(incorporated in Bermuda with limited liability)

We were engaged to audit the consolidated financial statements of Proview International Holdings Limited (the "Company") and its subsidiaries (collectively referred to as the "Group") set out on pages 18 to 46, which comprise the consolidated statement of financial position as at 30 June 2012, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

DIRECTORS' RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The directors of the Company are responsible for the preparation of these consolidated financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") and the disclosure requirements of the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with section 90 of the Bermuda Companies Act, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Except for the inability to obtain sufficient appropriate audit evidence as explained below, we conducted our audit in accordance with Hong Kong Standards on Auditing issued by the HKICPA. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement. Because of the matters described in the basis for disclaimer of opinion paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

BASIS FOR DISCLAIMER OF OPINION

(1) Opening balances and corresponding figures

Our audit opinion on the consolidated financial statements of the Group for the year ended 30 June 2011 (the "2011 Financial Statements"), which form the basis for the corresponding figures presented in the current year's consolidated financial statements were disclaimed because of the significance of the possible effect of the limitations on the scope of our audit and the material uncertainty in relation to going concern, details of which are set out in our auditor's report dated 26 June 2014. Accordingly, we were then unable to form an opinion as to whether the 2011 Financial Statements gave a true and fair view of the state of affairs of the Group as at 30 June 2011 and of the Group's results and cash flows for the year then ended.

(2) Deconsolidation of the subsidiaries

The subsidiaries of the Company were deconsolidated from the Group since 1 January 2010. No sufficient evidence has been provided to satisfy ourselves as to whether the Company had lost control of these subsidiaries since 1 January 2010 and throughout the years ended 30 June 2012 and 2011.

Accordingly, no sufficient evidence has been provided to satisfy ourselves, in relation to the deconsolidated subsidiaries, as to the completeness of the transactions of the Group for the year ended 30 June 2012 and the Group's financial position as at that date.

Independent Auditor's Report

BASIS FOR DISCLAIMER OF OPINION (CONTINUED)

- (3) Transactions, income and expense items for the year

No sufficient evidence has been provided to satisfy ourselves as to the existence and completeness of the transactions of the Group for the year ended 30 June 2012. There are no other satisfactory audit procedures that we could adopt to satisfy ourselves that the income and expenses items are properly accounted for in the consolidated statement of comprehensive income for the year ended 30 June 2012 and that these items are properly disclosed in the consolidated financial statements.

- (4) Accruals and other payables

No direct confirmation and other sufficient evidence have been received by us up to the date of this report in respect of the accruals and other payables totalling approximately HK\$477,590,000 as at 30 June 2012 as included in note 13 to the financial statements of approximately HK\$482,543,000 as at 30 June 2012.

- (5) Financial guarantee liabilities

No direct confirmation and other sufficient evidence have been received by us up to the date of this report in respect of the financial guarantee liabilities as disclosed in note 14 to the financial statements of approximately HK\$2,810,000,000 as at 30 June 2012.

- (6) Commitments and contingent liabilities

No sufficient evidence has been provided to satisfy ourselves as to the existence and completeness of the disclosures of commitments and contingent liabilities as at 30 June 2012.

- (7) Related party transactions and disclosure

No sufficient evidence has been provided to satisfy ourselves as to the existence, accuracy and completeness of the disclosures of the related party transactions and balances for the year ended 30 June 2012 as required by Hong Kong Accounting Standard ("HKAS") 24 "Related Party Disclosures".

- (8) Other disclosures in the consolidated financial statements

No sufficient evidence has been provided to satisfy ourselves as to the accuracy and completeness of the disclosures as required by the following in relation to:-

- a) HKAS 19 "Employee Benefits" for the contribution expenses and accruals as disclosed in notes 8 and 17 to the financial statements; and
- b) Section 161 of the Hong Kong Companies Ordinance as disclosed in note 10 to the financial statements.

Any adjustments to the figures as described from points 1 to 8 above might have a significant consequential effect on the Group's results for the two years ended 30 June 2011 and 2012, the Group's cash flows for the two years ended 30 June 2011 and 2012 and the financial position of the Group as at 30 June 2011 and 2012, and the related disclosures thereof in the consolidated financial statements.

