VOLUNTARY ANNOUNCEMENT
INCLUSION OF THE COMPANY AS A CONSTITUENT OF THE HANG SENG TECH INDEX

This announcement is made by InnoScience (Suzhou) Technology Holding Co., Ltd. (the "**Company**") on a voluntary basis to keep the shareholders of the Company (the "**Shareholders**") and potential investors informed of the latest development of the Company.

The board of directors (the "**Board**") of the Company is pleased to announce that, pursuant to the index review results announced by Hang Seng Indexes Company Limited on 20 November 2026, the Company has been included as a constituent of the Hang Seng TECH Index with effect from 7 December 2026.

The Hang Seng TECH Index aims to reflect the performance of Hong Kong-listed companies that have high business exposure to technology themes and are representative of the market, and is one of the most influential technology stock market indices in the Hong Kong stock market. The revised Hang Seng TECH Index has introduced a two-stream selection mechanism based on "market capitalisation" and "sales growth", further enhancing the representativeness, inclusiveness and investability of the index.

The Board believes that the inclusion of the Company as a constituent of the Hang Seng TECH Index demonstrates the Company's overall competitiveness in terms of sales growth, market liquidity and its position in the technology industry, reflects the capital market's recognition of the Company's business development, technological innovation capabilities and growth potential, and will help to further enhance the Company's profile in the capital market, broaden its investor base, and increase market attention towards and trading liquidity of the Company's H shares.

The Company would like to express its sincere gratitude to the Shareholders and investors for their continued support. The Company will continue to strive to grow its business and create value for the Shareholders.
