The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company and potential investors that based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2026 (the "**Period**") and the information currently available to the Group, the Group is expected to record a consolidated profit attributable to owners of the Company for the Period of over HK$400.0 million, as compared to that of approximately HK$62.4 million for the six months ended 30 September 2025.

The Board considers that the expected increase in profit was mainly attributable to the combined effects of: (i) the increase in gross profit of the Group for the Period when compare to that for the six months ended 30 September 2025, primarily driven by the growth in the semiconductor distribution segment during the Period; and (ii) the increase in share of profits and losses of joint ventures and associates when compare to that for the six months ended 30 September 2025 primarily resulting from better performance of the joint ventures during the Period.

As at the date of this announcement, the Company is still in the process of finalising its unaudited consolidated financial results of the Group for the Period. The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts and information currently available to the Board, which have not yet been audited nor reviewed by the auditor of the Company and may be subject to adjustment.