Independent Auditor's Report

MATERIAL UNCERTAINTY RELATING TO THE GOING CONCERN BASIS

In forming our opinion, we have considered the adequacy of the disclosures made in note 2 to the financial statements which explains that a proposal for the resumption of trading in the Company's shares and the restructuring of the Group (the "Resumption Proposal") has been submitted to The Stock Exchange of Hong Kong Limited to pursue a restructuring of the Company.

The consolidated financial statements have been prepared on a going concern basis on the assumption that the proposed restructuring of the Company will be successfully completed, and that, following the restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future. The consolidated financial statements do not include any adjustments that would result from a failure to complete the restructuring. We consider that the disclosures are adequate. However, in view of the extent of the uncertainty relating to the completion of the restructuring, we disclaim our opinion in respect of the material uncertainty relating to the going concern basis.

DISCLAIMER OF OPINION: DISCLAIMER ON VIEW GIVEN BY THE FINANCIAL STATEMENTS

Because of the significance of the matters described in the basis for disclaimer of opinion paragraphs and the material uncertainty relating to the going concern basis as described above, we do not express an opinion on the consolidated financial statements as to whether they give a true and fair view of the state of affairs of the Group as at 30 June 2012 and of the Group's results and cash flows for the year then ended in accordance with HKFRSs. In all other respects, in our opinion the consolidated financial statements have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.

1. GENERAL INFORMATION

The Company was incorporated in Bermuda as an exempted company with limited liability under the Companies Act 1981 of Bermuda. The address of its registered office is Clarendon House, 2 Church Street, Hamilton HM11, Bermuda. The principal place of business is 2708, 27/F, Shui On Centre, 6-8 Harbour Road, Wanchai, Hong Kong. The Company's shares are listed on the Main Board of The Stock Exchange of Hong Kong Limited (the "Stock Exchange") and have been suspended for trading since 2 August 2010.

The Company is an investment holding company.

2. BASIS OF PREPARATION

Trading in the shares of the Company (the "Shares") has been suspended since 2:30 p.m. on 2 August 2010 at the request of the Company.

After the suspension, the whereabouts of Mr. YANG Long-san Rowell ("Mr. YANG"), the former Chairman; Chief Executive Officer and Executive Director could not be confirmed, and the legal proceedings have been held by the Company against Ms. HUI Siu-ling Elina ("Ms. HUI"), the former Acting Chairman, Chief Executive Office and Executive Director, for her breach of the fiduciary duties owed to the Company and the whereabouts of the Company's books of accounts, documents, records, seals, chops and other things of the Company had been and were in the possession, custody, power and/or control of them. Given that the Board had difficulties in exercising the authority and control over most of its key subsidiaries and encountered a series of litigation and debts claims as stated below, the Board considered that, for the benefit of the creditors and the shareholders of the Company (the "Shareholders") as a whole, it was appropriate and necessary to propose a scheme of arrangement in Bermuda and Hong Kong to resolve the claims of the Company's unsecured creditors, other than those who have preferential claims.

In early 2010, one of the subsidiaries of the Group as appeared in the Group's 2009 financial statements – Ningbo Prowell Electronic Co., Ltd. was closed down by 寧波市北倫區人民法院 (the "Ningbo Court") and its corresponding assets had been disposed out in the various auctions by September 2011 for repayment of its bank borrowings and trade liabilities due.

On 20 May 2010, Apple Inc. and IP Application Development Limited filed a lawsuit against the Company, certain subsidiaries of the Group as appeared in the Group's 2009 financial statements, namely, Proview Electronics Company Limited and Proview Technology (Shenzhen) Co. Ltd. ("PTS"), and Mr. YANG, claiming the ownership of 2 Trademarks' "IPAD" and "(i)IPAD" and a compensation of Rmb 4 million as costs and expenses incurred by Apple Inc. and IP Application Development Limited for the relevant investigation and legal actions, both in Hong Kong and the People's Republic of China (the "PRC").

