**FURTHER ANNOUNCEMENT ON DELAY IN PUBLICATION
OF 2014 ANNUAL RESULTS**

References are made to the announcements of the Company dated 30 March 2015, 31 March 2015 and 1 April 2015 in relation to the delay in the publication of 2014 annual results and board meeting date (the “Announcements”).

Unless otherwise stated, capitalized terms defined in the Announcements shall have the same meanings when used in this announcement.

**DELAY IN PUBLICATION OF 2014 ANNUAL RESULTS
ANNOUNCEMENT**

Reference is made to the announcement of the Company dated 31 March 2015 in which the Shareholders were informed of the reasons for the delay. Some of the reasons are that the Company needs more time to ascertain (a) the fair value of the financial guarantee contracts given by its subsidiary, Shandong Taifeng Textile Co., Ltd. (“Shandong Taifeng”), to banks for certain borrowings granted to independent third parties; and (b) the fair value assessments of the estimated recoverable amounts of the Group’s assets which may be impaired as a result of the latest financial position of the Company which will not be available on or before 8 May 2015; and that (c) the auditors of the Company have indicated that more time is required

to ascertain the cash flow position of the Company and carry out additional work in order to finalise the audit of the consolidated financial statements of the Group for the year ended 31 December 2014 as a result of the latest situation of the Company including the liquidity position of the Company as disclosed in the Company's announcement dated 12 December and 15 December 2014, respectively. As the assessments and the audit work mentioned above are still in progress, the Board wishes to inform the shareholders of the Company that the 2014 Annual Results are expected to be released, and the Board Meeting to approve the 2014 Annual Results is expected to be held, in mid-May 2015.

The Board and the management of the Company are doing their utmost to assist and cooperate with the auditors so that the 2014 Annual Results can be available as soon as practicable.

NON-PUBLICATION OF MANAGEMENT ACCOUNTS

Reference is made to the announcement of the Company dated 31 March 2015 in relation to the reasons for the non-publication of management accounts. The Board, after due and careful consideration, is of the view that the publication of the 2014 Unaudited Management Accounts at this time would be misleading and confusing to the Shareholders and potential Investors.

By order of the board of
