1. IMPORTANT NOTICES TO SCHEME CREDITORS

1.1 Defined terms

Unless the context otherwise requires, all capitalised terms used in this Listing Document shall have the meanings set out in Appendix 1 (*Interpretation*) and Appendix 2 (*Definitions*) to this Listing Document and Section 1 (*Definitions and Interpretation*) of the Scheme, unless otherwise specified.

1.2 Purpose of this Listing Document

This Listing Document has been prepared in connection with the New Securities issued through a scheme of arrangement in accordance with Section 671 of the Companies Ordinance, and has been prepared solely for the purpose of providing information to Scheme Creditors in relation to New Securities and the listing thereof on the SGX-ST.

For the avoidance of doubt, this Listing Document is not prepared to provide any information with respect to the New Loan. The New Loan is a part of the New Debt Instruments to be issued as Restructuring Consideration, however, the New Loan is not a part of the New Securities to be listed on the SGX-ST.

Nothing in this Listing Document or any other document issued with or appended to it should be relied on for any other purpose. In particular and without limitation, nothing in this Listing Document should be relied on in connection with the purchase or acquisition of any Scheme Claim or any other financial instruments, securities, assets or liabilities of the Company or any other Group company.

Nothing contained in this Listing Document constitutes a recommendation, or the giving of advice, by the Directors, the Company or any other member of the Group to take a particular course of action or to exercise any right conferred by the Existing Debt in relation to, buying, selling, subscribing for, exchanging, redeeming, holding, underwriting, disposing of, or converting Existing Debt or any other financial instruments, securities, assets, claims, property interests or liabilities of the Company or any other Group company.

1.3 Information

Without prejudice to any representations and warranties to be given by the Company in the Restructuring Documents, nothing contained in this Listing Document shall constitute a representation, warranty, undertaking or guarantee of any kind, express or implied, nor any admission of any fact or liability on the part of the Company or any other member of the Group with respect to any asset to which it may be entitled or any claim against it. Without prejudice to the generality of the foregoing, nothing in this Listing Document or the distribution thereof evidences to any person, or constitutes any admission by the Company or any other member of the Group, that a liability is owed to any person in respect of any claim (including without limitation any Scheme Claim) or that any person is or may be a Scheme Creditor. The failure to distribute this Listing Document to any Scheme Creditor shall not constitute an admission or determination by the Company or any other member of the Group that such person is not a Scheme Creditor.

No person has been authorised by the Company to give any information or make any representations concerning the Restructuring Documents or the Scheme which is inconsistent with this Listing Document and, if made, such representations shall not be relied upon as having been so authorised.

The information contained in this Listing Document has been prepared based upon information available to the Company prior to the date of this Listing Document. The delivery of this Listing Document does not imply that the information herein is correct as at any time subsequent to the date hereof. To the best of the Company's knowledge, information and belief, the information contained in this Listing Document is in accordance with the facts and does not omit anything likely to affect the import of such information in any material respect. The Company has taken all reasonable steps to ensure that this Listing Document contains the information reasonably necessary and material to enable Scheme Creditors to make an informed decision about how the Restructuring and the Scheme affect them.

None of the Company Advisors, Trustee Advisor, the Existing Facility Agent Advisor or any advisor of the New Facility Agent in relation to the Scheme nor the Existing Notes Trustee, the Existing Notes Paying and Transfer Agent and Registrar, the Existing Common Depositary, the Existing Facility Agent, the New Trustee, the New Agents, the Scheme Administrators, the Holding Period Trustee, the Blocked Scheme Creditor Tabulation Agent, the Successor Escrow Agent, nor the Information Agent (nor any of its advisors) have verified that the information contained in this Listing Document is materially in accordance with facts and does not omit anything likely to affect the import of such information in any material way, and each of those persons expressly disclaims responsibility for such information.

This Listing Document has not been reviewed, verified or approved by any rating agency or any regulatory authority. Without prejudice to any representations and warranties to be given by the Company or any other member of the Group in the Restructuring Documents, to the fullest extent permitted by law, the Company and any other member of the Group will have no tortious, contractual or any other liability to any person in connection with the use of this Listing Document and the Company and any other member of the Group will not accept any liability whatsoever to any person, regardless of the form of action, for any lost profits or lost opportunity, or for any indirect, special, consequential, incidental or punitive damages arising from any use of this Listing Document, its contents or preparation or otherwise in connection with it, even if the Company or any other member of the Group has been advised of the possibility of such damages.

None of the Existing Notes Trustee, the Existing Notes Paying and Transfer Agent and Registrar, the Existing Common Depositary, the Existing Facility Agent, the New Trustee, the New Agents, the Scheme Administrators, the Holding Period Trustee, the Blocked Scheme Creditor Tabulation Agent, the Successor Escrow Agent nor the Information Agent nor any of their respective directors, officers, employees, agents, affiliates or advisors is acting for, or owes any duty (express or implied) to, any Scheme Creditors in relation to the Scheme, nor will any of them be responsible for providing any advice to any Scheme Creditors in relation to the terms of the New Debt Instruments. Accordingly, neither the Existing Notes Trustee, the Existing Notes Paying and Transfer Agent and Registrar, the Existing Common Depositary, the Existing Facility Agent, the New Trustee, the New Agents, the Scheme

Administrators, the Holding Period Trustee, the Blocked Scheme Creditor Tabulation Agent, the Successor Escrow Agent nor the Information Agent nor any of their respective directors, officers, employees, agents, affiliates or advisors make any recommendations as to whether any Scheme Creditors should take any of the actions contemplated in the Scheme. The Existing Notes Trustee, the Existing Notes Paying and Transfer Agent and Registrar, the Existing Common Depositary, the Existing Facility Agent, the New Trustee, the New Agents, the Scheme Administrators, the Holding Period Trustee, the Blocked Scheme Creditor Tabulation Agent, the Successor Escrow Agent and the Information Agent (and their respective advisors) each express no opinion on the merits of the Scheme and the terms of the New Debt Instruments. Each of the Existing Notes Trustee, the Existing Notes Paying and Transfer Agent and Registrar, the Existing Common Depositary, the Existing Facility Agent, the New Trustee, the New Agents, the Scheme Administrators, the Holding Period Trustee, the Blocked Scheme Creditor Tabulation Agent, the Successor Escrow Agent and the Information Agent (and their respective advisors) has not been involved in negotiating or determining the terms of this Listing Document, the Scheme, the New Debt Instruments and makes no representation that all relevant information has been disclosed to the Scheme Creditors.

The Existing Notes Trustee, the Existing Notes Paying and Transfer Agent and Registrar, the Existing Common Depositary, the Existing Facility Agent, the New Trustee, the New Agents, the Holding Period Trustee, the Blocked Scheme Creditor Tabulation Agent and the Successor Escrow Agent shall not be responsible for calculating, verifying or paying any amounts payable in relation to the Scheme or any late interest payable (i.e. the interest unpaid at maturity and the interest payable thereafter). Each of the Existing Notes Trustee, the Existing Notes Paying and Transfer Agent and Registrar, the Existing Common Depositary, the Existing Facility Agent, the New Trustee, the New Agents, the Holding Period Trustee, the Blocked Scheme Creditor Tabulation Agent and the Successor Escrow Agent shall not be required to take any steps to ascertain whether a Scheme Creditor is eligible to receive any Consent Fee under the CSA.

The Existing Notes Trustee, the Existing Notes Paying and Transfer Agent and Registrar, the Existing Common Depositary, the Existing Facility Agent, the New Trustee, the New Agents, the Holding Period Trustee, the Blocked Scheme Creditor Tabulation Agent and the Successor Escrow Agent shall each not be responsible for monitoring the Scheme and shall not be required to take any steps to monitor or ascertain whether any event that triggers the termination of the CSA has occurred and will not be responsible to the Scheme Creditors or any other person for any loss arising from any failure to do so.

Neither the Scheme Administrators, the Information Agent, the Blocked Scheme Creditor Tabulation Agent nor any of their respective directors, officers, employees, agents, affiliates or advisors will have any tortious, contractual or any other liability to any person in connection with the determination of whether a Scheme Creditor is a Sanctions-Affected Scheme Creditor. Neither the Information Agent, the Blocked Scheme Creditor Tabulation Agent nor any of their respective directors, officers, employees, agents, affiliates or advisors will accept any liability whatsoever to any person, regardless of the form of action, for any lost profits or lost opportunity, or for any indirect, special, consequential, incidental or punitive damages arising from the

determination of whether a Scheme Creditor is a Sanctions-Affected Scheme Creditor, even if the Information Agent, the Blocked Scheme Creditor Tabulation Agent or any of their respective directors, officers, employees, agents, affiliates or advisors have been advised of the possibility of such damages.

Neither the Scheme Administrators, the Information Agent nor any of its directors, officers, employees, agents, affiliates or advisors is obliged, under the terms of the Scheme or otherwise, to engage in any transaction or conduct that may give rise to a liability under or in connection with Applicable Sanctions and/or may result in any person becoming a sanctioned person. If compliance with any obligations under the terms of the Scheme or otherwise would result in the Information Agent or any of its directors, officers, employees, agents, affiliates or advisors breaching the Blocking Regulation, that obligation need not be complied with (but only to the extent of the breach). The Information Agent is the agent of the Company and owes no duty to any Scheme Creditor, express or implied.

1.4 Restrictions

The distribution of this Listing Document to or in certain jurisdictions may be restricted by law or regulation and persons into whose possession this Listing Document comes are requested to inform themselves about, and to observe, any such restrictions. Failure to comply with any such restrictions could result in a violation of the laws of such jurisdictions.

1.5 Summary of the Scheme

This Listing Document has been prepared solely for the purpose of listing the New Securities on the SGX-ST. Each Scheme Creditor is strongly encouraged to read and consider carefully the text of the Scheme. The summary of the principal provisions of the Scheme contained in this Listing Document is qualified in its entirety by reference to the Scheme itself.

1.6 Forward-looking statements

Nothing in this Listing Document shall be deemed to be a forecast, projection or estimate of the future financial performance of the Company and/or any member of the Group except where otherwise specifically stated.

This Listing Document contains statements, estimates, opinions and projections with respect to the Company and the Group and certain plans and objectives of the Company and the Group. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as "*anticipate*", "*target*", "*expect*", "*estimate*", "*intend*", "*plan*", "*goal*", "*believe*", "*will*", "*may*", "*should*", "*would*", "*could*" or other words of similar import. These statements are based on numerous assumptions and assessments made by the Company as appropriate in light of their experience and perception of historical trends, current conditions, expected future developments and other factors which they believe appropriate. No assurance can be given that such expectations will prove to be correct. Forward-looking statements involve significant risks and uncertainties, should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether or not such results

will be achieved. Such forward-looking statements only speak as at the date of this Listing Document. A number of factors could cause actual performance or results to differ materially from the performance or results discussed in the forward-looking statements, including, but not limited to, the factors and uncertainties set out in Section 8 (*Risk Factors*) of this Listing Document. Each Scheme Creditor is urged to make its own assessment of the validity of such forward-looking statements and their underlying assumptions and no liability is accepted by the Company in respect of the achievement or failure thereof of such forward-looking statements and assumptions. Without limiting the above, none of the boards of the directors of the companies within the Group assumes any obligation to update or correct any forward-looking statements contained in this Listing Document to reflect any change of expectations with respect thereto or any change in event, situation or circumstances on which any such forward-looking statement was based.

1.7 Risk factors

Scheme Creditors' attention is drawn to certain risks and uncertainties associated with the Restructuring that are set out in Section 8 (*Risk Factors*) of this Listing Document.

These important risk factors could cause the Company's and the Group's actual results and future prospects to differ materially from those expressed in this Listing Document (including any forward-looking statements).

Each Scheme Creditor should carefully read and analyse such risk factors and uncertainties, and fully understand their impact, which may be material and adverse, on the Company and the Group's financial condition and prospects. The statement of risk factors is not and is not intended to be an exhaustive statement of such factors or of all possible factors which might influence the decision of Scheme Creditors as regards the Scheme or any investment decision.

1.8 Legal, tax and financial advice

Without limiting any of the above, Scheme Creditors should not construe the contents of this Listing Document or any other document in connection with the Restructuring as legal, tax or financial advice.

This Listing Document has been prepared without taking into account the objectives, financial or tax situation or needs of any particular recipient of it, and consequently, the information contained in this Listing Document may not be sufficient or appropriate for the purpose for which a recipient might use it. Each Scheme Creditor should conduct its own due diligence and consider the appropriateness of the information in this Listing Document having regard to its own objectives, financial situations and needs. Scheme Creditors are also recommended to consult their own professional advisors as to legal, tax, financial or other aspects relevant to any action Scheme Creditors might take in relation to the Scheme and the Restructuring, or the implications/consequences of such action.

This Listing Document is addressed to Scheme Creditors for their information only and no person should rely on it in formulating or reaching any investment decision. **Scheme Creditors must rely on their own due diligence and their professional advisors in their decisions with respect to the Scheme and the Restructuring.**

1.9 Other jurisdictions

The implications of the Restructuring for Scheme Creditors who are residents or citizens of jurisdictions other than Hong Kong may be affected by the laws of other relevant jurisdictions. Such overseas Scheme Creditors should inform themselves about and observe any applicable legal requirements in their respective jurisdictions. Any person outside of Hong Kong who is resident in, or who has a registered address in, or is a citizen of, an overseas jurisdiction should consult independent professional advisors and satisfy themselves as to the full observance of the laws of the relevant jurisdiction in connection with the Scheme and the Restructuring, including obtaining any requisite governmental or other consents, observing any other requisite formalities and paying any issue, transfer or other taxes due in such jurisdiction.

1.10 Financial statements

This Listing Document incorporates by reference the latest audited financial statements of the Group as of 31 December 2024 contained in the 2024 annual report published by the Company on 29 April 2025 (the “**2024 Annual Accounts**”). The 2024 Annual Accounts are available on both the Company’s Website (<http://www.shimaogroup.hk/en/Shimao/>) and the website of the HKEx (<https://www.hkexnews.hk>):

2. IMPORTANT SECURITIES LAW NOTICES

This Listing Document does not constitute an offer to sell or a solicitation of an offer to buy any securities in any jurisdiction in contravention of applicable law. None of the securities referred to in this Listing Document shall be sold, issued, exchanged or transferred in any jurisdiction in contravention of applicable law.

2.1 General

- (a) The distribution of this Listing Document and the offering, sale or delivery of the New Securities are subject to restrictions and may not be made except pursuant to registration with or authorisation by the relevant securities regulatory authorities or an exemption therefrom. Therefore, persons who may come into possession of this Listing Document or any other materials relating to the New Securities are advised to consult with their own legal advisors as to what restrictions may be applicable to them and to observe such restrictions. This Listing Document may not be used for the purpose of an offer or invitation in any circumstances in which such offer or invitation is not authorised.
- (b) No action has been or will be taken in any jurisdiction by the Company that would or is intended to permit a public offering, or any other offering under circumstances not permitted by applicable law, of the New Securities. Persons into whose hands this Listing Document comes are required by the Company and the Group to comply with all applicable laws and regulations in each country or jurisdiction in which they purchase, offer, sell or deliver New Securities or have in their possession, distribute or publish this Listing Document or any other materials relating to the New Securities, in all cases at their own expense.
- (c) In order to receive the Restructuring Consideration, each Scheme Creditor who is not a Sanctions-Affected Scheme Creditor is required to submit a Custody Instruction by the Custody Instruction Deadline (only applicable for Existing Noteholders), a validly completed Account Holder Letter and/or Lender Proxy Form (as applicable), Distribution Confirmation Deed and, if applicable, a Designated Recipient Form. Blocked Scheme Creditors will need to submit (or procure the submission of, as applicable) a validly completed Blocked Scheme Creditor Form to the Holding Period Trustee, together with supporting evidence, in order to receive the Restructuring Consideration on lifting of Applicable Sanctions (if such event occurs before expiry of the Perpetuity Period).

2.2 U.S. securities law considerations

- (a) The New Securities have not been and will not be registered under the U.S. Securities Act or with any securities regulatory authority of any state of the United States, and the New Securities may not be offered or sold within the United States or to any U.S. persons (as defined in Regulation S under the U.S. Securities Act), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable laws of other jurisdictions.

- (b) In connection with the issue of the New Securities to each Scheme Creditor, the Company will require each Scheme Creditor (or its Designated Recipient, as applicable) who wishes to receive its New Securities to, in their submitted the Account Holder Letter and Lender Proxy Form, confirm, amongst other things, that it (or its Designated Recipient, as applicable) is eligible to receive and hold such securities and to make certain representations and covenants in the Account Holder Letter and Lender Proxy Form (as applicable). If the confirmations required by the Account Holder Letter and Lender Proxy Form cannot be or are not given by a Scheme Creditor (or its Designated Recipient), such Scheme Creditor (or its Designated Recipient) will not be eligible to receive the relevant Restructuring Consideration.
- (c) Unless otherwise approved by the Company, the New Securities will be offered and sold (i) within the United States solely to QIBs and Accredited Investors and (ii) outside the United States, solely to non-U.S. persons in offshore transactions in reliance on Regulation S.
- (d) If you are a U.S. person or acting for the account or benefit of a U.S. person, or are located in the United States, but you are not a QIB or an Accredited Investor, you are eligible to receive this Listing Document and to participate in the Scheme and the meetings described herein but you will not be eligible to receive any New Securities.
- (e) The New Securities will not be listed on any U.S. securities exchange or with any inter-dealer quotation system in the United States. The Company does not intend to take any action to facilitate a market of the New Securities in the United States. Consequently, the Company believes that it is unlikely that an active trading market in the United States will develop for the New Securities.

The New Securities have not been and will not be registered with the SEC or any U.S. federal, state or other securities commission or regulatory authority and neither the SEC nor any U.S. federal, state or other securities commission or regulatory authority in the United States has approved or disapproved of the Restructuring, including the Scheme, this Listing Document, the New Securities, or any of the Restructuring Consideration or passed upon the accuracy or adequacy of the information contained in this Listing Document, the Solicitation Packet or the Scheme. Any representation to the contrary is a criminal offence in the United States.

The information disclosed in this Listing Document is not necessarily the same as that which would have been disclosed if this Listing Document had been prepared for the purpose of complying with the registration requirements of the U.S. Securities Act, or the exemptions therefrom, or in accordance with the laws and regulations of any state of the United States.

Scheme Creditors who are citizens or residents of the United States should consult their own legal, financial and tax advisors with respect to the legal, financial and tax consequences of the Scheme in their particular circumstances.

This document is not for general release, publication or distribution in or into any jurisdiction where to do so would constitute a violation of the relevant laws of such jurisdiction.

2.3 European Economic Area

- (a) The New Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any EU Retail Investor in the European Economic Area ("**EEA**"). For these purposes, an "**EU Retail Investor**" means a person who is one (or more) of the following: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended), where that customer would not qualify as a professional client, as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor (an "**EEA Qualified Investor**"), as defined in Article 2 of Regulation (EU) 2017/1129 (as amended, the "**EU Prospectus Regulation**"). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**EU PRIIPs Regulation**") for offering or selling the New Securities or otherwise making them available to EU Retail Investors in the EEA has been prepared; and therefore offering or selling the New Securities or otherwise making them available to any EU Retail Investor in the EEA may be unlawful under the EU PRIIPs Regulation.
- (b) This Listing Document is not a prospectus for the purposes of the EU Prospectus Regulation. In addition, this Listing Document has been prepared on the basis that all offers of the New Securities in the EEA will be made pursuant to an exemption under the EU Prospectus Regulation, from the requirement to produce a prospectus for offers of the New Securities. Accordingly, any person making or intending to make any offer within the EEA of the New Securities should only do so in circumstances in which no obligation arises for the Company to produce a prospectus for such offer. The Company has not authorised and does not authorise the making of an offer of any of the New Securities through any financial intermediary, other than offers made by the Company, as contemplated by this Listing Document.
- (c) In relation to each member state of the EEA ("**Member State**"), no offer of New Securities to the public in that Member State may be made other than to an EEA Qualified Investor or in any other circumstances falling within Article 1(3) or Article 1(4) of the EU Prospectus Regulation, provided that no such offer of New Securities shall require the Company to publish a prospectus pursuant to Article 3(1) or Article 3(3) of the EU Prospectus Regulation.
- (d) In connection with the issue of the New Securities, the Account Holder Letter and Lender Proxy Form will require each Scheme Creditor (or its Designated Recipient) who wishes to receive its New Securities to confirm, amongst other things, that it (or its Designated Recipient, as applicable) is an Eligible Person and will require any Scheme Creditor (or its Designated Recipient, as applicable) who is located in a Member State and intends to receive their New Securities to make certain representations and covenants in the Account Holder Letter and Lender Proxy Form (as applicable), including that it is an

EEA Qualified Investor. If the confirmations required by the Account Holder Letter and Lender Proxy Form cannot be or are not given by a Scheme Creditor (or its Designated Recipient, as applicable), such Scheme Creditor (or its Designated Recipient, as applicable) will not be eligible to receive the relevant New Securities and will not be treated as an Eligible Person.

- (e) For the purposes of this provision, the expression an "offer to the public" in relation to the New Securities in any Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the New Securities to be offered so as to enable an investor to decide to purchase or subscribe for New Securities.
- (f) Any distributor subject to MiFID II that is offering, selling or recommending the New Securities is responsible for undertaking its own target market assessment in respect of the New Securities and determining appropriate distribution channels for the purposes of the MiFID II product governance rules under Commission Delegated Directive (EU) 2017/593.

2.4 United Kingdom

- (a) The New Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any UK Retail Investor in the United Kingdom ("**UK**"). 4.6 The Group's deteriorating financial condition and mitigating actions taken

- (a) During the second half of 2021, Chinese property developers and the capital markets that have funded growth and development of the sector have experienced an inflection point. Reduced bank lending for real estate development has resulted in reduced access by property developers to onshore capital. In addition, reduced bank lending for mortgage finance for buyers, as well as concerns of buyers about the ability of property developers to complete projects, has resulted in reduced property sales. Adverse reaction to these onshore events by offshore capital markets has limited the Group's funding sources to address upcoming maturities.
- (b) In 2022, the property sector in China has continued to experience volatility. Reduced bank lending for real estate development, coupled with the adverse impact of the COVID-19 pandemic on macroeconomic conditions and certain negative credit events, have intensified market concerns over the operations of Chinese property developers. As a result, the pre-sales of properties by Chinese developers has generally decreased and the Group experienced a noticeable decline in its aggregate contracted sales. Against the backdrop of the adverse market conditions, the Group is facing liquidity pressures due to

limited access to external capital to refinance its existing indebtedness and reduced cash generated from contracted sales. As a result, the Company did not make payment for the principal amount and interest due under certain offshore indebtedness, including some of the Existing Debt. As at the date of this Listing Document, all of the Existing Debt is in default, either as a result of a failure to pay principal at maturity, a failure to pay interest when due or by the triggering of cross-default clauses. No forbearance agreement is in place in respect of the outstanding Existing Debt.

- (c) In 2023, the overall downturn in the real estate market remained unchanged, and the industry continued to move forward under pressure. To adapt to the market conditions, the Group adjusted its supply strategies and construction plans by accurate and efficient organization of resource needs, and classification of projects into different groups and grades for management and control. After comprehensive assessment of the land market supply and the Group's current land bank, the Group did not acquire any lands during 2023. In face of the complicating market conditions, the Group kept on reviewing and reflecting itself and developed case-by-case strategies for each project. In 2023, the Group achieved contracted sales of RMB42.822 billion, with cumulative contracted gross floor area of 2.947 million sq.m., and the average selling price for the year was RMB14,532 per sq.m.
- (d) In 2024, the property market of China continued to undergo adjustments, and there was no sign of rebound from weak sales in commercial properties. The Group's contracted sales for 2024 amounted to RMB34.00 billion; the aggregate contracted sold area was 2.675 million sq.m.
- (e) As at 31 December 2024, the Group had borrowings of RMB252,051.4 million (of which RMB41,835.6 million were classified as non-current borrowings and RMB210,215.8 million were classified as current borrowings). The borrowings of the Group mainly comprised bank and other institution borrowings, senior notes, medium-term notes and corporate bonds. Further details of the indebtedness situation of the Group as at 31 December 2024 are set out in the annual report of the Group for the year ended 31 December 2024, published on the website of the SEHK on 29 April 2025 and made available to Scheme Creditors on the Transaction Website.
- (f) With regard to the Existing Debt, in an aggregate principal amount of approximately US\$11.5 billion, the Company has been continuously communicating and constructively engaging with (i) certain holders of the Existing Loans, comprising the CoCom, and who collectively hold or control more than 27% in aggregate principal amount of the Existing Loans, and their advisors, and (ii) certain holders of the Existing Notes, comprising the Ad Hoc Group, and who collectively hold or control more than 25% in aggregate principal amount of the Existing Notes, and their advisors, to facilitate the formulation of a consensual restructuring proposal for the Existing Debt. During the course from 2022 to 2025, the CoCom, the Ad Hoc Group and their respective advisors worked closely with the Company to conduct in-depth due diligence on the Group's financial and operational conditions.

- (g) The Company and the Group are subject to ongoing litigation proceedings as further explained in Section 7.6 below.

4.7 The Group's other offshore financing arrangements

- (a) The Group has entered into various secured and unsecured financing arrangements including publicly issued securities, project loans and loan facilities. The Company's Existing Debt will be subject to the Scheme..
- (b) Aside from the financing arrangements described above, PropCo is the borrower in respect of five bilateral banking facilities supported by standby letters of credit. The Company is not originally an obligor of any of these loans and therefore the loans will not be compromised by the Scheme.
- (c) In particular, PropCo is the borrower in relation to a facility agreement dated 22 October 2021 in respect of the HK\$750,000,000 revolving loan facility and the relevant creditor (the "**PropCo Loan 2**"). PropCo Loan 2 is also supported by standby letters of credit. As at the date of this Listing Document, the lender has drawn down the standby letters of credit of the PropCo Loan 2 and there is no outstanding principal in respect of the PropCo Loan 2. The outstanding amount of the PropCo Loan 2 is approximately US\$4 million, being the unpaid accrued interest (excluding default interest) as at 31 December 2023 (the "**PropCo Loan 2 Remaining Amount**").
- (d) The Company, the PropCo and the relevant lender have entered into a global settlement agreement (the "**PropCo Loan 2 GSA**"), pursuant to which (i) the Company will assume the payment obligation of the PropCo Loan 2 Remaining Amount, (ii) all of PropCo Loan 2 obligations against PropCo will be discharged in its entirety and the existing financing agreement will be terminated; (iii) the PropCo Loan 2 Remaining Amount will be repaid by way of issuing the additional amount of the Short Term Notes to the relevant lender (the "**Additional Short Term Notes**"); (iv) the PropCo Loan 2 GSA will be governed by Hong Kong law; and (v) the effective date of the PropCo Loan 2 GSA will be inter-conditional on the occurrence of the Restructuring Effective Date.

4.8 The Group's onshore financing arrangements

- (a) Apart from the Existing Debt set out in Appendix 8 (*Existing Debt*) to the Scheme which relate to the Group's offshore financing arrangements, the Group also has secured and unsecured financing arrangements onshore banks and other financial institutions.
- (b) As at 31 December 2024, the Group's outstanding onshore debts in principal amount totalled RMB155.9 billion.
- (c) One cross-border guarantee granted by the Company governed by Hong Kong law, being the CPYM Guarantee, is part of the Existing Debt to be compromised by the Scheme. The corresponding primary obligation and onshore security will not be subject to the Scheme.

5. OVERVIEW OF THE SCHEME

In exchange for the release, the Scheme Creditors and each Designated Recipient will be entitled to receive a share of the Scheme Consideration in accordance with the terms of the Scheme.
- (c) The Restructuring has the following objectives:
 - (i) to avoid the Company, the Existing Subsidiary Obligors and other members of the Group entering into insolvent liquidation at some point in the near future, as a result of which the anticipated recoveries for Scheme Creditors would be significantly less than if the Restructuring were to be completed successfully;
 - (ii) to reduce the total indebtedness of the Group, thereby creating a more stable capital structure for the Group and allowing the Group and its subsidiaries to comply with their post-Restructuring obligations and liabilities and to continue to operate on a going concern basis; and
 - (iii) to increase the prospect of generating long-term value for Scheme Creditors and other stakeholders of the Company.

Actual results may differ materially from those anticipated in these forward-looking statements as a result of various factors and circumstances, including the risks and uncertainties described in this Listing Document.

For ease of reference only, the risk factors set out below have been grouped into the following categories:

- (a) risks relating to the implementation of the Scheme;
- (b) risks relating to a failure to implement or a delay in implementing the Scheme;
- (c) risks following the implementation of the Scheme; and
- (d) risks relating to the New Debt Instruments, the Subsidiary Guarantees and the Collateral.

In addition, Scheme Creditors are liable for any taxes that may arise as a result of the Scheme and the Restructuring, and shall have no recourse to the Company, the Existing Subsidiary Obligors, the Existing Notes Trustee, the Existing Facility Agent, the New Trustee, the New Agents, the Information Agent, the Advisors or any other person in respect of such taxes or any filing obligation with respect thereto.

8.2 Risks relating to the implementation of the Scheme

The implementation of the Scheme and the Restructuring may result in adverse and/or complex tax consequences to Scheme Creditors

- (a) The Company is not providing tax advice to any Scheme Creditor in connection with the Restructuring, and each Scheme Creditor should consult its own tax advisor regarding tax consequences of the Restructuring in any relevant jurisdiction.

The Company has short-term funding needs to continue operations until the implementation of the Scheme and the Restructuring

- (b) As at 31 December 2024, the Group had RMB11,352.8million in cash and cash equivalents, including approximately RMB100 million freely available for use offshore. While Management believes that its cash position should suffice to continue operations until the implementation of the Scheme and the Restructuring, there may be unforeseen circumstances, including a delay in the implementation of the Scheme, which may cause the Company to require additional short-term funding. If the Company is unable to obtain, at

favourable rates or at all, such additional short-term funding, it may be unable to implement the Scheme and the Restructuring.

8.3 Risks relating to a failure to implement or a delay in implementing the Scheme

Insolvency Proceedings may occur if the Restructuring is not implemented promptly

- (a) The maturity date of each of the Private 2022 Notes, Private 2022 Zero-Coupon Notes, the 2022 Notes, the 2023 Notes and the 2024 Notes has passed and, therefore, the Company is currently obliged to repay the principal amount under each of the aforementioned Existing Notes.
- (b) The non-payment of interest when due and payable of the 2025 Notes, the 2026 Notes, the 2027 Notes, the 2030 Notes and the 2031 Notes means that the Company is presently in default under each of the aforementioned Existing Notes.
- (c) The Company currently has limited available cash and, should the Restructuring not proceed, would be unable to repay its overdue indebtedness under and in connection with the Existing Notes mentioned above. Unless the Company is able to satisfy itself that an alternative financial restructuring is likely to be successful, which the Company considers very unlikely given the time and cost of negotiating the Restructuring, it is likely that the Company and other members of the Group will enter into liquidation or other Insolvency Proceedings.
- (d) If the Company and other members of the Group are placed into Insolvency Proceedings, the proceeds available to Scheme Creditors will likely be reduced to a level that is considerably lower than the potential value of the consideration they would receive under the Scheme (as per the Liquidation Analysis summarised in Section 4 (*Background to the Group and the Restructuring*)).

8.4 Risks following the implementation of the Scheme

The New Debt Instruments received by Scheme Creditors as Restructuring Consideration are subject to certain risks

- (a) There may be no market for the New Debt Instruments or any securities issued in exchange thereof. To the extent any such securities become tradable, the price and trading volume thereof may be highly volatile. Factors such as variations in the Group's revenues, earnings and cash flows, proposals for new investments, strategic alliances and/or acquisitions, changes in interest rates, fluctuations in price for comparable companies, government regulations and changes thereof applicable to the Group's industry and general economic conditions nationally or internationally could cause the price of such securities to change. Any such developments may result in large and sudden changes in the trading volume and price of such securities. There can be no assurance that these developments will not occur in the future. Each Scheme Creditor should conduct its own due diligence and consider the appropriateness of the information in this Listing Document having regard to its own objectives,

financial situations and needs. Scheme Creditors are also recommended to consult their own professional advisors as to legal, tax, financial or other aspects relevant to any action Scheme Creditors might take in relation to the Scheme and the Restructuring, or the implications/consequences of such action.

The Company may be subject to PRC withholding taxes on interest it pays on New Debt Instruments

- (b) According to relevant PRC laws and regulations, if the PRC tax authorities consider the Company (1) to be a PRC tax resident enterprise, (2) to the extent such withholding tax payments are deemed to be income sourced within the PRC, and (3) provided that there are no tax treaties between the PRC and those countries or regions which exempt or reduce such withholding tax, the Company is obligated to withhold PRC income tax of up to 10% on interest paid and other related amounts on the New Debt Instruments to holders of the New Debt Instruments who are non-PRC resident enterprises, or up to 20% on interest paid to a foreign individual who is neither domiciled nor resident in the PRC. Similarly, any gain realised by such non-PRC resident enterprise or non-PRC resident individual holders from the transfer of the New Debt Instruments would be regarded as being derived from sources within the PRC and would accordingly be subject to 10% or 20% PRC withholding tax.

The Company recorded net liabilities as at 31 December 2024

- (c) As at 31 December 2024, the Company recorded net liabilities of approximately RMB193.8 million, compared to net assets of RMB4,864.3 million as at 31 December 2023, primarily attributable to the increase in the Company's other payables and accrued expenses. As at 31 December 2024, although the Group recorded net assets of approximately RMB3.3 billion, it represented a significant decrease of approximately 93.5% from RMB51.3 billion as at 31 December 2023. The decrease in the Group's net assets is primarily attributable to the loss for the year. The Company cannot assure you that the Group may have sufficient funds to cover its obligations post-Restructuring Effective Date. Should the value of the Group's assets continue to decrease and the Group's financial performance and business operations continue to deteriorate in the future, it is possible that the Group might record net liabilities and would not be able to service its obligations.

The Group's financial performance and business operations have been and may continue to be affected by adverse market conditions, and the Company may not be able to generate sufficient cash to fully address its financial commitments

- (d) Beginning in the second half of 2021 and continuing into 2024, Chinese property developers and the capital markets that have funded growth and development of the sector have experienced an inflection point characterized by a number of adverse developments, including the following:
 - (i) reduced bank lending for real estate development adversely affected access by property developers to onshore capital;

- (ii) reduced bank lending for mortgage finance for buyers, combined with buyers' concerns towards the ability of property developers to complete projects, has adversely affected property sales;
 - (iii) tightened restrictions on the use of pre-sale proceeds under the applicable PRC law; and
 - (iv) more recently, a material decrease in aggregate contracted sales and a substantial reduction in prices for residential units across the sector.
- (e) The negative news relating to certain Chinese property companies including defaults on their indebtedness have had a further negative impact on, and resulted in increased volatility in, the property sector in China. Such recent defaults make it difficult for Chinese property developers, management companies and potential property purchasers to obtain onshore and offshore financing, and result in very low market confidence in and very low demand for China real estate and increased market volatility.
- (f) Reduced bank lending for real estate development, coupled with the adverse impact of the COVID-19 pandemic on macroeconomic conditions and certain negative credit events, has intensified market concerns over the operations of Chinese property developers. As a result, pre-sales of properties by Chinese developers have generally decreased. The Group has also experienced a noticeable decline in its aggregate contracted sales in recent months. Against the backdrop of the adverse market conditions, the Group has experienced liquidity pressures due both to its limited access to external capital to refinance its existing indebtedness and the reduction in cash generated from contracted sales.
- (g) Since then, the Group has been actively engaging with its customers, suppliers, creditors and shareholders in stabilising its credit lines and day-to-day operations. It implemented further measures in reducing capital expenditure and other expenses such as management remuneration. The Group also commenced discussions with the CoCom and the Ad Hoc Group representing certain Scheme Creditors in exploring a consensual resolution for the existing defaults in certain Existing Debt.
- (h) However, the Company cannot assure you that these efforts will be successful. In 2024, the Group recorded loss for the year of approximately RMB43.69 billion, representing an increase of 85.1% compared to the loss for the year of approximately RMB23.60 billion in 2023, primarily attributable to the decrease in the Group's gross profit and the increase in other losses. Even if the Scheme is successful, the Group still has indebtedness in the PRC that is either in default or faces imminent risks of default. The Group's operation may continue to be affected by the decrease in sales and property price, suspension on construction work, restraints on obtaining new financing and refinancing of existing indebtedness, ongoing and potential disputes with creditors, business partners, customers and others, volatility in the property sector and the capital markets and other factors. In particular, the viable financing alternatives available to the Group have been significantly impacted by unfavourable changes to lending and investment policies by financial institutions and capital

markets investors. The Group's reduced cash generated from operations and its existing level of indebtedness and obligations may give rise to investors' and market's doubt about its ability to continue operating as a going concern. The Group's ability to continue its operations, to realize the carrying value of its assets, and to discharge its liabilities in the normal course of business are dependent upon its ability to raise new capital sufficient to fund its commitments and on continuously generating profitable operations. As such, the value actually realized by the Scheme Creditors under the Scheme depends on the Company's ability to honour its financial commitments and obligations under the Scheme and such value may be adversely impacted should the Company fail to generate sufficient cash to honour its financial commitments and obligations under the Scheme, including the Scheme Consideration and the Consent Fee. There is no guarantee that the Company can generate sufficient cash to honour these commitments and obligations.

The Group's operations are subject to China's and global economic and social condition and extensive governmental policies and regulations in the PRC

- (i) Substantially all of the Group's business and operations are conducted in the PRC. Accordingly, the Group's business, financial condition, results of operations and prospects are, to a significant degree, subject to economic, political and social developments in the PRC.
- (j) The economy of the PRC differs from the economies of most developed countries in many respects, including but not limited to structure, level of government involvement, level of development, growth rate, control of foreign exchange, and allocation of resources. The PRC economy has grown significantly in recent decades, but there can be no assurance that this growth will continue or continue at the same pace. China's economic growth may slow down due to weakened exports and nationwide structural reforms and other political, economic and other reasons.
- (k) In addition, the outlook for the world economy and financial markets remains uncertain. Any outbreak of epidemics or pandemics on a global scale may continue to affect investment sentiment and resulted in sporadic volatility in global capital markets and adversely affected China and other economies. For example, the COVID-19 outbreak had resulted in restrictions on travel and public transportation and prolonged closures of workplaces in the past, which have had a material adverse effect on the global economy. Any recurrence of COVID-19 or an outbreak of any other epidemics or pandemics may result in the return of containment measures on different scales, which may materially and adversely affect the manufacturing, exports and imports and consumption of goods globally, which may in turn lead to slowdown in the global economy. In addition, there is no assurance that the containment measures will be effective in halting the epidemics or pandemics, the adverse effect caused by the epidemics or pandemics or the containment measures may be further worsened if the epidemics or pandemics continue for a long period of time. Particularly, recurrence of COVID-19 or an outbreak of any other epidemics or pandemics, especially in the cities where the Group has operations, and the containment measures in response to such epidemics or

pandemics, may result in material disruptions to the Group's property development and sales and the operation of commercial properties.

- (l) Geo-political conflicts have also negatively impacted on the global economy. For example, the recent conflicts between Russia and Ukraine and in the Middle East region are still evolving and the long-term impact of such geo-political conflicts on the global economy is still unclear. Political tensions between the U.S. and China have further escalated due to, among other things, trade disputes, tensions over Taiwan, and various restrictions related to the Chinese semiconductor industry imposed by the U.S. government. These policies have adversely affected the global economy and financial markets, such as significant declines in the global stock markets. Although there have been positive signs of progress on trade negotiations, the roadmap to the comprehensive resolution remains unclear, and the lasting impact such trade disputes may have on China's economy and the PRC real estate industry remains uncertain. China's economic condition, and the property sector in the PRC and hence the Group's business, results of operations, financial condition and prospects may be materially and adversely affected by such geo-political conflicts and trade disputes and changes in the global macro-economic environment.
- (m) In addition, demand for the Group's services and its business, financial position and results of operations may be adversely affected by (i) changes in laws, regulations or policies or the interpretation of laws, regulations or policies and social conditions in the PRC; (ii) measures which may be introduced to control inflation or deflation; (iii) changes in the rate or method of taxation; and (iv) imposition of additional restrictions on currency conversion and remittances abroad.
- (n) The PRC government has introduced a number of policies to stimulate the real estate market. However, such policies may not be effective, in which case the Group's access to capital will remain limited and it will be unable to secure adequate financing or renew its existing credit facilities prior to their expiration on commercially reasonable terms, or at all. If that happens, its business, financial condition, results of operation and prospects could be materially adversely affected.
- (o) Moreover, sustainable growth and success of the Group's business significantly depend on its ability to continue acquiring additional land reserves in desirable locations at commercially reasonable prices that are suitable for the residential and commercial development. Its ability to acquire land depends on a variety of factors, some of which are beyond its control, such as overall economic conditions, availability of land parcels provided by the PRC government and competition for land parcels which are suitable for development. Any increase in its land cost resulting from any reason, such as shortages of supply or the Group's inability to acquire suitable land parcels at commercially acceptable prices could have a material and adverse effect on the Group's business, financial condition, result of operations and prospects. Even if the Scheme is successful, in the foreseeable future, it may be difficult for the Group to acquire additional land reserves due to many factors affecting the Group's operation results and financial performance, including the

decrease in sales and property price, suspension on construction work, restraints on obtaining new financing, ongoing and potential disputes with creditors, business partners, customers and others, volatility in the property sector and the capital markets and other factors.

The Group is involved from time to time in disputes and administrative, legal and other proceedings arising out of its operations and may face significant liabilities as a result

- (p) The Group is involved in disputes with various parties arising out of its operations, including but not limited to its customers, suppliers and creditors. These disputes may lead to legal or other proceedings and may result in damage to the Group's reputation, the incurrence of substantial costs and the diversion of resources and management's attention.
- (q) The Group has received, and may continue to receive, claims from its customers, suppliers and/or creditors and enforcement actions from its creditors in respect of its financial and other obligations. As a result of these events, the Group may be involved in more disputes with various parties such as its customers, suppliers and creditors. Although the Group has been actively engaging with its customers, suppliers, creditors and shareholders in stabilising its credit lines and day-to-day operations, there is no assurance that the Group will not be subject to any additional disputes and administrative, legal and other proceedings arising out of its operations, that the Group will successfully resolve such disputes and proceedings to its satisfaction, or that any judgment or ruling in respect of such disputes and proceedings would be in favour of the Group.
- (r) Although the Group strives to maintain proper internal control, there is no assurance that its internal control measures will be effective and there will not be any non-compliance incidents in the future. The Group has been involved in certain investigations into its internal control and may be involved in such potential investigations by regulatory bodies in the PRC, Hong Kong and other applicable jurisdictions in the future. Such investigations may result in fines, financial and business losses, reputational damages and other material adverse effect on the Group's business operation and financial performance.
- (s) The Group cannot assure you that it has been, or will be, in strict compliance with all applicable laws and regulations. In addition, PRC laws, rules or regulations governing the real estate industry have been evolving rapidly, and there can be no assurance that the Group will not be subject to fines or penalties arising from non-compliance incidents if it fails to adapt to the new regulatory regime in a timely manner, or at all, which may have a material adverse effect on its business, financial condition and results of operations.

8.5 Risks relating to the New Debt Instruments, the Subsidiary Guarantees and the Collateral

The Company is a holding company and payments with respect to the New Debt Instruments are structurally subordinated to liabilities, contingent liabilities and

obligations of the Company's subsidiaries which are not providing guarantees under the New Debt Instruments

- (a) The Company is a holding company with no material operations. The Company conducts its operations primarily through its subsidiaries. The Company's primary assets are ownership interests in its PRC subsidiaries, which are held through the Subsidiary Guarantors. The New Debt Instruments will not be guaranteed by any current or future PRC subsidiaries.
- (b) Accordingly, the Company's ability to pay principal and interest on the New Debt Instruments and the ability of the Subsidiary Guarantors to satisfy their obligations under the Subsidiary Guarantees will depend upon their receipt of principal and interest payments on the intercompany loans and distributions of dividends from the Company's subsidiaries, including the PRC subsidiaries. The ability of the Company's subsidiaries to pay dividends and make payments on intercompany loans or advances to their shareholders is subject to, among other things, distributable earnings, cash flow conditions, restrictions contained in the articles of association of its subsidiaries, applicable laws and restrictions contained in the debt instruments or agreements of such subsidiaries. If the Company or the Subsidiary Guarantors experience difficulties in receiving funds from the PRC subsidiaries, due to regulatory or other reasons, the Company may in turn experience difficulties in servicing its offshore debt, including but not limited to the New Debt Instruments.
- (c) Creditors, including trade creditors of the non-guarantor subsidiaries and any holders of preferred shares in such entities, would have a claim on such subsidiaries' assets that would be prior to the claims of holders of the New Debt Instruments. As a result, the Company's payment obligations under the New Debt Instruments will be effectively subordinated to all existing and future obligations of such subsidiaries, and all claims of creditors of the non-guarantor subsidiaries will have priority as to the assets of such entities over the Company's claims and those of the Company's creditors, including holders of the New Debt Instruments. The New Debt Instruments and related documents permit the Company, the Subsidiary Guarantors and the non-guarantor subsidiaries to incur additional indebtedness and issue additional guarantees, subject to certain limitations. In addition, the Company's secured creditors or those of any Subsidiary Guarantors would have priority as to the Group's assets or the assets of such Subsidiary Guarantors securing the related obligations over claims of holders of the New Debt Instruments.

The Group has substantial indebtedness and may incur substantial additional indebtedness in the future, which could adversely affect the Group's financial health and its ability to generate sufficient cash to satisfy its outstanding and future debt obligations

- (d) The Group now has incurred, and may continue to incur after the Restructuring, a substantial amount of indebtedness. As at 31 December 2024, the Group had borrowings of approximately RMB252,051 million. The Group's substantial indebtedness could have important consequences to a holder of the New Debt Instruments. For example, it could:

- (i) limit the Company's ability to satisfy its obligations under the New Debt Instruments and other debt;
 - (ii) increase its vulnerability to adverse general economic and industry conditions;
 - (iii) require it to dedicate a substantial portion of its cash flow from operations to servicing and repaying its indebtedness, thereby reducing the availability of its cash flow to fund working capital, capital expenditures and for other general corporate purposes;
 - (iv) limit its flexibility in planning for or reacting to changes in its businesses and the industry in which it operates;
 - (v) limit, along with the financial and other restrictive covenants of its indebtedness, its ability to borrow additional funds; and
 - (vi) increase the cost of additional financing.
- (e) The Group may from time to time incur additional indebtedness and contingent liabilities. Although the New Finance Documents restrict the Company and the Restricted Subsidiaries from incurring additional debt and contingent liabilities, these restrictions are subject to important exceptions and qualifications. If the Group incurs additional debt, the risks that it faces as a result of its existing indebtedness and leverage could intensify.
- (f) In addition, the terms of the New Finance Documents prohibit the Company and the Restricted Subsidiaries from incurring additional indebtedness unless they are able to meet certain applicable restrictions. Their ability to meet such applicable restrictions may be affected by events beyond their control. Such restrictions in the New Debt Instruments and the other financing arrangements may impair the Group's ability to react to changes in market conditions, take advantage of business opportunities it believes to be desirable, obtain future financing, fund required capital expenditures or withstand a continuing or future downturn in its business. Any of these factors could materially and adversely affect the Company's ability to satisfy its obligations under the New Debt Instruments and other debt.

Issuance of the New Debt Instruments is subject to approvals from the PRC regulators.

- (g) The issuance of the New Debt Instruments by the Company is subject to approvals and filings from the PRC regulators, including without limitation, the approval of National Development and Reform Commission and the filing with China Securities Regulatory Commission. As at the date of this Listing Document, the Group is still pending to receive approval from National Development and Reform Commission and other necessary approvals for the issuance of the New Securities and the entering into the New Loan from the PRC regulators. There is no assurance that the Company will be able to obtain such approvals in a timely manner, and as a result, the issuance of the New Debt Instruments may be delayed.

Servicing the Group's indebtedness will require a significant amount of cash and its ability to generate cash depends on many factors beyond the Group's control

- (h) The Group's ability to make payments on and to refinance its indebtedness, including these New Debt Instruments, and to fund planned capital expenditures and project development will depend on its ability to generate cash. This, to a certain extent, is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond the Group's control. The Company's creditworthiness, and its ability to honour the New Debt Instruments is therefore subject to uncertainty.
- (i) The Group's business might not generate cash flow from operations in an amount sufficient to enable it to pay its indebtedness, including the New Debt Instruments, or to fund its other liquidity needs. The Group's operation, financial performance and ability to service its indebtedness may continue to be affected by the decrease in sales and property price, suspension on construction work, restraints on obtaining new financing, ongoing and potential disputes with creditors, business partners, customers and others, volatility in the property sector and the capital markets and other factors. The Group may need to refinance all or a portion of its indebtedness (some of which matures prior to the New Debt Instruments), including the New Debt Instruments, on or before maturity. The Group might not be able to refinance any of its indebtedness on commercially reasonable terms or at all.
- (j) If the Company or a Restricted Subsidiary is unable to comply with the terms in the New Finance Documents or its existing or future debt obligations and other agreements, there could be a default under those agreements. If that occurs, the holders of the debt could accelerate repayment of the debt and declare all outstanding amounts due and payable or terminate the agreements, as the case may be. Furthermore, the New Finance Documents contain, and the Group's future debt agreements are likely to contain, cross-acceleration and cross-default provisions. As a result, the default of the Company or any of the Restricted Subsidiaries under one debt agreement may cause the acceleration of repayment of not only such debt but also other debt, including the New Debt Instruments, or result in a default under the Group's other debt agreements, including the New Finance Documents. If any of these events occur, the Group's assets and cash flow might not be sufficient to repay in full all of its indebtedness that has been accelerated and it might not be able to find alternative financing to repay such indebtedness on commercially reasonable terms or at all.

The Group's operations are restricted by the terms of the New Debt Instruments, which are intended to mitigate credit risk. However, given that these restrictions could limit its ability to plan for or to react to market conditions or meet its capital needs, it may need to curtail some of its operations and growth to maintain compliance especially if it is affected by events beyond its control, which could affect the Group's ability to meet its obligations under the New Debt Instruments

- (k) The New Finance Documents, in particular the New Notes Indentures and the New Facility Agreements, include a number of significant restrictive

covenants. These covenants restrict, among other things, the Company's ability and/or the ability of its Restricted Subsidiaries, to, among other things:

- (i) acquire any business or asset or make investments;
 - (ii) in respect of the Company, declare or pay dividends on its capital stock;
 - (iii) make loans, grant credit or provide guarantees or indemnity;
 - (iv) sell, transfer or dispose of assets;
 - (v) create security interest;
 - (vi) substantially change the nature or scope of its business;
 - (vii) enter into transactions with shareholders or affiliates; and
 - (viii) effect a consolidation or merger.
- (l) These covenants could limit the Group's ability to plan for or react to market conditions or to meet its capital needs. The Group's ability to comply with these covenants may be affected by events beyond its control, and it may have to curtail some of its operations and growth plans to maintain compliance.
- (m) In addition, the terms of the New Finance Documents prohibit the Company and the Restricted Subsidiaries from incurring additional indebtedness unless they are able to meet certain applicable restrictions. Their ability to meet such applicable restrictions may be affected by events beyond their control. Such restrictions in the New Debt Instruments and the other financing arrangements may impair the Group's ability to react to changes in market conditions, take advantage of business opportunities it believes to be desirable, obtain future financing, fund required capital expenditures or withstand a continuing or future downturn in its business. Any of these factors could materially and adversely affect the Company's ability to satisfy its obligations under the New Debt Instruments and other debt.

Certain material terms of the New Notes Indentures and New Facility Agreements may be modified, amended or waived with the consent of holders of not less than 75% in aggregate principal amount of the outstanding New Notes or the New Loans, as the case may be, which may adversely affect the interest of the holders of the New Notes or the Lenders of the New Loans, as the case may be, and increase the credit risks of the New Notes and the New Loans, as the case may be

The Group may not be able to complete disposals of Specified Assets at desired prices, at expected times, or at all, in which case the Company may not be able to benefit from the cash sweep prior to maturity as a result of any disposal of Specified Assets

- (n) The Company is obligated to apply, or procure the application of proceeds from any disposal of Specified Assets to make public offers to purchase and/or redeem or repay outstanding New Notes and New Loans at a price below par,

or to pay or set aside a portion of such proceeds to make offers, purchase and/or redeem outstanding New Notes and New Loans in accordance with the terms in the New Finance Documents. However, the Company may not be able to consummate any disposals of Specified Assets at commercially reasonable terms, or at all. Even if the Company completes any disposals of Specified Assets, there may not be any Net Cash Proceeds (Specified Asset) (each as defined in the New Notes Indentures and the New Facility Agreements). Even if there are Net Cash Proceeds (Specified Asset), the Company may not be able to hold such proceeds in an onshore custodian account that is not subject to freezing orders or other PRC government intervention and/or it may not be able to remit such proceeds to offshore designated accounts as the minimum threshold to trigger the cash sweep may be met or due to regulatory or other reasons out of the Company's control. If any such event occurs, the Company may not be able to make offers to purchase and/or redeem or repay outstanding New Notes and the New Loans at desirable amounts or at all.

The Subsidiary Guarantees are unsecured obligations

- (o) The Subsidiary Guarantees are unsecured obligation of the Subsidiary Guarantors. Payments under the Subsidiary Guarantees may be adversely affected if:
- the Company, the Subsidiary Guarantors, or a third party to which the Group has provided a guarantee enters into bankruptcy, liquidation, reorganization or other winding-up proceedings;
 - there is a default in payment under the Company's or the Subsidiary Guarantors' future secured indebtedness, in particular, shares of the Subsidiary Guarantors' subsidiaries which the Group has pledged as collateral for certain of its loan agreements or other unsecured indebtedness; or
 - there is an acceleration of the indebtedness of the Company, the Subsidiary Guarantors or a third party to which the Group has provided a guarantee.
- (p) If any of these events were to occur, the Company's or the Subsidiary Guarantors' assets may not be sufficient to pay amounts due on the New Debt Instruments.

The obligations of the Subsidiary Guarantors under the Subsidiary Guarantees are structurally subordinated to the liabilities and obligations of their respective subsidiaries

- (q) The obligations of the Subsidiary Guarantors under the Subsidiary Guarantees will be effectively subordinated to all existing and future obligations of its existing or future subsidiaries, and all claims of creditors of existing or future subsidiaries and rights of holders of preferred shares of such subsidiaries (if any) will have priority as to the assets of such subsidiaries over the claims of the Subsidiary Guarantors and those of the Subsidiary Guarantors' creditors,

including the holders of the New Notes and lenders of the New Loans. As a result, all of the existing and future liabilities of the Subsidiary Guarantors' subsidiaries, including any claims of trade creditors and preferred stockholders (if any) of such subsidiaries, will be effectively senior to the New Notes, the New Loans and the Subsidiary Guarantees. In addition, even if a Subsidiary Guarantor were a creditor of any subsidiary, its rights as a creditor would be subordinated to any security interest in the assets of such subsidiary and any indebtedness of the subsidiary senior to that held by the Subsidiary Guarantor.

If the Company or the Subsidiary Guarantors are unable to comply with the restrictions and covenants in their respective debt agreements (if any) or the New Debt Instruments there could be a default under the terms of these agreements or the New Debt Instruments that could cause repayment of the Company or the Subsidiary Guarantors' debt to be accelerated, which the Company and the Subsidiary Guarantors may not have sufficient funds to repay

- (r) If the Company or the Subsidiary Guarantors are unable to comply with the restrictions and covenants in the New Debt Instruments or their current or future debt obligations and other agreements (if any), there could be a default under the terms of these agreements. In the event of a default under these agreements, the holders or lenders (as the case may be) of the debt could terminate their commitments to lend to the Company or the Subsidiary Guarantors, accelerate repayment of the debt, declare all amounts borrowed due and payable or terminate the agreements, as the case may be. Furthermore, those debt agreements may contain cross-acceleration or cross-default provisions. As a result, default by the Subsidiary Guarantors under one debt agreement may cause the acceleration of repayment of debt or result in a default under its other debt agreements, including the New Debt Instruments. If any of these events occur, there can be no assurance that there would be sufficient assets and cash flows to repay in full all of the Company's or the Subsidiary Guarantors' indebtedness, or that the Company or the Subsidiary Guarantors would be able to find alternative financing. Even if the Company or the Subsidiary Guarantors could obtain alternative financing, there can be no assurance that it would be on terms that are favourable or acceptable to the Company or the Subsidiary Guarantors.

The events of default provisions under the New Debt Instruments (including cross default provisions amongst the New Debt Instruments) will contain carve outs as more specifically set out in the terms and conditions of the New Debt Instruments

- (s) The events of default provisions under the New Debt Instruments will contain carve outs in relation to certain excluded indebtedness, and final judgments and orders for payment of money and certain insolvency proceedings in relation to such excluded indebtedness, which are more specifically set out in the terms and conditions of the New Debt Instruments. If an event, which would otherwise constitute an event of default but for such carve outs, occurs, no event of default shall be deemed to have occurred and the holders or lenders (as the case may be) of the New Debt Instruments would not have any right to accelerate and/or enforce under the New Debt Instruments.

The New Trustee or the New Facility Agent may request holders or lenders of the New Debt Instruments (as the case may be) to provide an indemnity and/or security and/or prefunding to its satisfaction

- (t) In certain circumstances, the New Trustee or the New Facility Agent may, at their sole discretion, request holders or lenders (as the case may be) of any of the New Debt Instruments (as applicable) to provide an indemnity and/or security and/or prefunding to its satisfaction before it takes actions on behalf of holders or lenders (as the case may be) of the New Debt Instruments. The New Trustee or the New Facility Agent shall not be obliged to take any such actions if not indemnified and/or secured and/or pre-funded to its satisfaction. Negotiating and agreeing to an indemnity and/or security and/or prefunding can be a lengthy process and may impact on when such actions can be taken. The New Trustee or the New Facility Agent may not be able to take actions, notwithstanding the provision of an indemnity or security or prefunding to it, in breach of the terms of the New Finance Documents, and in circumstances where there is uncertainty or dispute as to the applicable laws or regulations and, to the extent permitted by the agreements and the applicable law, it will be for the holders or lenders (as the case may be) of such New Debt Instruments to take such actions directly.

The New Debt Instruments may be redeemed or repaid at the Company's option or upon the occurrence of certain events

- (u) The New Debt Instruments are redeemable or repayable at the option of the Company or upon the occurrence of certain events. The date on which the Company elects to redeem or repay the New Debt Instruments may not accord with the preference of individual holders or lenders. This may be disadvantageous to the holders or lenders of the New Debt Instruments in light of market conditions or the individual circumstances of such holders or lenders. In addition, an investor may not be able to reinvest the redemption or repayment proceeds in comparable securities at an effective distribution rate at the same level as that of the New Debt Instruments.

The Company may not be able to redeem the New Debt Instruments

- (v) Upon the occurrence of a Change of Control Triggering Event (as defined in the New Finance Documents), the holder or the lender (as the case may be) of the New Debt Instruments will have the right to require the Company to redeem the New Debt Instruments. If such an event were to occur, the Company may not have sufficient cash in hand and may not be able to arrange financing to redeem the New Debt Instruments in time, or on acceptable terms, or at all. The ability to redeem the New Debt Instruments in such event may also be limited by the terms of other debt instruments. The Company's failure to repay, repurchase or redeem tendered bonds could constitute an event of default under the New Debt Instruments which may also constitute a default under the terms of the Company's or the Subsidiary Guarantors' other indebtedness.

The New Securities will initially be held in book-entry form, and therefore you must rely on the procedures of the relevant clearing systems to exercise any rights and remedies

- (w) The New Securities will initially only be issued in global form and held through Euroclear and Clearstream. Interests in the New Securities represented by the New Global Notes will trade in book-entry form only, and bonds in definitive registered form, or definitive registered bonds, will be issued in exchange for book entry interests only in very limited circumstances. Owners of book entry interests will not be considered owners or holders of the New Securities. The nominee of the common depositary for Euroclear and Clearstream will be the sole registered holder of the New Global Notes representing the New Securities. Payments of principal, interest, distribution and other amounts, as applicable, owing on or in respect of the New Global Notes representing the New Securities will be made to the relevant paying agent, which will make payments to Euroclear and Clearstream. Thereafter, these payments will be credited to accounts of participants that hold book-entry interests in the New Global Notes representing the New Securities and credited by such participants to indirect participants. After payment to the relevant paying agent, the Group will have no responsibility or liability for the payment of principal, interest, distribution or other amounts, as applicable, to the owners of book-entry interests. Accordingly, if you own a book-entry interest, you must rely on the procedures of Euroclear and Clearstream or, if you are not a participant in Euroclear and Clearstream, on the procedures of the participant through which you own your interest, to exercise any rights and obligations of holders of the New Securities under the New Finance Documents.
- (x) Unlike the holders of the New Securities themselves, owners of book-entry interests will not have a direct right to act upon the Group's solicitations for consents, requests for waivers or other actions from holders of the New Securities. Instead, if you own a book-entry interest, you will be permitted to act only to the extent you have received appropriate proxies to do so from Euroclear and Clearstream. The procedures implemented for the granting of such proxies may not be sufficient to enable you to vote on a timely basis.
- (y) The procedures to be implemented through Euroclear and Clearstream may not be adequate to ensure the timely exercise of rights under the New Securities.

The liquidity and price of the New Debt Instruments after the Restructuring Effective Date could be volatile

- (z) The price and trading volume of the New Debt Instruments may be highly volatile. Factors such as variations in the Company's revenues, earnings and cash flows and proposals of new investments, strategic alliances and/or acquisitions, interest rates and fluctuations in prices for comparable companies could cause the price of the New Debt Instruments to change. Any such developments may result in large and sudden changes in the volume and price at which the New Debt Instruments will trade. There can be no assurance that these developments will not occur in the future.

- (aa) Upon conversion of the Mandatory Convertible Bonds to Shares of the Company, the trading price and volume of the new Shares may be volatile. Factors such as fluctuations in the Group's revenue, earnings and cash flows, changes in laws, regulations and policies in relation to the PRC real estate industry or any other developments may affect the volume and price at which the new Shares will be traded. There is no assurance that a suspension of trading of the Company's Shares will not occur in the future. If this happens, the business operation and financial performance of the Group may be materially adversely affected and the market value of the new Shares may decline materially.

The Transfer of the New Debt Instruments may be restricted, which may adversely affect their liquidity and the price at which they may be sold

- (bb) The New Securities which are represented by the New Global Notes will be transferable only in accordance with the rules and procedures for the time being of the relevant Clearing System. Any transfer of the New Securities would also be subject to restrictions under the terms and conditions of the New Securities, for example, no transfer can be effected during the relevant closed periods.
- (cc) No public market currently exists for the New Securities. There is no current intention to list the New Securities other than on the SGX-ST. If any of the New Securities are traded after the initial issue, they may trade at a discount or premium from their initial offering price, depending on prevailing interest rates, the market for similar instruments and other factors, including general economic conditions and our financial condition, performance and prospects. No assurance can be given as to the future price level of the New Securities after their initial issue.
- (dd) The New Securities and the Subsidiary Guarantees will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act") or any securities law of any state or other jurisdiction of the United States, and may not be offered or sold within the United States (as defined in Regulation S under the Securities Act ("Regulation S")) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. See "Important Securities Law Notices" at Section 2 (*Important Securities Law Notices*) of this Listing Document.
- (ee) With respect to the New Loans, under the New Facility Agreement, an existing lender may only assign any of its rights, or transfer by novation any of its rights and obligations, under the relevant finance documents to another bank or financial institution or to a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets with prior notice to the Company.

Changes in market interest rates may adversely affect the value of the New Debt Instruments

- (ff) The New Debt Instruments will each carry different interest rates. Consequently, the trading price of the New Debt Instruments will vary with

the fluctuations in the US dollar interest rates. If a holder or lender of the New Debt Instruments tries to sell such the New Debt Instruments (or interests thereof) before their maturity, he may receive an offer that is less than his investment.

Developments in other markets may adversely affect the market price of the New Debt Instruments

- (gg) The market price of the New Debt Instruments may be adversely affected by declines in the international financial markets and world economic conditions. The market for the New Debt Instruments is, to varying degrees, influenced by economic and market conditions in other markets, especially those in Asia. Although economic conditions are different in each country, investors' reactions to developments in one country can affect the securities markets and the securities of issuers in other countries, including China. Since the sub-prime mortgage crisis in 2008, the international financial markets have experienced significant volatility. If similar developments occur in the international financial markets in the future, the market price of the New Debt Instruments could be adversely affected.

A trading market for the New Debt Instruments may not develop and a few investors may purchase a majority of the aggregate principal amount of the New Debt Instruments offered

- (hh) The New Securities are a new issue of securities for which there is currently no trading market. There can be no assurance that an active trading market will develop. If such a market were to develop, the New Securities could trade at prices that may be higher or lower than the initial issue price depending on many factors, including prevailing interest rates, the Group's operations and the market for similar securities. In addition, the New Securities may be allocated to a limited number of investors, in which case liquidity of the New Securities may be limited. Furthermore, holders of a significant percentage of the aggregate principal amount of the New Securities will have certain rights under the New Finance Documents and the New Securities. Accordingly, if a few investors purchase a significant percentage of the New Securities, even if less than a majority, they will be able to exercise such rights on behalf of all holders or lenders (as the case may be) of the relevant New Securities and significantly influence the outcome of the voting on matters related to the relevant New Securities.
- (ii) Loans are not publicly traded. It cannot be predicted whether an active trading market for the New Loan will develop or be sustained. If a trading market for the New Loan does not develop or is not sustained, the liquidity and marketability of the New Loan may be adversely affected.

The Company may issue additional New Notes in the future

- (jj) The Company may, from time to time, and without prior consultation of the holders and of the New Notes, create and issue further New Debt Instruments or otherwise raise additional capital through such means and in such manner as it may consider necessary. There can be no assurance that such future

issuance or capital raising activity will not adversely affect the market price of the New Notes.

Gains on the transfer of the New Debt Instruments (or interests thereof) may be subject to income tax under PRC tax laws

- (kk) Under the EIT Law and its implementation rules, any gains realized on the transfer of the New Debt Instruments (or interests thereof) by holders or lenders who are deemed under the EIT Law as non-resident enterprises may be subject to PRC enterprise income tax if such gains are regarded as incomes derived from sources within the PRC. Under the EIT Law, a "non-resident enterprise" means an enterprise established under the laws of a jurisdiction other than the PRC and whose actual administrative organization is not in the PRC, which has established offices or premises in the PRC, or which has not established any offices or premises in the PRC but has obtained incomes derived from sources within the PRC. In addition, there is uncertainty as to whether gains realized on the transfer of the New Debt Instruments (or interests thereof) by individual holders or lenders who are not PRC citizens or residents will be subject to PRC individual income tax. If such gains are subject to PRC income tax, the 10% enterprise income tax rate and 20% individual income tax rate will apply respectively unless there is an applicable tax treaty or arrangement that reduces or exempts such income tax. The taxable income will be the balance of the total income obtained from the transfer of the New Debt Instruments (or interests thereof) minus all costs and expenses that are permitted under PRC tax laws to be deducted from the income.

Disclosure standards that apply to the Group may differ from those in the United States or other jurisdictions.

- (ll) The Group's consolidated financial information is prepared in accordance with HKFRS, which differs in certain respects from US GAAP. As a result, the Group's consolidated financial information and reported earnings could be significantly different if they were prepared in accordance with US GAAP. No attempt has been made to quantify the impact of those differences. This Listing Document does not contain reconciliation of the Group's consolidated financial information to US GAAP, and there is no assurance that such reconciliation would not reveal material differences. Potential investors should consult their own professional advisers for an understanding of the differences between HKFRS and US GAAP, and how these differences might affect the financial information herein.

The insolvency laws of the Cayman Islands, the British Virgin Islands and Hong Kong and other local insolvency laws may differ from those of another jurisdiction with which the holders or lenders of the New Debt Instruments are familiar

- (mm) As the Company and the Subsidiary Guarantors are incorporated under the laws of the Cayman Islands, the British Virgin Islands and Hong Kong, any Insolvency Proceedings relating to the Company or the Subsidiary Guarantors would likely involve the insolvency laws of the Cayman Islands, the British Virgin Islands or Hong Kong, the procedural and substantive provisions of

which may differ from comparable provisions of the local insolvency laws of jurisdictions with which the holders or lenders of the New Debt Instruments are familiar.

Exchange rate risks and exchange controls may result in a holder of the New Notes or a lender of the New Loans receiving less interest or principal than expected

- (nn) The Company will pay principal and interest on the New Notes and the New Loans in US dollars. This presents certain risks relating to currency conversions if the financial activities of a holder of the New Notes or a lender of the New Loans are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than US dollars. These include the risk that exchange rates may significantly change (including changes due to devaluation of the US dollar or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the US dollar would decrease (i) the Investor's Currency equivalent yield on the New Notes or the New Loans, as the case may be; (ii) the Investor's Currency equivalent value of the principal payable on the New Notes or the New Loans, as the case may be; and (iii) the Investor's Currency equivalent market value of the New Notes or the New Loans, as the case may be.
- (oo) Governments and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, a holder or lender of the New Debt Instruments may receive less interest or principal than expected, or no interest or principal.

The Group's ability to utilise its cash effectively is subject to certain regulatory requirements over currency conversion and remittance.

- (pp) The convertibility of the Renminbi into foreign currencies and, in certain cases, the remittance of currency out of China are subject to certain regulatory requirements under PRC laws over foreign currency conversion and remittance. The Group receives the majority of its revenue in Renminbi. As a holding company, the Company needs to rely on dividend payments from its PRC subsidiaries to fund any cash and financing requirements it may have. Under existing PRC foreign exchange regulations, payments of current account items, including profit distributions and trade and service-related foreign exchange transactions, can be made in foreign currencies without prior approval from the State Administration of Foreign Exchange ("SAFE") by complying with certain procedural requirements. But approval from or registration with appropriate government authorities is required where Renminbi is to be converted into foreign currency and remitted out of China to pay capital expenses such as the repayment of debts denominated in foreign currencies. This could affect the Company's ability to remit cash offshore, including remitting proceeds from certain asset disposals for cash sweep purposes. There is no assurance that new regulations will not be promulgated in the future that would have further requirements. Shortages in the availability of foreign currency may restrict the Company's ability to satisfy its obligations under the New Debt Instruments.

Fluctuations of the Renminbi could affect the Group's financial condition and results of operations.

- (qq) Most of the Group's revenues are generated by its subsidiaries in the PRC and are denominated in Renminbi. A portion of such revenues must be converted into other currencies to meet the relevant subsidiary's own foreign currency obligation. The value of the Renminbi against other currencies may fluctuate and is affected by, among other things, changes in China's political and economic conditions. Any appreciation or depreciation of Renminbi against U.S. dollars or any other foreign currencies may result in the change in the value of the Group's foreign currency-denominated assets. In addition, the New Debt Instruments will be denominated in U.S. dollars. Any depreciation of Renminbi may adversely affect the Group's ability to service the New Debt Instruments. The value of Renminbi against U.S. dollars and other foreign currencies is subject to changes in the PRC's policies, as well as international economic and political developments.
- (rr) In addition, the value of Renminbi has depreciated significantly against U.S. dollars in recent years and there can be no assurance that the Renminbi will not experience significant depreciation or appreciation against U.S. dollars or against any other currency in the future. Furthermore, the Group is required to obtain the SAFE's approval before converting significant amounts of foreign currencies into Renminbi. As a result, any significant increase in the value of Renminbi against foreign currencies could reduce the value of the Group's foreign currency-denominated revenue and assets and could materially and adversely affect the Group's business, financial condition, results of operations and prospects.
- (ss) There can be no assurance as to how and to what extent the exchange rate of the Renminbi will fluctuate against the U.S. dollar or any other foreign currency in the future. The PRC government may adopt further reforms of its exchange rate system, including making the Renminbi freely convertible in the future. However, there can be no assurance if or when these further reforms will occur. Depreciation of the Renminbi against the U.S. dollar or any such other relevant foreign currencies could have a material adverse effect on the Group's business, financial condition and results of operations. Furthermore, the Group is also subject to translation risks as its consolidated financial statements are denominated in Renminbi while the financial statements of its subsidiaries are measured and presented in the currency of the primary economic environment in which the entity operates.

Decisions that may be made on behalf of all holders or lenders (as the case may be) of the New Debt Instruments may be adverse to the interests of individual holders or lenders (as the case may be) of the New Debt Instruments

- (tt) The governing documents of the New Debt Instruments contain provisions for soliciting consent or calling meetings of holders or lenders (as the case may be) of the New Debt Instruments to consider matters affecting their interests generally. These provisions permit defined majorities to bind all holders or lenders (as the case may be) of the New Debt Instruments including holders or lenders (as the case may be) who did not attend and vote at the relevant

meeting and holders or lenders (as the case may be) who voted in a manner contrary to the majority. Furthermore, there is a risk that the decision of the majority of holders or lenders (as the case may be) of the New Debt Instruments may be adverse to the interests of the individuals.

Conversion in respect of the Mandatory Convertible Bonds and risk of fluctuation in the value of the Company's shares

- (uu) In respect of Mandatory Convertible Bonds, holders may elect to convert their Mandatory Convertible Bonds pursuant to the Voluntary Conversion and the Mandatory Conversion (each as defined in the terms and conditions of the Mandatory Convertible Bonds), but each such conversion is subject to the restrictions and procedural requirements under the terms and conditions of the Mandatory Convertible Bonds. The Mandatory Convertible Bonds will not be redeemed for cash on their maturity date but will be mandatorily convertible into shares of the Company subject to the terms and conditions of the Mandatory Convertible Bonds.
- (vv) At the time the Mandatory Convertible Bonds are issued to the relevant Scheme Creditors on the Restructuring Effective Date, the price of the Company's shares upon conversion of the Mandatory Convertible Bonds will not be ascertainable. Holders of the Mandatory Convertible Bonds will therefore each bear the risk of fluctuation in the value of the Company's shares. In addition, the value of the Company's shares to be delivered upon conversion may vary substantially between the date on which the relevant holder exercises its conversion right and the date on which such shares are delivered.

If a Mandatory Conversion Reply Form is not delivered by a holder of the Mandatory Convertible Bonds, the Company shall cause the sale of the shares underlying the Mandatory Convertible Bonds but the Company shall be under no obligation to obtain the best price in the sale of such shares

- (ww) In order to obtain delivery of the relevant conversion shares, the relevant holder of the Mandatory Convertible Bonds must deliver a duly completed Mandatory Conversion Reply Form in accordance with the terms and conditions of the Mandatory Convertible Bonds. If a duly completed Mandatory Conversion Reply Form is not so delivered, the relevant conversion shares will be issued and/or transferred and delivered to a person selected by the Company (acting reasonably). Upon issue of the relevant conversion shares to or to the order of such person, the holders shall have no further rights to delivery of shares and their entitlement shall instead be to the net proceeds of sale of the relevant shares. The Company shall procure that all of such shares shall be sold by or on behalf of such person as soon as practicable, and the net proceeds of sale shall be paid to the trustee to be held on trust and distributed to the relevant holders, but the Company shall be under no obligation to obtain the best price in the sale of such shares.

Conversion of the Mandatory Convertible Bonds may dilute the ownership interest of existing shareholders and could also adversely affect the market price of the Company's shares

- (xx) The conversion of some or all of the Mandatory Convertible Bonds (as the case may be) may dilute the ownership interests of existing shareholders of the Company. Any sales in the public market of the Company's shares issuable upon such conversion could adversely affect prevailing market prices for the Company's shares. In addition, the conversion of the Mandatory Convertible Bonds might encourage short selling of the Company's shares by market participants.

Short selling of the Company's shares by holders of the Mandatory Convertible Bonds could materially and adversely affect the market price of the Company's shares.

- (yy) The issuance of the Mandatory Convertible Bonds may result in downward pressure on the market price of the Company's shares. Investors in convertible securities may seek to hedge their exposure in the underlying equity securities, often through short selling of the underlying equity securities or similar transactions. Any short selling and similar hedging activity could place significant downward pressure on the market price of the Company's shares, thereby having a material adverse effect on the market value of the Company's shares owned by an investor as well as on the trading price of the Mandatory Convertible Bonds.

Holders of the Mandatory Convertible Bonds are not entitled to rights with respect to the Company's shares, but are subject to changes made with respect to the Company's shares

- (zz) Holders of the Mandatory Convertible Bonds are not entitled to any rights with respect to the Company's shares (including, without limitation, voting rights and rights to receive any dividends or other distributions on the Company's shares) prior to the time when the Mandatory Convertible Bonds are converted into the Company's shares and are themselves registered as holders thereof. However, such bondholders are subject to all changes affecting the Company's shares. For example, in the event that an amendment is proposed to the Company's articles requiring shareholder approval, and the record date for determining the shareholders of record entitled to vote on the amendment occurs prior to the date of conversion of the Mandatory Convertible Bonds for such shares and (as applicable) the date of registration by the relevant bondholder as the holder thereof, that bondholder would not be entitled to vote on the amendment but would nevertheless be subject to any resulting changes in the powers, preferences or special rights that affect the Company's shares after conversion.

Holders of Mandatory Convertible Bonds have limited anti-dilution protection

- (aaa) The conversion price as defined in the terms and conditions of the Mandatory Convertible Bonds will be adjusted on the occurrence of certain events, including a subdivision, consolidation or reclassification of shares, rights issue of shares or options over shares below current market price, capital distributions, issue of shares below current market price or other events as specified in the terms and conditions of the Mandatory Convertible Bonds. There is no requirement that there should be an adjustment for every corporate or other event that may affect the value of the Company's shares. Events in

respect of which no adjustment is made may adversely affect the value of the Company's shares and, therefore, adversely affect the value of the Mandatory Convertible Bonds.

Certain of the initial Subsidiary Guarantors of the New Notes and the New Loans (as defined in the New Notes Indentures and the New Facility Agreements, respectively) do not have significant operations. The Company cannot assure you that the initial Subsidiary Guarantors of the New Notes and the New Loans or any subsidiaries that may become Subsidiary Guarantors of the New Notes or the New Loans in the future will have the funds necessary to satisfy the Company's financial obligations under the New Notes or the New Loans, as the case may be, if the Company is unable to do so

- (bbb) The Subsidiary Guarantees may be challenged under applicable financial assistance, insolvency, corporate benefit or fraudulent transfer or unfair preference laws, which could impair the enforceability of the Subsidiary Guarantees.
- (ccc) Under bankruptcy laws, insolvency laws, fraudulent transfer laws, corporate benefit, financial assistance, insolvency or unfair preference or similar laws in the British Virgin Islands, Hong Kong, or other jurisdictions where future Subsidiary Guarantors of the New Notes may be established, a guarantee could be voided, or claims in respect of a guarantee could be subordinated to all other debts of that Subsidiary Guarantor if, among other things, the Subsidiary Guarantor, at the time it incurred the indebtedness evidenced by, or when it gives its guarantee:
 - (i) incurred the debt to put the beneficiary of the Subsidiary Guarantee in a position which, in the event of the guarantor's insolvency, would be better than the position the beneficiary would have been in had the Subsidiary Guarantee not been given;
 - (ii) received less than the reasonably equivalent value or fair consideration for the incurrence of such Subsidiary Guarantee and/or there was otherwise an absence of or insufficient corporate benefit under applicable laws;
 - (iii) was insolvent or rendered insolvent by reason of such incurrence;
 - (iv) was engaged in a business or transaction for which the Subsidiary Guarantor's remaining assets constituted unreasonably small capital; or
 - (v) intended to incur, or believed that it would incur, debts beyond its ability to pay such debts as they mature.
- (ddd) The measure of insolvency for purposes of the foregoing will vary depending on the law of the jurisdiction which is being applied. A Subsidiary Guarantor would commonly be considered insolvent at a particular time if it is unable to pay its debts as they fall due.
- (eee) If a Subsidiary Guarantee is voided or is subordinated to other indebtedness of the Subsidiary Guarantor, or held unenforceable for any other reason, holders

of the New Notes and lenders of the New Loans would, among other things, cease to have a claim against that Subsidiary Guarantor based upon such guarantee or would be subject to the prior payment of all liabilities (including trade payables) and any preferred stock of such Subsidiary Guarantor and would solely be creditors of the Company and any remaining Subsidiary Guarantors. The Company cannot assure you that, after the voiding or subordination of any Subsidiary Guarantee, the Company and any remaining Subsidiary Guarantees will be able to satisfy the claims of holders of the New Notes or lenders of the New Loans in full.

The Collateral may be released

- (fff) The Collateral will consist of the capital stock of the Major Offshore Subsidiary (as defined in the CSA Term Sheet), Specified SSSL Shares (as defined in the CSA Term Sheet), certain offshore receivables, the Designated Account (as defined in the CSA Term Sheet) and subject to compliance with applicable laws, rules, regulations, policies or measures and the receipt of all relevant regulatory, judicial and/or governmental approvals and certain priority deeds, all relevant assets relating to any Specified Offshore Assets (as defined in the CSA Term Sheet) which are subject to the security in favor of relevant Project Lender (as defined in the CSA Term Sheet). The security interest in respect of certain Collateral may be released upon the disposition of such Collateral in compliance with the covenants under the relevant New Finance Documents.

The value of the Collateral is unlikely to be sufficient to satisfy the Group's obligations under the New Notes, New Loans and/or the Subsidiary Guarantees

- (ggg) The ability of the New Collateral Agent, on behalf of the New Notes Trustee and The New Facility Agent, to foreclose on the Collateral upon the occurrence of an Event of Default or otherwise, will be subject in certain instances to perfection and priority issues. Although procedures will be undertaken to support the validity and enforceability of the security interests, the Group cannot assure you that the New Collateral Agent, the New Notes Trustee, the New Facility Agent, holders of the New Notes or lenders of the New Loans will be able to enforce the security interest.
- (hhh) The value of the Collateral in the event of a liquidation will depend upon market and economic conditions, the availability of buyers and similar factors. No independent appraisals of any of the Collateral have been prepared by or on behalf of the Company in connection with the New Notes or the New Loans. Accordingly, the Company cannot assure you that the proceeds of any sale of the Collateral following an acceleration of the New Notes or the New Loans would be sufficient to satisfy, or would not be substantially less than, amounts due and payable on the New Notes, the New Loans or the Subsidiary Guarantees. By their nature, some or all of the Collateral may be illiquid and may have no readily ascertainable market value. Likewise, the Company cannot assure you that the Collateral will be saleable or, if saleable, that there will not be substantial delays in its liquidation.

It may be difficult to realise the value of the Collateral

- (iii) The security interest of the New Collateral Agent may be subject to practical problems generally associated with the realization of security interests in the Collateral. For example, the New Collateral Agent may need to obtain the consent of a third-party or governmental agency to obtain or enforce a security interest in a license or contract or to otherwise dispose of the Collateral. The Company cannot assure you that the New Collateral Agent will be able to obtain any such consent. If the New Collateral Agent exercises its rights to foreclose on certain assets, transferring required government approvals to, or obtaining new approvals by, a purchaser of assets may require governmental proceedings with consequent delays.
- (jjj) In addition, the New Collateral Agent may need to evaluate the impact of potential liabilities before determining to foreclose on the Collateral. In this regard, the New Collateral Agent may decline to foreclose on the Collateral or exercise remedies available if it does not receive indemnification to its satisfaction from the holders of the New Notes and/or the lenders of the New Loans.

Rights of holders of the New Notes and the lenders of the New Loans in the Collateral may be adversely affected by the failure to perfect the security interests

- (kkk) The New Collateral Agent's ability to foreclose on the Collateral may be subject to restrictions, including but not limited to priority issues, state and provincial law requirements, applicable bankruptcy law, prior liens and practical problems associated with the realization of the New Collateral Agent's lien on the Collateral, including cure rights, foreclosing on the Collateral within the time periods permitted by third parties or prescribed by laws, obtaining third-party consents, making additional filings, statutory rights of redemption and the effect of the order of foreclosure. There can be no assurance that the consents of any third parties and approvals by governmental entities or courts of competent jurisdiction will be given when required to facilitate a foreclosure on such assets or that foreclosure on the Collateral will be sufficient to make all payments on the New Notes, New Loans and/or the Subsidiary Guarantees.

9. TAXATION

9.1 Overview

- (a) The Company has not analysed, and this Listing Document does not discuss, the tax consequences to any Scheme Creditor of the Restructuring. Such tax consequences may be complex and each Scheme Creditor is urged to consult its own tax advisor with respect to the tax consequences of the Restructuring in light of such person's particular circumstances, including the tax consequences in any jurisdiction of the exchange of interests in the Existing Debt for any Restructuring Consideration, and the receipt, ownership and disposition of such Restructuring Consideration. Scheme Creditors are liable for any taxes that may arise as a result of the Scheme and the Restructuring, and shall have no recourse to the Company, the Existing Subsidiary Obligor, the Company's Advisors, the Existing Notes Trustee, the Existing Notes Paying and Transfer Agent and Registrar, the Existing Common Depositary, the Existing Facility Agent, the New Trustee, the New Agents, the Information Agent or any other person in respect of such taxes or any filing obligation with respect thereto.

THIS SECURITY MAY NOT BE EXCHANGEABLE IN WHOLE OR IN PART FOR A SECURITY REGISTERED, AND NO TRANSFER OF THIS SECURITY IN WHOLE OR IN PART MAY BE REGISTERED, IN THE NAME OF ANY PERSON OTHER THAN SUCH COMMON DEPOSITARY OR A NOMINEE THEREOF, EXCEPT IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THE INDENTURE."

