(the “Petitioner” or “MICB”) against the Company (the “Winding Up Petition”) with the Grand Court of the Cayman Islands (the “Grand Court”) which was served at the Company’s registered office in the Cayman Islands.

It was alleged in the Winding Up Petition that the Company was indebted to and had failed to satisfy the Lenders (as defined below) of such debt in the total sum of US\$89,764,378.88 as at 16 January 2015, comprising the principal amount of a loan of US\$85,000,000 (the “Loan”), accrued unpaid interest thereon of US\$880,436.38 and accrued unpaid default interest thereon of US\$3,883,942.50. Pursuant to the Winding Up Petition, the aforesaid amounts were owed pursuant to a loan agreement dated 22 April 2013 (the “Loan Agreement”) entered into by (i) the Company (as borrower), (ii) the Petitioner, Cathay United Bank, China Development Industrial Bank, Ta Chong Bank Ltd., Taipei Fubon Commercial Bank Co., Ltd., Taishin International Bank Co., Ltd., Taiwan Business Bank and Bank of East Asia, Limited (as lenders) (collectively, the “Lenders”), and (iii) the Petitioner (as arranger and agent for the Lenders) in respect of the Loan.

Under the Winding Up Petition, the Petitioner sought to wind up the Company and to appoint liquidators.

## **Appointment of the Provisional Liquidators**

On 25 February 2015, Mr. Man Chun So, Mr. Yat Kit Jong and Mr. David Walker were appointed as the Provisional Liquidators of the Company with the power to act jointly and severally pursuant to the Order made by the Grand Court until further notice.

On 2 August 2016, the Grand Court made a further Order releasing Mr David Walker from the obligation to perform any further duties in his capacity as the Provisional Liquidator and replacing him with Mr Simon Conway.

None of the directors of the Company have advised the Provisional Liquidators of the whereabouts of the statutory books and records, or books and records of the Group including the subsidiaries incorporated in the People’s Republic of China (the “PRC”).

## **Proposed restructuring of the Group**

On 23 September 2016, the Company entered into a restructuring framework agreement (the “Restructuring Framework Agreement”) with independent third parties (the “Investors”), pursuant to which the Company will implement a restructuring of the Company’s equity and debt (“Proposed Restructuring”).

Pursuant to the Restructuring Framework Agreement, the Company will carry out the Proposed Restructuring which comprises: (i) the Capital Reorganisation; (ii) the Creditors Schemes; (iii) the Open Offer; (iv) the Subscription; (v) the Acquisition; (vi) Reverse Takeover; and (vii) Whitewash Waiver.

Following the entering into of the Restructuring Framework Agreement, the Company submitted the resumption proposal to the Stock Exchange before the expiry of the third delisting stage to seek the resumption of trading of the Company’s shares. On 24 October 2016, the Company received a letter of even date from the Stock Exchange, which stated that the Stock Exchange agreed to allow the Company to submit a new listing application relating to the resumption proposal (but not any other proposal) on or before 31 March 2017. If the Company fails to submit a new listing application by 31 March 2017, or the transactions proposed in the resumption proposal fail to proceed for any reason, the Stock Exchange will proceed with cancelling the Company’s listing on the Stock Exchange.

On 31 March 2017, a new listing application was submitted to the Stock Exchange.

## **Proposed Capital Reorganisation**

For the Proposed Restructuring, the Company proposes to implement, subject to the approval by the shareholders, the capital reorganisation. The capital reorganisation will comprise the share consolidation, the authorised share capital cancellation and the authorised share capital increase.

## **Creditors Schemes**

Pursuant to the terms of the Restructuring Framework Agreement, it is proposed that the Creditors Schemes will be implemented after approval has been granted by the High Court of Hong Kong (the “High Court”), the Grand Court and the creditors.

Upon completion of the Creditors Schemes, all the claims of the creditors against the company, and liabilities of the Company will be discharged and released in full. All existing assets of the Group will be transferred to the scheme company or scheme administrators of the Creditors Schemes, such that the only assets of the Company will be the target group on completion.

## **The Open Offer**

Subject to the capital reorganisation becoming effective, the Company will implement the Open Offer of new shares on the basis of one offer share for every new share held on the Open Offer record date by the qualifying shareholders. A total of 560,385,939 offer shares will be allotted and issued by the Company at the offer price of HK\$0.08 cash for each offer share and the gross proceeds raised via the issuance of the offer shares will be approximately HK\$44.8 million. The Open Offer is only available to qualifying shareholders. The Open Offer will be conditional upon completion of the Proposed Restructuring. The Open Offer will be fully underwritten by an underwriter, being an independent third party and not acting in concert with the Concert Group.