Following the series of arbitration, the dispute raised by Apple Inc. and IP Application Development Limited was settled and Apple Inc. had to pay US\$60 million to the account designated by the Higher People's Court of Guangdong Province for subrogating the IPAD Trademark on 25 June 2012. The US\$60 million was used to settle the claims of the creditors of PTS eventually.

2. BASIS OF PREPARATION (CONTINUED)

On 7 June 2011, the Company had been placed in the second delisting stage by the Stock Exchange pursuant to Practice Note 17 of the Rules Governing the Listing of Securities on the Stock Exchange (the "Listing Rules") and the Company was required for submitting a viable resumption proposal to address the following issues at least 10 business days before 6 December 2011:–

- (1) demonstrate that the Company has a sufficient level of operations or has assets of sufficient value as required under Rule 13.24 of the Listing Rules;
- (2) demonstrate that the Company has sufficient working capital for at least 12 months from resumption date;
- (3) publish all outstanding financial results and address any audit qualifications; and
- (4) demonstrate that the Company has adequate and effective internal controls, in particular, to meet obligations under the Listing Rules.

Given the time constraints and the failure in satisfying the requirements as stipulated by the Stock Exchange, the Company was placed into the third stage of the delisting procedures in accordance with Practice Note 17 to the Listing Rules on 30 December 2011. A Resumption Proposal was submitted on 13 June 2012.

Progress of the Company's Resumption of Shares Trading issues is detailed in the Going Concern section below.

On 14 September 2011, the Company has commenced a legal proceeding against Ms. HUI and Ms. WANG Pik Lan ("Ms. WANG") in the Court of First Instance of the High Court of Hong Kong Special Administrative Region ("HKSAR") for (i) ordering their account and deliver up to the Company what books of accounts, documents, records, seals, chops and other things of the Company had been and were in the possession, custody, power and/or control of them and the whereabouts and what had become of the same; (ii) against Ms. HUI equitable compensation for breach of her fiduciary duties owed to the Company and her damages for breach of the duty to exercise due care and skill as director of the Company; and (iii) against Ms. WANG equitable compensation or damages for breaches of her duty of fidelity and good faith, her duties to exercise due care and skill and her dishonest assistance of the breach of fiduciary duties on the part of Ms. HUI; and (iv) damages for conversion, causing loss by unlawful means, conspiracy to injure the economic interests of the Company.

2. BASIS OF PREPARATION (CONTINUED)

Chasing back on 30 November 2009, two of the Group's then subsidiaries, namely, Provieu Technology (Wuhan) Co., Ltd. ("Provieu Wuhan") and PTS entered into a Settlement Agreement with EMC Corporation from which withdrawn all outstanding litigations, claims and other related actions; and Provieu Wuhan had agreed to dispose the EMC Trademarks and its related domain name to EMC Corporation for a monetary consideration.

On 25 September 2012, Wuhan Economic Development Investment Company Limited(武漢經開投資有限公司) ("武漢經開") filed an application for arbitration against Provieu Wuhan for the termination of the Agreement for the reason that the transfer of EMC Trademarks to EMC Corporation under the Settlement Agreement had not been consented or authorised by 武漢經開. 武漢經開 demanded (i) return of the investment (ii) compensation of Rmb 1 million and (iii) costs of the arbitration to be borne by Provieu Wuhan.

After a series of hearing, Wuhan Arbitration Commission(武漢仲裁委員會)(the "Arbitration Commission") decided that Provieu Wuhan had breached the Agreement by disposing the EMC Trademarks without 武漢經開's consent or authorisation. On 8 August 2013, Provieu Wuhan received a decision from the Arbitration Commission dated 9 July 2013 from which Provieu Wuhan was ordered to (i) return the investment of Rmb 36 million paid by 武漢經開 under the Agreement (below) and (ii) pay the costs of arbitration of Rmb 218,200.

