FORWARD LOOKING INFORMATION

This announcement contains forward-looking information relating to, among other things, the plans and expectations of the Corporation. Such forward-looking information is subject to various risks, uncertainties and other factors. All statements other than statements and information of historical fact are forward-looking statements. The use of words such as “estimate”, “forecast”, “expect”, “project”, “plan”, “target”, “vision”, “goal”, “outlook”, “may”, “will”, “should”, “believe”, “intend”, “anticipate”, “potential”, and similar expressions are intended to identify forward-looking statements. Forward-looking statements are based on the Corporation’s experience, current beliefs, assumptions, information and perception of historical trends available to the Corporation, and are subject to a variety of risks and uncertainties including, but not limited to those associated with resource definition and expected reserves and contingent and prospective resources estimates, unanticipated costs and expenses, regulatory approval, fluctuating oil and gas prices, expected future production, the ability to access sufficient capital to finance future development and credit risks, changes in Alberta’s regulatory framework, including changes to regulatory approval process and land-use designations, royalty, tax, environmental, greenhouse gas, carbon and other laws or regulations and the impact thereof and the costs associated with compliance. Although the Corporation believes that the expectations represented by such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. Readers are cautioned that the assumptions and factors discussed in this announcement are not exhaustive and readers are not to place undue reliance on forward-looking statements as the Corporation’s actual results may differ materially from those expressed or implied. The Corporation disclaims any intention or obligation to update or revise any forward-looking statements as a result of new information, future events or otherwise, subsequent to the date of this announcement, except as required under applicable securities legislation. The forward-looking statements speak only as of the date of this announcement and are expressly qualified by these cautionary statements. Readers are cautioned that the foregoing lists are not exhaustive and are made as at the date hereof. For a full discussion of the Corporation’s material risk factors, see the Corporation’s annual information form for the year ended December
