NOTES TO THE INTERIM FINANCIAL INFORMATION

(Expressed in Renminbi)

1 GENERAL INFORMATION

CECEP COSTIN New Materials Group Limited (In Provisional Liquidation) (the “**Company**”) was incorporated in the Cayman Islands as an exempted company with limited liability under the Companies Law of the Cayman Islands. The address of the Company’s registered office is Grand Pavilion, Hibiscus Way, 802 West Bay Road, P.O. Box 31119, KY1-1205, Cayman Islands and its current principal place of business is situated at 22nd Floor, Prince's Building, Central, Hong Kong.

Alleged misappropriation of funds

On 22 August 2016, the Company announced that it was alleged that certain funds of a subsidiary of the Company in the People’s Republic of China (the “**PRC**”) had been misappropriated by Mr. Chim Wai Kong (the “**Misappropriation**”). Mr. Chim Wai Kong was an executive director and co-chairman of the Company at that time and subsequently resigned as an executive director and co-chairman of the Company on 11 January 2017.

Following the allegation, a special investigation committee, comprising all three of the then independent non-executive directors of the Company, was established to conduct an inquiry into the alleged Misappropriation. On 30 September 2016, a forensic accounting firm was appointed to conduct a forensic investigation in respect of the alleged Misappropriation. On 3 November 2017, the forensic accounting firm issued a report and the key findings of the investigation as set out in the report are as follows:

- (a) There are discrepancies in bank balances, loan balances and external credit facilities between what had been disclosed in the annual reports of the Company and the statements and records received from the banks and credit agencies for the financial years ended 31 December 2014, 2015 and 2016 (up to 31 August 2016);
- (b) There are omissions in the Company’s annual reports for the financial years ended 31 December 2014 and 2015 in respect of external guarantees provided by the Company’s subsidiaries to third parties;
- (c) Since 2012, three subsidiaries of the Company have kept two sets of accounting records; and
- (d) Unauthorised payments were made from the bank accounts of a subsidiary of the Company to the bank accounts of Mr. Chim Wai Kong and his brother and the then director of the Company, Mr. Chim Wai Shing Jackson, and/or their connected entities between 2012 and 2016.

Listing status of the Company

The shares of the Company are listed on the Main Board of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”). However, trading in shares of the Company on the Stock Exchange has been suspended since 15 August 2016 due to the alleged Misappropriation.

On 14 December 2016, the Stock Exchange placed the Company in the first delisting stage under Practice Note 17 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”). As no resumption proposal was submitted to the Stock Exchange before the expiry date of the first delisting stage, the Stock Exchange placed the Company into the second delisting stage commencing on 26 June 2017 and expiring on 25 December 2017. No resumption proposal was submitted to the Stock Exchange again before the expiry date of the second delisting stage, the Stock Exchange placed the Company into the third delisting stage commencing on 24 January 2018 and expiring on 23 July 2018.

On 16 May 2018, the Company and a third-party investor entered into a legally binding restructuring framework agreement for implementation of a restructuring proposal in connection with the restructuring of the Company (the “**Proposed Restructuring**”). The Proposed Restructuring shall include the proposed acquisition by the Company of the target companies which are engaged in property investment in Hong Kong and Taiwan, which will constitute a very substantial acquisition and a reverse takeover involving a new listing application of the Company under the Listing Rules. The Proposed Restructuring shall also include, but not be limited to, capital reorganisation, open offer and schemes of arrangement to be made between the Company and its creditors, to satisfy the resumption conditions as laid down by the Stock Exchange.

On 9 July 2018, the Company submitted a resumption proposal to the Stock Exchange which embraces the Proposed Restructuring and contemplates for the resumption of trading in the shares of the Company. On 21 September 2018, the Stock Exchange agreed to allow the Company to submit a new listing application relating to the resumption proposal (but not any other proposal) on or before 28 February 2019. The new listing application was submitted to the Stock Exchange on 28 February 2019 and the updated new listing application was submitted to the Stock Exchange on 26 November 2019.