Global Notes may be deposited with such other Common Depositary as the Company may from time to time designate in writing to the Trustee, and shall bear such legend as may be appropriate.

(e) If at any time the Common Depositary notifies the Company that it is unwilling or unable to continue as Common Depositary for such Global Notes, the Company shall appoint a successor Common Depositary with respect to such Global Notes. If (i) a successor Common Depositary for such Global Notes is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, or (ii) either Euroclear or Clearstream, or a successor clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention to permanently cease business or does in fact do so, or (iii) any of the Notes has become immediately due and payable in accordance with Section 6.01 and Section 6.02 and the Company has received a written request from a Holder, the Company will execute, and the Trustee or an Authenticating Agent, upon receipt by the Trustee or an Authenticating Agent of an Officers' Certificate of the Company directing the authentication and delivery thereof, will authenticate and deliver, Certificated Notes in any authorized denominations in an aggregate principal amount equal to the principal amount of such Global Notes in exchange for such Global Notes.

(f) Upon receipt of notice from the Common Depositary, Euroclear, Clearstream or the Trustee, as the case may be, the Company will use its best efforts to make arrangements with the Common Depositary for the exchange of interests in the Global Notes for Certificated Notes and cause the requested Certificated Notes to be executed and delivered to the Registrar in sufficient quantities and authenticated by the Trustee or an Authenticating Agent for delivery to Holders. Persons exchanging interests in the Global Notes for Certificated Notes will be required to provide to the Registrar, through the relevant clearing system, written instructions and other information required by the Company and the Registrar to complete, execute and deliver such Certificated Notes. Certificated Notes delivered in exchange for the Global Notes or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by the relevant clearing system.

(g) Global Notes shall in all respects be entitled to the same benefits under this Indenture as Certificated Notes authenticated and delivered hereunder.

(h) The Person in whose name any Note is registered at the close of business on any Interest Record Date with respect to any Interest Payment Date shall be entitled to receive the interest, if any, payable on such Interest Payment Date notwithstanding any transfer or exchange of such Note subsequent to the Interest Record Date and prior to such Interest Payment Date.

Section 2.05. *Registration, Transfer and Exchange.* (a) The Notes are issuable only in registered form. The Company will keep at the office or agency to be maintained for the purpose as provided in Section 4.02 (the “**Registrar**”), a register (the “**Register**”) in which, subject to such reasonable regulations as it may prescribe, it will register, and will register the transfer of, the Notes as provided in this Article. The name and address of the registered holder of each Note and the amount of each Note will be recorded in the Register. Such Register shall be in written form in the English language or in any other form capable of being converted into such form within a reasonable time. Such Register shall be open for inspection by or on behalf of the Trustee during normal business hours upon prior written request.

(b) Upon due presentation for registration of transfer of any Note, the Company shall execute and the Trustee or an Authenticating Agent shall authenticate and deliver in the name of the transferee or transferees a new Note or Notes in authorized denominations for a like aggregate principal amount.

(c) A Holder may register the transfer of a Note only by written application to the Registrar substantially in the form of Exhibit B and otherwise complying with the terms of this Indenture. No such registration of transfer shall be effected until, and such transferee shall succeed to the rights of a Holder only upon, final acceptance and registration of the transfer by the Registrar in the Register. Prior to the registration of any transfer by a Holder as provided herein, the Company, the Trustee and any agent of any of them shall treat the Person in whose name the Note is registered as the owner thereof for all purposes whether or not the Note shall be overdue, and neither the Company, the Trustee, nor any such agent shall be affected by notice to the contrary. Furthermore, any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by Euroclear and Clearstream (or their respective agents) and that ownership of a beneficial interest in the Note shall be required to be reflected in a book entry. At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination and of a like aggregate principal amount, by written application to the Registrar substantially in the form of Exhibit B upon surrender of the Notes to be exchanged to the Registrar. When Notes are presented to the Registrar with a request to register the transfer or to exchange them for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested if the requirements for such transactions set forth herein are met. To permit registrations of transfers and exchanges, the Company and each Subsidiary Guarantor shall execute and the Trustee or an Authenticating Agent shall authenticate Notes at the Registrar’s request.

(d) Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Registrar) be duly endorsed, or be accompanied by a written instrument of

transfer duly executed, by the Holder thereof or his attorney duly authorized in writing in a form satisfactory to the Company and the Registrar.

(e) The Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any exchange or registration of transfer of Notes (other than any such transfer taxes or other similar governmental charge payable upon exchanges). No service charge to any Holder shall be made for any such transaction.

(f) The Company shall not be required to exchange or register a transfer of (1) any Notes for a period of 15 days immediately preceding the first mailing of notice of redemption of Notes to be redeemed or (2) any Notes called or being called for redemption.

(g) So long as the Global Notes remain outstanding and are held by or on behalf of the Common Depositary, transfer of beneficial interests in the Global Notes may be made only in accordance with the rules of Euroclear or Clearstream.

(h) Subject to Section 2.04(e), the Global Notes are not exchangeable for a Certificated Note or Certificated Notes.

(i) Notwithstanding any other provisions hereof, unless and until the Global Notes are exchanged for Certificated Notes, the Global Notes may be transferred, in whole, but not in part, only by the Common Depositary to its nominee or by a nominee of the Common Depositary or another nominee of the Common Depositary or by the Common Depositary or its nominee to a successor Common Depositary or a nominee of any such successor Common Depositary.

(j) All Notes issued upon any transfer or exchange of Notes shall be valid obligations of the Company, evidencing the same debt and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(k) Claims against the Company for the payment of principal of, premium, if any, or interest on the Notes will become void unless presentation for payment is made as required in this Indenture within a period of six years.

Section 2.06. *Book-entry Provisions for Global Note.*

(a) Each Global Note initially shall be deposited with the Common Depositary and registered in the name of the Common Depositary or its nominee for the accounts of Euroclear and Clearstream.

(b) Transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to the Common Depositary, its successors or their respective nominees. Interests of beneficial owners in a Global Note may be transferred, and transfers increasing or decreasing the aggregate principal amount of Global Notes may be conducted only in accordance with the rules and procedures of the Euroclear and Clearstream. In addition, Certificated Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in the Global Note under the circumstances set forth in Section 2.04(e).

(c) In connection with the transfer of an entire Global Note to beneficial owners pursuant to clause (b) of this Section 2.06, the Global Note shall be deemed to be surrendered to the Paying Agent for cancellation, and the Company shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Common Depositary in exchange for its beneficial interest in the Global Note, an equal aggregate principal amount of Certificated Notes of authorized denominations.

(d) The registered holder of a Global Note may grant proxies and otherwise authorize any Person to take any action which a Holder is entitled to take under this Indenture or the Notes.

Section 2.07. *Special Transfer Provisions.* Subject to Section 2.04, unless and until the relevant Private Placement Legend is removed from a Certificated Note or a Global Note pursuant to paragraph (a) below, the following additional provisions shall apply to the proposed transfer, exchange or replacement of the Certificated Note or, to the extent relevant to the Trustee, the Registrar or the Common Depositary, any beneficial interest in a Global Note:

(a) Upon the registration of transfer, exchange or replacement of Notes bearing a Private Placement Legend, the Registrar shall deliver only Notes that bear the same Private Placement Legend unless the requested transfer, exchange or replacement there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Company to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Upon the registration of transfer, exchange or replacement of Notes not bearing a Private Placement Legend, the Registrar shall deliver Notes that do not bear a Private Placement Legend.

(b) By its acceptance of any Note bearing a Private Placement Legend, each Holder of such a Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in such Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture. The Registrar shall not register a transfer of any Note unless such transfer complies with the restrictions on transfer of such Note set forth in this Indenture. In connection with any transfer of Notes, each Holder agrees by its acceptance of the Notes to furnish the Registrar or the Company such certifications, legal opinions or other information as either of them may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act; *provided that* the Registrar shall not be required to determine (but may rely on a determination made by the Company with respect to) the sufficiency of any such certifications, legal opinions or other information.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.06 or this Section 2.07 in accordance with its customary procedures. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

(c) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Common Depositary participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.08. *PIK Notes.* (a) If the Company elects to pay PIK Interest as set forth in the Notes, the Company must give notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to this Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date. If the Company pays PIK Interest as set forth in the Notes, the Company shall increase the outstanding principal amount of the Global Notes or issue additional Certificated Notes as applicable (in each case, “**PIK Notes**”) having an aggregate principal amount equal to the amount of interest then due and owing as PIK Interest as follows:

(i) with respect to Notes represented by a Global Note, by increasing the principal amount of such Global Note, effective as of the applicable Interest Payment Date, by an amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest US\$1); and

(ii) with respect to Notes represented by a Certificated Note, by issuing PIK Notes in the form of a Certificated Note, dated as of the applicable Interest Payment Date, in an aggregate principal amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest US\$1).

(b) Following an increase in the principal amount of the outstanding Global Notes as a result of a payment of PIK Interest in the form of PIK Notes, the Global Notes will bear interest on such increased principal amount from and including the applicable Interest Payment Date. Any PIK Notes issued in the form of Certificated Notes will be dated as of the applicable Interest Payment Date and will bear interest from and including such date. The PIK Notes are identical to the Notes for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and mandatory offers to purchase (except that interest will begin to accrue on the PIK Notes from and including the date they are issued), and will be consolidated and form a single class with the Notes. References to “principal amount” of the Notes shall include any increase in the principal amount of the outstanding Notes as a result of the payment of PIK Interest.

(c) To the extent PIK Notes are issued in the form of Certificated Notes as contemplated by Section 2.08(a)(ii), the Trustee or an Authenticating Agent will, at the request of the Company, authenticate and deliver any PIK Notes in the form of Certificated Notes for original issuance to the Holders of Certificated Notes on the relevant Interest Record Date in accordance with this Indenture. PIK Notes in the form of Certificated Notes will be issued in minimum denominations of US\$1 and integral multiples of US\$1 in excess thereof but may only be transferred in denominations of US\$1 and integral multiples of US\$1 in excess thereof. Notwithstanding the foregoing, for the purpose of Euroclear and Clearstream, the denominations are considered as US\$1. For the avoidance of doubt, neither Euroclear nor Clearstream is required to monitor or enforce the minimum amount.

Section 2.09. *Mutilated, Defaced, Destroyed, Stolen and Lost Notes.* (a) The Company shall execute and deliver to the Paying and Transfer Agent Certificated Notes in such amounts and at such times as to enable the Paying and Transfer Agent to fulfill its responsibilities under this Indenture and the Notes.

(b) In case any Note shall become mutilated, defaced or be apparently destroyed, lost or stolen, upon the request of the registered holder thereof, the Company in its discretion may execute, and, upon the written request of Authorized Officers of the Company, the Trustee or an Authenticating Agent shall authenticate and deliver, a new Note (with each Subsidiary Guarantee endorsed thereon), bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated or defaced Note, or in lieu of and substitution for the Note so apparently destroyed, lost or stolen. In every case the applicant for a substitute Note shall furnish to the Company, the Subsidiary Guarantors and the Trustee, and any agent of the Company, the Subsidiary Guarantors or the Trustee such security or indemnity as may be required by each of them to indemnify and defend and to save each of them harmless and, in every case of destruction, loss or theft, evidence to their satisfaction of the apparent destruction, loss or theft of such Note and of the ownership thereof. Upon the issuance of any substitute Note, such Holder, if so requested by the Company, the Subsidiary Guarantors or the Trustee, or any agent thereof, will pay a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee or its agent(s)) connected with the preparation and issuance of the substitute Note. The Trustee is hereby authorized, in accordance with and subject to the foregoing conditions in this clause (b), to authenticate and deliver, or cause the authentication and delivery of, from time to time, Notes (with each Subsidiary Guarantee endorsed thereon) in exchange for or in lieu of Notes (with each Subsidiary Guarantee endorsed thereon), respectively, which become mutilated, defaced, destroyed, stolen or lost. Each Note delivered in exchange for or in lieu of any Note shall carry all the rights to principal, premium (if any), interest (including rights to accrued and unpaid interest and Additional Amounts) which were carried by such Note.

(c) Mutilated or defaced Certificated Notes must be surrendered before replacements will be issued. In the event any such mutilated, defaced, destroyed, lost or stolen certificate has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new certificate, pay such Notes.

Section 2.10. *Further Issues.* Subject to the covenants described in Article 4 and in accordance with the terms hereof, the Company may, from time to time, without notice to or the consent of the Holders, create and issue additional notes (the “**Additional Notes**”) having the same terms and conditions as the Notes (including the benefit of the Subsidiary Guarantees and the Collateral) in all respects (or in all respects

except for the issue date, issue price and the date of the first payment of interest on them and, to the extent necessary, certain temporary securities law transfer restrictions) (a “**Further Issue**”) so that such Additional Notes may be consolidated and form a single class with the previously outstanding Notes and vote together as one class on all matters with respect to the Notes; *provided* that (i) the issuance of any such Additional Notes shall then be permitted under Section 4.05, and (ii) for so long as may be required by the applicable provisions of the Securities Act or the procedures of the Common Depositary, Euroclear or Clearstream, such Additional Notes shall be represented by one Global Note in accordance with Section 2.04(c) and subject to applicable transfer or other restrictions. In connection with any such issuance of Additional Notes, the Company shall deliver an Officers’ Certificate to the Trustee directing the Trustee or an Authenticating Agent to authenticate and deliver Additional Notes in an aggregate principal amount specified therein and the Trustee or an Authenticating Agent, in accordance with such Officers’ Certificate, shall authenticate and deliver such Additional Notes. The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture is unlimited.

Section 2.11. *Cancellation of Notes; Disposition Thereof.* All Notes surrendered for payment, redemption, registration of transfer or exchange, if surrendered to the Company or any agent of the Company or the Trustee, shall be delivered to the Paying and Transfer Agent for cancellation or, if surrendered to the Paying and Transfer Agent, shall be canceled by it; and no Notes shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Paying and Transfer Agent shall dispose of canceled Notes held by it in accordance with its customary procedures, and deliver a certificate of disposition to the Company. If the Company shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Notes unless and until the same are delivered to the Paying and Transfer Agent for cancellation. For as long as the Notes are held in Global Notes form, any cancellation of the Notes as a result of redemption, repurchase or repayment of the Notes in accordance with the terms of this Indenture shall be reflected by way of a decrease or markdown in the outstanding principal amount of the Notes, and shall not be reflected through a pool factor or similar records of the clearing systems.

Section 2.12. *ISIN and Common Code Numbers.* The Company in issuing the Notes may use ISIN and Common Code numbers (if then generally in use), and, if so, the Trustee and the Paying and Transfer Agent shall use for the Notes ISIN and Common Code numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee and the Paying and Transfer Agent of any change in the ISIN and Common Code numbers.

ARTICLE 3 REDEMPTION

Section 3.01. *Redemption for Taxation Reasons.* (a) The Notes may be redeemed at the option of the Company or a Surviving Person with respect to the Company, as a whole but not in part, upon giving not less than 30 days’ nor more than 60 days’ notice to the Holders (which notice shall be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Company or the Surviving Person, as the case may be, for redemption (the “**Tax Redemption Date**”) if, as a result of:

- (i) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or
- (ii) any change in the existing official position or the stating of an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment is proposed and becomes effective on or after the Original Issue Date with respect to any payment due or to become due under the Notes or this Indenture, the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, and such requirement cannot be avoided by the taking of reasonable measures by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be; provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due.

(b) Prior to the mailing of any notice of redemption of the Notes pursuant to Section 3.01(a), the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, will deliver to the Trustee:

(i) an Officers' Certificate stating that such change or amendment referred to in Section 3.01(a) has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, taking reasonable measures available to it; and

(ii) an Opinion of Counsel or an opinion of a tax consultant, in either case of recognized standing with respect to tax matters of the Relevant Taxing Jurisdiction, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in Section 3.01(a).

The Trustee shall accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above and shall not be obligated to verify the accuracy or content thereof, in which event it shall be conclusive and binding on the Holders.

(c) Any Notes that are redeemed pursuant to the terms of this Section 3.01 will be cancelled.

Section 3.02. *Optional Redemption.*

(a) At any time prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to:

(i) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 and no Payment Default has occurred and is continuing), 50% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 50% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date; or

(ii) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has become immediately due and payable in accordance with Section 6.02 or if a Payment Default has occurred and is continuing), 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 100% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date,

provided that the Company shall redeem the Notes and repay the Short Term Loan concurrently on a pro rata basis according to their respective original issue amounts.

(b) The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected as follows:

(i) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed (if any) or any applicable requirements of the clearing systems through which the Notes are held; or

(ii) if the Notes are not listed on any national securities exchange, on a pro rata basis, by lot or by such other method as the Trustee in its sole and absolute discretion shall deem to be fair and appropriate unless otherwise required by law or by applicable stock exchange or clearing system requirements.

(c) A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. With respect to any Certificated Note, a new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

(d) If the Company elects to redeem the Notes pursuant to the optional redemption provisions of Section 3.02 hereof, it must furnish to the Trustee, at least 10 Business Days but not more than 30 Business Days before a redemption date, an Officers' Certificate setting forth:

- (i) the clause of this Indenture pursuant to which the redemption shall occur;
- (ii) the redemption date;
- (iii) the principal amount of Notes to be redeemed; and
- (iv) the redemption price.

Section 3.03. *Mandatory Redemption.*

(a) For as long as the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 and no Payment Default has occurred and is continuing, on or prior to each redemption date set out in the table below (each, a "**Mandatory Redemption Date**"), the Company shall redeem the Notes in an aggregate principal amount of no less than the principal amount set forth below at a redemption price equal to 50% of the principal amount of the Notes redeemed, plus any accrued and unpaid interest on 50% of the outstanding principal amount of the Notes so redeemed up to (but excluding) such Mandatory Redemption Date:

Mandatory Redemption Date	Principal amount to be redeemed (% of principal amount issued on the Original Issue Date, on a cumulative basis)
42 months from the Original Issue Date	25%
54 months from the Original Issue Date	50%
66 months from the Original Issue Date	75%
72 months from the Original Issue Date	100%

(b) Each Mandatory Redemption Date may be deferred for six months at the Company's sole discretion, *provided, however*, that such Mandatory Redemption Date may not be deferred if the corresponding repayment date for the Short Term Loan is not concurrently deferred, *provided further* that the Company shall provide the Trustee and holders of the Notes with five (5) Business Days' prior written notice if it elects to defer any Mandatory Redemption Date.

(c) The amount of Notes to be mandatorily redeemed on or prior to each Mandatory Redemption Date shall be correspondingly reduced by the amount of Notes redeemed or repurchased on or prior to such Mandatory Redemption Date, including but not limited to any amount of the Notes redeemed or repurchased in accordance with the terms of this Indenture.

(d) If the Company makes any voluntary prepayment of the Short Term Loan in accordance with the terms of the Short Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis

according to the respective original issue amounts of the Notes and the Short Term Loan, at a redemption price equal to:

(i) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 and no Payment Default has occurred and is continuing), 50% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 50% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date; or

(ii) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has become immediately due and payable in accordance with Section 6.02 or if a Payment Default has occurred and is continuing), 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 100% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date.

The Company shall notify the Trustee of any voluntary prepayment of the Short Term Loan as soon as reasonably practicable in writing. The Trustee may rely conclusively on any such notification provided by the Company.

Section 3.04. *Method and Effect of Redemption.* (a) The notice of redemption will identify the Notes to be redeemed and will include or state the following:

(i) the redemption date;

Not later than one Business Day prior to the Interest Payment Date, the due date of

any principal on any Notes, the Tax Redemption Date pursuant to Section 3.01, the redemption date pursuant to Section 3.02 or the Mandatory Redemption Date pursuant to Section 3.03 (each a “**Payment Date**”), the Company will pay or cause to be paid to the account of the Paying and Transfer Agent at the Principal Office, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, in immediately available funds, an amount which shall be sufficient to pay the aggregate amount of interest, principal or premium or all of such amounts, as the case may be, becoming due in respect of the Notes on such Payment Date; *provided* that if the Company or any Affiliate of the Company is acting as Paying and Transfer Agent, it shall, on or before each due date, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such amounts until paid to such Holders or otherwise disposed of as provided in this Indenture. In each case the Company shall promptly notify the Trustee and the Paying and Transfer Agent of its compliance with this paragraph. The Company shall procure that, before 9:00 a.m. (New York City time) on the third Business Day before each Payment Date, the bank effecting payment for it confirms by tested telex or authenticated SWIFT message to the Paying and Transfer Agent the payment instructions relating to such payment. The Paying and Transfer Agent shall not be bound to make any payment until it has received the full amount due to be paid to it pursuant to this Section 4.01.

(b) An installment of principal, premium or interest will be considered paid on the date due if the Paying and Transfer Agent, other than the Company or any Affiliate of the Company, holds on that date money designated for and sufficient to pay the installment. If the Company or any Affiliate of the Company acts as Paying and Transfer Agent, an installment of principal or interest will be considered paid on the due date only if paid to the Holders.

(c) The Paying and Transfer Agent, which will include the Company or any Affiliate of the Company if it is acting as Paying and Transfer Agent will make payments in respect of the Notes represented by the Global Notes by wire transfer of immediately available funds to the accounts specified by the Holders of the Global Notes. With respect to Certificated Notes, the Paying and Transfer Agent will make all payments by wire transfer of immediately available funds to the accounts specified by the Holders thereof or, if no such account is specified, by mailing a check to each Holder’s registered address; *provided* that if the Company or any Affiliate of the Company is acting as Paying and Transfer Agent, it shall make such payment to the Holders as specified above.

(d) At least three Business Days prior to the first Payment Date and, if there has been any change with respect to the matters set forth in the below-mentioned certificate, at least three Business Days prior to each Payment Date thereafter, the Company shall furnish the Paying and Transfer Agent with an Officers’ Certificate instructing the Paying and Transfer Agent as to any circumstances in which payments of principal of, or interest or premium on, the Notes due on such date shall be subject to deduction or withholding for, or on account of, any Taxes described in Section 4.20 and the rate of any such deduction or withholding. If any such deduction or withholding shall be required and if the Company therefore becomes liable to pay Additional Amounts, if any, pursuant to Section 4.20 then at least three Business Days prior to each Payment Date, the Company shall furnish the Paying and Transfer Agent with a certificate which specifies the amount required to be withheld on such payment to Holders of the Notes, and the Additional Amounts, if any, due to the Holders of the Notes, and at least one Business Day prior to such Payment Date, will pay to the Paying and Transfer Agent such Additional Amounts, if any, as shall be required to be paid to such Holders.

(e) Whenever the Company appoints a Paying and Transfer Agent other than the Trustee for the purpose of paying amounts due in respect of the Notes, it will cause such Paying and Transfer Agent to execute and deliver to the Trustee an instrument substantially in the form of Exhibit E hereof in which such agent shall agree with the Company, among other things, to be bound by and observe the provisions of this Indenture (including the Notes). The Company shall cause each Paying and Transfer Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying and Transfer Agent shall agree with the Trustee,

(i) that it will hold all sums received by it as such Paying and Transfer Agent for the payment of the principal of, or premium or interest on, the Notes (whether such sums have been paid

to it by or on behalf of the Company or by any other obligor on the Notes or any Subsidiary Guarantee) in trust for the benefit of the Holders or of the Trustee;

(ii) that it will give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes or any Subsidiary Guarantee) to make any payment of the principal of, or premium or interest on, the Notes and any other payments to be made by or on behalf of the Company under this Indenture, when the same shall be due and payable; and

(iii) that it will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request at any time during the continuance of a failure referred to in clause (ii) above.

Anything in this Section 4.01 to the contrary notwithstanding, the Company may at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by the Company or any Paying and Transfer Agent hereunder, as required by this Section 4.01 and such sums shall be held by the Trustee upon the trusts herein contained. If the Paying and Transfer Agent shall pay all sums held in trust to the Trustee as required under this Section 4.01, the Paying and Transfer Agent shall have no further liability for the money so paid over to the Trustee.

Anything in this Section 4.01 to the contrary notwithstanding, the agreements to hold sums in trust as provided in this Section 4.01 are subject to the provisions of Section 8.03.

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be surrendered or presented for any of such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each place where principal of, and interest or premium on, any Notes are payable. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.08. *Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.* (a) Except as provided below, the Company will not, and will not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary to:

(i) existing in agreements as in effect on the Original Issue Date, or in the Notes, the Subsidiary Guarantees, this Indenture, the Security Documents, or under any Permitted Pari Passu Secured Indebtedness or Pari Passu Guarantee, and any extensions, refinancings, renewals or replacements of any of the foregoing agreements; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

(ii) existing under or by reason of applicable law, rule, regulation or government order;

(iii) existing with respect to any Person or the property or assets of such Person acquired by the Company or any Restricted Subsidiary, at the time of such acquisition and not incurred in contemplation thereof, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Person or the property or assets of such Person so acquired, and any extensions, refinancings, renewals or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

(iv) that otherwise would be prohibited by the provision described in clause (iv) of Section 4.08(a) if they arise, or are agreed to in the ordinary course of business and, that (A) restrict in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease or license, or (B) exist by virtue of any Lien on, or agreement to transfer, option or similar right with respect to any property or assets of the Company or any Restricted Subsidiary not otherwise prohibited by this Indenture or (C) do not relate to any Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of the Company or any Restricted Subsidiary in any manner material to the Company or any Restricted Subsidiary;

(vi) with respect to any Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the Incurrence of Indebtedness or issuance of Preferred Stock permitted to be incurred under Section 4.05 if, as determined by the Board of Directors, the encumbrances or restrictions are (A) customary for such types of agreements and (B) would not, at the time agreed to,

be expected to materially and adversely affect the ability of the Company to make any required payment on the Notes and, any extensions, refinancings, renewals or replacements of any of the foregoing agreements; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

(vii) existing in customary provisions in shareholders' agreement, joint venture agreements and other similar agreements permitted under this Indenture, to the extent such encumbrance or restriction relates to the activities or assets of a Restricted Subsidiary that is a party to such joint venture and if (as determined in good faith by the Board of Directors) (i) the encumbrances or restrictions are customary for a joint venture or similar agreement of that type and (ii) the encumbrances or restrictions would not, at the time agreed to, be expected to materially and adversely affect (x) the ability of the Company to make the required payments on the Notes, or (y) any Subsidiary Guarantor to make required payments under its Subsidiary Guarantee; or

(viii) existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Subsidiary or its subsidiaries or the property or assets of such Subsidiary or its subsidiaries, and any extensions, refinancing, renewals or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced.

(a) to the Company or a Restricted Subsidiary;

(b) to the extent such Capital Stock represents director's qualifying shares or is required by applicable law to be held by a Person other than the Company or a Restricted Subsidiary;

(c) for the issuance or sale of the Capital Stock of a Restricted Subsidiary if, immediately after giving effect to such issuance or sale, such Restricted Subsidiary would no longer constitute a Restricted Subsidiary and any remaining Investment in such Person would have been permitted to be made under Section 4.06 if made on the date of such issuance or sale and *provided* that the Company complies with Section 4.13; or

(d) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale); *provided* that the Company or such Restricted Subsidiary applies the Net Cash Proceeds of such issuance or sale in accordance with Section 4.13.

Section 4.10. *Limitation on Issuances of Guarantees by Restricted Subsidiaries.*

(a) To the extent any Subsidiary Guarantee remains outstanding, the Company will not permit any Restricted Subsidiary which is not a Subsidiary Guarantor, directly or indirectly, to Guarantee any Relevant Indebtedness ("**Guaranteed Indebtedness**") of the Company or any Subsidiary Guarantor, unless (i) (a) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to this Indenture, providing for an unsubordinated Subsidiary Guarantee of payment of the Notes by such Restricted Subsidiary and (b) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted

Subsidiary under its Subsidiary Guarantee, until the Notes have been paid in full or (ii) such Guarantee is permitted by clause (iii), (iv), (xiv)(B) (other than, in the case of clause (xiv)(B), (x) a Guarantee by a PRC Restricted Subsidiary of the Indebtedness of a non-PRC Restricted Subsidiary that is not a Subsidiary of such PRC Restricted Subsidiary or (y) a Guarantee by a non-PRC Restricted Subsidiary that is not a Subsidiary Guarantor of Indebtedness of a Subsidiary Guarantor) or (xviii) (in the case of clause (xviii), with respect to the Guarantee provided by the Company or any Restricted Subsidiary through the pledge of cash deposits, bank accounts or other assets to secure (or the use of any Guarantee, letter of credit or similar instrument to Guarantee) any Bank Deposit Secured Indebtedness) of Section 4.05(b).

(b) If the Guaranteed Indebtedness (i) ranks *pari passu* in right of payment with the Notes, any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall rank *pari passu* in right of payment with, or subordinated to, the Subsidiary Guarantee, or (ii) is subordinated in right of payment to the Notes or any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall be subordinated in right of payment to the Subsidiary Guarantee, at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes or the Subsidiary Guarantee.

Section 4.11. *Limitation on Sale and Leaseback Transactions.* The Company will not, and will not permit any of its Restricted Subsidiaries to, enter into any Sale and Leaseback Transaction; *provided* that the Company or any Restricted Subsidiary may enter into a Sale and Leaseback Transaction if:

(a) the Company or any Restricted Subsidiary could have (i) incurred Indebtedness in an amount equal to the Attributable Indebtedness relating to such Sale and Leaseback Transaction under Section 4.05(a) and (ii) incurred a Lien to secure such Indebtedness pursuant to Section 4.07, in which case, the corresponding Indebtedness and Lien will be deemed incurred pursuant to those provisions;

(b) the gross cash proceeds of that Sale and Leaseback Transaction are at least equal to the Fair Market Value of the property that is the subject of such Sale and Leaseback Transaction; and

(c) the transfer of assets in that Sale and Leaseback Transaction is permitted by, and the Company or any Restricted Subsidiary applies the proceeds of such transaction in compliance with, Section 4.13.

Section 4.12. *Repurchase of Notes Upon a Change of Control Triggering Event.*

(a) Not later than 30 days following a Change of Control Triggering Event, the Company will make an Offer to Purchase all outstanding Notes (a “**Change of Control Offer**”) at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but not including) the Offer to Purchase Payment Date.

(b) The Company will in a timely manner repay all Indebtedness or obtain consents as necessary under, or terminate, agreements or instruments that would otherwise prohibit a Change of Control Offer required to be made pursuant to this Section 4.12.

(c) Notwithstanding the above, the Company will not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third party makes the Change of Control Offer in the same manner at the same time and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Section 4.13. *Limitation on Asset Sales.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless:

(i) no Default shall have occurred and be continuing or would occur as a result of such Asset Sale;

(ii) the consideration received by the Company or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of;

(iii) at least 75% of the consideration received consists of cash, Temporary Cash Investment or Replacement Assets; *provided* that in the case of an Asset Sale in which the Company or such Restricted Subsidiary receives Replacement Assets involving aggregate consideration in excess of US\$80.0 million (or the Dollar Equivalent thereof), the Company shall deliver to the Trustee an opinion as to the fairness to the Company or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an accounting, appraisal or investment banking firm of international standing. For purposes of this provision, each of the following will be deemed to be cash:

(1) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes, any Subsidiary Guarantee) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that releases the Company or such Restricted Subsidiary from further liability; and

(2) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from such transferee that are promptly, but in any event within 30 days of closing, converted by the Company or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion.

(b) Within 360 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company (or any Restricted Subsidiary, as the case may be) may apply such Net Cash Proceeds to:

(i) permanently repay Senior Indebtedness of the Company or a Subsidiary Guarantor or any Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor (and, if such Senior Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) in each case owing to a Person other than the Company or a Restricted Subsidiary;

(ii) acquire Replacement Assets; or

(iii) facilitate property delivery or to ensure social stability as required by PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures, *provided* that the Company shall deliver a notice to the Trustee within 5 Business Days after the application of such Net Cash Proceeds pursuant to this clause (iii), summarizing (i) the amount of the Net Cash Proceeds so applied, (ii) the asset(s) subjected to such Asset Sale and (iii) the identity of the party involved in such Asset Sale, to the extent (x) the Company has received notice from relevant PRC government bodies or otherwise has actual knowledge thereof and (y) not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

Pending application of such Net Cash Proceeds as set forth in clause (i) or (ii) above, the Company or any Restricted Subsidiary may make an Investment in cash or Temporary Cash Investments.

(c) Any Net Cash Proceeds from Asset Sales that are not applied or invested as provided in Section 4.13(b)(i) and Section 4.13(b)(ii) above will constitute "**Excess Proceeds.**" Excess proceeds of less than US\$10.0 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. When accumulated Excess Proceeds exceed US\$10.0 million (or the Dollar Equivalent thereof), within 10 days thereof, the Company must make an Offer to Purchase Notes having a principal amount equal to:

(i) accumulated Excess Proceeds; multiplied by

(ii) a fraction (A) the numerator of which is equal to the outstanding principal amount of the Notes and (B) the denominator of which is equal to the outstanding principal amount of the Notes and all pari passu Indebtedness similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale,

(iii) rounded down to the nearest US\$1.

(d) The offer price in any Offer to Purchase will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash.

(e) If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes (and any other pari passu Indebtedness) tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Notes (and such other pari passu Indebtedness) will be purchased on a *pro rata* basis. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

Section 4.14. *Limitation on Transactions with Shareholders and Affiliates.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into, renew or extend any transaction or arrangement (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with (x) any holder (or any Affiliate of such holder) of 10% or more of any class of Capital Stock of the Company or (y) any Affiliate of the Company (each an “**Affiliate Transaction**”), unless:

(i) the Affiliate Transaction is on fair and reasonable terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable arm’s length transaction by the Company or the relevant Restricted Subsidiary with a Person that is not an Affiliate of the Company; and

(ii) the Company delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US\$10.0 million (or the Dollar Equivalent thereof), a Board Resolution set forth in an Officers’ Certificate certifying that such Affiliate Transaction complies with this Section 4.14 and such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US\$20.0 million (or the Dollar Equivalent thereof), in addition to the Board Resolution required in clause (ii)(A) above, an opinion as to the fairness to the Company or the relevant Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of recognized international standing.

(b) The limitation set forth in Section 4.14(a) above does not limit and shall not apply to:

(v) the payment of compensation to officers and directors of the Company or any Restricted Subsidiary pursuant to an employee stock or share option scheme, so long as such scheme is in compliance with the listing rules of The Stock Exchange of Hong Kong Limited, which as of the Original Issue Date require a majority shareholder approval of any such scheme;

(vi) any transaction between (A) the Company or any Restricted Subsidiary and (B) any entity in the Restructuring Group entered into in connection with the Restructuring, including, without limitation, transactions entered into for purposes of any reorganization in connection with any Qualified IPO of the Restructuring Group and the entry into, and the performance thereof, of any underwriting agreement or other transaction documents in connection with the Restructuring;

(vii) any transaction between (A) the Company or any Restricted Subsidiary and (B) any entity in the Restructuring Group entered into in the ordinary course of business, on fair and reasonable terms and disclosed in the offering document issued in connection with the Restructuring, or any amendment or modification or extension or replacement thereof, so long as such amendment, modification or replacement is not more disadvantageous to the Company and its Restricted Subsidiaries than the original transaction described in the offering document issued in connection with the Restructuring and in compliance with the rules of the relevant Qualifying Exchange;

(viii) any purchase of Capital Stock of the type specified in clause (vi) or (vii) of Section 4.06(b) or the purchase of Capital Stock of a Restricted Subsidiary pursuant to a Staged Acquisition Agreement;

(ix) any repurchase, redemption or other acquisition or retirement for value of any Capital Stock of the Company or any Restricted Subsidiary pursuant to clause (viii) of Section 4.06(b);

(x) any Affiliate Transaction that is conducted in accordance with the relevant rules and regulations of The Stock Exchange of Hong Kong Limited, for as long as the Capital Stock of the Company remains listed on The Stock Exchange of Hong Kong Limited; or

(xi) any transaction for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as required by PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures, or otherwise required or requested by the PRC government as part of their rescue measures for stressed property developers, *provided* that the Company shall deliver a notice to the Trustee within 5 Business Days after any transaction has occurred pursuant to this clause (xi), summarizing (i) the value of such transaction, (ii) the identity of party involved in the transaction and (iii) a description of the nature of the transaction, to the extent (x) the Company has received notice from relevant PRC government bodies or otherwise has actual knowledge thereof and (y) not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

In addition, the requirements of clause (ii) of Section 4.14(a) shall not apply to (A) Investments (other than Permitted Investments) not prohibited by Section 4.06, (B) Investments in any Person made under clause (16) of the definition of “Permitted Investment,” *provided* that such Investment is on a pro rata basis (or on a basis no less favorable to the Company than on a pro rata basis) to the interest the Company or any of its Restricted Subsidiary has in such entity as compared to the other shareholders or partners of such entity, (C) transactions pursuant to agreements in effect on the Original Issue Date, or any amendment or modification or replacement thereof, so long as such amendment, modification or replacement is not more disadvantageous to the Company and its Restricted Subsidiaries than the original agreement in effect on the Original Issue Date, and (D) any transaction between or among the Company, any Wholly Owned

Restricted Subsidiary and any Restricted Subsidiary that is not a Wholly Owned Restricted Subsidiary or between or among the Company or a Restricted Subsidiary on the one hand and a Minority Joint Venture or an Unrestricted Subsidiary on the other hand; *provided* that in the case of clause (D), (1) such transaction is entered into in the ordinary course of business and (2) none of the shareholders or partners (other than the Company or any Restricted Subsidiary) of or in such Minority Joint Venture, Unrestricted Subsidiary or Restricted Subsidiary that is not a Wholly Owned Restricted Subsidiary is a Person described in clauses (x) or (y) of Section 4.14(a) (other than by reason of such shareholder or partner being an officer or director of such Restricted Subsidiary, Minority Joint Venture or Unrestricted Subsidiary, as the case may be).

Section 4.15. *[Reserved]*.

Section 4.16. *Use of Proceeds*. The Company will not, and will not permit any Restricted Subsidiary to, use the net proceeds from the sale of any Additional Notes, in any amount, for any purpose other than (i) in the approximate amounts and for the purposes specified, including any adjustment in response to changes in acquisition or development plans as contemplated, under the caption “Use of Proceeds” in the offering document relating to the sale of such Additional Notes; and (ii) pending the application of all of such net proceeds in such manner, to invest the portion of such net proceeds not yet so applied in Temporary Cash Investment.

Section 4.17. *Designation of Restricted and Unrestricted Subsidiaries*.

(a) The Board of Directors may designate any Restricted Subsidiary to be an Unrestricted Subsidiary; *provided* that:

(i) no Default shall have occurred and be continuing at the time of or after giving effect to such designation;

(ii) neither the Company nor any Restricted Subsidiary provides credit support for the Indebtedness of such Restricted Subsidiary;

(iii) such Restricted Subsidiary has no outstanding Indebtedness that could trigger a cross-default to the Indebtedness of the Company;

(iv) such Restricted Subsidiary does not own any Disqualified Stock of the Company or Disqualified or Preferred Stock of another Restricted Subsidiary or hold any Indebtedness of, or any Lien on any property of, the Company or any Restricted Subsidiary, if such Disqualified or Preferred Stock or Indebtedness could not be Incurred under Section 4.05 or such Lien would violate Section 4.07;

(v) such Restricted Subsidiary does not own any Voting Stock of another Restricted Subsidiary, and all of its Subsidiaries are Unrestricted Subsidiaries or are being concurrently designated to be Unrestricted Subsidiaries in accordance with this Section 4.17; and

(vi) the Investment deemed to have been made thereby in such newly-designated Unrestricted Subsidiary and each other newly-designated Unrestricted Subsidiary being concurrently redesignated would be permitted to be made under Section 4.06.

(b) The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that:

(i) no Default shall have occurred and be continuing at the time of or after giving effect to such designation;

(c) Any designation by the Board of Directors of a Subsidiary as a Restricted Subsidiary or Unrestricted Subsidiary will be evidenced to the Trustee by promptly filing with the Trustee a copy of the Board Resolution giving effect to the designation and an Officers' Certificate certifying that the designation complied with the foregoing provisions.

Section 4.18. *Anti-Layering.* The Company will not Incur, and will not permit any Subsidiary Guarantor to Incur, any Indebtedness if such Indebtedness is contractually subordinated in right of payment to any other Indebtedness of the Company or such Subsidiary Guarantor, as the case may be, unless such Indebtedness is also contractually subordinated in right of payment to the Notes or the applicable Subsidiary Guarantee, on substantially identical terms. This does not apply to distinctions between categories of Indebtedness that exist by reason of any Liens or Guarantees securing or in favor of some but not all of such Indebtedness.

(g) an involuntary case or other proceeding is commenced against the Company or any Significant Restricted Subsidiary with respect to it or its debts under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect seeking the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company or any Significant Restricted Subsidiary or for any substantial part of the property and assets of the Company or any Significant Restricted Subsidiary and such involuntary case or other proceeding remains undismissed and unstayed for a period of 60 consecutive days; or an order for relief is entered against the Company or any Significant Restricted Subsidiary under any applicable bankruptcy, insolvency or other similar law as now or hereafter in effect, *provided, however*, that this Section 6.01(g) shall not apply to any of the Restricted Subsidiaries incorporated in the PRC (except, in the case of a Restricted Subsidiary which is a Specified Onshore Subsidiary, when a competent PRC court has made a ruling or an order to commence the bankruptcy proceedings in respect of that Specified Onshore Subsidiary (法院裁定受理进入破产程序));

any Restricted Subsidiary on a pro rata basis or on a basis more favorable to the Company), *provided, however*, that this Section 6.01(h) shall not apply to any of the Restricted Subsidiaries incorporated in the PRC (except, in respect of a Specified Onshore Subsidiary, when a competent PRC court has made a ruling or an order to commence the bankruptcy proceedings in respect of that Specified Onshore Subsidiary (法院裁定受理进入破产程序), including a voluntary case commenced under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect in respect of that Specified Onshore Subsidiary);

(i) any Subsidiary Guarantor denies or disaffirms its obligations under its Subsidiary Guarantee of the Notes or, except as permitted by this Indenture, any Subsidiary Guarantee of the Notes is determined to be unenforceable or invalid or shall for any reason cease to be in full force and effect;

(j) any default by the Company, any Subsidiary Guarantor or any other Chargor in the performance of any of its obligations under the Intercreditor Agreement, the Security Documents or this Indenture, which adversely affects the enforceability, validity, perfection or priority of the applicable Lien on the Collateral or which adversely affects the condition or value of the Collateral, taken as a whole, in any material respect; or

(k) the Company or any other Chargor denies or disaffirms its obligations under the Intercreditor Agreement or any Security Document or, other than in accordance with this Indenture, the Intercreditor Agreement and the Security Documents, any Security Document ceases to be or is not in full force and effect or the Trustee ceases to have a security interest in the Collateral (subject to Permitted Liens).

Section 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(g) or 6.01(h)) occurs and is continuing under this Indenture with respect to any Notes, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the Trustee if such notice is given by the Holders) may, and the Trustee at the request of such Holders (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) shall, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If (i) an Event of Default specified in Section 6.01(g) or 6.01(h) occurs with respect to the Company or any Significant Restricted Subsidiary or (ii) the Short Term Loan has been declared to be due and payable prior to its Stated Maturity in accordance with the facility agreement governing the Short Term Loan, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder, *provided, however*, that in the case of (ii), Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes may rescind and annul any acceleration of the Notes as a result of an acceleration of the Short Term Loan in accordance with Section 9.02. The Company shall notify the Trustee as soon as reasonably practicable in writing in the event that the Short Term Loan has been declared to be due and payable prior to its Stated Maturity in accordance with the facility agreement governing the Short Term Loan. The Trustee may rely conclusively on any such notification provided by the Company.

Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may, and shall, upon the written request of Holders of at least 25% in aggregate principal amount of outstanding Notes, (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) foreclose on the Collateral in accordance with the terms of the Security Documents and take such further action on behalf of the Holders of the Notes with respect to the Collateral as the Trustee deems appropriate.

Section 6.04. Waiver of Past Defaults. Except as otherwise provided in Section 6.02, the Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee may on behalf of all the Holders of Notes waive all past Defaults and rescind and annul a declaration of acceleration and its consequences if: (a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived, and (b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon such waiver, the Default will cease to exist, and any Event

of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05. *Control by Majority.* The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction in advance of the proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes.

Section 6.06. *Limitation on Suits.* A Holder may not institute any proceeding, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture or the Notes unless:

- (a) the Holder has previously given the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder or Holders provide the Trustee indemnity and/or security and/or prefunding satisfactory to the Trustee against any costs, liability or expense, to be incurred in compliance with such written request;
- (d) the Trustee does not comply with the request within 60 days after receipt of the written request and the offer of indemnity and/or security and/or prefunding satisfactory to it referred to in (b) and (c) above; and
- (e) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. *Rights of Holders to Receive Payment.* The right of any Holder to receive payment of the principal of, premium, if any, or interest on, such Note, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, shall not be impaired or affected without the consent of Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes.

Section 6.08. *Compliance Certificate.* The Company will submit an Officers' Certificate to the Trustee, in substantially the form attached hereto as Exhibit F, on or before a date not more than 120 days after the end of each fiscal year ending after the Original Issue Date, stating (i) a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under this Indenture and that the Company has fulfilled all obligations hereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof and (ii) if there is any Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness or any transaction subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) that is incurred for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as requested or required by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measure, during the period under review and to the extent the Company has received notice from relevant PRC government bodies or in accordance with applicable PRC laws, rules, regulations, government policies or measures with respect to such Asset Sale, Permitted Investment, Permitted Lien, Permitted Indebtedness or transaction subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) or otherwise has actual knowledge thereof, provide a brief description thereof, including value or parties

involved, to the extent not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

Section 6.09. Collection Suit By Trustee. If an Event of Default in payment specified in Section 6.01(a) or Section 6.01(b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount remaining unpaid, together with interest on overdue principal or premium and, to the extent lawful, overdue installments of interest, in each case at the rate specified in the Notes, and such further amount as is sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

Section 6.10. Trustee May File Proofs of Claim. The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the Holders allowed in any judicial proceedings relating to the Company or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Notes or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Indenture will be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.11. Priorities.

(a) At any time during which the Intercreditor Agreement is in force, the Trustee agrees that any money collected upon enforcement of the Collateral shall be distributed in accordance with the Intercreditor Agreement.

(b) Any money collected by the Trustee other than upon enforcement of Collateral or at any time during which the Intercreditor Agreement is not in force shall be paid out in the following order:

First, to the Trustee to the extent necessary to reimburse the Trustee for any expenses incurred in connection with the collection or distribution of such amounts held or realized or in connection with expenses incurred in enforcing its remedies under the Security Documents and preserving the Collateral and all amounts for which the Trustee is entitled to indemnification under the Security Documents;

Second, to each of the Agents to the extent necessary to reimburse each of the Agents for any unpaid fees and amounts due to any of the Agents and any expenses incurred by such Agents in connection with the performance of its obligations under this Indenture and all amounts for which each of the Agents is entitled to indemnification under this Indenture;

Third, to the Trustee for the benefit of Holders; and

Fourth, any surplus remaining after such payments will be paid to the Chargors or to whomever may be lawfully entitled thereto.

The Trustee, upon written notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Section 6.11.

Section 6.12. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted a proceeding to enforce any right or remedy under this Indenture and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the Holder, then, subject to any determination in the proceeding, the Company, any Subsidiary Guarantors, the Trustee and the Holders will be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Company, any Subsidiary Guarantors, the Trustee and the Holders will continue as though no such proceeding had been instituted.

Section 6.13. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.13 does not apply to a suit by a Holder to enforce payment of principal of, premium on or interest on any Note on the respective due dates, or a suit by Holders of more than 10% in principal amount of the outstanding Notes.

Section 6.14. *Rights and Remedies Cumulative.* No right or remedy conferred or reserved to the Trustee or to the Holders under this Indenture is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or exercise of any other right or remedy.

Section 6.15. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.16. *Waiver of Stay, Extension or Usury Laws.* Each of the Company and the Subsidiary Guarantors covenants, to the extent that it may lawfully do so, that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company or such Subsidiary Guarantor, from paying all or any portion of the principal of, or premium or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture. Each of the Company and the Subsidiary Guarantors hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7 THE TRUSTEE

Section 7.01. *General.* (a) The duties and responsibilities of the Trustee are as set forth herein. Whether or not expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to this Article.

(b) Except during the continuance of an Event of Default, the Trustee needs to perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee. In case an Event of Default has occurred and is continuing and the Trustee has received written notice thereof pursuant to Section 7.05, the Trustee shall exercise those rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. During the continuance of an Event of Default, the Trustee shall act upon the written

direction of the Holders of at least 25% of the aggregate principal amount then outstanding, subject to its receiving indemnity and/or security to its satisfaction.

(c) Should the Trustee become a creditor of the Company or any of the Subsidiary Guarantors, the rights of the Trustee to obtain payment of claims in certain cases or to realize on certain property received by the Trustee in respect of any such claims as security or otherwise will be limited. The Trustee is permitted to engage in other transactions, including normal banking and trustee relationships, with the Company and its Affiliates; *provided, however*, that if any direct conflict of interest arises between the Trustee and the Company or any of the Subsidiary Guarantors, the Trustee hereby agrees to eliminate such conflict or resign.

(d) None of the Trustee and Agents nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral securing the Notes, for the legality, enforceability, effectiveness sufficiency of the Security Documents, for the creation, perfection, maintenance, priority, sufficiency or protection of any of the Liens created pursuant to the Security Documents, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or Security Documents or any delay in doing so, except as a result of the Agent's own fraud, gross negligence or willful misconduct.

(e) Neither the Trustee nor the Collateral Agent will be under any obligation to exercise any rights or powers conferred under this Indenture or any of the Security Documents for the benefit of the Holders, unless such Holders have provided to the Trustee and/or the Collateral Agent indemnity and/or security satisfactory to the Trustee and/or the Collateral Agent against any loss, liability or expense that might be incurred by it in compliance with such direction. The Trustee shall not be liable to any person for having acted on instruction or direction provided to it by Holders with respect to the Indenture and the Notes.

(f) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own fraud, grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that (i) this paragraph does not limit the effect of paragraph (a) of this Section 7.1, (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertaining facts, and (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith (i) in accordance with a direction received by it pursuant to Section 6.02 or 6.05 or (ii) if such action or omission may, in the Trustee's opinion following advice in writing by legal counsel of international repute, be contrary to any law of any jurisdiction or any directive or regulation of any agency of any jurisdiction.

(g) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible to any Person for failing to request, require or receive any account statement pursuant to any Security Document or for failing to check or comment upon the accuracy of such account statements and shall have no responsibility for the contents of any account statement prepared pursuant to any Security Document and, for the avoidance of doubt, it is intended that the Trustee shall not check or comment on any such account statement.

(h) Unless the Trustee receives prior written notice from the Company or the Holders in accordance with the terms of this Indenture, the Trustee shall be entitled to assume, without any further inquiry, that the Company has duly performed all of its obligations in accordance with this Indenture, including each of the exhibits attached hereto.

(i) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible for recitals, statements, warranties or representations of any party contained in this Indenture or any other agreement or other document, including the Security Documents and the Intercreditor Agreement, entered into in connection herewith or therewith and shall assume the accuracy and correctness thereof and shall not be responsible for the execution, legality, effectiveness, adequacy, genuineness, validity or enforceability or admissibility in evidence of any such agreement or other document or any trust or security thereby constituted or evidenced, and the Trustee may accept without enquiry, requisition or objection such title as

the Company may have to the property charged, pledged, mortgaged or assigned pursuant to the Security Documents or the Intercreditor Agreement or any part thereof from time to time and shall not be bound to investigate or make any enquiry into the title of the Company to such property or any part thereof from time to time whether or not any default or failure is or was known to the Trustee or might be, or might have been, discovered upon examination, inquiry or investigation and whether or not capable of remedy.

Notwithstanding the generality of the foregoing, each Holder shall be solely responsible for making its own independent appraisal of, and investigation into, the financial condition, creditworthiness, condition, affairs, status and nature of the Company and any Subsidiary Guarantor, and the Trustee shall not at any time have any responsibility for the same and each Holder shall not rely on the Trustee in respect thereof.

Section 7.02. *Certain Rights of Trustee.* Subject to Section 7.01:

(a) In the absence of bad faith on its part, the Trustee may rely, and will be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in original or electronic form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but, in the case of any document which is specifically required to be furnished to the Trustee pursuant to any provision hereof, the Trustee shall examine the document to determine whether it conforms to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). Neither the Trustee nor the Agents shall be responsible for making calculations or for verifying calculations performed by the Company or any other persons unless otherwise expressly specified in this Indenture. The Trustee, in its sole and absolute discretion, may make further inquiry or investigation into such facts or matters as it sees fit.

Notwithstanding anything else herein contained, each of the Trustee and Agents may refrain without liability from doing anything that would or might in its reasonable opinion be contrary to any law of any state or jurisdiction (including but not limited to the laws of Hong Kong, the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its reasonable opinion, necessary to comply with any such law, directive or regulation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel conforming to Sections 12.03 and 12.04 and the Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by it hereunder. To the extent an agent has been named by the Trustee in connection with this Indenture, the parties hereto shall cooperate to ensure that such agent can perform the duties for which it was appointed. Upon an Event of Default, the Trustee shall be entitled to require all agents to act solely in accordance with its directions.

(d) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have provided to the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expenses that might be incurred by it in compliance with such request or direction.

(e) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers or for any action it takes or omits to take in accordance with the direction of the Holders in accordance with Section 6.02 or 6.05 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(f) The Trustee may consult with counsel or other professional advisors of its selection, and the written advice of such counsel or advisors or any Opinion of Counsel will be full and complete authorization

and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(g) If any Subsidiary Guarantor is substituted to make payments on behalf of the Company pursuant to Article 11, the Company shall promptly notify the Trustee and any clearing house through which the Notes are traded of such substitution and such Subsidiary Guarantor.

(h) Under no circumstances will the Trustee or any Agent be liable to the Company, any Subsidiary Guarantor for any indirect consequential punitive or special damages, even if advised of the possibility of such loss or damage.

(i) The Trustee is entitled to assume without enquiry, that each of the Company and the Subsidiary Guarantors has performed in accordance with all of the provisions in this Indenture, unless notified to the contrary.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate.

(k) In connection with the exercise by it of its trusts, powers, authorities or discretions (including, without limitation, any modification, waiver, authorization or determination), the Trustee shall have regard to the general interests of the Holders as a class but shall not have regard to any interests arising from circumstances particular to individual Holders (whatever their number) and in particular, but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers, authorities or discretions for individual Holders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any country, state or territory and a Holder shall not be entitled to require, nor shall any Holder be entitled to claim, from the Company, the Trustee or any other Person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Holders except to the extent already provided in Section 4.20 and/or any undertaking given in addition to, or in substitution for, Section 4.20 pursuant to this Indenture.

Section 7.03. *Individual Rights of Trustee.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee and nothing herein shall obligate the Trustee to account for any profits earned from any business or transactional relationship. Any Agent may do the same with like rights.

Section 7.04. *Trustee's Disclaimer.* The Trustee (a) makes no representation as to the validity or adequacy of this Indenture, the Notes or the Guarantee of any Subsidiary Guarantor, (b) is not accountable for the Company's use or application of the proceeds from the Notes, is not responsible for any statement in the Notes other than its certificate of authentication and (d) shall not have any responsibility for the Company's or any Holder's compliance with any state or U.S. federal securities law in connection with the Notes.

Section 7.05. *Notice of Default.* If any Default occurs and is continuing and is known to the Trustee, the Trustee will send notice of the Default to each Holder within 30 days after it occurs, or, if later, within 15 days after it is known to the Trustee unless the Default has been cured; *provided* that, except in each case of (a) a default in the payment of the principal of or premium or interest on any Note, (b) a default in the performance of, or a breach under any agreement of, the Undertakings by Gemfair Investments Limited or Shiyang Finance Limited or (c) a Monitoring Agent Report is not issued and delivered to the Trustee in accordance with Section 4.26(b)(iii), the Trustee may withhold the notice if and so long as the board of directors, the executive committee or a trust committee of the Trustee in good faith determines that withholding the notice is in the interest of the Holders. The Trustee shall not be deemed to have knowledge of a Default or Event of Default unless and until a Responsible Officer obtains actual knowledge of such Default or Event of Default through written notification from the Company, Gemfair Investments Limited or Shiyang

Finance Limited or as otherwise contemplated herein describing the circumstances of such, and identifying the circumstances constituting such Default or Event of Default.

Section 7.06. *Compensation and Indemnity.* (a) The Company and/or the Subsidiary Guarantors agree to be jointly and severally responsible for and will pay the Trustee compensation as agreed upon in writing for its services. The compensation of the Trustee is not limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances (including costs of collection) incurred or made by the Trustee, including the reasonable compensation, expenses and disbursements of the Trustee's agents and counsel and other Persons not regularly within its employ.

(b) Each of the Company and the Subsidiary Guarantors agrees to be jointly and severally responsible for and will indemnify the Trustee or any predecessor Trustee and their agents, employees, officers and directors for, and hold it harmless against, any loss or liability or expense incurred by it without negligence or willful misconduct on its part arising out of or in connection with the acceptance or administration of this Indenture and its duties under this Indenture, the Notes and the Subsidiary Guarantees, including (i) the costs and expenses of defending itself against any claim or liability and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under this Indenture and the Notes and (ii) the compensation, expenses and disbursements of the Trustee's agents and counsel and other Persons not regularly within the Trustee's employ.

(c) To secure the Company's payment obligations in this Section 7.06, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, and interest on particular Notes.

(d) When the Trustee incurs expenses or renders services pursuant to the Indenture after the occurrence of an Event of Default specified in clauses (g) or (h) of Section 6.01 with respect to the Company or Subsidiary Guarantor, the expenses are intended to constitute expenses of administration under the United States Bankruptcy Code (Title 11 of the United States Code) or any other similar law for the relief of debtors.

(e) This Section 7.06 shall survive the redemption or maturity of the Notes, the termination of this Indenture, and the termination of the appointment of the Trustee.

Section 7.07. *Replacement of Trustee.* (a) (i) The Trustee may resign at any time by written notice to the Company.

(ii) The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by written notice to the Trustee.

(iii) The Company may remove the Trustee if: (A) the Trustee is adjudged a bankrupt or insolvent; (B) a receiver or other public officer takes charge of the Trustee or its property; or (C) the Trustee becomes incapable of acting.

A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) If the Trustee has been removed by the Holders, then the Holders of a majority in principal amount of the Notes may appoint a successor Trustee with the consent of the Company. Otherwise, if the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. If the successor Trustee does not deliver its written acceptance within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the expense of the Company), the Company or the Holders of a majority in the aggregate principal amount of the outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) Upon delivery by the successor Trustee of a written acceptance of its appointment to the retiring Trustee and to the Company, (i) the retiring Trustee will transfer all property and documents held by it

as Trustee to the successor Trustee, subject to the lien provided for in Section 7.06, (ii) the resignation or removal of the retiring Trustee will become effective, and (iii) the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. Upon request of any successor Trustee, the Company will execute any and all instruments for fully vesting in and confirming to the successor Trustee all such rights, powers and trusts. The Company will give notice of any resignation and any removal of the Trustee and each appointment of a successor Trustee to all Holders, and include in the notice the name of the successor Trustee and the address of its Corporate Trust Office.

(d) Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 will continue for the benefit of the retiring Trustee.

Section 7.08. *Successor Trustee by Consolidation, Merger, Conversion or Transfer.* If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business or assets (including the administration of the trust created by this Indenture) to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act will be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee in this Indenture.

Section 7.09. *Money Held In Trust.* The Trustee will not be liable for interest on any money received by it except as it may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law and except for money held in trust under Article 8.

Section 7.10. *Confidentiality.* Each of the Trustee and Agents will treat information relating to the Company and to the Subsidiary Guarantors as confidential, but (unless consent is prohibited by law) the Company and the Subsidiary Guarantors consent to the transfer and disclosure by the Trustee and Agents of any information relating to the Company and the Subsidiary Guarantors to and between branches, subsidiaries, representative offices, affiliates and agencies of the Trustee and Agents and third parties selected by any of them, wherever situated, for internal use only (including in connection with the provision of any service and for data processing, statistical and risk analysis purposes). The Trustee and Agents and any branch, subsidiary, representative office, affiliate, agent or third party may transfer and disclose any such information if and only to the extent required by any law, court regulator or legal process.

ARTICLE 8

SATISFACTION AND DISCHARGE

Section 8.01. *Satisfaction and Discharge of Indenture.* (a) This Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when;

(i) Either:

(A) all of the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust by the Company and thereafter repaid to the Company) have been delivered to the Paying Agent for cancellation; or

(B) all Notes not theretofore delivered to the Paying Agent for cancellation have become due and payable pursuant to an optional redemption notice or otherwise or will become due and payable within one year, and the Company has irrevocably deposited or caused to be deposited with the Paying Agent funds, in cash in U.S. dollars, non-callable U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Paying Agent for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable written instructions from the Company directing the

Trustee or the Paying Agent to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(ii) the Company or any Subsidiary Guarantor has paid all other sums payable under this Indenture; and

(iii) such deposit will not result in a breach or violation of, or constitute a default under, any instruments to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound (other than this Indenture, the Notes or any Security Document).

In addition, the Company must deliver to the Trustee an Officers' Certificate stating that all conditions precedent to satisfaction and discharge have been satisfied.

Section 8.02. *Application of Trust Money.* Subject to Section 8.03, the Trustee will hold in trust the money or U.S. Government Obligations deposited with it pursuant to Section 8.01, and apply the deposited money and the proceeds from deposited U.S. Government Obligations to the payment of principal of and premium or interest on the Notes in accordance with the Notes and this Indenture. Such money and U.S. Government Obligations will be segregated from other funds.

Section 8.03. *Repayment to Company.* Subject to Sections 7.06 and 8.01, the Trustee will promptly pay to the Company upon written request by the Company in the form of an Officers' Certificate any excess money held by the Trustee at any time and thereupon be relieved from all liability with respect to such money. The Trustee will pay to the Company upon written request by the Company in the form of an Officers' Certificate any money held for payment with respect to the Notes that remains unclaimed for two years, *provided* that before making such payment the Trustee may at the expense of the Company publish once in a newspaper of general circulation in New York City, or send to each Holder entitled to such money, notice that the money remains unclaimed and that after a date specified in the notice (at least 30 days after the date of the publication or notice) any remaining unclaimed balance of money will be repaid to the Company. After payment to the Company, Holders entitled to such money must look solely to the Company for payment, unless applicable law designates another Person, and all liability of the Trustee with respect to such money will cease.

Section 8.04. *Reinstatement.* If and for so long as the Trustee is unable to apply any money or U.S. Government Obligations held in trust pursuant to Section 8.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes will be reinstated as though no such deposit in trust had been made. If the Company makes any payment of principal of, premium or interest on any Notes because of the reinstatement of its obligations, it will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held in trust.

ARTICLE 9

Section 9.02. *Amendments with Consent of Holders.* (a) Except as provided below, amendments of this Indenture, the Intercreditor Agreement and the Security Documents may be made by the Company, the Subsidiary Guarantors and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes, and the Holders of a majority in principal amount of the outstanding Notes may waive future compliance by the Company with any provision of this Indenture or the Notes; *provided* that, no such modification, amendment or waiver may, without the consent of Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes at the time of such consent:

(b) It is not necessary for Holders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof.

(c) An amendment, supplement or waiver under this Section 9.02 will become effective on receipt by the Trustee of written consents from the Holders of the requisite percentage in principal amount of the outstanding Notes. After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Company will send supplemental indentures to Holders upon request. Any failure

of the Company to send such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

Section 9.03. *Limitation on Certain Amendments.* (a) Notwithstanding anything to the contrary in Section 9.02 above, unless the Stated Maturity or interest rate of the Short Term Loan or the provision of the Short Term Loan corresponding to clause (iii) of this Section 9.03(a) is correspondingly amended, no amendment of this Indenture may be made by the Company, the Subsidiary Guarantors or the Trustee to:

The Trustee may rely conclusively on any such notification provided by the Company.

Section 9.04. *Effect of Consent.* (a) After an amendment, supplement or waiver becomes effective, it will bind every Holder unless it is of the type requiring the consent of each Holder affected. If the amendment, supplement or waiver is of the type requiring the consent of each Holder affected, the amendment, supplement or waiver will bind each Holder that has consented to it and every subsequent Holder of a Note that evidences the same debt as the Note of the consenting Holder.

(b) If an amendment, supplement or waiver changes the terms of a Note, the Trustee may require the Holder to deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Note and return it to the Holder, or exchange it for a new Note that reflects the changed terms. The Trustee may also place an appropriate notation on any Note thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Notes in this fashion.

Section 9.05. *Trustee's and Agent's Rights and Obligations.* Each of the Trustee and the Agents is entitled to receive, and will be fully protected in relying upon, an Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article is authorized or permitted by this Indenture and that such amendment, supplement or waiver constitutes the legal, valid and binding obligations of the party or parties executing such amendment, supplement or waiver, and an Officers' Certificate stating that all conditions precedent have been complied with. If the Trustee or the Agents, as the case may be, has received such an Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights of the Trustee or the Agents, as the case may be. ARTICLE 10

Section 10.01. *Security to be Granted.* (a) The Company will, for the benefit of the Holders, pledge, or cause each other Chargor to pledge, in favor of the Collateral Agent, the Collateral (subject to Permitted Liens) on the Original Issue Date in order to secure the obligations of the Company under the Notes and this Indenture and of each Subsidiary Guarantor under its Subsidiary Guarantee.

(i) execute one or more Security Documents granting to the Collateral Agent, for the benefit of the Holders, Liens on the relevant Collateral (subject to any Permitted Liens);

(iii) deliver to the Trustee and the Collateral Agent on the Original Issue Date an Officers' Certificate stating that entry into the Security Documents has been duly and validly authorized and that (A) such action has been taken with respect to the recording, registering and filing of or with respect to this Indenture and the Security Documents and all other instruments of further assurance as is necessary to make effective the Lien (subject to Permitted Liens) created by the Security Documents in the Collateral referenced in this clause (b) and referencing the details of such action; or (B) no such action is necessary to make such Lien (subject to Permitted Liens) effective.

(c) Notwithstanding anything to the foregoing, the Company's obligation to create any Liens on any asset relating to any Specified Offshore Assets which are subject to Liens in favor of relevant Project Lender as of the Original Issue Date shall be subject to compliance with applicable laws, rules, regulations, policies or measures and receipt of all relevant regulatory, judicial and/or governmental approvals and subject to the Priority Deeds. Failure to create Liens due to the reasons set forth in the preceding sentence shall not constitute a breach of or result in a Default under the obligations set forth in clauses (a) and (b) of Section 10.01.

(d) So long as no Payment Default has occurred and is continuing, and subject to the terms of the Security Documents, the Intercreditor Agreement and this Indenture, the Chargors will be entitled to exercise any and all voting rights and to receive, retain and use any and all cash dividends, stock dividends, liquidating dividends, non-cash dividends, shares or stock resulting from stock splits or reclassifications, rights issues, warrants, options and other distributions (whether similar or dissimilar to the foregoing) in respect of Capital Stock constituting Collateral.

(e) Each Holder, by its acceptance thereof, consents and agrees to the terms of the Intercreditor Agreement and the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Trustee and the Collateral Agent to perform their respective obligations and exercise their respective rights thereunder in accordance therewith.

(f) The Trustee and each Holder, by accepting the Notes and the Subsidiary Guarantees, acknowledges that the Collateral as now or hereafter constituted shall be held for the benefit of all the Holders under the Intercreditor Agreement and the Security Documents, and that the Lien of this Indenture, the Intercreditor Agreement and the Security Documents in respect of the Trustee and the Holders is subject to and qualified and limited in all respects by the Security Documents and actions that may be taken thereunder.

(g) Notwithstanding (i) anything to the contrary contained in this Indenture, the Intercreditor Agreement, the Security Documents, the Notes or any other instrument governing, evidencing or relating to any Indebtedness, (ii) the time, order or method of attachment of any Liens, (iii) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Lien upon any Collateral, (iv) the time of taking possession or control over any Collateral or (v) the rules for determining priority under the Uniform Commercial Code or any other law of any relevant jurisdiction governing relative priorities of secured creditors, the Chargors will ensure that:

(A) the Liens granted pursuant to the Security Documents will rank at least equally and ratably with all other valid, enforceable and perfected Liens, whenever granted upon any present or future Collateral, but only to the extent such other Liens are permitted

under this Indenture to exist and to rank equally and ratably with the Notes and the Subsidiary Guarantees; and

(B) all proceeds of the Collateral applied under the Security Documents shall be allocated and distributed as set forth in Section 6.11.

Section 10.02. *Certificates of the Company*. On or before a date not more than 120 days after the end of each fiscal year, as required by Section 6.08 hereof, the Company shall furnish to the Trustee a Compliance Certificate in the form of Exhibit F hereto.

Section 10.03. *Authorization of Actions to be Taken by the Trustee Under the Security Documents*.

(a) The Trustee shall be the representative on behalf of the Holders of the Notes and shall act upon the written direction of the Holders of the Notes with regard to all voting, consent and other rights granted to the Holders of the Notes under the Intercreditor Agreement and the Security Documents.

(b) Subject to the terms of the Intercreditor Agreement and the Security Documents, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding may, or the Trustee at the request of such Holders shall, instruct the Collateral Agent to take all actions it or they deem(s) necessary or appropriate in order to (A) enforce any of its rights or any of the rights of the Holders of the Notes under the Intercreditor Agreement and the Security Documents and (B) receive any and all amounts payable from the Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

(c) Subject to the terms of the Intercreditor Agreement and the Security Documents and Section 7.02(d), the Trustee shall have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interest and the interests of the Holders of the Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of the Notes or the Trustee). The Trustee is hereby irrevocably authorized by each Holder of the Notes to effect any release of Liens or Collateral contemplated by Section 10.05 hereof or by the terms of the Security Documents. The Trustee shall not be deemed to have knowledge of any acts that may be unlawful or in violation of the Security Documents or this Indenture unless and until a Responsible Officer obtains actual knowledge of such unlawful acts or violation through written notification describing the circumstances of such, and identifying the circumstances constituting such unlawful acts or violation.

(d) The Trustee will not be responsible for the adequacy of the Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

Section 10.04. *Authorization of Receipt of Funds by the Trustee Under the Security Documents*. The Trustee is authorized to receive and distribute any funds for the benefit of the Holders of the Notes under the Security Documents, and to make further distributions of such funds to the Holders of the Notes according to the provisions of this Indenture, the Intercreditor Agreement and the Security Documents.

Section 10.05. *Release of Security*. (a) Subject to the terms of the Intercreditor Agreement and the relevant Security Documents, the security created in respect of the Collateral granted under the Security Documents may only be released in certain circumstances, including:

- (i) upon repayment in full of the Notes;
- (ii) upon defeasance and discharge of the Notes as provided under Section 8.01;
- (iii) upon certain dispositions of the Collateral in compliance with this Indenture;

(iv) with respect to the security created in respect of the Designated Account (Proceeds), upon disposition of all Specified Asset and application of all amount deposited into the Designated Account (Proceeds) in accordance with this Indenture and the Intercreditor Agreement;

(v) with respect to the Specified SSSL Shares that are subject to the SSSL Share Pledge, to the extent any relevant Net SSSL Proceeds are deposited and applied in accordance with Section 4.23 and Section 4.24; and

(vi) with respect to the security over the Collateral pledged to secure the Notes or the Subsidiary Guarantees, upon repayment of all amounts payable under the Notes and this Indenture.

(b) Upon written request of the Company or any Subsidiary Guarantor, in connection with any sale, lease, sale and leaseback, assignment, conveyance, transfer or other disposition of assets or property permitted by this Indenture (including, without limitation, Section 4.09, 4.13 or 5.01 hereof), the Trustee shall (without notice to, or vote or consent of, any Holder) take such actions as shall be required to release its security interest in any Collateral being disposed in such disposition, to the extent necessary to permit consummation of such disposition in accordance with this Indenture, the Intercreditor Agreement and the Security Documents and the Trustee shall receive full payment therefor from the Company for any costs incurred thereby; *provided* that the Company or the other Chargor delivers to the Trustee on or prior to such proposed release of Collateral an Officers' Certificate certifying and an Opinion of Counsel stating that the release of any such security interest is permitted under the terms of this Indenture and the relevant Security Documents and that the conditions precedent to any such release have been fulfilled.

ARTICLE 11 SUBSIDIARY GUARANTEES

Section 11.01. *The Subsidiary Guarantees*. Subject to the provisions of this Article 11, each of the Subsidiary Guarantors (whether originally a signatory hereto or added pursuant to a supplemental indenture) hereby, jointly and severally, Guarantees as principal obligor to each Holder authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and this Indenture.

Section 11.02. *Guarantee Unconditional*. The obligations of each Subsidiary Guarantor hereunder will be enforceable irrespective of any invalidity, irregularity or unenforceability of the Notes or this Indenture, are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by:

(a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under this Indenture or any Note, by operation of law or otherwise;

(b) any modification or amendment of or supplement to this Indenture or any Note;

(c) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in this Indenture or any Note;

(d) the existence of any claim, set off or other rights which that Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with this Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;

(e) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of this Indenture or any Note; or

(f) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor's obligations hereunder.

Section 11.03. *Discharge; Reinstatement.* Each Subsidiary Guarantor's obligations hereunder will remain in full force and effect until the principal of, premium, if any, and interest on the Notes and all other amounts payable by the Company under this Indenture have been paid in full. If at any time any payment of the principal of, premium, if any, or interest on any Note or any other amount payable by the Company under this Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, each Subsidiary Guarantor's obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time. All payments under the Subsidiary Guarantees will be made in U.S. dollars.

Section 11.04. *Waiver by Each Subsidiary Guarantor.* Each Subsidiary Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Company or any other Person. In particular, each Subsidiary Guarantor irrevocably waives its right to require the Trustee to pursue or exhaust the Trustee's legal or equitable remedies against the Company prior to exercising the Trustee's rights under its Subsidiary Guarantee.

Section 11.05. *Subrogation and Contribution.* Upon making any payment with respect to any obligation of the Company under this Article or the Subsidiary Guarantor making such payment will be subrogated to the rights of the payee against the Company with respect to such obligation; *provided* that the Subsidiary Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Subsidiary Guarantor, with respect to such payment so long as any amount payable by the Company hereunder or under the Notes remains unpaid.

Section 11.06. *Stay of Acceleration.* If acceleration of the time for payment of any amount payable by the Company under this Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of this Indenture are nonetheless payable by the Subsidiary Guarantors hereunder forthwith on demand by the Trustee or the Holders.

Section 11.07. *Limitation on Amount of Subsidiary Guarantee.* Notwithstanding anything to the contrary in this Article, each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent conveyance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable law of any other jurisdiction. To effectuate that intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee are limited in an amount not to exceed the maximum amount that can be guaranteed by the applicable Subsidiary Guarantor without rendering the Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 11.08. *Ranking of Subsidiary Guarantees.*

The Subsidiary Guarantee of each Subsidiary Guarantor:

- (a) is a general obligation of such Subsidiary Guarantor;
- (b) is senior in right of payment to all future obligations of such Subsidiary Guarantor expressly subordinated in right of payment to such Subsidiary Guarantee;

(c) ranks and will rank at least *pari passu* in right of payment with all other unsecured, unsubordinated Indebtedness of such Subsidiary Guarantor (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); and

(d) is effectively subordinated to secured obligations of such Subsidiary Guarantor, to the extent of the value of the assets serving as security therefor (other than the Collateral).

Section 11.09. *Execution and Delivery of Subsidiary Guarantees* . The execution by each Subsidiary Guarantor of this Indenture (or by each Subsidiary Guarantor of a supplemental indenture in the form of Exhibit F) evidences the Subsidiary Guarantee of such Subsidiary Guarantor, whether or not the person signing as an officer of the Subsidiary Guarantor still holds that office at the time of authentication of any Note. The delivery of any Note by the Trustee after authentication constitutes due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of each Subsidiary Guarantor.

Section 11.10. *Release of the Subsidiary Guarantees* .(a) A Subsidiary Guarantee given by a Subsidiary Guarantor will be released:

- (i) upon repayment in full of the Notes;
- (ii) upon a defeasance as provided in Section 8.01;
- (iii) upon the designation by the Company of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of this Indenture; or
- (iv) upon the sale, disposition or merger of a Subsidiary Guarantor in compliance with the terms of this Indenture (including Sections Section 4.09, 4.13 and 5.01) resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (A) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Company's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (B) the proceeds from such sale, disposition or merger are used for the purposes permitted or required by this Indenture.

(b) No release and discharge of the Subsidiary Guarantee will be effective against the Trustee, any Agent or the Holders of Notes (i) if a Default or Event of Default shall have occurred and be continuing under this Indenture as of the time of such proposed release and discharge until such time as such Default or Event of Default is cured or waived and (ii) until the Company shall have delivered to the Trustee an Officers' Certificate stating that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge are authorized and permitted under this Indenture and the Security Documents. At the request of the Company, and *provided* that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge are authorized and permitted under this Indenture and the Security Documents, the Trustee will execute and deliver an instrument evidencing such release and discharge and do all such other acts and things necessary to release the Subsidiary Guarantor(s) from its (or their) obligations hereunder.

ARTICLE 12 MISCELLANEOUS

Section 12.01. *Ranking*. The Notes are (a) general obligations of the Company, (b) on the Original Issue Date, guaranteed by the Subsidiary Guarantors on a senior basis, subject to certain limitations set forth in Article 11, (c) senior in right of payment to any existing and future obligations of the Company expressly subordinated in right of payment to the Notes; (d) at least *pari passu* in right of payment against the Company with respect to all unsecured, unsubordinated Indebtedness of the Company (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); effectively subordinated to the secured obligations of the Company, the Subsidiary Guarantors, to the extent of the value of the assets serving as security therefor (other than the Collateral); and effectively subordinated to all existing and future obligations of the Non-Guarantor Subsidiaries. Pursuant to the pledge of the Collateral by the Chargors as set

forth in Article 10 and subject to the limitations described therein, the Notes (a) are entitled to a Lien on the Collateral (subject to any Permitted Liens) and (b) rank effectively senior in right of payment to unsecured obligations of the Company with respect to the value of the Collateral pledged by the Company securing the Notes (subject to any priority rights of such unsecured obligations pursuant to applicable law).

Section 12.02. *Notices.* (a) All notices or demands required or permitted by the terms of the Notes or this Indenture to be given to or by the Holders are required to be in writing and may be given or served by being sent by prepaid courier or by being deposited, first-class postage prepaid, in the United States or mails or by electronic transmission, if intended for the Company or any Subsidiary Guarantor, addressed to the Company at the Corporate Trust Office or the Principal Office, or if intended for the Trustee or the Paying and Transfer Agent, addressed to the Trustee or the Paying and Transfer Agent, as the case may be, at the Corporate Trust Office or the Principal Office (attention to Debt Capital Markets team) or via-email to dcm@glas.agency and apacdcn@glas.agency, as the case may be; and, if intended for any Holder, addressed to such Holder at such Holder's last address as it appears in the Note register. Copies of any notice or communication to a Holder, if given by the Company, will be mailed to the Trustee at the same time. Defect in mailing a notice or communication to any particular Holder will not affect its sufficiency with respect to other Holders.

(b) Any notice or demand will be deemed to have been sufficiently given or served when so sent or deposited and, if to the Holders, when delivered in accordance with the applicable rules and procedures of Euroclear or Clearstream, as the case may be. Any such notice shall be deemed to have been delivered on the day such notice is delivered to Euroclear or Clearstream, as the case may be, or if by mail, when so sent or deposited. Any notice to the Trustee will be effective only upon receipt.

(c) Where this Indenture provides for notice, the notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and the waiver will be the equivalent of the notice. Waivers of notice by Holders must be filed with the Trustee, but such filing is not a condition precedent to the validity of any action taken in reliance upon such waivers.

Section 12.03. *Certificate and Opinion as to Conditions Precedent.* (a) Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company will furnish to the Trustee at the Trustee's request:

(i) an Officers' Certificate stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with;

(ii) an Opinion of Counsel stating that all such conditions precedent have been complied with; and

(iii) an incumbency certificate giving the names and specimen signatures of Authorized Officers for any such Authorized Officers who have not previously provided specimen signatures to the Trustee.

(b) In any case where several matters are required to be certified by, or covered by an Opinion of Counsel of, any specified Person, it is not necessary that all such matters be certified by, or covered by the Opinion of Counsel of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an Opinion of Counsel with respect to some matters and one or more such Persons as to other matters, and any such Person may certify or give an Opinion of Counsel as to such matters in one or several documents.

(c) Any certificate of an Officer of the Company or any Subsidiary Guarantor may be based, insofar as it relates to legal matters, upon an Opinion of Counsel, unless such Officer knows, or in the exercise of reasonable care should know, that such Opinion of Counsel with respect to the matters upon which his certificate is based are erroneous. Any Opinion of Counsel may be based, and may state that it is so based, insofar as it relates to factual matters, upon a certificate of, or representations by, an officer or

officers of the Company or a Subsidiary Guarantor stating that the information with respect to such factual matters is in the possession of the Company or such Subsidiary Guarantor, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or representations with respect to such matters are erroneous.

(d) Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Section 12.04. *Statements Required in Certificate or Opinion.* Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture must include:

(a) a statement that each person signing the certificate or opinion has read the covenant or condition and the related definitions;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statement or opinion contained in the certificate or opinion is based;

(c) a statement that, in the opinion of each such person, that person has made such examination or investigation as is necessary to enable the person to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(d) a statement as to whether or not, in the opinion of each such person, such condition or covenant has been complied with, *provided* that an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials with respect to matters of fact.

Section 12.05. *Payment Date Other Than a Business Day.* If any payment with respect to a payment of any principal of, premium, if any, or interest on any Note (including any payment to be made on any date fixed for redemption or purchase of any Note) is due on a day which is not a Business Day, then the payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest will accrue for the intervening period.

Section 12.06. *Governing Law, Consent to Jurisdiction; Waiver of Immunities.* (a) Each of the Notes, the Subsidiary Guarantees and this Indenture shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) The Company and each of the Subsidiary Guarantors hereby irrevocably and unconditionally submits to the non-exclusive jurisdiction of any New York State or United States Federal court sitting in the Borough of Manhattan, the City of New York over any suit, action or proceeding arising out of or relating to this Indenture, any Note, any Subsidiary Guarantee or any transaction contemplated hereby or thereby. The Company and each of the Subsidiary Guarantors irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum. To the extent that the Company or any Subsidiary Guarantor as the case may be, has or hereafter may acquire any sovereign or other immunity from jurisdiction of any court or from any legal process with respect to itself or its property, the Company or such Subsidiary Guarantor, irrevocably waives such immunity in respect of its obligations hereunder or under any Note or any Subsidiary Guarantee. The Company and each of the Subsidiary Guarantors agree that final judgment in any such suit, action or proceeding, brought in such a court shall be conclusive and binding upon the Company or the Subsidiary Guarantor, and, to the extent permitted by applicable law, may be enforced in any court to the jurisdiction of which the Company or any of the Subsidiary Guarantors, is subject by a suit upon such judgment or in any manner provided by law, *provided* that service of process is effected upon the Company or any of the Subsidiary Guarantors, in the manner specified in the following subsection or as otherwise permitted by applicable law.

(c) As long as any of the Notes remain outstanding, the Company and each of the Subsidiary Guarantors will at all times have an authorized agent in the Borough of Manhattan, the City of New York, upon whom process may be served in any legal action or proceeding arising out of or relating to this Indenture, any Note or any Subsidiary Guarantee. Service of process upon such agent and written notice of such service mailed or delivered to the Company or any Subsidiary Guarantor, as the case may be, shall to the fullest extent permitted by applicable law be deemed in every respect effective service of process upon the Company or such Subsidiary Guarantor, in any such legal action or proceeding. The Company and each of the Subsidiary Guarantors hereby appoints Cogency Global Inc. as its agent for such purpose, and covenants and agrees that service of process in any suit, action or proceeding may be made upon it at the office of such agent at 122E 42nd Street, 18th Floor, New York, NY 10016, United States. Notwithstanding the foregoing, the Company or any Subsidiary Guarantor may, with prior written notice to the Trustee, terminate the appointment of Cogency Global Inc. and appoint another agent for the above purposes so that the Company and the Subsidiary Guarantors shall at all times have an agent for the above purposes in the Borough of Manhattan, the City of New York. The Company and each of the Subsidiary Guarantors hereby agree to take any and all action as may be necessary to maintain the designation and appointment of an agent in full force and effect until the Final Maturity Date (or earlier, if the Notes are prepaid in full).

(d) The Company and each of the Subsidiary Guarantors hereby irrevocably waives, to the fullest extent permitted by applicable law, any requirement or other provision of law, rule, regulation or practice which requires or otherwise establishes as a condition to the institution, prosecution or completion of any suit, action or proceeding (including appeals) arising out of or relating to this Indenture or any Note or any Subsidiary Guarantee, the posting of any bond or the furnishing, directly or indirectly, of any other security.

Section 12.07. *No Adverse Interpretation of Other Agreements.* This Indenture may not be used to interpret another indenture or loan or debt agreement of the Company or any Subsidiary of the Company, and no such indenture or loan or debt agreement may be used to interpret this Indenture. In addition, no other agreement or document may be used to interpret this Indenture with regard to any rights, duties or obligations of the Trustee created hereunder.

Section 12.08. *Successors.* All agreements of the Company or any Subsidiary Guarantor in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successor.

Section 12.09. *Duplicate Originals.* The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

Section 12.10. *Separability.* In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.11. *Table of Contents and Headings.* The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and in no way modify or restrict any of the terms and provisions of this Indenture.

