ANNOUNCEMENT

This announcement is made by AMVIG Holdings Limited (the “**Company**” and, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The board (the “**Board**”) of directors of the Company wishes to inform the shareholders of the Company and potential investors that based on the unaudited consolidated management accounts of the Group for the six months ended 30 June 2012 (the “**Interim Period**”), the Group will record an increase in turnover but a decrease in profit as compared to the same period last year, primarily attributable to the lower margin as a result of the aggressive tendering approach adopted by other tobacco groups.

This above is only based on a preliminary assessment by the Company’s management according to the unaudited consolidated management accounts of the Group for the Interim Period, which is subject to finalization and review by the auditors of the Company.

Further details of the Group’s financial performance for the Interim Period will be disclosed in the Company’s interim results announcement to be published on or about 15 August 2012.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