## **The Subscription**

Pursuant to the Restructuring Framework Agreement, the subscribers will subscribe for 1,120,771,878 subscription shares at the price of HK\$0.08 per subscription shares for an aggregate subscription price of HK\$89.7 million.

## **The Acquisition**

Under the Restructuring Framework Agreement, the Company will purchase the sale equity interest from the Investors. Upon the completion of the Acquisition, the target group will become wholly owned subsidiaries of the Company.

The consideration is approximately HK\$717.3 million and was arrived at after arm’s length negotiations between the parties to the Restructuring Framework Agreement and was determined by reference to (i) the unaudited combined net asset value of the target group as at 31 December 2015; (ii) the profitability of the target group based on the unaudited financial information of the target group provided by the Investors; (iii) the business prospects of the target group; (iv) the earning multiples of companies engaged in a similar line of business to the target group located in Singapore and Malaysia; and (v) the market leader position and significant presence of the target group in the precast hollow-core concrete wall panel industry in Singapore.

The consideration shall be satisfied by the issuance and allotment of 8,966,175,024 consideration shares at the consideration price of HK\$0.08 each upon the completion of the Acquisition.

The completion of the Subscription, the Acquisition and the Open Offer, which form part of the Proposed Restructuring, will be inter-conditional upon each other.

## **Reverse Takeover**

The Acquisition constitutes a very substantial acquisition and a reverse takeover for the Company under Chapter 14 of the Listing Rules and therefore is subject to the reporting, announcement and shareholders' approval requirements pursuant to the Listing Rules and approval of the new listing application of the Company by the Listing Committee.

## **Whitewash Waiver**

Upon the completion of the Acquisition, the Concert Group will, in aggregate, hold approximately 80.0% of the share capital of the Company after the capital reorganisation and as enlarged by the offer shares, the subscription shares and the consideration shares. As such, the Concert Group would be required to make a mandatory general offer for all the issued shares of the Company (not already owned or agreed to be acquired by the concert group) under Rule 26.1 of the Takeovers Code, unless a waiver from strict compliance with Rule 26.1 of the Takeovers Code is granted by the Securities and Futures Commission (the "SFC"). The Investors will make an application to the SFC for the granting of the Whitewash Waiver pursuant to Note 1 on dispensations from Rule 26 of the Takeovers Code.

Further details of the Proposed Restructuring can be found in the announcement made by the Company dated 16 February 2017.

## **Incomplete books and records**

Due to the limited information available, the Company was unable to obtain sufficient documentary information regarding the completeness of books and records and the treatment of various balances as included in the consolidated financial statements for the year ended 31 December 2013 and have formed the opinion as follows:

As the consolidated financial statements have been prepared based on the incomplete books and records available to the Company, the Company is unable to represent that all transactions entered into by the Group for the year ended 31 December 2013 have been properly reflected in the consolidated financial statements. As such, the Provisional Liquidators of the Company are also unable to represent as to the completeness, existence and accuracy of identification and the disclosures of the financial statements in accordance with IFRSs and the disclosure requirements of the Hong Kong Companies Ordinance and the Listing Rules. The Provisional Liquidators have recovered only limited books and records of the Company.

## **Going concern**

The Group has received a winding up petition filed by the Petitioner against the Company and it was alleged in the Winding Up Petition that the Company was indebted to and failed to satisfy the Lenders. In preparing these consolidated financial statements, the Company has given careful consideration to the impact of the current and anticipated future liquidity of the Group and the Company and the ability of the Group and the Company to generate a profit and attain positive cash flows from operations in the immediate and longer term.

Based on the cash flow projections of the Group and having taken into account the assumption that the Proposed Restructuring of the Company, as mentioned above, will be successfully completed, the Company has concluded that the Group and the Company is able to continue as a going concern and to meet their financial liabilities as and when they fall due in the foreseeable future.

Should the Group be unable to continue as a going concern, adjustments would have to be made to restate the values of assets to their recoverable amounts, to provide for any further liabilities which might arise and to classify non-current assets and liabilities as current assets and liabilities respectively. The effects of these potential adjustments have not been reflected in these consolidated financial statements.