On 11 June 2021, the Company received a letter from the Stock Exchange stating that the Listing Committee of the Stock Exchange has decided to cancel the listing of the Company's shares on the Stock Exchange under the Practice Note 17 to the Listing Rules. The reasons for the delisting decision were stated in the Company's announcement of 25 June 2021. On 23 June 2021, the Company made a formal request to the Stock Exchange for a review of the delisting decision by the Listing Review Committee of the Stock Exchange pursuant to Chapter 2B of the Listing Rules. On 6 October 2021, the Stock Exchange notified the Company that the Listing Review Committee decided to uphold the Listing Committee's decision to cancel the listing of the Company's shares on the Stock Exchange. The Company is of the view that the Listing Review Committee's decision does not have reasonable grounds, having regard the circumstances of the Company and the Company has made a formal request to the Stock Exchange for a review of the Listing Review Committee's decision by the Listing Appeals Committee of the Stock Exchange on 12 October 2021. As at date of approval of this interim financial information, the hearing of the Listing Appeals Committee has not yet held.

Voluntary winding up of a subsidiary and winding up petition against the Company

On 22 February 2017, a wholly owned subsidiary, Gerfalcon Industrial (Nonwoven) Investment Company Limited ("**Gerfalcon Industrial**"), was put into creditors' voluntary winding up after taking into consideration, amongst others, its insolvency and various defaults in repayments of borrowings and bank loans. Gerfalcon Industrial, together with its subsidiaries, accounted for a substantial portion of the Group's operations.

On 2 November 2017, a creditor bank served a winding up petition against the Company (the "**Petition**") as the Company failed to repay a loan of HK\$150 million and related interest of HK\$8 million. As a result, Mr. Man Chun So, Mr. Yat Kit Jong and Mr. Simon Conway were appointed by the Grand Court of the Cayman Islands as joint provisional liquidators of the Company on 14 November 2017. The hearing of the Petition was adjourned and re-listed for hearing on 16 February 2018 (Cayman Islands Time).

By virtue of the order dated 13 March 2018, the hearing of the Petition was adjourned and re-listed for hearing on 27 September 2018 (Cayman Islands Time), which was subsequently vacated and the hearing of the Petition against the Company has been adjourned without a return date.

2 BASIS OF PREPARATION

The interim financial information for the six months ended 30 June 2021 has been prepared based on limited books of account and records available to the Company to the extent available to the directors to fulfil the Company's responsibilities for the preparation of interim financial information in accordance with International Accounting Standard 34 "Interim Financial Reporting" ("**IAS 34**") issued by the International Accounting Standards Board ("**IASB**").

This interim financial information should be read in conjunction with the Group's audited consolidated financial statements for the year ended 31 December 2020. The accounting policies applied are consistent with those of the Group's audited consolidated financial statements for the year ended 31 December 2020, as described in those audited consolidated financial statements.

The directors noted that the historical information in respect of the Company that is available to them may not be complete and sufficient to establish an accurate and reliable view of the historical transactions, trading and financial position of the Group and may contain significant errors. Given the findings of the forensic accounting firm in respect of the alleged Misappropriation as mentioned in note 1, and due to limited books of account and records available to the Company and that all the former key personnel responsible for finance and accounting matters of the Group had left, the directors believe that it is almost impossible, and not practicable, to verify the financial information as reported in the Group's unaudited interim financial information and audited consolidated financial statements in respect of the previous years. Accordingly, the comparative financial information shown in this interim financial information only represents such information as reported in the Group's published unaudited interim financial information for the six months ended 30 June 2020 and audited consolidated financial statements for the year ended 31 December 2020 and therefore may not be comparable with the figures for the current period.

Given the findings of the forensic accounting firm in respect of alleged Misappropriation as mentioned in note 1, and due to limited books of account and records available to the Company and that all the former key personnel responsible for finance and accounting matters of the Group had left, the directors believe that it is almost impossible, and not practical, to ascertain the transactions and balances in respect of the six months ended 30 June 2021 included in the interim financial information. In this connection, no representation is made by the directors as to the completeness, existence and accuracy of the transactions and balances in respect of the six months ended 30 June 2021 included in this interim financial information, and whether the interim financial information has been properly prepared in accordance with IAS 34 and in compliance with the disclosure requirements of the Listing Rules.

Due to insufficient financial information, the interim financial information does not contain certain disclosures under IAS 34 and the Listing Rules.