Section 12.12. *No Personal Liability of Incorporators, Stockholders, Officers, Directors or Employees.* No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company or any of the Subsidiary Guarantors in this Indenture, any of the Notes or any of the Subsidiary Guarantees, or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Company, any of the Subsidiary Guarantors, or of any successor Person thereof. Each Holder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Subsidiary Guarantees.

Section 12.13. *Force Majeure* . Notwithstanding anything to the contrary in this Indenture or in any other transaction document, the Trustee shall not in any event be liable for any loss or damage, or any failure or delay in the performance of its obligations hereunder if it is prevented from so performing its obligations by any reason which is beyond the control of the Trustee, including, but not limited to (i) an act of God, fire, epidemic, explosion, floods, earthquakes, typhoons; (ii) riot, civil commotion or unrest, insurrection, terrorism, war, strikes or lockouts; nationalisation, expropriation or other governmental actions; (iii) any law, order or regulation of a governmental, supranational or regulatory body; (iv) regulation of the banking or securities industry including changes in market rules, currency restrictions, devaluations or fluctuations; (v) market conditions affecting the execution or settlement of transactions or the value of assets; and (vi) breakdown, failure or malfunction of any telecommunications, computer services or systems, or other causes to which the Trustee is subject.

Section 12.14. *USA Patriot Act* . The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. PATRIOT Act.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, Guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee or an Authenticating Agent under the Indenture by manual or electronic signature of one of its authorized officers.

FORM OF REVERSE OF CERTIFICATED NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2031

1. Principal and Interest.

The Company promises to pay the principal of this Note on July 21, 2031.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 5.0%/6.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 6 and July 6 immediately preceding an Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first four-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Short Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the fourth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed at the rate of 5.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed at the rate of 6.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Subject to the terms of the Indenture, interest on this Note shall be computed based on:

- (i) in the case of PIK Interest, the outstanding principal amount of this Note; or
- (ii) in the case of Cash Interest, 50% of the outstanding principal amount of this Note.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to:

(i) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 of the Indenture and no Payment Default has occurred and is continuing), 50% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 50% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date; or

(ii) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has become immediately due and payable in accordance with Section 6.02 of the Indenture or if a Payment Default has occurred and is continuing), 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 100% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date,

provided that the Company shall redeem the Notes and repay the Short Term Loan concurrently on a pro rata basis according to their respective original issue amounts.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of

the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

For as long as the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 of the Indenture and no Payment Default has occurred and is continuing, on or prior to each redemption date set out in the table below (each, a “**Mandatory Redemption Date**”), the Company shall redeem the Notes in an aggregate principal amount of no less than the principal amount set forth below at a redemption price equal to 50% of the principal amount of the Notes redeemed, plus any accrued and unpaid interest on 50% of the outstanding principal amount of the Notes so redeemed up to (but excluding) such Mandatory Redemption Date:

Mandatory Redemption Date	Principal amount to be redeemed (%) of principal amount issued on the Original Issue Date, on a cumulative basis)
42 months from the Original Issue Date	25%
54 months from the Original Issue Date	50%
66 months from the Original Issue Date	75%
72 months from the Original Issue Date	100%

Each Mandatory Redemption Date may be deferred for six months at the Company’s sole discretion, *provided, however*, that such Mandatory Redemption Date may not be deferred if the corresponding repayment date for the Short Term Loan is not concurrently deferred, *provided further* that the Company shall provide the Trustee and holders of the Notes with five (5) Business Days’ prior written notice if it elects to defer any Mandatory Redemption Date.

The amount of Notes to be mandatorily redeemed on or prior to each Mandatory Redemption Date shall be correspondingly reduced by the amount of Notes redeemed or repurchased on or prior to such Mandatory Redemption Date, including but not limited to any amount of the Notes redeemed or repurchased in accordance with the terms of this Indenture.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture, or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

The Company will furnish a copy of the Indenture to any Holder upon written request and without charge.

2. We understand that any subsequent transfer of the Notes is subject to certain restrictions and conditions set forth in the Indenture and the Notes and the undersigned agrees to be bound by, and not to resell, pledge or otherwise transfer the Notes except in compliance with, such restrictions and conditions and the United States Securities Act of 1933, as amended (the “**Securities Act**”).

3. We understand that the offer and sale of the Notes have not been registered under the Securities Act, and that the Notes may not be offered or sold except as permitted in the following sentence. We agree, on our own behalf and on behalf of any accounts for which we are acting as hereinafter stated, not to offer, sell or otherwise transfer such Notes except (A) to the Company or one of its subsidiaries, (B) pursuant to a registration statement which has been declared effective under the Securities Act, (C) for so long as the Notes are eligible for resale pursuant to Rule 144A under the Securities Act (“**Rule 144A**”), to a person we reasonably believe is a “qualified institutional buyer” as defined in Rule 144A that purchases for its own account or for the account of a qualified institutional buyer to whom notice is given that the transfer is being made in reliance on Rule 144A, (D) to an institutional “accredited investor” within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act that, before such transfer, furnishes to the Company a signed letter, substantially identical to this letter, containing certain representations and agreements relating to the transfer of the Notes, (E) outside the United States in compliance with

4. We understand that, on any proposed resale of any Notes, we will be required to furnish to the Company such certifications, legal opinions, and other information (including a letter substantially similar to this one from any purchaser who is an institutional accredited investor) as it may reasonably require to confirm that the proposed sale complies with the foregoing restrictions. We further understand that the Notes purchased by us will bear a legend to substantially the foregoing effect.

6. We are an institution that is an accredited investor within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act and have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Notes, and we and any accounts for which we act are each able to bear the economic risk of our own or of any such accounts' investment for an indefinite period of time.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

LIST OF SUBSIDIARY GUARANTORS

*[List all Subsidiary Guarantors if the Global Note
is issued subsequent to the Original Issue Date]*

FORM OF REVERSE OF GLOBAL NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2031

1. Principal and Interest.

The Company promises to pay the principal of this Note on July 21, 2031.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 5.0%/6.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first four-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Short Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the fourth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed at the rate of 5.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed at the rate of 6.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Subject to the terms of the Indenture, interest on this Note shall be computed based on:

- (i) in the case of PIK Interest, the outstanding principal amount of this Note; or
- (ii) in the case of Cash Interest, 50% of the outstanding principal amount of this Note.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to:

(i) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 of the Indenture and no Payment Default has occurred and is continuing), 50% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 50% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date; or

(ii) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has become immediately due and payable in accordance with Section 6.02 of the Indenture or if a Payment Default has occurred and is continuing), 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 100% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date,

provided that the Company shall redeem the Notes and repay the Short Term Loan concurrently on a pro rata basis according to their respective original issue amounts.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of

the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

For as long as the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 of the Indenture and no Payment Default has occurred and is continuing, on or prior to each redemption date set out in the table below (each, a “**Mandatory Redemption Date**”), the Company shall redeem the Notes in an aggregate principal amount of no less than the principal amount set forth below at a redemption price equal to 50% of the principal amount of the Notes redeemed, plus any accrued and unpaid interest on 50% of the outstanding principal amount of the Notes so redeemed up to (but excluding) such Mandatory Redemption Date:

Mandatory Redemption Date	Principal amount to be redeemed (% of principal amount issued on the Original Issue Date, on a cumulative basis)
42 months from the Original Issue Date	25%
54 months from the Original Issue Date	50%
66 months from the Original Issue Date	75%
72 months from the Original Issue Date	100%

Each Mandatory Redemption Date may be deferred for six months at the Company’s sole discretion, *provided, however*, that such Mandatory Redemption Date may not be deferred if the corresponding repayment date for the Short Term Loan is not concurrently deferred, *provided further* that the Company shall provide the Trustee and holders of the Notes with five (5) Business Days’ prior written notice if it elects to defer any Mandatory Redemption Date.

The amount of Notes to be mandatorily redeemed on or prior to each Mandatory Redemption Date shall be correspondingly reduced by the amount of Notes redeemed or repurchased on or prior to such Mandatory Redemption Date, including but not limited to any amount of the Notes redeemed or repurchased in accordance with the terms of this Indenture.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

The Company will furnish a copy of the Indenture to any Holder upon written request and without charge.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

LIST OF SUBSIDIARY GUARANTORS

*[List all Subsidiary Guarantors if the Global Note
is issued subsequent to the Original Issue Date]*

FORM OF REVERSE OF GLOBAL NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2031

1. Principal and Interest.

The Company promises to pay the principal of this Note on July 21, 2031.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 5.0%/6.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first four-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Short Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the fourth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed at the rate of 5.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed at the rate of 6.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Subject to the terms of the Indenture, interest on this Note shall be computed based on:

- (i) in the case of PIK Interest, the outstanding principal amount of this Note; or
- (ii) in the case of Cash Interest, 50% of the outstanding principal amount of this Note.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to:

(i) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 of the Indenture and no Payment Default has occurred and is continuing), 50% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 50% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date; or

(ii) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has become immediately due and payable in accordance with Section 6.02 of the Indenture or if a Payment Default has occurred and is continuing), 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 100% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date,

provided that the Company shall redeem the Notes and repay the Short Term Loan concurrently on a pro rata basis according to their respective original issue amounts.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of

the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

For as long as the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 of the Indenture and no Payment Default has occurred and is continuing, on or prior to each redemption date set out in the table below (each, a “**Mandatory Redemption Date**”), the Company shall redeem the Notes in an aggregate principal amount of no less than the principal amount set forth below at a redemption price equal to 50% of the principal amount of the Notes redeemed, plus any accrued and unpaid interest on 50% of the outstanding principal amount of the Notes so redeemed up to (but excluding) such Mandatory Redemption Date:

Mandatory Redemption Date	Principal amount to be redeemed (% of principal amount issued on the Original Issue Date, on a cumulative basis)
42 months from the Original Issue Date	25%
54 months from the Original Issue Date	50%
66 months from the Original Issue Date	75%
72 months from the Original Issue Date	100%

Each Mandatory Redemption Date may be deferred for six months at the Company’s sole discretion, *provided, however*, that such Mandatory Redemption Date may not be deferred if the corresponding repayment date for the Short Term Loan is not concurrently deferred, *provided further* that the Company shall provide the Trustee and holders of the Notes with five (5) Business Days’ prior written notice if it elects to defer any Mandatory Redemption Date.

The amount of Notes to be mandatorily redeemed on or prior to each Mandatory Redemption Date shall be correspondingly reduced by the amount of Notes redeemed or repurchased on or prior to such Mandatory Redemption Date, including but not limited to any amount of the Notes redeemed or repurchased in accordance with the terms of this Indenture.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

The Company will furnish a copy of the Indenture to any Holder upon written request and without charge.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee or the Authenticating Agent under the Indenture by manual or electronic signature of one of its authorized officers.

LIST OF SUBSIDIARY GUARANTORS

*[List all Subsidiary Guarantors if the Global Note
is issued subsequent to the Original Issue Date]*

FORM OF REVERSE OF GLOBAL NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2031

1. Principal and Interest.

The Company promises to pay the principal of this Note on July 21, 2031.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 5.0%/6.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first four-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Short Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the fourth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed at the rate of 5.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed at the rate of 6.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Subject to the terms of the Indenture, interest on this Note shall be computed based on:

- (i) in the case of PIK Interest, the outstanding principal amount of this Note; or
- (ii) in the case of Cash Interest, 50% of the outstanding principal amount of this Note.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to:

(i) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 of the Indenture and no Payment Default has occurred and is continuing), 50% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 50% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date; or

(ii) (if the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has become immediately due and payable in accordance with Section 6.02 of the Indenture or if a Payment Default has occurred and is continuing), 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest on 100% of the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date,

provided that the Company shall redeem the Notes and repay the Short Term Loan concurrently on a pro rata basis according to their respective original issue amounts.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of

the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

For as long as the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding has not become immediately due and payable in accordance with Section 6.02 of the Indenture and no Payment Default has occurred and is continuing, on or prior to each redemption date set out in the table below (each, a “**Mandatory Redemption Date**”), the Company shall redeem the Notes in an aggregate principal amount of no less than the principal amount set forth below at a redemption price equal to 50% of the principal amount of the Notes redeemed, plus any accrued and unpaid interest on 50% of the outstanding principal amount of the Notes so redeemed up to (but excluding) such Mandatory Redemption Date:

Mandatory Redemption Date	Principal amount to be redeemed (% of principal amount issued on the Original Issue Date, on a cumulative basis)
42 months from the Original Issue Date	25%
54 months from the Original Issue Date	50%
66 months from the Original Issue Date	75%
72 months from the Original Issue Date	100%

Each Mandatory Redemption Date may be deferred for six months at the Company’s sole discretion, *provided, however*, that such Mandatory Redemption Date may not be deferred if the corresponding repayment date for the Short Term Loan is not concurrently deferred, *provided further* that the Company shall provide the Trustee and holders of the Notes with five (5) Business Days’ prior written notice if it elects to defer any Mandatory Redemption Date.

The amount of Notes to be mandatorily redeemed on or prior to each Mandatory Redemption Date shall be correspondingly reduced by the amount of Notes redeemed or repurchased on or prior to such Mandatory Redemption Date, including but not limited to any amount of the Notes redeemed or repurchased in accordance with the terms of this Indenture.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

Variable Rate Senior Notes Due 2031 of Shimao Group Holdings Limited (世茂集團控股有限公司)

Reference is hereby made to the Indenture dated as of July 21, 2025 (the “**Indenture**”) among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “**Company**”), the entities listed in Schedule I to the Indenture (the “**Subsidiary Guarantors**”) and GLAS Trust Company LLC (the “**Trustee**”). Terms used herein are used as defined in the Indenture.

The Company hereby appoints GLAS Trust Company LLC as the paying agent and transfer agent (the “**Paying and Transfer Agent**”), the authenticating agent (the “**Authenticating Agent**”) and as the registrar (the “**Registrar**,” together with the Paying and Transfer Agent and the Authenticating Agent, the “**Agents**”) with respect to the Notes and each Agent hereby accepts such appointment. By accepting such appointment, each Agent agrees to be bound by and to perform the services with respect to itself set forth in the terms and conditions set forth in the Indenture and the Notes, as well as the following terms and conditions to all of which the Company agrees and to all of which the rights of the Holders from time to time of the Notes shall be subject:

(a) The Company, no later than 9:00 a.m. (New York City time) on the Business Day immediately preceding each date on which a payment in respect of the Notes becomes due, shall (i) transfer (or cause to be transferred) to the Paying and Transfer Agent in the currency of United States of America in immediately available and cleared funds such amount as may be required for the purposes of such payment and (ii) notify the Paying and Transfer Agent and the Registrar of such transfer. The Company, no later than 9:00 a.m. (New York City time) on the third Business Day immediately preceding each date on which any payment in respect of the Notes becomes due, shall confirm such payment instructions to the Paying and Transfer Agents. The Paying and Transfer Agent shall not be bound to make payment until immediately available and cleared funds in such amount as may be required for the purpose of such payment have been received from the Company.

(b) Each Agent shall be entitled to the compensation to be agreed upon in writing with the Company and the Subsidiary Guarantors, jointly and severally, for all services rendered by it under the Indenture, and the Company and the Subsidiary

Guarantors, jointly and severally, agree promptly to pay such compensation and to reimburse each Agent for its out-of-pocket expenses (including fees and expenses of counsel) incurred by it in connection with the services rendered by it under the Indenture. The Company and each of the Subsidiary Guarantors jointly and severally hereby agree to indemnify each Agent and each of its officers, directors, agents and employees and any successors thereto for, and to hold each of them harmless against, any loss, liability or expense (including reasonable fees and expenses of counsel) incurred without negligence or willful misconduct on its part arising out of or in connection with their acting as the relevant Agent hereunder. The obligations of the Company and the Subsidiary Guarantors under this paragraph (b) shall survive the payment of the Notes, the termination or expiry of the Indenture or this letter and the resignation or removal of the relevant Agent. Under no circumstances will any Agent be liable to the Company or any other party to this letter or the Indenture for any indirect consequential punitive or special damages, even if advised of the possibility of such loss or damage.

(c) In acting under the Indenture and in connection with the Notes, each Agent is acting solely as agent of the Company and does not assume any obligation towards or relationship of agency or trust for or with any of the owners or Holders of the Notes, except that all funds held by the Paying and Transfer Agent for the payment of principal interest or other amounts (including Additional Amounts) on, the Notes shall, subject to the provisions of the Indenture, be held in trust by the Paying and Transfer Agent and applied as set forth in the Indenture and in the Notes, but need not be segregated from other funds held by the Paying and Transfer Agent, except as required by law.

(d) Any Agent may consult with counsel satisfactory to it and any advice or written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it under the Indenture in good faith and in accordance with such advice or opinion.

(e) Each Agent shall be fully protected and shall incur no liability for or in respect of any action taken or omitted to be taken or thing suffered by it in reliance upon any Note, notice, direction, consent, certificate, affidavit, statement or other paper or document reasonably believed by it to be genuine and to have been presented or signed by the proper party or parties.

(f) The Paying and Transfer Agent will hold all sums received by it as such for the payment of the principal of, or premium or interest on, the Notes (whether such sums have been paid to it by or on behalf of the Company or by any other obligor on the Notes or any Subsidiary Guarantee) in trust for the benefit of the Holders or of the Trustee. The Paying and Transfer Agent and any of their Affiliates, in their individual capacity or any other capacity, may become the owner of, or acquire any interest in, any Notes or other obligations of the Company with the same rights that each of them would have if they were not the Paying and Transfer Agent, and may engage or be interested in any financial or other transaction with the Company, and may act on, or as depository, Trustee or agent for, any committee or body of Holders of Notes or other obligations of the Company, as freely as if they were not the Paying and Transfer Agent.

(g) The Paying and Transfer Agent shall give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes, the Subsidiary Guarantees) to make any payment of the principal of, or premium or interest on, the Notes and any other payments to be made on behalf of the Company under the Indenture, when the same shall be due and payable and at any time during the continuance of any such failure the Paying and Transfer Agent will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request.

(h) The Paying and Transfer Agent shall not be under any liability for interest on any monies received by it pursuant to any of the provisions of the Indenture or the Notes.

(i) Each Agent shall be obligated to perform such duties and only such duties as are in the Indenture and the Notes specifically set forth, and no implied duties or obligation shall be read into the Indenture or the Notes against any Agent. None of the Agents shall be under any obligation to take any action under the Indenture which may tend to involve it in any expense or liability, the payment of which within a reasonable time is not, in its reasonable opinion, assured to it.

The Paying and Transfer Agent shall have no obligation to expend its own funds or otherwise incur any financial liability in the performance of its obligations hereunder or under the Indenture. Notwithstanding anything contained herein to the contrary, the obligations of the Agents under this letter are several and not, and shall under no circumstances be deemed to be, joint. Notwithstanding anything else herein contained, any Agent may refrain without liability from doing anything that would or might in its opinion following advice in writing by legal counsel of international repute be contrary to any law of any state or jurisdiction (including but not limited to the jurisdiction of the law of this letter and of any Agent's formation, the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its opinion following advice in writing by legal counsel of international repute, necessary to comply with any such law, directive or regulation.

(j) Any Agent may at any time resign by giving written notice of its resignation to the Company and the Trustee and specifying the date on which its resignation shall become effective; *provided* that such date shall be at least 60 days after the date on which such notice is given unless the Company agrees to accept shorter notice. Upon receiving such notice of resignation, if required by the Indenture the Company shall promptly appoint a successor agent by written instrument substantially in the form hereof in triplicate signed on behalf of the Company, one copy of which shall be delivered to the resigning Agent, one copy to the successor agent and one copy to the Trustee. Upon the effectiveness of the appointment of a successor agent, the retired Agent shall have no further obligations under this letter or the Indenture.

Such resignation shall become effective upon the earlier of (i) the effective date of such resignation and (ii) the acceptance of appointment by the successor agent, as provided below. The Company may, at any time and for any reason, remove any Agent and appoint a successor agent, by written instrument in triplicate signed on

behalf of the Company, one copy of which shall be delivered to the Agent being removed, one copy to the successor agent and one copy to the Trustee. Any removal of any Agent and any appointment of a successor agent shall become effective upon acceptance of appointment by the successor agent as provided below. Upon its resignation or removal, the relevant Agent shall be entitled to the payment by the Company of its compensation for the services rendered hereunder and to the reimbursement of all reasonable out-of-pocket expenses incurred in connection with the services rendered by it hereunder.

The Company shall remove an Agent and appoint a successor agent if such Agent (i) shall become incapable of acting, (ii) shall be adjudged bankrupt or insolvent, (iii) shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, (iv) shall consent to, or shall have had entered against it a court order for, any such relief or to the appointment of or taking possession by any such official in any involuntary case or other proceedings commenced against it, (v) shall make a general assignment for the benefit of creditors or (vi) shall fail generally to pay its debts as they become due.

Any successor agent appointed as provided herein shall execute and deliver to its predecessor and to the Company and the Trustee an instrument accepting such appointment (which may be in the form of an acceptance signature to the letter of the Company appointing such agent) and thereupon such successor agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as the relevant Agent and such predecessor shall pay over to such successor agent all monies or other property at the time held by it hereunder.

If no successor is appointed by the Company within 30 days of the resignation or removal of an Agent, (i) the retiring Agent may recommend a successor agent to the Company for its approval, and, within 30 days from the date of the recommendation by the retiring Agent, the Company shall either approve and obtain written acceptance of appointment from such recommended agent or appoint another successor agent of its own choice and obtain written acceptance of appointment from such other successor agent, or (ii) the retiring Agent or the Company may petition any court of competent jurisdiction for the appointment of a successor agent.

(k) Notwithstanding anything contained herein to the contrary, each of the Company and the Subsidiary Guarantors hereby irrevocably agrees that any and all of the rights and obligations of any Agent (except the Trustee) and, to the extent applicable, the obligations of the Company toward any Agent (except the Trustee) set forth in the Indenture shall be deemed to have been included in this letter.

(l) Notwithstanding anything contained herein to the contrary, the obligations of the Agents under this letter are not joint and should be independently construed and each Agent shall not be liable for each other's acts or omissions to act.

(m) Each Agent shall at all times be a responsible financial institution which is authorized by law to exercise its respective powers and duties hereunder and under the Indenture and the Notes.

(n) Each Agent shall comply with all applicable withholding, information reporting and backup withholding tax requirements under the U.S. Internal Revenue Code of 1986, as amended, and the Treasury regulations issued thereunder in respect of any payment on, or in respect of, a Note or under the Subsidiary Guarantee (including the collection of IRS Form W-8 ECI, IRS Form W-8 BEN and IRS Form W-9, as the case may be, and the filing of IRS Form 1099 and IRS Form 1096).

(o) The parties hereto agree that if any payments of interest or principal under the Notes become subject to U.S. withholding tax pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended, the parties hereto shall use commercially reasonable efforts to cooperate in good faith and to share such relevant and applicable information to the extent practicable or make such amendments or modifications to this letter as are necessary to permit the parties to fulfill their withholding and reporting obligations thereunder, *provided* that the Agents shall not be obligated to identify whether such withholding is applicable or assist any other party in fulfilling its withholding and reporting obligations thereunder.

(p) Each Agent will treat information relating to the Company and the Subsidiary Guarantors as confidential, but (unless consent is prohibited by law) each of the Company and the Subsidiary Guarantors consents to the transfer and disclosure by any Agent of any information relating to the Company and the Subsidiary Guarantors to and between branches, subsidiaries, representative offices, affiliates and agents of such Agent and third parties selected by any of them, wherever situated, for internal use only (including in connection with the provision of any service and for data processing, statistical and risk analysis purposes). Each Agent and any branch, subsidiary, representative office, affiliate, agent or third party may transfer and disclose any such information as required by any law, court regulator or legal process. To the extent the Company and the Subsidiary Guarantors provide any information regarding third parties to any Agent, the Company and the Subsidiary Guarantors shall provide any necessary information to, and obtain any necessary consents from, such third parties to allow any transfer, disclosure and use of such information by such Agent.

Each party shall, within twenty Business Days of a written request by another party, supply to such other party(ies) such forms, documentation and other information relating to it, its operations, or the Notes as such other party(ies) reasonably requests for the purposes of such other party(ies)'s compliance with Applicable Law and shall notify the relevant other party(ies) reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; *provided, however*, that no party shall be required to provide any forms, documentation or other information pursuant to this Clause to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party

and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality.

(q) Any notice or communication to the Agents will be deemed given when sent by electronic transmission, with transmission confirmed. Any notice to the Agents will be effective only upon receipt. The notice or communication to the Agents should be given as follows:

(a) I am the duly elected, qualified and acting [title] or [title], as the case may be, of the Company.

(b) I have reviewed and am familiar with the contents of this Compliance Certificate.

(c) I have reviewed the terms of the Indenture, the Intercreditor Agreement and the Security Documents and have made or caused to be made under my supervision, a review in reasonable detail of the Collateral and the condition of the Collateral. Such review did not disclose the existence during or at the end of the annual period covered by this Compliance Certificate, and I have no knowledge of the existence as of the date of this Compliance Certificate, of any condition or event which would impair the perfected security interest created by the Indenture and the Security Documents with at least the priority of such security interest on the Original Issue Date[, except as set forth below].

(d) Based upon the advice of counsel, all action has been taken with respect to the recording, registering, filing, re-recording, registering and re-filing of all supplemental indentures, financing statements, continuation statements or other instruments of further assurance as may be necessary to maintain the Liens granted pursuant to the Security Documents to the extent required by the Security Documents, if any [and, if necessary, reciting the details of such action].

(f) That a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under the Indenture, in each case since the Original Issue Date, [and that the Company and the Subsidiary Guarantor have been since the Original Issue Date and are in compliance with all obligations under the Indenture]/[if there has been a default in the fulfillment of any obligation under the Indenture, specifying each such default and the nature and status thereof.]

(g) During the annual period covered by this Compliance Certificate, to my actual knowledge, the following transactions occurred as an Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness or are subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) of the Indenture as transactions for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as requested or required by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measure:

[insert a brief description of the value and parties to the transaction, if any]]

Except as the aforesaid, during the annual period covered by this Compliance Certificate, there has been no other request or requirement by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures that has resulted in any transaction that (i) would qualify as an Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness; or (ii) be subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) of the Indenture.

ARTICLE 2

ISSUE, EXECUTION, FORM AND REGISTRATION OF NOTES

Section 2.01. *Authentication and Delivery of Notes and Subsidiary Guarantees.* Upon the execution and delivery of this Indenture, or from time to time thereafter, Notes may be executed and delivered by the Company, with the Subsidiary Guarantees endorsed thereon by the Subsidiary Guarantors, in an aggregate principal amount outstanding of not more than US\$[●] (other than Notes issued pursuant to Section 2.10 or created as a result of payment of PIK Interest) to the Trustee or an Authenticating Agent for authentication, accompanied by an Officers’ Certificate of the Company directing such authentication and specifying the amount of Notes (with the Subsidiary Guarantees endorsed thereon) to be authenticated, the applicable rate at which interest will accrue on such Notes, the date on which the original issuance of such Notes (with the Subsidiary Guarantees endorsed thereon) is to be authenticated, the date from which interest will begin to accrue, the date or dates on which interest on such Notes will be payable and the date on which the principal of such Notes will be payable and other terms relating to such Notes and the Subsidiary Guarantees. The Trustee or an Authenticating Agent shall thereupon authenticate and deliver said Notes (with the Subsidiary Guarantees endorsed thereon) to or upon the written order of the Company (as set forth in such Officers’ Certificate) signed by one Authorized Officer.

The Trustee and the Authenticating Agent shall have the right to decline to authenticate and deliver any Notes under this Section if the Trustee reasonably determines that such action may not lawfully be taken or if the Trustee reasonably determines that such action would expose the Trustee or the Authenticating Agent to personal liability, unless indemnity and/or security satisfactory to the Trustee or the Authenticating Agent, as applicable, against such liability is provided to the Trustee or the Authenticating Agent, as applicable.

Section 2.02. *Execution of Notes and Subsidiary Guarantees.*(a) The Notes shall be executed by or on behalf of the Company by the signature of an Authorized Officer of the Company. Each of the Subsidiary Guarantors shall execute the Subsidiary Guarantees by the signature of an Authorized Officer of such Subsidiary Guarantor. Such signatures may be the manual or electronic signature of the present or any future Authorized Officers. With the delivery of this Indenture, the Company and each Subsidiary Guarantor is furnishing, and from time to time thereafter, the Company and each Subsidiary Guarantor may each furnish to both the Trustee and the Authenticating Agent, a certificate substantially in the form of Exhibit D (an “**Authorization Certificate**”) identifying and certifying the incumbency and specimen (or electronic) signatures of the Authorized Officers. Until the Trustee and the Authenticating Agent receive a subsequent Authorization Certificate, the Trustee and the Authenticating Agent shall be entitled to conclusively rely on the last Authorization Certificate delivered to them for purposes of determining the Authorized Officers. Typographical and other minor errors or defects in any signature shall not affect the validity or enforceability of any Note which has been duly authenticated and delivered by the Trustee or by the Authenticating Agent on behalf of the Trustee.

(b) In case the Authorized Officers who shall have signed any of the Notes or any of the Subsidiary Guarantees thereon, as applicable, shall cease to be such Authorized Officers before the Note (with the Subsidiary Guarantees endorsed thereon) shall be authenticated and delivered by the Trustee or by the Authenticating Agent on behalf of the Trustee or disposed of by or on behalf of the Company, such Note (with the Subsidiary Guarantees endorsed thereon) nevertheless may be authenticated and delivered or disposed of as though the Persons who signed such Note and the Subsidiary Guarantees had not ceased to be such Authorized Officers; and any Note may be signed on behalf of the Company and any Subsidiary Guarantee may be signed on behalf of the Subsidiary Guarantors, by such Persons as, at the actual date of the execution of such Note and Subsidiary Guarantee, shall be Authorized Officers, although at the date of the execution and delivery of this Indenture any such Persons were not Authorized Officers.

Section 2.03. *Certificate of Authentication.* Only such Notes (with the Subsidiary Guarantees endorsed thereon) as shall bear thereon a certification of authentication substantially as set forth in the forms of the Notes and Subsidiary Guarantees in Exhibits A and C hereto, executed by the Trustee or an Authenticating Agent by manual or electronic signature of one of its authorized signatories, shall be entitled to the benefits of this Indenture or be valid or obligatory for any purpose. Such certification by the Trustee or an Authenticating Agent upon any Note executed by or on behalf of the Company and any Subsidiary Guarantee executed by or on behalf of the Subsidiary Guarantors shall be conclusive evidence that the Note (with the Subsidiary Guarantees endorsed thereon) so authenticated has been duly authenticated and delivered hereunder and that the Holder is entitled to the benefits of this Indenture.

Section 2.04. *Form, Denomination and Date of Notes; Payments.* (a) The Notes, the Subsidiary Guarantees, and the certificates of authentication shall be substantially in the form set forth in Exhibits A and C hereof. On the Original Issue Date, the Notes shall be issued in the form provided in Section 2.04(c). The Notes shall be numbered, lettered, or otherwise distinguished in such manner or in accordance with the instructions set forth in the applicable Officers' Certificate and delivered by the Authorized Officers of the Company executing the same with the approval of the Trustee.

The Notes (with the Subsidiary Guarantees endorsed thereon) may be issued with appropriate insertions, omissions, substitutions and variations, and may have imprinted or otherwise reproduced thereon such legend or legends, not inconsistent with the provisions of this Indenture, as may be required to comply with any law or with any rules or regulations pursuant thereto, with the rules of any securities market in which the Notes are admitted to trading, or to conform to general usage.

(b) Each Note (with the Subsidiary Guarantees endorsed thereon) shall be dated the date of its authentication. Each Note shall bear interest from the date of issuance thereof or from the most recent Interest Payment Date on which interest has been paid or duly provided for and shall be payable on the dates on the face of the form of Note set forth as Exhibit A hereto. Interest on the Notes shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

(c) On the Original Issue Date, an appropriate Authorized Officer will execute and deliver to the Trustee or the Authenticating Agent global notes representing the Notes (and together with any other global notes issued after the Original Issue Date, the "**Global Notes**"), with the Subsidiary Guarantees endorsed thereon, in definitive, fully registered form without interest coupons, in a denomination of US\$1 or any amount in excess thereof which is an integral multiple of US\$1, substantially in the form of Exhibit C hereto in an aggregate principal amount that shall equal the aggregate principal amount of the Notes that are to be issued on the Original Issue Date. The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of China Construction Bank (Asia) Corporation Limited (the "**Common Depositary**") or its nominee. For so long as any of the Notes are listed on the SGX-ST and the rules of the SGX-ST so require, the Notes will be traded on the SGX-ST in a minimum board lot size of S\$200,000. For the purposes of the International Central Securities Depositories, the denomination of the Notes should be considered as US\$1 or any amount in excess thereof which is an integral multiple of US\$1. Euroclear and Clearstream are not required to monitor or enforce the minimum board lot size of S\$200,000 (or the Dollar Equivalent thereof).

Notwithstanding anything to the contrary contained herein, beneficial interests in the Global Notes may only be held through Euroclear and Clearstream and their respective direct and indirect participants.

(d) Each Global Note (i) shall be delivered by or on behalf of the Trustee to, and registered in the nominee name of, the Common Depositary and (ii) shall also bear a legend (the “**Private Placement Legend**”) substantially to the following effect:

THIS SECURITY MAY NOT BE EXCHANGEABLE IN WHOLE OR IN PART FOR A SECURITY REGISTERED, AND NO TRANSFER OF THIS SECURITY IN WHOLE OR IN PART MAY BE REGISTERED, IN THE NAME OF ANY PERSON OTHER THAN SUCH COMMON DEPOSITARY OR A NOMINEE THEREOF, EXCEPT IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THE INDENTURE.”

Global Notes may be deposited with such other Common Depositary as the Company may from time to time designate in writing to the Trustee, and shall bear such legend as may be appropriate.

(e) If at any time the Common Depositary notifies the Company that it is unwilling or unable to continue as Common Depositary for such Global Notes, the Company shall appoint a successor Common Depositary with respect to such Global Notes. If (i) a successor Common Depositary for such Global Notes is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, or (ii) either Euroclear or Clearstream, or a successor clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention to permanently cease business or does in fact do so, or (iii) any of the Notes has become immediately due and payable in accordance with Section 6.01 and Section 6.02 and the Company has received a written request from a Holder, the Company will execute, and the Trustee or an Authenticating Agent, upon receipt by the Trustee or an Authenticating Agent of an Officers’ Certificate of the Company directing the authentication and delivery thereof, will authenticate and deliver, Certificated Notes in any authorized denominations in an aggregate principal amount equal to the principal amount of such Global Notes in exchange for such Global Notes.

(f) Upon receipt of notice from the Common Depositary, Euroclear, Clearstream or the Trustee, as the case may be, the Company will use its best efforts to make arrangements with the Common Depositary for the exchange of interests in the Global Notes for Certificated Notes and cause the requested Certificated Notes to be executed and delivered to the Registrar in sufficient quantities and authenticated by the Trustee or an Authenticating Agent for delivery to Holders. Persons exchanging interests in the Global Notes for Certificated Notes will be required to provide to the Registrar, through the relevant clearing system, written

instructions and other information required by the Company and the Registrar to complete, execute and deliver such Certificated Notes. Certificated Notes delivered in exchange for the Global Notes or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by the relevant clearing system.

(g) Global Notes shall in all respects be entitled to the same benefits under this Indenture as Certificated Notes authenticated and delivered hereunder.

(h) The Person in whose name any Note is registered at the close of business on any Interest Record Date with respect to any Interest Payment Date shall be entitled to receive the interest, if any, payable on such Interest Payment Date notwithstanding any transfer or exchange of such Note subsequent to the Interest Record Date and prior to such Interest Payment Date.

Section 2.05. *Registration, Transfer and Exchange.* (a) The Notes are issuable only in registered form. The Company will keep at the office or agency to be maintained for the purpose as provided in Section 4.02 (the “**Registrar**”), a register (the “**Register**”) in which, subject to such reasonable regulations as it may prescribe, it will register, and will register the transfer of, the Notes as provided in this Article. The name and address of the registered holder of each Note and the amount of each Note will be recorded in the Register. Such Register shall be in written form in the English language or in any other form capable of being converted into such form within a reasonable time. Such Register shall be open for inspection by or on behalf of the Trustee during normal business hours upon prior written request.

(b) Upon due presentation for registration of transfer of any Note, the Company shall execute and the Trustee or an Authenticating Agent shall authenticate and deliver in the name of the transferee or transferees a new Note or Notes in authorized denominations for a like aggregate principal amount.

(c) A Holder may register the transfer of a Note only by written application to the Registrar substantially in the form of Exhibit B and otherwise complying with the terms of this Indenture. No such registration of transfer shall be effected until, and such transferee shall succeed to the rights of a Holder only upon, final acceptance and registration of the transfer by the Registrar in the Register. Prior to the registration of any transfer by a Holder as provided herein, the Company, the Trustee and any agent of any of them shall treat the Person in whose name the Note is registered as the owner thereof for all purposes whether or not the Note shall be overdue, and neither the Company, the Trustee, nor any such agent shall be affected by notice to the contrary. Furthermore, any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by Euroclear and Clearstream (or their respective agents) and that ownership of a beneficial interest in the Note shall be required to be reflected in a book entry. At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination and of a like aggregate principal amount, by written application to the Registrar substantially in the form of Exhibit B upon surrender of the Notes to be exchanged to the Registrar. When Notes are presented to the Registrar with a request to register the transfer or to exchange them for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested if the requirements for such transactions set forth herein are met. To permit registrations of transfers and exchanges, the Company and each Subsidiary Guarantor shall execute and the Trustee or an Authenticating Agent shall authenticate Notes at the Registrar’s request.

(d) Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Registrar) be duly endorsed, or be accompanied by a written instrument of transfer duly executed, by the Holder thereof or his attorney duly authorized in writing in a form satisfactory to the Company and the Registrar.

(e) The Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any exchange or registration of transfer of Notes (other than any such transfer taxes or other similar governmental charge payable upon exchanges). No service charge to any Holder shall be made for any such transaction.

(f) The Company shall not be required to exchange or register a transfer of (1) any Notes for a period of 15 days immediately preceding the first mailing of notice of redemption of Notes to be redeemed or (2) any Notes called or being called for redemption.

(g) So long as the Global Notes remain outstanding and are held by or on behalf of the Common Depositary, transfer of beneficial interests in the Global Notes may be made only in accordance with the rules of Euroclear or Clearstream.

(h) Subject to Section 2.04(e), the Global Notes are not exchangeable for a Certificated Note or Certificated Notes.

(i) Notwithstanding any other provisions hereof, unless and until the Global Notes are exchanged for Certificated Notes, the Global Notes may be transferred, in whole, but not in part, only by the Common Depositary to its nominee or by a nominee of the Common Depositary or another nominee of the Common Depositary or by the Common Depositary or its nominee to a successor Common Depositary or a nominee of any such successor Common Depositary.

(j) All Notes issued upon any transfer or exchange of Notes shall be valid obligations of the Company, evidencing the same debt and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(k) Claims against the Company for the payment of principal of, premium, if any, or interest on the Notes will become void unless presentation for payment is made as required in this Indenture within a period of six years.

Section 2.06. Book-entry Provisions for Global Note.

(a) Each Global Note initially shall be deposited with the Common Depositary and registered in the name of the Common Depositary or its nominee for the accounts of Euroclear and Clearstream.

(b) Transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to the Common Depositary, its successors or their respective nominees. Interests of beneficial owners in a Global Note may be transferred, and transfers increasing or decreasing the aggregate principal amount of Global Notes may be conducted only in accordance with the rules and procedures of the Euroclear and Clearstream. In addition, Certificated Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in the Global Note under the circumstances set forth in Section 2.04(e).

(c) In connection with the transfer of an entire Global Note to beneficial owners pursuant to clause (b) of this Section 2.06, the Global Note shall be deemed to be surrendered to the Paying Agent for cancellation, and the Company shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Common Depositary in exchange for its beneficial interest in the Global Note, an equal aggregate principal amount of Certificated Notes of authorized denominations.

(d) The registered holder of a Global Note may grant proxies and otherwise authorize any Person to take any action which a Holder is entitled to take under this Indenture or the Notes.

Section 2.07. Special Transfer Provisions. Subject to Section 2.04, unless and until the relevant Private Placement Legend is removed from a Certificated Note or a Global Note pursuant to paragraph (a) below, the following additional provisions shall apply to the proposed transfer, exchange or replacement of the Certificated Note or, to the extent relevant to the Trustee, the Registrar or the Common Depositary, any beneficial interest in a Global Note:

(a) Upon the registration of transfer, exchange or replacement of Notes bearing a Private Placement Legend, the Registrar shall deliver only Notes that bear the same Private Placement Legend unless the requested transfer, exchange or replacement there is delivered to the Registrar an Opinion of

Counsel reasonably satisfactory to the Company to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Upon the registration of transfer, exchange or replacement of Notes not bearing a Private Placement Legend, the Registrar shall deliver Notes that do not bear a Private Placement Legend.

(b) By its acceptance of any Note bearing a Private Placement Legend, each Holder of such a Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in such Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture. The Registrar shall not register a transfer of any Note unless such transfer complies with the restrictions on transfer of such Note set forth in this Indenture. In connection with any transfer of Notes, each Holder agrees by its acceptance of the Notes to furnish the Registrar or the Company such certifications, legal opinions or other information as either of them may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act; *provided* that the Registrar shall not be required to determine (but may rely on a determination made by the Company with respect to) the sufficiency of any such certifications, legal opinions or other information.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.06 or this Section 2.07 in accordance with its customary procedures. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

(c) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Common Depositary participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.08. *PIK Notes.* (a) If the Company elects to pay PIK Interest as set forth in the Notes, the Company must give notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to this Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date. If the Company pays PIK Interest as set forth in the Notes, the Company shall increase the outstanding principal amount of the Global Notes or issue additional Certificated Notes as applicable (in each case, “**PIK Notes**”) having an aggregate principal amount equal to the amount of interest then due and owing as PIK Interest as follows:

(i) with respect to Notes represented by a Global Note, by increasing the principal amount of such Global Note, effective as of the applicable Interest Payment Date, by an amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest US\$1); and

(ii) with respect to Notes represented by a Certificated Note, by issuing PIK Notes in the form of a Certificated Note, dated as of the applicable Interest Payment Date, in an aggregate principal amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest US\$1).

(b) Following an increase in the principal amount of the outstanding Global Notes as a result of a payment of PIK Interest in the form of PIK Notes, the Global Notes will bear interest on such increased principal amount from and including the applicable Interest Payment Date. Any PIK Notes issued in the form of Certificated Notes will be dated as of the applicable Interest Payment Date and will bear interest from and including such date. The PIK Notes are identical to the Notes for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and mandatory offers to purchase (except that interest will begin to accrue on the PIK Notes from and including the date they are issued), and will be consolidated and form a single class with the Notes. References to “principal amount” of the Notes shall

include any increase in the principal amount of the outstanding Notes as a result of the payment of PIK Interest.

(c) To the extent PIK Notes are issued in the form of Certificated Notes as contemplated by Section 2.08(a)(ii), the Trustee or an Authenticating Agent will, at the request of the Company, authenticate and deliver any PIK Notes in the form of Certificated Notes for original issuance to the Holders of Certificated Notes on the relevant Interest Record Date in accordance with this Indenture. PIK Notes in the form of Certificated Notes will be issued in minimum denominations of US\$1 and integral multiples of US\$1 in excess thereof but may only be transferred in denominations of US\$1 and integral multiples of US\$1 in excess thereof. Notwithstanding the foregoing, for the purpose of Euroclear and Clearstream, the denominations are considered as US\$1. For the avoidance of doubt, neither Euroclear nor Clearstream is required to monitor or enforce the minimum amount.

Section 2.09. *Mutilated, Defaced, Destroyed, Stolen and Lost Notes.* (a) The Company shall execute and deliver to the Paying and Transfer Agent Certificated Notes in such amounts and at such times as to enable the Paying and Transfer Agent to fulfill its responsibilities under this Indenture and the Notes.

(b) In case any Note shall become mutilated, defaced or be apparently destroyed, lost or stolen, upon the request of the registered holder thereof, the Company in its discretion may execute, and, upon the written request of Authorized Officers of the Company, the Trustee or an Authenticating Agent shall authenticate and deliver, a new Note (with each Subsidiary Guarantee endorsed thereon), bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated or defaced Note, or in lieu of and substitution for the Note so apparently destroyed, lost or stolen. In every case the applicant for a substitute Note shall furnish to the Company, the Subsidiary Guarantors and the Trustee, and any agent of the Company, the Subsidiary Guarantors or the Trustee such security or indemnity as may be required by each of them to indemnify and defend and to save each of them harmless and, in every case of destruction, loss or theft, evidence to their satisfaction of the apparent destruction, loss or theft of such Note and of the ownership thereof. Upon the issuance of any substitute Note, such Holder, if so requested by the Company, the Subsidiary Guarantors or the Trustee, or any agent thereof, will pay a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee or its agent(s)) connected with the preparation and issuance of the substitute Note. The Trustee is hereby authorized, in accordance with and subject to the foregoing conditions in this clause (b), to authenticate and deliver, or cause the authentication and delivery of, from time to time, Notes (with each Subsidiary Guarantee endorsed thereon) in exchange for or in lieu of Notes (with each Subsidiary Guarantee endorsed thereon), respectively, which become mutilated, defaced, destroyed, stolen or lost. Each Note delivered in exchange for or in lieu of any Note shall carry all the rights to principal, premium (if any), interest (including rights to accrued and unpaid interest and Additional Amounts) which were carried by such Note.

(c) Mutilated or defaced Certificated Notes must be surrendered before replacements will be issued. In the event any such mutilated, defaced, destroyed, lost or stolen certificate has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new certificate, pay such Notes.

Section 2.10. *Further Issues.* Subject to the covenants described in Article 4 and in accordance with the terms hereof, the Company may, from time to time, without notice to or the consent of the Holders, create and issue additional notes (the “**Additional Notes**”) having the same terms and conditions as the Notes (including the benefit of the Subsidiary Guarantees and the Collateral) in all respects (or in all respects except for the issue date, issue price and the date of the first payment of interest on them and, to the extent necessary, certain temporary securities law transfer restrictions) (a “**Further Issue**”) so that such Additional Notes may be consolidated and form a single class with the previously outstanding Notes and vote together as one class on all matters with respect to the Notes; *provided* that (i) the issuance of any such Additional Notes shall then be permitted under Section 4.05, and (ii) for so long as may be required by the applicable provisions of the Securities Act or the procedures of the Common Depositary, Euroclear or Clearstream, such Additional Notes shall be represented by one Global Note in accordance with Section 2.04(c) and subject to applicable transfer or other restrictions. In connection with any such issuance of Additional Notes,

the Company shall deliver an Officers' Certificate to the Trustee directing the Trustee or an Authenticating Agent to authenticate and deliver Additional Notes in an aggregate principal amount specified therein and the Trustee or an Authenticating Agent, in accordance with such Officers' Certificate, shall authenticate and deliver such Additional Notes. The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture is unlimited.

Section 2.11. *Cancellation of Notes; Disposition Thereof.* All Notes surrendered for payment, redemption, registration of transfer or exchange, if surrendered to the Company or any agent of the Company or the Trustee, shall be delivered to the Paying and Transfer Agent for cancellation or, if surrendered to the Paying and Transfer Agent, shall be canceled by it; and no Notes shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Paying and Transfer Agent shall dispose of canceled Notes held by it in accordance with its customary procedures, and deliver a certificate of disposition to the Company. If the Company shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Notes unless and until the same are delivered to the Paying and Transfer Agent for cancellation. For as long as the Notes are held in Global Notes form, any cancellation of the Notes as a result of redemption, repurchase or repayment of the Notes in accordance with the terms of this Indenture shall be reflected by way of a decrease or markdown in the outstanding principal amount of the Notes, and shall not be reflected through a pool factor or similar records of the clearing systems.

Section 2.12. *ISIN and Common Code Numbers.* The Company in issuing the Notes may use ISIN and Common Code numbers (if then generally in use), and, if so, the Trustee and the Paying and Transfer Agent shall use for the Notes ISIN and Common Code numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee and the Paying and Transfer Agent of any change in the ISIN and Common Code numbers.

ARTICLE 3 REDEMPTION

Section 3.01. *Redemption for Taxation Reasons.* (a) The Notes may be redeemed at the option of the Company or a Surviving Person with respect to the Company, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to the Holders (which notice shall be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Company or the Surviving Person, as the case may be, for redemption (the "**Tax Redemption Date**") if, as a result of:

- (i) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or
- (ii) any change in the existing official position or the stating of an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment is proposed and becomes effective on or after the Original Issue Date with respect to any payment due or to become due under the Notes or this Indenture, the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, and such requirement cannot be avoided by the taking of reasonable measures by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be; provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due.

(b) Prior to the mailing of any notice of redemption of the Notes pursuant to Section 3.01(a), the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, will deliver to the Trustee:

(i) an Officers' Certificate stating that such change or amendment referred to in Section 3.01(a) has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, taking reasonable measures available to it; and

(ii) an Opinion of Counsel or an opinion of a tax consultant, in either case of recognized standing with respect to tax matters of the Relevant Taxing Jurisdiction, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in Section 3.01(a).

The Trustee shall accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above and shall not be obligated to verify the accuracy or content thereof, in which event it shall be conclusive and binding on the Holders.

(c) Any Notes that are redeemed pursuant to the terms of this Section 3.01 will be cancelled.

Section 3.02. *Optional Redemption.*

(a) At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to this Section 3.02 for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

(b) The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected as follows:

(c) A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. With respect to any Certificated Note, a new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

(d) If the Company elects to redeem the Notes pursuant to the optional redemption provisions of Section 3.02 hereof, it must furnish to the Trustee, at least 10 Business Days but not more than 30 Business Days before a redemption date, an Officers' Certificate setting forth:

(i) the clause of this Indenture pursuant to which the redemption shall occur;

The Company shall notify the Trustee of any voluntary prepayment of the Long Term Loan as soon as reasonably practicable in writing. The Trustee may rely conclusively on any such notification provided by the Company.

Section 3.04. Method and Effect of Redemption. (a) The notice of redemption will identify the Notes to be redeemed and will include or state the following:

- (v) on the redemption date the redemption price will become due and payable on Notes called for redemption, and interest on Notes called for redemption will cease to accrue on and after the redemption date; and
- (vi) if any Note contains a ISIN or Common Code number, no representation is being made as to the correctness of the ISIN or Common Code number either as printed on the Notes or as contained in the notice of redemption and that the Holder should rely only on the other identification numbers printed on the Notes.

(b) Any Notes that are redeemed pursuant to the terms of Sections 3.02 and 3.03 will be cancelled.

(c) Once notice of redemption is sent to the Holders pursuant to the terms of Sections 3.02 and 3.03, Notes called for redemption become due and payable at the redemption price on the redemption date, and upon surrender of the Notes called for redemption, the Company shall redeem such Notes at the redemption price. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

ARTICLE 4

Section 4.01. *Payment of Notes.* (a) The Company will pay the principal of, any premium on (if any) and interest, and Additional Amounts, if any, on the Notes on the dates and in the manner provided in the Notes and this Indenture. Not later than one Business Day prior to the Interest Payment Date, the due date of any principal on any Notes, the Tax Redemption Date pursuant to Section 3.01 or the redemption date pursuant to Section 3.02 (each a “**Payment Date**”), the Company will pay or cause to be paid to the account of the Paying and Transfer Agent at the Principal Office, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, in immediately available funds, an amount which shall be sufficient to pay the aggregate amount of interest, principal or premium or all of such amounts, as the case may be, becoming due in respect of the Notes on such Payment Date; *provided* that if the Company or any Affiliate of the Company is acting as Paying and Transfer Agent, it shall, on or before each due date, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such amounts until paid to such Holders or otherwise disposed of as provided in this Indenture. In each case the Company shall promptly notify the Trustee and the Paying and Transfer Agent of its compliance with this paragraph. The Company shall procure that, before 9:00 a.m. (New York City time) on the third Business Day before each Payment Date, the bank effecting payment for it confirms by tested telex or authenticated SWIFT message to the Paying and Transfer Agent the payment instructions relating to such payment. The Paying and Transfer Agent shall not be bound to make any payment until it has received the full amount due to be paid to it pursuant to this Section 4.01.

(b) An installment of principal, premium or interest will be considered paid on the date due if the Paying and Transfer Agent, other than the Company or any Affiliate of the Company, holds on that date money designated for and sufficient to pay the installment. If the Company or any Affiliate of the Company acts as Paying and Transfer Agent, an installment of principal or interest will be considered paid on the due date only if paid to the Holders.

(c) The Paying and Transfer Agent, which will include the Company or any Affiliate of the Company if it is acting as Paying and Transfer Agent will make payments in respect of the Notes represented by the Global Notes by wire transfer of immediately available funds to the accounts specified by the Holders of the Global Notes. With respect to Certificated Notes, the Paying and Transfer Agent will make all payments by wire transfer of immediately available funds to the accounts specified by the Holders thereof or, if no such account is specified, by mailing a check to each Holder’s registered address; *provided* that if the Company or any Affiliate of the Company is acting as Paying and Transfer Agent, it shall make such payment to the Holders as specified above.

(d) At least three Business Days prior to the first Payment Date and, if there has been any change with respect to the matters set forth in the below-mentioned certificate, at least three Business Days prior to each Payment Date thereafter, the Company shall furnish the Paying and Transfer Agent with an Officers’ Certificate instructing the Paying and Transfer Agent as to any circumstances in which payments of principal of, or interest or premium on, the Notes due on such date shall be subject to deduction or withholding for, or on account of, any Taxes described in Section 4.20 and the rate of any such deduction or withholding. If any such deduction or withholding shall be required and if the Company therefore becomes liable to pay Additional Amounts, if any, pursuant to Section 4.20 then at least three Business Days prior to each Payment Date, the Company shall furnish the Paying and Transfer Agent with a certificate which specifies the amount required to be withheld on such payment to Holders of the Notes, and the Additional Amounts, if any, due to the Holders of the Notes, and at least one Business Day prior to such Payment Date, will pay to the Paying and Transfer Agent such Additional Amounts, if any, as shall be required to be paid to such Holders.

(e) Whenever the Company appoints a Paying and Transfer Agent other than the Trustee for the purpose of paying amounts due in respect of the Notes, it will cause such Paying and Transfer Agent to execute and deliver to the Trustee an instrument substantially in the form of Exhibit E hereof in which such agent shall agree with the Company, among other things, to be bound by and observe the provisions of this Indenture (including the Notes). The Company shall cause each Paying and Transfer Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying and Transfer Agent shall agree with the Trustee,

(i) that it will hold all sums received by it as such Paying and Transfer Agent for the payment of the principal of, or premium or interest on, the Notes (whether such sums have been paid to it by or on behalf of the Company or by any other obligor on the Notes or any Subsidiary Guarantee) in trust for the benefit of the Holders or of the Trustee;

(ii) that it will give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes or any Subsidiary Guarantee) to make any payment of the principal of, or premium or interest on, the Notes and any other payments to be made by or on behalf of the Company under this Indenture, when the same shall be due and payable; and

(iii) that it will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request at any time during the continuance of a failure referred to in clause (ii) above.

Anything in this Section 4.01 to the contrary notwithstanding, the Company may at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by the Company or any Paying and Transfer Agent hereunder, as required by this Section 4.01 and such sums shall be held by the Trustee upon the trusts herein contained. If the Paying and Transfer Agent shall pay all sums held in trust to the Trustee as required under this Section 4.01, the Paying and Transfer Agent shall have no further liability for the money so paid over to the Trustee.

Anything in this Section 4.01 to the contrary notwithstanding, the agreements to hold sums in trust as provided in this Section 4.01 are subject to the provisions of Section 8.03.

Section 4.02. *Maintenance of Office or Agency.* (a) The Company will maintain an office or agency where Notes may be surrendered for registration of transfer or exchange or for presentation for payment and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served to the Trustee.

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be surrendered or presented for any of such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each place where principal of, and interest or premium on, any Notes are payable. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) So long as the Notes are listed on the SGX-ST and the SGX-ST so requires, there will be a Paying and Transfer Agent in Singapore. The Company will give to the Trustee written notice of the location of any such office or agency and of any change of location thereof. The Company has initially appointed the Paying and Transfer Agent and Registrar listed in Exhibit G.

(d) So long as any of the Notes remain outstanding, each of the Subsidiary Guarantors will maintain in each place where principal of, and interest or premium on, any Notes is payable an office or agency where notices and demands to or upon each of the Subsidiary Guarantors in respect of the Notes, the Subsidiary Guarantees or this Indenture may be served. Each of the Subsidiary Guarantors hereby initially designates the Principal Office as the office or agency for each such purpose. In case any of the Subsidiary Guarantors shall fail to maintain any such office or agency or shall fail to give notice of the location or of any change in the location thereof, presentations and demands may be made and notices may be served at the Trustee's office.

Section 4.08. Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries. (a) Except as provided below, the Company will not, and will not permit any Restricted

Subsidiary to, create or otherwise cause or permit to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (ii) pay any Indebtedness or other obligation owed to the Company or any other Restricted Subsidiary;
- (iii) make loans or advances to the Company or any other Restricted Subsidiary; or

(b) The provisions of (a) do not apply to any encumbrances or restrictions:

(i) existing in agreements as in effect on the Original Issue Date, or in the Notes, the Subsidiary Guarantees, this Indenture, the Security Documents, or under any Permitted Pari Passu Secured Indebtedness or Pari Passu Guarantee, and any extensions, refinancings, renewals or replacements of any of the foregoing agreements; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

(ii) existing under or by reason of applicable law, rule, regulation or government order;

(iii) existing with respect to any Person or the property or assets of such Person acquired by the Company or any Restricted Subsidiary, at the time of such acquisition and not incurred in contemplation thereof, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Person or the property or assets of such Person so acquired, and any extensions, refinancings, renewals or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

(iv) that otherwise would be prohibited by the provision described in clause (iv) of Section 4.08(a) if they arise, or are agreed to in the ordinary course of business and, that (A) restrict in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease or license, or (B) exist by virtue of any Lien on, or agreement to transfer, option or similar right with respect to any property or assets of the Company or any Restricted Subsidiary not otherwise prohibited by this Indenture or (C) do not relate to any Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of the Company or any Restricted Subsidiary in any manner material to the Company or any Restricted Subsidiary;

(v) with respect to a Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock of, or

property and assets of, such Restricted Subsidiary that is permitted by Section 4.09, Section 4.05 and Section 4.13;

(vi) with respect to any Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the Incurrence of Indebtedness or issuance of Preferred Stock permitted to be incurred under Section 4.05 if, as determined by the Board of Directors, the encumbrances or restrictions are (A) customary for such types of agreements and (B) would not, at the time agreed to, be expected to materially and adversely affect the ability of the Company to make any required payment on the Notes and, any extensions, refinancings, renewals or replacements of any of the foregoing agreements; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

(vii) existing in customary provisions in shareholders' agreement, joint venture agreements and other similar agreements permitted under this Indenture, to the extent such encumbrance or restriction relates to the activities or assets of a Restricted Subsidiary that is a party to such joint venture and if (as determined in good faith by the Board of Directors) (i) the encumbrances or restrictions are customary for a joint venture or similar agreement of that type and (ii) the encumbrances or restrictions would not, at the time agreed to, be expected to materially and adversely affect (x) the ability of the Company to make the required payments on the Notes, or (y) any Subsidiary Guarantor to make required payments under its Subsidiary Guarantee; or

(viii) existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Subsidiary or its subsidiaries or the property or assets of such Subsidiary or its subsidiaries, and any extensions, refinancing, renewals or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced.

(a) to the Company or a Restricted Subsidiary;

(b) to the extent such Capital Stock represents director's qualifying shares or is required by applicable law to be held by a Person other than the Company or a Restricted Subsidiary;

(c) for the issuance or sale of the Capital Stock of a Restricted Subsidiary if, immediately after giving effect to such issuance or sale, such Restricted Subsidiary would no longer constitute a Restricted Subsidiary and any remaining Investment in such Person would have been permitted to be made under Section 4.06 if made on the date of such issuance or sale and *provided* that the Company complies with Section 4.13; or

(d) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale); *provided* that the Company or such Restricted Subsidiary applies the Net Cash Proceeds of such issuance or sale in accordance with Section 4.13.

Section 4.10. *Limitation on Issuances of Guarantees by Restricted Subsidiaries.*

(a) To the extent any Subsidiary Guarantee remains outstanding, the Company will not permit any Restricted Subsidiary which is not a Subsidiary Guarantor, directly or indirectly, to Guarantee any Relevant Indebtedness (“**Guaranteed Indebtedness**”) of the Company or any Subsidiary Guarantor, unless (i) (a) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to this Indenture, providing for an unsubordinated Subsidiary Guarantee of payment of the Notes by such Restricted Subsidiary and (b) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee, until the Notes have been paid in full or (ii) such Guarantee is permitted by clause (iii), (iv), (xiv)(B) (other than, in the case of clause (xiv)(B), (x) a Guarantee by a PRC Restricted Subsidiary of the Indebtedness of a non-PRC Restricted Subsidiary that is not a Subsidiary of such PRC restricted Subsidiary or (y) a Guarantee by a non-PRC Restricted Subsidiary that is not a Subsidiary Guarantor of Indebtedness of a Subsidiary Guarantor) or (xviii) (in the case of clause (xviii), with respect to the Guarantee provided by the Company or any Restricted Subsidiary through the pledge of cash deposits, bank accounts or other assets to secure (or the use of any Guarantee, letter of credit or similar instrument to Guarantee) any Bank Deposit Secured Indebtedness) of Section 4.05(b).

(b) If the Guaranteed Indebtedness (i) ranks *pari passu* in right of payment with the Notes, any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall rank *pari passu* in right of payment with, or subordinated to, the Subsidiary Guarantee, or (ii) is subordinated in right of payment to the Notes or any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall be subordinated in right of payment to the Subsidiary Guarantee, at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes or the Subsidiary Guarantee.

Section 4.11. *Limitation on Sale and Leaseback Transactions.* The Company will not, and will not permit any of its Restricted Subsidiaries to, enter into any Sale and Leaseback Transaction; *provided* that the Company or any Restricted Subsidiary may enter into a Sale and Leaseback Transaction if:

(a) the Company or any Restricted Subsidiary could have (i) incurred Indebtedness in an amount equal to the Attributable Indebtedness relating to such Sale and Leaseback Transaction under Section 4.05(a) and (ii) incurred a Lien to secure such Indebtedness pursuant to Section 4.07, in which case, the corresponding Indebtedness and Lien will be deemed incurred pursuant to those provisions;

(b) the gross cash proceeds of that Sale and Leaseback Transaction are at least equal to the Fair Market Value of the property that is the subject of such Sale and Leaseback Transaction; and

(c) the transfer of assets in that Sale and Leaseback Transaction is permitted by, and the Company or any Restricted Subsidiary applies the proceeds of such transaction in compliance with, Section 4.13.

Section 4.12. *Repurchase of Notes Upon a Change of Control Triggering Event.*

(a) Not later than 30 days following a Change of Control Triggering Event, the Company will make an Offer to Purchase all outstanding Notes (a “**Change of Control Offer**”) at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but not including) the Offer to Purchase Payment Date.

(b) The Company will in a timely manner repay all Indebtedness or obtain consents as necessary under, or terminate, agreements or instruments that would otherwise prohibit a Change of Control Offer required to be made pursuant to this Section 4.12.

(c) Notwithstanding the above, the Company will not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third party makes the Change of Control Offer in the same manner at the same time and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Section 4.13. *Limitation on Asset Sales.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless:

(i) no Default shall have occurred and be continuing or would occur as a result of such Asset Sale;

(ii) the consideration received by the Company or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of;

(iii) at least 75% of the consideration received consists of cash, Temporary Cash Investment or Replacement Assets; *provided* that in the case of an Asset Sale in which the Company or such Restricted Subsidiary receives Replacement Assets involving aggregate consideration in excess of US\$80.0 million (or the Dollar Equivalent thereof), the Company shall deliver to the Trustee an opinion as to the fairness to the Company or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an accounting, appraisal or investment banking firm of international standing. For purposes of this provision, each of the following will be deemed to be cash:

(1) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes, any Subsidiary Guarantee) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that releases the Company or such Restricted Subsidiary from further liability; and

(2) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from such transferee that are promptly, but in any event within 30 days of closing, converted by the Company or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion.

(b) Within 360 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company (or any Restricted Subsidiary, as the case may be) may apply such Net Cash Proceeds to:

(i) permanently repay Senior Indebtedness of the Company or a Subsidiary Guarantor or any Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor (and, if such Senior Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) in each case owing to a Person other than the Company or a Restricted Subsidiary;

(ii) acquire Replacement Assets; or

(iii) facilitate property delivery or to ensure social stability as required by PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures, *provided* that the Company shall deliver a notice to the Trustee within 5 Business Days after the application of such Net Cash Proceeds pursuant to this clause (iii), summarizing (i) the amount of the Net Cash Proceeds so applied, (ii) the asset(s) subjected to such Asset Sale and (iii) the identity of the party involved in such Asset Sale, to the extent (x) the Company has received notice from relevant PRC government bodies or otherwise has actual knowledge thereof and (y) not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

Pending application of such Net Cash Proceeds as set forth in clause (i) or (ii) above, the Company or any Restricted Subsidiary may make an Investment in cash or Temporary Cash Investments.

(c) Any Net Cash Proceeds from Asset Sales that are not applied or invested as provided in Section 4.13(b)(i) and Section 4.13(b)(ii) above will constitute “**Excess Proceeds.**” Excess proceeds of less than US\$10.0 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. When accumulated Excess Proceeds exceed US\$10.0 million (or the Dollar Equivalent thereof), within 10 days thereof, the Company must make an Offer to Purchase Notes having a principal amount equal to:

(i) accumulated Excess Proceeds; multiplied by

(ii) a fraction (A) the numerator of which is equal to the outstanding principal amount of the Notes and (B) the denominator of which is equal to the outstanding principal amount of the Notes and all pari passu Indebtedness similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale,

(iii) rounded down to the nearest US\$1.

(d) The offer price in any Offer to Purchase will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash.

(e) If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes (and any other pari passu Indebtedness) tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Notes (and such other pari passu Indebtedness) will be purchased on a *pro rata* basis. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

Section 4.14. *Limitation on Transactions with Shareholders and Affiliates.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into, renew or extend any transaction or arrangement (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with (x) any holder (or any Affiliate of such holder) of 10% or more of any class of Capital Stock of the Company or (y) any Affiliate of the Company (each an “**Affiliate Transaction**”), unless:

(i) the Affiliate Transaction is on fair and reasonable terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable arm’s length transaction by the Company or the relevant Restricted Subsidiary with a Person that is not an Affiliate of the Company; and

(ii) the Company delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US\$10.0 million (or the Dollar Equivalent thereof), a Board Resolution set forth in an Officers’ Certificate certifying that such Affiliate Transaction complies with this Section 4.14 and such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US\$20.0 million (or the Dollar Equivalent thereof), in addition to the Board Resolution required in clause (ii)(A) above, an opinion as to the fairness to the Company or the relevant Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of recognized international standing.

(b) The limitation set forth in Section 4.14(a) above does not limit and shall not apply to:

- (ii) transactions between or among the Company and any of its Wholly Owned Restricted Subsidiaries or between or among Wholly Owned Restricted Subsidiaries;

- (iv) any sale of Capital Stock (other than Disqualified Stock) of the Company;
- (v) the payment of compensation to officers and directors of the Company or any Restricted Subsidiary pursuant to an employee stock or share option scheme, so long as such scheme is in compliance with the listing rules of The Stock Exchange of Hong Kong Limited, which as of the Original Issue Date require a majority shareholder approval of any such scheme;
- (vi) any transaction between (A) the Company or any Restricted Subsidiary and (B) any entity in the Restructuring Group entered into in connection with the Restructuring, including, without limitation, transactions entered into for purposes of any reorganization in connection with any Qualified IPO of the Restructuring Group and the entry into, and the performance thereof, of any underwriting agreement or other transaction documents in connection with the Restructuring;

(i) for or on account of:

(A) any tax, duty, assessment or other governmental charge that would not have been imposed but for:

(1) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Relevant Jurisdiction other than merely holding such Note or the receipt of payments thereunder or under a Subsidiary Guarantee, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction

or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

(3) the failure of the Holder or beneficial owner to comply with a timely request of the Company, a Surviving Person or any Subsidiary Guarantor addressed to the Holder to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that due and timely compliance with such request would have reduced or eliminated any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder;

(4) the presentation of such Note (in cases in which presentation is required) for payment in the Relevant Jurisdiction, unless such Note could not have been presented for payment elsewhere;

(B) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(ii) with respect to any payment of the principal of, or premium, if any, or interest on, such Note or any payment under any Subsidiary Guarantee to a Holder, if the Holder is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor, with respect to the fiduciary, a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

(b) Whenever there is mentioned in any context the payment of principal of, and any premium or interest, on any Note or under any Subsidiary Guarantee, such mention shall be deemed to include payment of Additional Amounts provided for in this Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(k) the Company or any other Chargor denies or disaffirms its obligations under the Intercreditor Agreement or any Security Document or, other than in accordance with this Indenture, the Intercreditor Agreement and the Security Documents, any Security Document ceases to be or is not in full force and effect or the Trustee ceases to have a security interest in the Collateral (subject to Permitted Liens).

Section 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(g) or 6.01(h)) occurs and is continuing under this Indenture with respect to any Notes, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the Trustee if such notice is given by the Holders) may, and the Trustee at the request of such Holders (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) shall, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If (i) an Event of Default specified in Section 6.01(g) or 6.01(h) occurs with respect to the Company or any Significant Restricted Subsidiary or (ii) the Long Term Loan has been declared to be due and payable prior to its Stated Maturity in accordance with the facility agreement governing the Long Term Loan, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder, *provided, however*, that in the case of (ii), Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes may rescind and annul any acceleration of the Notes as a result of an acceleration of the Long Term Loan in accordance with Section 9.02. The Company shall notify the Trustee as soon as reasonably practicable in writing in the event that the Long Term Loan has been declared to be due and payable prior to its Stated Maturity in accordance with the facility agreement governing the Long Term Loan. The Trustee may rely conclusively on any such notification provided by the Company.

Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may, and shall, upon the written request of Holders of at least 25% in aggregate principal amount of outstanding Notes, (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) foreclose on the Collateral in accordance with the terms of the Security Documents and take such further action on behalf of the Holders of the Notes with respect to the Collateral as the Trustee deems appropriate.

Section 6.04. *Waiver of Past Defaults.* Except as otherwise provided in Section 6.02, the Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee may on behalf of all the Holders of Notes waive all past Defaults and rescind and annul a declaration of acceleration and its consequences if: (a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived, and (b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05. *Control by Majority.* The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction in advance of the proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes.

Section 6.06. *Limitation on Suits.* A Holder may not institute any proceeding, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture or the Notes unless:

- (a) the Holder has previously given the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder or Holders provide the Trustee indemnity and/or security and/or prefunding satisfactory to the Trustee against any costs, liability or expense, to be incurred in compliance with such written request;
- (d) the Trustee does not comply with the request within 60 days after receipt of the written request and the offer of indemnity and/or security and/or prefunding satisfactory to it referred to in (b) and (c) above; and
- (e) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. *Rights of Holders to Receive Payment.* The right of any Holder to receive payment of the principal of, premium, if any, or interest on, such Note, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, shall not be impaired or affected without the consent of Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes.

Section 6.08. *Compliance Certificate.* The Company will submit an Officers' Certificate to the Trustee, in substantially the form attached hereto as Exhibit F, on or before a date not more than 120 days after the end of each fiscal year ending after the Original Issue Date, stating (i) a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under this Indenture and that the Company has fulfilled all obligations hereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof and (ii) if there is any Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness or any transaction subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) that is

incurred for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as requested or required by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measure, during the period under review and to the extent the Company has received notice from relevant PRC government bodies or in accordance with applicable PRC laws, rules, regulations, government policies or measures with respect to such Asset Sale, Permitted Investment, Permitted Lien, Permitted Indebtedness or transaction subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) or otherwise has actual knowledge thereof, provide a brief description thereof, including value or parties involved, to the extent not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

Section 6.09. *Collection Suit By Trustee.* If an Event of Default in payment specified in Section 6.01(a) or Section 6.01(b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount remaining unpaid, together with interest on overdue principal or premium and, to the extent lawful, overdue installments of interest, in each case at the rate specified in the Notes, and such further amount as is sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

Section 6.10. *Trustee May File Proofs of Claim.* The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the Holders allowed in any judicial proceedings relating to the Company or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Notes or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Indenture will be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.11. *Priorities.*

(a) At any time during which the Intercreditor Agreement is in force, the Trustee agrees that any money collected upon enforcement of the Collateral shall be distributed in accordance with the Intercreditor Agreement.

(b) Any money collected by the Trustee other than upon enforcement of Collateral or at any time during which the Intercreditor Agreement is not in force shall be paid out in the following order:

First, to the Trustee to the extent necessary to reimburse the Trustee for any expenses incurred in connection with the collection or distribution of such amounts held or realized or in connection with expenses incurred in enforcing its remedies under the Security Documents and preserving the Collateral and all amounts for which the Trustee is entitled to indemnification under the Security Documents;

Second, to each of the Agents to the extent necessary to reimburse each of the Agents for any unpaid fees and amounts due to any of the Agents and any expenses incurred by such Agents in connection with the performance of its obligations under this Indenture and all amounts for which each of the Agents is entitled to indemnification under this Indenture;

Third, to the Trustee for the benefit of Holders; and

Fourth, any surplus remaining after such payments will be paid to the Chargors or to whomever may be lawfully entitled thereto.

The Trustee, upon written notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Section 6.11.

Section 6.12. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted a proceeding to enforce any right or remedy under this Indenture and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the Holder, then, subject to any determination in the proceeding, the Company, any Subsidiary Guarantors, the Trustee and the Holders will be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Company, any Subsidiary Guarantors, the Trustee and the Holders will continue as though no such proceeding had been instituted.

Section 6.13. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.13 does not apply to a suit by a Holder to enforce payment of principal of, premium on or interest on any Note on the respective due dates, or a suit by Holders of more than 10% in principal amount of the outstanding Notes.

Section 6.14. *Rights and Remedies Cumulative.* No right or remedy conferred or reserved to the Trustee or to the Holders under this Indenture is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or exercise of any other right or remedy.

Section 6.15. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.16. *Waiver of Stay, Extension or Usury Laws.* Each of the Company and the Subsidiary Guarantors covenants, to the extent that it may lawfully do so, that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company or such Subsidiary Guarantor, from paying all or any portion of the principal of, or premium or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture. Each of the Company and the Subsidiary Guarantors hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7 THE TRUSTEE

Section 7.01. *General.* (a) The duties and responsibilities of the Trustee are as set forth herein. Whether or not expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to this Article.

(b) Except during the continuance of an Event of Default, the Trustee needs to perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee. In case an Event of Default has occurred and is continuing and the Trustee has received written notice thereof pursuant to Section 7.05, the Trustee shall exercise those rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. During the continuance of an Event of Default, the Trustee shall act upon the written direction of the Holders of at least 25% of the aggregate principal amount then outstanding, subject to its receiving indemnity and/or security to its satisfaction.

(c) Should the Trustee become a creditor of the Company or any of the Subsidiary Guarantors, the rights of the Trustee to obtain payment of claims in certain cases or to realize on certain property received by the Trustee in respect of any such claims as security or otherwise will be limited. The Trustee is permitted to engage in other transactions, including normal banking and trustee relationships, with the Company and its Affiliates; *provided, however*, that if any direct conflict of interest arises between the Trustee and the Company or any of the Subsidiary Guarantors, the Trustee hereby agrees to eliminate such conflict or resign.

(d) None of the Trustee and Agents nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral securing the Notes, for the legality, enforceability, effectiveness sufficiency of the Security Documents, for the creation, perfection, maintenance, priority, sufficiency or protection of any of the Liens created pursuant to the Security Documents, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or Security Documents or any delay in doing so, except as a result of the Agent's own fraud, gross negligence or willful misconduct.

(e) Neither the Trustee nor the Collateral Agent will be under any obligation to exercise any rights or powers conferred under this Indenture or any of the Security Documents for the benefit of the Holders, unless such Holders have provided to the Trustee and/or the Collateral Agent indemnity and/or security satisfactory to the Trustee and/or the Collateral Agent against any loss, liability or expense that might be incurred by it in compliance with such direction. The Trustee shall not be liable to any person for having acted on instruction or direction provided to it by Holders with respect to the Indenture and the Notes.

(f) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own fraud, grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that (i) this paragraph does not limit the effect of paragraph (a) of this Section 7.1, (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertaining facts, and (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith (i) in accordance with a direction received by it pursuant to Section 6.02 or 6.05 or (ii) if such action or omission may, in the Trustee's opinion following advice in writing by legal counsel of international repute, be contrary to any law of any jurisdiction or any directive or regulation of any agency of any jurisdiction.

(g) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible to any Person for failing to request, require or receive any account statement pursuant to any Security Document or for failing to check or comment upon the accuracy of such account statements and shall have no responsibility for the contents of any account statement prepared pursuant to any Security Document and, for the avoidance of doubt, it is intended that the Trustee shall not check or comment on any such account statement.

(h) Unless the Trustee receives prior written notice from the Company or the Holders in accordance with the terms of this Indenture, the Trustee shall be entitled to assume, without any further inquiry, that the Company has duly performed all of its obligations in accordance with this Indenture, including each of the exhibits attached hereto.

(i) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible for recitals, statements, warranties or representations of any party contained in this Indenture or any other agreement or other document, including the Security Documents and the Intercreditor Agreement, entered into in connection herewith or therewith and shall assume the accuracy and correctness thereof and shall not be responsible for the execution, legality, effectiveness, adequacy, genuineness, validity or enforceability or admissibility in evidence of any such agreement or other document or any trust or security thereby constituted or evidenced, and the Trustee may accept without enquiry, requisition or objection such title as the Company may have to the property charged, pledged, mortgaged or assigned pursuant to the Security Documents or the Intercreditor Agreement or any part thereof from time to time and shall not be bound to investigate or make any enquiry into the title of the Company to such property or any part thereof from time to time whether or not any default or failure is or was known to the Trustee or might be, or might have been, discovered upon examination, inquiry or investigation and whether or not capable of remedy. Notwithstanding the generality of the foregoing, each Holder shall be solely responsible for making its own independent appraisal of, and investigation into, the financial condition, creditworthiness, condition, affairs, status and nature of the Company and any Subsidiary Guarantor, and the Trustee shall not at any time have any responsibility for the same and each Holder shall not rely on the Trustee in respect thereof.

Section 7.02. *Certain Rights of Trustee.* Subject to Section 7.01:

(a) In the absence of bad faith on its part, the Trustee may rely, and will be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in original or electronic form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but, in the case of any document which is specifically required to be furnished to the Trustee pursuant to any provision hereof, the Trustee shall examine the document to determine whether it conforms to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). Neither the Trustee nor the Agents shall be responsible for making calculations or for verifying calculations performed by the Company or any other persons unless otherwise expressly specified in this Indenture. The Trustee, in its sole and absolute discretion, may make further inquiry or investigation into such facts or matters as it sees fit.

Notwithstanding anything else herein contained, each of the Trustee and Agents may refrain without liability from doing anything that would or might in its reasonable opinion be contrary to any law of any state or jurisdiction (including but not limited to the laws of Hong Kong, the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its reasonable opinion, necessary to comply with any such law, directive or regulation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel conforming to Sections 12.03 and 12.04 and the Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by it hereunder. To the extent an agent has been named by the Trustee in connection with this Indenture, the parties hereto shall cooperate to ensure that such agent can perform the duties for which it was appointed. Upon an Event of Default, the Trustee shall be entitled to require all agents to act solely in accordance with its directions.

(d) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have provided to the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expenses that might be incurred by it in compliance with such request or direction.

(e) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers or for any action it takes or omits to take in

accordance with the direction of the Holders in accordance with Section 6.02 or 6.05 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(f) The Trustee may consult with counsel or other professional advisors of its selection, and the written advice of such counsel or advisors or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(g) If any Subsidiary Guarantor is substituted to make payments on behalf of the Company pursuant to Article 11, the Company shall promptly notify the Trustee and any clearing house through which the Notes are traded of such substitution and such Subsidiary Guarantor.

(h) Under no circumstances will the Trustee or any Agent be liable to the Company, any Subsidiary Guarantor for any indirect consequential punitive or special damages, even if advised of the possibility of such loss or damage.

(i) The Trustee is entitled to assume without enquiry, that each of the Company and the Subsidiary Guarantors has performed in accordance with all of the provisions in this Indenture, unless notified to the contrary.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate.

(k) In connection with the exercise by it of its trusts, powers, authorities or discretions (including, without limitation, any modification, waiver, authorization or determination), the Trustee shall have regard to the general interests of the Holders as a class but shall not have regard to any interests arising from circumstances particular to individual Holders (whatever their number) and in particular, but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers, authorities or discretions for individual Holders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any country, state or territory and a Holder shall not be entitled to require, nor shall any Holder be entitled to claim, from the Company, the Trustee or any other Person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Holders except to the extent already provided in Section 4.20 and/or any undertaking given in addition to, or in substitution for, Section 4.20 pursuant to this Indenture.

Section 7.03. *Individual Rights of Trustee.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee and nothing herein shall obligate the Trustee to account for any profits earned from any business or transactional relationship. Any Agent may do the same with like rights.

Section 7.04. *Trustee's Disclaimer.* The Trustee (a) makes no representation as to the validity or adequacy of this Indenture, the Notes or the Guarantee of any Subsidiary Guarantor, (b) is not accountable for the Company's use or application of the proceeds from the Notes, is not responsible for any statement in the Notes other than its certificate of authentication and (d) shall not have any responsibility for the Company's or any Holder's compliance with any state or U.S. federal securities law in connection with the Notes.

Section 7.05. *Notice of Default.* If any Default occurs and is continuing and is known to the Trustee, the Trustee will send notice of the Default to each Holder within 30 days after it occurs, or, if later, within 15 days after it is known to the Trustee unless the Default has been cured; *provided* that, except in each case of (a) a default in the payment of the principal of or premium or interest on any Note, (b) a default in the performance of, or a breach under any agreement of, the Undertakings by Gemfair Investments Limited or

Shiying Finance Limited or (c) a Monitoring Agent Report is not issued and delivered to the Trustee in accordance with Section 4.26(b)(iii), the Trustee may withhold the notice if and so long as the board of directors, the executive committee or a trust committee of the Trustee in good faith determines that withholding the notice is in the interest of the Holders. The Trustee shall not be deemed to have knowledge of a Default or Event of Default unless and until a Responsible Officer obtains actual knowledge of such Default or Event of Default through written notification from the Company, Gemfair Investments Limited or Shiying Finance Limited or as otherwise contemplated herein describing the circumstances of such, and identifying the circumstances constituting such Default or Event of Default.

Section 7.06. *Compensation and Indemnity.* (a) The Company and/or the Subsidiary Guarantors agree to be jointly and severally responsible for and will pay the Trustee compensation as agreed upon in writing for its services. The compensation of the Trustee is not limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances (including costs of collection) incurred or made by the Trustee, including the reasonable compensation, expenses and disbursements of the Trustee's agents and counsel and other Persons not regularly within its employ.

(b) Each of the Company and the Subsidiary Guarantors agrees to be jointly and severally responsible for and will indemnify the Trustee or any predecessor Trustee and their agents, employees, officers and directors for, and hold it harmless against, any loss or liability or expense incurred by it without negligence or willful misconduct on its part arising out of or in connection with the acceptance or administration of this Indenture and its duties under this Indenture, the Notes and the Subsidiary Guarantees, including (i) the costs and expenses of defending itself against any claim or liability and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under this Indenture and the Notes and (ii) the compensation, expenses and disbursements of the Trustee's agents and counsel and other Persons not regularly within the Trustee's employ.

(c) To secure the Company's payment obligations in this Section 7.06, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, and interest on particular Notes.

(d) When the Trustee incurs expenses or renders services pursuant to the Indenture after the occurrence of an Event of Default specified in clauses (g) or (h) of Section 6.01 with respect to the Company or Subsidiary Guarantor, the expenses are intended to constitute expenses of administration under the United States Bankruptcy Code (Title 11 of the United States Code) or any other similar law for the relief of debtors.

(e) This Section 7.06 shall survive the redemption or maturity of the Notes, the termination of this Indenture, and the termination of the appointment of the Trustee.

Section 7.07. *Replacement of Trustee.* (a) (i) The Trustee may resign at any time by written notice to the Company.

(ii) The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by written notice to the Trustee.

(iii) The Company may remove the Trustee if: (A) the Trustee is adjudged a bankrupt or insolvent; (B) a receiver or other public officer takes charge of the Trustee or its property; or (C) the Trustee becomes incapable of acting.

A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) If the Trustee has been removed by the Holders, then the Holders of a majority in principal amount of the Notes may appoint a successor Trustee with the consent of the Company. Otherwise, if the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. If the successor Trustee does not deliver its written acceptance within

30 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the expense of the Company), the Company or the Holders of a majority in the aggregate principal amount of the outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) Upon delivery by the successor Trustee of a written acceptance of its appointment to the retiring Trustee and to the Company, (i) the retiring Trustee will transfer all property and documents held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.06, (ii) the resignation or removal of the retiring Trustee will become effective, and (iii) the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. Upon request of any successor Trustee, the Company will execute any and all instruments for fully vesting in and confirming to the successor Trustee all such rights, powers and trusts. The Company will give notice of any resignation and any removal of the Trustee and each appointment of a successor Trustee to all Holders, and include in the notice the name of the successor Trustee and the address of its Corporate Trust Office.