## **EXTRACT FROM INDEPENDENT AUDITOR'S REPORT**

The Company's auditor has issued a disclaimer of opinion on the Group's consolidated financial statements for the year ended 31 December 2013, an extract of which is as follows:

### **Basis for disclaimer of opinion**

#### **Scope limitation due to incomplete books and records**

Up to the date of this report, given the incomplete books and records and serious doubts over the reliability of the Group's accounting and other records, the Provisional Liquidators of the Company, acting as agents of the Company (without liability and recourse) believe that, it is almost impossible, and not practical, to ascertain the correct revenue and profit or loss (and the resultant assets and liabilities) for the current year for inclusion in the consolidated financial statements of the Group. Also, due to incomplete books and records, the Provisional Liquidators of the Company could not prepare the consolidated statement of cash flows and calculate the diluted earnings per share for the year ended 31 December 2013 and they believe that it is almost impossible, and not practical, to verify the financial information as reported in the consolidated financial statements of the Group and financial statements of the Company for the past years and, in particular prior to the appointment of the Provisional Liquidators on 25 February 2015. We were therefore unable to carry out satisfactory audit procedures to obtain reasonable assurance regarding the completeness, accuracy, existence, valuation, classification and disclosures of the transactions of the Group and the Company.

Given these circumstances, which are more fully disclosed in note 3 to the consolidated financial statements, there were no practicable audit procedures that we could perform to satisfy ourselves that the information and documents presented to us for the purpose of our audit are complete and accurate in all material respects, nor to quantify the extent of adjustments that might be necessary in respect of the Group's and the Company's financial information.

As a result, in performing our audit on the consolidated financial statements of the Group for the year ended 31 December 2013, there were no practicable audit procedures that we could perform to satisfy ourselves whether the balances of assets, liabilities, contingent liabilities, commitments and reserves as at 1 January 2012 and 31 December 2013 were fairly stated.

Included in the Company's statement of financial position are interests in subsidiaries of RMB9,095,812,000 and RMB10,613,432,000 and loans to subsidiaries of RMB2,385,848,000 and RMB2,424,270,000 as at 31 December 2013 and 31 December 2012 respectively. Due to the scope limitations as mentioned above, we are unable to satisfy ourselves as to the fairness of the amounts carried as interests in subsidiaries and loans to subsidiaries in the Company's financial statements or to determine whether any provision for impairment loss is necessary in respect of the above. Any adjustments would have a consequential effect on the net assets of the Company as at 31 December 2013 and 31 December 2012 and of its net loss for the years then ended and the related disclosures in the Company's financial statements.

Any adjustments found to be necessary in respect thereof had we obtained sufficient appropriate audit evidence would have had a consequential effect on the net assets of the Group as at 1 January 2012, 1 January 2013 and 31 December 2013, and on its profit for the years ended 31 December 2013 and 2012, and the related disclosures thereof in the consolidated financial statements.

### **Non-compliance with IFRSs and omission of disclosures**

As explained in note 3 to the consolidated financial statements, as the consolidated financial statements of the Group have been prepared by the Company's former management and the Provisional Liquidators have presented these financial statements based on incomplete books and records, the Provisional Liquidators believe it is almost impossible and not practicable to ascertain the correct amounts and prepare the consolidated statement of cash flows and calculate the diluted earnings per share. Consequently, the provisional liquidators of the Company were unable to confirm that the consolidated financial statements comply with IFRSs, or that the disclosure requirements of the Hong Kong Companies Ordinance and the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited have been complied with. Given these circumstances, which are more fully described in note 3, there were no practicable audit procedures that we could perform to quantify the extent of adjustments that might be necessary in respect of the Group's consolidated financial statements.

### **Material uncertainty related to going concern basis**

The consolidated financial statements have been prepared on a going concern basis on the assumption that the Proposed Restructuring of the Company will be successfully completed, and that, following the restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future. The consolidated financial statements do not include any adjustments that would result from a failure to complete the restructuring. We consider that the disclosures are adequate. However, in view of the extent of the uncertainty relating to the completion of the restructuring, we disclaim our opinion in respect of the material uncertainty relating to the going concern basis of preparation of these consolidated financial statements.

### **DISCLAIMER OF OPINION**

Because of the significance of the matters described in the basis for disclaimer of opinion paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the consolidated financial statements as to whether they give a true and fair view of the state of affairs of the Company and of the Group as at 31 December 2013, and of the Group's profit for the year then ended in accordance with IFRSs and as to whether the consolidated financial statements have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.

### **OTHER MATTERS**

The Provisional Liquidators were appointed on 25 February 2015. The Provisional Liquidators have recovered only limited books and records of the Company and they have used their reasonable endeavours to present the consolidated financial statements based on the information prepared by the former management of the Company available to them to date and based on all available information to the extent provided to them in their capacity as Provisional Liquidators subsequent to their appointment on 25 February 2015 to fulfil the Company's responsibilities for the preparation of the consolidated financial statements in accordance with IFRSs.