The interim financial information has been prepared on a going concern basis, on the assumption that the Proposed Restructuring of the Company will be completed and the Group will be able to improve its financial position and business upon completion of the Proposed Restructuring. The interim financial information does not incorporate any adjustments for possible failure of the Proposed Restructuring and the continuance of the Group as a going concern. Should the Group be unable to continue as a going concern, adjustments would have to be made to restate the value of assets to their recoverable amounts and to provide for any further liabilities which might arise. The effects of these adjustments have not been reflected in this interim financial information.

3 ADOPTION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS ("IFRSs")

The IASB has issued certain new and revised IFRSs that are first effective for the current period of the Group. The application of the new and revised IFRSs did not result in significant changes to the Group's accounting policies and the presentation of the financial statements amounts reported for both the current and prior periods.

The Group has not applied the new IFRSs that have been issued but are not yet effective.

EXTRACT FROM REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

The Company's auditor has issued a disclaimer of conclusion on the Group's condensed consolidated interim financial information for the six months ended 30 June 2021, an extract of which is as follows:

Scope of review

We planned to conduct our review in accordance with Hong Kong Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Hong Kong Institute of Certified Public Accountants. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

However, because of the matters described in the "**Basis for disclaimer of conclusion**" section of our report, we were not able to carry out sufficient review procedures to provide a basis for a conclusion on the interim financial information.

BASIS FOR DISCLAIMER OF CONCLUSION

(a) Opening balances and comparative figures

As disclosed in note 2 to the interim financial information, the directors noted that the historical information in respect of the Company that is available to them may not be complete and sufficient to establish an accurate and reliable view of the historical transactions, trading and financial position of the Group and may contain significant errors. Given the findings of the forensic accounting firm in respect of the alleged misappropriation of funds of a subsidiary of the Company by a former executive director and co-chairman of the Company, and due to limited books of account and records available to the Company and that all the former key personnel responsible for finance and accounting matters of the Group had left, the directors believe that it is almost impossible, and not practicable, to verify the financial information as reported in the Group's unaudited interim financial information and audited consolidated financial statements in respect of the previous years.

Against this background, we were not able to satisfy ourselves as to whether the total deficit of the Group as at 1 January 2021 was free from material misstatement. Any adjustments to the opening total deficit of the Group as at 1 January 2021 would affect the Group's loss and cash flows for the six months ended 30 June 2021 and the related disclosures in the interim financial information. In addition, the comparative figures shown in the interim financial information may not be comparable with the figures for the current period ended 30 June 2021.

(b) *Limited books of account and records*

As disclosed in note 2 to the interim financial information, given the findings of the forensic accounting firm in respect of the alleged misappropriation of funds of a subsidiary of the Company by a former executive director and co-chairman of the Company, and due to limited books of account and records available to the Company and that all the former key personnel responsible for finance and accounting matters of the Group had left, the directors believe that it is almost impossible, and not practicable, to ascertain the transactions and balances in respect of the six months ended 30 June 2021 included in the interim financial information. In this connection, no representation is made by the directors as to the completeness, existence and accuracy of the transactions and balances in respect of the six months ended 30 June 2021 included in this interim financial information, and whether the interim financial information has been prepared in accordance with IAS 34 and in compliance with the disclosure requirements of the Listing Rules.

(c) *Non-compliance with IAS 34 and omission of disclosures*

As explained in note 2 to the interim financial information, the interim financial information has been prepared by the directors based on limited books of account and records available to the Company and the directors believe that it is almost impossible, and not practical, to ascertain the correct amounts. Consequently, the interim financial information does not contain certain disclosures required under IAS 34 and the Listing Rules. Given these circumstances, there were no practicable review procedures that we could perform to quantify the extent of adjustments that might be necessary in respect of the interim financial information.

(d) *Going concern basis of accounting*

As explained in note 2 to the interim financial information, the interim financial information has been prepared on a going concern basis on the assumption that the proposed restructuring of the Company will be completed and the Group will be able to improve its financial position and business upon completion of the proposed restructuring.