The agreement in previous paragraph referred to the Agreement made in June 2002 among PTS, 武漢經開, Wuhan Industrial State-owned Investment Company Limited(武漢工業國有投資有限公司)("武漢工業"), Provieu Technology (PRC) Limited, Wuhan Star Information Company Limited(武漢恆星信息產業有限公司)and Provieu Wuhan (formerly: Wuhan Hang Guan Electronics Company Limited(武漢恆冠電子有限公司)) for the sale of EMC Trademarks. According to that Agreement, the EMC Trademarks had been transferred to Provieu Wuhan as legal owner with beneficial interests of the EMC Trademarks being vested as to 18% in 武漢經開, 20% in 武漢工業, and 62% in Provieu Technology (PRC) Limited.

Loss of access to books and records of the Group

The Directors have used their best endeavors to locate all the financial and business records of the Group. As the access to most of the books and records of its subsidiaries have either been lost or seized by relevant liquidators or courts and most of the former accounting personnel of the Group have left. The Directors are unable to obtain sufficient information to satisfy themselves regarding the treatment of various transactions and balances of the Group for the years ended 30 June 2012 and 2011.

The financial statements have been prepared based on the available books and records maintained by the Group. However, in view of the lack of evidence described above, the Directors are unable to ascertain that the opening balances and corresponding figures of the Group for the years ended 30 June 2012 and 2011 have been properly reflected in the books and records and in the financial statements.

Any adjustment arising from the matters described above might have a significant consequential effect on the Group's results and financial position for the year ended 30 June 2012 and the related disclosures thereof in the financial statements.

Also, as a result of the matters described above, the corresponding figures shown in the financial statements may not be comparable with the figures for the current year.

2. BASIS OF PREPARATION (CONTINUED)

Deconsolidation of subsidiaries

The financial statements have been prepared based on the books and records currently maintained by the Group. However, due to the lost of contact with ex-directors, the asset freezing orders initiated by the creditors and the liquidation of certain subsidiaries, the Directors considered that the control over the following subsidiaries had been lost since 1 January 2010. The results, assets and liabilities and cash flows of these subsidiaries were therefore deconsolidated from the financial statements of the Group since 1 January 2010:

- Essex Monitor (H.K.) Company Limited
- Gaintle Limited
- Delighton Limited
- Ningbo Prowell Electronic Co., Ltd. ("NPE")
- Proview Electronica do Brasil Ltda. ("PEB")
- Every Wonder Limited
- Proview Electronics Co., Ltd. ("PEC")
- Proview Group (L) Limited
- Proview Industrial Limited
- Proview Group Limited
- Proview International (U.K.) Limited
- Proview Product Europe S.A.
- PGL Europe B.V.
- Proview Optronics (Shenzhen) Co., Ltd. ("POS")
- Proview Services Limited
- Proview Technology (PRC) Limited
- Proview Technology (Wuhan) Co., Ltd. ("Proview Wuhan")
- Proview Technology (Shenzhen) Co., Ltd. ("PTS")
- Proview Technology, Inc.

Going concern

The Group incurred a loss attributable to equity holders of the Company of approximately HK\$4,283,000 for the year ended 30 June 2012 (2011: HK\$815,000) and as at 30 June 2012 the Group had net liabilities of approximately HK\$3,292,543,000 (2011: HK\$3,288,260,000) respectively. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group's ability to continue as a going concern. Therefore, the Group may be unable to realise its assets and discharge its liabilities in the normal course of business.

On 14 July 2011, a winding-up petition pursuant to section 72(3) of the Bermuda Companies Act 1981 (the "Act") was issued against the Company (the "Petition") for, among other things, its failure to hold its annual general meeting ("AGM") as required by section 71 of the Act. On 26 August 2011, a Winding-up Order was made by the Bermuda Court on an ex parte basis and the Official Receiver became Provisional Liquidator.

Notes to the Financial Statements

For the year ended 30 June 2012

2. BASIS OF PREPARATION (CONTINUED)

Going concern (Continued)

On 23 September 2011, the Company, the Investor and an Escrow Agent entered into an Escrow Agreement for implementing the Restructuring Proposal towards the Company. On 29 September 2011, the Bermuda Court ordered that the Winding-up Order be set aside and the Petition be dismissed by reason of, amongst other things, the lack of standing of the Petitioner, the lack of proper notice to the Board and material non-disclosure by the Petitioner.

In September and October 2011, the Company made application to the Courts of Bermuda and Hong Kong respectively for convening creditors meeting. The Bermuda Court ordered that a meeting with all creditors of the Company be convened for the purpose of considering the Bermuda scheme and if appropriate, approving it. However by an order of the Hong Kong Court dated 1 November 2011, the hearing for the ex parte originating summons for leave to convene the creditors' meeting for approval of the Hong Kong scheme be adjourned sine die with liberty to restore.

On 30 December 2011, the Stock Exchange placed the Company in the third stage of delisting procedures under Practice Note 17 of the Listing Rules.

On 30 November 2012, the Company's financial advisor submitted a Revised Resumption Proposal on behalf of the Company to the Listing (Review) Committee of the Stock Exchange, in compliance with Rule 13.24 of the Listing Rules since the First Resumption Proposal made on 13 June 2012 was considered not viable as decided by Listing (Review) Committee on 14 September 2012.

On 1 February 2013, the Listing (Review) Committee decided that the Revised Resumption Proposal dated 30 November 2012 constituted "new information" for the purpose of Rule 2B.11(5) of the Listing Rules and the Acquisition contemplated under the Revised Resumption Proposal as a Reverse Takeover under Rule 14.06(6) (a) of the Listing Rules. Accordingly, the Company would be treated as if it were a new listing applicant under Rule 14.54 of the Listing Rules and the Company is required to submit a new listing application for the Revised Resumption Proposal to the Stock Exchange and addressing such issue of potential material dilution of the existing shareholders' interests in the Company after the Acquisition as well as addressing:

- i) the complaints against existing and former directors of the Company;
- ii) publish the overdue financial results required under the Listing Rules; and
- iii) demonstrate adequate internal control system is in place.

The financial statements have been prepared on a going concern basis on the assumption that the proposed restructuring of the Company will be successfully completed, and that, following the restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future.

Notes to the Financial Statements

For the year ended 30 June 2012

3. APPLICATION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs")

In the current year, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") that are relevant to its operations and effective for its accounting year beginning on or after 1 July 2011. HKFRSs comprise Hong Kong Financial Reporting Standards ("HKFRS"); Hong Kong Accounting Standards ("HKAS"); and Interpretations. The adoption of these new and revised HKFRSs did not result in any substantial changes to the Group's accounting policies, presentation of the Group's financial statements and amounts reported for the current and prior years.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

4. SIGNIFICANT ACCOUNTING POLICIES

Statement of compliance

These financial statements have been prepared in accordance with HKFRSs, accounting principles generally accepted in Hong Kong and the applicable disclosures required by the Listing Rules and by the Hong Kong Companies Ordinance.

These financial statements have been prepared under the historical cost convention.

The preparation of financial statements in conformity with HKFRSs requires the use of key assumptions and estimates. It also requires management to exercise its judgments in the process of applying the accounting policies. The areas involving critical judgments and areas where assumptions and estimates are significant to these financial statements, are disclosed in note 5 to the financial statements.

The significant accounting policies applied in the preparation of these financial statements are set out below.

Consolidation

The consolidated financial statements include the financial statements of the Company and its subsidiaries made up to 30 June. Subsidiaries are entities over which the Group has control. Control is the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. The existence and effect of potential voting rights that are currently exercisable or convertible are considered when assessing whether the Group has control.

Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date the control ceases.

Notes to the Financial Statements

For the year ended 30 June 2012

4. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Consolidation (Continued)

The gain or loss on the disposal of a subsidiary that results in a loss of control represents the difference between (i) the fair value of the consideration of the sale plus the fair value of any investment retained in that subsidiary and (ii) the Company's share of the net assets of that subsidiary plus any remaining goodwill relating to that subsidiary and any related accumulated foreign currency translation reserves.

