### QUARTERLY UPDATE ON STATUS OF RESUMPTION

This announcement is made by Sansheng Holdings (Group) Co. Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rules 13.09, 13.19 and 13.24A of the Rules Governing the Listing of Securities (the “**Listing Rules**”) on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

References are made to the announcement of the Company dated 10 May 2023 in relation to the quarterly updates on its status of resumption (the “**May Update Announcement**”). Unless otherwise defined, capitalised terms used in this announcement shall have the same meanings as those defined in the May Update Announcement.

### LATEST DEVELOPMENT OF THE GROUP

From the fourth quarter of 2021, individual real estate enterprises have experienced difficulties in operating cash flows due to the continuous tightening of management policies on the real estate industry in the PRC, especially the sudden tightening of financial policies, which have led to defaults in the open market. The resulting credit squeeze has pierced the confidence of the industry in financing and caused general liquidity difficulties in the entire real estate industry, thus further causing a drop in consumer confidence as well as a continuous weakness in the overall market.

In response to the rapid changes in the external environment, the Group has taken a series of countermeasures to ensure delivery of properties and smooth operations, and maintain and balance the interests of all stakeholders of the Company, including adjustment of investment structure, suspension of investment plans, acceleration of collection of sales payments, disposal of certain assets, optimisation of organisational structure and reducing unessential expenses with a view to minimise the negative impact of the sudden changes in the general environment and to maintain a foundation for continued development of the Group in the future after market confidence is restored.

As at the date of this announcement, the business operations of the Group are continuing as usual in all material respects. The Board considers that the Company has always complied with Rule 13.24 of the Listing Rules.

As disclosed in the May Update Announcement, the Company has not made any repayment upon the maturity of the July 2022 Notes, the November 2022 Notes and the January 2023 Bonds (collectively, the “**Notes and Bonds**”). The aggregate amount of principal of the Notes and Bonds is approximately RMB459.8 million and US\$170.0 million, and the amount of interest involved is approximately RMB4.9 million and US\$15.2 million as at the date of this announcement. As at the date of this announcement, the Company is actively communicating and constructively approaching the holders of the Notes and Bonds to seek stability through extensions, redemptions or other feasible means in order to expedite the implementation of a mutually agreed solution to address the financial challenges currently faced by the Group.

As at the date of this announcement, the Group has not received any notification from any other creditors in relation to any enforcement action or any action to accelerate the settlement of other offshore financing arrangements.

The Company is continuously assessing the legal, financial and operational impact of the default on the Notes and Bonds over the Group. The Directors will closely monitor the development of the abovementioned matters and will keep the shareholders of the Company, holders of the Notes and Bonds, other stakeholders and potential investors updated by way of further announcement(s) in accordance with the Listing Rules as and when appropriate.