(d) Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 will continue for the benefit of the retiring Trustee.

Section 7.08. *Successor Trustee by Consolidation, Merger, Conversion or Transfer.* If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business or assets (including the administration of the trust created by this Indenture) to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act will be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee in this Indenture.

Section 7.09. *Money Held In Trust.* The Trustee will not be liable for interest on any money received by it except as it may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law and except for money held in trust under Article 8.

Section 7.10. *Confidentiality.* Each of the Trustee and Agents will treat information relating to the Company and to the Subsidiary Guarantors as confidential, but (unless consent is prohibited by law) the Company and the Subsidiary Guarantors consent to the transfer and disclosure by the Trustee and Agents of any information relating to the Company and the Subsidiary Guarantors to and between branches, subsidiaries, representative offices, affiliates and agencies of the Trustee and Agents and third parties selected by any of them, wherever situated, for internal use only (including in connection with the provision of any service and for data processing, statistical and risk analysis purposes). The Trustee and Agents and any branch, subsidiary, representative office, affiliate, agent or third party may transfer and disclose any such information if and only to the extent required by any law, court regulator or legal process.

ARTICLE 8 SATISFACTION AND DISCHARGE

Section 8.01. *Satisfaction and Discharge of Indenture.* (a) This Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when;

(i) Either:

(A) all of the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust by the Company and thereafter repaid to the Company) have been delivered to the Paying Agent for cancellation; or

(B) all Notes not theretofore delivered to the Paying Agent for cancellation have become due and payable pursuant to an optional redemption notice or otherwise or will become due and payable within one year, and the Company has irrevocably deposited

or caused to be deposited with the Paying Agent funds, in cash in U.S. dollars, non-callable U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Paying Agent for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable written instructions from the Company directing the Trustee or the Paying Agent to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(ii) the Company or any Subsidiary Guarantor has paid all other sums payable under this Indenture; and

(iii) such deposit will not result in a breach or violation of, or constitute a default under, any instruments to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound (other than this Indenture, the Notes or any Security Document).

In addition, the Company must deliver to the Trustee an Officers' Certificate stating that all conditions precedent to satisfaction and discharge have been satisfied.

Section 8.02. *Application of Trust Money.* Subject to Section 8.03, the Trustee will hold in trust the money or U.S. Government Obligations deposited with it pursuant to Section 8.01, and apply the deposited money and the proceeds from deposited U.S. Government Obligations to the payment of principal of and premium or interest on the Notes in accordance with the Notes and this Indenture. Such money and U.S. Government Obligations will be segregated from other funds.

Section 8.03. *Repayment to Company.* Subject to Sections 7.06 and 8.01, the Trustee will promptly pay to the Company upon written request by the Company in the form of an Officers' Certificate any excess money held by the Trustee at any time and thereupon be relieved from all liability with respect to such money. The Trustee will pay to the Company upon written request by the Company in the form of an Officers' Certificate any money held for payment with respect to the Notes that remains unclaimed for two years, *provided* that before making such payment the Trustee may at the expense of the Company publish once in a newspaper of general circulation in New York City, or send to each Holder entitled to such money, notice that the money remains unclaimed and that after a date specified in the notice (at least 30 days after the date of the publication or notice) any remaining unclaimed balance of money will be repaid to the Company. After payment to the Company, Holders entitled to such money must look solely to the Company for payment, unless applicable law designates another Person, and all liability of the Trustee with respect to such money will cease.

Section 8.04. *Reinstatement.* If and for so long as the Trustee is unable to apply any money or U.S. Government Obligations held in trust pursuant to Section 8.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes will be reinstated as though no such deposit in trust had been made. If the Company makes any payment of principal of, premium or interest on any Notes because of the reinstatement of its obligations, it will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held in trust.

ARTICLE 9

AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 9.01. *Amendments without Consent of Holders.* (a) This Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document may be amended, without the consent of any Holder, to:

(xii) make any other change that does not materially and adversely affect the rights of any Holder; and

(xiii) conform the text of this Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or the Security Documents to any provision of the "Term Sheet" as defined in the Creditor Support Agreement to the extent that such provision in the "Term Sheet" as defined in the Creditor Support Agreement was objectively intended to be a verbatim recitation of a provision of this Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or the Security Documents.

Section 9.02. *Amendments with Consent of Holders.* (a) Except as provided below, amendments of this Indenture, the Intercreditor Agreement and the Security Documents may be made by the Company, the Subsidiary Guarantors and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes, and the Holders of a majority in principal amount of the outstanding Notes may waive future compliance by the Company with any provision of this Indenture or the Notes; *provided* that, no such modification, amendment or waiver may, without the consent of Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes at the time of such consent:

(xi) amend, change or modify any provision of any Security Document, or any provision of this Indenture relating to the Collateral, in a manner that adversely affects the Holders, except in accordance with the other provisions of this Indenture;

(xii) reduce the amount payable upon a Change of Control Offer or an Offer to Purchase with the Excess Proceeds from any Asset Sale or change the time or manner by which a Change of Control Offer or an Offer to Purchase with the Excess Proceeds or other proceeds from any Asset Sale may be made or by which the Notes must be repurchased pursuant to a Change of Control Offer or an Offer to Purchase with the Excess Proceeds or other proceeds from any Asset Sale, whether through an amendment or waiver of provisions in the covenants, definitions or otherwise, unless such amendment, waiver or modification shall be in effect prior to the occurrence of a Change of Control Triggering Event or the event giving rise to the repurchase of the Notes under Section 4.13;

(xiii) change the redemption date or the redemption price of the Notes from that stated in Section 3.01 or Section 3.02;

(xiv) amend, change or modify the obligation of the Company or any Subsidiary Guarantor to pay Additional Amounts, except for the release of any Subsidiary Guarantee or any related Collateral pursuant to the terms of this Indenture;

(xv) rescind and annul any acceleration of the Notes as a result of an acceleration of the Long Term Loan in accordance with Section 6.02; and

(xvi) amend, change or modify any provision of this Indenture or the related definition affecting the ranking of the Notes or any Subsidiary Guarantee in a manner which adversely affects the Holders, except for the release of any Subsidiary Guarantee or any related Collateral pursuant to the terms of this Indenture or the Intercreditor Agreement.

(b) It is not necessary for Holders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof.

(c) An amendment, supplement or waiver under this Section 9.02 will become effective on receipt by the Trustee of written consents from the Holders of the requisite percentage in principal amount of the outstanding Notes. After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Company will send supplemental indentures to Holders upon request. Any failure of the Company to send such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

Section 9.03. *Limitation on Certain Amendments.* (a) Notwithstanding anything to the contrary in Section 9.02 above, unless the Stated Maturity or interest rate of the Long Term Loan or the provision of the Long Term Loan corresponding to clause (iii) of this Section 9.03(a) is correspondingly amended, no amendment of this Indenture may be made by the Company, the Subsidiary Guarantors or the Trustee to:

- (i) shorten the Stated Maturity of the principal of, or any installment of interest on, any Note;
- (ii) increase the interest rate of the Notes; or
- (iii) amend this Section 9.03.

(b) The Company shall notify the Trustee and the Holders of any amendment to the terms of the Long Term Loan that (i) shortens the Stated Maturity of the principal of, or any installment of interest on, the Long Term Loan, (ii) increases the interest rate of the Long Term Loan or (iii) amends the provision of the Long Term Loan corresponding to clause (iii) of Section 9.03(a), in each case, as soon as reasonably practicable in writing. The Trustee may rely conclusively on any such notification provided by the Company.

Section 9.04. *Effect of Consent.* (a) After an amendment, supplement or waiver becomes effective, it will bind every Holder unless it is of the type requiring the consent of each Holder affected. If the amendment, supplement or waiver is of the type requiring the consent of each Holder affected, the amendment, supplement or waiver will bind each Holder that has consented to it and every subsequent Holder of a Note that evidences the same debt as the Note of the consenting Holder.

(b) If an amendment, supplement or waiver changes the terms of a Note, the Trustee may require the Holder to deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Note and return it to the Holder, or exchange it for a new Note that reflects the changed terms. The Trustee may also place an appropriate notation on any Note thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Notes in this fashion.

Section 9.05. *Trustee's and Agent's Rights and Obligations.* Each of the Trustee and the Agents is entitled to receive, and will be fully protected in relying upon, an Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article is authorized or permitted by this Indenture and that such amendment, supplement or waiver constitutes the legal, valid and binding obligations of the party or parties executing such amendment, supplement or waiver, and an Officers' Certificate stating that all conditions precedent have been complied with. If the Trustee or the Agents, as the case may be, has received such an Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights of the Trustee or the Agents, as the case may be. Each of the Trustee and the Agents may, but is not obligated to, execute any amendment, supplement or waiver that affects the Trustee's or the Agents' own rights, duties or immunities under this Indenture.

ARTICLE 10

SECURITY TO BE GRANTED

Section 10.01. *Security to be Granted.* (a) The Company will, for the benefit of the Holders, pledge, or cause each other Chargor to pledge, in favor of the Collateral Agent, the Collateral (subject to Permitted

Liens) on the Original Issue Date in order to secure the obligations of the Company under the Notes and this Indenture and of each Subsidiary Guarantor under its Subsidiary Guarantee.

(b) Each Chargor will, for the benefit of the Holders:

(i) execute one or more Security Documents granting to the Collateral Agent, for the benefit of the Holders, Liens on the relevant Collateral (subject to any Permitted Liens);

(ii) take all requisite steps under applicable laws and undertake other customary procedures in connection with the granting, perfection (if relevant) and registration (if relevant) of the Lien on the relevant Collateral (subject to any Permitted Liens); and

(iii) deliver to the Trustee and the Collateral Agent on the Original Issue Date an Officers' Certificate stating that entry into the Security Documents has been duly and validly authorized and that (A) such action has been taken with respect to the recording, registering and filing of or with respect to this Indenture and the Security Documents and all other instruments of further assurance as is necessary to make effective the Lien (subject to Permitted Liens) created by the Security Documents in the Collateral referenced in this clause (b) and referencing the details of such action; or (B) no such action is necessary to make such Lien (subject to Permitted Liens) effective.

(c) Notwithstanding anything to the foregoing, the Company's obligation to create any Liens on any asset relating to any Specified Offshore Assets which are subject to Liens in favor of relevant Project Lender as of the Original Issue Date shall be subject to compliance with applicable laws, rules, regulations, policies or measures and receipt of all relevant regulatory, judicial and/or governmental approvals and subject to the Priority Deeds. Failure to create Liens due to the reasons set forth in the preceding sentence shall not constitute a breach of or result in a Default under the obligations set forth in clauses (a) and (b) of Section 10.01.

(d) So long as no Payment Default has occurred and is continuing, and subject to the terms of the Security Documents, the Intercreditor Agreement and this Indenture, the Chargors will be entitled to exercise any and all voting rights and to receive, retain and use any and all cash dividends, stock dividends, liquidating dividends, non-cash dividends, shares or stock resulting from stock splits or reclassifications, rights issues, warrants, options and other distributions (whether similar or dissimilar to the foregoing) in respect of Capital Stock constituting Collateral.

(e) Each Holder, by its acceptance thereof, consents and agrees to the terms of the Intercreditor Agreement and the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Trustee and the Collateral Agent to perform their respective obligations and exercise their respective rights thereunder in accordance therewith.

(f) The Trustee and each Holder, by accepting the Notes and the Subsidiary Guarantees, acknowledges that the Collateral as now or hereafter constituted shall be held for the benefit of all the Holders under the Intercreditor Agreement and the Security Documents, and that the Lien of this Indenture, the Intercreditor Agreement and the Security Documents in respect of the Trustee and the Holders is subject to and qualified and limited in all respects by the Security Documents and actions that may be taken thereunder.

(g) Notwithstanding (i) anything to the contrary contained in this Indenture, the Intercreditor Agreement, the Security Documents, the Notes or any other instrument governing, evidencing or relating to any Indebtedness, (ii) the time, order or method of attachment of any Liens, (iii) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Lien upon any Collateral, (iv) the time of taking possession or control over any Collateral or (v) the rules for determining priority under the Uniform Commercial Code or any other law of any relevant jurisdiction governing relative priorities of secured creditors, the Chargors will ensure that:

(A) the Liens granted pursuant to the Security Documents will rank at least equally and ratably with all other valid, enforceable and perfected Liens, whenever granted upon any present or future Collateral, but only to the extent such other Liens are permitted under this Indenture to exist and to rank equally and ratably with the Notes and the Subsidiary Guarantees; and

(B) all proceeds of the Collateral applied under the Security Documents shall be allocated and distributed as set forth in Section 6.11.

Section 10.02. *Certificates of the Company*. On or before a date not more than 120 days after the end of each fiscal year, as required by Section 6.08 hereof, the Company shall furnish to the Trustee a Compliance Certificate in the form of Exhibit F hereto.

Section 10.03. *Authorization of Actions to be Taken by the Trustee Under the Security Documents*.

(a) The Trustee shall be the representative on behalf of the Holders of the Notes and shall act upon the written direction of the Holders of the Notes with regard to all voting, consent and other rights granted to the Holders of the Notes under the Intercreditor Agreement and the Security Documents.

(b) Subject to the terms of the Intercreditor Agreement and the Security Documents, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding may, or the Trustee at the request of such Holders shall, instruct the Collateral Agent to take all actions it or they deem(s) necessary or appropriate in order to (A) enforce any of its rights or any of the rights of the Holders of the Notes under the Intercreditor Agreement and the Security Documents and (B) receive any and all amounts payable from the Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

(c) Subject to the terms of the Intercreditor Agreement and the Security Documents and Section 7.02(d), the Trustee shall have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interest and the interests of the Holders of the Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of the Notes or the Trustee). The Trustee is hereby irrevocably authorized by each Holder of the Notes to effect any release of Liens or Collateral contemplated by Section 10.05 hereof or by the terms of the Security Documents. The Trustee shall not be deemed to have knowledge of any acts that may be unlawful or in violation of the Security Documents or this Indenture unless and until a Responsible Officer obtains actual knowledge of such unlawful acts or violation through written notification describing the circumstances of such, and identifying the circumstances constituting such unlawful acts or violation.

(d) The Trustee will not be responsible for the adequacy of the Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

Section 10.04. *Authorization of Receipt of Funds by the Trustee Under the Security Documents*. The Trustee is authorized to receive and distribute any funds for the benefit of the Holders of the Notes under the Security Documents, and to make further distributions of such funds to the Holders of the Notes according to the provisions of this Indenture, the Intercreditor Agreement and the Security Documents.

Section 10.05. *Release of Security*. (a) Subject to the terms of the Intercreditor Agreement and the relevant Security Documents, the security created in respect of the Collateral granted under the Security Documents may only be released in certain circumstances, including:

(i) upon repayment in full of the Notes;

- (ii) upon defeasance and discharge of the Notes as provided under Section 8.01;
- (iii) upon certain dispositions of the Collateral in compliance with this Indenture;
- (iv) with respect to the security created in respect of the Designated Account (Proceeds), upon disposition of all Specified Asset and application of all amount deposited into the Designated Account (Proceeds) in accordance with this Indenture and the Intercreditor Agreement;
- (v) with respect to the Specified SSSL Shares that are subject to the SSSL Share Pledge, to the extent any relevant Net SSSL Proceeds are deposited and applied in accordance with Section 4.23 and Section 4.24; and
- (vi) with respect to the security over the Collateral pledged to secure the Notes or the Subsidiary Guarantees, upon repayment of all amounts payable under the Notes and this Indenture.

(b) Upon written request of the Company or any Subsidiary Guarantor, in connection with any sale, lease, sale and leaseback, assignment, conveyance, transfer or other disposition of assets or property permitted by this Indenture (including, without limitation, Section 4.09, 4.13 or 5.01 hereof), the Trustee shall (without notice to, or vote or consent of, any Holder) take such actions as shall be required to release its security interest in any Collateral being disposed in such disposition, to the extent necessary to permit consummation of such disposition in accordance with this Indenture, the Intercreditor Agreement and the Security Documents and the Trustee shall receive full payment therefor from the Company for any costs incurred thereby; *provided* that the Company or the other Chargor delivers to the Trustee on or prior to such proposed release of Collateral an Officers' Certificate certifying and an Opinion of Counsel stating that the release of any such security interest is permitted under the terms of this Indenture and the relevant Security Documents and that the conditions precedent to any such release have been fulfilled.

ARTICLE 11

SUBSIDIARY GUARANTEES

Section 11.01. *The Subsidiary Guarantees*. Subject to the provisions of this Article 11, each of the Subsidiary Guarantors (whether originally a signatory hereto or added pursuant to a supplemental indenture) hereby, jointly and severally, Guarantees as principal obligor to each Holder authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and this Indenture.

Section 11.02. *Guarantee Unconditional*. The obligations of each Subsidiary Guarantor hereunder will be enforceable irrespective of any invalidity, irregularity or unenforceability of the Notes or this Indenture, are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by:

- (a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under this Indenture or any Note, by operation of law or otherwise;
- (b) any modification or amendment of or supplement to this Indenture or any Note;
- (c) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in this Indenture or any Note;
- (d) the existence of any claim, set off or other rights which that Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with this Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;

(e) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of this Indenture or any Note; or

(f) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor's obligations hereunder.

Section 11.03. *Discharge; Reinstatement.* Each Subsidiary Guarantor's obligations hereunder will remain in full force and effect until the principal of, premium, if any, and interest on the Notes and all other amounts payable by the Company under this Indenture have been paid in full. If at any time any payment of the principal of, premium, if any, or interest on any Note or any other amount payable by the Company under this Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, each Subsidiary Guarantor's obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time. All payments under the Subsidiary Guarantees will be made in U.S. dollars.

Section 11.04. *Waiver by Each Subsidiary Guarantor.* Each Subsidiary Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Company or any other Person. In particular, each Subsidiary Guarantor irrevocably waives its right to require the Trustee to pursue or exhaust the Trustee's legal or equitable remedies against the Company prior to exercising the Trustee's rights under its Subsidiary Guarantee.

Section 11.05. *Subrogation and Contribution.* Upon making any payment with respect to any obligation of the Company under this Article or the Subsidiary Guarantor making such payment will be subrogated to the rights of the payee against the Company with respect to such obligation; *provided* that the Subsidiary Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Subsidiary Guarantor, with respect to such payment so long as any amount payable by the Company hereunder or under the Notes remains unpaid.

Section 11.06. *Stay of Acceleration.* If acceleration of the time for payment of any amount payable by the Company under this Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of this Indenture are nonetheless payable by the Subsidiary Guarantors hereunder forthwith on demand by the Trustee or the Holders.

Section 11.07. *Limitation on Amount of Subsidiary Guarantee.* Notwithstanding anything to the contrary in this Article, each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent conveyance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable law of any other jurisdiction. To effectuate that intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee are limited in an amount not to exceed the maximum amount that can be guaranteed by the applicable Subsidiary Guarantor without rendering the Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 11.08. *Ranking of Subsidiary Guarantees.*

The Subsidiary Guarantee of each Subsidiary Guarantor:

(a) is a general obligation of such Subsidiary Guarantor;

(b) is senior in right of payment to all future obligations of such Subsidiary Guarantor expressly subordinated in right of payment to such Subsidiary Guarantee;

(c) ranks and will rank at least *pari passu* in right of payment with all other unsecured, unsubordinated Indebtedness of such Subsidiary Guarantor (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); and

(d) is effectively subordinated to secured obligations of such Subsidiary Guarantor, to the extent of the value of the assets serving as security therefor (other than the Collateral).

Section 11.09. *Execution and Delivery of Subsidiary Guarantees* . The execution by each Subsidiary Guarantor of this Indenture (or by each Subsidiary Guarantor of a supplemental indenture in the form of Exhibit F) evidences the Subsidiary Guarantee of such Subsidiary Guarantor, whether or not the person signing as an officer of the Subsidiary Guarantor still holds that office at the time of authentication of any Note. The delivery of any Note by the Trustee after authentication constitutes due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of each Subsidiary Guarantor.

Section 11.10. *Release of the Subsidiary Guarantees* .(a) A Subsidiary Guarantee given by a Subsidiary Guarantor will be released:

(i) upon repayment in full of the Notes;

(ii) upon a defeasance as provided in Section 8.01;

(iii) upon the designation by the Company of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of this Indenture; or

(iv) upon the sale, disposition or merger of a Subsidiary Guarantor in compliance with the terms of this Indenture (including Sections Section 4.09, 4.13 and 5.01) resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (A) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Company's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (B) the proceeds from such sale, disposition or merger are used for the purposes permitted or required by this Indenture.

(b) No release and discharge of the Subsidiary Guarantee will be effective against the Trustee, any Agent or the Holders of Notes (i) if a Default or Event of Default shall have occurred and be continuing under this Indenture as of the time of such proposed release and discharge until such time as such Default or Event of Default is cured or waived and (ii) until the Company shall have delivered to the Trustee an Officers' Certificate stating that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge are authorized and permitted under this Indenture and the Security Documents. At the request of the Company, and *provided* that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge are authorized and permitted under this Indenture and the Security Documents, the Trustee will execute and deliver an instrument evidencing such release and discharge and do all such other acts and things necessary to release the Subsidiary Guarantor(s) from its (or their) obligations hereunder.

ARTICLE 12 MISCELLANEOUS

Section 12.01. *Ranking*. The Notes are (a) general obligations of the Company, (b) on the Original Issue Date, guaranteed by the Subsidiary Guarantors on a senior basis, subject to certain limitations set forth in Article 11, (c) senior in right of payment to any existing and future obligations of the Company expressly subordinated in right of payment to the Notes; (d) at least *pari passu* in right of payment against the Company with respect to all unsecured, unsubordinated Indebtedness of the Company (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); effectively subordinated

to the secured obligations of the Company, the Subsidiary Guarantors, to the extent of the value of the assets serving as security therefor (other than the Collateral); and effectively subordinated to all existing and future obligations of the Non-Guarantor Subsidiaries. Pursuant to the pledge of the Collateral by the Chargors as set forth in Article 10 and subject to the limitations described therein, the Notes (a) are entitled to a Lien on the Collateral (subject to any Permitted Liens) and (b) rank effectively senior in right of payment to unsecured obligations of the Company with respect to the value of the Collateral pledged by the Company securing the Notes (subject to any priority rights of such unsecured obligations pursuant to applicable law).

Section 12.02. *Notices.* (a) All notices or demands required or permitted by the terms of the Notes or this Indenture to be given to or by the Holders are required to be in writing and may be given or served by being sent by prepaid courier or by being deposited, first-class postage prepaid, in the United States or mails or by electronic transmission, if intended for the Company or any Subsidiary Guarantor, addressed to the Company at the Corporate Trust Office or the Principal Office, or if intended for the Trustee or the Paying and Transfer Agent, addressed to the Trustee or the Paying and Transfer Agent, as the case may be, at the Corporate Trust Office or the Principal Office (attention to Debt Capital Markets team) or via-email to dcm@glas.agency and apacdcn@glas.agency, as the case may be; and, if intended for any Holder, addressed to such Holder at such Holder's last address as it appears in the Note register. Copies of any notice or communication to a Holder, if given by the Company, will be mailed to the Trustee at the same time. Defect in mailing a notice or communication to any particular Holder will not affect its sufficiency with respect to other Holders.

(b) Any notice or demand will be deemed to have been sufficiently given or served when so sent or deposited and, if to the Holders, when delivered in accordance with the applicable rules and procedures of Euroclear or Clearstream, as the case may be. Any such notice shall be deemed to have been delivered on the day such notice is delivered to Euroclear or Clearstream, as the case may be, or if by mail, when so sent or deposited. Any notice to the Trustee will be effective only upon receipt.

(c) Where this Indenture provides for notice, the notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and the waiver will be the equivalent of the notice. Waivers of notice by Holders must be filed with the Trustee, but such filing is not a condition precedent to the validity of any action taken in reliance upon such waivers.

Section 12.03. *Certificate and Opinion as to Conditions Precedent.* (a) Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company will furnish to the Trustee at the Trustee's request:

- (i) an Officers' Certificate stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with;
- (ii) an Opinion of Counsel stating that all such conditions precedent have been complied with; and
- (iii) an incumbency certificate giving the names and specimen signatures of Authorized Officers for any such Authorized Officers who have not previously provided specimen signatures to the Trustee.

(b) In any case where several matters are required to be certified by, or covered by an Opinion of Counsel of, any specified Person, it is not necessary that all such matters be certified by, or covered by the Opinion of Counsel of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an Opinion of Counsel with respect to some matters and one or more such Persons as to other matters, and any such Person may certify or give an Opinion of Counsel as to such matters in one or several documents.

(c) Any certificate of an Officer of the Company or any Subsidiary Guarantor may be based, insofar as it relates to legal matters, upon an Opinion of Counsel, unless such Officer knows, or in the

exercise of reasonable care should know, that such Opinion of Counsel with respect to the matters upon which his certificate is based are erroneous. Any Opinion of Counsel may be based, and may state that it is so based, insofar as it relates to factual matters, upon a certificate of, or representations by, an officer or officers of the Company or a Subsidiary Guarantor stating that the information with respect to such factual matters is in the possession of the Company or such Subsidiary Guarantor, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or representations with respect to such matters are erroneous.

(d) Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Section 12.04. *Statements Required in Certificate or Opinion.* Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture must include:

(a) a statement that each person signing the certificate or opinion has read the covenant or condition and the related definitions;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statement or opinion contained in the certificate or opinion is based;

(c) a statement that, in the opinion of each such person, that person has made such examination or investigation as is necessary to enable the person to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(d) a statement as to whether or not, in the opinion of each such person, such condition or covenant has been complied with, *provided* that an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials with respect to matters of fact.

Section 12.05. *Payment Date Other Than a Business Day.* If any payment with respect to a payment of any principal of, premium, if any, or interest on any Note (including any payment to be made on any date fixed for redemption or purchase of any Note) is due on a day which is not a Business Day, then the payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest will accrue for the intervening period.

Section 12.06. *Governing Law, Consent to Jurisdiction; Waiver of Immunities.* (a) Each of the Notes, the Subsidiary Guarantees and this Indenture shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) The Company and each of the Subsidiary Guarantors hereby irrevocably and unconditionally submits to the non-exclusive jurisdiction of any New York State or United States Federal court sitting in the Borough of Manhattan, the City of New York over any suit, action or proceeding arising out of or relating to this Indenture, any Note, any Subsidiary Guarantee or any transaction contemplated hereby or thereby. The Company and each of the Subsidiary Guarantors irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum. To the extent that the Company or any Subsidiary Guarantor as the case may be, has or hereafter may acquire any sovereign or other immunity from jurisdiction of any court or from any legal process with respect to itself or its property, the Company or such Subsidiary Guarantor, irrevocably waives such immunity in respect of its obligations hereunder or under any Note or any Subsidiary Guarantee. The Company and each of the Subsidiary Guarantors agree that final judgment in any such suit, action or proceeding, brought in such a court shall be conclusive and binding upon the Company or the Subsidiary Guarantor, and, to the extent permitted by applicable law, may be enforced in any court to the jurisdiction of which the Company or any of the Subsidiary Guarantors, is subject by a suit upon such judgment or in any manner provided by law, *provided*

that service of process is effected upon the Company or any of the Subsidiary Guarantors, in the manner specified in the following subsection or as otherwise permitted by applicable law.

(c) As long as any of the Notes remain outstanding, the Company and each of the Subsidiary Guarantors will at all times have an authorized agent in the Borough of Manhattan, the City of New York, upon whom process may be served in any legal action or proceeding arising out of or relating to this Indenture, any Note or any Subsidiary Guarantee. Service of process upon such agent and written notice of such service mailed or delivered to the Company or any Subsidiary Guarantor, as the case may be, shall to the fullest extent permitted by applicable law be deemed in every respect effective service of process upon the Company or such Subsidiary Guarantor, in any such legal action or proceeding. The Company and each of the Subsidiary Guarantors hereby appoints Cogency Global Inc. as its agent for such purpose, and covenants and agrees that service of process in any suit, action or proceeding may be made upon it at the office of such agent at 122E 42nd Street, 18th Floor, New York, NY 10016, United States. Notwithstanding the foregoing, the Company or any Subsidiary Guarantor may, with prior written notice to the Trustee, terminate the appointment of Cogency Global Inc. and appoint another agent for the above purposes so that the Company and the Subsidiary Guarantors shall at all times have an agent for the above purposes in the Borough of Manhattan, the City of New York. The Company and each of the Subsidiary Guarantors hereby agree to take any and all action as may be necessary to maintain the designation and appointment of an agent in full force and effect until the Final Maturity Date (or earlier, if the Notes are prepaid in full).

(d) The Company and each of the Subsidiary Guarantors hereby irrevocably waives, to the fullest extent permitted by applicable law, any requirement or other provision of law, rule, regulation or practice which requires or otherwise establishes as a condition to the institution, prosecution or completion of any suit, action or proceeding (including appeals) arising out of or relating to this Indenture or any Note or any Subsidiary Guarantee, the posting of any bond or the furnishing, directly or indirectly, of any other security.

Section 12.07. *No Adverse Interpretation of Other Agreements.* This Indenture may not be used to interpret another indenture or loan or debt agreement of the Company or any Subsidiary of the Company, and no such indenture or loan or debt agreement may be used to interpret this Indenture. In addition, no other agreement or document may be used to interpret this Indenture with regard to any rights, duties or obligations of the Trustee created hereunder.

Section 12.08. *Successors.* All agreements of the Company or any Subsidiary Guarantor in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successor.

Section 12.09. *Duplicate Originals.* The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

Section 12.10. *Separability.* In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.11. *Table of Contents and Headings.* The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and in no way modify or restrict any of the terms and provisions of this Indenture.

Section 12.12. *No Personal Liability of Incorporators, Stockholders, Officers, Directors or Employees.* No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company or any of the Subsidiary Guarantors in this Indenture, any of the Notes or any of the Subsidiary Guarantees, or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Company, any of the Subsidiary Guarantors, or of any successor Person thereof. Each Holder, by

accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Subsidiary Guarantees.

Section 12.13. *Force Majeure* . Notwithstanding anything to the contrary in this Indenture or in any other transaction document, the Trustee shall not in any event be liable for any loss or damage, or any failure or delay in the performance of its obligations hereunder if it is prevented from so performing its obligations by any reason which is beyond the control of the Trustee, including, but not limited to (i) an act of God, fire, epidemic, explosion, floods, earthquakes, typhoons; (ii) riot, civil commotion or unrest, insurrection, terrorism, war, strikes or lockouts; nationalisation, expropriation or other governmental actions; (iii) any law, order or regulation of a governmental, supranational or regulatory body; (iv) regulation of the banking or securities industry including changes in market rules, currency restrictions, devaluations or fluctuations; (v) market conditions affecting the execution or settlement of transactions or the value of assets; and (vi) breakdown, failure or malfunction of any telecommunications, computer services or systems, or other causes to which the Trustee is subject.

Section 12.14. *USA Patriot Act* . The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. PATRIOT Act.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, Guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee or an Authenticating Agent under the Indenture by manual or electronic signature of one of its authorized officers.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 6 and July 6 immediately preceding an Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare

dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture, or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

The Company will furnish a copy of the Indenture to any Holder upon written request and without charge.

1. We have received such information as we deem necessary in order to make our investment decision.

2. We understand that any subsequent transfer of the Notes is subject to certain restrictions and conditions set forth in the Indenture and the Notes and the undersigned agrees to be bound by, and not to resell, pledge or otherwise transfer the Notes except in compliance with, such restrictions and conditions and the United States Securities Act of 1933, as amended (the “**Securities Act**”).

3. We understand that the offer and sale of the Notes have not been registered under the Securities Act, and that the Notes may not be offered or sold except as permitted in the following sentence. 4. We understand that, on any proposed resale of any Notes, we will be required to furnish to the Company such certifications, legal opinions, and other information (including a letter substantially similar to this one from any purchaser who is an institutional accredited investor) as it may reasonably require to confirm that the proposed sale complies with the foregoing restrictions. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee or the Authenticating Agent under the Indenture by manual or electronic signature of one of its authorized officers.

LIST OF SUBSIDIARY GUARANTORS

*[List all Subsidiary Guarantors if the Global Note
is issued subsequent to the Original Issue Date]*

FORM OF REVERSE OF GLOBAL NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2032

1. Principal and Interest.

The Company promises to pay the principal of this Note on July 21, 2032.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare

dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare

dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

The Company will furnish a copy of the Indenture to any Holder upon written request and without charge.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2032

1. Principal and Interest.

The Company promises to pay the principal of this Note on July 21, 2032.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare

dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

The Company will furnish a copy of the Indenture to any Holder upon written request and without charge.

Variable Rate Senior Notes Due 2032 of Shimao Group Holdings Limited (世茂集團控股有限公司)

Reference is hereby made to the Indenture dated as of July 21, 2025 (the “**Indenture**”) among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “**Company**”), the entities listed in Schedule I to the Indenture (the “**Subsidiary Guarantors**”) and GLAS Trust Company LLC (the “**Trustee**”). Terms used herein are used as defined in the Indenture.

The Company hereby appoints GLAS Trust Company LLC as the paying agent and transfer agent (the “**Paying and Transfer Agent**”), the authenticating agent (the “**Authenticating Agent**”) and as the registrar (the “**Registrar**,” together with the Paying and Transfer Agent and the Authenticating Agent, the “**Agents**”) with respect to the Notes and each Agent hereby accepts such appointment. By accepting such appointment, each Agent agrees to be bound by and to perform the services with respect to itself set forth in the terms and conditions set forth in the Indenture and the Notes, as well as the following terms and conditions to all of which the Company agrees and to all of which the rights of the Holders from time to time of the Notes shall be subject:

(a) The Company, no later than 9:00 a.m. (New York City time) on the Business Day immediately preceding each date on which a payment in respect of the Notes becomes due, shall (i) transfer (or cause to be transferred) to the Paying and Transfer Agent in the currency of United States of America in immediately available and cleared funds such amount as may be required for the purposes of such payment and (ii) notify the Paying and Transfer Agent and the Registrar of such transfer. The Company, no later than 9:00 a.m. (New York City time) on the third Business Day immediately preceding each date on which any payment in respect of the Notes becomes due, shall confirm such payment instructions to the Paying and Transfer Agents. The Paying and Transfer Agent shall not be bound to make payment until immediately available and cleared funds in such amount as may be required for the purpose of such payment have been received from the Company.

(b) Each Agent shall be entitled to the compensation to be agreed upon in writing with the Company and the Subsidiary Guarantors, jointly and severally, for all services rendered by it under the Indenture, and the Company and the

Subsidiary Guarantors, jointly and severally, agree promptly to pay such compensation and to reimburse each Agent for its out-of-pocket expenses (including fees and expenses of counsel) incurred by it in connection with the services rendered by it under the Indenture. The Company and each of the Subsidiary Guarantors jointly and severally hereby agree to indemnify each Agent and each of its officers, directors, agents and employees and any successors thereto for, and to hold each of them harmless against, any loss, liability or expense (including reasonable fees and expenses of counsel) incurred without negligence or willful misconduct on its part arising out of or in connection with their acting as the relevant Agent hereunder. The obligations of the Company and the Subsidiary Guarantors under this paragraph (b) shall survive the payment of the Notes, the termination or expiry of the Indenture or this letter and the resignation or removal of the relevant Agent. Under no circumstances will any Agent be liable to the Company or any other party to this letter or the Indenture for any indirect consequential punitive or special damages, even if advised of the possibility of such loss or damage.

(c) In acting under the Indenture and in connection with the Notes, each Agent is acting solely as agent of the Company and does not assume any obligation towards or relationship of agency or trust for or with any of the owners or Holders of the Notes, except that all funds held by the Paying and Transfer Agent for the payment of principal interest or other amounts (including Additional Amounts) on, the Notes shall, subject to the provisions of the Indenture, be held in trust by the Paying and Transfer Agent and applied as set forth in the Indenture and in the Notes, but need not be segregated from other funds held by the Paying and Transfer Agent, except as required by law.

(d) Any Agent may consult with counsel satisfactory to it and any advice or written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it under the Indenture in good faith and in accordance with such advice or opinion.

(e) Each Agent shall be fully protected and shall incur no liability for or in respect of any action taken or omitted to be taken or thing suffered by it in reliance upon any Note, notice, direction, consent, certificate, affidavit, statement or other paper or document reasonably believed by it to be genuine and to have been presented or signed by the proper party or parties.

(f) The Paying and Transfer Agent will hold all sums received by it as such for the payment of the principal of, or premium or interest on, the Notes (whether such sums have been paid to it by or on behalf of the Company or by any other obligor on the Notes or any Subsidiary Guarantee) in trust for the benefit of the Holders or of the Trustee. The Paying and Transfer Agent and any of their Affiliates, in their individual capacity or any other capacity, may become the owner of, or acquire any interest in, any Notes or other obligations of the Company with the same rights that each of them would have if they were not the Paying and Transfer Agent, and may engage or be interested in any financial or other transaction with the Company, and may act on, or as depository, Trustee or agent for, any committee or body of Holders of Notes or other obligations of the Company, as freely as if they were not the Paying and Transfer Agent.

(g) The Paying and Transfer Agent shall give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes, the Subsidiary Guarantees) to make any payment of the principal of, or premium or interest on, the Notes and any other payments to be made on behalf of the Company under the Indenture, when the same shall be due and payable and at any time during the continuance of any such failure the Paying and Transfer Agent will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request.

(h) The Paying and Transfer Agent shall not be under any liability for interest on any monies received by it pursuant to any of the provisions of the Indenture or the Notes.

(i) Each Agent shall be obligated to perform such duties and only such duties as are in the Indenture and the Notes specifically set forth, and no implied duties or obligation shall be read into the Indenture or the Notes against any Agent. None of the Agents shall be under any obligation to take any action under the Indenture which may tend to involve it in any expense or liability, the payment of which within a reasonable time is not, in its reasonable opinion, assured to it.

The Paying and Transfer Agent shall have no obligation to expend its own funds or otherwise incur any financial liability in the performance of its obligations hereunder or under the Indenture. Notwithstanding anything contained herein to the contrary, the obligations of the Agents under this letter are several and not, and shall under no circumstances be deemed to be, joint. Notwithstanding anything else herein contained, any Agent may refrain without liability from doing anything that would or might in its opinion following advice in writing by legal counsel of international repute be contrary to any law of any state or jurisdiction (including but not limited to the jurisdiction of the law of this letter and of any Agent's formation, the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its opinion following advice in writing by legal counsel of international repute, necessary to comply with any such law, directive or regulation.

(j) Any Agent may at any time resign by giving written notice of its resignation to the Company and the Trustee and specifying the date on which its resignation shall become effective; *provided* that such date shall be at least 60 days after the date on which such notice is given unless the Company agrees to accept shorter notice. Upon receiving such notice of resignation, if required by the Indenture the Company shall promptly appoint a successor agent by written instrument substantially in the form hereof in triplicate signed on behalf of the Company, one copy of which shall be delivered to the resigning Agent, one copy to the successor agent and one copy to the Trustee. Upon the effectiveness of the appointment of a successor agent, the retired Agent shall have no further obligations under this letter or the Indenture.

Such resignation shall become effective upon the earlier of (i) the effective date of such resignation and (ii) the acceptance of appointment by the successor agent, as provided below. The Company may, at any time and for any reason, remove any Agent and appoint a successor agent, by written instrument in triplicate signed on

behalf of the Company, one copy of which shall be delivered to the Agent being removed, one copy to the successor agent and one copy to the Trustee. Any removal of any Agent and any appointment of a successor agent shall become effective upon acceptance of appointment by the successor agent as provided below. Upon its resignation or removal, the relevant Agent shall be entitled to the payment by the Company of its compensation for the services rendered hereunder and to the reimbursement of all reasonable out-of-pocket expenses incurred in connection with the services rendered by it hereunder.

The Company shall remove an Agent and appoint a successor agent if such Agent (i) shall become incapable of acting, (ii) shall be adjudged bankrupt or insolvent, (iii) shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, (iv) shall consent to, or shall have had entered against it a court order for, any such relief or to the appointment of or taking possession by any such official in any involuntary case or other proceedings commenced against it, (v) shall make a general assignment for the benefit of creditors or (vi) shall fail generally to pay its debts as they become due.

Any successor agent appointed as provided herein shall execute and deliver to its predecessor and to the Company and the Trustee an instrument accepting such appointment (which may be in the form of an acceptance signature to the letter of the Company appointing such agent) and thereupon such successor agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as the relevant Agent and such predecessor shall pay over to such successor agent all monies or other property at the time held by it hereunder.

If no successor is appointed by the Company within 30 days of the resignation or removal of an Agent, (i) the retiring Agent may recommend a successor agent to the Company for its approval, and, within 30 days from the date of the recommendation by the retiring Agent, the Company shall either approve and obtain written acceptance of appointment from such recommended agent or appoint another successor agent of its own choice and obtain written acceptance of appointment from such other successor agent, or (ii) the retiring Agent or the Company may petition any court of competent jurisdiction for the appointment of a successor agent.

(k) Notwithstanding anything contained herein to the contrary, each of the Company and the Subsidiary Guarantors hereby irrevocably agrees that any and all of the rights and obligations of any Agent (except the Trustee) and, to the extent applicable, the obligations of the Company toward any Agent (except the Trustee) set forth in the Indenture shall be deemed to have been included in this letter.

(l) Notwithstanding anything contained herein to the contrary, the obligations of the Agents under this letter are not joint and should be independently construed and each of the Paying and Transfer Agent shall not be liable for each other's acts or omissions to act.

(m) Each Agent shall at all times be a responsible financial institution which is authorized by law to exercise its respective powers and duties hereunder and under the Indenture and the Notes.

(n) Each Agent shall comply with all applicable withholding, information reporting and backup withholding tax requirements under the U.S. Internal Revenue Code of 1986, as amended, and the Treasury regulations issued thereunder in respect of any payment on, or in respect of, a Note or under the Subsidiary Guarantee (including the collection of IRS Form W-8 ECI, IRS Form W-8 BEN and IRS Form W-9, as the case may be, and the filing of IRS Form 1099 and IRS Form 1096).

(o) The parties hereto agree that if any payments of interest or principal under the Notes become subject to U.S. withholding tax pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended, the parties hereto shall use commercially reasonable efforts to cooperate in good faith and to share such relevant and applicable information to the extent practicable or make such amendments or modifications to this letter as are necessary to permit the parties to fulfill their withholding and reporting obligations thereunder, *provided* that the Agents shall not be obligated to identify whether such withholding is applicable or assist any other party in fulfilling its withholding and reporting obligations thereunder.

(p) Each Agent will treat information relating to the Company and the Subsidiary Guarantors as confidential, but (unless consent is prohibited by law) each of the Company and the Subsidiary Guarantors consents to the transfer and disclosure by any Agent of any information relating to the Company and the Subsidiary Guarantors to and between branches, subsidiaries, representative offices, affiliates and agents of such Agent and third parties selected by any of them, wherever situated, for internal use only (including in connection with the provision of any service and for data processing, statistical and risk analysis purposes). Each Agent and any branch, subsidiary, representative office, affiliate, agent or third party may transfer and disclose any such information as required by any law, court regulator or legal process. To the extent the Company and the Subsidiary Guarantors provide any information regarding third parties to any Agent, the Company and the Subsidiary Guarantors shall provide any necessary information to, and obtain any necessary consents from, such third parties to allow any transfer, disclosure and use of such information by such Agent.

Each party shall, within twenty Business Days of a written request by another party, supply to such other party(ies) such forms, documentation and other information relating to it, its operations, or the Notes as such other party(ies) reasonably requests for the purposes of such other party(ies)'s compliance with Applicable Law and shall notify the relevant other party(ies) reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; *provided, however*, that no party shall be required to provide any forms, documentation or other information pursuant to this Clause to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party

and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality.

(q) Any notice or communication to the Agents will be deemed given when sent by electronic transmission, with transmission confirmed. Any notice to the Agents will be effective only upon receipt. The notice or communication to the Agents should be given as follows:

FORM OF COMPLIANCE CERTIFICATE

This Compliance Certificate is delivered pursuant to Section 10.02 of the Indenture, dated as of July 21, 2025, as amended, supplemented or modified from time to time (the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “**Company**”), the entities listed in Schedule I thereto (the “**Subsidiary Guarantors**”) and GLAS Trust Company LLC, as trustee (the “**Trustee**”). Terms defined in the Indenture are used herein as therein defined.

Each of the undersigned hereby certifies to the Trustee as follows:

(a) I am the duly elected, qualified and acting [title] or [title], as the case may be, of the Company.

(b) I have reviewed and am familiar with the contents of this Compliance Certificate.

(c) I have reviewed the terms of the Indenture, the Intercreditor Agreement and the Security Documents and have made or caused to be made under my supervision, a review in reasonable detail of the Collateral and the condition of the Collateral. Such review did not disclose the existence during or at the end of the annual period covered by this Compliance Certificate, and I have no knowledge of the existence as of the date of this Compliance Certificate, of any condition or event which would impair the perfected security interest created by the Indenture and the Security Documents with at least the priority of such security interest on the Original Issue Date[, except as set forth below].

(d) Based upon the advice of counsel, all action has been taken with respect to the recording, registering, filing, re-recording, registering and re-filing of all supplemental indentures, financing statements, continuation statements or other instruments of further assurance as may be necessary to maintain the Liens granted pursuant to the Security Documents to the extent required by the Security Documents, if any [and, if necessary, reciting the details of such action].

(e) Since the Original Issue Date:

(1) neither the Company nor any Subsidiary Guarantor has changed its jurisdiction of organization, name, identity or corporate structure to such an extent that any financing statement or other Security Document filed by or on behalf of the Trustee would become misleading; the Company has provided such assistance to the Trustee with respect to any re-filing, re-recording or continuation of documentation with respect to the Collateral as necessary to maintain such security interest in the Collateral in favor of the Trustee on behalf of the Holders of Notes.

(2) except, in each case, (i) any of the foregoing that has been previously disclosed to the Trustee in accordance with the Indenture and any relevant Security Document and in respect of which the Company and each

(f) That a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under the Indenture, in each case since the Original Issue Date, [and that the Company and the Subsidiary Guarantor have been since the Original Issue Date and are in compliance with all obligations under the Indenture]/[if there has been a default in the fulfillment of any obligation under the Indenture, specifying each such default and the nature and status thereof.]

(g) During the annual period covered by this Compliance Certificate, to my actual knowledge, the following transactions occurred as an Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness or are subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) of the Indenture as transactions for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as requested or required by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measure:

[insert a brief description of the value and parties to the transaction, if any]]

Except as the aforesaid, during the annual period covered by this Compliance Certificate, there has been no other request or requirement by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures that has resulted in any transaction that (i) would qualify as an Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness; or (ii) be subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) of the Indenture.

Upon the execution and delivery of this Indenture, or from time to time thereafter, Notes may be executed and delivered by the Company, with the Subsidiary Guarantees endorsed thereon by the Subsidiary Guarantors, in an aggregate principal amount outstanding of not more than US\$[●] (other than Notes issued pursuant to Section 2.10 or created as a result of payment of PIK Interest) to the Trustee or an Authenticating Agent for authentication, accompanied by an Officers’ Certificate of the Company directing such authentication and specifying the amount of Notes (with the Subsidiary Guarantees endorsed thereon) to be authenticated, the applicable rate at which interest will accrue on such Notes, the date on which the original issuance of such Notes (with the Subsidiary Guarantees endorsed thereon) is to be authenticated, the date from which interest will begin to accrue, the date or dates on which interest on such Notes will be payable and the date on which the principal of such Notes will be payable and other terms relating to such Notes and the Subsidiary Guarantees. The Trustee or an Authenticating Agent shall thereupon authenticate and deliver said Notes (with the Subsidiary Guarantees endorsed thereon) to or upon the written order of the Company (as set forth in such Officers’ Certificate) signed by one Authorized Officer.

Section 2.02. *Execution of Notes and Subsidiary Guarantees*. (a) The Notes shall be executed by or on behalf of the Company by the signature of an Authorized Officer of the Company. Each of the Subsidiary Guarantors shall execute the Subsidiary Guarantees by the signature of an Authorized Officer of such Subsidiary Guarantor. Until the Trustee and the Authenticating Agent receive a subsequent Authorization Certificate, the Trustee and the Authenticating Agent shall be entitled to conclusively rely on the last Authorization Certificate delivered to them for purposes of determining the Authorized Officers. Typographical and other minor errors or defects in any signature shall not affect the validity or enforceability of any Note which has been duly authenticated and delivered by the Trustee or by the Authenticating Agent on behalf of the Trustee.

(b) In case the Authorized Officers who shall have signed any of the Notes or any of the Subsidiary Guarantees thereon, as applicable, shall cease to be such Authorized Officers before the Note

Such certification by the Trustee or an Authenticating Agent upon any Note executed by or on behalf of the Company and any Subsidiary Guarantee executed by or on behalf of the Subsidiary Guarantors shall be conclusive evidence that the Note (with the Subsidiary Guarantees endorsed thereon) so authenticated has been duly authenticated and delivered hereunder and that the Holder is entitled to the benefits of this Indenture.

The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of China Construction Bank (Asia) Corporation Limited (the "**Common Depositary**") or its nominee. For so long as any of the Notes are listed on the SGX-ST and the rules of the SGX-ST so require, the Notes will be traded on the SGX-ST in a minimum board lot size of S\$200,000. For the purposes of the International Central Securities Depositories, the denomination of the Notes should be considered as US\$1 or any amount in excess thereof which is an integral multiple of US\$1. Euroclear and Clearstream are not required to monitor or enforce the minimum board lot size of S\$200,000 (or the Dollar Equivalent thereof).

Notwithstanding anything to the contrary contained herein, beneficial interests in the Global Notes may only be held through Euroclear and Clearstream and their respective direct and indirect participants.

(e) If at any time the Common Depositary notifies the Company that it is unwilling or unable to continue as Common Depositary for such Global Notes, the Company shall appoint a successor Common Depositary with respect to such Global Notes. If (i) a successor Common Depositary for such Global Notes is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, or (ii) either Euroclear or Clearstream, or a successor clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention to permanently cease business or does in fact do so, or (iii) any of the Notes has become immediately due and payable in accordance with Section 6.01 and Section 6.02 and the Company has received a written request from a Holder, the Company will execute, and the Trustee or an Authenticating Agent, upon receipt by the Trustee or an Authenticating Agent of an Officers’ Certificate of the Company directing the authentication and delivery thereof, will authenticate and deliver, Certificated Notes in any authorized denominations in an aggregate principal amount equal to the principal amount of such Global Notes in exchange for such Global Notes.

(f) Upon receipt of notice from the Common Depositary, Euroclear, Clearstream or the Trustee, as the case may be, the Company will use its best efforts to make arrangements with the Common Depositary for the exchange of interests in the Global Notes for Certificated Notes and cause the requested Certificated Notes to be executed and delivered to the Registrar in sufficient quantities and authenticated by the Trustee or an Authenticating Agent for delivery to Holders. Persons exchanging interests in the Global Notes for Certificated Notes will be required to provide to the Registrar, through the relevant clearing system, written

Furthermore, any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by Euroclear and Clearstream (or their respective agents) and that ownership of a beneficial interest in the Note shall be required to be reflected in a book entry. At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination and of a like aggregate principal amount, by written application to the Registrar substantially in the form of Exhibit B upon surrender of the Notes to be exchanged to the Registrar. When Notes are presented to the Registrar with a request to register the transfer or to exchange them for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested if the requirements for such transactions set forth herein are met. To permit registrations of transfers and exchanges, the Company and each Subsidiary Guarantor shall execute and the Trustee or an Authenticating Agent shall authenticate Notes at the Registrar’s request.

(d) Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Registrar) be duly endorsed, or be accompanied by a written instrument of transfer duly executed, by the Holder thereof or his attorney duly authorized in writing in a form satisfactory to the Company and the Registrar.

(e) The Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any exchange or registration of transfer of Notes (other than any such transfer taxes or other similar governmental charge payable upon exchanges). No service charge to any Holder shall be made for any such transaction.

(f) The Company shall not be required to exchange or register a transfer of (1) any Notes for a period of 15 days immediately preceding the first mailing of notice of redemption of Notes to be redeemed or (2) any Notes called or being called for redemption.

(j) All Notes issued upon any transfer or exchange of Notes shall be valid obligations of the Company, evidencing the same debt and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(a) Each Global Note initially shall be deposited with the Common Depositary and registered in the name of the Common Depositary or its nominee for the accounts of Euroclear and Clearstream.

(b) Transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to the Common Depositary, its successors or their respective nominees. Interests of beneficial owners in a Global Note may be transferred, and transfers increasing or decreasing the aggregate principal amount of Global Notes may be conducted only in accordance with the rules and procedures of the Euroclear and Clearstream. In addition, Certificated Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in the Global Note under the circumstances set forth in Section 2.04(e).

(c) In connection with the transfer of an entire Global Note to beneficial owners pursuant to clause (b) of this Section 2.06, the Global Note shall be deemed to be surrendered to the Paying Agent for cancellation, and the Company shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Common Depositary in exchange for its beneficial interest in the Global Note, an equal aggregate principal amount of Certificated Notes of authorized denominations.

(d) The registered holder of a Global Note may grant proxies and otherwise authorize any Person to take any action which a Holder is entitled to take under this Indenture or the Notes.

Section 2.07. Special Transfer Provisions. Subject to Section 2.04, unless and until the relevant Private Placement Legend is removed from a Certificated Note or a Global Note pursuant to paragraph (a) below, the following additional provisions shall apply to the proposed transfer, exchange or replacement of the Certificated Note or, to the extent relevant to the Trustee, the Registrar or the Common Depositary, any beneficial interest in a Global Note:

(a) Upon the registration of transfer, exchange or replacement of Notes bearing a Private Placement Legend, the Registrar shall deliver only Notes that bear the same Private Placement Legend unless the requested transfer, exchange or replacement there is delivered to the Registrar an Opinion of

Counsel reasonably satisfactory to the Company to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Upon the registration of transfer, exchange or replacement of Notes not bearing a Private Placement Legend, the Registrar shall deliver Notes that do not bear a Private Placement Legend.

(b) By its acceptance of any Note bearing a Private Placement Legend, each Holder of such a Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in such Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture. The Registrar shall not register a transfer of any Note unless such transfer complies with the restrictions on transfer of such Note set forth in this Indenture. In connection with any transfer of Notes, each Holder agrees by its acceptance of the Notes to furnish the Registrar or the Company such certifications, legal opinions or other information as either of them may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act; *provided* that the Registrar shall not be required to determine (but may rely on a determination made by the Company with respect to) the sufficiency of any such certifications, legal opinions or other information.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.06 or this Section 2.07 in accordance with its customary procedures. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

(c) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Common Depositary participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.08. *PIK Notes.* (a) If the Company elects to pay PIK Interest as set forth in the Notes, the Company must give notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to this Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date. If the Company pays PIK Interest as set forth in the Notes, the Company shall increase the outstanding principal amount of the Global Notes or issue additional Certificated Notes as applicable (in each case, “**PIK Notes**”) having an aggregate principal amount equal to the amount of interest then due and owing as PIK Interest as follows:

(i) with respect to Notes represented by a Global Note, by increasing the principal amount of such Global Note, effective as of the applicable Interest Payment Date, by an amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest US\$1); and

(ii) with respect to Notes represented by a Certificated Note, by issuing PIK Notes in the form of a Certificated Note, dated as of the applicable Interest Payment Date, in an aggregate principal amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest US\$1).

(b) Following an increase in the principal amount of the outstanding Global Notes as a result of a payment of PIK Interest in the form of PIK Notes, the Global Notes will bear interest on such increased principal amount from and including the applicable Interest Payment Date. Any PIK Notes issued in the form of Certificated Notes will be dated as of the applicable Interest Payment Date and will bear interest from and including such date. The PIK Notes are identical to the Notes for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and mandatory offers to purchase (except that interest will begin to accrue on the PIK Notes from and including the date they are issued), and will be consolidated and form a single class with the Notes. References to “principal amount” of the Notes shall

include any increase in the principal amount of the outstanding Notes as a result of the payment of PIK Interest.

(c) To the extent PIK Notes are issued in the form of Certificated Notes as contemplated by Section 2.08(a)(ii), the Trustee or an Authenticating Agent will, at the request of the Company, authenticate and deliver any PIK Notes in the form of Certificated Notes for original issuance to the Holders of Certificated Notes on the relevant Interest Record Date in accordance with this Indenture. PIK Notes in the form of Certificated Notes will be issued in minimum denominations of US\$1 and integral multiples of US\$1 in excess thereof but may only be transferred in denominations of US\$1 and integral multiples of US\$1 in excess thereof. Notwithstanding the foregoing, for the purpose of Euroclear and Clearstream, the denominations are considered as US\$1. For the avoidance of doubt, neither Euroclear nor Clearstream is required to monitor or enforce the minimum amount.

Section 2.09. *Mutilated, Defaced, Destroyed, Stolen and Lost Notes.* (a) The Company shall execute and deliver to the Paying and Transfer Agent Certificated Notes in such amounts and at such times as to enable the Paying and Transfer Agent to fulfill its responsibilities under this Indenture and the Notes.

(b) In case any Note shall become mutilated, defaced or be apparently destroyed, lost or stolen, upon the request of the registered holder thereof, the Company in its discretion may execute, and, upon the written request of Authorized Officers of the Company, the Trustee or an Authenticating Agent shall authenticate and deliver, a new Note (with each Subsidiary Guarantee endorsed thereon), bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated or defaced Note, or in lieu of and substitution for the Note so apparently destroyed, lost or stolen. In every case the applicant for a substitute Note shall furnish to the Company, the Subsidiary Guarantors and the Trustee, and any agent of the Company, the Subsidiary Guarantors or the Trustee such security or indemnity as may be required by each of them to indemnify and defend and to save each of them harmless and, in every case of destruction, loss or theft, evidence to their satisfaction of the apparent destruction, loss or theft of such Note and of the ownership thereof. Upon the issuance of any substitute Note, such Holder, if so requested by the Company, the Subsidiary Guarantors or the Trustee, or any agent thereof, will pay a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee or its agent(s)) connected with the preparation and issuance of the substitute Note. The Trustee is hereby authorized, in accordance with and subject to the foregoing conditions in this clause (b), to authenticate and deliver, or cause the authentication and delivery of, from time to time, Notes (with each Subsidiary Guarantee endorsed thereon) in exchange for or in lieu of Notes (with each Subsidiary Guarantee endorsed thereon), respectively, which become mutilated, defaced, destroyed, stolen or lost. Each Note delivered in exchange for or in lieu of any Note shall carry all the rights to principal, premium (if any), interest (including rights to accrued and unpaid interest and Additional Amounts) which were carried by such Note.

(c) Mutilated or defaced Certificated Notes must be surrendered before replacements will be issued. In the event any such mutilated, defaced, destroyed, lost or stolen certificate has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new certificate, pay such Notes.

Section 2.10. *Further Issues.* Subject to the covenants described in Article 4 and in accordance with the terms hereof, the Company may, from time to time, without notice to or the consent of the Holders, create and issue additional notes (the “**Additional Notes**”) having the same terms and conditions as the Notes (including the benefit of the Subsidiary Guarantees and the Collateral) in all respects (or in all respects except for the issue date, issue price and the date of the first payment of interest on them and, to the extent necessary, certain temporary securities law transfer restrictions) (a “**Further Issue**”) so that such Additional Notes may be consolidated and form a single class with the previously outstanding Notes and vote together as one class on all matters with respect to the Notes; *provided* that (i) the issuance of any such Additional Notes shall then be permitted under Section 4.05, and (ii) for so long as may be required by the applicable provisions of the Securities Act or the procedures of the Common Depositary, Euroclear or Clearstream, such Additional Notes shall be represented by one Global Note in accordance with Section 2.04(c) and subject to applicable transfer or other restrictions. In connection with any such issuance of Additional Notes,

the Company shall deliver an Officers' Certificate to the Trustee directing the Trustee or an Authenticating Agent to authenticate and deliver Additional Notes in an aggregate principal amount specified therein and the Trustee or an Authenticating Agent, in accordance with such Officers' Certificate, shall authenticate and deliver such Additional Notes. The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture is unlimited.

Section 2.11. *Cancellation of Notes; Disposition Thereof.* All Notes surrendered for payment, redemption, registration of transfer or exchange, if surrendered to the Company or any agent of the Company or the Trustee, shall be delivered to the Paying and Transfer Agent for cancellation or, if surrendered to the Paying and Transfer Agent, shall be canceled by it; and no Notes shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Paying and Transfer Agent shall dispose of canceled Notes held by it in accordance with its customary procedures, and deliver a certificate of disposition to the Company. If the Company shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Notes unless and until the same are delivered to the Paying and Transfer Agent for cancellation. For as long as the Notes are held in Global Notes form, any cancellation of the Notes as a result of redemption, repurchase or repayment of the Notes in accordance with the terms of this Indenture shall be reflected by way of a decrease or markdown in the outstanding principal amount of the Notes, and shall not be reflected through a pool factor or similar records of the clearing systems.

Section 2.12. *ISIN and Common Code Numbers.* The Company in issuing the Notes may use ISIN and Common Code numbers (if then generally in use), and, if so, the Trustee and the Paying and Transfer Agent shall use for the Notes ISIN and Common Code numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee and the Paying and Transfer Agent of any change in the ISIN and Common Code numbers.

ARTICLE 3 REDEMPTION

Section 3.01. *Redemption for Taxation Reasons.* (a) The Notes may be redeemed at the option of the Company or a Surviving Person with respect to the Company, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to the Holders (which notice shall be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Company or the Surviving Person, as the case may be, for redemption (the "**Tax Redemption Date**") if, as a result of:

- (i) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or
- (ii) any change in the existing official position or the stating of an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment is proposed and becomes effective on or after the Original Issue Date with respect to any payment due or to become due under the Notes or this Indenture, the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, and such requirement cannot be avoided by the taking of reasonable measures by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be; provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due.

(b) Prior to the mailing of any notice of redemption of the Notes pursuant to Section 3.01(a), the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, will deliver to the Trustee:

(i) an Officers' Certificate stating that such change or amendment referred to in Section 3.01(a) has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, taking reasonable measures available to it; and

(ii) an Opinion of Counsel or an opinion of a tax consultant, in either case of recognized standing with respect to tax matters of the Relevant Taxing Jurisdiction, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in Section 3.01(a).

The Trustee shall accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above and shall not be obligated to verify the accuracy or content thereof, in which event it shall be conclusive and binding on the Holders.

(c) Any Notes that are redeemed pursuant to the terms of this Section 3.01 will be cancelled.

Section 3.02. *Optional Redemption.*

(a) At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to this Section 3.02 for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

(b) The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected as follows:

(i) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed (if any) or any applicable requirements of the clearing systems through which the Notes are held; or

(ii) if the Notes are not listed on any national securities exchange, on a pro rata basis, by lot or by such other method as the Trustee in its sole and absolute discretion shall deem to be fair and appropriate unless otherwise required by law or by applicable stock exchange or clearing system requirements.

(c) A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. With respect to any Certificated Note, a new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

(d) If the Company elects to redeem the Notes pursuant to the optional redemption provisions of Section 3.02 hereof, it must furnish to the Trustee, at least 10 Business Days but not more than 30 Business Days before a redemption date, an Officers' Certificate setting forth:

(i) the clause of this Indenture pursuant to which the redemption shall occur;

- (ii) the redemption date;
- (iii) the principal amount of Notes to be redeemed; and
- (iv) the redemption price.

Section 3.03. Mandatory Redemption.

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to this Section 3.03 for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

The Company shall notify the Trustee of any voluntary prepayment of the Long Term Loan as soon as reasonably practicable in writing. The Trustee may rely conclusively on any such notification provided by the Company.

Section 3.04. Method and Effect of Redemption. (a) The notice of redemption will identify the Notes to be redeemed and will include or state the following:

- (i) the redemption date;
- (ii) the redemption price, including the portion thereof representing any accrued interest;
- (iii) the place or places where Notes are to be surrendered for redemption;
- (iv) Notes called for redemption must be so surrendered in order to collect the redemption price;
- (v) on the redemption date the redemption price will become due and payable on Notes called for redemption, and interest on Notes called for redemption will cease to accrue on and after the redemption date; and
- (vi) if any Note contains a ISIN or Common Code number, no representation is being made as to the correctness of the ISIN or Common Code number either as printed on the Notes or as contained in the notice of redemption and that the Holder should rely only on the other identification numbers printed on the Notes.

(b) Any Notes that are redeemed pursuant to the terms of Sections 3.02 and 3.03 will be cancelled.

(c) Once notice of redemption is sent to the Holders pursuant to the terms of Sections 3.02 and 3.03, Notes called for redemption become due and payable at the redemption price on the redemption date, and upon surrender of the Notes called for redemption, the Company shall redeem such Notes at the redemption price. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

ARTICLE 4
COVENANTS

Section 4.01. *Payment of Notes.* (a) The Company will pay the principal of, any premium on (if any) and interest, and Additional Amounts, if any, on the Notes on the dates and in the manner provided in the Notes and this Indenture. Not later than one Business Day prior to the Interest Payment Date, the due date of any principal on any Notes, the Tax Redemption Date pursuant to Section 3.01 or the redemption date pursuant to Section 3.02 (each a “**Payment Date**”), the Company will pay or cause to be paid to the account of the Paying and Transfer Agent at the Principal Office, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, in immediately available funds, an amount which shall be sufficient to pay the aggregate amount of interest, principal or premium or all of such amounts, as the case may be, becoming due in respect of the Notes on such Payment Date; *provided* that if the Company or any Affiliate of the Company is acting as Paying and Transfer Agent, it shall, on or before each due date, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such amounts until paid to such Holders or otherwise disposed of as provided in this Indenture. In each case the Company shall promptly notify the Trustee and the Paying and Transfer Agent of its compliance with this paragraph. The Company shall procure that, before 9:00 a.m. (New York City time) on the third Business Day before each Payment Date, the bank effecting payment for it confirms by tested telex or authenticated SWIFT message to the Paying and Transfer Agent the payment instructions relating to such payment. The Paying and Transfer Agent shall not be bound to make any payment until it has received the full amount due to be paid to it pursuant to this Section 4.01.

(b) An installment of principal, premium or interest will be considered paid on the date due if the Paying and Transfer Agent, other than the Company or any Affiliate of the Company, holds on that date money designated for and sufficient to pay the installment. If the Company or any Affiliate of the Company acts as Paying and Transfer Agent, an installment of principal or interest will be considered paid on the due date only if paid to the Holders.

(c) The Paying and Transfer Agent, which will include the Company or any Affiliate of the Company if it is acting as Paying and Transfer Agent will make payments in respect of the Notes represented by the Global Notes by wire transfer of immediately available funds to the accounts specified by the Holders of the Global Notes. With respect to Certificated Notes, the Paying and Transfer Agent will make all payments by wire transfer of immediately available funds to the accounts specified by the Holders thereof or, if no such account is specified, by mailing a check to each Holder’s registered address; *provided* that if the Company or any Affiliate of the Company is acting as Paying and Transfer Agent, it shall make such payment to the Holders as specified above.

(d) At least three Business Days prior to the first Payment Date and, if there has been any change with respect to the matters set forth in the below-mentioned certificate, at least three Business Days prior to each Payment Date thereafter, the Company shall furnish the Paying and Transfer Agent with an Officers’ Certificate instructing the Paying and Transfer Agent as to any circumstances in which payments of principal of, or interest or premium on, the Notes due on such date shall be subject to deduction or withholding for, or on account of, any Taxes described in Section 4.20 and the rate of any such deduction or withholding. If any such deduction or withholding shall be required and if the Company therefore becomes liable to pay Additional Amounts, if any, pursuant to Section 4.20 then at least three Business Days prior to each Payment Date, the Company shall furnish the Paying and Transfer Agent with a certificate which specifies the amount required to be withheld on such payment to Holders of the Notes, and the Additional Amounts, if any, due to the Holders of the Notes, and at least one Business Day prior to such Payment Date, will pay to the Paying and Transfer Agent such Additional Amounts, if any, as shall be required to be paid to such Holders.

(e) Whenever the Company appoints a Paying and Transfer Agent other than the Trustee for the purpose of paying amounts due in respect of the Notes, it will cause such Paying and Transfer Agent to execute and deliver to the Trustee an instrument substantially in the form of Exhibit E hereof in which such agent shall agree with the Company, among other things, to be bound by and observe the provisions of this Indenture (including the Notes). The Company shall cause each Paying and Transfer Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying and Transfer Agent shall agree with the Trustee,

(i) that it will hold all sums received by it as such Paying and Transfer Agent for the payment of the principal of, or premium or interest on, the Notes (whether such sums have been paid to it by or on behalf of the Company or by any other obligor on the Notes or any Subsidiary Guarantee) in trust for the benefit of the Holders or of the Trustee;

(ii) that it will give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes or any Subsidiary Guarantee) to make any payment of the principal of, or premium or interest on, the Notes and any other payments to be made by or on behalf of the Company under this Indenture, when the same shall be due and payable; and

(iii) that it will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request at any time during the continuance of a failure referred to in clause (ii) above.

Anything in this Section 4.01 to the contrary notwithstanding, the Company may at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by the Company or any Paying and Transfer Agent hereunder, as required by this Section 4.01 and such sums shall be held by the Trustee upon the trusts herein contained. If the Paying and Transfer Agent shall pay all sums held in trust to the Trustee as required under this Section 4.01, the Paying and Transfer Agent shall have no further liability for the money so paid over to the Trustee.

Anything in this Section 4.01 to the contrary notwithstanding, the agreements to hold sums in trust as provided in this Section 4.01 are subject to the provisions of Section 8.03.

Section 4.02. *Maintenance of Office or Agency.* (a) The Company will maintain an office or agency where Notes may be surrendered for registration of transfer or exchange or for presentation for payment and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company hereby initially designates the Principal Office as such office of the Company. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served to the Trustee.

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be surrendered or presented for any of such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each place where principal of, and interest or premium on, any Notes are payable. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) So long as the Notes are listed on the SGX-ST and the SGX-ST so requires, there will be a Paying and Transfer Agent in Singapore. The Company will give to the Trustee written notice of the location of any such office or agency and of any change of location thereof. The Company has initially appointed the Paying and Transfer Agent and Registrar listed in Exhibit G.

(d) So long as any of the Notes remain outstanding, each of the Subsidiary Guarantors will maintain in each place where principal of, and interest or premium on, any Notes is payable an office or agency where notices and demands to or upon each of the Subsidiary Guarantors in respect of the Notes, the Subsidiary Guarantees or this Indenture may be served. Each of the Subsidiary Guarantors hereby initially designates the Principal Office as the office or agency for each such purpose. In case any of the Subsidiary Guarantors shall fail to maintain any such office or agency or shall fail to give notice of the location or of any change in the location thereof, presentations and demands may be made and notices may be served at the Trustee's office.

Section 4.03. *Governmental Approvals and Licenses; Compliance With Law.* The Company will, and will cause each Restricted Subsidiary to, (a) obtain and maintain in full force and effect all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the

Section 4.04. *Payment of Taxes and Other Claims.* The Company will pay or discharge, and cause each of its Subsidiaries to pay or discharge before the same become delinquent (a) all material taxes, assessments and governmental charges levied or imposed upon the Company or any Subsidiary or its income or profits or property and (b) all material lawful claims for labor, materials and supplies that, if unpaid, might by law become a Lien upon the property of the Company or any Subsidiary, other than any such tax, assessment, charge or claim the amount, applicability or validity of which is being contested in good faith by appropriate proceedings and for which adequate reserves have been established.

(vii) existing in customary provisions in shareholders' agreement, joint venture agreements and other similar agreements permitted under this Indenture, to the extent such encumbrance or restriction relates to the activities or assets of a Restricted Subsidiary that is a party to such joint venture and if (as determined in good faith by the Board of Directors) (i) the encumbrances or restrictions are customary for a joint venture or similar agreement of that type and (ii) the encumbrances or restrictions would not, at the time agreed to, be expected to materially and adversely affect (x) the ability of the Company to make the required payments on the Notes, or (y) any Subsidiary Guarantor to make required payments under its Subsidiary Guarantee; or

(viii) existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Subsidiary or its subsidiaries or the property or assets of such Subsidiary or its subsidiaries, and any extensions, refinancing, renewals or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced.

(b) to the extent such Capital Stock represents director's qualifying shares or is required by applicable law to be held by a Person other than the Company or a Restricted Subsidiary;

(c) for the issuance or sale of the Capital Stock of a Restricted Subsidiary if, immediately after giving effect to such issuance or sale, such Restricted Subsidiary would no longer constitute a Restricted Subsidiary and any remaining Investment in such Person would have been permitted to be made under Section 4.06 if made on the date of such issuance or sale and *provided* that the Company complies with Section 4.13; or

(d) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale); *provided* that the Company or such Restricted Subsidiary applies the Net Cash Proceeds of such issuance or sale in accordance with Section 4.13.

(a) To the extent any Subsidiary Guarantee remains outstanding, the Company will not permit any Restricted Subsidiary which is not a Subsidiary Guarantor, directly or indirectly, to Guarantee any Relevant Indebtedness (“**Guaranteed Indebtedness**”) of the Company or any Subsidiary Guarantor, unless (i) (a) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to this Indenture, providing for an unsubordinated Subsidiary Guarantee of payment of the Notes by such Restricted Subsidiary and (b) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee, until the Notes have been paid in full or (ii) such Guarantee is permitted by clause (iii), (iv), (xiv)(B) (other than, in the case of clause (xiv)(B), (x) a Guarantee by a PRC Restricted Subsidiary of the Indebtedness of a non-PRC Restricted Subsidiary that is not a Subsidiary of such PRC Restricted Subsidiary or (y) a Guarantee by a non-PRC Restricted Subsidiary that is not a Subsidiary Guarantor of Indebtedness of a Subsidiary Guarantor) or (xviii) (in the case of clause (xviii), with respect to the Guarantee provided by the Company or any Restricted Subsidiary through the pledge of cash deposits, bank accounts or other assets to secure (or the use of any Guarantee, letter of credit or similar instrument to Guarantee) any Bank Deposit Secured Indebtedness) of Section 4.05(b).

(b) If the Guaranteed Indebtedness (i) ranks *pari passu* in right of payment with the Notes, any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall rank *pari passu* in right of payment with, or subordinated to, the Subsidiary Guarantee, or (ii) is subordinated in right of payment to the Notes or any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall be subordinated in right of payment to the Subsidiary Guarantee, at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes or the Subsidiary Guarantee.

Section 4.11. *Limitation on Sale and Leaseback Transactions.* The Company will not, and will not permit any of its Restricted Subsidiaries to, enter into any Sale and Leaseback Transaction; *provided* that the Company or any Restricted Subsidiary may enter into a Sale and Leaseback Transaction if:

(a) the Company or any Restricted Subsidiary could have (i) incurred Indebtedness in an amount equal to the Attributable Indebtedness relating to such Sale and Leaseback Transaction under Section 4.05(a) and (ii) incurred a Lien to secure such Indebtedness pursuant to Section 4.07, in which case, the corresponding Indebtedness and Lien will be deemed incurred pursuant to those provisions;

(b) the gross cash proceeds of that Sale and Leaseback Transaction are at least equal to the Fair Market Value of the property that is the subject of such Sale and Leaseback Transaction; and

(c) the transfer of assets in that Sale and Leaseback Transaction is permitted by, and the Company or any Restricted Subsidiary applies the proceeds of such transaction in compliance with, Section 4.13.

Section 4.12. *Repurchase of Notes Upon a Change of Control Triggering Event.*

(a) Not later than 30 days following a Change of Control Triggering Event, the Company will make an Offer to Purchase all outstanding Notes (a “**Change of Control Offer**”) at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but not including) the Offer to Purchase Payment Date.

(b) The Company will in a timely manner repay all Indebtedness or obtain consents as necessary under, or terminate, agreements or instruments that would otherwise prohibit a Change of Control Offer required to be made pursuant to this Section 4.12.

(c) Notwithstanding the above, the Company will not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third party makes the Change of Control Offer in the same manner at the same time and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Section 4.13. *Limitation on Asset Sales.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless:

(i) no Default shall have occurred and be continuing or would occur as a result of such Asset Sale;

(ii) the consideration received by the Company or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of;

(iii) at least 75% of the consideration received consists of cash, Temporary Cash Investment or Replacement Assets; *provided* that in the case of an Asset Sale in which the Company or such Restricted Subsidiary receives Replacement Assets involving aggregate consideration in excess of US\$80.0 million (or the Dollar Equivalent thereof), the Company shall deliver to the Trustee an opinion as to the fairness to the Company or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an accounting, appraisal or investment banking firm of international standing. For purposes of this provision, each of the following will be deemed to be cash:

(1) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes, any Subsidiary Guarantee) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that releases the Company or such Restricted Subsidiary from further liability; and

(2) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from such transferee that are promptly, but in any event within 30 days of closing, converted by the Company or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion.

(b) Within 360 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company (or any Restricted Subsidiary, as the case may be) may apply such Net Cash Proceeds to:

(i) permanently repay Senior Indebtedness of the Company or a Subsidiary Guarantor or any Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor (and, if such Senior Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) in each case owing to a Person other than the Company or a Restricted Subsidiary;

(ii) acquire Replacement Assets; or

(iii) facilitate property delivery or to ensure social stability as required by PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures, *provided* that the Company shall deliver a notice to the Trustee within 5 Business Days after the application of such Net Cash Proceeds pursuant to this clause (iii), summarizing (i) the amount of the Net Cash Proceeds so applied, (ii) the asset(s) subjected to such Asset Sale and (iii) the identity of the party involved in such Asset Sale, to the extent (x) the Company has received notice from relevant PRC government bodies or otherwise has actual knowledge thereof and (y) not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

Pending application of such Net Cash Proceeds as set forth in clause (i) or (ii) above, the Company or any Restricted Subsidiary may make an Investment in cash or Temporary Cash Investments.

(c) Any Net Cash Proceeds from Asset Sales that are not applied or invested as provided in Section 4.13(b)(i) and Section 4.13(b)(ii) above will constitute “**Excess Proceeds.**” Excess proceeds of less than US\$10.0 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. When accumulated Excess Proceeds exceed US\$10.0 million (or the Dollar Equivalent thereof), within 10 days thereof, the Company must make an Offer to Purchase Notes having a principal amount equal to:

(i) accumulated Excess Proceeds; multiplied by

(ii) a fraction (A) the numerator of which is equal to the outstanding principal amount of the Notes and (B) the denominator of which is equal to the outstanding principal amount of the Notes and all pari passu Indebtedness similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale,

(iii) rounded down to the nearest US\$1.

(d) The offer price in any Offer to Purchase will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash.

(e) If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes (and any other pari passu Indebtedness) tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Notes (and such other pari passu Indebtedness) will be purchased on a *pro rata* basis. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

Section 4.14. *Limitation on Transactions with Shareholders and Affiliates.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into, renew or extend any transaction or arrangement (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with (x) any holder (or any Affiliate of such holder) of 10% or more of any class of Capital Stock of the Company or (y) any Affiliate of the Company (each an “**Affiliate Transaction**”), unless:

(i) the Affiliate Transaction is on fair and reasonable terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable arm’s length transaction by the Company or the relevant Restricted Subsidiary with a Person that is not an Affiliate of the Company; and

(ii) the Company delivers to the Trustee:

In the event that any such withholding or deduction is so required, the Company, a Surviving Person or the applicable Subsidiary Guarantor, as the case may be, will pay such additional amounts (“**Additional Amounts**”) as will result in receipt by the Holder of each Note of such amounts as would have been received by such Holder had no such withholding or deduction been required, except that no Additional Amounts shall be payable:

(i) for or on account of:

(A) any tax, duty, assessment or other governmental charge that would not have been imposed but for:

(1) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Relevant Jurisdiction other than merely holding such Note or the receipt of payments thereunder or under a Subsidiary Guarantee, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction

or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

(2) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period;

(3) the failure of the Holder or beneficial owner to comply with a timely request of the Company, a Surviving Person or any Subsidiary Guarantor addressed to the Holder to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that due and timely compliance with such request would have reduced or eliminated any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder;

(4) the presentation of such Note (in cases in which presentation is required) for payment in the Relevant Jurisdiction, unless such Note could not have been presented for payment elsewhere;

(B) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(ii) with respect to any payment of the principal of, or premium, if any, or interest on, such Note or any payment under any Subsidiary Guarantee to a Holder, if the Holder is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor, with respect to the fiduciary, a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

(b) Whenever there is mentioned in any context the payment of principal of, and any premium or interest, on any Note or under any Subsidiary Guarantee, such mention shall be deemed to include payment of Additional Amounts provided for in this Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(b) Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes in connection with an exchange or tender offer, the Company and any Restricted Subsidiary may exclude (i) Holders or beneficial owners of the Notes that are not institutional “accredited investors” as defined in Rule 501 under the Securities Act, and (ii) Holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such Holders or beneficial owners would require the Company or any Restricted Subsidiary to comply with the registration requirements or other similar requirements under any securities laws of such jurisdiction, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, Holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Company in its sole discretion.

Such covenants will not, however, be of any effect with regard to actions of the Company or any Restricted Subsidiary properly taken in compliance with the provisions of this Indenture during the continuance of the Suspension Event, and following reinstatement

the calculations under the covenant summarized under Section 4.06 will be made as if such covenant had been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended.

(k) the Company or any other Chargor denies or disaffirms its obligations under the Intercreditor Agreement or any Security Document or, other than in accordance with this Indenture, the Intercreditor Agreement and the Security Documents, any Security Document ceases to be or is not in full force and effect or the Trustee ceases to have a security interest in the Collateral (subject to Permitted Liens).

Section 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(g) or 6.01(h)) occurs and is continuing under this Indenture with respect to any Notes, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the Trustee if such notice is given by the Holders) may, and the Trustee at the request of such Holders (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) shall, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If (i) an Event of Default specified in Section 6.01(g) or 6.01(h) occurs with respect to the Company or any Significant Restricted Subsidiary or (ii) the Long Term Loan has been declared to be due and payable prior to its Stated Maturity in accordance with the facility agreement governing the Long Term Loan, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder, *provided, however*, that in the case of (ii), Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes may rescind and annul any acceleration of the Notes as a result of an acceleration of the Long Term Loan in accordance with Section 9.02. The Company shall notify the Trustee as soon as reasonably practicable in writing in the event that the Long Term Loan has been declared to be due and payable prior to its Stated Maturity in accordance with the facility agreement governing the Long Term Loan. The Trustee may rely conclusively on any such notification provided by the Company.

Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may, and shall, upon the written request of Holders of at least 25% in aggregate principal amount of outstanding Notes, (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) foreclose on the Collateral in accordance with the terms of the Security Documents and take such further action on behalf of the Holders of the Notes with respect to the Collateral as the Trustee deems appropriate.

Section 6.04. *Waiver of Past Defaults.* Except as otherwise provided in Section 6.02, the Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee may on behalf of all the Holders of Notes waive all past Defaults and rescind and annul a declaration of acceleration and its consequences if: (a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived, and (b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05. *Control by Majority.* The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction in advance of the proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes.

Section 6.06. *Limitation on Suits.* A Holder may not institute any proceeding, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture or the Notes unless:

- (a) the Holder has previously given the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder or Holders provide the Trustee indemnity and/or security and/or prefunding satisfactory to the Trustee against any costs, liability or expense, to be incurred in compliance with such written request;
- (d) the Trustee does not comply with the request within 60 days after receipt of the written request and the offer of indemnity and/or security and/or prefunding satisfactory to it referred to in (b) and (c) above; and
- (e) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. *Rights of Holders to Receive Payment.* The right of any Holder to receive payment of the principal of, premium, if any, or interest on, such Note, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, shall not be impaired or affected without the consent of Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes.

Section 6.08. *Compliance Certificate.* The Company will submit an Officers' Certificate to the Trustee, in substantially the form attached hereto as Exhibit F, on or before a date not more than 120 days after the end of each fiscal year ending after the Original Issue Date, stating (i) a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under this Indenture and that the Company has fulfilled all obligations hereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof and (ii) if there is any Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness or any transaction subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) that is

incurred for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as requested or required by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measure, during the period under review and to the extent the Company has received notice from relevant PRC government bodies or in accordance with applicable PRC laws, rules, regulations, government policies or measures with respect to such Asset Sale, Permitted Investment, Permitted Lien, Permitted Indebtedness or transaction subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) or otherwise has actual knowledge thereof, provide a brief description thereof, including value or parties involved, to the extent not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

Section 6.09. *Collection Suit By Trustee.* If an Event of Default in payment specified in Section 6.01(a) or Section 6.01(b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount remaining unpaid, together with interest on overdue principal or premium and, to the extent lawful, overdue installments of interest, in each case at the rate specified in the Notes, and such further amount as is sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

Section 6.10. *Trustee May File Proofs of Claim.* The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the Holders allowed in any judicial proceedings relating to the Company or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Notes or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Indenture will be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.11. *Priorities.*

(a) At any time during which the Intercreditor Agreement is in force, the Trustee agrees that any money collected upon enforcement of the Collateral shall be distributed in accordance with the Intercreditor Agreement.

(b) Any money collected by the Trustee other than upon enforcement of Collateral or at any time during which the Intercreditor Agreement is not in force shall be paid out in the following order:

First, to the Trustee to the extent necessary to reimburse the Trustee for any expenses incurred in connection with the collection or distribution of such amounts held or realized or in connection with expenses incurred in enforcing its remedies under the Security Documents and preserving the Collateral and all amounts for which the Trustee is entitled to indemnification under the Security Documents;

Second, to each of the Agents to the extent necessary to reimburse each of the Agents for any unpaid fees and amounts due to any of the Agents and any expenses incurred by such Agents in connection with the performance of its obligations under this Indenture and all amounts for which each of the Agents is entitled to indemnification under this Indenture;

Third, to the Trustee for the benefit of Holders; and

Fourth, any surplus remaining after such payments will be paid to the Chargors or to whomever may be lawfully entitled thereto.