Intragroup transactions, balances and unrealised profits are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests represent the equity in subsidiaries not attributable, directly or indirectly, to the Company. Non-controlling interests are presented in the consolidated statement of financial position and consolidated statement of changes in equity within equity. Non-controlling interests are presented in the consolidated statement of comprehensive income as an allocation of profit or loss and total comprehensive income for the year between the non-controlling shareholders and owners of the Company.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling shareholders even if this results in the non-controlling interests having a deficit balance.

Foreign currency translation

a) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (the "functional currency"). The financial statements are presented in HK Dollars ("HK\$"), which is the Company's functional and presentation currency.

b) Transactions and balances in each entity's financial statements

Transactions in foreign currencies are translated into the functional currency using the exchange rates prevailing on the transaction dates. Monetary assets and liabilities in foreign currencies are translated at the exchange rates at the end of each reporting period. Gains and losses resulting from this translation policy are recognised in profit or loss.

Non-monetary items that are measured at fair values in foreign currencies are translated using the exchange rates at the dates when the fair values are determined.

When a gain or loss on a non-monetary item is recognised in other comprehensive income, any exchange component of that gain or loss is recognised in other comprehensive income. When a gain or loss on a non-monetary item is recognised in profit or loss, any exchange component of that gain or loss is recognised in profit or loss.

Notes to the Financial Statements

For the year ended 30 June 2012

4. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Foreign currency translation (Continued)

c) Translation on consolidation

The results and financial position of all the Group entities that have a functional currency different from the Company's presentation currency are translated into the Company's presentation currency as follows:

- Assets and liabilities for each statement of financial position presented are translated at the closing rate prevailing at the end of the reporting period;
- Income and expenses for each statement of comprehensive income are translated at average exchange rates (unless this average is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the exchange rates on the transaction dates); and
- All resulting exchange differences are recognised in the foreign currency translation reserve.

On consolidation, exchange differences arising from the translation of the net investment in foreign entities and of borrowings are recognised in the foreign currency translation reserve. When a foreign operation is sold, such exchange differences are recognised in the consolidated profit or loss as part of the gain or loss on disposal.

Recognition and derecognition of financial instruments

Financial assets and financial liabilities are recognised in the statement of financial position when the Group becomes a party to the contractual provisions of the instruments.

Financial assets are derecognised when the contractual rights to receive cash flows from the assets expire; the Group transfers substantially all the risks and rewards of ownership of the assets; or the Group neither transfers nor retains substantially all the risks and rewards of ownership of the assets but has not retained control on the assets. On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

Financial liabilities are derecognised when the obligation specified in the relevant contract is discharged, cancelled or expires. The difference between the carrying amount of the financial liability derecognised and the consideration paid is recognised in profit or loss.

Notes to the Financial Statements

For the year ended 30 June 2012

4. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and cash equivalents

For the purpose of the statement of cash flows, cash and cash equivalents represent cash at bank and on hand, demand deposits with banks and other financial institutions, and short-term highly liquid investments which are readily convertible into known amounts of cash and subject to an insignificant risk of change in value. Bank overdrafts which are repayable on demand and form an integral part of the Group's cash management are also included as a component of cash and cash equivalents.

Financial liabilities and equity instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument under HKFRSs. An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. The accounting policies adopted for specific financial liabilities and equity instruments are set out below.

Financial guarantee contract liabilities

Financial guarantee contract liabilities are measured initially at their fair values and are subsequently measured at the higher of:

- the amount of the obligations under the contracts, as determined in accordance with HKAS 37 "Provisions, Contingent Liabilities and Contingent Assets"; and
- the amount initially recognised less cumulative amortisation recognised in profit or loss on a straight-line basis over the term of the guarantee contracts.

Trade and other payables

Trade and other payables are stated initially at their fair value and subsequently measured at amortised cost using the effective interest method unless the effect of discounting would be immaterial, in which case they are stated at cost.

Equity instruments

Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

Notes to the Financial Statements

For the year ended 30 June 2012

4. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable and is recognised when it is probable that the economic benefits will flow to the Group and the amount of revenue can be measured reliably.

