### **POSITIVE PROFIT ALERT REGARDING ANNUAL RESULTS FOR 2015**

This announcement is made pursuant to Rule 13.09(2) of the Listing Rules and the Inside Information Provisions under Part XIVA of the SFO.

The Board would like to inform the shareholders of the Company and potential investors that the Group is expected to record significant increase in profit for the year ended 31 December 2015 as compared to the corresponding period of 2014, a turnaround in profit for the year is expected to be recorded.

This announcement is only based on the preliminary review on the consolidated management accounts of the Group, which have not been audited by the auditors of the Company, and are therefore subject to change.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**

This announcement is made by Sino-i Technology Limited (the “**Company**”, and together with its subsidiaries, collectively as the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong) (the “**SFO**”).

The board of directors of the Company (the “**Board**”) would like to inform the shareholders of the Company and potential investors that the Group is expected to record significant increase in profit for the year ended 31 December 2015 as compared to the corresponding period of 2014, a turnaround in profit for the year is expected to be recorded.

Expected turnaround in profit for the year was mainly attributable to the following factors:

- (1) the Group strived to improve its product mix to enhance the sales share of self-developed products of higher gross profit, resulting in an increase of approximately 8.2% in the gross profit for the year as compared to last year, and hence significant increase was recorded for the profit ;
- (2) rising efficiency in product research and development increased the capitalization ratio of research and development expenditure, which in turn resulted in the decrease in research and development expenses for the year as compared to last year; and
- (3) improvement of assets efficiency has significantly reduced the Group's depreciation and amortization expense for the year as compared to last year.

This announcement is only based on the preliminary review on the consolidated management accounts of the Group, which have not been audited by the auditors of the Company, and are therefore subject to change. The annual results announcement of the Group for the year ended 31 December 2015 is expected to be published in the second half of March in 2016 and the related 2015 annual report will be published subsequently.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**