The Trustee, upon written notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Section 6.11.

Section 6.12. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted a proceeding to enforce any right or remedy under this Indenture and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the Holder, then, subject to any determination in the proceeding, the Company, any Subsidiary Guarantors, the Trustee and the Holders will be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Company, any Subsidiary Guarantors, the Trustee and the Holders will continue as though no such proceeding had been instituted.

Section 6.13. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.13 does not apply to a suit by a Holder to enforce payment of principal of, premium on or interest on any Note on the respective due dates, or a suit by Holders of more than 10% in principal amount of the outstanding Notes.

Section 6.14. *Rights and Remedies Cumulative.* No right or remedy conferred or reserved to the Trustee or to the Holders under this Indenture is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or exercise of any other right or remedy.

Section 6.15. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.16. *Waiver of Stay, Extension or Usury Laws.* Each of the Company and the Subsidiary Guarantors covenants, to the extent that it may lawfully do so, that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company or such Subsidiary Guarantor, from paying all or any portion of the principal of, or premium or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture. Each of the Company and the Subsidiary Guarantors hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7 THE TRUSTEE

Section 7.01. *General.* (a) The duties and responsibilities of the Trustee are as set forth herein. Whether or not expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to this Article.

(b) Except during the continuance of an Event of Default, the Trustee needs to perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee. In case an Event of Default has occurred and is continuing and the Trustee has received written notice thereof pursuant to Section 7.05, the Trustee shall exercise those rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. During the continuance of an Event of Default, the Trustee shall act upon the written direction of the Holders of at least 25% of the aggregate principal amount then outstanding, subject to its receiving indemnity and/or security to its satisfaction.

(c) Should the Trustee become a creditor of the Company or any of the Subsidiary Guarantors, the rights of the Trustee to obtain payment of claims in certain cases or to realize on certain property received by the Trustee in respect of any such claims as security or otherwise will be limited. The Trustee is permitted to engage in other transactions, including normal banking and trustee relationships, with the Company and its Affiliates; *provided, however*, that if any direct conflict of interest arises between the Trustee and the Company or any of the Subsidiary Guarantors, the Trustee hereby agrees to eliminate such conflict or resign.

(d) None of the Trustee and Agents nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral securing the Notes, for the legality, enforceability, effectiveness sufficiency of the Security Documents, for the creation, perfection, maintenance, priority, sufficiency or protection of any of the Liens created pursuant to the Security Documents, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or Security Documents or any delay in doing so, except as a result of the Agent's own fraud, gross negligence or willful misconduct.

(e) Neither the Trustee nor the Collateral Agent will be under any obligation to exercise any rights or powers conferred under this Indenture or any of the Security Documents for the benefit of the Holders, unless such Holders have provided to the Trustee and/or the Collateral Agent indemnity and/or security satisfactory to the Trustee and/or the Collateral Agent against any loss, liability or expense that might be incurred by it in compliance with such direction. The Trustee shall not be liable to any person for having acted on instruction or direction provided to it by Holders with respect to the Indenture and the Notes.

(f) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own fraud, grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that (i) this paragraph does not limit the effect of paragraph (a) of this Section 7.1, (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertaining facts, and (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith (i) in accordance with a direction received by it pursuant to Section 6.02 or 6.05 or (ii) if such action or omission may, in the Trustee's opinion following advice in writing by legal counsel of international repute, be contrary to any law of any jurisdiction or any directive or regulation of any agency of any jurisdiction.

(g) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible to any Person for failing to request, require or receive any account statement pursuant to any Security Document or for failing to check or comment upon the accuracy of such account statements and shall have no responsibility for the contents of any account statement prepared pursuant to any Security Document and, for the avoidance of doubt, it is intended that the Trustee shall not check or comment on any such account statement.

(h) Unless the Trustee receives prior written notice from the Company or the Holders in accordance with the terms of this Indenture, the Trustee shall be entitled to assume, without any further inquiry, that the Company has duly performed all of its obligations in accordance with this Indenture, including each of the exhibits attached hereto.

(i) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible for recitals, statements, warranties or representations of any party contained in this Indenture or any other agreement or other document, including the Security Documents and the Intercreditor Agreement, entered into in connection herewith or therewith and shall assume the accuracy and correctness thereof and shall not be responsible for the execution, legality, effectiveness, adequacy, genuineness, validity or enforceability or admissibility in evidence of any such agreement or other document or any trust or security thereby constituted or evidenced, and the Trustee may accept without enquiry, requisition or objection such title as the Company may have to the property charged, pledged, mortgaged or assigned pursuant to the Security Documents or the Intercreditor Agreement or any part thereof from time to time and shall not be bound to investigate or make any enquiry into the title of the Company to such property or any part thereof from time to time whether or not any default or failure is or was known to the Trustee or might be, or might have been, discovered upon examination, inquiry or investigation and whether or not capable of remedy. Notwithstanding the generality of the foregoing, each Holder shall be solely responsible for making its own independent appraisal of, and investigation into, the financial condition, creditworthiness, condition, affairs, status and nature of the Company and any Subsidiary Guarantor, and the Trustee shall not at any time have any responsibility for the same and each Holder shall not rely on the Trustee in respect thereof.

Section 7.02. *Certain Rights of Trustee.* Subject to Section 7.01:

(a) In the absence of bad faith on its part, the Trustee may rely, and will be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in original or electronic form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but, in the case of any document which is specifically required to be furnished to the Trustee pursuant to any provision hereof, the Trustee shall examine the document to determine whether it conforms to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). Neither the Trustee nor the Agents shall be responsible for making calculations or for verifying calculations performed by the Company or any other persons unless otherwise expressly specified in this Indenture. The Trustee, in its sole and absolute discretion, may make further inquiry or investigation into such facts or matters as it sees fit.

Notwithstanding anything else herein contained, each of the Trustee and Agents may refrain without liability from doing anything that would or might in its reasonable opinion be contrary to any law of any state or jurisdiction (including but not limited to the laws of Hong Kong, the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its reasonable opinion, necessary to comply with any such law, directive or regulation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel conforming to Sections 12.03 and 12.04 and the Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by it hereunder. To the extent an agent has been named by the Trustee in connection with this Indenture, the parties hereto shall cooperate to ensure that such agent can perform the duties for which it was appointed. Upon an Event of Default, the Trustee shall be entitled to require all agents to act solely in accordance with its directions.

(d) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have provided to the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expenses that might be incurred by it in compliance with such request or direction.

(e) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers or for any action it takes or omits to take in

accordance with the direction of the Holders in accordance with Section 6.02 or 6.05 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(f) The Trustee may consult with counsel or other professional advisors of its selection, and the written advice of such counsel or advisors or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(g) If any Subsidiary Guarantor is substituted to make payments on behalf of the Company pursuant to Article 11, the Company shall promptly notify the Trustee and any clearing house through which the Notes are traded of such substitution and such Subsidiary Guarantor.

(h) Under no circumstances will the Trustee or any Agent be liable to the Company, any Subsidiary Guarantor for any indirect consequential punitive or special damages, even if advised of the possibility of such loss or damage.

(i) The Trustee is entitled to assume without enquiry, that each of the Company and the Subsidiary Guarantors has performed in accordance with all of the provisions in this Indenture, unless notified to the contrary.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate.

(k) In connection with the exercise by it of its trusts, powers, authorities or discretions (including, without limitation, any modification, waiver, authorization or determination), the Trustee shall have regard to the general interests of the Holders as a class but shall not have regard to any interests arising from circumstances particular to individual Holders (whatever their number) and in particular, but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers, authorities or discretions for individual Holders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any country, state or territory and a Holder shall not be entitled to require, nor shall any Holder be entitled to claim, from the Company, the Trustee or any other Person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Holders except to the extent already provided in Section 4.20 and/or any undertaking given in addition to, or in substitution for, Section 4.20 pursuant to this Indenture.

Section 7.03. *Individual Rights of Trustee.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee and nothing herein shall obligate the Trustee to account for any profits earned from any business or transactional relationship. Any Agent may do the same with like rights.

Section 7.04. *Trustee's Disclaimer.* The Trustee (a) makes no representation as to the validity or adequacy of this Indenture, the Notes or the Guarantee of any Subsidiary Guarantor, (b) is not accountable for the Company's use or application of the proceeds from the Notes, is not responsible for any statement in the Notes other than its certificate of authentication and (d) shall not have any responsibility for the Company's or any Holder's compliance with any state or U.S. federal securities law in connection with the Notes.

Section 7.05. *Notice of Default.* If any Default occurs and is continuing and is known to the Trustee, the Trustee will send notice of the Default to each Holder within 30 days after it occurs, or, if later, within 15 days after it is known to the Trustee unless the Default has been cured; *provided* that, except in each case of (a) a default in the payment of the principal of or premium or interest on any Note, (b) a default in the performance of, or a breach under any agreement of, the Undertakings by Gemfair Investments Limited or

Shiying Finance Limited or (c) a Monitoring Agent Report is not issued and delivered to the Trustee in accordance with Section 4.26(b)(iii), the Trustee may withhold the notice if and so long as the board of directors, the executive committee or a trust committee of the Trustee in good faith determines that withholding the notice is in the interest of the Holders. The Trustee shall not be deemed to have knowledge of a Default or Event of Default unless and until a Responsible Officer obtains actual knowledge of such Default or Event of Default through written notification from the Company, Gemfair Investments Limited or Shiying Finance Limited or as otherwise contemplated herein describing the circumstances of such, and identifying the circumstances constituting such Default or Event of Default.

Section 7.06. *Compensation and Indemnity.* (a) The Company and/or the Subsidiary Guarantors agree to be jointly and severally responsible for and will pay the Trustee compensation as agreed upon in writing for its services. The compensation of the Trustee is not limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances (including costs of collection) incurred or made by the Trustee, including the reasonable compensation, expenses and disbursements of the Trustee's agents and counsel and other Persons not regularly within its employ.

(b) Each of the Company and the Subsidiary Guarantors agrees to be jointly and severally responsible for and will indemnify the Trustee or any predecessor Trustee and their agents, employees, officers and directors for, and hold it harmless against, any loss or liability or expense incurred by it without negligence or willful misconduct on its part arising out of or in connection with the acceptance or administration of this Indenture and its duties under this Indenture, the Notes and the Subsidiary Guarantees, including (i) the costs and expenses of defending itself against any claim or liability and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under this Indenture and the Notes and (ii) the compensation, expenses and disbursements of the Trustee's agents and counsel and other Persons not regularly within the Trustee's employ.

(c) To secure the Company's payment obligations in this Section 7.06, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, and interest on particular Notes.

(d) When the Trustee incurs expenses or renders services pursuant to the Indenture after the occurrence of an Event of Default specified in clauses (g) or (h) of Section 6.01 with respect to the Company or Subsidiary Guarantor, the expenses are intended to constitute expenses of administration under the United States Bankruptcy Code (Title 11 of the United States Code) or any other similar law for the relief of debtors.

(e) This Section 7.06 shall survive the redemption or maturity of the Notes, the termination of this Indenture, and the termination of the appointment of the Trustee.

Section 7.07. *Replacement of Trustee.* (a) (i) The Trustee may resign at any time by written notice to the Company.

(ii) The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by written notice to the Trustee.

(iii) The Company may remove the Trustee if: (A) the Trustee is adjudged a bankrupt or insolvent; (B) a receiver or other public officer takes charge of the Trustee or its property; or (C) the Trustee becomes incapable of acting.

A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) If the Trustee has been removed by the Holders, then the Holders of a majority in principal amount of the Notes may appoint a successor Trustee with the consent of the Company. Otherwise, if the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. If the successor Trustee does not deliver its written acceptance within

30 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the expense of the Company), the Company or the Holders of a majority in the aggregate principal amount of the outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) Upon delivery by the successor Trustee of a written acceptance of its appointment to the retiring Trustee and to the Company, (i) the retiring Trustee will transfer all property and documents held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.06, (ii) the resignation or removal of the retiring Trustee will become effective, and (iii) the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. Upon request of any successor Trustee, the Company will execute any and all instruments for fully vesting in and confirming to the successor Trustee all such rights, powers and trusts. The Company will give notice of any resignation and any removal of the Trustee and each appointment of a successor Trustee to all Holders, and include in the notice the name of the successor Trustee and the address of its Corporate Trust Office.

(d) Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 will continue for the benefit of the retiring Trustee.

Section 7.08. *Successor Trustee by Consolidation, Merger, Conversion or Transfer.* If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business or assets (including the administration of the trust created by this Indenture) to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act will be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee in this Indenture.

Section 7.09. *Money Held In Trust.* The Trustee will not be liable for interest on any money received by it except as it may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law and except for money held in trust under Article 8.

Section 7.10. *Confidentiality.* Each of the Trustee and Agents will treat information relating to the Company and to the Subsidiary Guarantors as confidential, but (unless consent is prohibited by law) the Company and the Subsidiary Guarantors consent to the transfer and disclosure by the Trustee and Agents of any information relating to the Company and the Subsidiary Guarantors to and between branches, subsidiaries, representative offices, affiliates and agencies of the Trustee and Agents and third parties selected by any of them, wherever situated, for internal use only (including in connection with the provision of any service and for data processing, statistical and risk analysis purposes). The Trustee and Agents and any branch, subsidiary, representative office, affiliate, agent or third party may transfer and disclose any such information if and only to the extent required by any law, court regulator or legal process.

ARTICLE 8

SATISFACTION AND DISCHARGE

Section 8.01. *Satisfaction and Discharge of Indenture.* (a) This Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when;

(i) Either:

(A) all of the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust by the Company and thereafter repaid to the Company) have been delivered to the Paying Agent for cancellation; or

(B) all Notes not theretofore delivered to the Paying Agent for cancellation have become due and payable pursuant to an optional redemption notice or otherwise or will become due and payable within one year, and the Company has irrevocably deposited

or caused to be deposited with the Paying Agent funds, in cash in U.S. dollars, non-callable U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Paying Agent for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable written instructions from the Company directing the Trustee or the Paying Agent to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(ii) the Company or any Subsidiary Guarantor has paid all other sums payable under this Indenture; and

(iii) such deposit will not result in a breach or violation of, or constitute a default under, any instruments to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound (other than this Indenture, the Notes or any Security Document).

In addition, the Company must deliver to the Trustee an Officers' Certificate stating that all conditions precedent to satisfaction and discharge have been satisfied.

Section 8.02. *Application of Trust Money.* Subject to Section 8.03, the Trustee will hold in trust the money or U.S. Government Obligations deposited with it pursuant to Section 8.01, and apply the deposited money and the proceeds from deposited U.S. Government Obligations to the payment of principal of and premium or interest on the Notes in accordance with the Notes and this Indenture. Such money and U.S. Government Obligations will be segregated from other funds.

Section 8.03. *Repayment to Company.* Subject to Sections 7.06 and 8.01, the Trustee will promptly pay to the Company upon written request by the Company in the form of an Officers' Certificate any excess money held by the Trustee at any time and thereupon be relieved from all liability with respect to such money. The Trustee will pay to the Company upon written request by the Company in the form of an Officers' Certificate any money held for payment with respect to the Notes that remains unclaimed for two years, *provided* that before making such payment the Trustee may at the expense of the Company publish once in a newspaper of general circulation in New York City, or send to each Holder entitled to such money, notice that the money remains unclaimed and that after a date specified in the notice (at least 30 days after the date of the publication or notice) any remaining unclaimed balance of money will be repaid to the Company. After payment to the Company, Holders entitled to such money must look solely to the Company for payment, unless applicable law designates another Person, and all liability of the Trustee with respect to such money will cease.

Section 8.04. *Reinstatement.* If and for so long as the Trustee is unable to apply any money or U.S. Government Obligations held in trust pursuant to Section 8.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes will be reinstated as though no such deposit in trust had been made. If the Company makes any payment of principal of, premium or interest on any Notes because of the reinstatement of its obligations, it will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held in trust.

ARTICLE 9

AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 9.01. *Amendments without Consent of Holders.* (a) This Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document may be amended, without the consent of any Holder, to:

- (xii) make any other change that does not materially and adversely affect the rights of any Holder; and
- (xiii) conform the text of this Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or the Security Documents to any provision of the "Term Sheet" as defined in the Creditor Support Agreement to the extent that such provision in the "Term Sheet" as defined in the Creditor Support Agreement was objectively intended to be a verbatim recitation of a provision of this Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or the Security Documents.

Section 9.02. *Amendments with Consent of Holders.* (a) Except as provided below, amendments of this Indenture, the Intercreditor Agreement and the Security Documents may be made by the Company, the Subsidiary Guarantors and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes, and the Holders of a majority in principal amount of the outstanding Notes may waive future compliance by the Company with any provision of this Indenture or the Notes; *provided* that, no such modification, amendment or waiver may, without the consent of Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes at the time of such consent:

(ix) reduce the percentage or aggregate principal amount of outstanding Notes the consent of whose Holders is necessary for waiver of compliance with certain provisions of this Indenture or for waiver of certain defaults;

(x) amend, change or modify any Subsidiary Guarantee in a manner that adversely affects the Holders, except as provided in this Indenture;

(xi) amend, change or modify any provision of any Security Document, or any provision of this Indenture relating to the Collateral, in a manner that adversely affects the Holders, except in accordance with the other provisions of this Indenture;

(xii) reduce the amount payable upon a Change of Control Offer or an Offer to Purchase with the Excess Proceeds from any Asset Sale or change the time or manner by which a Change of Control Offer or an Offer to Purchase with the Excess Proceeds or other proceeds from any Asset Sale may be made or by which the Notes must be repurchased pursuant to a Change of Control Offer or an Offer to Purchase with the Excess Proceeds or other proceeds from any Asset Sale, whether through an amendment or waiver of provisions in the covenants, definitions or otherwise, unless such amendment, waiver or modification shall be in effect prior to the occurrence of a Change of Control Triggering Event or the event giving rise to the repurchase of the Notes under Section 4.13;

(xiii) change the redemption date or the redemption price of the Notes from that stated in Section 3.01 or Section 3.02;

(xiv) amend, change or modify the obligation of the Company or any Subsidiary Guarantor to pay Additional Amounts, except for the release of any Subsidiary Guarantee or any related Collateral pursuant to the terms of this Indenture;

(xv) rescind and annul any acceleration of the Notes as a result of an acceleration of the Long Term Loan in accordance with Section 6.02; and

(xvi) amend, change or modify any provision of this Indenture or the related definition affecting the ranking of the Notes or any Subsidiary Guarantee in a manner which adversely affects the Holders, except for the release of any Subsidiary Guarantee or any related Collateral pursuant to the terms of this Indenture or the Intercreditor Agreement.

(b) It is not necessary for Holders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof.

(c) An amendment, supplement or waiver under this Section 9.02 will become effective on receipt by the Trustee of written consents from the Holders of the requisite percentage in principal amount of the outstanding Notes. After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Company will send supplemental indentures to Holders upon request. Any failure of the Company to send such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

Section 9.03. *Limitation on Certain Amendments.* (a) Notwithstanding anything to the contrary in Section 9.02 above, unless the Stated Maturity or interest rate of the Long Term Loan or the provision of the Long Term Loan corresponding to clause (iii) of this Section 9.03(a) is correspondingly amended, no amendment of this Indenture may be made by the Company, the Subsidiary Guarantors or the Trustee to:

- (i) shorten the Stated Maturity of the principal of, or any installment of interest on, any Note;
- (ii) increase the interest rate of the Notes; or
- (iii) amend this Section 9.03.

(b) The Company shall notify the Trustee and the Holders of any amendment to the terms of the Long Term Loan that (i) shortens the Stated Maturity of the principal of, or any installment of interest on, the Long Term Loan, (ii) increases the interest rate of the Long Term Loan or (iii) amends the provision of the Long Term Loan corresponding to clause (iii) of Section 9.03(a), in each case, as soon as reasonably practicable in writing. The Trustee may rely conclusively on any such notification provided by the Company.

Section 9.04. *Effect of Consent.* (a) After an amendment, supplement or waiver becomes effective, it will bind every Holder unless it is of the type requiring the consent of each Holder affected. If the amendment, supplement or waiver is of the type requiring the consent of each Holder affected, the amendment, supplement or waiver will bind each Holder that has consented to it and every subsequent Holder of a Note that evidences the same debt as the Note of the consenting Holder.

(b) If an amendment, supplement or waiver changes the terms of a Note, the Trustee may require the Holder to deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Note and return it to the Holder, or exchange it for a new Note that reflects the changed terms. The Trustee may also place an appropriate notation on any Note thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Notes in this fashion.

Section 9.05. *Trustee's and Agent's Rights and Obligations.* Each of the Trustee and the Agents is entitled to receive, and will be fully protected in relying upon, an Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article is authorized or permitted by this Indenture and that such amendment, supplement or waiver constitutes the legal, valid and binding obligations of the party or parties executing such amendment, supplement or waiver, and an Officers' Certificate stating that all conditions precedent have been complied with. If the Trustee or the Agents, as the case may be, has received such an Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights of the Trustee or the Agents, as the case may be. Each of the Trustee and the Agents may, but is not obligated to, execute any amendment, supplement or waiver that affects the Trustee's or the Agents' own rights, duties or immunities under this Indenture.

ARTICLE 10

SECURITY TO BE GRANTED

Section 10.01. *Security to be Granted.* (a) The Company will, for the benefit of the Holders, pledge, or cause each other Chargor to pledge, in favor of the Collateral Agent, the Collateral (subject to Permitted

Liens) on the Original Issue Date in order to secure the obligations of the Company under the Notes and this Indenture and of each Subsidiary Guarantor under its Subsidiary Guarantee.

(b) Each Chargor will, for the benefit of the Holders:

(i) execute one or more Security Documents granting to the Collateral Agent, for the benefit of the Holders, Liens on the relevant Collateral (subject to any Permitted Liens);

(ii) take all requisite steps under applicable laws and undertake other customary procedures in connection with the granting, perfection (if relevant) and registration (if relevant) of the Lien on the relevant Collateral (subject to any Permitted Liens); and

(iii) deliver to the Trustee and the Collateral Agent on the Original Issue Date an Officers' Certificate stating that entry into the Security Documents has been duly and validly authorized and that (A) such action has been taken with respect to the recording, registering and filing of or with respect to this Indenture and the Security Documents and all other instruments of further assurance as is necessary to make effective the Lien (subject to Permitted Liens) created by the Security Documents in the Collateral referenced in this clause (b) and referencing the details of such action; or (B) no such action is necessary to make such Lien (subject to Permitted Liens) effective.

(c) Notwithstanding anything to the foregoing, the Company's obligation to create any Liens on any asset relating to any Specified Offshore Assets which are subject to Liens in favor of relevant Project Lender as of the Original Issue Date shall be subject to compliance with applicable laws, rules, regulations, policies or measures and receipt of all relevant regulatory, judicial and/or governmental approvals and subject to the Priority Deeds. Failure to create Liens due to the reasons set forth in the preceding sentence shall not constitute a breach of or result in a Default under the obligations set forth in clauses (a) and (b) of Section 10.01.

(d) So long as no Payment Default has occurred and is continuing, and subject to the terms of the Security Documents, the Intercreditor Agreement and this Indenture, the Chargors will be entitled to exercise any and all voting rights and to receive, retain and use any and all cash dividends, stock dividends, liquidating dividends, non-cash dividends, shares or stock resulting from stock splits or reclassifications, rights issues, warrants, options and other distributions (whether similar or dissimilar to the foregoing) in respect of Capital Stock constituting Collateral.

(e) Each Holder, by its acceptance thereof, consents and agrees to the terms of the Intercreditor Agreement and the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Trustee and the Collateral Agent to perform their respective obligations and exercise their respective rights thereunder in accordance therewith.

(f) The Trustee and each Holder, by accepting the Notes and the Subsidiary Guarantees, acknowledges that the Collateral as now or hereafter constituted shall be held for the benefit of all the Holders under the Intercreditor Agreement and the Security Documents, and that the Lien of this Indenture, the Intercreditor Agreement and the Security Documents in respect of the Trustee and the Holders is subject to and qualified and limited in all respects by the Security Documents and actions that may be taken thereunder.

(g) Notwithstanding (i) anything to the contrary contained in this Indenture, the Intercreditor Agreement, the Security Documents, the Notes or any other instrument governing, evidencing or relating to any Indebtedness, (ii) the time, order or method of attachment of any Liens, (iii) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Lien upon any Collateral, (iv) the time of taking possession or control over any Collateral or (v) the rules for determining priority under the Uniform Commercial Code or any other law of any relevant jurisdiction governing relative priorities of secured creditors, the Chargors will ensure that:

(A) the Liens granted pursuant to the Security Documents will rank at least equally and ratably with all other valid, enforceable and perfected Liens, whenever granted upon any present or future Collateral, but only to the extent such other Liens are permitted under this Indenture to exist and to rank equally and ratably with the Notes and the Subsidiary Guarantees; and

(B) all proceeds of the Collateral applied under the Security Documents shall be allocated and distributed as set forth in Section 6.11.

Section 10.02. *Certificates of the Company*. On or before a date not more than 120 days after the end of each fiscal year, as required by Section 6.08 hereof, the Company shall furnish to the Trustee a Compliance Certificate in the form of Exhibit F hereto.

Section 10.03. *Authorization of Actions to be Taken by the Trustee Under the Security Documents*.

(a) The Trustee shall be the representative on behalf of the Holders of the Notes and shall act upon the written direction of the Holders of the Notes with regard to all voting, consent and other rights granted to the Holders of the Notes under the Intercreditor Agreement and the Security Documents.

(b) Subject to the terms of the Intercreditor Agreement and the Security Documents, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding may, or the Trustee at the request of such Holders shall, instruct the Collateral Agent to take all actions it or they deem(s) necessary or appropriate in order to (A) enforce any of its rights or any of the rights of the Holders of the Notes under the Intercreditor Agreement and the Security Documents and (B) receive any and all amounts payable from the Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

(c) Subject to the terms of the Intercreditor Agreement and the Security Documents and Section 7.02(d), the Trustee shall have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interest and the interests of the Holders of the Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of the Notes or the Trustee). The Trustee is hereby irrevocably authorized by each Holder of the Notes to effect any release of Liens or Collateral contemplated by Section 10.05 hereof or by the terms of the Security Documents. The Trustee shall not be deemed to have knowledge of any acts that may be unlawful or in violation of the Security Documents or this Indenture unless and until a Responsible Officer obtains actual knowledge of such unlawful acts or violation through written notification describing the circumstances of such, and identifying the circumstances constituting such unlawful acts or violation.

(d) The Trustee will not be responsible for the adequacy of the Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

Section 10.04. *Authorization of Receipt of Funds by the Trustee Under the Security Documents*. The Trustee is authorized to receive and distribute any funds for the benefit of the Holders of the Notes under the Security Documents, and to make further distributions of such funds to the Holders of the Notes according to the provisions of this Indenture, the Intercreditor Agreement and the Security Documents.

Section 10.05. *Release of Security*. (a) Subject to the terms of the Intercreditor Agreement and the relevant Security Documents, the security created in respect of the Collateral granted under the Security Documents may only be released in certain circumstances, including:

(i) upon repayment in full of the Notes;

- (ii) upon defeasance and discharge of the Notes as provided under Section 8.01;
- (iii) upon certain dispositions of the Collateral in compliance with this Indenture;
- (iv) with respect to the security created in respect of the Designated Account (Proceeds), upon disposition of all Specified Asset and application of all amount deposited into the Designated Account (Proceeds) in accordance with this Indenture and the Intercreditor Agreement;
- (v) with respect to the Specified SSSL Shares that are subject to the SSSL Share Pledge, to the extent any relevant Net SSSL Proceeds are deposited and applied in accordance with Section 4.23 and Section 4.24; and
- (vi) with respect to the security over the Collateral pledged to secure the Notes or the Subsidiary Guarantees, upon repayment of all amounts payable under the Notes and this Indenture.

(b) Upon written request of the Company or any Subsidiary Guarantor, in connection with any sale, lease, sale and leaseback, assignment, conveyance, transfer or other disposition of assets or property permitted by this Indenture (including, without limitation, Section 4.09, 4.13 or 5.01 hereof), the Trustee shall (without notice to, or vote or consent of, any Holder) take such actions as shall be required to release its security interest in any Collateral being disposed in such disposition, to the extent necessary to permit consummation of such disposition in accordance with this Indenture, the Intercreditor Agreement and the Security Documents and the Trustee shall receive full payment therefor from the Company for any costs incurred thereby; *provided* that the Company or the other Chargor delivers to the Trustee on or prior to such proposed release of Collateral an Officers' Certificate certifying and an Opinion of Counsel stating that the release of any such security interest is permitted under the terms of this Indenture and the relevant Security Documents and that the conditions precedent to any such release have been fulfilled.

ARTICLE 11

SUBSIDIARY GUARANTEES

Section 11.01. *The Subsidiary Guarantees*. Subject to the provisions of this Article 11, each of the Subsidiary Guarantors (whether originally a signatory hereto or added pursuant to a supplemental indenture) hereby, jointly and severally, Guarantees as principal obligor to each Holder authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and this Indenture.

Section 11.02. *Guarantee Unconditional*. The obligations of each Subsidiary Guarantor hereunder will be enforceable irrespective of any invalidity, irregularity or unenforceability of the Notes or this Indenture, are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by:

- (a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under this Indenture or any Note, by operation of law or otherwise;
- (b) any modification or amendment of or supplement to this Indenture or any Note;
- (c) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in this Indenture or any Note;
- (d) the existence of any claim, set off or other rights which that Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with this Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;

(e) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of this Indenture or any Note; or

(f) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor's obligations hereunder.

Section 11.03. *Discharge; Reinstatement.* Each Subsidiary Guarantor's obligations hereunder will remain in full force and effect until the principal of, premium, if any, and interest on the Notes and all other amounts payable by the Company under this Indenture have been paid in full. If at any time any payment of the principal of, premium, if any, or interest on any Note or any other amount payable by the Company under this Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, each Subsidiary Guarantor's obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time. All payments under the Subsidiary Guarantees will be made in U.S. dollars.

Section 11.04. *Waiver by Each Subsidiary Guarantor.* Each Subsidiary Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Company or any other Person. In particular, each Subsidiary Guarantor irrevocably waives its right to require the Trustee to pursue or exhaust the Trustee's legal or equitable remedies against the Company prior to exercising the Trustee's rights under its Subsidiary Guarantee.

Section 11.05. *Subrogation and Contribution.* Upon making any payment with respect to any obligation of the Company under this Article or the Subsidiary Guarantor making such payment will be subrogated to the rights of the payee against the Company with respect to such obligation; *provided* that the Subsidiary Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Subsidiary Guarantor, with respect to such payment so long as any amount payable by the Company hereunder or under the Notes remains unpaid.

Section 11.06. *Stay of Acceleration.* If acceleration of the time for payment of any amount payable by the Company under this Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of this Indenture are nonetheless payable by the Subsidiary Guarantors hereunder forthwith on demand by the Trustee or the Holders.

Section 11.07. *Limitation on Amount of Subsidiary Guarantee.* Notwithstanding anything to the contrary in this Article, each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent conveyance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable law of any other jurisdiction. To effectuate that intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee are limited in an amount not to exceed the maximum amount that can be guaranteed by the applicable Subsidiary Guarantor without rendering the Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 11.08. *Ranking of Subsidiary Guarantees.*

The Subsidiary Guarantee of each Subsidiary Guarantor:

(a) is a general obligation of such Subsidiary Guarantor;

(b) is senior in right of payment to all future obligations of such Subsidiary Guarantor expressly subordinated in right of payment to such Subsidiary Guarantee;

(c) ranks and will rank at least *pari passu* in right of payment with all other unsecured, unsubordinated Indebtedness of such Subsidiary Guarantor (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); and

(d) is effectively subordinated to secured obligations of such Subsidiary Guarantor, to the extent of the value of the assets serving as security therefor (other than the Collateral).

Section 11.09. *Execution and Delivery of Subsidiary Guarantees* . The execution by each Subsidiary Guarantor of this Indenture (or by each Subsidiary Guarantor of a supplemental indenture in the form of Exhibit F) evidences the Subsidiary Guarantee of such Subsidiary Guarantor, whether or not the person signing as an officer of the Subsidiary Guarantor still holds that office at the time of authentication of any Note. The delivery of any Note by the Trustee after authentication constitutes due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of each Subsidiary Guarantor.

Section 11.10. *Release of the Subsidiary Guarantees* .(a) A Subsidiary Guarantee given by a Subsidiary Guarantor will be released:

(i) upon repayment in full of the Notes;

(ii) upon a defeasance as provided in Section 8.01;

(iii) upon the designation by the Company of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of this Indenture; or

(iv) upon the sale, disposition or merger of a Subsidiary Guarantor in compliance with the terms of this Indenture (including Sections Section 4.09, 4.13 and 5.01) resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (A) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Company's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (B) the proceeds from such sale, disposition or merger are used for the purposes permitted or required by this Indenture.

(b) No release and discharge of the Subsidiary Guarantee will be effective against the Trustee, any Agent or the Holders of Notes (i) if a Default or Event of Default shall have occurred and be continuing under this Indenture as of the time of such proposed release and discharge until such time as such Default or Event of Default is cured or waived and (ii) until the Company shall have delivered to the Trustee an Officers' Certificate stating that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge are authorized and permitted under this Indenture and the Security Documents. At the request of the Company, and *provided* that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge are authorized and permitted under this Indenture and the Security Documents, the Trustee will execute and deliver an instrument evidencing such release and discharge and do all such other acts and things necessary to release the Subsidiary Guarantor(s) from its (or their) obligations hereunder.

ARTICLE 12 MISCELLANEOUS

Section 12.01. *Ranking*. The Notes are (a) general obligations of the Company, (b) on the Original Issue Date, guaranteed by the Subsidiary Guarantors on a senior basis, subject to certain limitations set forth in Article 11, (c) senior in right of payment to any existing and future obligations of the Company expressly subordinated in right of payment to the Notes; (d) at least *pari passu* in right of payment against the Company with respect to all unsecured, unsubordinated Indebtedness of the Company (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); effectively subordinated

to the secured obligations of the Company, the Subsidiary Guarantors, to the extent of the value of the assets serving as security therefor (other than the Collateral); and effectively subordinated to all existing and future obligations of the Non-Guarantor Subsidiaries. Pursuant to the pledge of the Collateral by the Chargors as set forth in Article 10 and subject to the limitations described therein, the Notes (a) are entitled to a Lien on the Collateral (subject to any Permitted Liens) and (b) rank effectively senior in right of payment to unsecured obligations of the Company with respect to the value of the Collateral pledged by the Company securing the Notes (subject to any priority rights of such unsecured obligations pursuant to applicable law).

Section 12.02. *Notices.* (a) All notices or demands required or permitted by the terms of the Notes or this Indenture to be given to or by the Holders are required to be in writing and may be given or served by being sent by prepaid courier or by being deposited, first-class postage prepaid, in the United States or mails or by electronic transmission, if intended for the Company or any Subsidiary Guarantor, addressed to the Company at the Corporate Trust Office or the Principal Office, or if intended for the Trustee or the Paying and Transfer Agent, addressed to the Trustee or the Paying and Transfer Agent, as the case may be, at the Corporate Trust Office or the Principal Office (attention to Debt Capital Markets team) or via-email to dcm@glas.agency and apacdcn@glas.agency, as the case may be; and, if intended for any Holder, addressed to such Holder at such Holder's last address as it appears in the Note register. Copies of any notice or communication to a Holder, if given by the Company, will be mailed to the Trustee at the same time. Defect in mailing a notice or communication to any particular Holder will not affect its sufficiency with respect to other Holders.

(b) Any notice or demand will be deemed to have been sufficiently given or served when so sent or deposited and, if to the Holders, when delivered in accordance with the applicable rules and procedures of Euroclear or Clearstream, as the case may be. Any such notice shall be deemed to have been delivered on the day such notice is delivered to Euroclear or Clearstream, as the case may be, or if by mail, when so sent or deposited. Any notice to the Trustee will be effective only upon receipt.

(c) Where this Indenture provides for notice, the notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and the waiver will be the equivalent of the notice. Waivers of notice by Holders must be filed with the Trustee, but such filing is not a condition precedent to the validity of any action taken in reliance upon such waivers.

Section 12.03. *Certificate and Opinion as to Conditions Precedent.* (a) Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company will furnish to the Trustee at the Trustee's request:

- (i) an Officers' Certificate stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with;
- (ii) an Opinion of Counsel stating that all such conditions precedent have been complied with; and
- (iii) an incumbency certificate giving the names and specimen signatures of Authorized Officers for any such Authorized Officers who have not previously provided specimen signatures to the Trustee.

(b) In any case where several matters are required to be certified by, or covered by an Opinion of Counsel of, any specified Person, it is not necessary that all such matters be certified by, or covered by the Opinion of Counsel of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an Opinion of Counsel with respect to some matters and one or more such Persons as to other matters, and any such Person may certify or give an Opinion of Counsel as to such matters in one or several documents.

(c) Any certificate of an Officer of the Company or any Subsidiary Guarantor may be based, insofar as it relates to legal matters, upon an Opinion of Counsel, unless such Officer knows, or in the

exercise of reasonable care should know, that such Opinion of Counsel with respect to the matters upon which his certificate is based are erroneous. Any Opinion of Counsel may be based, and may state that it is so based, insofar as it relates to factual matters, upon a certificate of, or representations by, an officer or officers of the Company or a Subsidiary Guarantor stating that the information with respect to such factual matters is in the possession of the Company or such Subsidiary Guarantor, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or representations with respect to such matters are erroneous.

(d) Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Section 12.04. *Statements Required in Certificate or Opinion.* Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture must include:

(a) a statement that each person signing the certificate or opinion has read the covenant or condition and the related definitions;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statement or opinion contained in the certificate or opinion is based;

(c) a statement that, in the opinion of each such person, that person has made such examination or investigation as is necessary to enable the person to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(d) a statement as to whether or not, in the opinion of each such person, such condition or covenant has been complied with, *provided* that an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials with respect to matters of fact.

Section 12.05. *Payment Date Other Than a Business Day.* If any payment with respect to a payment of any principal of, premium, if any, or interest on any Note (including any payment to be made on any date fixed for redemption or purchase of any Note) is due on a day which is not a Business Day, then the payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest will accrue for the intervening period.

Section 12.06. *Governing Law, Consent to Jurisdiction; Waiver of Immunities.* (a) Each of the Notes, the Subsidiary Guarantees and this Indenture shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) The Company and each of the Subsidiary Guarantors hereby irrevocably and unconditionally submits to the non-exclusive jurisdiction of any New York State or United States Federal court sitting in the Borough of Manhattan, the City of New York over any suit, action or proceeding arising out of or relating to this Indenture, any Note, any Subsidiary Guarantee or any transaction contemplated hereby or thereby. The Company and each of the Subsidiary Guarantors irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum. To the extent that the Company or any Subsidiary Guarantor as the case may be, has or hereafter may acquire any sovereign or other immunity from jurisdiction of any court or from any legal process with respect to itself or its property, the Company or such Subsidiary Guarantor, irrevocably waives such immunity in respect of its obligations hereunder or under any Note or any Subsidiary Guarantee. The Company and each of the Subsidiary Guarantors agree that final judgment in any such suit, action or proceeding, brought in such a court shall be conclusive and binding upon the Company or the Subsidiary Guarantor, and, to the extent permitted by applicable law, may be enforced in any court to the jurisdiction of which the Company or any of the Subsidiary Guarantors, is subject by a suit upon such judgment or in any manner provided by law, *provided*

that service of process is effected upon the Company or any of the Subsidiary Guarantors, in the manner specified in the following subsection or as otherwise permitted by applicable law.

(c) As long as any of the Notes remain outstanding, the Company and each of the Subsidiary Guarantors will at all times have an authorized agent in the Borough of Manhattan, the City of New York, upon whom process may be served in any legal action or proceeding arising out of or relating to this Indenture, any Note or any Subsidiary Guarantee. Service of process upon such agent and written notice of such service mailed or delivered to the Company or any Subsidiary Guarantor, as the case may be, shall to the fullest extent permitted by applicable law be deemed in every respect effective service of process upon the Company or such Subsidiary Guarantor, in any such legal action or proceeding. The Company and each of the Subsidiary Guarantors hereby appoints Cogency Global Inc. as its agent for such purpose, and covenants and agrees that service of process in any suit, action or proceeding may be made upon it at the office of such agent at 122E 42nd Street, 18th Floor, New York, NY 10016, United States. Notwithstanding the foregoing, the Company or any Subsidiary Guarantor may, with prior written notice to the Trustee, terminate the appointment of Cogency Global Inc. and appoint another agent for the above purposes so that the Company and the Subsidiary Guarantors shall at all times have an agent for the above purposes in the Borough of Manhattan, the City of New York. The Company and each of the Subsidiary Guarantors hereby agree to take any and all action as may be necessary to maintain the designation and appointment of an agent in full force and effect until the Final Maturity Date (or earlier, if the Notes are prepaid in full).

(d) The Company and each of the Subsidiary Guarantors hereby irrevocably waives, to the fullest extent permitted by applicable law, any requirement or other provision of law, rule, regulation or practice which requires or otherwise establishes as a condition to the institution, prosecution or completion of any suit, action or proceeding (including appeals) arising out of or relating to this Indenture or any Note or any Subsidiary Guarantee, the posting of any bond or the furnishing, directly or indirectly, of any other security.

Section 12.07. *No Adverse Interpretation of Other Agreements.* This Indenture may not be used to interpret another indenture or loan or debt agreement of the Company or any Subsidiary of the Company, and no such indenture or loan or debt agreement may be used to interpret this Indenture. In addition, no other agreement or document may be used to interpret this Indenture with regard to any rights, duties or obligations of the Trustee created hereunder.

Section 12.08. *Successors.* All agreements of the Company or any Subsidiary Guarantor in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successor.

Section 12.09. *Duplicate Originals.* The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

Section 12.10. *Separability.* In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.11. *Table of Contents and Headings.* The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and in no way modify or restrict any of the terms and provisions of this Indenture.

Section 12.12. *No Personal Liability of Incorporators, Stockholders, Officers, Directors or Employees.* No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company or any of the Subsidiary Guarantors in this Indenture, any of the Notes or any of the Subsidiary Guarantees, or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Company, any of the Subsidiary Guarantors, or of any successor Person thereof. Each Holder, by

accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Subsidiary Guarantees.

Section 12.13. *Force Majeure* . Notwithstanding anything to the contrary in this Indenture or in any other transaction document, the Trustee shall not in any event be liable for any loss or damage, or any failure or delay in the performance of its obligations hereunder if it is prevented from so performing its obligations by any reason which is beyond the control of the Trustee, including, but not limited to (i) an act of God, fire, epidemic, explosion, floods, earthquakes, typhoons; (ii) riot, civil commotion or unrest, insurrection, terrorism, war, strikes or lockouts; nationalisation, expropriation or other governmental actions; (iii) any law, order or regulation of a governmental, supranational or regulatory body; (iv) regulation of the banking or securities industry including changes in market rules, currency restrictions, devaluations or fluctuations; (v) market conditions affecting the execution or settlement of transactions or the value of assets; and (vi) breakdown, failure or malfunction of any telecommunications, computer services or systems, or other causes to which the Trustee is subject.

Section 12.14. *USA Patriot Act* . The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. PATRIOT Act.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, Guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

FORM OF REVERSE OF CERTIFICATED NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2033

1. Principal and Interest.

The Company promises to pay the principal of this Note on July 21, 2033.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 6 and July 6 immediately preceding an Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare

dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture, or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

1. We have received such information as we deem necessary in order to make our investment decision.

2. We understand that any subsequent transfer of the Notes is subject to certain restrictions and conditions set forth in the Indenture and the Notes and the undersigned agrees to be bound by, and not to resell, pledge or otherwise transfer the Notes except in compliance with, such restrictions and conditions and the United States Securities Act of 1933, as amended (the “**Securities Act**”).

4. We understand that, on any proposed resale of any Notes, we will be required to furnish to the Company such certifications, legal opinions, and other information (including a letter substantially similar to this one from any purchaser who is an institutional accredited investor) as it may reasonably require to confirm that the proposed sale complies with the foregoing restrictions. SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee or the Authenticating Agent under the Indenture by manual or electronic signature of one of its authorized officers.

LIST OF SUBSIDIARY GUARANTORS

*[List all Subsidiary Guarantors if the Global Note
is issued subsequent to the Original Issue Date]*

FORM OF REVERSE OF GLOBAL NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2033

1. Principal and Interest.

The Company promises to pay the principal of this Note on July 21, 2033.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare

dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

*[List all Subsidiary Guarantors if the Global Note
is issued subsequent to the Original Issue Date]*

FORM OF REVERSE OF GLOBAL NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2033

1. Principal and Interest.

The Company promises to pay the principal of this Note on July 21, 2033.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare

dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

Variable Rate Senior Notes Due 2033

1. Principal and Interest.

The Company promises to pay the principal of this Note on July 21, 2033.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

The Company will furnish a copy of the Indenture to any Holder upon written request and without charge.

Variable Rate Senior Notes Due 2033 of Shimao Group Holdings Limited (世茂集團控股有限公司)

Reference is hereby made to the Indenture dated as of July 21, 2025 (the “**Indenture**”) among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “**Company**”), the entities listed in Schedule I to the Indenture (the “**Subsidiary Guarantors**”) and GLAS Trust Company LLC (the “**Trustee**”). Terms used herein are used as defined in the Indenture.

The Company hereby appoints GLAS Trust Company LLC as the paying agent and transfer agent (the “**Paying and Transfer Agent**”), the authenticating agent (the “**Authenticating Agent**”) and as the registrar (the “**Registrar**,” together with the Paying and Transfer Agent and the Authenticating Agent, the “**Agents**”) with respect to the Notes and each Agent hereby accepts such appointment. By accepting such appointment, each Agent agrees to be bound by and to perform the services with respect to itself set forth in the terms and conditions set forth in the Indenture and the Notes, as well as the following terms and conditions to all of which the Company agrees and to all of which the rights of the Holders from time to time of the Notes shall be subject:

(a) The Company, no later than 9:00 a.m. (New York City time) on the Business Day immediately preceding each date on which a payment in respect of the Notes becomes due, shall (i) transfer (or cause to be transferred) to the Paying and Transfer Agent in the currency of United States of America in immediately available and cleared funds such amount as may be required for the purposes of such payment and (ii) notify the Paying and Transfer Agent and the Registrar of such transfer. The Company, no later than 9:00 a.m. (New York City time) on the third Business Day immediately preceding each date on which any payment in respect of the Notes becomes due, shall confirm such payment instructions to the Paying and Transfer Agents. The Paying and Transfer Agent shall not be bound to make payment until immediately available and cleared funds in such amount as may be required for the purpose of such payment have been received from the Company.

(b) Each Agent shall be entitled to the compensation to be agreed upon in writing with the Company and the Subsidiary Guarantors, jointly and severally, for all services rendered by it under the Indenture, and the Company and the

Subsidiary Guarantors, jointly and severally, agree promptly to pay such compensation and to reimburse each Agent for its out-of-pocket expenses (including fees and expenses of counsel) incurred by it in connection with the services rendered by it under the Indenture. The Company and each of the Subsidiary Guarantors jointly and severally hereby agree to indemnify each Agent and each of its officers, directors, agents and employees and any successors thereto for, and to hold each of them harmless against, any loss, liability or expense (including reasonable fees and expenses of counsel) incurred without negligence or willful misconduct on its part arising out of or in connection with their acting as the relevant Agent hereunder. The obligations of the Company and the Subsidiary Guarantors under this paragraph (b) shall survive the payment of the Notes, the termination or expiry of the Indenture or this letter and the resignation or removal of the relevant Agent. Under no circumstances will any Agent be liable to the Company or any other party to this letter or the Indenture for any indirect consequential punitive or special damages, even if advised of the possibility of such loss or damage.

(c) In acting under the Indenture and in connection with the Notes, each Agent is acting solely as agent of the Company and does not assume any obligation towards or relationship of agency or trust for or with any of the owners or Holders of the Notes, except that all funds held by the Paying and Transfer Agent for the payment of principal interest or other amounts (including Additional Amounts) on, the Notes shall, subject to the provisions of the Indenture, be held in trust by the Paying and Transfer Agent and applied as set forth in the Indenture and in the Notes, but need not be segregated from other funds held by the Paying and Transfer Agent, except as required by law.

(d) Any Agent may consult with counsel satisfactory to it and any advice or written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it under the Indenture in good faith and in accordance with such advice or opinion.

(e) Each Agent shall be fully protected and shall incur no liability for or in respect of any action taken or omitted to be taken or thing suffered by it in reliance upon any Note, notice, direction, consent, certificate, affidavit, statement or other paper or document reasonably believed by it to be genuine and to have been presented or signed by the proper party or parties.

(f) The Paying and Transfer Agent will hold all sums received by it as such for the payment of the principal of, or premium or interest on, the Notes (whether such sums have been paid to it by or on behalf of the Company or by any other obligor on the Notes or any Subsidiary Guarantee) in trust for the benefit of the Holders or of the Trustee. The Paying and Transfer Agent and any of their Affiliates, in their individual capacity or any other capacity, may become the owner of, or acquire any interest in, any Notes or other obligations of the Company with the same rights that each of them would have if they were not the Paying and Transfer Agent, and may engage or be interested in any financial or other transaction with the Company, and may act on, or as depository, Trustee or agent for, any committee or body of Holders of Notes or other obligations of the Company, as freely as if they were not the Paying and Transfer Agent.

(g) The Paying and Transfer Agent shall give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes, the Subsidiary Guarantees) to make any payment of the principal of, or premium or interest on, the Notes and any other payments to be made on behalf of the Company under the Indenture, when the same shall be due and payable and at any time during the continuance of any such failure the Paying and Transfer Agent will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request.

(h) The Paying and Transfer Agent shall not be under any liability for interest on any monies received by it pursuant to any of the provisions of the Indenture or the Notes.

(i) Each Agent shall be obligated to perform such duties and only such duties as are in the Indenture and the Notes specifically set forth, and no implied duties or obligation shall be read into the Indenture or the Notes against any Agent. None of the Agents shall be under any obligation to take any action under the Indenture which may tend to involve it in any expense or liability, the payment of which within a reasonable time is not, in its reasonable opinion, assured to it.

The Paying and Transfer Agent shall have no obligation to expend its own funds or otherwise incur any financial liability in the performance of its obligations hereunder or under the Indenture. Notwithstanding anything contained herein to the contrary, the obligations of the Agents under this letter are several and not, and shall under no circumstances be deemed to be, joint. Notwithstanding anything else herein contained, any Agent may refrain without liability from doing anything that would or might in its opinion following advice in writing by legal counsel of international repute be contrary to any law of any state or jurisdiction (including but not limited to the jurisdiction of the law of this letter and of any Agent's formation, the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its opinion following advice in writing by legal counsel of international repute, necessary to comply with any such law, directive or regulation.

(j) Any Agent may at any time resign by giving written notice of its resignation to the Company and the Trustee and specifying the date on which its resignation shall become effective; *provided* that such date shall be at least 60 days after the date on which such notice is given unless the Company agrees to accept shorter notice. Upon receiving such notice of resignation, if required by the Indenture the Company shall promptly appoint a successor agent by written instrument substantially in the form hereof in triplicate signed on behalf of the Company, one copy of which shall be delivered to the resigning Agent, one copy to the successor agent and one copy to the Trustee. Upon the effectiveness of the appointment of a successor agent, the retired Agent shall have no further obligations under this letter or the Indenture.

Such resignation shall become effective upon the earlier of (i) the effective date of such resignation and (ii) the acceptance of appointment by the successor agent, as provided below. The Company may, at any time and for any reason, remove any Agent and appoint a successor agent, by written instrument in triplicate signed on

behalf of the Company, one copy of which shall be delivered to the Agent being removed, one copy to the successor agent and one copy to the Trustee. Any removal of any Agent and any appointment of a successor agent shall become effective upon acceptance of appointment by the successor agent as provided below. Upon its resignation or removal, the relevant Agent shall be entitled to the payment by the Company of its compensation for the services rendered hereunder and to the reimbursement of all reasonable out-of-pocket expenses incurred in connection with the services rendered by it hereunder.

The Company shall remove an Agent and appoint a successor agent if such Agent (i) shall become incapable of acting, (ii) shall be adjudged bankrupt or insolvent, (iii) shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, (iv) shall consent to, or shall have had entered against it a court order for, any such relief or to the appointment of or taking possession by any such official in any involuntary case or other proceedings commenced against it, (v) shall make a general assignment for the benefit of creditors or (vi) shall fail generally to pay its debts as they become due.

Any successor agent appointed as provided herein shall execute and deliver to its predecessor and to the Company and the Trustee an instrument accepting such appointment (which may be in the form of an acceptance signature to the letter of the Company appointing such agent) and thereupon such successor agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as the relevant Agent and such predecessor shall pay over to such successor agent all monies or other property at the time held by it hereunder.

If no successor is appointed by the Company within 30 days of the resignation or removal of an Agent, (i) the retiring Agent may recommend a successor agent to the Company for its approval, and, within 30 days from the date of the recommendation by the retiring Agent, the Company shall either approve and obtain written acceptance of appointment from such recommended agent or appoint another successor agent of its own choice and obtain written acceptance of appointment from such other successor agent, or (ii) the retiring Agent or the Company may petition any court of competent jurisdiction for the appointment of a successor agent.

(k) Notwithstanding anything contained herein to the contrary, each of the Company and the Subsidiary Guarantors hereby irrevocably agrees that any and all of the rights and obligations of any Agent (except the Trustee) and, to the extent applicable, the obligations of the Company toward any Agent (except the Trustee) set forth in the Indenture shall be deemed to have been included in this letter.

(l) Notwithstanding anything contained herein to the contrary, the obligations of the Agents under this letter are not joint and should be independently construed and each of the Paying and Transfer Agent shall not be liable for each other's acts or omissions to act.

(m) Each Agent shall at all times be a responsible financial institution which is authorized by law to exercise its respective powers and duties hereunder and under the Indenture and the Notes.

(n) Each Agent shall comply with all applicable withholding, information reporting and backup withholding tax requirements under the U.S. Internal Revenue Code of 1986, as amended, and the Treasury regulations issued thereunder in respect of any payment on, or in respect of, a Note or under the Subsidiary Guarantee (including the collection of IRS Form W-8 ECI, IRS Form W-8 BEN and IRS Form W-9, as the case may be, and the filing of IRS Form 1099 and IRS Form 1096).

(o) The parties hereto agree that if any payments of interest or principal under the Notes become subject to U.S. withholding tax pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended, the parties hereto shall use commercially reasonable efforts to cooperate in good faith and to share such relevant and applicable information to the extent practicable or make such amendments or modifications to this letter as are necessary to permit the parties to fulfill their withholding and reporting obligations thereunder, *provided* that the Agents shall not be obligated to identify whether such withholding is applicable or assist any other party in fulfilling its withholding and reporting obligations thereunder.

(p) Each Agent will treat information relating to the Company and the Subsidiary Guarantors as confidential, but (unless consent is prohibited by law) each of the Company and the Subsidiary Guarantors consents to the transfer and disclosure by any Agent of any information relating to the Company and the Subsidiary Guarantors to and between branches, subsidiaries, representative offices, affiliates and agents of such Agent and third parties selected by any of them, wherever situated, for internal use only (including in connection with the provision of any service and for data processing, statistical and risk analysis purposes). Each Agent and any branch, subsidiary, representative office, affiliate, agent or third party may transfer and disclose any such information as required by any law, court regulator or legal process. To the extent the Company and the Subsidiary Guarantors provide any information regarding third parties to any Agent, the Company and the Subsidiary Guarantors shall provide any necessary information to, and obtain any necessary consents from, such third parties to allow any transfer, disclosure and use of such information by such Agent.

Each party shall, within twenty Business Days of a written request by another party, supply to such other party(ies) such forms, documentation and other information relating to it, its operations, or the Notes as such other party(ies) reasonably requests for the purposes of such other party(ies)'s compliance with Applicable Law and shall notify the relevant other party(ies) reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; *provided, however*, that no party shall be required to provide any forms, documentation or other information pursuant to this Clause to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party

and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality.

(q) Any notice or communication to the Agents will be deemed given when sent by electronic transmission, with transmission confirmed. Any notice to the Agents will be effective only upon receipt. The notice or communication to the Agents should be given as follows:

FORM OF COMPLIANCE CERTIFICATE

This Compliance Certificate is delivered pursuant to Section 10.02 of the Indenture, dated as of July 21, 2025, as amended, supplemented or modified from time to time (the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “**Company**”), the entities listed in Schedule I thereto (the “**Subsidiary Guarantors**”) and GLAS Trust Company LLC, as trustee (the “**Trustee**”). Terms defined in the Indenture are used herein as therein defined.

Each of the undersigned hereby certifies to the Trustee as follows:

(a) I am the duly elected, qualified and acting [title] or [title], as the case may be, of the Company.

(b) I have reviewed and am familiar with the contents of this Compliance Certificate.

(c) I have reviewed the terms of the Indenture, the Intercreditor Agreement and the Security Documents and have made or caused to be made under my supervision, a review in reasonable detail of the Collateral and the condition of the Collateral. Such review did not disclose the existence during or at the end of the annual period covered by this Compliance Certificate, and I have no knowledge of the existence as of the date of this Compliance Certificate, of any condition or event which would impair the perfected security interest created by the Indenture and the Security Documents with at least the priority of such security interest on the Original Issue Date[, except as set forth below].

(d) Based upon the advice of counsel, all action has been taken with respect to the recording, registering, filing, re-recording, registering and re-filing of all supplemental indentures, financing statements, continuation statements or other instruments of further assurance as may be necessary to maintain the Liens granted pursuant to the Security Documents to the extent required by the Security Documents, if any [and, if necessary, reciting the details of such action].

(e) Since the Original Issue Date:

(1) neither the Company nor any Subsidiary Guarantor has changed its jurisdiction of organization, name, identity or corporate structure to such an extent that any financing statement or other Security Document filed by or on behalf of the Trustee would become misleading; the Company has provided such assistance to the Trustee with respect to any re-filing, re-recording or continuation of documentation with respect to the Collateral as necessary to maintain such security interest in the Collateral in favor of the Trustee on behalf of the Holders of Notes.

(2) except, in each case, (i) any of the foregoing that has been previously disclosed to the Trustee in accordance with the Indenture and any relevant Security Document and in respect of which the Company and each

Subsidiary Guarantor have delivered to the Trustee all required documents and other filings required to maintain the perfection and priority of the Trustee's security interest in the Collateral after giving effect to such event, in each case as required by the Indenture and the relevant Security Documents and (ii) any of the foregoing described in Attachment 1 hereto in respect of which the Company or the Subsidiary Guarantor is delivering to the Trustee herewith all required statements and other filings required to maintain the perfection and priority of the Trustee's security interest in the Collateral after giving effect to such event, in each case as required by the Indenture and the relevant Security Documents.

(f) That a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under the Indenture, in each case since the Original Issue Date, [and that the Company and the Subsidiary Guarantor have been since the Original Issue Date and are in compliance with all obligations under the Indenture]/[if there has been a default in the fulfillment of any obligation under the Indenture, specifying each such default and the nature and status thereof.]

(g) During the annual period covered by this Compliance Certificate, to my actual knowledge, the following transactions occurred as an Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness or are subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) of the Indenture as transactions for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as requested or required by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measure:

[insert a brief description of the value and parties to the transaction, if any]]

Except as the aforesaid, during the annual period covered by this Compliance Certificate, there has been no other request or requirement by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures that has resulted in any transaction that (i) would qualify as an Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness; or (ii) be subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) of the Indenture.

IN WITNESS WHEREOF, the undersigned has executed this Compliance Certificate as of the date set forth below.

The Trustee or an Authenticating Agent shall thereupon authenticate and deliver said Notes (with the Subsidiary Guarantees endorsed thereon) to or upon the written order of the Company (as set forth in such Officers’ Certificate) signed by one Authorized Officer.

Section 2.02. *Execution of Notes and Subsidiary Guarantees.*(a) The Notes shall be executed by or on behalf of the Company by the signature of an Authorized Officer of the Company. Each of the Subsidiary Guarantors shall execute the Subsidiary Guarantees by the signature of an Authorized Officer of such Subsidiary Guarantor. Until the Trustee and the Authenticating Agent receive a subsequent Authorization Certificate, the Trustee and the Authenticating Agent shall be entitled to conclusively rely on the last Authorization Certificate delivered to them for purposes of determining the Authorized Officers. Typographical and other minor errors or defects in any signature shall not affect the validity or enforceability of any Note which has been duly authenticated and delivered by the Trustee or by the Authenticating Agent on behalf of the Trustee.

(b) In case the Authorized Officers who shall have signed any of the Notes or any of the Subsidiary Guarantees thereon, as applicable, shall cease to be such Authorized Officers before the Note (with the Subsidiary Guarantees endorsed thereon) shall be authenticated and delivered by the Trustee or by the Authenticating Agent on behalf of the Trustee or disposed of by or on behalf of the Company, such Note (with the Subsidiary Guarantees endorsed thereon) nevertheless may be authenticated and delivered or disposed of as though the Persons who signed such Note and the Subsidiary Guarantees had not ceased to be such Authorized Officers; and any Note may be signed on behalf of the Company and any Subsidiary Guarantee may be signed on behalf of the Subsidiary Guarantors, by such Persons as, at the actual date of the execution of such Note and Subsidiary Guarantee, shall be Authorized Officers, although at the date of the execution and delivery of this Indenture any such Persons were not Authorized Officers.

The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of China Construction Bank (Asia) Corporation Limited (the "**Common Depositary**") or its nominee. For so long as any of the Notes are listed on the SGX-ST and the rules of the SGX-ST so require, the Notes will be traded on the SGX-ST in a minimum board lot size of S\$200,000. For the purposes of the International Central Securities Depositories, the denomination of the Notes should be considered as US\$1 or any amount in excess thereof which is an integral multiple of US\$1. Euroclear and Clearstream are not required to monitor or enforce the minimum board lot size of S\$200,000 (or the Dollar Equivalent thereof).

Notwithstanding anything to the contrary contained herein, beneficial interests in the Global Notes may only be held through Euroclear and Clearstream and their respective direct and indirect participants.

(e) If at any time the Common Depositary notifies the Company that it is unwilling or unable to continue as Common Depositary for such Global Notes, the Company shall appoint a successor Common Depositary with respect to such Global Notes. If (i) a successor Common Depositary for such Global Notes is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, or (ii) either Euroclear or Clearstream, or a successor clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention to permanently cease business or does in fact do so, or (iii) any of the Notes has become immediately due and payable in accordance with Section 6.01 and Section 6.02 and the Company has received a written request from a Holder, the Company will execute, and the Trustee or an Authenticating Agent, upon receipt by the Trustee or an Authenticating Agent of an Officers’ Certificate of the Company directing the authentication and delivery thereof, will authenticate and deliver, Certificated Notes in any authorized denominations in an aggregate principal amount equal to the principal amount of such Global Notes in exchange for such Global Notes.

(f) Upon receipt of notice from the Common Depositary, Euroclear, Clearstream or the Trustee, as the case may be, the Company will use its best efforts to make arrangements with the Common Depositary for the exchange of interests in the Global Notes for Certificated Notes and cause the requested Certificated Notes to be executed and delivered to the Registrar in sufficient quantities and authenticated by the Trustee or an Authenticating Agent for delivery to Holders. Persons exchanging interests in the Global Notes for Certificated Notes will be required to provide to the Registrar, through the relevant clearing system, written

Certificated Notes delivered in exchange for the Global Notes or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by the relevant clearing system.

Prior to the registration of any transfer by a Holder as provided herein, the Company, the Trustee and any agent of any of them shall treat the Person in whose name the Note is registered as the owner thereof for all purposes whether or not the Note shall be overdue, and neither the Company, the Trustee, nor any such agent shall be affected by notice to the contrary. Furthermore, any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by Euroclear and Clearstream (or their respective agents) and that ownership of a beneficial interest in the Note shall be required to be reflected in a book entry. At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination and of a like aggregate principal amount, by written application to the Registrar substantially in the form of Exhibit B upon surrender of the Notes to be exchanged to the Registrar. When Notes are presented to the Registrar with a request to register the transfer or to exchange them for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested if the requirements for such transactions set forth herein are met. To permit registrations of transfers and exchanges, the Company and each Subsidiary Guarantor shall execute and the Trustee or an Authenticating Agent shall authenticate Notes at the Registrar’s request.

(d) Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Registrar) be duly endorsed, or be accompanied by a written instrument of transfer duly executed, by the Holder thereof or his attorney duly authorized in writing in a form satisfactory to the Company and the Registrar.

(e) The Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any exchange or registration of transfer of Notes (other than any such transfer taxes or other similar governmental charge payable upon exchanges). No service charge to any Holder shall be made for any such transaction.

(f) The Company shall not be required to exchange or register a transfer of (1) any Notes for a period of 15 days immediately preceding the first mailing of notice of redemption of Notes to be redeemed or (2) any Notes called or being called for redemption.

(j) All Notes issued upon any transfer or exchange of Notes shall be valid obligations of the Company, evidencing the same debt and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(a) Each Global Note initially shall be deposited with the Common Depositary and registered in the name of the Common Depositary or its nominee for the accounts of Euroclear and Clearstream.

(b) Transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to the Common Depositary, its successors or their respective nominees. Interests of beneficial owners in a Global Note may be transferred, and transfers increasing or decreasing the aggregate principal amount of Global Notes may be conducted only in accordance with the rules and procedures of the Euroclear and Clearstream. In addition, Certificated Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in the Global Note under the circumstances set forth in Section 2.04(e).

(c) In connection with the transfer of an entire Global Note to beneficial owners pursuant to clause (b) of this Section 2.06, the Global Note shall be deemed to be surrendered to the Paying Agent for cancellation, and the Company shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Common Depositary in exchange for its beneficial interest in the Global Note, an equal aggregate principal amount of Certificated Notes of authorized denominations.

(d) The registered holder of a Global Note may grant proxies and otherwise authorize any Person to take any action which a Holder is entitled to take under this Indenture or the Notes.

Section 2.07. Special Transfer Provisions. Subject to Section 2.04, unless and until the relevant Private Placement Legend is removed from a Certificated Note or a Global Note pursuant to paragraph (a) below, the following additional provisions shall apply to the proposed transfer, exchange or replacement of the Certificated Note or, to the extent relevant to the Trustee, the Registrar or the Common Depositary, any beneficial interest in a Global Note:

(a) Upon the registration of transfer, exchange or replacement of Notes bearing a Private Placement Legend, the Registrar shall deliver only Notes that bear the same Private Placement Legend unless the requested transfer, exchange or replacement there is delivered to the Registrar an Opinion of

Counsel reasonably satisfactory to the Company to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Upon the registration of transfer, exchange or replacement of Notes not bearing a Private Placement Legend, the Registrar shall deliver Notes that do not bear a Private Placement Legend.

(b) By its acceptance of any Note bearing a Private Placement Legend, each Holder of such a Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in such Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture. The Registrar shall not register a transfer of any Note unless such transfer complies with the restrictions on transfer of such Note set forth in this Indenture. In connection with any transfer of Notes, each Holder agrees by its acceptance of the Notes to furnish the Registrar or the Company such certifications, legal opinions or other information as either of them may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act; *provided* that the Registrar shall not be required to determine (but may rely on a determination made by the Company with respect to) the sufficiency of any such certifications, legal opinions or other information.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.06 or this Section 2.07 in accordance with its customary procedures. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

(c) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Common Depositary participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.08. *PIK Notes.* (a) If the Company elects to pay PIK Interest as set forth in the Notes, the Company must give notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to this Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date. If the Company pays PIK Interest as set forth in the Notes, the Company shall increase the outstanding principal amount of the Global Notes or issue additional Certificated Notes as applicable (in each case, “**PIK Notes**”) having an aggregate principal amount equal to the amount of interest then due and owing as PIK Interest as follows:

(i) with respect to Notes represented by a Global Note, by increasing the principal amount of such Global Note, effective as of the applicable Interest Payment Date, by an amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest US\$1); and

(ii) with respect to Notes represented by a Certificated Note, by issuing PIK Notes in the form of a Certificated Note, dated as of the applicable Interest Payment Date, in an aggregate principal amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest US\$1).

(b) Following an increase in the principal amount of the outstanding Global Notes as a result of a payment of PIK Interest in the form of PIK Notes, the Global Notes will bear interest on such increased principal amount from and including the applicable Interest Payment Date. Any PIK Notes issued in the form of Certificated Notes will be dated as of the applicable Interest Payment Date and will bear interest from and including such date. The PIK Notes are identical to the Notes for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and mandatory offers to purchase (except that interest will begin to accrue on the PIK Notes from and including the date they are issued), and will be consolidated and form a single class with the Notes. References to “principal amount” of the Notes shall

include any increase in the principal amount of the outstanding Notes as a result of the payment of PIK Interest.

(c) To the extent PIK Notes are issued in the form of Certificated Notes as contemplated by Section 2.08(a)(ii), the Trustee or an Authenticating Agent will, at the request of the Company, authenticate and deliver any PIK Notes in the form of Certificated Notes for original issuance to the Holders of Certificated Notes on the relevant Interest Record Date in accordance with this Indenture. PIK Notes in the form of Certificated Notes will be issued in minimum denominations of US\$1 and integral multiples of US\$1 in excess thereof but may only be transferred in denominations of US\$1 and integral multiples of US\$1 in excess thereof. Notwithstanding the foregoing, for the purpose of Euroclear and Clearstream, the denominations are considered as US\$1. For the avoidance of doubt, neither Euroclear nor Clearstream is required to monitor or enforce the minimum amount.

Section 2.09. *Mutilated, Defaced, Destroyed, Stolen and Lost Notes.* (a) The Company shall execute and deliver to the Paying and Transfer Agent Certificated Notes in such amounts and at such times as to enable the Paying and Transfer Agent to fulfill its responsibilities under this Indenture and the Notes.

(b) In case any Note shall become mutilated, defaced or be apparently destroyed, lost or stolen, upon the request of the registered holder thereof, the Company in its discretion may execute, and, upon the written request of Authorized Officers of the Company, the Trustee or an Authenticating Agent shall authenticate and deliver, a new Note (with each Subsidiary Guarantee endorsed thereon), bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated or defaced Note, or in lieu of and substitution for the Note so apparently destroyed, lost or stolen. In every case the applicant for a substitute Note shall furnish to the Company, the Subsidiary Guarantors and the Trustee, and any agent of the Company, the Subsidiary Guarantors or the Trustee such security or indemnity as may be required by each of them to indemnify and defend and to save each of them harmless and, in every case of destruction, loss or theft, evidence to their satisfaction of the apparent destruction, loss or theft of such Note and of the ownership thereof. Upon the issuance of any substitute Note, such Holder, if so requested by the Company, the Subsidiary Guarantors or the Trustee, or any agent thereof, will pay a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee or its agent(s)) connected with the preparation and issuance of the substitute Note. The Trustee is hereby authorized, in accordance with and subject to the foregoing conditions in this clause (b), to authenticate and deliver, or cause the authentication and delivery of, from time to time, Notes (with each Subsidiary Guarantee endorsed thereon) in exchange for or in lieu of Notes (with each Subsidiary Guarantee endorsed thereon), respectively, which become mutilated, defaced, destroyed, stolen or lost. Each Note delivered in exchange for or in lieu of any Note shall carry all the rights to principal, premium (if any), interest (including rights to accrued and unpaid interest and Additional Amounts) which were carried by such Note.

(c) Mutilated or defaced Certificated Notes must be surrendered before replacements will be issued. In the event any such mutilated, defaced, destroyed, lost or stolen certificate has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new certificate, pay such Notes.

Section 2.10. *Further Issues.* Subject to the covenants described in Article 4 and in accordance with the terms hereof, the Company may, from time to time, without notice to or the consent of the Holders, create and issue additional notes (the “**Additional Notes**”) having the same terms and conditions as the Notes (including the benefit of the Subsidiary Guarantees and the Collateral) in all respects (or in all respects except for the issue date, issue price and the date of the first payment of interest on them and, to the extent necessary, certain temporary securities law transfer restrictions) (a “**Further Issue**”) so that such Additional Notes may be consolidated and form a single class with the previously outstanding Notes and vote together as one class on all matters with respect to the Notes; *provided* that (i) the issuance of any such Additional Notes shall then be permitted under Section 4.05, and (ii) for so long as may be required by the applicable provisions of the Securities Act or the procedures of the Common Depositary, Euroclear or Clearstream, such Additional Notes shall be represented by one Global Note in accordance with Section 2.04(c) and subject to applicable transfer or other restrictions. In connection with any such issuance of Additional Notes,

the Company shall deliver an Officers' Certificate to the Trustee directing the Trustee or an Authenticating Agent to authenticate and deliver Additional Notes in an aggregate principal amount specified therein and the Trustee or an Authenticating Agent, in accordance with such Officers' Certificate, shall authenticate and deliver such Additional Notes. The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture is unlimited.

Section 2.11. *Cancellation of Notes; Disposition Thereof.* All Notes surrendered for payment, redemption, registration of transfer or exchange, if surrendered to the Company or any agent of the Company or the Trustee, shall be delivered to the Paying and Transfer Agent for cancellation or, if surrendered to the Paying and Transfer Agent, shall be canceled by it; and no Notes shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Paying and Transfer Agent shall dispose of canceled Notes held by it in accordance with its customary procedures, and deliver a certificate of disposition to the Company. If the Company shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Notes unless and until the same are delivered to the Paying and Transfer Agent for cancellation. For as long as the Notes are held in Global Notes form, any cancellation of the Notes as a result of redemption, repurchase or repayment of the Notes in accordance with the terms of this Indenture shall be reflected by way of a decrease or markdown in the outstanding principal amount of the Notes, and shall not be reflected through a pool factor or similar records of the clearing systems.

Section 2.12. *ISIN and Common Code Numbers.* The Company in issuing the Notes may use ISIN and Common Code numbers (if then generally in use), and, if so, the Trustee and the Paying and Transfer Agent shall use for the Notes ISIN and Common Code numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee and the Paying and Transfer Agent of any change in the ISIN and Common Code numbers.

ARTICLE 3 REDEMPTION

Section 3.01. *Redemption for Taxation Reasons.* (a) The Notes may be redeemed at the option of the Company or a Surviving Person with respect to the Company, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to the Holders (which notice shall be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Company or the Surviving Person, as the case may be, for redemption (the "**Tax Redemption Date**") if, as a result of:

- (i) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or
- (ii) any change in the existing official position or the stating of an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment is proposed and becomes effective on or after the Original Issue Date with respect to any payment due or to become due under the Notes or this Indenture, the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, and such requirement cannot be avoided by the taking of reasonable measures by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be; provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due.

(b) Prior to the mailing of any notice of redemption of the Notes pursuant to Section 3.01(a), the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, will deliver to the Trustee:

(i) an Officers' Certificate stating that such change or amendment referred to in Section 3.01(a) has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, taking reasonable measures available to it; and

(ii) an Opinion of Counsel or an opinion of a tax consultant, in either case of recognized standing with respect to tax matters of the Relevant Taxing Jurisdiction, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in Section 3.01(a).

The Trustee shall accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above and shall not be obligated to verify the accuracy or content thereof, in which event it shall be conclusive and binding on the Holders.

(c) Any Notes that are redeemed pursuant to the terms of this Section 3.01 will be cancelled.

Section 3.02. *Optional Redemption.*

(a) At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to this Section 3.02 for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

(b) The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected as follows:

(i) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed (if any) or any applicable requirements of the clearing systems through which the Notes are held; or

(ii) if the Notes are not listed on any national securities exchange, on a pro rata basis, by lot or by such other method as the Trustee in its sole and absolute discretion shall deem to be fair and appropriate unless otherwise required by law or by applicable stock exchange or clearing system requirements.

(c) A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. With respect to any Certificated Note, a new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

(d) If the Company elects to redeem the Notes pursuant to the optional redemption provisions of Section 3.02 hereof, it must furnish to the Trustee, at least 10 Business Days but not more than 30 Business Days before a redemption date, an Officers' Certificate setting forth:

(i) the clause of this Indenture pursuant to which the redemption shall occur;

- (ii) the redemption date;
- (iii) the principal amount of Notes to be redeemed; and
- (iv) the redemption price.

Section 3.03. Mandatory Redemption.

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to this Section 3.03 for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

The Company shall notify the Trustee of any voluntary prepayment of the Long Term Loan as soon as reasonably practicable in writing. The Trustee may rely conclusively on any such notification provided by the Company.

Section 3.04. Method and Effect of Redemption. (a) The notice of redemption will identify the Notes to be redeemed and will include or state the following:

- (i) the redemption date;
- (ii) the redemption price, including the portion thereof representing any accrued interest;
- (iii) the place or places where Notes are to be surrendered for redemption;
- (iv) Notes called for redemption must be so surrendered in order to collect the redemption price;
- (v) on the redemption date the redemption price will become due and payable on Notes called for redemption, and interest on Notes called for redemption will cease to accrue on and after the redemption date; and
- (vi) if any Note contains a ISIN or Common Code number, no representation is being made as to the correctness of the ISIN or Common Code number either as printed on the Notes or as contained in the notice of redemption and that the Holder should rely only on the other identification numbers printed on the Notes.

(b) Any Notes that are redeemed pursuant to the terms of Sections 3.02 and 3.03 will be cancelled.

(c) Once notice of redemption is sent to the Holders pursuant to the terms of Sections 3.02 and 3.03, Notes called for redemption become due and payable at the redemption price on the redemption date, and upon surrender of the Notes called for redemption, the Company shall redeem such Notes at the redemption price. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

ARTICLE 4
COVENANTS

Section 4.01. *Payment of Notes.* (a) The Company will pay the principal of, any premium on (if any) and interest, and Additional Amounts, if any, on the Notes on the dates and in the manner provided in the Notes and this Indenture. Not later than one Business Day prior to the Interest Payment Date, the due date of any principal on any Notes, the Tax Redemption Date pursuant to Section 3.01 or the redemption date pursuant to Section 3.02 (each a “**Payment Date**”), the Company will pay or cause to be paid to the account of the Paying and Transfer Agent at the Principal Office, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, in immediately available funds, an amount which shall be sufficient to pay the aggregate amount of interest, principal or premium or all of such amounts, as the case may be, becoming due in respect of the Notes on such Payment Date; *provided* that if the Company or any Affiliate of the Company is acting as Paying and Transfer Agent, it shall, on or before each due date, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such amounts until paid to such Holders or otherwise disposed of as provided in this Indenture. In each case the Company shall promptly notify the Trustee and the Paying and Transfer Agent of its compliance with this paragraph. The Company shall procure that, before 9:00 a.m. (New York City time) on the third Business Day before each Payment Date, the bank effecting payment for it confirms by tested telex or authenticated SWIFT message to the Paying and Transfer Agent the payment instructions relating to such payment. The Paying and Transfer Agent shall not be bound to make any payment until it has received the full amount due to be paid to it pursuant to this Section 4.01.

(b) An installment of principal, premium or interest will be considered paid on the date due if the Paying and Transfer Agent, other than the Company or any Affiliate of the Company, holds on that date money designated for and sufficient to pay the installment. If the Company or any Affiliate of the Company acts as Paying and Transfer Agent, an installment of principal or interest will be considered paid on the due date only if paid to the Holders.

(c) The Paying and Transfer Agent, which will include the Company or any Affiliate of the Company if it is acting as Paying and Transfer Agent will make payments in respect of the Notes represented by the Global Notes by wire transfer of immediately available funds to the accounts specified by the Holders of the Global Notes. With respect to Certificated Notes, the Paying and Transfer Agent will make all payments by wire transfer of immediately available funds to the accounts specified by the Holders thereof or, if no such account is specified, by mailing a check to each Holder’s registered address; *provided* that if the Company or any Affiliate of the Company is acting as Paying and Transfer Agent, it shall make such payment to the Holders as specified above.

(d) At least three Business Days prior to the first Payment Date and, if there has been any change with respect to the matters set forth in the below-mentioned certificate, at least three Business Days prior to each Payment Date thereafter, the Company shall furnish the Paying and Transfer Agent with an Officers’ Certificate instructing the Paying and Transfer Agent as to any circumstances in which payments of principal of, or interest or premium on, the Notes due on such date shall be subject to deduction or withholding for, or on account of, any Taxes described in Section 4.20 and the rate of any such deduction or withholding. If any such deduction or withholding shall be required and if the Company therefore becomes liable to pay Additional Amounts, if any, pursuant to Section 4.20 then at least three Business Days prior to each Payment Date, the Company shall furnish the Paying and Transfer Agent with a certificate which specifies the amount required to be withheld on such payment to Holders of the Notes, and the Additional Amounts, if any, due to the Holders of the Notes, and at least one Business Day prior to such Payment Date, will pay to the Paying and Transfer Agent such Additional Amounts, if any, as shall be required to be paid to such Holders.

(e) Whenever the Company appoints a Paying and Transfer Agent other than the Trustee for the purpose of paying amounts due in respect of the Notes, it will cause such Paying and Transfer Agent to execute and deliver to the Trustee an instrument substantially in the form of Exhibit E hereof in which such agent shall agree with the Company, among other things, to be bound by and observe the provisions of this Indenture (including the Notes). The Company shall cause each Paying and Transfer Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying and Transfer Agent shall agree with the Trustee,

(i) that it will hold all sums received by it as such Paying and Transfer Agent for the payment of the principal of, or premium or interest on, the Notes (whether such sums have been paid to it by or on behalf of the Company or by any other obligor on the Notes or any Subsidiary Guarantee) in trust for the benefit of the Holders or of the Trustee;

(ii) that it will give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes or any Subsidiary Guarantee) to make any payment of the principal of, or premium or interest on, the Notes and any other payments to be made by or on behalf of the Company under this Indenture, when the same shall be due and payable; and

(iii) that it will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request at any time during the continuance of a failure referred to in clause (ii) above.

Anything in this Section 4.01 to the contrary notwithstanding, the Company may at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by the Company or any Paying and Transfer Agent hereunder, as required by this Section 4.01 and such sums shall be held by the Trustee upon the trusts herein contained. If the Paying and Transfer Agent shall pay all sums held in trust to the Trustee as required under this Section 4.01, the Paying and Transfer Agent shall have no further liability for the money so paid over to the Trustee.

Anything in this Section 4.01 to the contrary notwithstanding, the agreements to hold sums in trust as provided in this Section 4.01 are subject to the provisions of Section 8.03.

Section 4.02. *Maintenance of Office or Agency.* (a) The Company will maintain an office or agency where Notes may be surrendered for registration of transfer or exchange or for presentation for payment and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company hereby initially designates the Principal Office as such office of the Company. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served to the Trustee.

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be surrendered or presented for any of such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each place where principal of, and interest or premium on, any Notes are payable. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) So long as the Notes are listed on the SGX-ST and the SGX-ST so requires, there will be a Paying and Transfer Agent in Singapore. The Company will give to the Trustee written notice of the location of any such office or agency and of any change of location thereof. The Company has initially appointed the Paying and Transfer Agent and Registrar listed in Exhibit G.

(d) So long as any of the Notes remain outstanding, each of the Subsidiary Guarantors will maintain in each place where principal of, and interest or premium on, any Notes is payable an office or agency where notices and demands to or upon each of the Subsidiary Guarantors in respect of the Notes, the Subsidiary Guarantees or this Indenture may be served. Each of the Subsidiary Guarantors hereby initially designates the Principal Office as the office or agency for each such purpose. In case any of the Subsidiary Guarantors shall fail to maintain any such office or agency or shall fail to give notice of the location or of any change in the location thereof, presentations and demands may be made and notices may be served at the Trustee's office.

Section 4.03. *Governmental Approvals and Licenses; Compliance With Law.* The Company will, and will cause each Restricted Subsidiary to, (a) obtain and maintain in full force and effect all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the

Section 4.04. *Payment of Taxes and Other Claims.* The Company will pay or discharge, and cause each of its Subsidiaries to pay or discharge before the same become delinquent (a) all material taxes, assessments and governmental charges levied or imposed upon the Company or any Subsidiary or its income or profits or property and (b) all material lawful claims for labor, materials and supplies that, if unpaid, might by law become a Lien upon the property of the Company or any Subsidiary, other than any such tax, assessment, charge or claim the amount, applicability or validity of which is being contested in good faith by appropriate proceedings and for which adequate reserves have been established.

(vii) existing in customary provisions in shareholders' agreement, joint venture agreements and other similar agreements permitted under this Indenture, to the extent such encumbrance or restriction relates to the activities or assets of a Restricted Subsidiary that is a party to such joint venture and if (as determined in good faith by the Board of Directors) (i) the encumbrances or restrictions are customary for a joint venture or similar agreement of that type and (ii) the encumbrances or restrictions would not, at the time agreed to, be expected to materially and adversely affect (x) the ability of the Company to make the required payments on the Notes, or (y) any Subsidiary Guarantor to make required payments under its Subsidiary Guarantee; or

(viii) existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Subsidiary or its subsidiaries or the property or assets of such Subsidiary or its subsidiaries, and any extensions, refinancing, renewals or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced.

(b) to the extent such Capital Stock represents director's qualifying shares or is required by applicable law to be held by a Person other than the Company or a Restricted Subsidiary;

(c) for the issuance or sale of the Capital Stock of a Restricted Subsidiary if, immediately after giving effect to such issuance or sale, such Restricted Subsidiary would no longer constitute a Restricted Subsidiary and any remaining Investment in such Person would have been permitted to be made under Section 4.06 if made on the date of such issuance or sale and *provided* that the Company complies with Section 4.13; or

(d) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale); *provided* that the Company or such Restricted Subsidiary applies the Net Cash Proceeds of such issuance or sale in accordance with Section 4.13.

