However, due to the Auditor needs additional time to complete the Audit Procedures, including various items required under the IT system assessments relevant to the audit, that may have impact to the 2019 Annual Results. Since the subsidiary required IT system audit is located in Beijing, which is being affected by reimposed strict measures to prevent a second wave of infections recently, led to the delay of progress of the audit on the IT System in this subsidiary located in Beijing, as a result additional time is required for completion of the audit process for the Annual Results and the Annual Report. An application has been made by the Company to the Stock Exchange for a waiver from strict compliance with Rules 13.46(2)(a) and 13.49(1) of the Rules Governing the Listing of Securities on the Stock Exchange to postpone the dates by which it is required to publish the 2019 Audited Annual Results and 2019 Annual Report. The following illustrates the updated timetable in relation to the auditing process and the publication of the 2019 Audited Annual Results Announcement and 2019 Annual Report:
