group Co., Ltd.	Nanning Maiyue Software Company Limited*	28 October 2025	Computing Center Project – Edge Computing Cloud Engineering Design, Construction, Operation and Maintenance, Integrated Operation and Procurement* 算力中心項目-邊緣算力上雲工程設計、建設、運維、運營一體化採購	87.89

The Group is principally engaged in the provision of integrated Information Technology (IT) solution services, sales of hardware and software, warranty, upgrade, technical guidance and maintenance service for customers.

Under the Tender, the scope of services to be provided by Nanning Maiyue includes but not limited to: supply of hardware and software and compute-as-a-service solutions for the customer. The successful Tender represents a key step in the Group's implementation of its AI strategy. Through this project, the Group aims to become a leading domestic provider of compute-as-a-service solutions, enabling more customers to benefit from cost-effective, high-performance computing services that deliver enhanced efficiency, convenience, and value creation for their businesses.

The Board wishes to state that the Group obtained the result of the Tender from the Platform and has yet to enter into any formal contract in relation to the Tender. The actual contract value may be different to those stated in this announcement as a result of any unexpected changes in the market environment and other conditions. No forecast or prediction of the profits of the Group has been made with regard to the Tender in this announcement.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
