INSIDE INFORMATION

POSITIVE PROFIT ALERT

This announcement is made by Jakota Capital (Holding) Group (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities (the "**Listing Rules**") on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary review of the Group's unaudited consolidated management accounts for the six months ended 30 September 2026 (the "**2026 Interim Period**"), the Group is expected to record a profit from continuing operations of not less than HK$51.0 million for the 2026 Interim Period, as compared with a loss from continuing operations of approximately HK$19.7 million (as re-presented) for the six months ended 30 September 2025 (the "**2025 Interim Period**"). Accordingly, the Group is expected to record a turnaround from loss to profit for the 2026 Interim Period.

The expected turnaround from loss to profit is mainly attributable to the combined effect of the following factors:

(i) a net gain on disposal of subsidiaries of approximately HK$16.3 million for the 2026 Interim Period;

(ii) a reversal of impairment of loan receivables of approximately HK$6,000 for the 2026 Interim Period, as compared with an impairment provision of approximately HK$35.8 million for the 2025 Interim Period; and

(iii) a decrease in administrative expenses of approximately HK$14.0 million, from approximately HK$43.1 million (as re-presented) for the 2025 Interim Period to approximately HK$29.1 million for the 2026 Interim Period.

As at the date of this announcement, the Company is still in the course of finalising the financial results of the Group for the 2026 Interim Period. The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the latest unaudited consolidated management accounts of the Group for the 2026 Interim Period and other information currently available to the Company. Such information has not been reviewed by the auditors of the Company or by the audit committee of the Board. The information contained in this announcement may be different from the interim results announcement of the Company for the 2026 Interim Period, which is expected to be published by the end of November 2026 in accordance with the Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