The completion of the proposed restructuring is, however, conditional upon, amongst other things, the schemes of arrangement for the restructuring of the Company's indebtedness being accepted by the Company's creditors and approved by the courts in Hong Kong and the Cayman Islands, the relevant approvals being obtained from the shareholders of the Company and other Hong Kong regulatory authorities including The Stock Exchange of Hong Kong Limited and the Hong Kong Securities and Futures Commission, and the resumption of trading in the Company's shares on The Stock Exchange of Hong Kong Limited.

The interim financial information does not incorporate any adjustments that would result from a failure to attain favourable results in respect of the above matters. If the outcome in respect of any of the above matters turns to be unfavourable, the going concern basis might not be appropriate and, in such event, adjustments would have to be made to the interim financial information to reduce the value of assets to their recoverable amounts and to provide for any further liabilities which might arise.

Disclaimer of conclusion

Because of the significance of the matters described in the "Basis for disclaimer of conclusion" section of our report, we were unable to carry out sufficient review procedures to provide a basis for a conclusion on the interim financial information. Accordingly, we do not express a conclusion on the interim financial information.

MANAGEMENT DISCUSSION AND ANALYSIS

The Directors note that the historical information in respect of the Company that is available to them may not be complete and sufficient to establish an accurate and reliable review of the historical transactions, trading and financial position and may contain significant errors. Given the findings of the forensic accounting firm in respect of the alleged misappropriation of funds of a subsidiary of the Company by a former executive director and co-chairman of the Company and due to limited books of account and records available to the Company and that all the former key personnel responsible for finance and accounting matters of the Group had left, the Directors believe that it is almost impossible, and not practicable, to verify the financial information as reported in the Group's unaudited condensed consolidated financial statements for the six months ended 30 June 2021.

Subject to the above, set out below are the management discussion and analysis of the Group's results of operations and financial conditions for the six months ended 30 June 2021. Such information is principally extracted from the unaudited condensed consolidated financial statements of the Company and its subsidiaries to provide information relating to the financial conditions and results of operations of the Group for the six months ended 30 June 2021.

Suspension of trading in shares and the resumption status

Trading in the shares on The Stock Exchange of Hong Kong Limited has been suspended with effect from 3:17 p.m. on 15 August 2016.

On 22 August 2016, the Company announced the Misappropriation by Mr. Chim Wai Kong and Mr. Chim Wai Kong admitted that he had misappropriated certain funds of such PRC subsidiary but refused to disclose further details. As a result of the Misappropriation, the Board was unable to ascertain whether the Group would be able to meet its payment obligations, such as the repayment of bank loans or interest accrued when due.

On 14 December 2016, the Stock Exchange placed the Company in the first delisting stage under Practice Note 17 to the Rules Governing the Listing of Securities on the Stock Exchange (the "**Listing Rules**") as the Stock Exchange considered, inter alia, that the Company was unable to maintain a sufficient level of operations or assets required under Rule 13.24 to support a continued listing.

As no resumption proposal was submitted before the expiry date of the first delisting stage, the Stock Exchange placed the Company into the second delisting stage commencing on 26 June 2017 and expiring on 25 December 2017.

On 2 November 2017, Industrial and Commercial Bank of China (Asia) Limited served a winding up petition and a summons for the appointment of joint provisional liquidators. The summons was heard on 14 November 2017 and the Grand Court of the Cayman Islands (the “**Grand Court**”) made an order appointing Mr. Man Chun So, Mr. Yat Kit Jong and Mr. Simon Conway, all of PricewaterhouseCoopers, as the joint provisional liquidators of the Company (the “**Provisional Liquidators**”) pursuant to Section 104(1) of the Companies Law of the Cayman Islands.

No resumption proposal was submitted before the expiry date of the second delisting stage. The Stock Exchange has placed the Company into the third delisting stage commencing on 24 January 2018 and expiring on 23 July 2018. According to the letter from the Stock Exchange dated 12 January 2018, the Company was required to submit a viable resumption proposal to address the following resumption conditions:

- (a) demonstrate sufficient operations or assets under Rule 13.24 of the Listing Rules;
- (b) conduct an appropriate investigation on the Misappropriation by Mr. Chim Wai Kong and disclose the findings of the investigation, assess the impact on the Company’s financial and operational positions, and take appropriate remedial actions;
- (c) have the winding up petitions against the Company (and its subsidiaries), where applicable, withdrawn or dismissed and the Provisional Liquidators discharged;
- (d) demonstrate that there is no reasonable regulatory concern about management integrity;
- (e) publish all outstanding financial results and address any audit qualifications; and
- (f) inform the market about all material information of the Company.

