POSITIVE PROFIT ALERT FOR THE SIX MONTHS ENDED 30 JUNE 2018

This announcement is made by the board (the “**Board**”) of directors (the “**Directors**”) of Xinyi Automobile Glass Hong Kong Enterprises Limited (the “**Company**” which together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2) of The Rules Governing the Listing of Securities on GEM of the Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the inside information provisions (the “**Inside Information Provisions**”) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong).

Based on a preliminary review of the currently available information which includes, but without limitation to, the unaudited management accounts of the Group for the six months ended 30 June 2018, the Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and prospective investors of the Company that the amount of the consolidated net profit attributable to the equity holders of the Company for the six months ended 30 June 2018 (the “**2018 Interim Net Profit**”) is expected to have a substantial increase, as compared with the net profit of HK\$298,000 for the six months ended 30 June 2017. The Directors consider that the increase is due to the following factors:

- increase in revenue and profitability contributed by the increasing sales of automobile glass with repairs and installation services;
- increase in revenue and profitability contributed by the sales and processing of lithium battery and energy storage products while this segment did not contribute revenue and had incurred losses in the same period last year; and
- increase in revenue and profitability contributed by the trading of forklift while there was no such trading activity in the same period last year.

The 2018 Interim Net Profit is expected to increase on a year-on-year basis by approximately 25 times to 30 times as compared with the net profit of HK\$298,000 for the six months ended 30 June 2017.

The Board expects that the announcement of the results of the Group for the six months ended 30 June 2018 would be published before 15 August 2018 in compliance with the requirements under the GEM Listing Rules.

This positive profit alert is based on the information currently available to the Board which includes, but without limitation to, the operating and financial data of the Group for the six months ended 30 June 2018. There may be changes or adjustments following further review of the unaudited management accounts by the Board. The information in this announcement has not been reviewed by the auditors of the Company or the audit committee of the Board.

Shareholders and prospective investors of the Company are advised to exercise caution when dealing in the shares of the Company.