(a) To the extent any Subsidiary Guarantee remains outstanding, the Company will not permit any Restricted Subsidiary which is not a Subsidiary Guarantor, directly or indirectly, to Guarantee any Relevant Indebtedness (“**Guaranteed Indebtedness**”) of the Company or any Subsidiary Guarantor, unless (i) (a) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to this Indenture, providing for an unsubordinated Subsidiary Guarantee of payment of the Notes by such Restricted Subsidiary and (b) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee, until the Notes have been paid in full or (ii) such Guarantee is permitted by clause (iii), (iv), (xiv)(B) (other than, in the case of clause (xiv)(B), (x) a Guarantee by a PRC Restricted Subsidiary of the Indebtedness of a non-PRC Restricted Subsidiary that is not a Subsidiary of such PRC Restricted Subsidiary or (y) a Guarantee by a non-PRC Restricted Subsidiary that is not a Subsidiary Guarantor of Indebtedness of a Subsidiary Guarantor) or (xviii) (in the case of clause (xviii), with respect to the Guarantee provided by the Company or any Restricted Subsidiary through the pledge of cash deposits, bank accounts or other assets to secure (or the use of any Guarantee, letter of credit or similar instrument to Guarantee) any Bank Deposit Secured Indebtedness) of Section 4.05(b).

(b) If the Guaranteed Indebtedness (i) ranks *pari passu* in right of payment with the Notes, any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall rank *pari passu* in right of payment with, or subordinated to, the Subsidiary Guarantee, or (ii) is subordinated in right of payment to the Notes or any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall be subordinated in right of payment to the Subsidiary Guarantee, at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes or the Subsidiary Guarantee.

Section 4.11. *Limitation on Sale and Leaseback Transactions.* The Company will not, and will not permit any of its Restricted Subsidiaries to, enter into any Sale and Leaseback Transaction; *provided* that the Company or any Restricted Subsidiary may enter into a Sale and Leaseback Transaction if:

(a) the Company or any Restricted Subsidiary could have (i) incurred Indebtedness in an amount equal to the Attributable Indebtedness relating to such Sale and Leaseback Transaction under Section 4.05(a) and (ii) incurred a Lien to secure such Indebtedness pursuant to Section 4.07, in which case, the corresponding Indebtedness and Lien will be deemed incurred pursuant to those provisions;

(b) the gross cash proceeds of that Sale and Leaseback Transaction are at least equal to the Fair Market Value of the property that is the subject of such Sale and Leaseback Transaction; and

(c) the transfer of assets in that Sale and Leaseback Transaction is permitted by, and the Company or any Restricted Subsidiary applies the proceeds of such transaction in compliance with, Section 4.13.

Section 4.12. *Repurchase of Notes Upon a Change of Control Triggering Event.*

(a) Not later than 30 days following a Change of Control Triggering Event, the Company will make an Offer to Purchase all outstanding Notes (a “**Change of Control Offer**”) at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but not including) the Offer to Purchase Payment Date.

(b) The Company will in a timely manner repay all Indebtedness or obtain consents as necessary under, or terminate, agreements or instruments that would otherwise prohibit a Change of Control Offer required to be made pursuant to this Section 4.12.

(c) Notwithstanding the above, the Company will not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third party makes the Change of Control Offer in the same manner at the same time and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Section 4.13. *Limitation on Asset Sales.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless:

(i) no Default shall have occurred and be continuing or would occur as a result of such Asset Sale;

(ii) the consideration received by the Company or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of;

(iii) at least 75% of the consideration received consists of cash, Temporary Cash Investment or Replacement Assets; *provided* that in the case of an Asset Sale in which the Company or such Restricted Subsidiary receives Replacement Assets involving aggregate consideration in excess of US\$80.0 million (or the Dollar Equivalent thereof), the Company shall deliver to the Trustee an opinion as to the fairness to the Company or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an accounting, appraisal or investment banking firm of international standing. For purposes of this provision, each of the following will be deemed to be cash:

(1) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes, any Subsidiary Guarantee) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that releases the Company or such Restricted Subsidiary from further liability; and

(2) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from such transferee that are promptly, but in any event within 30 days of closing, converted by the Company or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion.

(b) Within 360 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company (or any Restricted Subsidiary, as the case may be) may apply such Net Cash Proceeds to:

(i) permanently repay Senior Indebtedness of the Company or a Subsidiary Guarantor or any Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor (and, if such Senior Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) in each case owing to a Person other than the Company or a Restricted Subsidiary;

(ii) acquire Replacement Assets; or

(iii) facilitate property delivery or to ensure social stability as required by PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures, *provided* that the Company shall deliver a notice to the Trustee within 5 Business Days after the application of such Net Cash Proceeds pursuant to this clause (iii), summarizing (i) the amount of the Net Cash Proceeds so applied, (ii) the asset(s) subjected to such Asset Sale and (iii) the identity of the party involved in such Asset Sale, to the extent (x) the Company has received notice from relevant PRC government bodies or otherwise has actual knowledge thereof and (y) not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

Pending application of such Net Cash Proceeds as set forth in clause (i) or (ii) above, the Company or any Restricted Subsidiary may make an Investment in cash or Temporary Cash Investments.

(c) Any Net Cash Proceeds from Asset Sales that are not applied or invested as provided in Section 4.13(b)(i) and Section 4.13(b)(ii) above will constitute “**Excess Proceeds.**” Excess proceeds of less than US\$10.0 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. When accumulated Excess Proceeds exceed US\$10.0 million (or the Dollar Equivalent thereof), within 10 days thereof, the Company must make an Offer to Purchase Notes having a principal amount equal to:

(i) accumulated Excess Proceeds; multiplied by

(ii) a fraction (A) the numerator of which is equal to the outstanding principal amount of the Notes and (B) the denominator of which is equal to the outstanding principal amount of the Notes and all pari passu Indebtedness similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale,

(iii) rounded down to the nearest US\$1.

(d) The offer price in any Offer to Purchase will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash.

(e) If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes (and any other pari passu Indebtedness) tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Notes (and such other pari passu Indebtedness) will be purchased on a *pro rata* basis. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

Section 4.14. *Limitation on Transactions with Shareholders and Affiliates.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into, renew or extend any transaction or arrangement (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with (x) any holder (or any Affiliate of such holder) of 10% or more of any class of Capital Stock of the Company or (y) any Affiliate of the Company (each an “**Affiliate Transaction**”), unless:

(i) the Affiliate Transaction is on fair and reasonable terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable arm’s length transaction by the Company or the relevant Restricted Subsidiary with a Person that is not an Affiliate of the Company; and

(ii) the Company delivers to the Trustee:

Section 4.20. *Additional Amounts.* (a) All payments of principal of, and premium (if any) and interest on the Notes or under the Subsidiary Guarantees will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person or an applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein) including, without limitation, if applicable, the PRC (each, as applicable, a “**Relevant Taxing Jurisdiction**”) or any jurisdiction through which payments are made (or any political subdivision or taxing authority thereof or therein) (together with each Relevant Taxing Jurisdiction, as applicable, a “**Relevant Jurisdiction**”), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, the Company, a Surviving Person or the applicable Subsidiary Guarantor, as the case may be, will pay such additional amounts (“**Additional Amounts**”) as will result in receipt by the Holder of each Note of such amounts as would have been received by such Holder had no such withholding or deduction been required, except that no Additional Amounts shall be payable:

(i) for or on account of:

(A) any tax, duty, assessment or other governmental charge that would not have been imposed but for:

(1) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Relevant Jurisdiction other than merely holding such Note or the receipt of payments thereunder or under a Subsidiary Guarantee, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction

or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

(2) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period;

(3) the failure of the Holder or beneficial owner to comply with a timely request of the Company, a Surviving Person or any Subsidiary Guarantor addressed to the Holder to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that due and timely compliance with such request would have reduced or eliminated any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder;

(4) the presentation of such Note (in cases in which presentation is required) for payment in the Relevant Jurisdiction, unless such Note could not have been presented for payment elsewhere;

(B) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(ii) with respect to any payment of the principal of, or premium, if any, or interest on, such Note or any payment under any Subsidiary Guarantee to a Holder, if the Holder is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor, with respect to the fiduciary, a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

(b) Whenever there is mentioned in any context the payment of principal of, and any premium or interest, on any Note or under any Subsidiary Guarantee, such mention shall be deemed to include payment of Additional Amounts provided for in this Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

Section 4.21. *No Payments for Consents.* (a) The Company will not, and shall not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture, the Notes or any Subsidiary Guarantee unless such consideration is offered to be paid or is paid to all Holders that consent, waive or agree to amend such term or provision within the time period set forth in the solicitation documents relating to such consent, waiver or amendment.

(b) Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes in connection with an exchange or tender offer, the Company and any Restricted Subsidiary may exclude (i) Holders or beneficial owners of the Notes that are not institutional “accredited investors” as defined in Rule 501 under the Securities Act, and (ii) Holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such Holders or beneficial owners would require the Company or any Restricted Subsidiary to comply with the registration requirements or other similar requirements under any securities laws of such jurisdiction, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, Holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Company in its sole discretion.

The Trustee or the Collateral Agent, as the case may be, is permitted and authorized, without the consent of any Holder, to enter into any amendments to the Intercreditor Agreement, the Security Documents or this Indenture and take any other action necessary to permit the creation and registration of Liens on the Collateral to secure Permitted Pari Passu Secured Indebtedness in accordance with this paragraph (including, without limitation, the appointment of any collateral agent under the Intercreditor Agreement referred to below to hold the Collateral on behalf of the Holders and the holders of Permitted Pari Passu Secured Indebtedness), *provided* that for as long as any of the Short Term Notes, the Long Term Notes and the New Loans remains outstanding, the Company shall not, and shall procure that none of the Subsidiary Guarantors will, incur any Permitted Pari Passu Secured Indebtedness after the Original Issue Date, unless the net proceeds therefrom are used first for payment of any amount due under, or repayment, prepayment or repurchase of the Short Term Notes and the Short Term Loan, and thereafter, any remaining net proceeds therefrom may be used for payment of any amount due under, or repayment, prepayment or repurchase of the Long Term Notes and the Long Term Loan, except for any Permitted Pari Passu Secured Indebtedness incurred to (x) settle any base cash consent fee, early cash consent fee, professional fees and/or other expenses under or in connection with the Offshore Restructuring, and (y) repay or refinance any Other Offshore Indebtedness, *provided, however*, that the aggregate principal amount of such Permitted Pari Passu Secured Indebtedness incurred under (x) and (y) shall not exceed US\$135.0 million.

Such covenants will not, however, be of any effect with regard to actions of the Company or any Restricted Subsidiary properly taken in compliance with the provisions of this Indenture during the continuance of the Suspension Event, and following reinstatement

the calculations under the covenant summarized under Section 4.06 will be made as if such covenant had been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended.

(k) the Company or any other Chargor denies or disaffirms its obligations under the Intercreditor Agreement or any Security Document or, other than in accordance with this Indenture, the Intercreditor Agreement and the Security Documents, any Security Document ceases to be or is not in full force and effect or the Trustee ceases to have a security interest in the Collateral (subject to Permitted Liens).

Section 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(g) or 6.01(h)) occurs and is continuing under this Indenture with respect to any Notes, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the Trustee if such notice is given by the Holders) may, and the Trustee at the request of such Holders (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) shall, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If (i) an Event of Default specified in Section 6.01(g) or 6.01(h) occurs with respect to the Company or any Significant Restricted Subsidiary or (ii) the Long Term Loan has been declared to be due and payable prior to its Stated Maturity in accordance with the facility agreement governing the Long Term Loan, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder, *provided, however*, that in the case of (ii), Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes may rescind and annul any acceleration of the Notes as a result of an acceleration of the Long Term Loan in accordance with Section 9.02. The Company shall notify the Trustee as soon as reasonably practicable in writing in the event that the Long Term Loan has been declared to be due and payable prior to its Stated Maturity in accordance with the facility agreement governing the Long Term Loan. The Trustee may rely conclusively on any such notification provided by the Company.

Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may, and shall, upon the written request of Holders of at least 25% in aggregate principal amount of outstanding Notes, (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) foreclose on the Collateral in accordance with the terms of the Security Documents and take such further action on behalf of the Holders of the Notes with respect to the Collateral as the Trustee deems appropriate.

Section 6.04. *Waiver of Past Defaults.* Except as otherwise provided in Section 6.02, the Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee may on behalf of all the Holders of Notes waive all past Defaults and rescind and annul a declaration of acceleration and its consequences if: (a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived, and (b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05. *Control by Majority.* The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction in advance of the proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes.

Section 6.06. *Limitation on Suits.* A Holder may not institute any proceeding, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture or the Notes unless:

- (a) the Holder has previously given the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder or Holders provide the Trustee indemnity and/or security and/or prefunding satisfactory to the Trustee against any costs, liability or expense, to be incurred in compliance with such written request;
- (d) the Trustee does not comply with the request within 60 days after receipt of the written request and the offer of indemnity and/or security and/or prefunding satisfactory to it referred to in (b) and (c) above; and
- (e) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. *Rights of Holders to Receive Payment.* The right of any Holder to receive payment of the principal of, premium, if any, or interest on, such Note, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, shall not be impaired or affected without the consent of Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes.

Section 6.08. *Compliance Certificate.* The Company will submit an Officers' Certificate to the Trustee, in substantially the form attached hereto as Exhibit F, on or before a date not more than 120 days after the end of each fiscal year ending after the Original Issue Date, stating (i) a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under this Indenture and that the Company has fulfilled all obligations hereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof and (ii) if there is any Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness or any transaction subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) that is

incurred for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as requested or required by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measure, during the period under review and to the extent the Company has received notice from relevant PRC government bodies or in accordance with applicable PRC laws, rules, regulations, government policies or measures with respect to such Asset Sale, Permitted Investment, Permitted Lien, Permitted Indebtedness or transaction subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) or otherwise has actual knowledge thereof, provide a brief description thereof, including value or parties involved, to the extent not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

Section 6.09. *Collection Suit By Trustee.* If an Event of Default in payment specified in Section 6.01(a) or Section 6.01(b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount remaining unpaid, together with interest on overdue principal or premium and, to the extent lawful, overdue installments of interest, in each case at the rate specified in the Notes, and such further amount as is sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

Section 6.10. *Trustee May File Proofs of Claim.* The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the Holders allowed in any judicial proceedings relating to the Company or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Notes or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Indenture will be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.11. *Priorities.*

(a) At any time during which the Intercreditor Agreement is in force, the Trustee agrees that any money collected upon enforcement of the Collateral shall be distributed in accordance with the Intercreditor Agreement.

(b) Any money collected by the Trustee other than upon enforcement of Collateral or at any time during which the Intercreditor Agreement is not in force shall be paid out in the following order:

First, to the Trustee to the extent necessary to reimburse the Trustee for any expenses incurred in connection with the collection or distribution of such amounts held or realized or in connection with expenses incurred in enforcing its remedies under the Security Documents and preserving the Collateral and all amounts for which the Trustee is entitled to indemnification under the Security Documents;

Second, to each of the Agents to the extent necessary to reimburse each of the Agents for any unpaid fees and amounts due to any of the Agents and any expenses incurred by such Agents in connection with the performance of its obligations under this Indenture and all amounts for which each of the Agents is entitled to indemnification under this Indenture;

Third, to the Trustee for the benefit of Holders; and

Fourth, any surplus remaining after such payments will be paid to the Chargors or to whomever may be lawfully entitled thereto.

The Trustee, upon written notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Section 6.11.

Section 6.12. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted a proceeding to enforce any right or remedy under this Indenture and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the Holder, then, subject to any determination in the proceeding, the Company, any Subsidiary Guarantors, the Trustee and the Holders will be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Company, any Subsidiary Guarantors, the Trustee and the Holders will continue as though no such proceeding had been instituted.

Section 6.13. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.13 does not apply to a suit by a Holder to enforce payment of principal of, premium on or interest on any Note on the respective due dates, or a suit by Holders of more than 10% in principal amount of the outstanding Notes.

Section 6.14. *Rights and Remedies Cumulative.* No right or remedy conferred or reserved to the Trustee or to the Holders under this Indenture is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or exercise of any other right or remedy.

Section 6.15. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.16. *Waiver of Stay, Extension or Usury Laws.* Each of the Company and the Subsidiary Guarantors covenants, to the extent that it may lawfully do so, that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company or such Subsidiary Guarantor, from paying all or any portion of the principal of, or premium or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture. Each of the Company and the Subsidiary Guarantors hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7 THE TRUSTEE

Section 7.01. *General.* (a) The duties and responsibilities of the Trustee are as set forth herein. Whether or not expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to this Article.

(b) Except during the continuance of an Event of Default, the Trustee needs to perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee. In case an Event of Default has occurred and is continuing and the Trustee has received written notice thereof pursuant to Section 7.05, the Trustee shall exercise those rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. During the continuance of an Event of Default, the Trustee shall act upon the written direction of the Holders of at least 25% of the aggregate principal amount then outstanding, subject to its receiving indemnity and/or security to its satisfaction.

(c) Should the Trustee become a creditor of the Company or any of the Subsidiary Guarantors, the rights of the Trustee to obtain payment of claims in certain cases or to realize on certain property received by the Trustee in respect of any such claims as security or otherwise will be limited. The Trustee is permitted to engage in other transactions, including normal banking and trustee relationships, with the Company and its Affiliates; *provided, however*, that if any direct conflict of interest arises between the Trustee and the Company or any of the Subsidiary Guarantors, the Trustee hereby agrees to eliminate such conflict or resign.

(d) None of the Trustee and Agents nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral securing the Notes, for the legality, enforceability, effectiveness sufficiency of the Security Documents, for the creation, perfection, maintenance, priority, sufficiency or protection of any of the Liens created pursuant to the Security Documents, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or Security Documents or any delay in doing so, except as a result of the Agent's own fraud, gross negligence or willful misconduct.

(e) Neither the Trustee nor the Collateral Agent will be under any obligation to exercise any rights or powers conferred under this Indenture or any of the Security Documents for the benefit of the Holders, unless such Holders have provided to the Trustee and/or the Collateral Agent indemnity and/or security satisfactory to the Trustee and/or the Collateral Agent against any loss, liability or expense that might be incurred by it in compliance with such direction. The Trustee shall not be liable to any person for having acted on instruction or direction provided to it by Holders with respect to the Indenture and the Notes.

(f) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own fraud, grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that (i) this paragraph does not limit the effect of paragraph (a) of this Section 7.1, (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertaining facts, and (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith (i) in accordance with a direction received by it pursuant to Section 6.02 or 6.05 or (ii) if such action or omission may, in the Trustee's opinion following advice in writing by legal counsel of international repute, be contrary to any law of any jurisdiction or any directive or regulation of any agency of any jurisdiction.

(g) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible to any Person for failing to request, require or receive any account statement pursuant to any Security Document or for failing to check or comment upon the accuracy of such account statements and shall have no responsibility for the contents of any account statement prepared pursuant to any Security Document and, for the avoidance of doubt, it is intended that the Trustee shall not check or comment on any such account statement.

(h) Unless the Trustee receives prior written notice from the Company or the Holders in accordance with the terms of this Indenture, the Trustee shall be entitled to assume, without any further inquiry, that the Company has duly performed all of its obligations in accordance with this Indenture, including each of the exhibits attached hereto.

(i) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible for recitals, statements, warranties or representations of any party contained in this Indenture or any other agreement or other document, including the Security Documents and the Intercreditor Agreement, entered into in connection herewith or therewith and shall assume the accuracy and correctness thereof and shall not be responsible for the execution, legality, effectiveness, adequacy, genuineness, validity or enforceability or admissibility in evidence of any such agreement or other document or any trust or security thereby constituted or evidenced, and the Trustee may accept without enquiry, requisition or objection such title as the Company may have to the property charged, pledged, mortgaged or assigned pursuant to the Security Documents or the Intercreditor Agreement or any part thereof from time to time and shall not be bound to investigate or make any enquiry into the title of the Company to such property or any part thereof from time to time whether or not any default or failure is or was known to the Trustee or might be, or might have been, discovered upon examination, inquiry or investigation and whether or not capable of remedy. Notwithstanding the generality of the foregoing, each Holder shall be solely responsible for making its own independent appraisal of, and investigation into, the financial condition, creditworthiness, condition, affairs, status and nature of the Company and any Subsidiary Guarantor, and the Trustee shall not at any time have any responsibility for the same and each Holder shall not rely on the Trustee in respect thereof.

Section 7.02. *Certain Rights of Trustee.* Subject to Section 7.01:

(a) In the absence of bad faith on its part, the Trustee may rely, and will be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in original or electronic form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but, in the case of any document which is specifically required to be furnished to the Trustee pursuant to any provision hereof, the Trustee shall examine the document to determine whether it conforms to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). Neither the Trustee nor the Agents shall be responsible for making calculations or for verifying calculations performed by the Company or any other persons unless otherwise expressly specified in this Indenture. The Trustee, in its sole and absolute discretion, may make further inquiry or investigation into such facts or matters as it sees fit.

Notwithstanding anything else herein contained, each of the Trustee and Agents may refrain without liability from doing anything that would or might in its reasonable opinion be contrary to any law of any state or jurisdiction (including but not limited to the laws of Hong Kong, the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its reasonable opinion, necessary to comply with any such law, directive or regulation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel conforming to Sections 12.03 and 12.04 and the Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by it hereunder. To the extent an agent has been named by the Trustee in connection with this Indenture, the parties hereto shall cooperate to ensure that such agent can perform the duties for which it was appointed. Upon an Event of Default, the Trustee shall be entitled to require all agents to act solely in accordance with its directions.

(d) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have provided to the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expenses that might be incurred by it in compliance with such request or direction.

(e) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers or for any action it takes or omits to take in

accordance with the direction of the Holders in accordance with Section 6.02 or 6.05 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(f) The Trustee may consult with counsel or other professional advisors of its selection, and the written advice of such counsel or advisors or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(g) If any Subsidiary Guarantor is substituted to make payments on behalf of the Company pursuant to Article 11, the Company shall promptly notify the Trustee and any clearing house through which the Notes are traded of such substitution and such Subsidiary Guarantor.

(h) Under no circumstances will the Trustee or any Agent be liable to the Company, any Subsidiary Guarantor for any indirect consequential punitive or special damages, even if advised of the possibility of such loss or damage.

(i) The Trustee is entitled to assume without enquiry, that each of the Company and the Subsidiary Guarantors has performed in accordance with all of the provisions in this Indenture, unless notified to the contrary.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate.

(k) In connection with the exercise by it of its trusts, powers, authorities or discretions (including, without limitation, any modification, waiver, authorization or determination), the Trustee shall have regard to the general interests of the Holders as a class but shall not have regard to any interests arising from circumstances particular to individual Holders (whatever their number) and in particular, but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers, authorities or discretions for individual Holders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any country, state or territory and a Holder shall not be entitled to require, nor shall any Holder be entitled to claim, from the Company, the Trustee or any other Person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Holders except to the extent already provided in Section 4.20 and/or any undertaking given in addition to, or in substitution for, Section 4.20 pursuant to this Indenture.

Section 7.03. *Individual Rights of Trustee.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee and nothing herein shall obligate the Trustee to account for any profits earned from any business or transactional relationship. Any Agent may do the same with like rights.

Section 7.04. *Trustee's Disclaimer.* The Trustee (a) makes no representation as to the validity or adequacy of this Indenture, the Notes or the Guarantee of any Subsidiary Guarantor, (b) is not accountable for the Company's use or application of the proceeds from the Notes, is not responsible for any statement in the Notes other than its certificate of authentication and (d) shall not have any responsibility for the Company's or any Holder's compliance with any state or U.S. federal securities law in connection with the Notes.

Section 7.05. *Notice of Default.* If any Default occurs and is continuing and is known to the Trustee, the Trustee will send notice of the Default to each Holder within 30 days after it occurs, or, if later, within 15 days after it is known to the Trustee unless the Default has been cured; *provided* that, except in each case of (a) a default in the payment of the principal of or premium or interest on any Note, (b) a default in the performance of, or a breach under any agreement of, the Undertakings by Gemfair Investments Limited or

Shiying Finance Limited or (c) a Monitoring Agent Report is not issued and delivered to the Trustee in accordance with Section 4.26(b)(iii), the Trustee may withhold the notice if and so long as the board of directors, the executive committee or a trust committee of the Trustee in good faith determines that withholding the notice is in the interest of the Holders. The Trustee shall not be deemed to have knowledge of a Default or Event of Default unless and until a Responsible Officer obtains actual knowledge of such Default or Event of Default through written notification from the Company, Gemfair Investments Limited or Shiying Finance Limited or as otherwise contemplated herein describing the circumstances of such, and identifying the circumstances constituting such Default or Event of Default.

Section 7.06. *Compensation and Indemnity.* (a) The Company and/or the Subsidiary Guarantors agree to be jointly and severally responsible for and will pay the Trustee compensation as agreed upon in writing for its services. The compensation of the Trustee is not limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances (including costs of collection) incurred or made by the Trustee, including the reasonable compensation, expenses and disbursements of the Trustee's agents and counsel and other Persons not regularly within its employ.

(b) Each of the Company and the Subsidiary Guarantors agrees to be jointly and severally responsible for and will indemnify the Trustee or any predecessor Trustee and their agents, employees, officers and directors for, and hold it harmless against, any loss or liability or expense incurred by it without negligence or willful misconduct on its part arising out of or in connection with the acceptance or administration of this Indenture and its duties under this Indenture, the Notes and the Subsidiary Guarantees, including (i) the costs and expenses of defending itself against any claim or liability and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under this Indenture and the Notes and (ii) the compensation, expenses and disbursements of the Trustee's agents and counsel and other Persons not regularly within the Trustee's employ.

(c) To secure the Company's payment obligations in this Section 7.06, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, and interest on particular Notes.

(d) When the Trustee incurs expenses or renders services pursuant to the Indenture after the occurrence of an Event of Default specified in clauses (g) or (h) of Section 6.01 with respect to the Company or Subsidiary Guarantor, the expenses are intended to constitute expenses of administration under the United States Bankruptcy Code (Title 11 of the United States Code) or any other similar law for the relief of debtors.

(e) This Section 7.06 shall survive the redemption or maturity of the Notes, the termination of this Indenture, and the termination of the appointment of the Trustee.

Section 7.07. *Replacement of Trustee.* (a) (i) The Trustee may resign at any time by written notice to the Company.

(ii) The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by written notice to the Trustee.

(iii) The Company may remove the Trustee if: (A) the Trustee is adjudged a bankrupt or insolvent; (B) a receiver or other public officer takes charge of the Trustee or its property; or (C) the Trustee becomes incapable of acting.

A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) If the Trustee has been removed by the Holders, then the Holders of a majority in principal amount of the Notes may appoint a successor Trustee with the consent of the Company. Otherwise, if the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. If the successor Trustee does not deliver its written acceptance within

30 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the expense of the Company), the Company or the Holders of a majority in the aggregate principal amount of the outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) Upon delivery by the successor Trustee of a written acceptance of its appointment to the retiring Trustee and to the Company, (i) the retiring Trustee will transfer all property and documents held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.06, (ii) the resignation or removal of the retiring Trustee will become effective, and (iii) the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. Upon request of any successor Trustee, the Company will execute any and all instruments for fully vesting in and confirming to the successor Trustee all such rights, powers and trusts. The Company will give notice of any resignation and any removal of the Trustee and each appointment of a successor Trustee to all Holders, and include in the notice the name of the successor Trustee and the address of its Corporate Trust Office.

(d) Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 will continue for the benefit of the retiring Trustee.

Section 7.08. *Successor Trustee by Consolidation, Merger, Conversion or Transfer.* If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business or assets (including the administration of the trust created by this Indenture) to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act will be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee in this Indenture.

Section 7.09. *Money Held In Trust.* The Trustee will not be liable for interest on any money received by it except as it may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law and except for money held in trust under Article 8.

Section 7.10. *Confidentiality.* Each of the Trustee and Agents will treat information relating to the Company and to the Subsidiary Guarantors as confidential, but (unless consent is prohibited by law) the Company and the Subsidiary Guarantors consent to the transfer and disclosure by the Trustee and Agents of any information relating to the Company and the Subsidiary Guarantors to and between branches, subsidiaries, representative offices, affiliates and agencies of the Trustee and Agents and third parties selected by any of them, wherever situated, for internal use only (including in connection with the provision of any service and for data processing, statistical and risk analysis purposes). The Trustee and Agents and any branch, subsidiary, representative office, affiliate, agent or third party may transfer and disclose any such information if and only to the extent required by any law, court regulator or legal process.

ARTICLE 8

SATISFACTION AND DISCHARGE

Section 8.01. *Satisfaction and Discharge of Indenture.* (a) This Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when;

(i) Either:

(A) all of the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust by the Company and thereafter repaid to the Company) have been delivered to the Paying Agent for cancellation; or

(B) all Notes not theretofore delivered to the Paying Agent for cancellation have become due and payable pursuant to an optional redemption notice or otherwise or will become due and payable within one year, and the Company has irrevocably deposited

or caused to be deposited with the Paying Agent funds, in cash in U.S. dollars, non-callable U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Paying Agent for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable written instructions from the Company directing the Trustee or the Paying Agent to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(ii) the Company or any Subsidiary Guarantor has paid all other sums payable under this Indenture; and

(iii) such deposit will not result in a breach or violation of, or constitute a default under, any instruments to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound (other than this Indenture, the Notes or any Security Document).

In addition, the Company must deliver to the Trustee an Officers' Certificate stating that all conditions precedent to satisfaction and discharge have been satisfied.

Section 8.02. *Application of Trust Money.* Subject to Section 8.03, the Trustee will hold in trust the money or U.S. Government Obligations deposited with it pursuant to Section 8.01, and apply the deposited money and the proceeds from deposited U.S. Government Obligations to the payment of principal of and premium or interest on the Notes in accordance with the Notes and this Indenture. Such money and U.S. Government Obligations will be segregated from other funds.

Section 8.03. *Repayment to Company.* Subject to Sections 7.06 and 8.01, the Trustee will promptly pay to the Company upon written request by the Company in the form of an Officers' Certificate any excess money held by the Trustee at any time and thereupon be relieved from all liability with respect to such money. The Trustee will pay to the Company upon written request by the Company in the form of an Officers' Certificate any money held for payment with respect to the Notes that remains unclaimed for two years, *provided* that before making such payment the Trustee may at the expense of the Company publish once in a newspaper of general circulation in New York City, or send to each Holder entitled to such money, notice that the money remains unclaimed and that after a date specified in the notice (at least 30 days after the date of the publication or notice) any remaining unclaimed balance of money will be repaid to the Company. After payment to the Company, Holders entitled to such money must look solely to the Company for payment, unless applicable law designates another Person, and all liability of the Trustee with respect to such money will cease.

Section 8.04. *Reinstatement.* If and for so long as the Trustee is unable to apply any money or U.S. Government Obligations held in trust pursuant to Section 8.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes will be reinstated as though no such deposit in trust had been made. If the Company makes any payment of principal of, premium or interest on any Notes because of the reinstatement of its obligations, it will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held in trust.

ARTICLE 9

AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 9.01. *Amendments without Consent of Holders.* (a) This Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document may be amended, without the consent of any Holder, to:

- (xii) make any other change that does not materially and adversely affect the rights of any Holder; and
- (xiii) conform the text of this Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or the Security Documents to any provision of the "Term Sheet" as defined in the Creditor Support Agreement to the extent that such provision in the "Term Sheet" as defined in the Creditor Support Agreement was objectively intended to be a verbatim recitation of a provision of this Indenture, the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or the Security Documents.

Section 9.02. *Amendments with Consent of Holders.* (a) Except as provided below, amendments of this Indenture, the Intercreditor Agreement and the Security Documents may be made by the Company, the Subsidiary Guarantors and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes, and the Holders of a majority in principal amount of the outstanding Notes may waive future compliance by the Company with any provision of this Indenture or the Notes; *provided* that, no such modification, amendment or waiver may, without the consent of Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes at the time of such consent:

(ix) reduce the percentage or aggregate principal amount of outstanding Notes the consent of whose Holders is necessary for waiver of compliance with certain provisions of this Indenture or for waiver of certain defaults;

(x) amend, change or modify any Subsidiary Guarantee in a manner that adversely affects the Holders, except as provided in this Indenture;

(xi) amend, change or modify any provision of any Security Document, or any provision of this Indenture relating to the Collateral, in a manner that adversely affects the Holders, except in accordance with the other provisions of this Indenture;

(xii) reduce the amount payable upon a Change of Control Offer or an Offer to Purchase with the Excess Proceeds from any Asset Sale or change the time or manner by which a Change of Control Offer or an Offer to Purchase with the Excess Proceeds or other proceeds from any Asset Sale may be made or by which the Notes must be repurchased pursuant to a Change of Control Offer or an Offer to Purchase with the Excess Proceeds or other proceeds from any Asset Sale, whether through an amendment or waiver of provisions in the covenants, definitions or otherwise, unless such amendment, waiver or modification shall be in effect prior to the occurrence of a Change of Control Triggering Event or the event giving rise to the repurchase of the Notes under Section 4.13;

(xiii) change the redemption date or the redemption price of the Notes from that stated in Section 3.01 or Section 3.02;

(xiv) amend, change or modify the obligation of the Company or any Subsidiary Guarantor to pay Additional Amounts, except for the release of any Subsidiary Guarantee or any related Collateral pursuant to the terms of this Indenture;

(xv) rescind and annul any acceleration of the Notes as a result of an acceleration of the Long Term Loan in accordance with Section 6.02; and

(xvi) amend, change or modify any provision of this Indenture or the related definition affecting the ranking of the Notes or any Subsidiary Guarantee in a manner which adversely affects the Holders, except for the release of any Subsidiary Guarantee or any related Collateral pursuant to the terms of this Indenture or the Intercreditor Agreement.

(b) It is not necessary for Holders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof.

(c) An amendment, supplement or waiver under this Section 9.02 will become effective on receipt by the Trustee of written consents from the Holders of the requisite percentage in principal amount of the outstanding Notes. After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Company will send supplemental indentures to Holders upon request. Any failure of the Company to send such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

Section 9.03. *Limitation on Certain Amendments.* (a) Notwithstanding anything to the contrary in Section 9.02 above, unless the Stated Maturity or interest rate of the Long Term Loan or the provision of the Long Term Loan corresponding to clause (iii) of this Section 9.03(a) is correspondingly amended, no amendment of this Indenture may be made by the Company, the Subsidiary Guarantors or the Trustee to:

- (i) shorten the Stated Maturity of the principal of, or any installment of interest on, any Note;
- (ii) increase the interest rate of the Notes; or
- (iii) amend this Section 9.03.

(b) The Company shall notify the Trustee and the Holders of any amendment to the terms of the Long Term Loan that (i) shortens the Stated Maturity of the principal of, or any installment of interest on, the Long Term Loan, (ii) increases the interest rate of the Long Term Loan or (iii) amends the provision of the Long Term Loan corresponding to clause (iii) of Section 9.03(a), in each case, as soon as reasonably practicable in writing. The Trustee may rely conclusively on any such notification provided by the Company.

Section 9.04. *Effect of Consent.* (a) After an amendment, supplement or waiver becomes effective, it will bind every Holder unless it is of the type requiring the consent of each Holder affected. If the amendment, supplement or waiver is of the type requiring the consent of each Holder affected, the amendment, supplement or waiver will bind each Holder that has consented to it and every subsequent Holder of a Note that evidences the same debt as the Note of the consenting Holder.

(b) If an amendment, supplement or waiver changes the terms of a Note, the Trustee may require the Holder to deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Note and return it to the Holder, or exchange it for a new Note that reflects the changed terms. The Trustee may also place an appropriate notation on any Note thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Notes in this fashion.

Section 9.05. *Trustee's and Agent's Rights and Obligations.* Each of the Trustee and the Agents is entitled to receive, and will be fully protected in relying upon, an Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article is authorized or permitted by this Indenture and that such amendment, supplement or waiver constitutes the legal, valid and binding obligations of the party or parties executing such amendment, supplement or waiver, and an Officers' Certificate stating that all conditions precedent have been complied with. If the Trustee or the Agents, as the case may be, has received such an Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights of the Trustee or the Agents, as the case may be. Each of the Trustee and the Agents may, but is not obligated to, execute any amendment, supplement or waiver that affects the Trustee's or the Agents' own rights, duties or immunities under this Indenture.

ARTICLE 10

SECURITY TO BE GRANTED

Section 10.01. *Security to be Granted.* (a) The Company will, for the benefit of the Holders, pledge, or cause each other Chargor to pledge, in favor of the Collateral Agent, the Collateral (subject to Permitted

Liens) on the Original Issue Date in order to secure the obligations of the Company under the Notes and this Indenture and of each Subsidiary Guarantor under its Subsidiary Guarantee.

(b) Each Chargor will, for the benefit of the Holders:

(i) execute one or more Security Documents granting to the Collateral Agent, for the benefit of the Holders, Liens on the relevant Collateral (subject to any Permitted Liens);

(ii) take all requisite steps under applicable laws and undertake other customary procedures in connection with the granting, perfection (if relevant) and registration (if relevant) of the Lien on the relevant Collateral (subject to any Permitted Liens); and

(iii) deliver to the Trustee and the Collateral Agent on the Original Issue Date an Officers' Certificate stating that entry into the Security Documents has been duly and validly authorized and that (A) such action has been taken with respect to the recording, registering and filing of or with respect to this Indenture and the Security Documents and all other instruments of further assurance as is necessary to make effective the Lien (subject to Permitted Liens) created by the Security Documents in the Collateral referenced in this clause (b) and referencing the details of such action; or (B) no such action is necessary to make such Lien (subject to Permitted Liens) effective.

(c) Notwithstanding anything to the foregoing, the Company's obligation to create any Liens on any asset relating to any Specified Offshore Assets which are subject to Liens in favor of relevant Project Lender as of the Original Issue Date shall be subject to compliance with applicable laws, rules, regulations, policies or measures and receipt of all relevant regulatory, judicial and/or governmental approvals and subject to the Priority Deeds. Failure to create Liens due to the reasons set forth in the preceding sentence shall not constitute a breach of or result in a Default under the obligations set forth in clauses (a) and (b) of Section 10.01.

(d) So long as no Payment Default has occurred and is continuing, and subject to the terms of the Security Documents, the Intercreditor Agreement and this Indenture, the Chargors will be entitled to exercise any and all voting rights and to receive, retain and use any and all cash dividends, stock dividends, liquidating dividends, non-cash dividends, shares or stock resulting from stock splits or reclassifications, rights issues, warrants, options and other distributions (whether similar or dissimilar to the foregoing) in respect of Capital Stock constituting Collateral.

(e) Each Holder, by its acceptance thereof, consents and agrees to the terms of the Intercreditor Agreement and the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Trustee and the Collateral Agent to perform their respective obligations and exercise their respective rights thereunder in accordance therewith.

(f) The Trustee and each Holder, by accepting the Notes and the Subsidiary Guarantees, acknowledges that the Collateral as now or hereafter constituted shall be held for the benefit of all the Holders under the Intercreditor Agreement and the Security Documents, and that the Lien of this Indenture, the Intercreditor Agreement and the Security Documents in respect of the Trustee and the Holders is subject to and qualified and limited in all respects by the Security Documents and actions that may be taken thereunder.

(g) Notwithstanding (i) anything to the contrary contained in this Indenture, the Intercreditor Agreement, the Security Documents, the Notes or any other instrument governing, evidencing or relating to any Indebtedness, (ii) the time, order or method of attachment of any Liens, (iii) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Lien upon any Collateral, (iv) the time of taking possession or control over any Collateral or (v) the rules for determining priority under the Uniform Commercial Code or any other law of any relevant jurisdiction governing relative priorities of secured creditors, the Chargors will ensure that:

(A) the Liens granted pursuant to the Security Documents will rank at least equally and ratably with all other valid, enforceable and perfected Liens, whenever granted upon any present or future Collateral, but only to the extent such other Liens are permitted under this Indenture to exist and to rank equally and ratably with the Notes and the Subsidiary Guarantees; and

(B) all proceeds of the Collateral applied under the Security Documents shall be allocated and distributed as set forth in Section 6.11.

Section 10.02. *Certificates of the Company*. On or before a date not more than 120 days after the end of each fiscal year, as required by Section 6.08 hereof, the Company shall furnish to the Trustee a Compliance Certificate in the form of Exhibit F hereto.

Section 10.03. *Authorization of Actions to be Taken by the Trustee Under the Security Documents*.

(a) The Trustee shall be the representative on behalf of the Holders of the Notes and shall act upon the written direction of the Holders of the Notes with regard to all voting, consent and other rights granted to the Holders of the Notes under the Intercreditor Agreement and the Security Documents.

(b) Subject to the terms of the Intercreditor Agreement and the Security Documents, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding may, or the Trustee at the request of such Holders shall, instruct the Collateral Agent to take all actions it or they deem(s) necessary or appropriate in order to (A) enforce any of its rights or any of the rights of the Holders of the Notes under the Intercreditor Agreement and the Security Documents and (B) receive any and all amounts payable from the Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

(c) Subject to the terms of the Intercreditor Agreement and the Security Documents and Section 7.02(d), the Trustee shall have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interest and the interests of the Holders of the Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of the Notes or the Trustee). The Trustee is hereby irrevocably authorized by each Holder of the Notes to effect any release of Liens or Collateral contemplated by Section 10.05 hereof or by the terms of the Security Documents. The Trustee shall not be deemed to have knowledge of any acts that may be unlawful or in violation of the Security Documents or this Indenture unless and until a Responsible Officer obtains actual knowledge of such unlawful acts or violation through written notification describing the circumstances of such, and identifying the circumstances constituting such unlawful acts or violation.

(d) The Trustee will not be responsible for the adequacy of the Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

Section 10.04. *Authorization of Receipt of Funds by the Trustee Under the Security Documents*. The Trustee is authorized to receive and distribute any funds for the benefit of the Holders of the Notes under the Security Documents, and to make further distributions of such funds to the Holders of the Notes according to the provisions of this Indenture, the Intercreditor Agreement and the Security Documents.

Section 10.05. *Release of Security*. (a) Subject to the terms of the Intercreditor Agreement and the relevant Security Documents, the security created in respect of the Collateral granted under the Security Documents may only be released in certain circumstances, including:

(i) upon repayment in full of the Notes;

- (ii) upon defeasance and discharge of the Notes as provided under Section 8.01;
- (iii) upon certain dispositions of the Collateral in compliance with this Indenture;
- (iv) with respect to the security created in respect of the Designated Account (Proceeds), upon disposition of all Specified Asset and application of all amount deposited into the Designated Account (Proceeds) in accordance with this Indenture and the Intercreditor Agreement;
- (v) with respect to the Specified SSSL Shares that are subject to the SSSL Share Pledge, to the extent any relevant Net SSSL Proceeds are deposited and applied in accordance with Section 4.23 and Section 4.24; and
- (vi) with respect to the security over the Collateral pledged to secure the Notes or the Subsidiary Guarantees, upon repayment of all amounts payable under the Notes and this Indenture.

(b) Upon written request of the Company or any Subsidiary Guarantor, in connection with any sale, lease, sale and leaseback, assignment, conveyance, transfer or other disposition of assets or property permitted by this Indenture (including, without limitation, Section 4.09, 4.13 or 5.01 hereof), the Trustee shall (without notice to, or vote or consent of, any Holder) take such actions as shall be required to release its security interest in any Collateral being disposed in such disposition, to the extent necessary to permit consummation of such disposition in accordance with this Indenture, the Intercreditor Agreement and the Security Documents and the Trustee shall receive full payment therefor from the Company for any costs incurred thereby; *provided* that the Company or the other Chargor delivers to the Trustee on or prior to such proposed release of Collateral an Officers' Certificate certifying and an Opinion of Counsel stating that the release of any such security interest is permitted under the terms of this Indenture and the relevant Security Documents and that the conditions precedent to any such release have been fulfilled.

ARTICLE 11

SUBSIDIARY GUARANTEES

Section 11.01. *The Subsidiary Guarantees*. Subject to the provisions of this Article 11, each of the Subsidiary Guarantors (whether originally a signatory hereto or added pursuant to a supplemental indenture) hereby, jointly and severally, Guarantees as principal obligor to each Holder authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and this Indenture.

Section 11.02. *Guarantee Unconditional*. The obligations of each Subsidiary Guarantor hereunder will be enforceable irrespective of any invalidity, irregularity or unenforceability of the Notes or this Indenture, are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by:

- (a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under this Indenture or any Note, by operation of law or otherwise;
- (b) any modification or amendment of or supplement to this Indenture or any Note;
- (c) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in this Indenture or any Note;
- (d) the existence of any claim, set off or other rights which that Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with this Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;

(e) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of this Indenture or any Note; or

(f) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor's obligations hereunder.

Section 11.03. *Discharge; Reinstatement.* Each Subsidiary Guarantor's obligations hereunder will remain in full force and effect until the principal of, premium, if any, and interest on the Notes and all other amounts payable by the Company under this Indenture have been paid in full. If at any time any payment of the principal of, premium, if any, or interest on any Note or any other amount payable by the Company under this Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, each Subsidiary Guarantor's obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time. All payments under the Subsidiary Guarantees will be made in U.S. dollars.

Section 11.04. *Waiver by Each Subsidiary Guarantor.* Each Subsidiary Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Company or any other Person. In particular, each Subsidiary Guarantor irrevocably waives its right to require the Trustee to pursue or exhaust the Trustee's legal or equitable remedies against the Company prior to exercising the Trustee's rights under its Subsidiary Guarantee.

Section 11.05. *Subrogation and Contribution.* Upon making any payment with respect to any obligation of the Company under this Article or the Subsidiary Guarantor making such payment will be subrogated to the rights of the payee against the Company with respect to such obligation; *provided* that the Subsidiary Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Subsidiary Guarantor, with respect to such payment so long as any amount payable by the Company hereunder or under the Notes remains unpaid.

Section 11.06. *Stay of Acceleration.* If acceleration of the time for payment of any amount payable by the Company under this Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of this Indenture are nonetheless payable by the Subsidiary Guarantors hereunder forthwith on demand by the Trustee or the Holders.

Section 11.07. *Limitation on Amount of Subsidiary Guarantee.* Notwithstanding anything to the contrary in this Article, each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent conveyance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable law of any other jurisdiction. To effectuate that intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee are limited in an amount not to exceed the maximum amount that can be guaranteed by the applicable Subsidiary Guarantor without rendering the Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 11.08. *Ranking of Subsidiary Guarantees.*

The Subsidiary Guarantee of each Subsidiary Guarantor:

(a) is a general obligation of such Subsidiary Guarantor;

(b) is senior in right of payment to all future obligations of such Subsidiary Guarantor expressly subordinated in right of payment to such Subsidiary Guarantee;

(c) ranks and will rank at least *pari passu* in right of payment with all other unsecured, unsubordinated Indebtedness of such Subsidiary Guarantor (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); and

(d) is effectively subordinated to secured obligations of such Subsidiary Guarantor, to the extent of the value of the assets serving as security therefor (other than the Collateral).

Section 11.09. *Execution and Delivery of Subsidiary Guarantees* . The execution by each Subsidiary Guarantor of this Indenture (or by each Subsidiary Guarantor of a supplemental indenture in the form of Exhibit F) evidences the Subsidiary Guarantee of such Subsidiary Guarantor, whether or not the person signing as an officer of the Subsidiary Guarantor still holds that office at the time of authentication of any Note. The delivery of any Note by the Trustee after authentication constitutes due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of each Subsidiary Guarantor.

Section 11.10. *Release of the Subsidiary Guarantees* .(a) A Subsidiary Guarantee given by a Subsidiary Guarantor will be released:

(i) upon repayment in full of the Notes;

(ii) upon a defeasance as provided in Section 8.01;

(iii) upon the designation by the Company of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of this Indenture; or

(iv) upon the sale, disposition or merger of a Subsidiary Guarantor in compliance with the terms of this Indenture (including Sections Section 4.09, 4.13 and 5.01) resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (A) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Company's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (B) the proceeds from such sale, disposition or merger are used for the purposes permitted or required by this Indenture.

(b) No release and discharge of the Subsidiary Guarantee will be effective against the Trustee, any Agent or the Holders of Notes (i) if a Default or Event of Default shall have occurred and be continuing under this Indenture as of the time of such proposed release and discharge until such time as such Default or Event of Default is cured or waived and (ii) until the Company shall have delivered to the Trustee an Officers' Certificate stating that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge are authorized and permitted under this Indenture and the Security Documents. At the request of the Company, and *provided* that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge are authorized and permitted under this Indenture and the Security Documents, the Trustee will execute and deliver an instrument evidencing such release and discharge and do all such other acts and things necessary to release the Subsidiary Guarantor(s) from its (or their) obligations hereunder.

ARTICLE 12 MISCELLANEOUS

Section 12.01. *Ranking*. The Notes are (a) general obligations of the Company, (b) on the Original Issue Date, guaranteed by the Subsidiary Guarantors on a senior basis, subject to certain limitations set forth in Article 11, (c) senior in right of payment to any existing and future obligations of the Company expressly subordinated in right of payment to the Notes; (d) at least *pari passu* in right of payment against the Company with respect to all unsecured, unsubordinated Indebtedness of the Company (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); effectively subordinated

to the secured obligations of the Company, the Subsidiary Guarantors, to the extent of the value of the assets serving as security therefor (other than the Collateral); and effectively subordinated to all existing and future obligations of the Non-Guarantor Subsidiaries. Pursuant to the pledge of the Collateral by the Chargors as set forth in Article 10 and subject to the limitations described therein, the Notes (a) are entitled to a Lien on the Collateral (subject to any Permitted Liens) and (b) rank effectively senior in right of payment to unsecured obligations of the Company with respect to the value of the Collateral pledged by the Company securing the Notes (subject to any priority rights of such unsecured obligations pursuant to applicable law).

Section 12.02. *Notices.* (a) All notices or demands required or permitted by the terms of the Notes or this Indenture to be given to or by the Holders are required to be in writing and may be given or served by being sent by prepaid courier or by being deposited, first-class postage prepaid, in the United States or mails or by electronic transmission, if intended for the Company or any Subsidiary Guarantor, addressed to the Company at the Corporate Trust Office or the Principal Office, or if intended for the Trustee or the Paying and Transfer Agent, addressed to the Trustee or the Paying and Transfer Agent, as the case may be, at the Corporate Trust Office or the Principal Office (attention to Debt Capital Markets team) or via-email to dcm@glas.agency and apacdcn@glas.agency, as the case may be; and, if intended for any Holder, addressed to such Holder at such Holder's last address as it appears in the Note register. Copies of any notice or communication to a Holder, if given by the Company, will be mailed to the Trustee at the same time. Defect in mailing a notice or communication to any particular Holder will not affect its sufficiency with respect to other Holders.

(b) Any notice or demand will be deemed to have been sufficiently given or served when so sent or deposited and, if to the Holders, when delivered in accordance with the applicable rules and procedures of Euroclear or Clearstream, as the case may be. Any such notice shall be deemed to have been delivered on the day such notice is delivered to Euroclear or Clearstream, as the case may be, or if by mail, when so sent or deposited. Any notice to the Trustee will be effective only upon receipt.

(c) Where this Indenture provides for notice, the notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and the waiver will be the equivalent of the notice. Waivers of notice by Holders must be filed with the Trustee, but such filing is not a condition precedent to the validity of any action taken in reliance upon such waivers.

Section 12.03. *Certificate and Opinion as to Conditions Precedent.* (a) Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company will furnish to the Trustee at the Trustee's request:

- (i) an Officers' Certificate stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with;
- (ii) an Opinion of Counsel stating that all such conditions precedent have been complied with; and
- (iii) an incumbency certificate giving the names and specimen signatures of Authorized Officers for any such Authorized Officers who have not previously provided specimen signatures to the Trustee.

(b) In any case where several matters are required to be certified by, or covered by an Opinion of Counsel of, any specified Person, it is not necessary that all such matters be certified by, or covered by the Opinion of Counsel of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an Opinion of Counsel with respect to some matters and one or more such Persons as to other matters, and any such Person may certify or give an Opinion of Counsel as to such matters in one or several documents.

(c) Any certificate of an Officer of the Company or any Subsidiary Guarantor may be based, insofar as it relates to legal matters, upon an Opinion of Counsel, unless such Officer knows, or in the

exercise of reasonable care should know, that such Opinion of Counsel with respect to the matters upon which his certificate is based are erroneous. Any Opinion of Counsel may be based, and may state that it is so based, insofar as it relates to factual matters, upon a certificate of, or representations by, an officer or officers of the Company or a Subsidiary Guarantor stating that the information with respect to such factual matters is in the possession of the Company or such Subsidiary Guarantor, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or representations with respect to such matters are erroneous.

(d) Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Section 12.04. *Statements Required in Certificate or Opinion.* Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture must include:

(a) a statement that each person signing the certificate or opinion has read the covenant or condition and the related definitions;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statement or opinion contained in the certificate or opinion is based;

(c) a statement that, in the opinion of each such person, that person has made such examination or investigation as is necessary to enable the person to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(d) a statement as to whether or not, in the opinion of each such person, such condition or covenant has been complied with, *provided* that an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials with respect to matters of fact.

Section 12.05. *Payment Date Other Than a Business Day.* If any payment with respect to a payment of any principal of, premium, if any, or interest on any Note (including any payment to be made on any date fixed for redemption or purchase of any Note) is due on a day which is not a Business Day, then the payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest will accrue for the intervening period.

Section 12.06. *Governing Law, Consent to Jurisdiction; Waiver of Immunities.* (a) Each of the Notes, the Subsidiary Guarantees and this Indenture shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) The Company and each of the Subsidiary Guarantors hereby irrevocably and unconditionally submits to the non-exclusive jurisdiction of any New York State or United States Federal court sitting in the Borough of Manhattan, the City of New York over any suit, action or proceeding arising out of or relating to this Indenture, any Note, any Subsidiary Guarantee or any transaction contemplated hereby or thereby. The Company and each of the Subsidiary Guarantors irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum. To the extent that the Company or any Subsidiary Guarantor as the case may be, has or hereafter may acquire any sovereign or other immunity from jurisdiction of any court or from any legal process with respect to itself or its property, the Company or such Subsidiary Guarantor, irrevocably waives such immunity in respect of its obligations hereunder or under any Note or any Subsidiary Guarantee. The Company and each of the Subsidiary Guarantors agree that final judgment in any such suit, action or proceeding, brought in such a court shall be conclusive and binding upon the Company or the Subsidiary Guarantor, and, to the extent permitted by applicable law, may be enforced in any court to the jurisdiction of which the Company or any of the Subsidiary Guarantors, is subject by a suit upon such judgment or in any manner provided by law, *provided*

that service of process is effected upon the Company or any of the Subsidiary Guarantors, in the manner specified in the following subsection or as otherwise permitted by applicable law.

(c) As long as any of the Notes remain outstanding, the Company and each of the Subsidiary Guarantors will at all times have an authorized agent in the Borough of Manhattan, the City of New York, upon whom process may be served in any legal action or proceeding arising out of or relating to this Indenture, any Note or any Subsidiary Guarantee. Service of process upon such agent and written notice of such service mailed or delivered to the Company or any Subsidiary Guarantor, as the case may be, shall to the fullest extent permitted by applicable law be deemed in every respect effective service of process upon the Company or such Subsidiary Guarantor, in any such legal action or proceeding. The Company and each of the Subsidiary Guarantors hereby appoints Cogency Global Inc. as its agent for such purpose, and covenants and agrees that service of process in any suit, action or proceeding may be made upon it at the office of such agent at 122E 42nd Street, 18th Floor, New York, NY 10016, United States. Notwithstanding the foregoing, the Company or any Subsidiary Guarantor may, with prior written notice to the Trustee, terminate the appointment of Cogency Global Inc. and appoint another agent for the above purposes so that the Company and the Subsidiary Guarantors shall at all times have an agent for the above purposes in the Borough of Manhattan, the City of New York. The Company and each of the Subsidiary Guarantors hereby agree to take any and all action as may be necessary to maintain the designation and appointment of an agent in full force and effect until the Final Maturity Date (or earlier, if the Notes are prepaid in full).

(d) The Company and each of the Subsidiary Guarantors hereby irrevocably waives, to the fullest extent permitted by applicable law, any requirement or other provision of law, rule, regulation or practice which requires or otherwise establishes as a condition to the institution, prosecution or completion of any suit, action or proceeding (including appeals) arising out of or relating to this Indenture or any Note or any Subsidiary Guarantee, the posting of any bond or the furnishing, directly or indirectly, of any other security.

Section 12.07. *No Adverse Interpretation of Other Agreements.* This Indenture may not be used to interpret another indenture or loan or debt agreement of the Company or any Subsidiary of the Company, and no such indenture or loan or debt agreement may be used to interpret this Indenture. In addition, no other agreement or document may be used to interpret this Indenture with regard to any rights, duties or obligations of the Trustee created hereunder.

Section 12.08. *Successors.* All agreements of the Company or any Subsidiary Guarantor in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successor.

Section 12.09. *Duplicate Originals.* The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

Section 12.10. *Separability.* In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.11. *Table of Contents and Headings.* The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and in no way modify or restrict any of the terms and provisions of this Indenture.

Section 12.12. *No Personal Liability of Incorporators, Stockholders, Officers, Directors or Employees.* No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company or any of the Subsidiary Guarantors in this Indenture, any of the Notes or any of the Subsidiary Guarantees, or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Company, any of the Subsidiary Guarantors, or of any successor Person thereof. Each Holder, by

accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Subsidiary Guarantees.

Section 12.13. *Force Majeure* . Notwithstanding anything to the contrary in this Indenture or in any other transaction document, the Trustee shall not in any event be liable for any loss or damage, or any failure or delay in the performance of its obligations hereunder if it is prevented from so performing its obligations by any reason which is beyond the control of the Trustee, including, but not limited to (i) an act of God, fire, epidemic, explosion, floods, earthquakes, typhoons; (ii) riot, civil commotion or unrest, insurrection, terrorism, war, strikes or lockouts; nationalisation, expropriation or other governmental actions; (iii) any law, order or regulation of a governmental, supranational or regulatory body; (iv) regulation of the banking or securities industry including changes in market rules, currency restrictions, devaluations or fluctuations; (v) market conditions affecting the execution or settlement of transactions or the value of assets; and (vi) breakdown, failure or malfunction of any telecommunications, computer services or systems, or other causes to which the Trustee is subject.

Section 12.14. *USA Patriot Act* . The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. PATRIOT Act.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, Guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

FORM OF REVERSE OF CERTIFICATED NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2034

1. Principal and Interest.

The Company promises to pay the principal of this Note on January 21, 2034.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 6 and July 6 immediately preceding an Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare

dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture, or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

1. We have received such information as we deem necessary in order to make our investment decision.

2. We understand that any subsequent transfer of the Notes is subject to certain restrictions and conditions set forth in the Indenture and the Notes and the undersigned agrees to be bound by, and not to resell, pledge or otherwise transfer the Notes except in compliance with, such restrictions and conditions and the United States Securities Act of 1933, as amended (the “**Securities Act**”).

4. We understand that, on any proposed resale of any Notes, we will be required to furnish to the Company such certifications, legal opinions, and other information (including a letter substantially similar to this one from any purchaser who is an institutional accredited investor) as it may reasonably require to confirm that the proposed sale complies with the foregoing restrictions. SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee or the Authenticating Agent under the Indenture by manual or electronic signature of one of its authorized officers.

LIST OF SUBSIDIARY GUARANTORS

*[List all Subsidiary Guarantors if the Global Note
is issued subsequent to the Original Issue Date]*

FORM OF REVERSE OF GLOBAL NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2034

1. Principal and Interest.

The Company promises to pay the principal of this Note on January 21, 2034.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare

dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

*[List all Subsidiary Guarantors if the Global Note
is issued subsequent to the Original Issue Date]*

FORM OF REVERSE OF GLOBAL NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

Variable Rate Senior Notes Due 2034

1. Principal and Interest.

The Company promises to pay the principal of this Note on January 21, 2034.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare

dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

Variable Rate Senior Notes Due 2034

1. Principal and Interest.

The Company promises to pay the principal of this Note on January 21, 2034.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0%/3.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in cash (such interest, “**Cash Interest**”), unless the Company elects by giving notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to the Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date to pay such interest in paid-in-kind interest (such interest, “**PIK Interest**”) instead of Cash Interest, *provided that*:

(i) with respect to any accrued and unpaid interest during the first six-year period commencing on and from the Original Issue Date, the Company may elect to pay the interest in PIK Interest by increasing the principal amount of the Notes by the amount of such PIK Interest accrued for such interest period, *provided further* that (x) with respect to any accrued and unpaid interest for any period commencing on and from the Original Issue Date, the Company shall pay Cash Interest at a rate of at least 0.1% per annum, and (y) the Company shall only elect to pay any portion of interest in Cash Interest (other than the Cash Interest referred to in (x) hereof) to the extent an election of the same rate of Cash Interest (other than the Cash Interest referred to in (x) hereof) is made for the Loan Term Loan; and

(ii) with respect to any accrued and unpaid interest during the period from the sixth anniversary of the Original Issue Date to the Final Maturity Date, the Company shall pay Cash Interest.

If the Company pays interest payable on an Interest Payment Date entirely in Cash Interest, such Cash Interest shall be computed based on the outstanding principal amount of this Note at the rate of 2.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

If the Company elects to pay any interest payable on an Interest Payment Date in PIK Interest, interest shall be computed based on the outstanding principal amount of this Note at the rate of 3.0% per annum (x) from and including the Original Issue Date, or the most recent Interest Payment Date on which Cash Interest or PIK Interest has been paid or duly provided for (y) to (but excluding) such Interest Payment Date, payable on such Interest Payment Date.

Interest on this Note will accrue from the most recent date on which interest has been paid on this Note (or, if there is no existing default in the payment of interest and if this Note is authenticated between a regular record date and the next interest payment date, from such interest payment date) or, if no interest has been paid, from the Original Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

The Company will furnish a copy of the Indenture to any Holder upon written request and without charge.

Variable Rate Senior Notes Due 2034 of Shimao Group Holdings Limited (世茂集團控股有限公司)

Reference is hereby made to the Indenture dated as of July 21, 2025 (the “**Indenture**”) among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “**Company**”), the entities listed in Schedule I to the Indenture (the “**Subsidiary Guarantors**”) and GLAS Trust Company LLC (the “**Trustee**”). Terms used herein are used as defined in the Indenture.

The Company hereby appoints GLAS Trust Company LLC as the paying agent and transfer agent (the “**Paying and Transfer Agent**”), the authenticating agent (the “**Authenticating Agent**”) and as the registrar (the “**Registrar**,” together with the Paying and Transfer Agent and the Authenticating Agent, the “**Agents**”) with respect to the Notes and each Agent hereby accepts such appointment. By accepting such appointment, each Agent agrees to be bound by and to perform the services with respect to itself set forth in the terms and conditions set forth in the Indenture and the Notes, as well as the following terms and conditions to all of which the Company agrees and to all of which the rights of the Holders from time to time of the Notes shall be subject:

(a) The Company, no later than 9:00 a.m. (New York City time) on the Business Day immediately preceding each date on which a payment in respect of the Notes becomes due, shall (i) transfer (or cause to be transferred) to the Paying and Transfer Agent in the currency of United States of America in immediately available and cleared funds such amount as may be required for the purposes of such payment and (ii) notify the Paying and Transfer Agent and the Registrar of such transfer. The Company, no later than 9:00 a.m. (New York City time) on the third Business Day immediately preceding each date on which any payment in respect of the Notes becomes due, shall confirm such payment instructions to the Paying and Transfer Agents. The Paying and Transfer Agent shall not be bound to make payment until immediately available and cleared funds in such amount as may be required for the purpose of such payment have been received from the Company.

(b) Each Agent shall be entitled to the compensation to be agreed upon in writing with the Company and the Subsidiary Guarantors, jointly and severally, for all services rendered by it under the Indenture, and the Company and the

Subsidiary Guarantors, jointly and severally, agree promptly to pay such compensation and to reimburse each Agent for its out-of-pocket expenses (including fees and expenses of counsel) incurred by it in connection with the services rendered by it under the Indenture. The Company and each of the Subsidiary Guarantors jointly and severally hereby agree to indemnify each Agent and each of its officers, directors, agents and employees and any successors thereto for, and to hold each of them harmless against, any loss, liability or expense (including reasonable fees and expenses of counsel) incurred without negligence or willful misconduct on its part arising out of or in connection with their acting as the relevant Agent hereunder. The obligations of the Company and the Subsidiary Guarantors under this paragraph (b) shall survive the payment of the Notes, the termination or expiry of the Indenture or this letter and the resignation or removal of the relevant Agent. Under no circumstances will any Agent be liable to the Company or any other party to this letter or the Indenture for any indirect consequential punitive or special damages, even if advised of the possibility of such loss or damage.

(c) In acting under the Indenture and in connection with the Notes, each Agent is acting solely as agent of the Company and does not assume any obligation towards or relationship of agency or trust for or with any of the owners or Holders of the Notes, except that all funds held by the Paying and Transfer Agent for the payment of principal interest or other amounts (including Additional Amounts) on, the Notes shall, subject to the provisions of the Indenture, be held in trust by the Paying and Transfer Agent and applied as set forth in the Indenture and in the Notes, but need not be segregated from other funds held by the Paying and Transfer Agent, except as required by law.

(d) Any Agent may consult with counsel satisfactory to it and any advice or written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it under the Indenture in good faith and in accordance with such advice or opinion.

(e) Each Agent shall be fully protected and shall incur no liability for or in respect of any action taken or omitted to be taken or thing suffered by it in reliance upon any Note, notice, direction, consent, certificate, affidavit, statement or other paper or document reasonably believed by it to be genuine and to have been presented or signed by the proper party or parties.

(f) The Paying and Transfer Agent will hold all sums received by it as such for the payment of the principal of, or premium or interest on, the Notes (whether such sums have been paid to it by or on behalf of the Company or by any other obligor on the Notes or any Subsidiary Guarantee) in trust for the benefit of the Holders or of the Trustee. The Paying and Transfer Agent and any of their Affiliates, in their individual capacity or any other capacity, may become the owner of, or acquire any interest in, any Notes or other obligations of the Company with the same rights that each of them would have if they were not the Paying and Transfer Agent, and may engage or be interested in any financial or other transaction with the Company, and may act on, or as depository, Trustee or agent for, any committee or body of Holders of Notes or other obligations of the Company, as freely as if they were not the Paying and Transfer Agent.

(g) The Paying and Transfer Agent shall give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes, the Subsidiary Guarantees) to make any payment of the principal of, or premium or interest on, the Notes and any other payments to be made on behalf of the Company under the Indenture, when the same shall be due and payable and at any time during the continuance of any such failure the Paying and Transfer Agent will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request.

(h) The Paying and Transfer Agent shall not be under any liability for interest on any monies received by it pursuant to any of the provisions of the Indenture or the Notes.

(i) Each Agent shall be obligated to perform such duties and only such duties as are in the Indenture and the Notes specifically set forth, and no implied duties or obligation shall be read into the Indenture or the Notes against any Agent. None of the Agents shall be under any obligation to take any action under the Indenture which may tend to involve it in any expense or liability, the payment of which within a reasonable time is not, in its reasonable opinion, assured to it.

The Paying and Transfer Agent shall have no obligation to expend its own funds or otherwise incur any financial liability in the performance of its obligations hereunder or under the Indenture. Notwithstanding anything contained herein to the contrary, the obligations of the Agents under this letter are several and not, and shall under no circumstances be deemed to be, joint. Notwithstanding anything else herein contained, any Agent may refrain without liability from doing anything that would or might in its opinion following advice in writing by legal counsel of international repute be contrary to any law of any state or jurisdiction (including but not limited to the jurisdiction of the law of this letter and of any Agent's formation, the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its opinion following advice in writing by legal counsel of international repute, necessary to comply with any such law, directive or regulation.

(j) Any Agent may at any time resign by giving written notice of its resignation to the Company and the Trustee and specifying the date on which its resignation shall become effective; *provided* that such date shall be at least 60 days after the date on which such notice is given unless the Company agrees to accept shorter notice. Upon receiving such notice of resignation, if required by the Indenture the Company shall promptly appoint a successor agent by written instrument substantially in the form hereof in triplicate signed on behalf of the Company, one copy of which shall be delivered to the resigning Agent, one copy to the successor agent and one copy to the Trustee. Upon the effectiveness of the appointment of a successor agent, the retired Agent shall have no further obligations under this letter or the Indenture.

Such resignation shall become effective upon the earlier of (i) the effective date of such resignation and (ii) the acceptance of appointment by the successor agent, as provided below. The Company may, at any time and for any reason, remove any Agent and appoint a successor agent, by written instrument in triplicate signed on

behalf of the Company, one copy of which shall be delivered to the Agent being removed, one copy to the successor agent and one copy to the Trustee. Any removal of any Agent and any appointment of a successor agent shall become effective upon acceptance of appointment by the successor agent as provided below. Upon its resignation or removal, the relevant Agent shall be entitled to the payment by the Company of its compensation for the services rendered hereunder and to the reimbursement of all reasonable out-of-pocket expenses incurred in connection with the services rendered by it hereunder.

The Company shall remove an Agent and appoint a successor agent if such Agent (i) shall become incapable of acting, (ii) shall be adjudged bankrupt or insolvent, (iii) shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, (iv) shall consent to, or shall have had entered against it a court order for, any such relief or to the appointment of or taking possession by any such official in any involuntary case or other proceedings commenced against it, (v) shall make a general assignment for the benefit of creditors or (vi) shall fail generally to pay its debts as they become due.

Any successor agent appointed as provided herein shall execute and deliver to its predecessor and to the Company and the Trustee an instrument accepting such appointment (which may be in the form of an acceptance signature to the letter of the Company appointing such agent) and thereupon such successor agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as the relevant Agent and such predecessor shall pay over to such successor agent all monies or other property at the time held by it hereunder.

If no successor is appointed by the Company within 30 days of the resignation or removal of an Agent, (i) the retiring Agent may recommend a successor agent to the Company for its approval, and, within 30 days from the date of the recommendation by the retiring Agent, the Company shall either approve and obtain written acceptance of appointment from such recommended agent or appoint another successor agent of its own choice and obtain written acceptance of appointment from such other successor agent, or (ii) the retiring Agent or the Company may petition any court of competent jurisdiction for the appointment of a successor agent.

(k) Notwithstanding anything contained herein to the contrary, each of the Company and the Subsidiary Guarantors hereby irrevocably agrees that any and all of the rights and obligations of any Agent (except the Trustee) and, to the extent applicable, the obligations of the Company toward any Agent (except the Trustee) set forth in the Indenture shall be deemed to have been included in this letter.

(l) Notwithstanding anything contained herein to the contrary, the obligations of the Agents under this letter are not joint and should be independently construed and each of the Paying and Transfer Agent shall not be liable for each other's acts or omissions to act.

(m) Each Agent shall at all times be a responsible financial institution which is authorized by law to exercise its respective powers and duties hereunder and under the Indenture and the Notes.

(n) Each Agent shall comply with all applicable withholding, information reporting and backup withholding tax requirements under the U.S. Internal Revenue Code of 1986, as amended, and the Treasury regulations issued thereunder in respect of any payment on, or in respect of, a Note or under the Subsidiary Guarantee (including the collection of IRS Form W-8 ECI, IRS Form W-8 BEN and IRS Form W-9, as the case may be, and the filing of IRS Form 1099 and IRS Form 1096).

(o) The parties hereto agree that if any payments of interest or principal under the Notes become subject to U.S. withholding tax pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended, the parties hereto shall use commercially reasonable efforts to cooperate in good faith and to share such relevant and applicable information to the extent practicable or make such amendments or modifications to this letter as are necessary to permit the parties to fulfill their withholding and reporting obligations thereunder, *provided* that the Agents shall not be obligated to identify whether such withholding is applicable or assist any other party in fulfilling its withholding and reporting obligations thereunder.

(p) Each Agent will treat information relating to the Company and the Subsidiary Guarantors as confidential, but (unless consent is prohibited by law) each of the Company and the Subsidiary Guarantors consents to the transfer and disclosure by any Agent of any information relating to the Company and the Subsidiary Guarantors to and between branches, subsidiaries, representative offices, affiliates and agents of such Agent and third parties selected by any of them, wherever situated, for internal use only (including in connection with the provision of any service and for data processing, statistical and risk analysis purposes). Each Agent and any branch, subsidiary, representative office, affiliate, agent or third party may transfer and disclose any such information as required by any law, court regulator or legal process. To the extent the Company and the Subsidiary Guarantors provide any information regarding third parties to any Agent, the Company and the Subsidiary Guarantors shall provide any necessary information to, and obtain any necessary consents from, such third parties to allow any transfer, disclosure and use of such information by such Agent.

Each party shall, within twenty Business Days of a written request by another party, supply to such other party(ies) such forms, documentation and other information relating to it, its operations, or the Notes as such other party(ies) reasonably requests for the purposes of such other party(ies)'s compliance with Applicable Law and shall notify the relevant other party(ies) reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; *provided, however*, that no party shall be required to provide any forms, documentation or other information pursuant to this Clause to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party

and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality.

(q) Any notice or communication to the Agents will be deemed given when sent by electronic transmission, with transmission confirmed. Any notice to the Agents will be effective only upon receipt. The notice or communication to the Agents should be given as follows:

FORM OF COMPLIANCE CERTIFICATE

This Compliance Certificate is delivered pursuant to Section 10.02 of the Indenture, dated as of July 21, 2025, as amended, supplemented or modified from time to time (the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “**Company**”), the entities listed in Schedule I thereto (the “**Subsidiary Guarantors**”) and GLAS Trust Company LLC, as trustee (the “**Trustee**”). Terms defined in the Indenture are used herein as therein defined.

Each of the undersigned hereby certifies to the Trustee as follows:

(a) I am the duly elected, qualified and acting [title] or [title], as the case may be, of the Company.

(b) I have reviewed and am familiar with the contents of this Compliance Certificate.

(c) I have reviewed the terms of the Indenture, the Intercreditor Agreement and the Security Documents and have made or caused to be made under my supervision, a review in reasonable detail of the Collateral and the condition of the Collateral. Such review did not disclose the existence during or at the end of the annual period covered by this Compliance Certificate, and I have no knowledge of the existence as of the date of this Compliance Certificate, of any condition or event which would impair the perfected security interest created by the Indenture and the Security Documents with at least the priority of such security interest on the Original Issue Date[, except as set forth below].

(d) Based upon the advice of counsel, all action has been taken with respect to the recording, registering, filing, re-recording, registering and re-filing of all supplemental indentures, financing statements, continuation statements or other instruments of further assurance as may be necessary to maintain the Liens granted pursuant to the Security Documents to the extent required by the Security Documents, if any [and, if necessary, reciting the details of such action].

(e) Since the Original Issue Date:

(1) neither the Company nor any Subsidiary Guarantor has changed its jurisdiction of organization, name, identity or corporate structure to such an extent that any financing statement or other Security Document filed by or on behalf of the Trustee would become misleading; the Company has provided such assistance to the Trustee with respect to any re-filing, re-recording or continuation of documentation with respect to the Collateral as necessary to maintain such security interest in the Collateral in favor of the Trustee on behalf of the Holders of Notes.

(2) except, in each case, (i) any of the foregoing that has been previously disclosed to the Trustee in accordance with the Indenture and any relevant Security Document and in respect of which the Company and each

Subsidiary Guarantor have delivered to the Trustee all required documents and other filings required to maintain the perfection and priority of the Trustee's security interest in the Collateral after giving effect to such event, in each case as required by the Indenture and the relevant Security Documents and (ii) any of the foregoing described in Attachment 1 hereto in respect of which the Company or the Subsidiary Guarantor is delivering to the Trustee herewith all required statements and other filings required to maintain the perfection and priority of the Trustee's security interest in the Collateral after giving effect to such event, in each case as required by the Indenture and the relevant Security Documents.

(f) That a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under the Indenture, in each case since the Original Issue Date, [and that the Company and the Subsidiary Guarantor have been since the Original Issue Date and are in compliance with all obligations under the Indenture]/[if there has been a default in the fulfillment of any obligation under the Indenture, specifying each such default and the nature and status thereof.]

(g) During the annual period covered by this Compliance Certificate, to my actual knowledge, the following transactions occurred as an Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness or are subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) of the Indenture as transactions for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as requested or required by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measure:

[insert a brief description of the value and parties to the transaction, if any]]

Except as the aforesaid, during the annual period covered by this Compliance Certificate, there has been no other request or requirement by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures that has resulted in any transaction that (i) would qualify as an Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness; or (ii) be subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) of the Indenture.

IN WITNESS WHEREOF, the undersigned has executed this Compliance Certificate as of the date set forth below.

Upon the execution and delivery of this Indenture, or from time to time thereafter, Notes may be executed and delivered by the Company, with the Subsidiary Guarantees endorsed thereon by the Subsidiary Guarantors, in an aggregate principal amount outstanding of not more than US\$[●] (other than Notes issued pursuant to Section 2.10 or created as a result of payment of PIK Interest) to the Trustee or an Authenticating Agent for authentication, accompanied by an Officers’ Certificate of the Company directing such authentication and specifying the amount of Notes (with the Subsidiary Guarantees endorsed thereon) to be authenticated, the applicable rate at which interest will accrue on such Notes, the date on which the original issuance of such Notes (with the Subsidiary Guarantees endorsed thereon) is to be authenticated, the date from which interest will begin to accrue, the date or dates on which interest on such Notes will be payable and the date on which the principal of such Notes will be payable and other terms relating to such Notes and the Subsidiary Guarantees. Until the Trustee and the Authenticating Agent receive a subsequent Authorization Certificate, the Trustee and the Authenticating Agent shall be entitled to conclusively rely on the last Authorization Certificate delivered to them for purposes of determining the Authorized Officers. Typographical and other minor errors or defects in any signature shall not affect the validity or enforceability of any Note which has been duly authenticated and delivered by the Trustee or by the Authenticating Agent on behalf of the Trustee.

(b) In case the Authorized Officers who shall have signed any of the Notes or any of the Subsidiary Guarantees thereon, as applicable, shall cease to be such Authorized Officers before the Note (with the Subsidiary Guarantees endorsed thereon) shall be authenticated and delivered by the Trustee or by the Authenticating Agent on behalf of the Trustee or disposed of by or on behalf of the Company, such Note (with the Subsidiary Guarantees endorsed thereon) nevertheless may be authenticated and delivered or disposed of as though the Persons who signed such Note and the Subsidiary Guarantees had not ceased to be such Authorized Officers; and any Note may be signed on behalf of the Company and any Subsidiary Guarantee may be signed on behalf of the Subsidiary Guarantors, by such Persons as, at the actual date of the execution of such Note and Subsidiary Guarantee, shall be Authorized Officers, although at the date of the execution and delivery of this Indenture any such Persons were not Authorized Officers.

For so long as any of the Notes are listed on the SGX-ST and the rules of the SGX-ST so require, the Notes will be traded on the SGX-ST in a minimum board lot size of S\$200,000. For the purposes of the International Central Securities Depositories, the denomination of the Notes should be considered as US\$1 or any amount in excess thereof which is an integral multiple of US\$1. Persons exchanging interests in the Global Notes for Certificated Notes will be required to provide to the Registrar, through the relevant clearing system, written

Furthermore, any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by Euroclear and Clearstream (or their respective agents) and that ownership of a beneficial interest in the Note shall be required to be reflected in a book entry. At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination and of a like aggregate principal amount, by written application to the Registrar substantially in the form of Exhibit B upon surrender of the Notes to be exchanged to the Registrar. When Notes are presented to the Registrar with a request to register the transfer or to exchange them for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested if the requirements for such transactions set forth herein are met. (b) Transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to the Common Depositary, its successors or their respective nominees. Interests of beneficial owners in a Global Note may be transferred, and transfers increasing or decreasing the aggregate principal amount of Global Notes may be conducted only in accordance with the rules and procedures of the Euroclear and Clearstream. In addition, Certificated Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in the Global Note under the circumstances set forth in Section 2.04(e).

(c) In connection with the transfer of an entire Global Note to beneficial owners pursuant to clause (b) of this Section 2.06, the Global Note shall be deemed to be surrendered to the Paying Agent for cancellation, and the Company shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Common Depositary in exchange for its beneficial interest in the Global Note, an equal aggregate principal amount of Certificated Notes of authorized denominations.

(d) The registered holder of a Global Note may grant proxies and otherwise authorize any Person to take any action which a Holder is entitled to take under this Indenture or the Notes.

Section 2.07. Special Transfer Provisions. Subject to Section 2.04, unless and until the relevant Private Placement Legend is removed from a Certificated Note or a Global Note pursuant to paragraph (a) below, the following additional provisions shall apply to the proposed transfer, exchange or replacement of the Certificated Note or, to the extent relevant to the Trustee, the Registrar or the Common Depositary, any beneficial interest in a Global Note:

(a) Upon the registration of transfer, exchange or replacement of Notes bearing a Private Placement Legend, the Registrar shall deliver only Notes that bear the same Private Placement Legend unless the requested transfer, exchange or replacement there is delivered to the Registrar an Opinion of

Counsel reasonably satisfactory to the Company to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Upon the registration of transfer, exchange or replacement of Notes not bearing a Private Placement Legend, the Registrar shall deliver Notes that do not bear a Private Placement Legend.

(b) By its acceptance of any Note bearing a Private Placement Legend, each Holder of such a Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in such Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture. The Registrar shall not register a transfer of any Note unless such transfer complies with the restrictions on transfer of such Note set forth in this Indenture. In connection with any transfer of Notes, each Holder agrees by its acceptance of the Notes to furnish the Registrar or the Company such certifications, legal opinions or other information as either of them may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act; *provided* that the Registrar shall not be required to determine (but may rely on a determination made by the Company with respect to) the sufficiency of any such certifications, legal opinions or other information.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.06 or this Section 2.07 in accordance with its customary procedures. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

(c) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Common Depositary participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.08. *PIK Notes.* (a) Interest on the Notes are payable entirely in paid-in-kind interest (the “**PIK Interest**”). If the Company pays PIK Interest as set forth in the Notes, the Company must (i) give notice in writing to the Trustee, the Paying and Transfer Agent and the Holders (substantially in the form of Exhibit H to this Indenture) not less than 5 Business Days prior to the relevant Interest Payment Date and (ii) increase the outstanding principal amount of the Global Notes or issue additional Certificated Notes as applicable (in each case, “**PIK Notes**”) having an aggregate principal amount equal to the amount of interest then due and owing as PIK Interest as follows:

(i) with respect to Notes represented by a Global Note, by increasing the principal amount of such Global Note, effective as of the applicable Interest Payment Date, by an amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest US\$1); and

(ii) with respect to Notes represented by a Certificated Note, by issuing PIK Notes in the form of a Certificated Note, dated as of the applicable Interest Payment Date, in an aggregate principal amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest US\$1).

(b) Following an increase in the principal amount of the outstanding Global Notes as a result of a payment of PIK Interest in the form of PIK Notes, the Global Notes will bear interest on such increased principal amount from and including the applicable Interest Payment Date. Any PIK Notes issued in the form of Certificated Notes will be dated as of the applicable Interest Payment Date and will bear interest from and including such date. The PIK Notes are identical to the Notes for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and mandatory offers to purchase (except that interest will begin to accrue on the PIK Notes from and including the date they are issued), and will be consolidated and form a single class with the Notes. References to “principal amount” of the Notes shall

include any increase in the principal amount of the outstanding Notes as a result of the payment of PIK Interest.

(c) To the extent PIK Notes are issued in the form of Certificated Notes as contemplated by Section 2.08(a)(ii), the Trustee or an Authenticating Agent will, at the request of the Company, authenticate and deliver any PIK Notes in the form of Certificated Notes for original issuance to the Holders of Certificated Notes on the relevant Interest Record Date in accordance with this Indenture. PIK Notes in the form of Certificated Notes will be issued in minimum denominations of US\$1 and integral multiples of US\$1 in excess thereof but may only be transferred in denominations of US\$1 and integral multiples of US\$1 in excess thereof. Notwithstanding the foregoing, for the purpose of Euroclear and Clearstream, the denominations are considered as US\$1. For the avoidance of doubt, neither Euroclear nor Clearstream is required to monitor or enforce the minimum amount.

Section 2.09. *Mutilated, Defaced, Destroyed, Stolen and Lost Notes.* (a) The Company shall execute and deliver to the Paying and Transfer Agent Certificated Notes in such amounts and at such times as to enable the Paying and Transfer Agent to fulfill its responsibilities under this Indenture and the Notes.

(b) In case any Note shall become mutilated, defaced or be apparently destroyed, lost or stolen, upon the request of the registered holder thereof, the Company in its discretion may execute, and, upon the written request of Authorized Officers of the Company, the Trustee or an Authenticating Agent shall authenticate and deliver, a new Note (with each Subsidiary Guarantee endorsed thereon), bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated or defaced Note, or in lieu of and substitution for the Note so apparently destroyed, lost or stolen. In every case the applicant for a substitute Note shall furnish to the Company, the Subsidiary Guarantors and the Trustee, and any agent of the Company, the Subsidiary Guarantors or the Trustee such security or indemnity as may be required by each of them to indemnify and defend and to save each of them harmless and, in every case of destruction, loss or theft, evidence to their satisfaction of the apparent destruction, loss or theft of such Note and of the ownership thereof. Upon the issuance of any substitute Note, such Holder, if so requested by the Company, the Subsidiary Guarantors or the Trustee, or any agent thereof, will pay a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee or its agent(s)) connected with the preparation and issuance of the substitute Note. The Trustee is hereby authorized, in accordance with and subject to the foregoing conditions in this clause (b), to authenticate and deliver, or cause the authentication and delivery of, from time to time, Notes (with each Subsidiary Guarantee endorsed thereon) in exchange for or in lieu of Notes (with each Subsidiary Guarantee endorsed thereon), respectively, which become mutilated, defaced, destroyed, stolen or lost. Each Note delivered in exchange for or in lieu of any Note shall carry all the rights to principal, premium (if any), interest (including rights to accrued and unpaid interest and Additional Amounts) which were carried by such Note.

