FURTHER DELAY IN PUBLICATION OF THE 2022/2023 ANNUAL RESULTS AND FURTHER DELAY IN DESPATCH OF THE 2022/2023 ANNUAL REPORT

The Company has settled the first stage progress billing of the Auditor. Based on the latest development and recent discussion with the Auditor, the Board wishes to announce that the publication of the 2022/2023 Annual Results and despatch of the 2022/2023 Annual Report will further be delayed as (i) it takes more time than expected for the major shareholder to arrange additional funding to the Company to settle the remaining and final stages progress billing of the Auditor and other outstanding billings; (ii) additional time is required by the Company to gather and provide additional information to the Auditor; and (iii) additional time is required by the valuer to prepare the valuation report. The major shareholder is making his best endeavours to arrange fundings, and the management of the Company is making their best endeavours to coordinate with the Auditor to complete the auditing process. Based on the information currently available to the Company, the Board estimates that the Outstanding Results will be published on or around 3 November 2023, subject to completion of the audit procedures.

Pursuant to Rule 18.03 of the GEM Listing Rules, an issuer should lay the annual financial statements before its members at its annual general meeting within the period of 6 months after the end of the financial year or accounting reference period to which the annual financial statements relate. According to the current information available, the Company is unable to convene the 2022/2023 annual general meeting by 30 September 2023, which will constitute non-compliance with Rule 18.03 of the GEM Listing Rules. The further delay in publication of the 2022/2023 Annual Results and the delay in despatch of the 2022/2023 Annual Report will constitute non-compliance with Rules 18.49 and 18.48A of the GEM Listing Rules.

DELAY IN PUBLICATION OF THE FIRST QUARTERLY RESULTS AND DELAY IN DESPATCH OF THE FIRST QUARTERLY REPORT

Pursuant to Rule 18.66 of the GEM Listing Rules, the Company must publish its First Quarterly Results and despatch its First Quarterly Report not later than 45 days after the end of the first quarter of each financial year, i.e. 14 August 2023. As the publication of the 2022/2023 Annual Results is still pending, the Company is unable to make the First Quarterly Results and despatch its First Quarterly Report to the Shareholders within the prescribed time in accordance with the GEM Listing Rules.

The delay in the publication of the First Quarterly Results and the First Quarterly Report will constitute non-compliance with Rules 18.66 and 18.79 of the GEM Listing Rules. The Company is now expecting the First Quarterly Results and First Quarterly Report to be published on the same date as the publication of the 2022/2023 Annual Results.

Further announcement(s) will be made by the Company to keep shareholders of the Company informed of the latest development of (i) additional funding availability for settlement of the outstanding billings; (ii) the publication of the Outstanding Results and the Outstanding Reports; and (iii) notice to convene 2022/2023 annual general meeting as and when appropriate.
