Recent Business Developments

As disclosed in the announcement of the Company dated 6 March 2014, subsequent to the Company entering into a memorandum of understanding dated 7 November 2013 with an Asian-based leading offshore oil rig manufacturer (the “**Asian Oil Rig Manufacturer**”) in relation to the long-term cooperation in the management and operation of the shipyard in Quanzhou, the PRC (the “**Shipyard**”), the Asian Oil Rig Manufacturer has arranged its experts to visit the Shipyard and provided the cooperation proposal and the proposed terms thereof. Publication of outstanding financial results

As disclosed in the announcement of the Company dated 28 March 2014, the Group is expected to record a substantial loss for the six months ended 30 June 2013 mainly due to the impairment loss recognized in respect of amounts due from certain subsidiaries which were put into liquidation during the first half of 2013 (the “**Deconsolidated Subsidiaries**”). As more time is required for the Company to discuss with its external auditors and other advisers in respect of the impact of the impairment loss arising from the deconsolidation of the Deconsolidated Subsidiaries on the interim results of the Company for the six months ended 30 June 2013 (the “**2013 Interim Results**”), the Board expects that the publication of the 2013 Interim Results will be delayed and the Company will seek to release the same on or before 30 April 2014.