(c) Mutilated or defaced Certificated Notes must be surrendered before replacements will be issued. In the event any such mutilated, defaced, destroyed, lost or stolen certificate has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new certificate, pay such Notes.

Section 2.10. *Further Issues.* Subject to the covenants described in Article 4 and in accordance with the terms hereof, the Company may, from time to time, without notice to or the consent of the Holders, create and issue additional notes (the “**Additional Notes**”) having the same terms and conditions as the Notes (including the benefit of the Subsidiary Guarantees and the Collateral) in all respects (or in all respects except for the issue date, issue price and the date of the first payment of interest on them and, to the extent necessary, certain temporary securities law transfer restrictions) (a “**Further Issue**”) so that such Additional Notes may be consolidated and form a single class with the previously outstanding Notes and vote together as one class on all matters with respect to the Notes; *provided* that (i) the issuance of any such Additional Notes shall then be permitted under Section 4.05, and (ii) for so long as may be required by the applicable provisions of the Securities Act or the procedures of the Common Depositary, Euroclear or Clearstream, such Additional Notes shall be represented by one Global Note in accordance with Section 2.04(c) and subject to applicable transfer or other restrictions. In connection with any such issuance of Additional Notes,

the Company shall deliver an Officers' Certificate to the Trustee directing the Trustee or an Authenticating Agent to authenticate and deliver Additional Notes in an aggregate principal amount specified therein and the Trustee or an Authenticating Agent, in accordance with such Officers' Certificate, shall authenticate and deliver such Additional Notes. The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture is unlimited.

Section 2.11. *Cancellation of Notes; Disposition Thereof.* All Notes surrendered for payment, redemption, registration of transfer or exchange, if surrendered to the Company or any agent of the Company or the Trustee, shall be delivered to the Paying and Transfer Agent for cancellation or, if surrendered to the Paying and Transfer Agent, shall be canceled by it; and no Notes shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Paying and Transfer Agent shall dispose of canceled Notes held by it in accordance with its customary procedures, and deliver a certificate of disposition to the Company. If the Company shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Notes unless and until the same are delivered to the Paying and Transfer Agent for cancellation. For as long as the Notes are held in Global Notes form, any cancellation of the Notes as a result of redemption, repurchase or repayment of the Notes in accordance with the terms of this Indenture shall be reflected by way of a decrease or markdown in the outstanding principal amount of the Notes, and shall not be reflected through a pool factor or similar records of the clearing systems.

Section 2.12. *ISIN and Common Code Numbers.* The Company in issuing the Notes may use ISIN and Common Code numbers (if then generally in use), and, if so, the Trustee and the Paying and Transfer Agent shall use for the Notes ISIN and Common Code numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee and the Paying and Transfer Agent of any change in the ISIN and Common Code numbers.

ARTICLE 3 REDEMPTION

Section 3.01. *Redemption for Taxation Reasons.* (a) The Notes may be redeemed at the option of the Company or a Surviving Person with respect to the Company, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to the Holders (which notice shall be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest (including any Additional Amounts), if any, to the date fixed by the Company or the Surviving Person, as the case may be, for redemption (the "**Tax Redemption Date**") if, as a result of:

- (i) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or
- (ii) any change in the existing official position or the stating of an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment is proposed and becomes effective on or after the Original Issue Date with respect to any payment due or to become due under the Notes or this Indenture, the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, and such requirement cannot be avoided by the taking of reasonable measures by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be; provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due.

(b) Prior to the mailing of any notice of redemption of the Notes pursuant to Section 3.01(a), the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, will deliver to the Trustee:

(i) an Officers' Certificate stating that such change or amendment referred to in Section 3.01(a) has occurred, describing the facts related thereto and stating that such requirement cannot be avoided by the Company, a Surviving Person or a Subsidiary Guarantor, as the case may be, taking reasonable measures available to it; and

(ii) an Opinion of Counsel or an opinion of a tax consultant, in either case of recognized standing with respect to tax matters of the Relevant Taxing Jurisdiction, stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in Section 3.01(a).

The Trustee shall accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above and shall not be obligated to verify the accuracy or content thereof, in which event it shall be conclusive and binding on the Holders.

(c) Any Notes that are redeemed pursuant to the terms of this Section 3.01 will be cancelled.

Section 3.02. *Optional Redemption.*

(a) At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to this Section 3.02 for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

(b) The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. If less than all of the Notes are to be redeemed at any time, the Notes for redemption will be selected as follows:

(i) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed (if any) or any applicable requirements of the clearing systems through which the Notes are held; or

(ii) if the Notes are not listed on any national securities exchange, on a pro rata basis, by lot or by such other method as the Trustee in its sole and absolute discretion shall deem to be fair and appropriate unless otherwise required by law or by applicable stock exchange or clearing system requirements.

(c) A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. With respect to any Certificated Note, a new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

(d) If the Company elects to redeem the Notes pursuant to the optional redemption provisions of Section 3.02 hereof, it must furnish to the Trustee, at least 10 Business Days but not more than 30 Business Days before a redemption date, an Officers' Certificate setting forth:

(i) the clause of this Indenture pursuant to which the redemption shall occur;

- (ii) the redemption date;
- (iii) the principal amount of Notes to be redeemed; and
- (iv) the redemption price.

Section 3.03. Mandatory Redemption.

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to this Section 3.03 for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

The Company shall notify the Trustee of any voluntary prepayment of the Long Term Loan as soon as reasonably practicable in writing. The Trustee may rely conclusively on any such notification provided by the Company.

Section 3.04. Method and Effect of Redemption. (a) The notice of redemption will identify the Notes to be redeemed and will include or state the following:

- (i) the redemption date;
- (ii) the redemption price, including the portion thereof representing any accrued interest;
- (iii) the place or places where Notes are to be surrendered for redemption;
- (iv) Notes called for redemption must be so surrendered in order to collect the redemption price;
- (v) on the redemption date the redemption price will become due and payable on Notes called for redemption, and interest on Notes called for redemption will cease to accrue on and after the redemption date; and
- (vi) if any Note contains a ISIN or Common Code number, no representation is being made as to the correctness of the ISIN or Common Code number either as printed on the Notes or as contained in the notice of redemption and that the Holder should rely only on the other identification numbers printed on the Notes.

(b) Any Notes that are redeemed pursuant to the terms of Sections 3.02 and 3.03 will be cancelled.

(c) Once notice of redemption is sent to the Holders pursuant to the terms of Sections 3.02 and 3.03, Notes called for redemption become due and payable at the redemption price on the redemption date, and upon surrender of the Notes called for redemption, the Company shall redeem such Notes at the redemption price. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

ARTICLE 4
COVENANTS

Section 4.01. *Payment of Notes.* (a) The Company will pay the principal of, any premium on (if any) and interest, and Additional Amounts, if any, on the Notes on the dates and in the manner provided in the Notes and this Indenture. Not later than one Business Day prior to the due date of any principal on any Notes, the Tax Redemption Date pursuant to Section 3.01 or the redemption date pursuant to Section 3.02 (each a “**Payment Date**”), the Company will pay or cause to be paid to the account of the Paying and Transfer Agent at the Principal Office, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, in immediately available funds, an amount which shall be sufficient to pay the aggregate amount of interest, principal or premium or all of such amounts, as the case may be, becoming due in respect of the Notes on such Payment Date; *provided* that if the Company or any Affiliate of the Company is acting as Paying and Transfer Agent, it shall, on or before each due date, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such amounts until paid to such Holders or otherwise disposed of as provided in this Indenture. In each case the Company shall promptly notify the Trustee and the Paying and Transfer Agent of its compliance with this paragraph. The Company shall procure that, before 9:00 a.m. (New York City time) on the third Business Day before each Payment Date, the bank effecting payment for it confirms by tested telex or authenticated SWIFT message to the Paying and Transfer Agent the payment instructions relating to such payment. The Paying and Transfer Agent shall not be bound to make any payment until it has received the full amount due to be paid to it pursuant to this Section 4.01.

(b) An installment of principal, premium or interest will be considered paid on the date due if the Paying and Transfer Agent, other than the Company or any Affiliate of the Company, holds on that date money designated for and sufficient to pay the installment. If the Company or any Affiliate of the Company acts as Paying and Transfer Agent, an installment of principal or interest will be considered paid on the due date only if paid to the Holders.

(c) The Paying and Transfer Agent, which will include the Company or any Affiliate of the Company if it is acting as Paying and Transfer Agent will make payments in respect of the Notes represented by the Global Notes by wire transfer of immediately available funds to the accounts specified by the Holders of the Global Notes. With respect to Certificated Notes, the Paying and Transfer Agent will make all payments by wire transfer of immediately available funds to the accounts specified by the Holders thereof or, if no such account is specified, by mailing a check to each Holder’s registered address; *provided* that if the Company or any Affiliate of the Company is acting as Paying and Transfer Agent, it shall make such payment to the Holders as specified above.

(d) At least three Business Days prior to the first Payment Date and, if there has been any change with respect to the matters set forth in the below-mentioned certificate, at least three Business Days prior to each Payment Date thereafter, the Company shall furnish the Paying and Transfer Agent with an Officers’ Certificate instructing the Paying and Transfer Agent as to any circumstances in which payments of principal of, or interest or premium on, the Notes due on such date shall be subject to deduction or withholding for, or on account of, any Taxes described in Section 4.20 and the rate of any such deduction or withholding. If any such deduction or withholding shall be required and if the Company therefore becomes liable to pay Additional Amounts, if any, pursuant to Section 4.20 then at least three Business Days prior to each Payment Date, the Company shall furnish the Paying and Transfer Agent with a certificate which specifies the amount required to be withheld on such payment to Holders of the Notes, and the Additional Amounts, if any, due to the Holders of the Notes, and at least one Business Day prior to such Payment Date, will pay to the Paying and Transfer Agent such Additional Amounts, if any, as shall be required to be paid to such Holders.

(e) Whenever the Company appoints a Paying and Transfer Agent other than the Trustee for the purpose of paying amounts due in respect of the Notes, it will cause such Paying and Transfer Agent to execute and deliver to the Trustee an instrument substantially in the form of Exhibit E hereof in which such agent shall agree with the Company, among other things, to be bound by and observe the provisions of this Indenture (including the Notes). The Company shall cause each Paying and Transfer Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying and Transfer Agent shall agree with the Trustee,

(i) that it will hold all sums received by it as such Paying and Transfer Agent for the payment of the principal of, or premium or interest on, the Notes (whether such sums have been paid to it by or on behalf of the Company or by any other obligor on the Notes or any Subsidiary Guarantee) in trust for the benefit of the Holders or of the Trustee;

(ii) that it will give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes or any Subsidiary Guarantee) to make any payment of the principal of, or premium or interest on, the Notes and any other payments to be made by or on behalf of the Company under this Indenture, when the same shall be due and payable; and

(iii) that it will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request at any time during the continuance of a failure referred to in clause (ii) above.

Anything in this Section 4.01 to the contrary notwithstanding, the Company may at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by the Company or any Paying and Transfer Agent hereunder, as required by this Section 4.01 and such sums shall be held by the Trustee upon the trusts herein contained. If the Paying and Transfer Agent shall pay all sums held in trust to the Trustee as required under this Section 4.01, the Paying and Transfer Agent shall have no further liability for the money so paid over to the Trustee.

Anything in this Section 4.01 to the contrary notwithstanding, the agreements to hold sums in trust as provided in this Section 4.01 are subject to the provisions of Section 8.03.

Section 4.02. *Maintenance of Office or Agency.* (a) The Company will maintain an office or agency where Notes may be surrendered for registration of transfer or exchange or for presentation for payment and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company hereby initially designates the Principal Office as such office of the Company. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served to the Trustee.

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be surrendered or presented for any of such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each place where principal of, and interest or premium on, any Notes are payable. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) So long as the Notes are listed on the SGX-ST and the SGX-ST so requires, there will be a Paying and Transfer Agent in Singapore. The Company will give to the Trustee written notice of the location of any such office or agency and of any change of location thereof. The Company has initially appointed the Paying and Transfer Agent and Registrar listed in Exhibit G.

(d) So long as any of the Notes remain outstanding, each of the Subsidiary Guarantors will maintain in each place where principal of, and interest or premium on, any Notes is payable an office or agency where notices and demands to or upon each of the Subsidiary Guarantors in respect of the Notes, the Subsidiary Guarantees or this Indenture may be served. Each of the Subsidiary Guarantors hereby initially designates the Principal Office as the office or agency for each such purpose. In case any of the Subsidiary Guarantors shall fail to maintain any such office or agency or shall fail to give notice of the location or of any change in the location thereof, presentations and demands may be made and notices may be served at the Trustee's office.

Section 4.03. *Governmental Approvals and Licenses; Compliance With Law.* The Company will, and will cause each Restricted Subsidiary to, (a) obtain and maintain in full force and effect all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the

Section 4.04. *Payment of Taxes and Other Claims.* The Company will pay or discharge, and cause each of its Subsidiaries to pay or discharge before the same become delinquent (a) all material taxes, assessments and governmental charges levied or imposed upon the Company or any Subsidiary or its income or profits or property and (b) all material lawful claims for labor, materials and supplies that, if unpaid, might by law become a Lien upon the property of the Company or any Subsidiary, other than any such tax, assessment, charge or claim the amount, applicability or validity of which is being contested in good faith by appropriate proceedings and for which adequate reserves have been established.

Section 4.05. *Limitation on Indebtedness and Preferred Stock.* (a) The Company will not, and will not permit any Restricted Subsidiary to, Incur any Indebtedness (including Acquired Indebtedness), and the Company will not permit any Restricted Subsidiary to issue Preferred Stock, *provided* that the Company or any Subsidiary Guarantor may Incur Indebtedness (including Acquired Indebtedness) and any Non-Guarantor Subsidiary may Incur Permitted Subsidiary Indebtedness if, after giving effect to the Incurrence of such Indebtedness and the receipt and application of the proceeds therefrom, (x) no Default has occurred and is continuing and (y) the Fixed Charge Coverage Ratio would be not less than 2.5 to 1.0. Section 4.08. Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries. (a) Except as provided below, the Company will not, and will not permit any Restricted

- (iii) make loans or advances to the Company or any other Restricted Subsidiary; or

(i) existing in agreements as in effect on the Original Issue Date, or in the Notes, the Subsidiary Guarantees, this Indenture, the Security Documents, or under any Permitted Pari Passu Secured Indebtedness or Pari Passu Guarantee, and any extensions, refinancings, renewals or replacements of any of the foregoing agreements; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

(ii) existing under or by reason of applicable law, rule, regulation or government order;

(iii) existing with respect to any Person or the property or assets of such Person acquired by the Company or any Restricted Subsidiary, at the time of such acquisition and not incurred in contemplation thereof, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Person or the property or assets of such Person so acquired, and any extensions, refinancings, renewals or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

(iv) that otherwise would be prohibited by the provision described in clause (iv) of Section 4.08(a) if they arise, or are agreed to in the ordinary course of business and, that (A) restrict in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease or license, or (B) exist by virtue of any Lien on, or agreement to transfer, option or similar right with respect to any property or assets of the Company or any Restricted Subsidiary not otherwise prohibited by this Indenture or (C) do not relate to any Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of the Company or any Restricted Subsidiary in any manner material to the Company or any Restricted Subsidiary;

(vi) with respect to any Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the Incurrence of Indebtedness or issuance of Preferred Stock permitted to be incurred under Section 4.05 if, as determined by the Board of Directors, the encumbrances or restrictions are (A) customary for such types of agreements and (B) would not, at the time agreed to, be expected to materially and adversely affect the ability of the Company to make any required payment on the Notes and, any extensions, refinancings, renewals or replacements of any of the foregoing agreements; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

(vii) existing in customary provisions in shareholders' agreement, joint venture agreements and other similar agreements permitted under this Indenture, to the extent such encumbrance or restriction relates to the activities or assets of a Restricted Subsidiary that is a party to such joint venture and if (as determined in good faith by the Board of Directors) (i) the encumbrances or restrictions are customary for a joint venture or similar agreement of that type and (ii) the encumbrances or restrictions would not, at the time agreed to, be expected to materially and adversely affect (x) the ability of the Company to make the required payments on the Notes, or (y) any Subsidiary Guarantor to make required payments under its Subsidiary Guarantee; or

(viii) existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Subsidiary or its subsidiaries or the property or assets of such Subsidiary or its subsidiaries, and any extensions, refinancing, renewals or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no more restrictive in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced.

(a) to the Company or a Restricted Subsidiary;

(b) to the extent such Capital Stock represents director's qualifying shares or is required by applicable law to be held by a Person other than the Company or a Restricted Subsidiary;

(c) for the issuance or sale of the Capital Stock of a Restricted Subsidiary if, immediately after giving effect to such issuance or sale, such Restricted Subsidiary would no longer constitute a Restricted Subsidiary and any remaining Investment in such Person would have been permitted to be made under Section 4.06 if made on the date of such issuance or sale and *provided* that the Company complies with Section 4.13; or

(d) the issuance or sale of Capital Stock of a Restricted Subsidiary (which remains a Restricted Subsidiary after any such issuance or sale); *provided* that the Company or such Restricted Subsidiary applies the Net Cash Proceeds of such issuance or sale in accordance with Section 4.13.

Section 4.10. *Limitation on Issuances of Guarantees by Restricted Subsidiaries.*

(a) To the extent any Subsidiary Guarantee remains outstanding, the Company will not permit any Restricted Subsidiary which is not a Subsidiary Guarantor, directly or indirectly, to Guarantee any Relevant Indebtedness (“**Guaranteed Indebtedness**”) of the Company or any Subsidiary Guarantor, unless (i) (a) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to this Indenture, providing for an unsubordinated Subsidiary Guarantee of payment of the Notes by such Restricted Subsidiary and (b) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee, until the Notes have been paid in full or (ii) such Guarantee is permitted by clause (iii), (iv), (xiv)(B) (other than, in the case of clause (xiv)(B), (x) a Guarantee by a PRC Restricted Subsidiary of the Indebtedness of a non-PRC Restricted Subsidiary that is not a Subsidiary of such PRC Restricted Subsidiary or (y) a Guarantee by a non-PRC Restricted Subsidiary that is not a Subsidiary Guarantor of Indebtedness of a Subsidiary Guarantor) or (xviii) (in the case of clause (xviii), with respect to the Guarantee provided by the Company or any Restricted Subsidiary through the pledge of cash deposits, bank accounts or other assets to secure (or the use of any Guarantee, letter of credit or similar instrument to Guarantee) any Bank Deposit Secured Indebtedness) of Section 4.05(b).

(b) If the Guaranteed Indebtedness (i) ranks *pari passu* in right of payment with the Notes, any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall rank *pari passu* in right of payment with, or subordinated to, the Subsidiary Guarantee, or (ii) is subordinated in right of payment to the Notes or any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall be subordinated in right of payment to the Subsidiary Guarantee, at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes or the Subsidiary Guarantee.

Section 4.11. *Limitation on Sale and Leaseback Transactions.* The Company will not, and will not permit any of its Restricted Subsidiaries to, enter into any Sale and Leaseback Transaction; *provided* that the Company or any Restricted Subsidiary may enter into a Sale and Leaseback Transaction if:

(a) the Company or any Restricted Subsidiary could have (i) incurred Indebtedness in an amount equal to the Attributable Indebtedness relating to such Sale and Leaseback Transaction under Section 4.05(a) and (ii) incurred a Lien to secure such Indebtedness pursuant to Section 4.07, in which case, the corresponding Indebtedness and Lien will be deemed incurred pursuant to those provisions;

(b) the gross cash proceeds of that Sale and Leaseback Transaction are at least equal to the Fair Market Value of the property that is the subject of such Sale and Leaseback Transaction; and

(c) the transfer of assets in that Sale and Leaseback Transaction is permitted by, and the Company or any Restricted Subsidiary applies the proceeds of such transaction in compliance with, Section 4.13.

Section 4.12. *Repurchase of Notes Upon a Change of Control Triggering Event.*

(a) Not later than 30 days following a Change of Control Triggering Event, the Company will make an Offer to Purchase all outstanding Notes (a “**Change of Control Offer**”) at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to (but not including) the Offer to Purchase Payment Date.

(b) The Company will in a timely manner repay all Indebtedness or obtain consents as necessary under, or terminate, agreements or instruments that would otherwise prohibit a Change of Control Offer required to be made pursuant to this Section 4.12.

(c) Notwithstanding the above, the Company will not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third party makes the Change of Control Offer in the same manner at the same time and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Section 4.13. *Limitation on Asset Sales.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless:

(i) no Default shall have occurred and be continuing or would occur as a result of such Asset Sale;

(ii) the consideration received by the Company or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of;

(iii) at least 75% of the consideration received consists of cash, Temporary Cash Investment or Replacement Assets; *provided* that in the case of an Asset Sale in which the Company or such Restricted Subsidiary receives Replacement Assets involving aggregate consideration in excess of US\$80.0 million (or the Dollar Equivalent thereof), the Company shall deliver to the Trustee an opinion as to the fairness to the Company or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an accounting, appraisal or investment banking firm of international standing. For purposes of this provision, each of the following will be deemed to be cash:

(1) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes, any Subsidiary Guarantee) that are assumed by the transferee of any such assets pursuant to a customary assumption, assignment, novation or similar agreement that releases the Company or such Restricted Subsidiary from further liability; and

(2) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from such transferee that are promptly, but in any event within 30 days of closing, converted by the Company or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion.

(b) Within 360 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company (or any Restricted Subsidiary, as the case may be) may apply such Net Cash Proceeds to:

(i) permanently repay Senior Indebtedness of the Company or a Subsidiary Guarantor or any Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor (and, if such Senior Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) in each case owing to a Person other than the Company or a Restricted Subsidiary;

(ii) acquire Replacement Assets; or

(iii) facilitate property delivery or to ensure social stability as required by PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures, *provided* that the Company shall deliver a notice to the Trustee within 5 Business Days after the application of such Net Cash Proceeds pursuant to this clause (iii), summarizing (i) the amount of the Net Cash Proceeds so applied, (ii) the asset(s) subjected to such Asset Sale and (iii) the identity of the party involved in such Asset Sale, to the extent (x) the Company has received notice from relevant PRC government bodies or otherwise has actual knowledge thereof and (y) not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

Pending application of such Net Cash Proceeds as set forth in clause (i) or (ii) above, the Company or any Restricted Subsidiary may make an Investment in cash or Temporary Cash Investments.

(c) Any Net Cash Proceeds from Asset Sales that are not applied or invested as provided in Section 4.13(b)(i) and Section 4.13(b)(ii) above will constitute “**Excess Proceeds.**” Excess proceeds of less than US\$10.0 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. When accumulated Excess Proceeds exceed US\$10.0 million (or the Dollar Equivalent thereof), within 10 days thereof, the Company must make an Offer to Purchase Notes having a principal amount equal to:

(i) accumulated Excess Proceeds; multiplied by

(ii) a fraction (A) the numerator of which is equal to the outstanding principal amount of the Notes and (B) the denominator of which is equal to the outstanding principal amount of the Notes and all pari passu Indebtedness similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale,

(iii) rounded down to the nearest US\$1.

(d) The offer price in any Offer to Purchase will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash.

(e) If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes (and any other pari passu Indebtedness) tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Notes (and such other pari passu Indebtedness) will be purchased on a *pro rata* basis. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

Section 4.14. *Limitation on Transactions with Shareholders and Affiliates.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into, renew or extend any transaction or arrangement (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with (x) any holder (or any Affiliate of such holder) of 10% or more of any class of Capital Stock of the Company or (y) any Affiliate of the Company (each an “**Affiliate Transaction**”), unless:

(i) the Affiliate Transaction is on fair and reasonable terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable arm’s length transaction by the Company or the relevant Restricted Subsidiary with a Person that is not an Affiliate of the Company; and

(ii) the Company delivers to the Trustee:

Section 4.20. *Additional Amounts.* (a) All payments of principal of, and premium (if any) and interest on the Notes or under the Subsidiary Guarantees will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person or an applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein) including, without limitation, if applicable, the PRC (each, as applicable, a “**Relevant Taxing Jurisdiction**”) or any jurisdiction through which payments are made (or any political subdivision or taxing authority thereof or therein) (together with each Relevant Taxing Jurisdiction, as applicable, a “**Relevant Jurisdiction**”), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, the Company, a Surviving Person or the applicable Subsidiary Guarantor, as the case may be, will pay such additional amounts (“**Additional Amounts**”) as will result in receipt by the Holder of each Note of such amounts as would have been received by such Holder had no such withholding or deduction been required, except that no Additional Amounts shall be payable:

(i) for or on account of:

(A) any tax, duty, assessment or other governmental charge that would not have been imposed but for:

(1) the existence of any present or former connection between the Holder or beneficial owner of such Note and the Relevant Jurisdiction other than merely holding such Note or the receipt of payments thereunder or under a Subsidiary Guarantee, including, without limitation, such Holder or beneficial owner being or having been a national, domiciliary or resident of such Relevant Jurisdiction

or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;

(2) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period;

(3) the failure of the Holder or beneficial owner to comply with a timely request of the Company, a Surviving Person or any Subsidiary Guarantor addressed to the Holder to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that due and timely compliance with such request would have reduced or eliminated any withholding or deduction as to which Additional Amounts would have otherwise been payable to such Holder;

(4) the presentation of such Note (in cases in which presentation is required) for payment in the Relevant Jurisdiction, unless such Note could not have been presented for payment elsewhere;

(B) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(D) any combination of taxes, duties, assessments or other governmental charges referred to in the preceding clauses (A), (B) and (C); or

(ii) with respect to any payment of the principal of, or premium, if any, or interest on, such Note or any payment under any Subsidiary Guarantee to a Holder, if the Holder is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of a Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor, with respect to the fiduciary, a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner or beneficial owner been the Holder thereof.

(b) Whenever there is mentioned in any context the payment of principal of, and any premium or interest, on any Note or under any Subsidiary Guarantee, such mention shall be deemed to include payment of Additional Amounts provided for in this Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

Section 4.21. *No Payments for Consents.* (a) The Company will not, and shall not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture, the Notes or any Subsidiary Guarantee unless such consideration is offered to be paid or is paid to all Holders that consent, waive or agree to amend such term or provision within the time period set forth in the solicitation documents relating to such consent, waiver or amendment.

(b) Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes in connection with an exchange or tender offer, the Company and any Restricted Subsidiary may exclude (i) Holders or beneficial owners of the Notes that are not institutional “accredited investors” as defined in Rule 501 under the Securities Act, and (ii) Holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such Holders or beneficial owners would require the Company or any Restricted Subsidiary to comply with the registration requirements or other similar requirements under any securities laws of such jurisdiction, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, Holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Company in its sole discretion.

The Trustee or the Collateral Agent, as the case may be, is permitted and authorized, without the consent of any Holder, to enter into any amendments to the Intercreditor Agreement, the Security Documents or this Indenture and take any other action necessary to permit the creation and registration of Liens on the Collateral to secure Permitted Pari Passu Secured Indebtedness in accordance with this paragraph (including, without limitation, the appointment of any collateral agent under the Intercreditor Agreement referred to below to hold the Collateral on behalf of the Holders and the holders of Permitted Pari Passu Secured Indebtedness), *provided* that for as long as any of the Short Term Notes, the Long Term Notes and the New Loans remains outstanding, the Company shall not, and shall procure that none of the Subsidiary Guarantors will, incur any Permitted Pari Passu Secured Indebtedness after the Original Issue Date, unless the net proceeds therefrom are used first for payment of any amount due under, or repayment, prepayment or repurchase of the Short Term Notes and the Short Term Loan, and thereafter, any remaining net proceeds therefrom may be used for payment of any amount due under, or repayment, prepayment or repurchase of the Long Term Notes and the Long Term Loan, except for any Permitted Pari Passu Secured Indebtedness incurred to (x) settle any base cash consent fee, early cash consent fee, professional fees and/or other expenses under or in connection with the Offshore Restructuring, and (y) repay or refinance any Other Offshore Indebtedness, *provided, however*, that the aggregate principal amount of such Permitted Pari Passu Secured Indebtedness incurred under (x) and (y) shall not exceed US\$135.0 million.

(b) On or prior to the Incurrence of any future Permitted Pari Passu Secured Indebtedness (other than Additional Notes), the holders of such Permitted Pari Passu Secured Indebtedness (or their representative, trustee or agent) will accede to the Intercreditor Agreement and become parties to it. By accepting the Notes, each Holder shall be deemed to have consented to the execution of the Intercreditor Agreement, any amendments or modifications thereto, and any future intercreditor agreement required under this Indenture.

(c) Such covenants will be reinstituted and apply according to their terms as of and from the first day on which a Suspension Event ceases to be in effect. Such covenants will not, however, be of any effect with regard to actions of the Company or any Restricted Subsidiary properly taken in compliance with the provisions of this Indenture during the continuance of the Suspension Event, and following reinstatement the calculations under the covenant summarized under Section 4.06 will be made as if such covenant had been in effect since the date of this Indenture except that no Default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended.

(k) the Company or any other Chargor denies or disaffirms its obligations under the Intercreditor Agreement or any Security Document or, other than in accordance with this Indenture, the Intercreditor Agreement and the Security Documents, any Security Document ceases to be or is not in full force and effect or the Trustee ceases to have a security interest in the Collateral (subject to Permitted Liens).

Section 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(g) or 6.01(h)) occurs and is continuing under this Indenture with respect to any Notes, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the Trustee if such notice is given by the Holders) may, and the Trustee at the request of such Holders (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) shall, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If (i) an Event of Default specified in Section 6.01(g) or 6.01(h) occurs with respect to the Company or any Significant Restricted Subsidiary or (ii) the Long Term Loan has been declared to be due and payable prior to its Stated Maturity in accordance with the facility agreement governing the Long Term Loan, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder, *provided, however*, that in the case of (ii), Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes may rescind and annul any acceleration of the Notes as a result of an acceleration of the Long Term Loan in accordance with Section 9.02. The Company shall notify the Trustee as soon as reasonably practicable in writing in the event that the Long Term Loan has been declared to be due and payable prior to its Stated Maturity in accordance with the facility agreement governing the Long Term Loan. The Trustee may rely conclusively on any such notification provided by the Company.

Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may, and shall, upon the written request of Holders of at least 25% in aggregate principal amount of outstanding Notes, (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) foreclose on the Collateral in accordance with the terms of the Security Documents and take such further action on behalf of the Holders of the Notes with respect to the Collateral as the Trustee deems appropriate.

Section 6.04. Waiver of Past Defaults. Except as otherwise provided in Section 6.02, the Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee may on behalf of all the Holders of Notes waive all past Defaults and rescind and annul a declaration of acceleration and its consequences if: (a) all existing Events of Default, other than the nonpayment of the

principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived, and (b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05. *Control by Majority.* The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee subject to the Trustee being indemnified and/or secured and/or prefunded to its satisfaction in advance of the proceedings. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes.

Section 6.06. *Limitation on Suits.* A Holder may not institute any proceeding, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture or the Notes unless:

- (a) the Holder has previously given the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;
- (c) such Holder or Holders provide the Trustee indemnity and/or security and/or prefunding satisfactory to the Trustee against any costs, liability or expense, to be incurred in compliance with such written request;
- (d) the Trustee does not comply with the request within 60 days after receipt of the written request and the offer of indemnity and/or security and/or prefunding satisfactory to it referred to in (b) and (c) above; and
- (e) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. *Rights of Holders to Receive Payment.* The right of any Holder to receive payment of the principal of, premium, if any, or interest on, such Note, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, shall not be impaired or affected without the consent of Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes.

Section 6.08. *Compliance Certificate.* The Company will submit an Officers' Certificate to the Trustee, in substantially the form attached hereto as Exhibit F, on or before a date not more than 120 days after the end of each fiscal year ending after the Original Issue Date, stating (i) a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under this Indenture and that the Company has fulfilled all obligations hereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof and (ii) if there is any Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness or any transaction subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) that is incurred for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as requested or required by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measure, during the period under review and to the extent the Company has received notice from relevant PRC government bodies or in accordance with applicable PRC laws, rules,

regulations, government policies or measures with respect to such Asset Sale, Permitted Investment, Permitted Lien, Permitted Indebtedness or transaction subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) or otherwise has actual knowledge thereof, provide a brief description thereof, including value or parties involved, to the extent not prohibited by the PRC government bodies and/or applicable PRC laws, rules, regulations, government policies or measures.

Section 6.09. *Collection Suit By Trustee.* If an Event of Default in payment specified in Section 6.01(a) or Section 6.01(b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount remaining unpaid, together with interest on overdue principal or premium and, to the extent lawful, overdue installments of interest, in each case at the rate specified in the Notes, and such further amount as is sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

Section 6.10. *Trustee May File Proofs of Claim.* The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the Holders allowed in any judicial proceedings relating to the Company or any Subsidiary Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Notes or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Indenture will be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.11. *Priorities.*

(a) At any time during which the Intercreditor Agreement is in force, the Trustee agrees that any money collected upon enforcement of the Collateral shall be distributed in accordance with the Intercreditor Agreement.

(b) Any money collected by the Trustee other than upon enforcement of Collateral or at any time during which the Intercreditor Agreement is not in force shall be paid out in the following order:

First, to the Trustee to the extent necessary to reimburse the Trustee for any expenses incurred in connection with the collection or distribution of such amounts held or realized or in connection with expenses incurred in enforcing its remedies under the Security Documents and preserving the Collateral and all amounts for which the Trustee is entitled to indemnification under the Security Documents;

Second, to each of the Agents to the extent necessary to reimburse each of the Agents for any unpaid fees and amounts due to any of the Agents and any expenses incurred by such Agents in connection with the performance of its obligations under this Indenture and all amounts for which each of the Agents is entitled to indemnification under this Indenture;

Third, to the Trustee for the benefit of Holders; and

Fourth, any surplus remaining after such payments will be paid to the Chargors or to whomever may be lawfully entitled thereto.

The Trustee, upon written notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Section 6.11.

Section 6.12. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted a proceeding to enforce any right or remedy under this Indenture and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the Holder, then, subject to any determination in the proceeding, the Company, any Subsidiary Guarantors, the Trustee and the Holders will be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Company, any Subsidiary Guarantors, the Trustee and the Holders will continue as though no such proceeding had been instituted.

Section 6.13. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.13 does not apply to a suit by a Holder to enforce payment of principal of, premium on or interest on any Note on the respective due dates, or a suit by Holders of more than 10% in principal amount of the outstanding Notes.

Section 6.14. *Rights and Remedies Cumulative.* No right or remedy conferred or reserved to the Trustee or to the Holders under this Indenture is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or exercise of any other right or remedy.

Section 6.15. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.16. *Waiver of Stay, Extension or Usury Laws.* Each of the Company and the Subsidiary Guarantors covenants, to the extent that it may lawfully do so, that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company or such Subsidiary Guarantor, from paying all or any portion of the principal of, or premium or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture. Each of the Company and the Subsidiary Guarantors hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7

THE TRUSTEE

Section 7.01. *General.* (a) The duties and responsibilities of the Trustee are as set forth herein. Whether or not expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to this Article.

(b) Except during the continuance of an Event of Default, the Trustee needs to perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee. In case an Event of Default has occurred and is continuing and the Trustee has received written notice thereof pursuant to Section 7.05, the Trustee shall

exercise those rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. During the continuance of an Event of Default, the Trustee shall act upon the written direction of the Holders of at least 25% of the aggregate principal amount then outstanding, subject to its receiving indemnity and/or security to its satisfaction.

(c) Should the Trustee become a creditor of the Company or any of the Subsidiary Guarantors, the rights of the Trustee to obtain payment of claims in certain cases or to realize on certain property received by the Trustee in respect of any such claims as security or otherwise will be limited. The Trustee is permitted to engage in other transactions, including normal banking and trustee relationships, with the Company and its Affiliates; *provided, however*, that if any direct conflict of interest arises between the Trustee and the Company or any of the Subsidiary Guarantors, the Trustee hereby agrees to eliminate such conflict or resign.

(d) None of the Trustee and Agents nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral securing the Notes, for the legality, enforceability, effectiveness sufficiency of the Security Documents, for the creation, perfection, maintenance, priority, sufficiency or protection of any of the Liens created pursuant to the Security Documents, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or Security Documents or any delay in doing so, except as a result of the Agent's own fraud, gross negligence or willful misconduct.

(e) Neither the Trustee nor the Collateral Agent will be under any obligation to exercise any rights or powers conferred under this Indenture or any of the Security Documents for the benefit of the Holders, unless such Holders have provided to the Trustee and/or the Collateral Agent indemnity and/or security satisfactory to the Trustee and/or the Collateral Agent against any loss, liability or expense that might be incurred by it in compliance with such direction. The Trustee shall not be liable to any person for having acted on instruction or direction provided to it by Holders with respect to the Indenture and the Notes.

(f) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own fraud, grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that (i) this paragraph does not limit the effect of paragraph (a) of this Section 7.1, (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertaining facts, and (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith (i) in accordance with a direction received by it pursuant to Section 6.02 or 6.05 or (ii) if such action or omission may, in the Trustee's opinion following advice in writing by legal counsel of international repute, be contrary to any law of any jurisdiction or any directive or regulation of any agency of any jurisdiction.

(g) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible to any Person for failing to request, require or receive any account statement pursuant to any Security Document or for failing to check or comment upon the accuracy of such account statements and shall have no responsibility for the contents of any account statement prepared pursuant to any Security Document and, for the avoidance of doubt, it is intended that the Trustee shall not check or comment on any such account statement.

(h) Unless the Trustee receives prior written notice from the Company or the Holders in accordance with the terms of this Indenture, the Trustee shall be entitled to assume, without any further inquiry, that the Company has duly performed all of its obligations in accordance with this Indenture, including each of the exhibits attached hereto.

(i) Notwithstanding anything herein to the contrary, the Trustee shall not be responsible for recitals, statements, warranties or representations of any party contained in this Indenture or any other agreement or other document, including the Security Documents and the Intercreditor Agreement, entered into in connection herewith or therewith and shall assume the accuracy and correctness thereof and shall not

be responsible for the execution, legality, effectiveness, adequacy, genuineness, validity or enforceability or admissibility in evidence of any such agreement or other document or any trust or security thereby constituted or evidenced, and the Trustee may accept without enquiry, requisition or objection such title as the Company may have to the property charged, pledged, mortgaged or assigned pursuant to the Security Documents or the Intercreditor Agreement or any part thereof from time to time and shall not be bound to investigate or make any enquiry into the title of the Company to such property or any part thereof from time to time whether or not any default or failure is or was known to the Trustee or might be, or might have been, discovered upon examination, inquiry or investigation and whether or not capable of remedy.

Notwithstanding the generality of the foregoing, each Holder shall be solely responsible for making its own independent appraisal of, and investigation into, the financial condition, creditworthiness, condition, affairs, status and nature of the Company and any Subsidiary Guarantor, and the Trustee shall not at any time have any responsibility for the same and each Holder shall not rely on the Trustee in respect thereof.

Section 7.02. *Certain Rights of Trustee.* Subject to Section 7.01:

(a) In the absence of bad faith on its part, the Trustee may rely, and will be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in original or electronic form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but, in the case of any document which is specifically required to be furnished to the Trustee pursuant to any provision hereof, the Trustee shall examine the document to determine whether it conforms to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). Neither the Trustee nor the Agents shall be responsible for making calculations or for verifying calculations performed by the Company or any other persons unless otherwise expressly specified in this Indenture. The Trustee, in its sole and absolute discretion, may make further inquiry or investigation into such facts or matters as it sees fit.

Notwithstanding anything else herein contained, each of the Trustee and Agents may refrain without liability from doing anything that would or might in its reasonable opinion be contrary to any law of any state or jurisdiction (including but not limited to the laws of Hong Kong, the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its reasonable opinion, necessary to comply with any such law, directive or regulation.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel conforming to Sections 12.03 and 12.04 and the Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by it hereunder. To the extent an agent has been named by the Trustee in connection with this Indenture, the parties hereto shall cooperate to ensure that such agent can perform the duties for which it was appointed. Upon an Event of Default, the Trustee shall be entitled to require all agents to act solely in accordance with its directions.

(d) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have provided to the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expenses that might be incurred by it in compliance with such request or direction.

(e) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers or for any action it takes or omits to take in accordance with the direction of the Holders in accordance with Section 6.02 or 6.05 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(f) The Trustee may consult with counsel or other professional advisors of its selection, and the written advice of such counsel or advisors or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(g) If any Subsidiary Guarantor is substituted to make payments on behalf of the Company pursuant to Article 11, the Company shall promptly notify the Trustee and any clearing house through which the Notes are traded of such substitution and such Subsidiary Guarantor.

(h) Under no circumstances will the Trustee or any Agent be liable to the Company, any Subsidiary Guarantor for any indirect consequential punitive or special damages, even if advised of the possibility of such loss or damage.

(i) The Trustee is entitled to assume without enquiry, that each of the Company and the Subsidiary Guarantors has performed in accordance with all of the provisions in this Indenture, unless notified to the contrary.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate.

(k) In connection with the exercise by it of its trusts, powers, authorities or discretions (including, without limitation, any modification, waiver, authorization or determination), the Trustee shall have regard to the general interests of the Holders as a class but shall not have regard to any interests arising from circumstances particular to individual Holders (whatever their number) and in particular, but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers, authorities or discretions for individual Holders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any country, state or territory and a Holder shall not be entitled to require, nor shall any Holder be entitled to claim, from the Company, the Trustee or any other Person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Holders except to the extent already provided in Section 4.20 and/or any undertaking given in addition to, or in substitution for, Section 4.20 pursuant to this Indenture.

Section 7.03. *Individual Rights of Trustee.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee and nothing herein shall obligate the Trustee to account for any profits earned from any business or transactional relationship. Any Agent may do the same with like rights.

Section 7.05. *Notice of Default.* If any Default occurs and is continuing and is known to the Trustee, the Trustee will send notice of the Default to each Holder within 30 days after it occurs, or, if later, within 15 days after it is known to the Trustee unless the Default has been cured; *provided* that, except in each case of (a) a default in the payment of the principal of or premium or interest on any Note, (b) a default in the performance of, or a breach under any agreement of, the Undertakings by Gemfair Investments Limited or Shiyang Finance Limited or (c) a Monitoring Agent Report is not issued and delivered to the Trustee in accordance with Section 4.26(b)(iii), the Trustee may withhold the notice if and so long as the board of directors, the executive committee or a trust committee of the Trustee in good faith determines that withholding the notice is in the interest of the Holders. The Trustee shall not be deemed to have knowledge of

a Default or Event of Default unless and until a Responsible Officer obtains actual knowledge of such Default or Event of Default through written notification from the Company, Gemfair Investments Limited or Shiyang Finance Limited or as otherwise contemplated herein describing the circumstances of such, and identifying the circumstances constituting such Default or Event of Default.

Section 7.06. *Compensation and Indemnity.* (a) The Company and/or the Subsidiary Guarantors agree to be jointly and severally responsible for and will pay the Trustee compensation as agreed upon in writing for its services. The compensation of the Trustee is not limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances (including costs of collection) incurred or made by the Trustee, including the reasonable compensation, expenses and disbursements of the Trustee's agents and counsel and other Persons not regularly within its employ.

(b) Each of the Company and the Subsidiary Guarantors agrees to be jointly and severally responsible for and will indemnify the Trustee or any predecessor Trustee and their agents, employees, officers and directors for, and hold it harmless against, any loss or liability or expense incurred by it without negligence or willful misconduct on its part arising out of or in connection with the acceptance or administration of this Indenture and its duties under this Indenture, the Notes and the Subsidiary Guarantees, including (i) the costs and expenses of defending itself against any claim or liability and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under this Indenture and the Notes and (ii) the compensation, expenses and disbursements of the Trustee's agents and counsel and other Persons not regularly within the Trustee's employ.

(d) When the Trustee incurs expenses or renders services pursuant to the Indenture after the occurrence of an Event of Default specified in clauses (g) or (h) of Section 6.01 with respect to the Company or Subsidiary Guarantor, the expenses are intended to constitute expenses of administration under the United States Bankruptcy Code (Title 11 of the United States Code) or any other similar law for the relief of debtors.

(e) This Section 7.06 shall survive the redemption or maturity of the Notes, the termination of this Indenture, and the termination of the appointment of the Trustee.

Section 7.07. *Replacement of Trustee.* (a) (i) The Trustee may resign at any time by written notice to the Company.

(ii) The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by written notice to the Trustee.

(iii) The Company may remove the Trustee if: (A) the Trustee is adjudged a bankrupt or insolvent; (B) a receiver or other public officer takes charge of the Trustee or its property; or (C) the Trustee becomes incapable of acting.

A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) If the Trustee has been removed by the Holders, then the Holders of a majority in principal amount of the Notes may appoint a successor Trustee with the consent of the Company. Otherwise, if the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. If the successor Trustee does not deliver its written acceptance within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the expense of the Company), the Company or the Holders of a majority in the aggregate principal amount of the outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) Upon delivery by the successor Trustee of a written acceptance of its appointment to the retiring Trustee and to the Company, (i) the retiring Trustee will transfer all property and documents held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.06, (ii) the resignation or removal of the retiring Trustee will become effective, and (iii) the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. Upon request of any successor Trustee, the Company will execute any and all instruments for fully vesting in and confirming to the successor Trustee all such rights, powers and trusts. The Company will give notice of any resignation and any removal of the Trustee and each appointment of a successor Trustee to all Holders, and include in the notice the name of the successor Trustee and the address of its Corporate Trust Office.

(d) Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 will continue for the benefit of the retiring Trustee.

Section 7.08. *Successor Trustee by Consolidation, Merger, Conversion or Transfer.* If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business or assets (including the administration of the trust created by this Indenture) to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act will be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee in this Indenture.

Section 7.09. *Money Held In Trust.* The Trustee will not be liable for interest on any money received by it except as it may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law and except for money held in trust under Article 8.

Section 7.10. *Confidentiality.* Each of the Trustee and Agents will treat information relating to the Company and to the Subsidiary Guarantors as confidential, but (unless consent is prohibited by law) the Company and the Subsidiary Guarantors consent to the transfer and disclosure by the Trustee and Agents of any information relating to the Company and the Subsidiary Guarantors to and between branches, subsidiaries, representative offices, affiliates and agencies of the Trustee and Agents and third parties selected by any of them, wherever situated, for internal use only (including in connection with the provision of any service and for data processing, statistical and risk analysis purposes). The Trustee and Agents and any branch, subsidiary, representative office, affiliate, agent or third party may transfer and disclose any such information if and only to the extent required by any law, court regulator or legal process.

ARTICLE 8

SATISFACTION AND DISCHARGE

Section 8.01. *Satisfaction and Discharge of Indenture.* (a) This Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when;

(i) Either:

(A) all of the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust by the Company and thereafter repaid to the Company) have been delivered to the Paying Agent for cancellation; or

(B) all Notes not theretofore delivered to the Paying Agent for cancellation have become due and payable pursuant to an optional redemption notice or otherwise or will become due and payable within one year, and the Company has irrevocably deposited or caused to be deposited with the Paying Agent funds, in cash in U.S. dollars, non-callable U.S. Government Obligations or a combination thereof, in an amount sufficient to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Paying Agent for cancellation, for principal of, premium, if any, and interest on the Notes to the date of

deposit together with irrevocable written instructions from the Company directing the Trustee or the Paying Agent to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(ii) the Company or any Subsidiary Guarantor has paid all other sums payable under this Indenture; and

(iii) such deposit will not result in a breach or violation of, or constitute a default under, any instruments to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound (other than this Indenture, the Notes or any Security Document).

In addition, the Company must deliver to the Trustee an Officers' Certificate stating that all conditions precedent to satisfaction and discharge have been satisfied.

Section 8.02. *Application of Trust Money.* Subject to Section 8.03, the Trustee will hold in trust the money or U.S. Government Obligations deposited with it pursuant to Section 8.01, and apply the deposited money and the proceeds from deposited U.S. Government Obligations to the payment of principal of and premium or interest on the Notes in accordance with the Notes and this Indenture. Such money and U.S. Government Obligations will be segregated from other funds.

Section 8.03. *Repayment to Company.* Subject to Sections 7.06 and 8.01, the Trustee will promptly pay to the Company upon written request by the Company in the form of an Officers' Certificate any excess money held by the Trustee at any time and thereupon be relieved from all liability with respect to such money. The Trustee will pay to the Company upon written request by the Company in the form of an Officers' Certificate any money held for payment with respect to the Notes that remains unclaimed for two years, *provided* that before making such payment the Trustee may at the expense of the Company publish once in a newspaper of general circulation in New York City, or send to each Holder entitled to such money, notice that the money remains unclaimed and that after a date specified in the notice (at least 30 days after the date of the publication or notice) any remaining unclaimed balance of money will be repaid to the Company. After payment to the Company, Holders entitled to such money must look solely to the Company for payment, unless applicable law designates another Person, and all liability of the Trustee with respect to such money will cease.

Section 8.04. *Reinstatement.* If and for so long as the Trustee is unable to apply any money or U.S. Government Obligations held in trust pursuant to Section 8.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes will be reinstated as though no such deposit in trust had been made. If the Company makes any payment of principal of, premium or interest on any Notes because of the reinstatement of its obligations, it will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held in trust.

ARTICLE 9

Section 9.02. *Amendments with Consent of Holders.* (a) Except as provided below, amendments of this Indenture, the Intercreditor Agreement and the Security Documents may be made by the Company, the Subsidiary Guarantors and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes, and the Holders of a majority in principal amount of the outstanding Notes may waive future compliance by the Company with any provision of this Indenture or the Notes; *provided* that, no such modification, amendment or waiver may, without the consent of Holders holding no less than 75% of the aggregate principal amount of the outstanding Notes at the time of such consent:

(b) It is not necessary for Holders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof.

(c) An amendment, supplement or waiver under this Section 9.02 will become effective on receipt by the Trustee of written consents from the Holders of the requisite percentage in principal amount of the outstanding Notes. After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Company will send supplemental indentures to Holders upon request. Any failure

of the Company to send such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

Section 9.03. *Limitation on Certain Amendments.* (a) Notwithstanding anything to the contrary in Section 9.02 above, unless the Stated Maturity or interest rate of the Long Term Loan or the provision of the Long Term Loan corresponding to clause (iii) of this Section 9.03(a) is correspondingly amended, no amendment of this Indenture may be made by the Company, the Subsidiary Guarantors or the Trustee to:

The Trustee may rely conclusively on any such notification provided by the Company.

Section 9.04. *Effect of Consent.* (a) After an amendment, supplement or waiver becomes effective, it will bind every Holder unless it is of the type requiring the consent of each Holder affected. If the amendment, supplement or waiver is of the type requiring the consent of each Holder affected, the amendment, supplement or waiver will bind each Holder that has consented to it and every subsequent Holder of a Note that evidences the same debt as the Note of the consenting Holder.

(b) If an amendment, supplement or waiver changes the terms of a Note, the Trustee may require the Holder to deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Note and return it to the Holder, or exchange it for a new Note that reflects the changed terms. The Trustee may also place an appropriate notation on any Note thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Notes in this fashion.

Section 9.05. *Trustee's and Agent's Rights and Obligations.* Each of the Trustee and the Agents is entitled to receive, and will be fully protected in relying upon, an Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article is authorized or permitted by this Indenture and that such amendment, supplement or waiver constitutes the legal, valid and binding obligations of the party or parties executing such amendment, supplement or waiver, and an Officers' Certificate stating that all conditions precedent have been complied with. If the Trustee or the Agents, as the case may be, has received such an Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights of the Trustee or the Agents, as the case may be. (d) So long as no Payment Default has occurred and is continuing, and subject to the terms of the Security Documents, the Intercreditor Agreement and this Indenture, the Chargors will be entitled to exercise any and all voting rights and to receive, retain and use any and all cash dividends, stock dividends, liquidating dividends, non-cash dividends, shares or stock resulting from stock splits or reclassifications, rights issues, warrants, options and other distributions (whether similar or dissimilar to the foregoing) in respect of Capital Stock constituting Collateral.

(e) Each Holder, by its acceptance thereof, consents and agrees to the terms of the Intercreditor Agreement and the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Trustee and the Collateral Agent to perform their respective obligations and exercise their respective rights thereunder in accordance therewith.

(f) The Trustee and each Holder, by accepting the Notes and the Subsidiary Guarantees, acknowledges that the Collateral as now or hereafter constituted shall be held for the benefit of all the Holders under the Intercreditor Agreement and the Security Documents, and that the Lien of this Indenture, the Intercreditor Agreement and the Security Documents in respect of the Trustee and the Holders is subject to and qualified and limited in all respects by the Security Documents and actions that may be taken thereunder.

(A) the Liens granted pursuant to the Security Documents will rank at least equally and ratably with all other valid, enforceable and perfected Liens, whenever granted upon any present or future Collateral, but only to the extent such other Liens are permitted

under this Indenture to exist and to rank equally and ratably with the Notes and the Subsidiary Guarantees; and

(B) all proceeds of the Collateral applied under the Security Documents shall be allocated and distributed as set forth in Section 6.11.

(a) The Trustee shall be the representative on behalf of the Holders of the Notes and shall act upon the written direction of the Holders of the Notes with regard to all voting, consent and other rights granted to the Holders of the Notes under the Intercreditor Agreement and the Security Documents.

(b) Subject to the terms of the Intercreditor Agreement and the Security Documents, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding may, or the Trustee at the request of such Holders shall, instruct the Collateral Agent to take all actions it or they deem(s) necessary or appropriate in order to (A) enforce any of its rights or any of the rights of the Holders of the Notes under the Intercreditor Agreement and the Security Documents and (B) receive any and all amounts payable from the Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

(c) Subject to the terms of the Intercreditor Agreement and the Security Documents and Section 7.02(d), the Trustee shall have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interest and the interests of the Holders of the Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of the Notes or the Trustee). The Trustee is hereby irrevocably authorized by each Holder of the Notes to effect any release of Liens or Collateral contemplated by Section 10.05 hereof or by the terms of the Security Documents. The Trustee shall not be deemed to have knowledge of any acts that may be unlawful or in violation of the Security Documents or this Indenture unless and until a Responsible Officer obtains actual knowledge of such unlawful acts or violation through written notification describing the circumstances of such, and identifying the circumstances constituting such unlawful acts or violation.

(d) The Trustee will not be responsible for the adequacy of the Collateral in respect of the obligations of the Company and the Subsidiary Guarantors hereunder.

Section 10.05. *Release of Security*. (a) Subject to the terms of the Intercreditor Agreement and the relevant Security Documents, the security created in respect of the Collateral granted under the Security Documents may only be released in certain circumstances, including:

- (i) upon repayment in full of the Notes;
- (ii) upon defeasance and discharge of the Notes as provided under Section 8.01;
- (iii) upon certain dispositions of the Collateral in compliance with this Indenture;

(iv) with respect to the security created in respect of the Designated Account (Proceeds), upon disposition of all Specified Asset and application of all amount deposited into the Designated Account (Proceeds) in accordance with this Indenture and the Intercreditor Agreement;

(v) with respect to the Specified SSHL Shares that are subject to the SSHL Share Pledge, to the extent any relevant Net SSHL Proceeds are deposited and applied in accordance with Section 4.23 and Section 4.24; and

(vi) with respect to the security over the Collateral pledged to secure the Notes or the Subsidiary Guarantees, upon repayment of all amounts payable under the Notes and this Indenture.

(b) Upon written request of the Company or any Subsidiary Guarantor, in connection with any sale, lease, sale and leaseback, assignment, conveyance, transfer or other disposition of assets or property permitted by this Indenture (including, without limitation, Section 4.09, 4.13 or 5.01 hereof), the Trustee shall (without notice to, or vote or consent of, any Holder) take such actions as shall be required to release its security interest in any Collateral being disposed in such disposition, to the extent necessary to permit consummation of such disposition in accordance with this Indenture, the Intercreditor Agreement and the Security Documents and the Trustee shall receive full payment therefor from the Company for any costs incurred thereby; *provided* that the Company or the other Chargor delivers to the Trustee on or prior to such proposed release of Collateral an Officers' Certificate certifying and an Opinion of Counsel stating that the release of any such security interest is permitted under the terms of this Indenture and the relevant Security Documents and that the conditions precedent to any such release have been fulfilled.

ARTICLE 11 SUBSIDIARY GUARANTEES

Section 11.01. *The Subsidiary Guarantees*. Subject to the provisions of this Article 11, each of the Subsidiary Guarantors (whether originally a signatory hereto or added pursuant to a supplemental indenture) hereby, jointly and severally, Guarantees as principal obligor to each Holder authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and this Indenture.

Section 11.02. *Guarantee Unconditional*. The obligations of each Subsidiary Guarantor hereunder will be enforceable irrespective of any invalidity, irregularity or unenforceability of the Notes or this Indenture, are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by:

(a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under this Indenture or any Note, by operation of law or otherwise;

(b) any modification or amendment of or supplement to this Indenture or any Note;

(c) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in this Indenture or any Note;

(d) the existence of any claim, set off or other rights which that Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with this Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;

(e) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of this Indenture or any Note; or

(f) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor's obligations hereunder.

Section 11.03. *Discharge; Reinstatement.* Each Subsidiary Guarantor's obligations hereunder will remain in full force and effect until the principal of, premium, if any, and interest on the Notes and all other amounts payable by the Company under this Indenture have been paid in full. If at any time any payment of the principal of, premium, if any, or interest on any Note or any other amount payable by the Company under this Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, each Subsidiary Guarantor's obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time. All payments under the Subsidiary Guarantees will be made in U.S. dollars.

Section 11.04. *Waiver by Each Subsidiary Guarantor.* Each Subsidiary Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Company or any other Person. In particular, each Subsidiary Guarantor irrevocably waives its right to require the Trustee to pursue or exhaust the Trustee's legal or equitable remedies against the Company prior to exercising the Trustee's rights under its Subsidiary Guarantee.

Section 11.05. *Subrogation and Contribution.* Upon making any payment with respect to any obligation of the Company under this Article or the Subsidiary Guarantor making such payment will be subrogated to the rights of the payee against the Company with respect to such obligation; *provided* that the Subsidiary Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Subsidiary Guarantor, with respect to such payment so long as any amount payable by the Company hereunder or under the Notes remains unpaid.

Section 11.06. *Stay of Acceleration.* If acceleration of the time for payment of any amount payable by the Company under this Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of this Indenture are nonetheless payable by the Subsidiary Guarantors hereunder forthwith on demand by the Trustee or the Holders.

Section 11.07. *Limitation on Amount of Subsidiary Guarantee.* Notwithstanding anything to the contrary in this Article, each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent conveyance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable law of any other jurisdiction. To effectuate that intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that the obligations of each Subsidiary Guarantor under its Subsidiary Guarantee are limited in an amount not to exceed the maximum amount that can be guaranteed by the applicable Subsidiary Guarantor without rendering the Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 11.08. *Ranking of Subsidiary Guarantees.*

The Subsidiary Guarantee of each Subsidiary Guarantor:

- (a) is a general obligation of such Subsidiary Guarantor;
- (b) is senior in right of payment to all future obligations of such Subsidiary Guarantor expressly subordinated in right of payment to such Subsidiary Guarantee;

(c) ranks and will rank at least *pari passu* in right of payment with all other unsecured, unsubordinated Indebtedness of such Subsidiary Guarantor (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); and

(d) is effectively subordinated to secured obligations of such Subsidiary Guarantor, to the extent of the value of the assets serving as security therefor (other than the Collateral).

Section 11.09. *Execution and Delivery of Subsidiary Guarantees* . The execution by each Subsidiary Guarantor of this Indenture (or by each Subsidiary Guarantor of a supplemental indenture in the form of Exhibit F) evidences the Subsidiary Guarantee of such Subsidiary Guarantor, whether or not the person signing as an officer of the Subsidiary Guarantor still holds that office at the time of authentication of any Note. The delivery of any Note by the Trustee after authentication constitutes due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of each Subsidiary Guarantor.

Section 11.10. *Release of the Subsidiary Guarantees* .(a) A Subsidiary Guarantee given by a Subsidiary Guarantor will be released:

- (i) upon repayment in full of the Notes;
- (ii) upon a defeasance as provided in Section 8.01;
- (iii) upon the designation by the Company of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the terms of this Indenture; or
- (iv) upon the sale, disposition or merger of a Subsidiary Guarantor in compliance with the terms of this Indenture (including Sections Section 4.09, 4.13 and 5.01) resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (A) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Company's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (B) the proceeds from such sale, disposition or merger are used for the purposes permitted or required by this Indenture.

(b) No release and discharge of the Subsidiary Guarantee will be effective against the Trustee, any Agent or the Holders of Notes (i) if a Default or Event of Default shall have occurred and be continuing under this Indenture as of the time of such proposed release and discharge until such time as such Default or Event of Default is cured or waived and (ii) until the Company shall have delivered to the Trustee an Officers' Certificate stating that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge are authorized and permitted under this Indenture and the Security Documents. At the request of the Company, and *provided* that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been complied with and that such release and discharge are authorized and permitted under this Indenture and the Security Documents, the Trustee will execute and deliver an instrument evidencing such release and discharge and do all such other acts and things necessary to release the Subsidiary Guarantor(s) from its (or their) obligations hereunder.

ARTICLE 12 MISCELLANEOUS

Section 12.01. *Ranking*. The Notes are (a) general obligations of the Company, (b) on the Original Issue Date, guaranteed by the Subsidiary Guarantors on a senior basis, subject to certain limitations set forth in Article 11, (c) senior in right of payment to any existing and future obligations of the Company expressly subordinated in right of payment to the Notes; (d) at least *pari passu* in right of payment against the Company with respect to all unsecured, unsubordinated Indebtedness of the Company (subject to any priority rights of such unsecured, unsubordinated Indebtedness pursuant to applicable law); effectively subordinated to the secured obligations of the Company, the Subsidiary Guarantors, to the extent of the value of the assets serving as security therefor (other than the Collateral); and effectively subordinated to all existing and future obligations of the Non-Guarantor Subsidiaries. Pursuant to the pledge of the Collateral by the Chargors as set

forth in Article 10 and subject to the limitations described therein, the Notes (a) are entitled to a Lien on the Collateral (subject to any Permitted Liens) and (b) rank effectively senior in right of payment to unsecured obligations of the Company with respect to the value of the Collateral pledged by the Company securing the Notes (subject to any priority rights of such unsecured obligations pursuant to applicable law).

Section 12.02. *Notices.* (a) All notices or demands required or permitted by the terms of the Notes or this Indenture to be given to or by the Holders are required to be in writing and may be given or served by being sent by prepaid courier or by being deposited, first-class postage prepaid, in the United States or mails or by electronic transmission, if intended for the Company or any Subsidiary Guarantor, addressed to the Company at the Corporate Trust Office or the Principal Office, or if intended for the Trustee or the Paying and Transfer Agent, addressed to the Trustee or the Paying and Transfer Agent, as the case may be, at the Corporate Trust Office or the Principal Office (attention to Debt Capital Markets team) or via-email to dcm@glas.agency and apacdc@glas.agency, as the case may be; and, if intended for any Holder, addressed to such Holder at such Holder's last address as it appears in the Note register. Copies of any notice or communication to a Holder, if given by the Company, will be mailed to the Trustee at the same time. Defect in mailing a notice or communication to any particular Holder will not affect its sufficiency with respect to other Holders.

(b) Any notice or demand will be deemed to have been sufficiently given or served when so sent or deposited and, if to the Holders, when delivered in accordance with the applicable rules and procedures of Euroclear or Clearstream, as the case may be. Any such notice shall be deemed to have been delivered on the day such notice is delivered to Euroclear or Clearstream, as the case may be, or if by mail, when so sent or deposited. Any notice to the Trustee will be effective only upon receipt.

(c) Where this Indenture provides for notice, the notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and the waiver will be the equivalent of the notice. Waivers of notice by Holders must be filed with the Trustee, but such filing is not a condition precedent to the validity of any action taken in reliance upon such waivers.

Section 12.03. *Certificate and Opinion as to Conditions Precedent.* (a) Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company will furnish to the Trustee at the Trustee's request:

(i) an Officers' Certificate stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with;

(ii) an Opinion of Counsel stating that all such conditions precedent have been complied with; and

(iii) an incumbency certificate giving the names and specimen signatures of Authorized Officers for any such Authorized Officers who have not previously provided specimen signatures to the Trustee.

(b) In any case where several matters are required to be certified by, or covered by an Opinion of Counsel of, any specified Person, it is not necessary that all such matters be certified by, or covered by the Opinion of Counsel of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an Opinion of Counsel with respect to some matters and one or more such Persons as to other matters, and any such Person may certify or give an Opinion of Counsel as to such matters in one or several documents.

(c) Any certificate of an Officer of the Company or any Subsidiary Guarantor may be based, insofar as it relates to legal matters, upon an Opinion of Counsel, unless such Officer knows, or in the exercise of reasonable care should know, that such Opinion of Counsel with respect to the matters upon which his certificate is based are erroneous. Any Opinion of Counsel may be based, and may state that it is so based, insofar as it relates to factual matters, upon a certificate of, or representations by, an officer or

officers of the Company or a Subsidiary Guarantor stating that the information with respect to such factual matters is in the possession of the Company or such Subsidiary Guarantor, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or representations with respect to such matters are erroneous.

(d) Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Section 12.04. *Statements Required in Certificate or Opinion.* Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture must include:

(a) a statement that each person signing the certificate or opinion has read the covenant or condition and the related definitions;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statement or opinion contained in the certificate or opinion is based;

(c) a statement that, in the opinion of each such person, that person has made such examination or investigation as is necessary to enable the person to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(d) a statement as to whether or not, in the opinion of each such person, such condition or covenant has been complied with, *provided* that an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials with respect to matters of fact.

Section 12.05. *Payment Date Other Than a Business Day.* If any payment with respect to a payment of any principal of, premium, if any, or interest on any Note (including any payment to be made on any date fixed for redemption or purchase of any Note) is due on a day which is not a Business Day, then the payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest will accrue for the intervening period.

Section 12.06. *Governing Law, Consent to Jurisdiction; Waiver of Immunities.* (a) Each of the Notes, the Subsidiary Guarantees and this Indenture shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) The Company and each of the Subsidiary Guarantors hereby irrevocably and unconditionally submits to the non-exclusive jurisdiction of any New York State or United States Federal court sitting in the Borough of Manhattan, the City of New York over any suit, action or proceeding arising out of or relating to this Indenture, any Note, any Subsidiary Guarantee or any transaction contemplated hereby or thereby. The Company and each of the Subsidiary Guarantors irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum. To the extent that the Company or any Subsidiary Guarantor as the case may be, has or hereafter may acquire any sovereign or other immunity from jurisdiction of any court or from any legal process with respect to itself or its property, the Company or such Subsidiary Guarantor, irrevocably waives such immunity in respect of its obligations hereunder or under any Note or any Subsidiary Guarantee. The Company and each of the Subsidiary Guarantors agree that final judgment in any such suit, action or proceeding, brought in such a court shall be conclusive and binding upon the Company or the Subsidiary Guarantor, and, to the extent permitted by applicable law, may be enforced in any court to the jurisdiction of which the Company or any of the Subsidiary Guarantors, is subject by a suit upon such judgment or in any manner provided by law, *provided* that service of process is effected upon the Company or any of the Subsidiary Guarantors, in the manner specified in the following subsection or as otherwise permitted by applicable law.

(c) As long as any of the Notes remain outstanding, the Company and each of the Subsidiary Guarantors will at all times have an authorized agent in the Borough of Manhattan, the City of New York, upon whom process may be served in any legal action or proceeding arising out of or relating to this Indenture, any Note or any Subsidiary Guarantee. Service of process upon such agent and written notice of such service mailed or delivered to the Company or any Subsidiary Guarantor, as the case may be, shall to the fullest extent permitted by applicable law be deemed in every respect effective service of process upon the Company or such Subsidiary Guarantor, in any such legal action or proceeding. The Company and each of the Subsidiary Guarantors hereby appoints Cogency Global Inc. as its agent for such purpose, and covenants and agrees that service of process in any suit, action or proceeding may be made upon it at the office of such agent at 122E 42nd Street, 18th Floor, New York, NY 10016, United States. Notwithstanding the foregoing, the Company or any Subsidiary Guarantor may, with prior written notice to the Trustee, terminate the appointment of Cogency Global Inc. and appoint another agent for the above purposes so that the Company and the Subsidiary Guarantors shall at all times have an agent for the above purposes in the Borough of Manhattan, the City of New York. The Company and each of the Subsidiary Guarantors hereby agree to take any and all action as may be necessary to maintain the designation and appointment of an agent in full force and effect until the Final Maturity Date (or earlier, if the Notes are prepaid in full).

(d) The Company and each of the Subsidiary Guarantors hereby irrevocably waives, to the fullest extent permitted by applicable law, any requirement or other provision of law, rule, regulation or practice which requires or otherwise establishes as a condition to the institution, prosecution or completion of any suit, action or proceeding (including appeals) arising out of or relating to this Indenture or any Note or any Subsidiary Guarantee, the posting of any bond or the furnishing, directly or indirectly, of any other security.

Section 12.07. *No Adverse Interpretation of Other Agreements.* This Indenture may not be used to interpret another indenture or loan or debt agreement of the Company or any Subsidiary of the Company, and no such indenture or loan or debt agreement may be used to interpret this Indenture. In addition, no other agreement or document may be used to interpret this Indenture with regard to any rights, duties or obligations of the Trustee created hereunder.

Section 12.08. *Successors.* All agreements of the Company or any Subsidiary Guarantor in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successor.

Section 12.09. *Duplicate Originals.* The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

Section 12.10. *Separability.* In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.11. *Table of Contents and Headings.* The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and in no way modify or restrict any of the terms and provisions of this Indenture.

Section 12.12. *No Personal Liability of Incorporators, Stockholders, Officers, Directors or Employees.* No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company or any of the Subsidiary Guarantors in this Indenture, any of the Notes or any of the Subsidiary Guarantees, or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, officer, director, employee or controlling person of the Company, any of the Subsidiary Guarantors, or of any successor Person thereof. Each Holder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Subsidiary Guarantees.

Section 12.13. *Force Majeure* . Notwithstanding anything to the contrary in this Indenture or in any other transaction document, the Trustee shall not in any event be liable for any loss or damage, or any failure or delay in the performance of its obligations hereunder if it is prevented from so performing its obligations by any reason which is beyond the control of the Trustee, including, but not limited to (i) an act of God, fire, epidemic, explosion, floods, earthquakes, typhoons; (ii) riot, civil commotion or unrest, insurrection, terrorism, war, strikes or lockouts; nationalisation, expropriation or other governmental actions; (iii) any law, order or regulation of a governmental, supranational or regulatory body; (iv) regulation of the banking or securities industry including changes in market rules, currency restrictions, devaluations or fluctuations; (v) market conditions affecting the execution or settlement of transactions or the value of assets; and (vi) breakdown, failure or malfunction of any telecommunications, computer services or systems, or other causes to which the Trustee is subject.

Section 12.14. *USA Patriot Act* . The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. PATRIOT Act.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, Guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee or an Authenticating Agent under the Indenture by manual or electronic signature of one of its authorized officers.

FORM OF REVERSE OF CERTIFICATED NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

2.0% Senior Notes Due 2035

1. Principal and Interest.

The Company promises to pay the principal of this Note on January 21, 2035.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 6 and July 6 immediately preceding an Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in PIK Interest.

Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise

indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture, or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee or the Authenticating Agent under the Indenture by manual or electronic signature of one of its authorized officers.

LIST OF SUBSIDIARY GUARANTORS

*[List all Subsidiary Guarantors if the Global Note
is issued subsequent to the Original Issue Date]*

FORM OF REVERSE OF GLOBAL NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

2.0% Senior Notes Due 2035

1. Principal and Interest.

The Company promises to pay the principal of this Note on January 21, 2035.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in PIK Interest.

Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise

indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

9. Governing Law.

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

10. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A/ (= Uniform Gifts to Minors Act).

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

5. Registered Form; Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in denominations of US\$1 and any multiple of US\$1 in excess thereof. A Holder may register the transfer or exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be immediately due and payable. If a bankruptcy or insolvency default with respect to the Company or any Restricted Subsidiary occurs and is continuing, the Notes automatically become immediately due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require security and indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

7. Amendment and Waiver.

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes, the Subsidiary Guarantees, the Intercreditor Agreement or any Security Document to, among other things, cure any ambiguity, defect or inconsistency, or make any other change that does not materially and adversely affect the rights of any Holder.

8. Authentication.

This Note is not valid until the Trustee (or Authenticating Agent) signs the certificate of authentication on the other side of this Note.

SUBSIDIARY GUARANTEE

Each of the undersigned (the “**Subsidiary Guarantors**”) hereby, jointly and severally, guarantees as principal obligor to each Holder of a Note authenticated by the Trustee or the Authenticating Agent and to the Trustee and its successors and assigns the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes and the Indenture. The obligations of each Subsidiary Guarantor are unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged or otherwise affected by: (1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under the Indenture or any Note, by operation of law or otherwise; (2) any modification or amendment of or supplement to the Indenture or any Note; (3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in the Indenture or any Note; (4) the existence of any claim, set off or other rights which the Subsidiary Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with the Indenture or any unrelated transactions; *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim; (5) any invalidity, irregularity, or unenforceability relating to or against the Company for any reason of the Indenture or any Note; or (6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Subsidiary Guarantor’s obligations hereunder.

This Subsidiary Guarantee will not be discharged with respect to any Note except by payment in full of the principal of, premium, if any, and interest on the Notes and all other amounts payable, in respect of any Subsidiary Guarantor, as otherwise contemplated in the Indenture. In case of the failure of the Company punctually to pay any such principal of, premium, if any, and interest on the Notes and all other amounts payable, each of the Subsidiary Guarantors hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Company.

Subject to certain exceptions as set forth in the Indenture, each of the Subsidiary Guarantors hereby further agrees that all payments of, or in respect of, principal of, and premium (if any) and interest in respect of this Subsidiary Guarantee will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined in the Indenture) or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, each Subsidiary Guarantor severally agrees to pay such additional amounts as will result in receipt by the holder of this

Subsidiary Guarantee of such amounts as would have been received by such holder had no such withholding or deduction been required.

The obligations of the Subsidiary Guarantors to the holder of this Note and to the Trustee pursuant to this Subsidiary Guarantee and the Indenture are expressly set forth in Article 11 of the Indenture, and reference is hereby made to such Article and Indenture for the precise terms of the Subsidiary Guarantee.

This Subsidiary Guarantee shall not be valid or obligatory for any purpose until the certificate of authentication on the Note upon which this Subsidiary Guarantee is endorsed shall have been executed by the Trustee or the Authenticating Agent under the Indenture by manual or electronic signature of one of its authorized officers.

is issued subsequent to the Original Issue Date]*

FORM OF REVERSE OF GLOBAL NOTE

SHIMAO GROUP HOLDINGS LIMITED
(世茂集團控股有限公司)

2.0% Senior Notes Due 2035

1. Principal and Interest.

The Company promises to pay the principal of this Note on January 21, 2035.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth on the face of this Note, at the rate of 2.0% per annum.

Interest will be payable semi-annually in arrears (to the Holders of record of the Notes at the close of business on January 20 and July 20 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing January 21, 2026.

This Note shall bear interest, accruing from and including the Original Issue Date or from the most recent Interest Payment Date on which interest has been paid or duly provided for, payable semi-annually in arrears on each Interest Payment Date, payable entirely in PIK Interest.

Interest will be computed on the basis of a 360-day year of twelve 30-day months. In any case in which the date of the payment of principal of, premium or interest on the Notes is not a Business Day in the relevant place of business, then payment of principal, premium or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place. Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes will accrue for the period after such date.

Interest not paid when due and any interest on principal, premium or interest not paid when due will be paid to the Persons that are Holders on a special record date, which will be the 15th day preceding the date fixed by the Company for the payment of such interest, whether or not such day is a Business Day. At least 15 days before a special record date, the Company will send to each Holder and to the Trustee a notice that sets forth the special record date, the payment date and the amount of interest to be paid.

2. Indenture; Subsidiary Guarantees; Collateral.

This is one of the Notes issued under an Indenture, dated as of July 21, 2025 (as amended from time to time, the “**Indenture**”), among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of Cayman Islands (the “**Company**”), the Subsidiary Guarantors listed in Schedule I thereto and GLAS Trust Company LLC, as trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise

indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are general obligations of the Company. The Indenture provides for the issuance from time to time of up to such principal amount or amounts as may from time to time be authorized of the Notes, and the originally issued Notes and any Additional Notes vote together for all purposes as a single class. This Note is guaranteed and will be secured by the Collateral, as set forth in the Indenture.

The Indenture limits, among other things, the ability of the Company to Incur or guarantee additional Indebtedness and issue disqualified or preferred stock, declare dividends on its Capital Stock or purchase or redeem Capital Stock, make investments or other specified Restricted Payments, issue or sell Capital Stock of Restricted Subsidiaries, guarantee Indebtedness, sell assets, create any Liens, enter into certain Sale and Leaseback Transactions, enter into agreements that restrict the Restricted Subsidiaries' ability to pay dividends, transfer assets or make intercompany loans, enter into transactions with equity holders or affiliates or effect a consolidation or merger.

3. Optional Redemption.

At any time after the earlier of (A) the Stated Maturity of the Short Term Notes and the Short Term Loan and (B) redemption or repayment in full of the Short Term Notes and the Short Term Loan, and prior to the Final Maturity Date, the Company may at its option redeem the Notes, in whole or in part, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that (i) the Notes shall not be redeemed pursuant to Section 3.02 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding and (ii) the Company shall redeem the Notes and repay the Long Term Loan concurrently on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan.

The Company will give not less than 10 Business Days' nor more than 30 Business Days' notice of any redemption. The Trustee will select Notes for redemption pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate.

A Note of US\$1 in principal amount or less shall not be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on the Notes or portions of them called for redemption.

4. Mandatory Redemption

If the Company makes any voluntary prepayment of the Long Term Loan in accordance with the terms of the Long Term Loan, the Company shall concurrently redeem the Notes on a pro rata basis according to the respective original issue amounts of the Long Term Notes and the Long Term Loan, at a redemption price equal to the principal amount of the Notes redeemed, plus accrued and unpaid interest on the principal amount of the Notes so redeemed, if any, to (but not including) the redemption date, *provided* that the Notes shall not be redeemed pursuant to Section 3.03 of the Indenture for so long as any Other Long Term Notes with a maturity date that is earlier than the Final Maturity Date remain outstanding, in which case the portion of funds to be used to redeem the Notes shall be allocated to redeem the series of the Other Long Term Notes with the earliest maturity.

Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

6. Defaults and Remedies.

2.0% Senior Notes Due 2035 of Shimao Group Holdings Limited (世茂集團控股有限公司)

Reference is hereby made to the Indenture dated as of July 21, 2025 (the “**Indenture**”) among Shimao Group Holdings Limited (世茂集團控股有限公司), an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “**Company**”), the entities listed in Schedule I to the Indenture (the “**Subsidiary Guarantors**”) and GLAS Trust Company LLC (the “**Trustee**”). Terms used herein are used as defined in the Indenture.

The Company hereby appoints GLAS Trust Company LLC as the paying agent and transfer agent (the “**Paying and Transfer Agent**”), the authenticating agent (the “**Authenticating Agent**”) and as the registrar (the “**Registrar**,” together with the Paying and Transfer Agent and the Authenticating Agent, the “**Agents**”) with respect to the Notes and each Agent hereby accepts such appointment. By accepting such appointment, each Agent agrees to be bound by and to perform the services with respect to itself set forth in the terms and conditions set forth in the Indenture and the Notes, as well as the following terms and conditions to all of which the Company agrees and to all of which the rights of the Holders from time to time of the Notes shall be subject:

(a) The Company, no later than 9:00 a.m. (New York City time) on the Business Day immediately preceding each date on which a cash payment in respect of the Notes becomes due, shall (i) transfer (or cause to be transferred) to the Paying and Transfer Agent in the currency of United States of America in immediately available and cleared funds such amount as may be required for the purposes of such payment and (ii) notify the Paying and Transfer Agent and the Registrar of such transfer. The Company, no later than 9:00 a.m. (New York City time) on the third Business Day immediately preceding each date on which any cash payment in respect of the Notes becomes due, shall confirm such payment instructions to the Paying and Transfer Agents. The Paying and Transfer Agent shall not be bound to make payment until immediately available and cleared funds in such amount as may be required for the purpose of such payment have been received from the Company.

(b) Each Agent shall be entitled to the compensation to be agreed upon in writing with the Company and the Subsidiary Guarantors, jointly and severally, for all services rendered by it under the Indenture, and the Company and the

Subsidiary Guarantors, jointly and severally, agree promptly to pay such compensation and to reimburse each Agent for its out-of-pocket expenses (including fees and expenses of counsel) incurred by it in connection with the services rendered by it under the Indenture. The Company and each of the Subsidiary Guarantors jointly and severally hereby agree to indemnify each Agent and each of its officers, directors, agents and employees and any successors thereto for, and to hold each of them harmless against, any loss, liability or expense (including reasonable fees and expenses of counsel) incurred without negligence or willful misconduct on its part arising out of or in connection with their acting as the relevant Agent hereunder. The obligations of the Company and the Subsidiary Guarantors under this paragraph (b) shall survive the payment of the Notes, the termination or expiry of the Indenture or this letter and the resignation or removal of the relevant Agent. Under no circumstances will any Agent be liable to the Company or any other party to this letter or the Indenture for any indirect consequential punitive or special damages, even if advised of the possibility of such loss or damage.

(c) In acting under the Indenture and in connection with the Notes, each Agent is acting solely as agent of the Company and does not assume any obligation towards or relationship of agency or trust for or with any of the owners or Holders of the Notes, except that all funds held by the Paying and Transfer Agent for the payment of principal interest or other amounts (including Additional Amounts) on, the Notes shall, subject to the provisions of the Indenture, be held in trust by the Paying and Transfer Agent and applied as set forth in the Indenture and in the Notes, but need not be segregated from other funds held by the Paying and Transfer Agent, except as required by law.

(d) Any Agent may consult with counsel satisfactory to it and any advice or written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it under the Indenture in good faith and in accordance with such advice or opinion.

(e) Each Agent shall be fully protected and shall incur no liability for or in respect of any action taken or omitted to be taken or thing suffered by it in reliance upon any Note, notice, direction, consent, certificate, affidavit, statement or other paper or document reasonably believed by it to be genuine and to have been presented or signed by the proper party or parties.

(f) The Paying and Transfer Agent will hold all sums received by it as such for the payment of the principal of, or premium or interest on, the Notes (whether such sums have been paid to it by or on behalf of the Company or by any other obligor on the Notes or any Subsidiary Guarantee) in trust for the benefit of the Holders or of the Trustee. The Paying and Transfer Agent and any of their Affiliates, in their individual capacity or any other capacity, may become the owner of, or acquire any interest in, any Notes or other obligations of the Company with the same rights that each of them would have if they were not the Paying and Transfer Agent, and may engage or be interested in any financial or other transaction with the Company, and may act on, or as depository, Trustee or agent for, any committee or body of Holders of Notes or other obligations of the Company, as freely as if they were not the Paying and Transfer Agent.

(g) The Paying and Transfer Agent shall give the Trustee written notice of any failure by the Company (or by any other obligor on the Notes, the Subsidiary Guarantees) to make any payment of the principal of, or premium or interest on, the Notes and any other payments to be made on behalf of the Company under the Indenture, when the same shall be due and payable and at any time during the continuance of any such failure the Paying and Transfer Agent will pay any such sums so held in trust by it to the Trustee upon the Trustee's written request.

(h) The Paying and Transfer Agent shall not be under any liability for interest on any monies received by it pursuant to any of the provisions of the Indenture or the Notes.

(i) Each Agent shall be obligated to perform such duties and only such duties as are in the Indenture and the Notes specifically set forth, and no implied duties or obligation shall be read into the Indenture or the Notes against any Agent. None of the Agents shall be under any obligation to take any action under the Indenture which may tend to involve it in any expense or liability, the payment of which within a reasonable time is not, in its reasonable opinion, assured to it.

The Paying and Transfer Agent shall have no obligation to expend its own funds or otherwise incur any financial liability in the performance of its obligations hereunder or under the Indenture. Notwithstanding anything contained herein to the contrary, the obligations of the Agents under this letter are several and not, and shall under no circumstances be deemed to be, joint. Notwithstanding anything else herein contained, any Agent may refrain without liability from doing anything that would or might in its opinion following advice in writing by legal counsel of international repute be contrary to any law of any state or jurisdiction (including but not limited to the jurisdiction of the law of this letter and of any Agent's formation, the United States of America or any jurisdiction forming a part of it and England & Wales) or any directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its opinion following advice in writing by legal counsel of international repute, necessary to comply with any such law, directive or regulation.

(j) Any Agent may at any time resign by giving written notice of its resignation to the Company and the Trustee and specifying the date on which its resignation shall become effective; *provided* that such date shall be at least 60 days after the date on which such notice is given unless the Company agrees to accept shorter notice. Upon receiving such notice of resignation, if required by the Indenture the Company shall promptly appoint a successor agent by written instrument substantially in the form hereof in triplicate signed on behalf of the Company, one copy of which shall be delivered to the resigning Agent, one copy to the successor agent and one copy to the Trustee. Upon the effectiveness of the appointment of a successor agent, the retired Agent shall have no further obligations under this letter or the Indenture.

