## **NOTES:**

### **1. BASIS OF PREPARATION**

The consolidated financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards (“HKFRSs”) issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”). In addition, the consolidated financial statements include applicable disclosures required by the Rules Governing the Listing of Securities (the “Listing Rules”) on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) and by the Hong Kong Companies Ordinance (Cap. 622 of Laws of Hong Kong). The consolidated financial statements have been prepared on the historical cost basis except for investment properties, which are measured at fair values.

Items included in the financial statements of each of the Group’s entities are measured using the currency of the primary economic environment in which the entity operates (the “functional currency”). The functional currency of the Company is Hong Kong dollars (“HK\$”). The consolidated financial statements are presented in Hong Kong dollars for the convenience of users of the consolidated financial statements as the Company is listed in Hong Kong Special Administrative Region (“Hong Kong”) of the People’s Republic of China (the “PRC”). They are presented in HK\$ and all values are rounded to the nearest thousand (HK\$’000) except when otherwise indicated.

### **2. PRINCIPAL ACCOUNTING POLICIES**

The Group incurred a loss attributable to owners of the Company of approximately HK\$25,657,000 for the year ended 30 June 2023 and as at 30 June 2023 the Group had net current liabilities of approximately HK\$360,887,000. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group’s ability to continue as a going concern. Therefore, the Group may be unable to realise its assets and discharge its liabilities in the normal course of business.

The consolidated financial statements have been prepared on a going concern basis. The directors of the Company (the “Directors”) are of the opinion that the Group will have sufficient working capital to meet its financial obligations as and when they fall due for the next twelve months after taking into consideration that (i) the Group has a loan facility from a substantial shareholder of the Company, Trillion Trophy Asia Limited (“Trillion Trophy”) under which an unsecured revolving loan facility up to HK\$250,000,000 has been granted to the Group; (ii) the Group has a loan facility from Oriental Rainbow Investments Limited (“Oriental Rainbow”), a wholly-owned subsidiary of a substantial shareholder of the Company under which an unsecured revolving loan facility up to HK\$300,000,000 has been granted to the Group; (iii) the Group has a loan facility from Great Summit Ventures Limited (“Great Summit”), a wholly-owned subsidiary of a substantial shareholder of the Company under which an unsecured revolving loan facility up to HK\$100,000,000 has been granted to the Group; and (iv) the Group has a loan facility with aggregate amount of approximately HK\$4,292,000 from a third party lender.

As at 30 June 2023, the total carrying amount of the borrowings under the above facilities of the Group was approximately HK\$180,421,000. As at 30 June 2023, the Group had approximately HK\$473,871,000 undrawn borrowing facilities available.

Accordingly, the Directors are of the opinion that it is appropriate to prepare the consolidated financial statements on a going concern basis. Should the Group be unable to continue as a going concern, adjustments would have to be made to the consolidated financial statements to adjust the value of the Group's assets to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities, respectively.

### **3. ADOPTION OF NEW AND REVISED HKFRSs**

In the current year, the Group has adopted all the new and revised HKFRSs issued by the HKICPA that are relevant to its operations and effective for its accounting year beginning on 1 July 2022. HKFRSs comprise Hong Kong Financial Reporting Standards; Hong Kong Accounting Standards; and Interpretations. The adoption of these new and revised HKFRSs did not result in significant changes to the Group's accounting policies, presentation of the Group's financial statements and amounts reported for the current year and prior years.

The Group has not applied the new and revised HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new and revised HKFRSs but is not yet in a position to state whether these new and revised HKFRSs would have a material impact on its results of operations and financial position.

### 13. LOSS PER SHARE ATTRIBUTABLE TO OWNERS OF THE COMPANY

#### Basic loss per share

Loss per share is calculated by dividing the loss for the year attributable to owners of the Company by the weighted average number of ordinary shares in issue during the year.

	2023 <i>HK\$'000</i>	2022 <i>HK\$'000</i>
<b>Loss:</b>		
Loss attributable to owners of the Company for the purpose of calculating basic loss per share	<u>(25,657)</u>	<u>(40,661)</u>
	2023	2022 (Restated)
<b>Number of shares:</b>		
Weighted average number of ordinary shares for the purpose of calculating basic loss per share attributable to owners of the Company	<u>771,559,941</u>	<u>771,559,940</u>

#### Diluted loss per share

The computation of diluted loss per share for both years did not assume the exercise of the Company's outstanding share options since it would result in a decrease in the loss per share. Therefore, the amount of diluted loss per share is the same as the amount of basic loss per share.

The weighted average number of ordinary shares used to calculate the basic and diluted loss per share for both years has been adjusted to reflect the share consolidation during the year ended 30 June 2023. Accordingly, the basic and diluted loss per share for the year ended 30 June 2022 are restated.

### 14. INVESTMENT PROPERTIES

Moreover, the Russia-Ukraine war continue to create pressure and uncertainty on economic activities, and the tension between China and United States further introduced uncertainties and disruptions to the business environment. These challenges affected all businesses and industries, and no one can stay immune from them.