Proposed Restructuring

On 16 May 2018, the Company, Pyrrho Management Limited (“**Pyrrho**”) and the Provisional Liquidators (collectively the “**Parties**”) entered into a restructuring framework agreement (as supplemented by the supplemental agreements entered into on 26 February 2019, 15 May 2019, 15 May 2020 and 26 August 2021) in respect of, among other things, the proposed restructuring (the “**Restructuring Agreement**”). Pursuant to the Restructuring Agreement, the Company shall implement the proposed restructuring, which includes, among other things, (i) the capital reorganisation; (ii) the acquisition; (iii) the whitewash waiver; (iv) the open offer; and (v) the creditors schemes.

On 9 July 2018, the Company submitted a resumption proposal (the “**Resumption Proposal**”) to the Stock Exchange in support of the resumption of trading on the Stock Exchange (the “**Resumption**”). The foundation of the Resumption Proposal was a restructuring agreement which includes the proposed acquisition by the Company of a target group of companies with a focus on the leasing of the residential, commercial, retail and hotel properties in prime areas located in Hong Kong and Taiwan (the “**Target Group**”). The acquisition constitutes a very substantial acquisition and a reverse takeover involving a new listing application of the Company under the Listing Rules.

The Resumption Proposal also sets out detailed plans on satisfying the resumption conditions, including:

- (i) proposed acquisition of the Target Group which would satisfy Rule 13.24. Rule 13.24 requires an issuer to carry out directly or indirectly a sufficient level of operations or have tangible assets of sufficient value and/or intangible assets for which a sufficient potential value can be demonstrated to warrant the continued listing of the issuer's securities. On Resumption, the Company will meet the requirements of Rule 13.24 as to operations (proven by the track record profits) and assets (proven by the net assets and their nature);
- (ii) the Company has submitted to the Stock Exchange an investigation report on 13 November 2017 and an announcement dated 24 July 2018 was published to disclose the key investigation findings about the Misappropriation. An internal control consultant will be appointed to review the internal control procedures of the Company and the Target Group, which will become the only operating subsidiaries of the Company upon Resumption;
- (iii) on approval from the creditors of the creditors schemes and completion of all the transactions contemplated in the Resumption Proposal, the Provisional Liquidators will apply to the courts in the Cayman Islands and Hong Kong for the winding up petitions against the Company and its subsidiaries to be discharged before resumption; and
- (iv) all existing Directors of the Company will resign prior to Resumption, and new Directors who are intended to meet the requirements under the Listing Rules will be appointed.

On 21 September 2018, the Stock Exchange agreed to allow the Company to submit a new listing application relating to the Resumption Proposal (but not any other proposal) on or before 28 February 2019. A new listing application relating to the Resumption Proposal was submitted to the Stock Exchange on 28 February 2019. On 26 November 2019, the Company submitted the updated new listing application to the Stock Exchange.

On 31 May 2021, the Listing Division of the Stock Exchange informed the Company that it intended to recommend the Listing Committee of the Stock Exchange (the "**Listing Committee**") to cancel the listing of the Company under Practice Note 17 to the Listing Rules. The Company made a request to be present at the Listing Committee hearing to make an effective representation to the Listing Committee members (the "**Company's Request**").

On 11 June 2021, the Listing Committee decided to reject the Company's Request and cancel the Company's listing (the "**Delisting Decision**").

On 23 June 2021, the Company has made a formal request to review the Delisting Decision by the Listing (Review) Committee ("**LRC**") pursuant to Chapter 2B of the Listing Rules.

The hearing of the LRC was held on 28 September 2021. On 6 October 2021, the LRC decided to uphold Listing Committee's decision to cancel the listing of the Company's shares on the Stock Exchange ("**LRC Decision**").

The Company is of the view that the LRC Decision does not have reasonable grounds, having regard the circumstances, the Company has made a formal request to the Stock Exchange for a review of the LRC Decision by the Listing Appeals Committee ("**LAC**") on 12 October 2021. As of the date of this Results Announcement, the LAC is still reviewing and processing the Company's formal request.