Such resignation shall become effective upon the earlier of (i) the effective date of such resignation and (ii) the acceptance of appointment by the successor agent, as provided below. The Company may, at any time and for any reason, remove any Agent and appoint a successor agent, by written instrument in triplicate signed on

behalf of the Company, one copy of which shall be delivered to the Agent being removed, one copy to the successor agent and one copy to the Trustee. Any removal of any Agent and any appointment of a successor agent shall become effective upon acceptance of appointment by the successor agent as provided below. Upon its resignation or removal, the relevant Agent shall be entitled to the payment by the Company of its compensation for the services rendered hereunder and to the reimbursement of all reasonable out-of-pocket expenses incurred in connection with the services rendered by it hereunder.

The Company shall remove an Agent and appoint a successor agent if such Agent (i) shall become incapable of acting, (ii) shall be adjudged bankrupt or insolvent, (iii) shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, (iv) shall consent to, or shall have had entered against it a court order for, any such relief or to the appointment of or taking possession by any such official in any involuntary case or other proceedings commenced against it, (v) shall make a general assignment for the benefit of creditors or (vi) shall fail generally to pay its debts as they become due.

Any successor agent appointed as provided herein shall execute and deliver to its predecessor and to the Company and the Trustee an instrument accepting such appointment (which may be in the form of an acceptance signature to the letter of the Company appointing such agent) and thereupon such successor agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as the relevant Agent and such predecessor shall pay over to such successor agent all monies or other property at the time held by it hereunder.

If no successor is appointed by the Company within 30 days of the resignation or removal of an Agent, (i) the retiring Agent may recommend a successor agent to the Company for its approval, and, within 30 days from the date of the recommendation by the retiring Agent, the Company shall either approve and obtain written acceptance of appointment from such recommended agent or appoint another successor agent of its own choice and obtain written acceptance of appointment from such other successor agent, or (ii) the retiring Agent or the Company may petition any court of competent jurisdiction for the appointment of a successor agent.

(k) Notwithstanding anything contained herein to the contrary, each of the Company and the Subsidiary Guarantors hereby irrevocably agrees that any and all of the rights and obligations of any Agent (except the Trustee) and, to the extent applicable, the obligations of the Company toward any Agent (except the Trustee) set forth in the Indenture shall be deemed to have been included in this letter.

(l) Notwithstanding anything contained herein to the contrary, the obligations of the Agents under this letter are not joint and should be independently construed and each of the Paying and Transfer Agent shall not be liable for each other's acts or omissions to act.

(m) Each Agent shall at all times be a responsible financial institution which is authorized by law to exercise its respective powers and duties hereunder and under the Indenture and the Notes.

(n) Each Agent shall comply with all applicable withholding, information reporting and backup withholding tax requirements under the U.S. Internal Revenue Code of 1986, as amended, and the Treasury regulations issued thereunder in respect of any payment on, or in respect of, a Note or under the Subsidiary Guarantee (including the collection of IRS Form W-8 ECI, IRS Form W-8 BEN and IRS Form W-9, as the case may be, and the filing of IRS Form 1099 and IRS Form 1096).

(o) The parties hereto agree that if any payments of interest or principal under the Notes become subject to U.S. withholding tax pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended, the parties hereto shall use commercially reasonable efforts to cooperate in good faith and to share such relevant and applicable information to the extent practicable or make such amendments or modifications to this letter as are necessary to permit the parties to fulfill their withholding and reporting obligations thereunder, *provided* that the Agents shall not be obligated to identify whether such withholding is applicable or assist any other party in fulfilling its withholding and reporting obligations thereunder.

(p) Each Agent will treat information relating to the Company and the Subsidiary Guarantors as confidential, but (unless consent is prohibited by law) each of the Company and the Subsidiary Guarantors consents to the transfer and disclosure by any Agent of any information relating to the Company and the Subsidiary Guarantors to and between branches, subsidiaries, representative offices, affiliates and agents of such Agent and third parties selected by any of them, wherever situated, for internal use only (including in connection with the provision of any service and for data processing, statistical and risk analysis purposes). Each Agent and any branch, subsidiary, representative office, affiliate, agent or third party may transfer and disclose any such information as required by any law, court regulator or legal process. To the extent the Company and the Subsidiary Guarantors provide any information regarding third parties to any Agent, the Company and the Subsidiary Guarantors shall provide any necessary information to, and obtain any necessary consents from, such third parties to allow any transfer, disclosure and use of such information by such Agent.

Each party shall, within twenty Business Days of a written request by another party, supply to such other party(ies) such forms, documentation and other information relating to it, its operations, or the Notes as such other party(ies) reasonably requests for the purposes of such other party(ies)'s compliance with Applicable Law and shall notify the relevant other party(ies) reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; *provided, however*, that no party shall be required to provide any forms, documentation or other information pursuant to this Clause to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party

and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality.

(q) Any notice or communication to the Agents will be deemed given when sent by electronic transmission, with transmission confirmed. Any notice to the Agents will be effective only upon receipt. The notice or communication to the Agents should be given as follows:

Such review did not disclose the existence during or at the end of the annual period covered by this Compliance Certificate, and I have no knowledge of the existence as of the date of this Compliance Certificate, of any condition or event which would impair the perfected security interest created by the Indenture and the Security Documents with at least the priority of such security interest on the Original Issue Date[, except as set forth below].

(d) Based upon the advice of counsel, all action has been taken with respect to the recording, registering, filing, re-recording, registering and re-filing of all supplemental indentures, financing statements, continuation statements or other instruments of further assurance as may be necessary to maintain the Liens granted pursuant to the Security Documents to the extent required by the Security Documents, if any [and, if necessary, reciting the details of such action].

(f) That a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under the Indenture, in each case since the Original Issue Date, [and that the Company and the Subsidiary Guarantor have been since the Original Issue Date and are in compliance with all obligations under the Indenture]/[if there has been a default in the fulfillment of any obligation under the Indenture, specifying each such default and the nature and status thereof.]

(g) During the annual period covered by this Compliance Certificate, to my actual knowledge, the following transactions occurred as an Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness or are subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) of the Indenture as transactions for the purposes of, in connection with or to facilitate property delivery or to ensure social stability as requested or required by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measure:

[insert a brief description of the value and parties to the transaction, if any]]

Except as the aforesaid, during the annual period covered by this Compliance Certificate, there has been no other request or requirement by the PRC government bodies and/or under applicable PRC laws, rules, regulations, government policies or measures that has resulted in any transaction that (i) would qualify as an Asset Sale, Permitted Investment, Permitted Lien or Permitted Indebtedness; or (ii) be subject to Section 4.13(b)(iii) or Section 4.14(b)(xi) of the Indenture.

So long as any Bond remains outstanding, save with the approval of an Extraordinary Resolution, the Company will:

For the avoidance of doubt, nothing in this Clause 5.1.3 shall prevent the issue of any equity share capital by the Company in accordance with any Employee Share Scheme or any equity share capital (including Shares) pursuant to the conversion provisions of the Bonds as set out in Condition 6;

5.1.4 Limited Modification of Rights: not modify the rights attaching to the Shares with respect to voting, dividends or liquidation nor issue any other class of ordinary share capital carrying any rights which are more favourable than the rights attaching to Shares but so that nothing in this Clause 5.1.4 shall prevent (i) the issue of equity share capital pursuant to any Employee Share Scheme or any equity share capital (including Shares) pursuant to the conversion provisions of the Bonds as set out in Condition 6; (ii) a consolidation or subdivision of the Shares or the conversion of any Shares into stock or vice versa; (iii) a modification to the rights attaching to the Shares which is not, in the opinion of an Independent Financial Advisor, materially prejudicial to the interests of the Bondholders; (iv) the conversion of Shares into, or the issue of any Shares in, uncertificated form (or the conversion of Shares in uncertificated form to certificated form) or the amendment of the articles of association of the Company to enable title to securities of the Company (including Shares) to be evidenced and transferred without

a written instrument or any other alteration to the articles of association of the Company made in connection with the matters described in this Clause 5.1.4 or which are supplemental or incidental to any of the foregoing (including amendments made to enable or facilitate procedures relating to such matters and amendments dealing with the rights and obligations of holders of securities (including Shares) dealt with under such procedures) or (v) any issue of equity share capital which results (or would, if the adjustment would be one per cent. or more of the Conversion Price then in effect, otherwise result) in an adjustment of the Conversion Price;

5.1.5 Limited Grant of Rights: procure that no securities (whether issued by the Company or any of its Subsidiaries) issued without rights to convert into or exchange or subscribe for Shares shall subsequently be granted such rights at a consideration per Share which is less than 85 per cent. of the Current Market Price per Share on the date of the announcement of the proposed inclusion of such rights unless the same gives rise (or would, if the adjustment would be one per cent. or more of the Conversion Price then in effect, give rise) to an adjustment of the Conversion Price and that at no time shall there be in issue Shares of differing par values. For the avoidance of doubt, nothing in this Clause 5.1.5 shall prevent the issue of any equity share capital by the Company pursuant to any Employee Share Scheme or any equity share capital (including Shares) pursuant to the conversion provisions of the Bonds as set out in Condition 6;

5.1.6 Directors' Certificate: if an event occurs as a result of which the Conversion Price may be adjusted pursuant to the Conditions, as soon as practicable, send the Trustee a certificate signed by one Authorised Signatory of the Company on behalf of the Company setting out (i) particulars of the event, (ii) whether an adjustment to the Conversion Price is to be made and, if so, (iii) the Conversion Price prior to such adjustment, the adjusted Conversion Price and the date on which such adjustment takes effect, whether an amount will be carried forward pursuant to Clause 7.2.3 and if so the amount to be carried forward;

5.1.8 Closing of Register of Shareholders: unless so required by Applicable Laws or the articles of the Company or the Listing Rules or in order to establish a dividend or other rights attaching to the Shares or entitlements of the Shareholders, not close its register of Shareholders or take any other action which prevents the transfer of its Shares generally, nor take any action which prevents the conversion of the Bonds or the issue of Shares in respect of them otherwise than in accordance with the Conditions.

Resolution, the Company will:

- 5.2.4 No Reduction of Issued Share Capital:** not make any reduction of its ordinary share capital or any uncalled liability in respect thereof or of any share premium account except, in each case, where the reduction is permitted by Applicable Laws and results in (or would, but for the provision of the Conditions relating to rounding or the carry forward of adjustments, result in) an adjustment to the Conversion Price or is otherwise taken into account for the purposes of determining whether such an adjustment should be made *provided* always that the Company shall not be prohibited from purchasing its Shares to the extent permitted by law.

7.2.3 Rounding and Minor Adjustments: on any adjustment, the resultant Conversion Price, if not an integral multiple of one Hong Kong cent, shall be rounded down to the nearest Hong Kong cent. Any adjustment not required to be made, and/or any amount by which the Conversion Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the basis that the adjustment not required to be made had been made at the relevant time and/or, as the case may be, that the relevant rounding down had not been made. The Trustee and the Conversion Agent shall not be responsible or liable to the Bondholders or any other person for any loss arising from any such failure or reliance or for any delay of the Company, the Calculation Agent or the Independent Financial Advisor in making any calculation or determination or for the Company, the Calculation Agent or the Independent Financial Advisor making any erroneous calculation or determination.

- 7.5 No Discount to Par Value:** The Conversion Price may not be reduced so that, on conversion of the Bonds, (i) Shares would fall to be issued at a discount to their par value unless under Applicable Laws then in effect the Bonds may be converted at such reduced Conversion Price into legally issued, fully paid and non-assessable Shares or (ii) it would require Shares to be issued in any other circumstances not permitted by Applicable Laws.
- 7.6 Independent Financial Advisor's Certificate Conclusive:** If any doubt shall arise as to the appropriate adjustment to the Conversion Price, then following consultation among the Company and an Independent Financial Advisor, a certificate or report delivered to the Company and the Conversion Agent from an Independent Financial Advisor (acting as an expert), selected by the Company at its expense, shall be conclusive and binding on all concerned save in the case of manifest error.

Such action may include but is not limited to the interception and investigation of transactions on the Company's accounts (particularly those involving the international transfer of funds) including the source of the intended recipient of fund paid into or out of the Company's accounts. In certain circumstances, such action may delay or prevent the processing of the Company's instructions, the settlement of transactions over the Company's accounts or the Trustee's performance of its obligations under this Trust Deed, the Agency Agreement, the Conditions and/or the Bonds. Subject to Applicable Laws and notwithstanding any other term or provision of this Trust Deed to the contrary, the Trustee shall not be liable to the Bondholders or the Company for any matter or thing done or omitted or action taken or omitted by it in any way in connection with or in relation to the transaction documents other than to the extent that a court of competent jurisdiction determines that the Trustee's gross negligence, fraud or wilful default was a cause of any loss to the Bondholders and the Company.

Any statutory duty of care provided for in the Trustee Ordinance shall not apply to any function, right, power, discretion or act of the Trustee or in relation to the trusts constituted by this Trust Deed. Where there are inconsistencies between the Trustee Ordinance and the provisions of

The Trustee's waiver or authorisation may be subject to it being indemnified and/or secured and/or pre-funded to its satisfaction and to any other condition which the Trustee requires, including, but not limited to obtaining, at the expense of the Company, advice from or an opinion of any investment bank or legal or other expert and/or the Auditors and a certificate signed by two persons who are Directors and Authorised Signatories of the Company or are other Authorised Signatories of the Company. The Trustee shall be entitled to but shall not be obligated to rely on such advice or opinion. No such direction or request will affect a previous waiver, authorisation or determination. Any such waiver, authorisation or determination will be binding on the Bondholders and will be notified by the Company to the Bondholders as soon as practicable.

13.2 Proof of Default: Proof that the Company has failed to pay a sum due to the holder of any one Bond will (unless the contrary be proved) be sufficient evidence that it has made the same default as regards all other Bonds which are then payable.

14 Trustee not Precluded from Entering into Contracts

The Trustee and entities associated with the Trustee and any of its officers, directors and employees may become the owner of, and/or may acquire any interest in, any Bonds with the same rights that it or he would have had if the Trustee were not appointed under this Trust Deed, and may engage or be interested in any financial or other transaction with the Company and any other persons, and may act on, or as depository, trustee or agent for, any committee or body of Bondholders or other obligations of the Company or any other person, as freely as if the Trustee were not appointed under this Trust Deed and shall be entitled to retain and shall not in any way be liable to account to the Company, the Bondholders or any other person for any profit made or share of brokerage or commission or remuneration or other amount or benefit received thereby or in connection therewith.

15 Modification

Any such modification, waiver or authorisation will be binding on the Bondholders and all future Bondholders and will be notified by the Company to the Bondholders in accordance with Condition 16 (*Notices*) as soon as practicable thereafter.

If a sole trust corporation gives notice of retirement or Bondholders holding in aggregate at least 25 per cent. of the outstanding principal amount of the Bonds at such time request for its removal, the Company will use all reasonable endeavours to procure that another trust corporation be appointed as Trustee but, in the case of the Trustee's retirement, if it fails to do so by the day falling 15 days prior to the expiry of such 45 days' notice period or, as the case may be, by the day falling 30 days after the date of such Extraordinary Resolution, the retiring Trustee shall have the power, (i) to petition any court of competent jurisdiction for its resignation or (ii) to appoint a new trustee, in each case on behalf of and at the expense of the Company. For the avoidance of doubt, the appointment of a successor trustee appointed by the Company or the retiring Trustee in accordance with this Clause 16.2 (*Retirement and Removal*) shall not require approval by Bondholders holding in aggregate at least 25 per cent. of the outstanding principal amount of the Bonds at such time or any other approvals. The Trustee shall not be responsible for monitoring or supervising any such new trustee.

16.3 Successor: Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor to the Trustee hereunder without the execution or filing of any papers or any further act on the part of any of the parties hereto. Schedule 2
Terms and Conditions of the Bonds

TERMS AND CONDITIONS OF THE BONDS

The following (other than the words in italics) is the text of the terms and conditions of the Bonds (as defined below) which will appear on the reverse of each individual registered bond certificates evidencing the Bonds:

The issue of up to US\$4,999,668,072 (the “**Original Issue Amount**”) in aggregate principal amount of Mandatory Convertible Bonds due 2026 (the “**Bonds**”) of Shimao Group Holdings Limited (世茂集團控股有限公司) (the “**Company**”) and the right of conversion into Shares (as defined in Condition 6(A)(vi) (*Meaning of “Shares”*)) were authorised by resolutions of the board of directors of the Company passed on or around [9 January 2025]. In addition, the right of conversion into Shares was approved by resolutions of the shareholders of the Company on 15 January 2025.

The Bonds are constituted by a trust deed (as amended or supplemented from time to time, the “**Trust Deed**”) dated 21 July 2025 (the “**Original Issue Date**”) made between the Company and GLAS Trust Company LLC as bond trustee for the Bondholders (the “**Trustee**”, which term shall, where the context so permits, include all other persons or companies for the time being acting as bond trustee under the Trust Deed) and are subject to the paying and conversion agency agreement dated 21 July 2025 (as amended or supplemented from time to time, the “**Agency Agreement**”) made between the Company, the Trustee and GLAS Trust Company LLC as principal paying and transfer agent and as registrar (the “**Registrar**”) and the other paying and transfer agents appointed under it (each a “**Paying Agent**” or “**Transfer Agent**”, as applicable), GLAS Trust Company LLC as conversion agent and the other conversion agents appointed under it (each a “**Conversion Agent**”, together with the Paying Agent and the Transfer Agent, the “**Principal Agent**”) and GLAS Trust Company LLC as calculation agent (the “**Calculation Agent**”, and together with the Paying Agent, Conversion Agent, Transfer Agent and the Registrar and the Principal Agent, the “**Agents**”), whereby the Calculation Agent has been appointed to make certain calculations in relation to the Bonds from time to time. References to the “**Principal Agent**”, “**Registrar**” and “**Agents**” below are references to the principal agent, registrar and agents for the time being for the Bonds. The statements in these terms and conditions (the “**Conditions**”) include summaries of, and are subject to, the detailed provisions of the Trust Deed. Unless otherwise defined, terms used in these Conditions have the meaning specified in the Trust Deed.

Copies of the Trust Deed and the Agency Agreement are available to Bondholders during normal business hours from the Trustee and Agents electronically via email upon receipt of satisfactory proof of holding and identity from such Bondholder. The Bondholders are entitled to the benefit of, and are bound by, the Trust Deed and are deemed to have notice of all the provisions of the Trust Deed and the Agency Agreement applicable to them.

1. Status

The Bonds constitute direct, unsubordinated, unconditional, unguaranteed and unsecured obligations of the Company, and shall at all times rank *pari passu* and without any preference or priority among themselves. The payment obligations of the Company under the Bonds shall, save for such exceptions as may be provided by Applicable Laws, at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

2. Form, Denomination and Title

A. Form and Denomination

The Bonds are issued in registered form in the denomination of US\$1 each and integral multiples of US\$1 in excess thereof. A bond certificate (each a “**Certificate**”) will be issued to each Bondholder in respect of its registered holding of Bonds. Each Certificate will be numbered serially with an identifying number which will be recorded on the relevant Certificate and in the register of Bondholders (the “**Register**”) which the Company will procure to be kept by the Registrar.

*Upon issue, the Bonds will be represented by the Global Certificates (each a “**Global Certificate**”) deposited with a common depositary for, and representing Bonds registered in the name of a nominee of, Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking S.A. (“**Clearstream**”). These Conditions are modified by certain provisions contained in the Global Certificates.*

*So long as the Bonds are represented by the Global Certificate and the rules of Euroclear and Clearstream so permit, transfers of interests in the Bonds through the relevant clearing systems shall be in principal amounts of at least US\$1 and higher integral multiples of US\$1. For the avoidance of doubt, neither Euroclear nor Clearstream nor the Agents are required to monitor or enforce the minimum amount. For so long as any of the Bonds are listed on Singapore Exchange Securities Trading Limited (“**SGX**”) and the rules of the SGX so require, the Bonds will be traded on the SGX in a minimum board lot size of S\$200,000 (or its equivalent in foreign currencies).*

B. Title

Title to the Bonds passes only by transfer and registration in the Register as described in Condition 3 (*Transfers of Bonds; Issue of Certificates*). The holder of any Bond will (except as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on, or the theft or loss of, the Certificate issued in respect of it) and no person will be liable for so treating the holder. In these Conditions “**Bondholder**” and (in relation to a Bond) “**holder**” mean the person in whose name a Bond is registered in the Register (or in the case of a joint holding, the first named thereof).

3. Transfers of Bonds; Issue of Certificates

A. Register

The Company will cause the Register to be kept at the specified office of the Registrar outside of Hong Kong and in accordance with the terms of the Agency Agreement on which the names and addresses of the Bondholders and the particulars of the Bonds held by them and of all transfers of the Bonds shall be entered. Each Bondholder shall be entitled to receive only one Certificate in respect of its entire holding of Bonds.

B. Transfer

Subject to Condition 3(E) (*Closed Periods*) and Condition 3(F) (*Regulations*) and the terms of the Agency Agreement, a Bond may be transferred by delivery of the Certificate issued in respect of that Bond, with the form of transfer on the back of the relevant Certificate duly completed and signed by the holder, or his attorney duly authorised in writing, to the specified office of the Registrar or the specified office of any of the Transfer Agents during usual business hours. No transfer of a Bond will be valid unless and until entered on the Register.

For so long as any of the Bonds remain outstanding and is listed on the SGX, the Bonds shall only be offered, traded and/or transferred (whether on an exchange or otherwise) in a minimum aggregate principal amount of US\$200,000.

Transfers of interests in the Bonds evidenced by the Global Certificates will be effected in accordance with the rules of the relevant clearing systems.

C. Delivery of New Certificates

Each new Certificate to be issued upon a transfer of Bonds will, within three business days (as defined below) of receipt by the Registrar or, as the case may be, any other relevant Transfer Agent of the original Certificate and the form of transfer on the back of such Certificate duly completed and signed, be made available for collection at the specified office of the Registrar or such other relevant Transfer

Agent or, if so requested in the form of transfer, be mailed by uninsured mail at the risk of the holder entitled to the Bonds (but free of charge to the holder and at the expense of the Company) to the address specified in the form of transfer.

Except in the limited circumstances described in the Global Certificates, owners of interests in the Bonds will not be entitled to receive physical delivery of Certificates.

Where only part of a principal amount of the Bonds (being that of one or more Bonds) in respect of which a Certificate is issued is to be transferred or converted in accordance with Condition 6 (*Conversion*), a new Certificate in respect of the Bonds not so transferred or converted will, within three business days of delivery of the original Certificate to the Registrar or other relevant Transfer Agent, be made available for collection at the specified office of the Registrar or such other relevant Transfer Agent or, if so requested in the form of transfer, be mailed by uninsured mail at the risk of the holder of the Bonds not so transferred or converted (but free of charge to the holder and at the expense of the Company) to the address of such holder appearing on the Register.

For the purposes of this Condition 3 (*Transfers of Bonds; Issue of Certificates*), “**business day**” shall mean a day other than a Saturday or Sunday on which banks are open for business in the city in which the specified office of the Registrar (if a Certificate is deposited with it in connection with a transfer or conversion) or the Transfer Agent with whom a Certificate is deposited in connection with a transfer or conversion, is located and “**business hours**” shall mean the hours in which banks are open for business as aforesaid on a business day.

D. *Formalities Free of Charge*

Registration of a transfer of Bonds and issuance of new Certificates will be effected without charge by or on behalf of the Company or any of the Agents, but upon (i) payment (or the giving of such indemnity as the Company or any of the Agents may require) in respect of any tax or other governmental charges which may be imposed in relation to such transfer and (ii) the Company or the Registrar or other relevant Transfer Agent being satisfied that the regulations concerning transfer of Bonds have been complied with.

E. *Closed Periods*

No Bondholder may require the transfer of a Bond to be registered (i) during the period of ten days ending on (and including) any date for payment of principal pursuant to the Conditions; (ii) after any Conversion Notice (as defined in Condition 6(B)(*Conversion Procedure*)) has been delivered with respect to a Bond; (iii) during the period of ten days ending on (and including) any date for redemption pursuant to Condition 8(B)(*Redemption for Taxation Reason*); (iv) during the period from and including the Mandatory Conversion Record Date (as defined in Condition 6(A)(ii)(*Mandatory Conversion*)) and ending on (and including) the corresponding Mandatory Conversion Date (as defined below), or (v) during such other periods during which the Company may be required to close its stock transfer books under any Applicable Laws (each such period, a “**Closed Period**”).

F. *Regulations*

All transfers of Bonds and entries on the Register will be made subject to the detailed regulations concerning transfer of Bonds scheduled to the Agency Agreement. Such regulations may be changed by the Company, with the prior written approval of the Trustee and the Registrar. A copy of the current regulations will be mailed (free of charge to the Bondholder and at the expense of the Company) by the Registrar to any Bondholder upon request in writing.

4. *Notification to NDRC and CSRC*

The Company undertakes that it will, within the prescribed time period, (i) file or cause to be filed with

the NDRC (as defined below) the requisite information and documents in connection with the Bonds in accordance with the Administrative Measures for Examination and Registration of Medium and Long-term Foreign Debts of Enterprises (企業中長期外債審核登記管理辦法) (國家發展和改革委員會令第56號) issued by the NDRC and effective as of 10 February 2023 (the “**NDRC Post-Issue Filing**”), (ii) file or cause to be filed with the CSRC (as defined below) the requisite information and documents in connection with the Bonds in accordance with the Trial Administrative Measures of Overseas Securities Offering and Listing by Domestic Companies (境內企業境外發行證券和上市管理試行辦法) issued by the CSRC and effective as of 31 March 2023 (the “**CSRC Post-Issue Filing**” and, together with the NDRC Post-issue Filing, the “**Post-Issue Filings**”) and (iii) comply with all applicable PRC laws, rules and regulations in connection with the Bonds (including, but not limited to, any rules issued by the NDRC or the CSRC from time to time).

The Company shall, within 20 PRC Business Days after submission of any Post-Issue Filing, (i) provide the Trustee with a certificate in English substantially in the form set out in Schedule 6 signed by an Authorised Signatory of the Company confirming the submission of the relevant Post-Issue Filing and a copy of evidence that the relevant Post-Issue Filing has been submitted and (ii) give notice to the Bondholders (in accordance with Condition 16 (*Notices*)) confirming the submission of the relevant Post-Issue Filing.

The Trustee shall have no obligation or duty to monitor or ensure the submission of the Post-Issue Filings, to assist the Company with the making or the completion of the Post-Issue Filings, to verify the accuracy, validity and/or genuineness of any documents in relation to or in connection with the Post-Issue Filings, to translate or procure the translation of any such documents into English or to give notice to the Bondholders confirming the submission of the Post-Issue Filings, and the Trustee shall not be liable to Bondholders or any other person for not doing any of the foregoing.

6. Conversion

The Bonds are convertible into Shares on the terms of and subject to these Conditions.

A. Conversion

The right of a Bondholder to convert any Bond held by it into Shares is referred to herein as the “**Conversion Right**”. For the purpose of the exercise of a Conversion Right, the Trustee and the Agents may have regard to any certificate, report or any other information provided to it by such clearing system or its operator as to the identity (either individually or by category)

of its accountholders with entitlements to the Global Certificates and may consider such interests as if such accountholders were the holders of the Bonds represented by the Global Certificates. The Trustee or any Agent may call for any certificate or other document to be issued by the relevant clearing system as to the principal amount of Bonds evidenced by the Global Certificates standing to the account of any person. Any such certificate or other document shall be conclusive and binding for all purposes. The Trustee or any Agent shall not be liable to Bondholders, the Company or any other person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by the relevant clearing system and subsequently found to be forged or not authentic or not to be correct.

(i) *Voluntary Conversion:*

- (1) *Upfront Voluntary Conversion:* Subject to and upon compliance with the provisions of this Condition, the Conversion Right attaching to any relevant Bond may be exercised (the “**Upfront Voluntary Conversion**”), at the option of the holder thereof in respect of all or part of the Bonds it holds, at any time during the period of 15 business days from the later of (I) the Original Issue Date, and (II) the date that the conditional listing approval from the HKSE in respect of the Shares to be issued following exercise of the Conversion Right becoming unconditional and fully effective (the “**Upfront Voluntary Conversion Period**”).
- (2) *Subsequent Voluntary Conversion:* The Conversion Right attaching to any relevant Bond may be exercised (the “**Subsequent Voluntary Conversion**”, and together with the Upfront Voluntary Conversion, each a “**Voluntary Conversion**”) at the option of a holder of the Bonds in respect of all but not some only of the Bonds it holds at any time prior to the Maturity Date, *provided* that conversion in respect of any Subsequent Voluntary Conversion shall only be effected as soon as practicable after the aggregate principal amount of the Bonds elected for conversion by Bondholders pursuant to this Condition 6(A)(i)(2) reaches US\$500.00 million, or, if the aggregate principal amount of the Bonds so elected for Subsequent Voluntary Conversion does not amount to US\$500.00 million, then the Subsequent Voluntary Conversion in respect of such Bonds shall be effected on the next immediate Mandatory Conversion Date. The Company shall deliver a notice to Bondholders in accordance with Condition 16 (*Notices*), substantially in the form attached hereto as Schedule 5, as soon as practicable within five business days after the Company has been notified by the Conversion Agent that the aggregate principal amount of Bonds elected for Subsequent Voluntary Conversion reaches US\$500.00 million.

Any Bond that remains outstanding following the Voluntary Conversion Period, and unless otherwise redeemed pursuant to these Conditions, shall be converted into Shares under the Mandatory Conversion (as defined below).

- (ii) *Mandatory Conversion:* Bonds in principal amount equal to the relevant Mandatory Conversion Amount as of the date falling 20 business days prior to each Mandatory Conversion Date (the “**Mandatory Conversion Record Date**”) shall be automatically and mandatorily converted into Shares in accordance with Condition 6(B) below, on a pro rata basis with respect to the principal amount of the Bonds held by each Bondholder, on the relevant Mandatory Conversion Date (the “**Mandatory Conversion**”), *provided* that the Mandatory Conversion Amount shall be reduced by an amount equal to the Subsequent Voluntary Conversion Amount converted in accordance with Condition 6(A)(i)(2) above on or prior to such Mandatory Conversion Date.

Notwithstanding the foregoing, should the outstanding principal amount of the Bonds be less than the applicable principal amount to be mandatorily converted on the relevant Mandatory

Conversion Date, the Company shall only be obligated to convert such Bonds outstanding on the relevant Mandatory Conversion Date.

Pursuant to notice of such Mandatory Conversion, the relevant Bonds converted will be cancelled without any further instruction from any person. None of the Trustee and the Agents shall be responsible for the conversion of or monitoring or ensuring the conversion and delivery of the Bonds into Shares pursuant to this Condition 6(A)(ii) (*Mandatory Conversion*), which shall be the sole responsibility of the Company.

Mandatory Conversion will be suspended upon the occurrence of any of the following:

- (1) any default in scheduled payment of principal or interest under any of the Notes or the Loans; and/or
- (2) until such Event of Default is discontinued or waived, an Event of Default as set forth in paragraph (i), (iii) or (iv) of Condition 10,

provided that Mandatory Conversion shall resume when the above events cease to exist or continue.

- (iii) *Number of Shares to be issued upon conversion:* The number of Shares to be issued on conversion of a Bond will be determined by dividing the principal amount of the Bond to be converted (translated into Hong Kong dollars at the fixed rate of HK\$7.82 = US\$1.00 (the “**Fixed Exchange Rate**”) by the Conversion Price (as defined in Condition 6(A)(v) (*Conversion Price*)) in effect on the Voluntary Conversion Date or as the case may be, the Mandatory Conversion Date (as defined in Condition 6(B)(ii) (*Conversion Date*)). A Conversion Right may only be exercised in respect of one or more Bonds. If more than one Bond held by the same holder is converted at any one time by such holder, the number of Shares to be issued upon such conversion will be calculated on the basis of the aggregate principal amount of the Bonds to be converted by such holder rounded down to the nearest whole number of Shares.
- (iv) *Fractions of Shares:* Fractions of Shares will not be issued on conversion and no cash adjustments will be made in respect thereof. However, if more than one Bond is converted at any one time such that the Shares to be issued on conversion are to be registered in the same name, the number of such Shares to be issued in respect thereof shall be calculated on the basis of the aggregate principal amount of such Bonds being so converted and rounded down to the nearest whole number of Shares. Notwithstanding the foregoing, in the event of a consolidation or re-classification of Shares by operation of law or otherwise occurring after 21 July 2025 which reduces the number of Shares outstanding, the Company will upon conversion of such Bonds pay in cash in United States dollars a sum equal to such portion of the principal amount of the Bond or Bonds evidenced by the Certificate deposited in connection with the conversion as corresponds to any fraction of a Share not issued as a result of such consolidation or re-classification aforesaid if such sum exceeds US\$10.00. Any such sum shall be due and payable on the date the Shares are delivered pursuant to Condition 6(B)(iv)) (*Delivery of Shares*)).
- (v) *Conversion Price:* The price at which Shares will be issued upon an Upfront Voluntary Conversion, Subsequent Voluntary Conversion or Mandatory Conversion (the “**Conversion Price**”) will initially be HK\$6.0 per Share but will be subject to adjustment in the manner provided in Condition 6(C) (*Adjustments to Conversion Price*).
- (vi) *Meaning of “Shares”:* As used in these Conditions, the expression “**Shares**” means ordinary shares of par value HK\$0.1 each in the share capital of the Company or shares of any class or classes resulting from any subdivision, consolidation or re-classification of such ordinary shares, which as between themselves have no preference in respect of dividends or of amounts payable in the event of any voluntary or involuntary liquidation or dissolution of the Company.

If such deposit is made after the end of normal business hours (being 3:00 pm in the place of specified office of the relevant Conversion Agent) or on a day which is not a business day in the place of the specified office of the relevant Conversion Agent, such deposit shall be deemed for all purposes of these Conditions to have been made on the next following such business day.

Any Conversion Notice once delivered shall be irrevocable unless the Company consents in writing to its withdrawal.

With respect to Subsequent Voluntary Conversion, the Company will deliver a notice to Bondholders in accordance with Condition 6(A)(i)(2) upon the aggregate principal amount of Bonds elected for Subsequent Voluntary Conversion reaches US\$500.00 million.

(2) *Mandatory Conversion*

The Company shall deliver a duly executed mandatory conversion notification substantially in the form attached as Exhibit B to the Agency Agreement (the “**Mandatory Conversion Notification**”) to the Bondholders, the Trustee and the Agents no later than 20 business days prior to a Mandatory Conversion Date.

Where the Company shall have delivered the Mandatory Conversion Notification relating to the Mandatory Conversion, upon receiving the Mandatory Conversion Notification and no later than seven calendar days prior to the relevant Mandatory Conversion Date, Bondholders shall provide the Company and the Conversion Agent with a reply form substantially in the form attached as Exhibit C to the Agency Agreement (the “**Mandatory Conversion Reply Form**”) setting forth their proofs of holding, legal names under which the Shares shall be registered, details of their bank accounts for the purpose of receiving cash distributions and contact information, surrender the Certificate in respect of their Bonds and pay any amounts required to be paid by the Bondholder under Condition 6(B)(iii) (*Stamp Duty etc.*). In the event that a holder of any Bonds fails to comply with the foregoing requirements by the aforesaid deadline, (such Bonds being the “**Unsurrendered Bonds**”), the relevant Shares will be issued and/or transferred and delivered to a person (the “**Relevant Person**”) selected by the Company (acting reasonably) on the relevant Registration Date (as defined in Condition 6(B)(v)(*Registration Date*)). The net proceeds of sale shall be distributed to the holders of the Unsurrendered Bonds in proportion to the aggregate principal amount of such Unsurrendered Bonds held by each such relevant Bondholder in accordance with Condition 7(A)(*Principal*) or in such other manner as the Company shall determine and notify to Bondholders in accordance with Condition 16 (*Notices*) and the Conversion Agent. The Company and the Relevant Person shall be under no obligation to obtain the best price in the sale of such Shares.

Any such cash amount paid as aforesaid to a holder pursuant to this Condition 6(B)(i)(2) shall be treated for all purposes as discharging the Company's obligations in respect of the conversion of the relevant Bonds, and all rights of each relevant Bondholder to any amount in respect of such Bonds shall be extinguished upon the payment of the relevant amount to such Bondholder in accordance with this Condition 6(B)(i)(2).

The Trustee and the Agents shall have no obligation or liability whatsoever to the Company, any Bondholders or any other person in respect of the selection and appointment of the Relevant Person, any delivery of or sale of the Shares, whether for the timing of any such sale or the price at which any such Shares are sold, any inability to sell any such Shares, the rate of exchange at which any amount is converted into any currency or for the timing of any distribution or otherwise. The Agents are entitled to mark down the Bonds pursuant to this Condition 6 on the Voluntary Conversion Date or Mandatory Conversion Date (as applicable) without any further instruction from any person, regardless of whether the delivery of Shares has been completed and shall not be liable to any person for so doing.

(3) *Calculations by the Calculation Agent*

- (a) As soon as practicable, and in any case within three (3) business days of the date of the Conversion Notice or the Mandatory Conversion Notification (as the case may be), the Calculation Agent shall calculate and determine the applicable Conversion Price at which Shares are to be issued in respect of each conversion and the number of Shares to be so issued and it shall notify the Trustee, the Principal Agent and the Company in writing of such calculations and determinations.
- (b) All calculations and determinations by the Calculation Agent, as specifically required to be made by it pursuant to these Conditions, shall (save in the case of manifest error) be final and binding on the Company, the Bondholders, the Trustee and the Agents. (ii) *Conversion Date:*

(1) *Voluntary Conversion*

In respect of a Voluntary Conversion, the conversion date in respect of a Bond (a “**Voluntary Conversion Date**”) must fall at a time when the Conversion Right attaching to that Bond is expressed in these Conditions to be exercisable and will be deemed to be the Trading Day immediately following the latest of:

- (a) the date of the surrender of the Certificate in respect of such Bond and delivery of such Conversion Notice (if they are not surrendered and delivered on the same day); and
- (b) if applicable, the date of making any payment or giving any indemnity under these Conditions in connection with the exercise of such Conversion Right,

provided that conversion in respect of any Subsequent Voluntary Conversion shall only be effected as soon as practicable after the aggregate principal amount of the Bonds elected for Subsequent Voluntary Conversion by the Bondholders reaches US\$500.00 million, or, if the aggregate principal amount of the Bonds so elected for Subsequent Voluntary Conversion does not amount to US\$500.00 million, then the Subsequent Voluntary Conversion in respect of such Bonds shall be effected on the next immediate Mandatory Conversion Date.

In respect of the Mandatory Conversion, the conversion dates in respect of the Bonds shall be (i) October 21, 2025, (ii) January 21, 2026, (iii) April 21, 2026 and (iv) the Maturity Date (each a “**Mandatory Conversion Date**”).

- (iii) *Stamp Duty etc.*: A converting Bondholder must pay to the relevant authorities any taxes and capital, stamp, issue and registration duties arising on conversion (other than any taxes or capital or stamp duties payable in the Cayman Islands, Hong Kong, the PRC or any other relevant jurisdiction in connection with the creation, issue, offering or sale of the Bonds or the execution or delivery of the Trust Deed and the Agency Agreement and, if relevant, in the place of the Alternative Stock Exchange, by the Company in respect of the allotment and issue of Shares and listing of the Shares on the Hong Kong Stock Exchange or the Alternative Stock Exchange on conversion) (the “**Taxes**”) and such Bondholder must pay all, if any, Taxes arising by reference to any disposal or deemed disposal of a Bond in connection with such conversion but shall not be responsible for any other expenses arising on the issue of Shares on conversion of Bonds. Neither the Trustee nor the Agent is under any obligation to determine whether a Bondholder is liable to pay any Taxes including capital, stamp, issue, registration or similar taxes and duties or the amounts payable (if any) in connection with this Condition 6(B)(iii) (*Stamp Duty etc.*)).
- (iv) *Delivery of Shares*:

(3) *Voluntary Conversion*

In respect of a Voluntary Conversion, as soon as practicable, and in any event not later than ten business days after the Voluntary Conversion Date, the Company will in the case of Bonds converted on exercise of the Conversion Right and in respect of which a duly completed Conversion Notice and the relevant Certificate have been delivered and amounts payable by the relevant Bondholder under this Condition 6 (*Conversion*) have been paid as required, register the person or persons designated for such purpose in the relevant Conversion Notice as holder(s) of the relevant number of Shares in the Company’s share register and will:

- (c) if so requested in the relevant Conversion Notice, cause its share registrar to mail (at the risk, and, if sent at the request of such person otherwise than by ordinary mail, at the expense, of the person to whom such share certificate or certificates are sent) such share certificate or certificates to the person and at the place specified in the relevant Conversion Notice,

together (in either case) with any cash required to be delivered upon conversion and such assignments and other documents (if any) as may be required by law to effect the transfer thereof. In all cases a single certificate will be issued in respect of all Shares issued on conversion of Bonds subject to the same Conversion Notice and which are to be registered in the same name.

(4) *Mandatory Conversion*

Subject to Condition 6(B)(i)(2), in respect of any Mandatory Conversion, as soon as practicable, and in any event not later than the relevant Mandatory Conversion Date, the Company will in the case of Bonds in respect of which a duly completed Mandatory Conversion Reply Form and the relevant Certificate have been delivered to the Company and amounts payable by the relevant Bondholder under this Condition 6 (*Conversion*) have been paid as required, register the person or persons designated for such purpose in the Mandatory Conversion Reply Form as holder(s) of the relevant number of Shares in the Company’s share register and will:

- (a) if the Bondholder has so requested in the relevant Mandatory Conversion Reply Form, and to the extent permitted under the rules and procedures of the CCASS effective from time to time, use best endeavours to procure and provide all necessary assistance for Shares to be delivered through the CCASS for so long as the Shares are listed on the Hong Kong Stock Exchange;
- (b) make such share certificate or certificates registered in the name of such person or persons available for collection at the office of the Company’s share registrar in Hong Kong (currently Computershare Hong Kong Investor Services Limited at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Wanchai, Hong Kong) as may from time to time be notified to Bondholders in accordance with Condition 16 (*Notices*) and the Conversion Agent; or
- (c) if so requested in the relevant Mandatory Conversion Reply Form, will cause its share registrar to mail (at the risk, and, if sent at the request of such person otherwise than by ordinary mail, at the expense, of the person to whom such share certificate or certificates are sent) such share certificate or certificates to the person and at the place specified in the relevant Mandatory Conversion Reply Form,

together (in either case) with any cash required to be delivered upon conversion and such assignments and other documents (if any) as may be required by law to effect the transfer

thereof.

In all cases a single certificate will be issued in respect of all Shares issued on conversion of Bonds subject to the same Mandatory Conversion Reply Form and which are to be registered in the same name.

- (v) *Registration Date*: The person or persons designated in the Conversion Notice (in respect of a Voluntary Conversion) or the Mandatory Conversion Reply Form (in respect of the Mandatory Conversion) will become the holder of record of the number of Shares issuable upon conversion with effect from the date he is or they are registered as such in the Company's register of members (the "**Registration Date**"). The Shares issued upon conversion of the Bonds will be fully paid and will in all respects rank *pari passu* with all other Shares in issue on the relevant Registration Date. Save as set out in these Conditions, a holder of Shares issued on conversion of Bonds shall not be entitled to any rights the record date for which precedes the relevant Registration Date.
- (vi) *Retroactive Adjustments*: Subject to Condition 6(A)(v)(*Conversion Price*)), if the Voluntary Conversion Date or Mandatory Conversion Date in relation to any Bond shall be on or after the date of the first public announcement of the terms of, or if a record date is fixed, the record date for, any issue, distribution, grant, offer or other event that gives rise to the adjustment of the Conversion Price pursuant to Condition 6(C) (*Adjustments to Conversion Price*), but before the relevant adjustment becomes effective under Condition 6(C)(*Adjustments to Conversion Price*) (a "**Retroactive Adjustment**"), upon the relevant adjustment becoming effective the Company shall procure the issue to the converting Bondholder (or in accordance with the instructions contained in the Conversion Notice (in respect of a Voluntary Conversion) or the Mandatory Conversion Reply Form (in respect of the Mandatory Conversion) (subject to applicable exchange control or other laws or other regulations)) of such additional number of Shares ("**Additional Shares**") as, together with the Shares issued or to be issued on conversion of the relevant Bond, is equal to the number of Shares which would have been required to be issued on conversion of such Bond if the relevant adjustment to the Conversion Price had been made and become effective on or immediately after the relevant date of the first public announcement or, as the case may be, the relevant record date, and in such event and in respect of such Additional Shares references in this Condition 6(B)(vi) (*Retroactive Adjustments*) to the Voluntary Conversion Date or Mandatory Conversion Date shall be deemed to refer to the date upon which the Retroactive Adjustment becomes effective (notwithstanding that the date upon which it becomes effective falls after the relevant Voluntary Conversion Date or Mandatory Conversion Date or the end of the Upfront Voluntary Conversion Period).
- (vii) *Equivalent Amounts*: If the record date for the payment of any dividend or other distribution in respect of the Shares is on or after the Voluntary Conversion Date or Mandatory Conversion Date in respect of any Bond, but before the relevant Registration Date (disregarding any Retroactive Adjustment of the Conversion Price referred to in this Condition 6(B) (*Conversion Procedure*) prior to the time such Retroactive Adjustment shall have become effective), the Company will pay to the converting Bondholder or his designee an amount in Hong Kong dollars (the "**Equivalent Amount**") equal to the Fair Market Value (as defined in Condition 6(C) (*Adjustments to Conversion Price*)) of any such dividend or other distribution to which such Bondholder would have been entitled had he on that record date been such a shareholder of record and will make such payment to such Bondholder at the same time as it makes payment of the dividend or other distribution, or as soon as practicable thereafter, but, in any event, not later than seven days thereafter. Any such dividend or distribution shall be paid within such time period by transfer to a Hong Kong dollar account maintained by the payee with, a bank in Hong Kong, in accordance with instructions given by the relevant Bondholder in the Conversion Notice (in respect of a Voluntary Conversion) or the Mandatory Conversion Reply Form (in respect of the Mandatory Conversion).

Neither the Trustee nor, save as set out in these Conditions, the Trustee nor the Agents shall be under any duty to determine, calculate or verify the Equivalent Amount payable under this Condition 6(B) (*Conversion Procedure*) and will not be responsible to Bondholders for any loss arising from any failure by it to do so.

C. *Adjustments to Conversion Price*

The Conversion Price will be subject to adjustment (as determined by the Calculation Agent unless otherwise specified) in the following events:

- (i) *Consolidation, Subdivision, Redesignation or Reclassification:* If and whenever there shall be an alteration to the nominal value of the Shares as a result of consolidation, subdivision, redesignation or reclassification, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such alteration by the following fraction:

$$\frac{A}{B}$$

Where:

A is the nominal amount of one Share immediately after such alteration; and

B is the nominal amount of one Share immediately before such alteration.

Such adjustment shall become effective on the date such consolidation, subdivision, redesignation or reclassification takes effect.

- (ii) *Capitalisation of Profits or Reserves:*

- (1) If and whenever the Company shall issue any Shares credited as fully paid to the holders of Shares (the “**Shareholders**”) by way of capitalisation of profits or reserves (including any share premium account) including Shares paid up out of distributable profits or reserves and/or share premium account (except for any Scrip Dividend (as defined in this Condition 6(C) (*Adjustments to Conversion Price*)) and which would not have constituted a Capital Distribution (as defined in this Condition 6(C) (*Adjustments to Conversion Price*))), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A}{B}$$

Where:

A is the aggregate nominal amount of the issued Shares immediately before such issue; and

B is the aggregate nominal amount of the issued Shares immediately after such issue.

Such adjustment shall become effective on the date of issue of such Shares or if a record date is fixed therefor, the business day falling immediately after such record date.

- (2) In the case of an issue of Shares by way of a Scrip Dividend where the aggregate value of such Shares issued by way of Scrip Dividend as determined by reference to the Current Market Price (as defined in Condition 6(C) (*Adjustments to Conversion Price*)) per Share on the date of announcement of the terms of such Scrip Dividend exceeds

the amount of the Relevant Cash Dividend (as defined in Condition 6(C) (*Adjustments to Conversion Price*)) or the relevant part thereof and which would not have constituted a Capital Distribution, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the issue of such Shares by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

- A is the aggregate nominal amount of the issued Shares immediately before such issue;
- B is the aggregate nominal amount of Shares issued by way of such Scrip Dividend multiplied by a fraction of which (a) the numerator is the amount of the whole, or the relevant part, of the Relevant Cash Dividend for which Shareholders have elected to receive as Shares issued by way of Scrip Dividend and (b) the denominator is the aggregate value of such Shares issued by way of Scrip Dividend as determined by reference to the Current Market Price per Share on the date of such announcement; and
- C is the aggregate nominal amount of Shares issued by way of such Scrip Dividend;

Such adjustment shall become effective on the date of issue of such Shares issued by way of Scrip Dividend or if a record date is fixed therefor, the business day falling immediately after such record date.

- (iii) *Capital Distributions:* If and whenever the Company shall pay or make any Capital Distribution to the Shareholders (except to the extent that the Conversion Price falls to be adjusted under Condition 6(C)(ii) above), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such Capital Distribution by the following fraction:

$$\frac{A - B}{A}$$

Where:

- A is the Current Market Price per Share on the date on which the Capital Distribution is first publicly announced; and
- B is the Fair Market Value per Share.

Such adjustment shall become effective on the date that such Capital Distribution is actually made or paid or if a record date is fixed therefor, the business day falling immediately after such record date. For the purpose of the above, Fair Market Value of the Capital Distribution shall (subject as provided in the definition of “**Fair Market Value**”) be determined as at the date on which the Capital Distribution is first publicly announced or, if later, the first date on which the Fair Market Value of the relevant Capital Distribution is capable of being determined as provided herein.

In making any calculation pursuant to this Condition 6(C)(iii), such adjustments (if any) shall be made as an Independent Financial Advisor (as defined in this Condition 6(C) (*Adjustments*

to Conversion Price)) may consider appropriate to reflect (1) any consolidation or subdivision of the Shares, (2) issues of Shares by way of capitalisation of profits or reserves, or any like or similar event, (3) the modification of any rights to dividends of Shares or (4) any change in the fiscal year of the Company.

- (iv) *Rights Issues of Shares or Options over Shares:* If and whenever the Company shall issue Shares to all or substantially all Shareholders as a class by way of rights, or issue or grant to all or substantially all Shareholders as a class by way of rights, options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares, in each case at less than 85 per cent. of the Current Market Price per Share on the date of the first public announcement of the terms of the issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue or grant by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

- A is the aggregate number of Shares in issue immediately before such announcement;
- B is the number of Shares which the aggregate consideration receivable for the Shares issued by way of rights or for the options or warrants or other rights issued or granted by way of rights and for the total number of Shares comprised therein would subscribe for, purchase or otherwise acquire at such Current Market Price per Share; and
- C is the aggregate number of Shares issued or, as the case may be, comprised in the issue or grant.

Such adjustment shall become effective on the date of issue of such Shares or issue or grant of such options, warrants or other rights (as the case may be) or where a record date is set, the first date on which the Shares are traded ex-rights, ex-options or ex-warrants, as the case may be.

- (v) *Rights Issues of Other Securities:* If and whenever the Company shall issue any securities (other than Shares or options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares) to all or substantially all Shareholders as a class by way of rights or grant to all or substantially all Shareholders as a class by way of rights, options, warrants or other rights to subscribe for, purchase or otherwise acquire any securities (other than Shares or options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue or grant by the following fraction:

$$\frac{A - B}{A}$$

Where:

- A is the Current Market Price per Share on the date on which such issue or grant is publicly announced; and
- B is the Fair Market Value per Share on the date of such announcement of the portion of the rights attributable to one Share.

Such adjustment shall become effective on the date of issue of the securities or grant of such rights, options or warrants (as the case may be) or where a record date is set, the first date on which the Shares are traded ex-rights, ex-options or ex-warrants, as the case may be. For the

purpose of the above, Fair Market Value shall (subject as provided in the definition of “**Fair Market Value**”) be determined as at the date on which the terms of such issue or grant are publicly announced, or if later, the first date on which the Fair Market Value of the aggregate rights attributable to the Shares in relation to such issue or grant is capable of being determined as provided herein.

- (vi) *Issues at less than Current Market Price:* If and whenever the Company shall issue (otherwise than as mentioned in Condition 6(C)(iv) above) any Shares (other than (1) Shares issued on the exercise of Conversion Rights, upon Voluntary Conversion or Mandatory Conversion or on the exercise of any other rights of conversion into, or exchange or subscription for, Shares) or shall issue or grant (otherwise than as mentioned in Condition 6(C)(iv) above) any options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares, in each case at a price per Share which is less than 85 per cent. of the Current Market Price on the date of the first public announcement of the terms of such issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A + B}{C}$$

Where:

- A is the aggregate number of Shares in issue immediately before the issue of such additional Shares or the grant of such options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares;
- B is the number of Shares which the aggregate consideration receivable for the issue of the maximum number of Shares to be issued or the exercise of such options, warrants or other rights would purchase at such Current Market Price per Share; and
- C is the aggregate number of Shares in issue immediately after the issue of such additional Shares.

References to additional Shares in the above formula shall, in the case of an issue by the Company of options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares, mean such Shares to be issued assuming that such options, warrants or other rights are exercised in full at the initial exercise price on the date of issue of such options, warrants or other rights.

Such adjustment shall become effective on the date of issue of such additional Shares or, as the case may be, the issue of such options, warrants or other rights.

- (vii) *Other Issues at less than Current Market Price:* Save in the case of an issue of securities arising from a conversion or exchange of other securities in accordance with the terms applicable to such securities themselves falling within this Condition 6(C)(vii), if and whenever the Company or any of its Subsidiaries (otherwise than as mentioned in Conditions 6(C)(iv), 6(C)(v) or 6(C)(vi)) or (at the direction or request of or pursuant to any arrangements with the Company or any of its Subsidiaries) any other company, person or entity, shall issue any securities (other than the Bonds) which by their terms of issue carry rights of conversion into, or exchange or subscription for, Shares to be issued by the Company upon conversion, exchange or subscription at a consideration per Share which is less than 85 per cent. of the Current Market Price on the date of the first public announcement of the terms of issue of such securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

- A is the aggregate number of Shares in issue immediately before such issue;
- B is the number of Shares which the aggregate consideration receivable by the Company for the Shares to be issued on conversion or exchange or on exercise of the right of subscription attached to such securities would purchase at such Current Market Price per Share on the date of such announcement; and
- C is the maximum number of Shares to be issued on conversion or exchange of such securities or on the exercise of such rights of subscription attached thereto at the initial conversion, exchange or subscription price or rate on the issue date of such securities.

Such adjustment shall become effective on the date of issue of such securities

- (viii) *Modification of Rights of Conversion etc.:* If and whenever there shall be any modification of the rights of conversion, exchange or subscription attaching to any such securities as are mentioned in Condition 6(C)(vii) (other than in accordance with the terms of such securities) so that the consideration per Share (for the number of Shares available on conversion, exchange or subscription following the modification) is reduced and is less than 85 per cent. of the Current Market Price on the date of announcement of the proposals for such modification, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such modification by the following fraction:

$$\frac{A + B}{A + C}$$

Where:

- A is the aggregate number of Shares in issue immediately before such modification;
- B is the maximum number of Shares which the aggregate consideration receivable by the Company for the Shares to be issued on conversion or exchange or on exercise of the right of subscription attached to the securities so modified would purchase at such Current Market Price per Share on the date of such announcement or, if lower, the existing conversion, exchange or subscription price of such securities; and
- C is the maximum number of Shares to be issued on conversion or exchange of such securities or on the exercise of such rights of subscription attached thereto at the modified conversion, exchange or subscription price or rate but giving credit in such manner as an Independent Financial Advisor considers appropriate (if at all) for any previous adjustment under this Condition 6(C)(viii) or Condition 6(C)(vii).

Such adjustment shall become effective on the date of modification of the rights of conversion, exchange or subscription attaching to such securities.

- (ix) *Other Offers to Shareholders:* If and whenever the Company or any of its Subsidiaries or (at the direction or request of or pursuant to any arrangements with the Company or any of its Subsidiaries) any other company, person or entity issues, sells or distributes any securities in connection with an offer pursuant to which the Shareholders generally are entitled to participate in arrangements whereby such securities may be acquired by them (except where the

Conversion Price falls to be adjusted under Condition 6(C)(iv), Condition 6(C)(v), Condition 6(C)(vi) or Condition 6(C)(vii)), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue, sale or distribution by the following fraction:

$$\frac{A - B}{A}$$

Where:

A is the Current Market Price per Share on the date on which such issue, sale or distribution is publicly announced; and

B is the Fair Market Value of the portion of the rights attributable to one Share.

Such adjustment shall become effective on the date of issue, sale or distribution of the securities. For the purpose of the above, Fair Market Value shall (subject as provided in the definition of “**Fair Market Value**”) be determined as at the date on which the terms of such issue, sale or distribution of securities are first publicly announced or, if later, the first date on which the Fair Market Value of the portion of the aggregate rights attributable to the Shares is capable of being determined as provided herein.

- (x) *Other Events*: If the Company determines that an adjustment should be made to the Conversion Price as a result of one or more events or circumstances not referred to in this Condition 6 (*Conversion*), the Company shall, at its own expense, consult an Independent Financial Advisor to determine as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof, if the adjustment would result in a reduction in the Conversion Price, and the date on which such adjustment should take effect and upon such determination by the Independent Financial Advisor such adjustment (if any) shall be made and shall take effect in accordance with such determination, *provided* that where events or the circumstances giving rise to any adjustment pursuant to this Condition 6(C) (*Adjustments to Conversion Price*) have already resulted or will result in an adjustment to the Conversion Price or where the circumstances giving rise to any adjustment arise by virtue of events or circumstances which have already given rise or will give rise to an adjustment to the Conversion Price, such modification (if any) shall be made to the operation of the provisions of this Condition 6(C) (*Adjustments to Conversion Price*) as may be advised by the Independent Financial Advisor to be in its opinion appropriate to give the intended result. Notwithstanding the foregoing, the per Share value of any such modification shall not exceed the per Share value of the dilution in the Shareholders’ interest in the Company’s equity caused by such events or circumstances.

In this Condition 6(C) (*Adjustments to Conversion Price*), where the events or circumstances giving rise to any adjustment pursuant to any of the above adjustments under this Condition 6(C) (*Adjustments to Conversion Price*) have already resulted or will result in an adjustment to the Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of events or circumstances which have already given rise or will give rise to an adjustment to the Conversion Price, such modification (if any) shall be made to the operation of the provisions of this Condition 6 (*Conversion*) as may be advised by the Independent Financial Advisor to be in its opinion appropriate to give the intended result.

- (ii) the aggregate cash dividend or distribution on a gross basis (including for this purpose, without limitation, the relevant cash amount of a Scrip Dividend) of any kind by the Company for any financial period (whenever paid and however described),

provided that a purchase or redemption of Shares by or on behalf of the Company (or a purchase of Shares by or on behalf of a Subsidiary of the Company) shall not constitute a Capital Distribution unless the weighted average price or consideration per Share (before expenses) on any one day in respect of such purchases or redemptions exceeds the Current Market Price of a Share by more than 15 per cent. either (1) on that date, or (2) where an announcement has been made of the intention to purchase Shares at some future date at a specified price, on the Trading Day immediately preceding the date of such announcement and, if in the case of either (1) or (2) of this definition, the relevant day is not a Trading Day, the immediately preceding Trading Day, in which case such purchase or redemption shall be deemed to constitute a Capital Distribution in an amount equal to the amount by which the aggregate consideration paid (before expenses) in respect of such Shares purchased or redeemed exceeds the product of (A) 115 per cent. of such Current Market Price and (B) the number of Shares so purchased or redeemed;

- (i) if the Shares to be issued in such circumstances do not rank for the dividend in question, the Closing Price on the dates on which the Shares shall have been quoted cum-dividend shall for the purpose of this definition be deemed to be the amount thereof reduced by an amount equal to the Fair Market Value of that dividend per Share; or
- (ii) if the Shares to be issued in such circumstances rank for the dividend in question, the Closing Price on the dates on which the Shares shall have been quoted ex-dividend shall for the purpose of this definition be deemed to be the amount thereof increased by the Fair Market Value of that dividend per Share;

and *provided further* that if the Shares on each of the said 15 consecutive Trading Days have been quoted cum-dividend in respect of a dividend which has been declared or announced but the Shares to be issued do not rank for that dividend, the Closing Price on each of such dates shall for the purpose of this definition be deemed to be the amount thereof reduced by an amount equal to the Fair Market Value of that dividend per Share.

Such amounts, if expressed in a currency other than Hong Kong dollars shall be translated into Hong Kong dollars at the Prevailing Rate on such date. In addition, in the case of proviso (i) and (ii) above, the Fair Market Value shall be determined on a gross basis and disregarding any withholding or deduction required to be made for or on account of tax and disregarding any associated tax credit.

No adjustment shall be made to the Conversion Price where such adjustment (rounded down if applicable) would be less than one per cent. of the Conversion Price then in effect. Any adjustment not required to be made, and any amount by which the Conversion Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment. Notice of any adjustment shall be given to Bondholders in accordance with Condition 16 (*Notices*) and the Conversion Agent as soon as practicable after the determination thereof.

The Conversion Price may not be reduced so that, on the conversion of any Bond, Shares would be issued at a discount to their par value or Shares would be required to be issued in any other circumstances not permitted by Applicable Laws then in force in the Cayman Islands and Hong Kong.

If any doubt shall arise as to whether an adjustment falls to be made to the Conversion Price or as to how an adjustment to the Conversion Price under Condition 6(C) (*Adjustments to Conversion Price*) should be made, and following consultation between the Company and an Independent Financial Advisor, a written opinion of such Independent Financial Advisor in respect thereof delivered to the Company and the Conversion Agent shall be conclusive and binding on the Company, the Bondholders and the Conversion Agent, save in the case of manifest error. Where more than one event which gives or may give rise to an adjustment to the Conversion Price occurs within such a short period of time that in the opinion of an Independent Financial Advisor, the foregoing provisions would need to be operated subject to some modification in order to give the intended result, such modification shall be made to the operation of the foregoing provisions as may be advised by such Independent Financial Advisor to be in its opinion appropriate in order to give such intended result.

No adjustment involving an increase in the Conversion Price will be made, except in the case of a consolidation of the Shares as referred to in Condition 6(C)(ii)(i) above.

Notwithstanding anything to the contrary in these Conditions or the Trust Deed, no adjustment will be made to the Conversion Price when Shares, options or other securities are issued, offered, exercised, allotted, appropriated, modified or granted to or for the benefit of employees (including directors) of the Company or any of its Subsidiaries pursuant to any Employee Share Scheme (as defined in the Trust Deed) (and which Employee Share Scheme is in compliance with the Rules Governing the Listing of Securities on the Hong Kong Stock Exchange or, if applicable, the listing rules of an Alternative Stock Exchange) *provided* that such issues do not amount to, or entitle such persons to receive shares in excess of five per cent. of the average number of issued and outstanding shares during the 12 months period up to the grant of such Shares, options or other securities. For the avoidance of doubt, where the exercise

price of the options granted under any such Employee Share Scheme is at least the higher of: (1) the closing price of the Shares as stated in the Hong Kong Stock Exchange's Daily Quotation Sheet on the date of grant, which must be a Trading Day; and (2) the arithmetic average of the closing price of the Shares as stated in the Hong Kong Stock Exchange's Daily Quotation Sheets for the five Trading Days immediately preceding the date of grant, the grant or the subsequent exercise of such options would not trigger any adjustment under these Conditions;

Any references herein to the date on which a consideration is "fixed" shall, where the consideration is originally expressed by reference to a formula which cannot be expressed as an actual cash amount until a later date, be construed as a reference to the first day on which such actual cash amount can be ascertained.

References to any issue or offer or grant to Shareholders "as a class" or "by way of rights" shall be taken to be references to an issue or offer or grant to all or substantially all Shareholders, other than Shareholders by reason of the laws of any territory or requirements of any recognised regulatory body or any other stock exchange or securities market in any territory or in connection with fractional entitlements, it is determined not to make such issue or offer or grant.

D. Undertakings

- (i) it will use its reasonable best endeavours (1) to maintain a listing for all the issued Shares on the Hong Kong Stock Exchange, and (2) to obtain and maintain a listing for all the Shares pursuant to a Voluntary Conversion or a Mandatory Conversion on the Hong Kong Stock Exchange, and in each case of (1) and (2), if the Company is unable to obtain or maintain such listing or such listing is unduly onerous, to use its reasonable best endeavours to obtain and maintain a listing for all the issued Shares on an Alternative Stock Exchange as from time to time selected by the Company and will forthwith give notice to the Bondholders in accordance with Condition 16 (*Notices*) and the Trustee below of the listing or delisting of the Shares (as a class) by any such stock exchange;
- (ii) it will pay the expenses of the issue of, and all expenses of obtaining a listing for, Shares arising on conversion of the Bonds (except for any expenses, charges or taxes expressed to be payable by the Bondholder in Condition 6(B(iii)) (*Stamp Duty etc.*));
- (iii) the Company will not make any reduction of its ordinary share capital or any uncalled liability in respect thereof or of any share premium account, except where the reduction is permitted by Applicable Laws and results in (or would, but for the provisions of Condition 6(C) (*Adjustments to Conversion Price*) relating to rounding or the carry forward of adjustments, result in) an adjustment to the Conversion Price or is otherwise taken into account for the purposes of determining whether such an adjustment should be made *provided* always that the Company shall not be prohibited from purchasing its Shares to the extent permitted by law;
- (iv) it will use all reasonable best endeavours to obtain and maintain the listing of the Bonds on the SGX and if the Company is unable to obtain and maintain such listing or such listing is unduly onerous, to use all reasonable endeavours to obtain and maintain a listing on another internationally recognised stock exchange as from time to time selected by the Company and will

forthwith give notice to the Bondholders in accordance with Condition 16 (*Notices*) below of the listing or delisting of the Bonds by any such stock exchange;

- (v) the Company will reserve, free from any other pre-emptive or other similar rights and free from any encumbrances, out of its authorised but unissued ordinary share capital the full number of Shares liable to be issued on conversion of the Bonds from time to time remaining outstanding and shall ensure that all Shares delivered on conversion of the Bonds will be duly and validly issued as fully-paid; and
- (vi) it will not make any offer, issue or distribute or take any action the effect of which would be to reduce the Conversion Price below the par value of the Shares of the Company, *provided* always that the Company shall not be prohibited from purchasing its Shares to the extent permitted by law.

The Company has also given certain other undertakings in the Trust Deed for the protection of the Conversion Rights.

E. *Notice of Change in Conversion Price*

As soon as practicable, and in any case within three (3) business days of the date of the public announcement in relation to the event giving rise to the relevant adjustment as set out in Condition 6(C)(*Adjustments to Conversion Price*), the Calculation Agent shall calculate and determine any adjustment to the Conversion Price and it shall notify the Trustee, the Principal Agent and the Company in writing of such calculations and determinations. In the event that the Calculation Agent has not notified the Trustee, the Principal Agent or the Company within three (3) business days of the date of the public announcement in relation to the event giving rise to the relevant adjustment as set out in Condition 6(C)(*Adjustments to Conversion Price*), the Company shall make a determination of the adjustment (if applicable) and any such determination made by the Company shall be final and conclusive.

For the avoidance of doubt, nothing in this Condition 6(E)(*Notice of Change in Conversion Price*) shall require the Company to disclose any information which it is not legally permissible to disclose.

Prior to the publication of any Tax Redemption Notice pursuant to this Condition 8(B)(i), the Company shall deliver to the Trustee (a) a certificate signed by two directors of the Company stating that the obligation referred to in (1) above cannot be avoided by the Company taking reasonable measures available to it and (b) an opinion of independent legal or tax advisors of recognised standing to the effect that such change or amendment referred to in (1) above has occurred (irrespective of whether such amendment or change is then effective) and the Trustee shall be entitled to accept such certificate and opinion as sufficient evidence thereof in which event it shall be conclusive and binding on the Bondholders. Upon the expiry of any such notice, the Company will be bound to redeem the Bonds at a redemption price equal to their principal amount as at such date.

that purchase on that date, on the first date on which it is practicable to do so).

C. Indemnity

If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under the Bonds or the Trust Deed, the Company will indemnify the recipient against any loss sustained by it as a result. In any event, the Company will indemnify the recipient against the cost of making any such purchase.

D. Indemnity Separate

The indemnity in this Condition 15 (*Currency Indemnity*) constitutes a separate and independent obligation from the other obligations under the Bonds and the Trust Deed, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Trustee and/or any Bondholder and will continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under the Bonds and/or the Trust Deed or any other judgment or order.

16. Notices

All notices to Bondholders shall be validly given if mailed to them at their respective addresses in the register of Bondholders maintained by the Registrar or published in a leading newspaper having general circulation in Asia or by way of an announcement on the designated website of the Hong Kong Stock Exchange (if and for so long as the Shares are listed on the Hong Kong Stock Exchange). The Company shall also ensure that notices are duly published in a manner required by the rules and regulations of any stock exchange or other relevant authority on which the Bonds and/or the Shares are for the time being listed. Any such notice shall be deemed to have been given on the later of the date of such publication and the seventh day after being so mailed, as the case may be.

So long as the Bonds are represented by the Global Certificates and the Global Certificates are held on behalf of Euroclear or Clearstream or the Alternative Clearing System (as defined in the Global Certificates), notices to Bondholders shall be given by delivery of the relevant notice to Euroclear or Clearstream or the Alternative Clearing System, for communication by it to entitled accountholders in substitution for notification as required by the Conditions and shall be deemed to have been given on the date of delivery to such clearing system.

17. Agents

The names of the initial Agents and the Registrar and their specified offices are set out below. The Company reserves the right to vary or terminate the appointment of any Agent or the Registrar and to appoint additional or other Agents or a replacement Registrar, at any time. The Company will at all times maintain (i) a Principal Agent and (ii) a Registrar which will maintain the Register outside Hong Kong. Notice of any such termination or appointment, of any changes in the specified offices of any Agent or the Registrar and of any change in the identity of the Registrar or the Principal Agent will be given promptly by the Company to the Bondholders and in any event not less than 14 days' notice will be given.

18. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings for enforcement unless indemnified, prefunded and/or secured to its satisfaction. The Trustee is entitled to enter into business transactions with the Company and any entity related to the Company (including any of its affiliates) without accounting for any profit.

The Trustee may rely without liability to Bondholders, the Company or any other person on any report, confirmation, certificate or information from or any advice or opinion of any legal counsels, accountants, financial advisers, financial institution or any other expert, whether or not obtained by or addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or any other person in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation, certificate, information, advice or opinion, in which event such report, confirmation, certificate, information, advice or opinion shall be binding on the Company and the Bondholders.

Whenever the Trustee is required or entitled by these terms of the Trust Deed or the Conditions to exercise any discretion or power, take any action, make any decision or give any direction, the Trustee is entitled, prior to exercising any such discretion or power, taking any such action, making any such decision or giving any such direction, to seek directions from the Bondholders by way of Extraordinary Resolution, and the Trustee shall not be responsible for any loss or liability incurred by the Company, the Bondholders or any other person as a result of any delay in it exercising such discretion or power, taking such action, making such decision or giving such direction as a result of seeking such direction from the Bondholders or in the event that no direction is given to the Trustee by the Bondholders.

None of the Trustee and the Agents shall be responsible for the performance by the Company and any other person appointed by the Company in relation to the Bonds of the duties and obligations on their part under the provisions of the Trust Deed, the Agency Agreement or these Conditions expressed in respect of the same and, unless it has written notice from the Company to the contrary, the Trustee and each Agent shall be entitled to assume without enquiry that the same are being duly performed. None of the Trustee and the Agents shall be liable to any Bondholder, the Company or any other person for any action taken by the Trustee or such Agent in accordance with the instructions of the Bondholders. Except as otherwise provided for in the Trust Deed or the Conditions, the Trustee shall be entitled to conclusively rely on any direction, request or resolution of Bondholders given by holders of at least 25 per cent. of the aggregate principal amount of Bonds outstanding and, subject to it receiving indemnity, prefunding and/or security to its satisfaction, or passed at a meeting of Bondholders convened and held in accordance with the Trust Deed. Neither the Trustee nor any of the Agents shall be under any obligation to ascertain whether any Default or Event of Default has occurred or monitor the performance or compliance of the Company in the fulfilment of its obligations under the provisions of the Trust Deed, the Agency Agreement or these Conditions. Notwithstanding the generality of the foregoing, each Bondholder shall be solely responsible for making and continuing to make its own independent appraisal and investigation into the financial condition, creditworthiness, condition, affairs, status and nature of the Company, and the Trustee shall not at any time have any responsibility for the same and each Bondholder shall not rely on the Trustee in respect thereof.

19. Contracts (Rights of Third Parties) Ordinance

No person shall have any right to enforce any term or condition of the Bonds or any provision of the Trust Deed under the Contracts (Rights of Third Parties) Ordinance (Chapter 623 of the Laws of Hong Kong) but this shall not affect any right or remedy which exists or is available apart from such ordinance.

20. Governing Law and Submission to Jurisdiction

A. *Governing Law*

The Bonds, the Trust Deed and the Agency Agreement are governed by and shall be construed in accordance with Hong Kong law.

B. *Jurisdiction*

The courts of Hong Kong are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Bonds and/or the Trust Deed and accordingly any legal action or proceedings

arising out of or in connection with the Bonds and/or the Trust Deed (“**Proceedings**”) may be brought in such courts. Pursuant to the Trust Deed, the Company has irrevocably submitted to the jurisdiction of such courts and waives any objection to any Proceedings being brought in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. To the extent permitted by law, these submissions are made for the benefit of the Trustee and the Bondholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

C. *Agent for Service of Process*

Pursuant to the Trust Deed, the Company has irrevocably agreed to receive service of process in any Proceedings in Hong Kong based on any of the Bonds at the Company’s business address in Hong Kong, currently at 38th Floor, Tower One, Lippo Centre, 89 Queensway, Hong Kong. Such service shall be deemed completed on delivery to such address (whether or not, it is forwarded to and received by the Company). If for any reason such agent ceases to be able to act as such or no longer has an address in Hong Kong, the Company irrevocably agrees to forthwith appoint a substitute process agent in Hong Kong and deliver to the Trustee a copy of the agent’s acceptance of that appointment within 30 days of such cessation. Nothing shall affect the right to serve process in any manner permitted by law.

D. *Waiver of Immunity*

The Company has waived any right to claim sovereign or other immunity from jurisdiction or execution and any similar defence, and has irrevocably consented to the giving of any relief or the issue of any process, including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any Proceedings.

Powers of Meetings

- 3** The Bondholders shall, subject to the Conditions and without prejudice to any powers conferred on other persons by this Trust Deed, have power by Extraordinary Resolution:

- (vii) amending this proviso.

Convening a Meeting

- 4 The Company or the Trustee may at any time convene a meeting. If the Trustee receives a written request by Bondholders holding at least ten per cent. in principal amount of the Bonds for the time being outstanding and is indemnified and/or secured and/or pre-funded to its satisfaction against all costs and expenses, the Trustee shall convene a meeting. Every physical meeting shall be held at a time and place approved by the Trustee. Every virtual meeting shall be held via an electronic platform and at a time approved by the Trustee.

A meeting that has been validly convened in accordance with the immediately preceding paragraph may be cancelled by the person who convened such meeting by giving at least 7 days' notice (exclusive of the date on which the notice is given and of the day of the meeting) to the Bondholders (with a copy to the Trustee where such meeting was convened by the Company

or to the Company where such meeting was convened by the Trustee). Any meeting cancelled in accordance with this paragraph 4 shall be deemed not to have been convened.

- 5 At least 21 days' notice (exclusive of the day on which the notice is given and of the day of the meeting) shall be given to the Bondholders and the Trustee. A copy of the notice shall be given by the party convening the meeting to the other parties. The notice shall specify the day, time and place of meeting (or the details of the electronic platform to be used in the case of a virtual meeting) and the nature of the resolutions to be proposed and shall explain how Bondholders may appoint proxies or representatives and the details of the time limits applicable. With respect to a virtual meeting, each such notice shall set out such other and further details as are required under sub-paragraph 26.

Chairperson

- 6 The chairperson of a meeting shall be such person as the Trustee may nominate in writing, but if no such nomination is made or if the person nominated is not present within 15 minutes from the time fixed for the meeting, the Bondholders or agents present shall choose one of their number to be chairperson, failing which the Company may appoint a chairperson.
- 7 The chairperson may, but need not, be a Bondholder or an agent. The chairperson of an adjourned meeting need not be the same person as the chairperson of the original meeting.

Attendance

- 8 The following may attend and speak at a meeting:
- (i) Bondholders and agents;
 - (ii) the chairperson; and
 - (iii) the Company and the Trustee (through their respective representatives) and their respective financial and legal advisers.

No-one else may attend or speak.

Quorum and Adjournment

- 9 No business (except choosing a chairperson) shall be transacted at a meeting unless a quorum is present at the commencement of business. If a quorum is not present within 15 minutes from the time initially fixed for the meeting, it shall, if convened on the requisition of Bondholders or if the Company and the Trustee agree, be dissolved. In any other case it shall be adjourned until such date, not less than 14 nor more than 42 clear days later, and time and place as the chairperson may decide. If a quorum is not present within 15 minutes from the time fixed for a meeting so adjourned, the meeting shall be dissolved.
- 10 Two or more Bondholders or agents present in person shall be a quorum:
- 10.1 in the cases marked “**No minimum proportion**” in the table below, whatever the proportion of the Bonds which they represent; and
- 10.2 in any other case, only if they represent the proportion of the Bonds shown by the table below.

Column 1	Column 2	Column 3
	Any meeting except one	Meeting previously

Purpose of meeting	referred to in column 3	adjourned through want of a quorum
	Required proportion	Required proportion
To pass a special quorum resolution	66 2/3 per cent.	50 per cent.
To pass any other Extraordinary Resolution	More than 50 per cent.	No minimum proportion
Any other purpose	No minimum proportion	No minimum proportion

- 11** The holder of a Global Certificate shall (unless such Global Certificate represents only one Bond) be treated as two persons for the purposes of any quorum requirements of a meeting of Bondholders.
- 12** The chairperson may, with the consent of (and shall if directed by) a meeting, adjourn the meeting from time to time and from place to place. Only business which could have been transacted at the original meeting may be transacted at a meeting adjourned in accordance with this paragraph or paragraph 9.
- 13** At least ten calendar days' (exclusive of the day on which the adjourned meeting is to be held) notice of a meeting adjourned through want of a quorum shall be given in the same manner as for an original meeting and that notice shall state the quorum required at the adjourned meeting. No notice need, however, otherwise be given of an adjourned meeting.

Voting

- 14** At a meeting which is held only as a physical meeting, each question submitted to a meeting shall be decided by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by any of the chairperson, the Company, the Trustee or one or more persons representing not less than 2 per cent. of the aggregate principal amount of the Bonds then outstanding.
- 15** Unless a poll is demanded, a declaration by the chairperson that a resolution has or has not been passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes cast in favour of or against it.
- 16** If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such adjournment as the chairperson directs. The result of the poll shall be deemed to be the resolution of the meeting at which it was demanded as at the date it was taken. A demand for a poll shall not prevent the meeting continuing for the transaction of business other than the question on which it has been demanded.
- 17** A poll demanded on the election of a chairperson or on a question of adjournment shall be taken at once.
- 18** On a show of hands, every person who is present in person and who produces a Bond or is a proxy has one vote. On a poll, every such person has one vote for each US\$1 in principal amount of Bonds so produced or for which he is a proxy or representative. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.
- 19** In case of equality of votes, the chairperson shall both on a show of hands and on a poll have a

casting vote in addition to any other votes which he may have. At a virtual meeting, a resolution put to the vote of the meeting shall be decided on a poll in accordance with paragraph 27, and any such poll will be deemed to have been validly demanded at the time fixed for holding the meeting to which it relates.

Effect and Publication of an Extraordinary Resolution

- 20 An Extraordinary Resolution shall be binding on all the Bondholders, whether or not present at the meeting, and each of them shall be bound to give effect to it accordingly. The passing of such a resolution shall be conclusive evidence that the circumstances justify its being passed. The Company shall give notice of the passing of an Extraordinary Resolution to Bondholders and the Trustee within 14 days but failure to do so shall not invalidate such resolution.

Minutes

- 21 Minutes shall be made of all resolutions and proceedings at every meeting and, if purporting to be signed by the chairperson of that meeting or of the next succeeding meeting, shall be conclusive evidence of the matters in them. Until the contrary is proved, every meeting for which minutes have been so made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

Written Resolutions and Electronic Consent

- 22 Subject to the following sentence, a written resolution signed or by way of Electronic Consent (as defined below) by the holders of not less than 75 per cent. of the aggregate principal amount of the Bonds outstanding ("**Written Resolution**") may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Bondholders.

For so long as the Bonds are in the form of a Global Certificate registered in the name of any nominee for one or more of Euroclear, Clearstream or an Alternative Clearing System (the "**relevant clearing system(s)**"), then, in respect of any resolution proposed by the Company or the Trustee:

- (i) where the terms of the proposed resolution have been notified to the Bondholders through the relevant clearing system(s), each of the Company and the Trustee shall be entitled to rely upon approval of such resolution proposed by the Company or the Trustee (as the case may be) given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures by or on behalf of the holders of not less than 75 per cent. of the aggregate principal amount of the Bonds outstanding ("**Electronic Consent**"). Neither the Company nor the Trustee shall be liable or responsible to anyone for such reliance; and
- (ii) where Electronic Consent is not being sought, for the purpose of determining whether a Written Resolution has been validly passed, the Company and the Trustee shall be entitled to rely on consent or instructions given in writing directly to the Company and/or the Trustee, as the case may be, (a) by accountholders in the clearing system(s) with entitlements to such Global Certificate and/or, (b) where the accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person identified by such accountholder as the person for whom such entitlement is held. For the purpose of establishing the entitlement to give any such consent or instruction, the Company and the Trustee shall be entitled to rely on any certificate or other document issued by, in the case of (a) above, Euroclear, Clearstream or any other relevant Alternative Clearing System (the "**relevant clearing system**")

and, in the case of (b) above, the relevant clearing system and the person identified by the relevant clearing system for the purposes of (b) above. Any resolution passed in such manner shall be binding on all Bondholders, even if the relevant consent or instruction proves to be defective. Any such certificate or other document shall, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream's CreationOnline system) in accordance with its usual procedures and in which the accountholder of a particular principal amount of the Bonds is clearly identified together with the amount of such holding. Neither the Company nor the Trustee shall be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

A Written Resolution and/or Electronic Consent shall take effect as an Extraordinary Resolution. A Written Resolution and/or Electronic Consent will be binding on all Bondholders, whether or not they participated in such Written Resolution and/or Electronic Consent.

Trustee's Power to Prescribe Regulations

- 23** Subject to all other provisions in this Trust Deed, the Trustee may, without the consent of the Bondholders or any other person, prescribe such further regulations regarding the holding of meetings and attendance and voting at them as it in its sole discretion determines including (without limitation) such requirements as the Trustee thinks appropriate to satisfy itself that the persons who purport to make any requisition in accordance with this Trust Deed are entitled to do so and to satisfy itself that persons who purport to attend or vote at a meeting or to sign a Written Resolution or to provide an Electronic Consent are entitled to do so.

Additional provisions applicable to Virtual Meetings

- 24** The Company (with the Trustee's prior approval) or the Trustee in its sole discretion may decide to hold a virtual meeting and, in such case, shall provide details of the means for Bondholders or their proxies or representatives to attend and participate in the meeting, including the electronic platform to be used.
- 25** The Company or the chairperson (in each case, with the Trustee's prior approval) or the Trustee in its sole discretion may make any arrangement and impose any requirement or restriction as is necessary to ensure the identification of those entitled to take part in the virtual meeting and the security of the electronic platform.
- 26** All documentation that is required to be passed between persons present at the virtual meeting (in whatever capacity) shall be communicated by email.
- 27** All resolutions put to a virtual meeting shall be voted on by a poll in accordance with sub-paragraphs 16-19 above (inclusive) and such poll votes may be cast by such means as the Company (with the Trustee's prior approval) or the Trustee in its sole discretion considers appropriate for the purposes of the virtual meeting.
- 28** Persons seeking to attend or participate in a virtual meeting shall be responsible for ensuring that they have access to the facilities (including, without limitation, IT systems, equipment and connectivity) which are necessary to enable them to do so.
- 29** In determining whether persons are attending or participating in a virtual meeting, it is immaterial whether any two or more members attending it are in the same physical location as each other or how they are able to communicate with each other.

- 30** Two or more persons who are not in the same physical location as each other attend a virtual meeting if their circumstances are such that if they have (or were to have) rights to speak or vote at that meeting, they are (or would be) able to exercise them.
- 31** The Company (with the Trustee's prior approval) or the Trustee in its sole discretion may make whatever arrangements they consider appropriate to enable those attending a virtual meeting to exercise their rights to speak or vote at it.
- 32** A person is able to exercise the right to speak at a virtual meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, as contemplated by the relevant provisions of this Schedule.
- 33** A person is able to exercise the right to vote at a virtual meeting when:
- 33.1** that person is able to vote, during the meeting, on resolutions put to the vote at the meeting; and
