**FURTHER DELAY IN THE PUBLICATION OF
AUDITED ANNUAL RESULTS ANNOUNCEMENT
FOR THE YEAR ENDED 31 MARCH 2022**

Reference is made to the announcement of eprint Group Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) dated 29 June 2022 in relation to the unaudited final results of the Group for the year ended 31 March 2022 (“**FY2022**”).

The board (the “**Board**”) of the directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that there will be a further delay in the publication of the audited annual results of the Group for FY2022 (the “**2022 Annual Results**”), which was mainly attributable to the implementation of the COVID-19 related prevention.

Since 1 April 2022, the Group ceased the printing subcontracting arrangement with its printing subcontractor located in Dongguan (the “**Dongguan Subcontractor**”). In July 2022, the Group entered into a new printing subcontracting agreement with a printing subcontractor located in Guangzhou (the “**Guangzhou Subcontractor**”). In light of the above, the Group started to relocate its printing machineries (the “**Printing Machineries**”) from the Dongguan Subcontractor to the Guangzhou Subcontractor. Due to the promulgation of the quarantine policies under COVID-19, the relocation of the Printing Machineries to the Guangzhou Subcontractor has been substantially delayed. As at the date of this announcement, the Printing Machineries had not been delivered to the Guangzhou Subcontractor for trial run production. Therefore, the auditors of the Company (the “**Auditors**”) still need additional time to complete the audit procedures in respect of the Printing Machineries and the printing subcontracting arrangements between the Group and the Guangzhou Subcontractor, including but not limited to (i) interviewing the management of the Guangzhou Subcontractor in relation to the printing subcontracting arrangements; and (ii) assessing the impairment tests on the Printing Machineries, to complete the necessary audit work so as to finalize the 2022 Annual Results. In this connection, the publication of the announcement for the 2022 Annual Results will be further delayed and the Company will not be able to publish the 2022 Annual Results on 29 July 2022.

Based on the recent communications with the Auditors, the Board expects that the Company will publish the 2022 Annual Results on or before 19 August 2022.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares or other securities of the Company.
