PROFIT WARNING

This announcement is made by Yuk Wing Group Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform shareholders of the Company (the "**Shareholders**") and potential investors that based on the latest review of the unaudited management accounts of the Group for the six months ended 30 September 2026, the Group is expected to record a net loss after tax ranging from approximately HK$13.0 million to HK$15.0 million for the six months ended 30 September 2026 (the "**Period**") as compared to a net profit after tax of approximately HK$2.1 million for the six months ended 30 September 2025. The expected turnaround from a profit to a loss for the Period was primarily attributable to (i) a decrease in revenue by approximately 40.0% as compared with the corresponding period in 2025 resulting from the challenging market environment in Hong Kong, characterised by a relatively sluggish construction market and weakened demand for the Group's rockdrilling tools and equipment, which adversely affected the Group's business activities during the Period; and (ii) an increase in operating expenses, mainly attributable to higher depreciation expenses, professional fees and other administrative expenses incurred in support of the Group's ongoing business operations and corporate development initiatives.

The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the management accounts of the Group for the Period and the information currently available to the Company. Such information has not been reviewed or confirmed by the auditor or the audit committee of the Company.

Shareholders and potential investors are advised to read carefully the interim results announcement of the Company which is expected to be published on 27 November 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