Employee benefits

The Group contributes to defined contribution retirement benefit plans/state-managed retirement benefits schemes/Mandatory Provident Fund Scheme which are available to all employees where they are located. Contributions to the schemes by the Group and employees are calculated as a percentage of employees' basic salaries. The retirement benefit scheme cost charged to profit or loss represents contributions payable by the Group to the funds.

Taxation

Income tax represents the sum of the current tax and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit recognised in profit or loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Group's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences, unused tax losses or unused tax credits can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries and associates, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised, based on tax rates that have been enacted or substantively enacted by the end of the reporting period. Deferred tax is charged or credited to profit or loss, except when it relates to items recognised in other comprehensive income or directly in equity, in which case the deferred tax is also recognised in other comprehensive income or directly in equity.

Notes to the Financial Statements

For the year ended 30 June 2012

4. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Taxation (Continued)

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

Related parties

A related party is a person or entity that is related to the Group.

(A) A person or a close member of that person's family is related to the Group if that person:

- (i) has control or joint control over the Group;
- (ii) has significant influence over the Group; or
- (iii) is a member of the key management personnel of the Group or of a parent of the Group.

(B) An entity is related to the Group if any of the following conditions applies:

- (i) The entity and the Group are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
- (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
- (iii) Both entities are joint ventures of the same third party.
- (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (v) The entity is a post-employment benefit plan for the benefit of employees of either the Group or an entity related to the Group. If the Group is itself such a plan, the sponsoring employers are also related to the Group.
- (vi) The entity is controlled or jointly controlled by a person identified in (A).
- (vii) A person identified in (A)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

Notes to the Financial Statements

For the year ended 30 June 2012

4. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the Group has a present legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditures expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow is remote.

Events after the reporting period

Events after the reporting period that provide additional information about the Group's position at the end of the reporting period or those that indicate the going concern assumption is not appropriate are adjusting events and are reflected in the financial statements. Events after the end of the reporting period that are not adjusting events are disclosed in the notes to the financial statements when material.

Notes to the Financial Statements

For the year ended 30 June 2012

5. CRITICAL JUDGEMENTS AND KEY ESTIMATES

Critical judgements in applying accounting policies

In the application of the Group's accounting policies, which are described in note 4 to the financial statements, the Directors are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In the process of applying the accounting policies, management has made the following judgements that have the most significant effect on the amounts recognised in the financial statements (apart from those involving estimations, which are dealt with below).

a) Going concern basis

These financial statements have been prepared on a going concern basis, the validity of which depends upon the Group being able to achieve a successful restructuring and continue its business. Details are explained in note 2 to the financial statements.

b) Deconsolidation of subsidiaries

The financial statements have been prepared based on the books and records maintained by the Group. However, the Directors considered that the control over the Company's subsidiaries has been lost since 1 January 2010. The results, assets and liabilities and cash flows of these subsidiaries were deconsolidated from the financial statements of the Group since then. Details are explained in note 2 to the financial statements.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below.

a) Financial guarantee liabilities

The determination of the financial guarantee liabilities involves management's estimation. The Group assesses the probability and magnitude of the outflow of resources embodying economic benefits will be required to settle the obligations and if the expectation differs from the original estimate, such a difference may impact the carrying amount of the financial guarantee liabilities as at 30 June 2012.

Notes to the Financial Statements

5. CRITICAL JUDGEMENTS AND KEY ESTIMATES (CONTINUED)

Key sources of estimation uncertainty (Continued)

b) Income tax

The Group may be subject to income taxes in several jurisdictions. Significant estimates are required in determining the provision for income taxes. There are many transactions and calculations for which the ultimate tax determination is uncertain during the ordinary course of business. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

6. FINANCIAL RISK MANAGEMENT

The Group has exposure to liquidity risk from its use of financial instruments. This note presents information about the Group's exposure to the aforesaid risk and the Group's objectives, policies and processes for measuring and managing risk.

Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they fall due. The Group's policy is to regularly monitor its current and expected liquidity requirements and its compliance with lending covenants, to ensure that it maintains sufficient reserves of cash and adequate committed lines of funding from major financial institutions to meet its liquidity requirements in the short and longer term. All financial liabilities of the Group are matured less than 1 month.

Capital risk management

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern and to maximise the return to the shareholders through the optimisation of the debt and equity balance. The Group's overall strategy remains unchanged from prior year.

The Group also monitors the current and expected liquidity requirements regularly to ensure that sufficient working capital and adequate committed lines of funding are maintained to meet its liquidity requirements. Upon the discovery of any default, the Group would negotiate immediately with the relevant lenders for proper arrangement in order to maintain sufficient working capital.

The Group sets the amount of capital in proportion to risk. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the payment of dividends, issue new shares, buy-back shares, raise new debts, redeem existing debts or sell assets to reduce debts, where appropriate.

Neither the Company nor any of its subsidiaries are subject to externally imposed capital requirements.

- (a) *Apple Inc (1st Plaintiff) and IP Application Development Limited (2nd Plaintiff) vs the Company (1st Defendant); Proview Electronics Co. Ltd. (2nd Defendant); Proview Technology (Shenzhen) Co., Ltd. (3rd Defendant); YANG Long-san, Rowell (4th Defendant); and Yoke Technology (Shenzhen) Co. Ltd. (5th Defendant) – High Court Action 739 of 2010*

On 25 June 2010, the Plaintiffs alleged that there was an agreement entered into in or about December 2009 between the 2nd Plaintiff and the Company, 2nd and 3rd Defendants in relation to the sale, transfer and assignment of certain Trademarks. It was given to understand that the 2nd Defendant was the sole proprietor of such Trademarks. However, it found out that the 3rd Defendant instead is the registered proprietor of the Trademarks during the process of making application to the Trademarks Office of the PRC to assign the Trademarks from the 2nd Defendant to the 1st Plaintiff. As such, the 3rd Defendant has to execute a replacement assignment of the Trademarks in honouring the transfer and assign of the Trademarks to the 1st Plaintiff.

The Plaintiffs claimed (i) the specific performance of the agreement for the transfer and assignment of the Trademarks made between the counterparties as before; (ii) the declaration that the 3rd and/or 5th Defendant merely held the Trademarks on trust for the Plaintiff's benefits; (iii) including the Company as constructive trustee and liable to the Plaintiffs; (iv) the injunction against the Company, and all of the remaining Defendants from selling, transferring, disposing the Trademarks without the Plaintiff's consent, nor to make any oral or written representation to any person that they have any title or rights in the Trademarks; (v) damages for conspiracy, equitable compensation, interest and costs, etc.

On 25 June 2012, a settlement was reached in relation to a related proceedings taken out by the Plaintiffs against the 3rd Defendant in the PRC Shenzhen Court. The terms of the settlement resulted in the resolution of the dispute matter, including the current action, are in the process of being implemented by the parties and was still ongoing.

By an order on 12 September 2012, it was ordered that all further proceedings in the action be stayed with liberty to the Plaintiffs to restore the same upon giving 21 days' notice in writing.

On 28 December 2006, the Plaintiff entered into a loan agreement with Provview Technology (Shenzhen) Co., Ltd. for a loan of Rmb 100 million. The Plaintiff thus claimed against the Company for the judgement debt, interest and costs for relief. Since the Company has not filed any Notice of Intention to defend, the Court entered the judgement for the Plaintiff on 7 June 2011 for (i) the judgement sum of approximately Rmb 88 million; (ii) interest on the sum of Rmb 80 million at Rmb lending rate times 150% from 21 March 2011 to 7 June 2011, and (iii) at judgement rate of 8% thereafter and fix costs of HK\$11,045.

On 24 February 2012, the Defendants defended that they were not handed over the proper control of management, business, operations, finance, accounts and affairs of the Group by the ex-chairman – YANG Long-san, Rowell, who was at all material time and in actual control of the said matters. It was denied that they had ever agreed to deliver such items to the Company.

The Company had not filed any Reply or provided any Answer to the Request for Further and Better Particulars of the Statement of Claim.
