Pursuant to Rule 10 of the Takeovers Code, the Unaudited Financial Information constitutes a profit forecast which should be reported on by the financial adviser and the auditors/reporting accountants of the Company and their reports must be included in the next document to be sent to the Shareholders under Rule 10.4 of the Takeovers Code. However, since the Unaudited Financial Information contains the preliminary unaudited financial information of the Group for the six months ended 30 June 2019 which must be published by the Company not later than 31 August 2019 pursuant to Rule 13.49(6) of the Listing Rules and the Company is currently still finalising the audit and preparing the revised Circular, the Company has encountered genuine practical difficulties (time-wise or otherwise) in meeting the reporting requirements set out in the said Rule 10.4 of the Takeovers Code.

Subject to the Stock Exchange's in-principle approval for trading resumption, the JPLs plan to publish the outstanding annual reports (which will include the 2015-2018 Annual Results) and interim reports (which will include the 2015-2019 Interim Results) as soon as practicable and in any event no later than convening of the extraordinary general meeting to approve the transactions contemplated under the Revised Proposed Restructuring. Publication of the 2015-2018 Annual Results and the 2015-2019 Interim Results on or before the despatch of the Circular would fall under Rule 10.9 of the

Takeovers Code and the reporting on requirements of the Unaudited Financial Information will no longer be required.

Shareholders and potential investors of the Company are reminded that the Unaudited Financial Information is subject to changes resulting from, among others, further review by the Company and its auditors and any adjustments that might be proposed by the auditors. The Company cannot guarantee the Unaudited Financial Information reflects the financial performance and condition of the Company.

The Company would also like to draw the attention of the Shareholders and potential investors of the Company that the Unaudited Financial Information does not meet the standard required by Rule 10 of the Takeovers Code. Shareholders and potential investors of the Company should exercise caution in placing reliance on the Unaudited Financial Information in assessing the merits and demerits of the transactions contemplated under the Revised Proposed Restructuring and when dealing in the Shares.

UPDATES ON THE REVISED RESUMPTION PROPOSAL

As disclosed in the announcement of the Company dated 25 July 2019, the Target Company made the Quota Application to Langfang Municipal Ecological Environment Bureau (廊坊市生態環境局) and the Department of Ecology and Environment of Hebei Province (河北省生態環境廳). The relevant approvals were obtained on 4 July 2019 and 26 July 2019 respectively and the Quota Application was subsequently submitted to the Ministry of Ecology and Environment of the PRC (中華人民共和國生態環境部) (the “MEE”) for its final approval.

On 14 August 2019, the MEE published the approved results of the Quota Application in the official website of China Solid Waste and Chemicals Management and Technology Centre (環境保護部固體廢物與化學品管理技術中心) which is a public unit belonging to MEE. Of the import quotas of 7,000 tons of copper scrap and 5,000 tons of aluminum scrap applied for by the Target Company, MEE has granted import quotas of 800 tons of copper scrap and 160 tons of aluminum scrap to the Target Company. Given that the approved total amount of import quotas is below that specified in the Quota Application, the Target Company is currently evaluating the feasibility of procuring additional quantities of domestic scrap metals, as well as the overall impact of the limited import quotas and the additional time and efforts that may be incurred in sourcing scrap metals domestically on the business and financial performance of the Target Company.

It is currently expected that after the Sponsor and the other professional parties have fully addressed (i) the impact of the New PRC Regulations on the business and financial performance of the Target Group and the New Listing Application and; (ii) certain proposed amendments to the Revised Proposed Restructuring to comply with the regulatory requirements with respect to, amongst others, the minimum market capitalisation requirement which took effect in February 2018, the Company will reactivate the New Listing Application, which has lapsed on 24 February 2019, by refiling a renewed New Listing Application pursuant to Rule 9.03(1) of the Listing Rules. The Company intends to despatch the Circular to the Shareholders and convene the extraordinary general meeting to approve the transactions contemplated under the Revised Restructuring Agreement as soon as practicable thereafter.

Subject to fulfillment or waiver (as applicable) of the conditions precedent of the Revised Restructuring Agreement and the Stock Exchange's approval of the resumption of trading of the Shares on the Stock Exchange, it is the Company's tentative plan to complete the aforesaid transactions and resume trading of its Shares on the Stock Exchange in 2020. As said above, the aforesaid tentative timing is subject to a number of conditions and may or may not materialise.

SUSPENSION OF TRADING

At the request of the Company, trading in the Shares on the Stock Exchange has been suspended from 9:00 a.m. on 2 June 2015. Trading in the Shares will remain suspended until further notice.

The publication of this announcement does not indicate any decision or conclusion from the Stock Exchange nor warrant any approval from the Stock Exchange on the trading resumption in the Shares. In addition, the transactions contemplated under the Revised Restructuring Agreement and trading resumption in the Shares are subject to the fulfillment of a number of conditions precedent and therefore may or may not materialise and proceed. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares.
