The above general mandates will expire at the conclusion of the Annual General Meeting. At the Annual General Meeting, the following resolutions, among other matters, will be proposed:

- (a) to grant the General Mandate to the Directors to exercise the power of the Company to allot, issue and otherwise deal with the Shares up to a maximum of 20% of the aggregate number of Shares in issue (excluding Treasury Shares, if any) as at the date of passing of such resolution. Based on 1,412,732,441 Shares in issue as at the Latest Practicable Date and assuming no Share will be issued or repurchased prior to the Annual General Meeting, the maximum number of Shares to be allotted, issued and otherwise deal with pursuant to the General Mandate will be 282,546,488;
- (b) to grant the Repurchase Mandate to the Directors to exercise the power of the Company to repurchase the Shares up to a maximum of 10% of the aggregate number of Shares in issue (excluding Treasury Shares, if any) as at the date of passing of such resolution. LETTER FROM THE BOARD

Each of the General Mandate, the Repurchase Mandate and the Extension Mandate will expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company following the Annual General Meeting; (b) the date by which the next annual general meeting is required by the Companies Act or the Articles of Association to be held; or (c) when the authority given to the Directors thereunder is revoked or varied or renewed by ordinary resolution(s) of the Shareholders in a general meeting prior to the next annual general meeting of the Company. As at the Latest Practicable Date, the Company did not have any plan to (a) allot, issue or deal with any Shares under the General Mandate; or (b) repurchase any Shares under the Repurchase Mandate immediately after the approval of the granting of the General Mandate or the Repurchase Mandate at the Annual General Meeting.

Under the Listing Rules, the Company is required to give the Shareholders all information which is reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the resolution in respect of the Repurchase Mandate at the Annual General Meeting. An explanatory statement for such purpose is set out in Appendix I to this circular.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, the Company had an aggregate of 1,412,732,441 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and assuming no Share will be issued or repurchased prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 141,273,244 Shares, representing approximately 10% of the aggregate number of Shares in issue (excluding Treasury Shares, if any) as at the date of the Annual General Meeting.

The Company may cancel any repurchased Shares and/or hold them as Treasury Shares subject to market conditions and the capital management needs of the Company at the relevant time of the repurchases.

For any Treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the Treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as Treasury Shares.

If the Company conducts a share consolidation or subdivision after the Repurchase Mandate has been approved at the Annual General Meeting, the maximum number of Shares that may be repurchased under the Repurchase Mandate as a percentage of the aggregate number of issued Shares at the date immediately before or after such consolidation or subdivision shall be the same.

3. REASONS FOR REPURCHASES

The Directors believe that the granting of the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Such repurchase(s) may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purposes in accordance with the Company's memorandum of association, the Articles of Association, the Companies Act, other applicable laws of the Cayman Islands and the Listing Rules. A listed company is prohibited from repurchasing its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Under the Companies Act, repurchases of Shares by the Company may only be made out of the profits of the Company or out of the Company's share premium account or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles of Association and subject to the provisions of the Companies Act, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles of Association and subject to the provisions of the Companies Act, out of capital.

5. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital and/or gearing position of the Company (as compared with the position as at 31 December 2024, being the date of the Company's latest published audited consolidated financial statements), if the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the opinion of the Directors, have a material adverse effect on the working capital or the gearing position of the Company.

6. SHARE PRICES

The highest and lowest prices at which Shares were traded on the Stock Exchange during each of the twelve months preceding and up to and including the Latest Practicable Date were as follows:

	Highest Price	Lowest Price
	<i>HK\$</i>	<i>HK\$</i>
2024		
April	0.540	0.425
May	0.470	0.350
June	0.475	0.330
July	0.380	0.285
August	0.320	0.270
September	0.395	0.260
October	0.530	0.420
November	0.540	0.425
December	0.500	0.400
2025		
January	0.500	0.450
February	0.495	0.435
March	0.455	0.320
April (up to and including the Latest Practicable Date)	0.415	0.260

7. UNDERTAKING

The Directors will exercise the power of the Company to make repurchases under the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands. The Company confirms that neither this explanatory statement nor the proposed share repurchase has any unusual features.

8. CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, has any present intention to sell any Shares to the Company under the Repurchase Mandate if the Repurchase Mandate is approved by the Shareholders.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

9. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If on the exercise of the power of repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Company, Caiyun International Investment Limited ("**Caiyun International**") held 400,959,840 Shares, representing approximately 28.38% of the Shares in issue.

In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the shareholdings of Caiyun International in the Company would be increased to approximately 31.54% of the Shares in issue. Such increase would give rise to Caiyun International an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors have no intention to exercise the Repurchase Mandate to the extent that would give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code by any Shareholder.

Save as the above, the Directors are not aware of any consequence which would arise under the Takeovers Code as a result of exercising power under the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that the number of Shares held by the public would fall below the prescribed minimum percentage of 25%.

10. SHARE REPURCHASE MADE BY THE COMPANY

The Company has not repurchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

Set out below are details of the Directors who will retire and are eligible, offer themselves for re-election at the Annual General Meeting.
