In order to ensure flexibility and give discretion to the Directors, in the event that it becomes desirable for the Company to issue any additional Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for the General Mandate to issue Shares. At the Annual General Meeting, an ordinary resolution numbered 5(A) will be proposed to grant the General Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with additional Shares (including any sale or transfer of treasury Shares) not exceeding 20% of the number of issued Shares (excluding any treasury Shares) as at the date of passing of the resolution in relation to the General Mandate.

As at the Latest Practicable Date, 2,538,084,412 Shares had been issued and are fully paid. Subject to the passing of the ordinary resolution numbered 5(A) and on the basis that no further Shares are issued or repurchased (excluding any treasury Shares) after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to issue a maximum of 507,616,882 Shares under the General Mandate.

In addition, subject to separate approval of the ordinary resolution numbered 5(C), the number of Shares purchased by the Company under ordinary resolution numbered 5(B) will also be added to extend the General Mandate as mentioned in ordinary resolution numbered 5(A) provided that such additional number of Shares shall represent up to 10% of the number of issued Shares (excluding any treasury Shares) as at the date of passing of the resolutions in relation to the General Mandate and the Repurchase Mandate.

The Directors confirmed that, as at the Latest Practicable Date, they had no immediate plans to exercise the General Mandate (including to sell or transfer any treasury Shares out of treasury).

REPURCHASE MANDATE TO REPURCHASE SHARES

In addition, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the number of issued Shares (excluding any treasury Shares) as at the date of passing of the resolution in relation to the Repurchase Mandate.

LETTER FROM THE BOARD

(a) Conditions of the Payment of Final Dividend out of Share Premium Account of the Company

- (i) the passing of an ordinary resolution by the Shareholders approving the declaration and payment of the Final Dividend out of the Company's share premium account pursuant to Article 134 of the Articles of Association; and
- (ii) the Directors being satisfied that there are no reasonable grounds for believing that the Company is, and immediately following the date on which the Final Dividend is paid, will be unable to pay its debts as they fall due in the ordinary course of business.

The conditions set out above cannot be waived. If the conditions set out above are not satisfied, the Final Dividend will not be paid. Subject to the fulfilment of the above conditions, it is expected that the Final Dividend will be paid in cash on Tuesday, 4 August 2026 to those Shareholders whose names appear on the register of members of the Company as at the close of business on Monday, 27 July 2026.

For purposes of determining the entitlement to the Final Dividend, the register of members of the Company will be closed from Thursday, 23 July 2026 to Monday, 27 July 2026, both days inclusive, during which period no transfer of Shares will be registered. In order to be entitled to the Final Dividend, all transfer of Shares, accompanied by the relevant share certificates, must be lodged with the Company's Hong Kong share registrar, Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, for registration no later than 4:30 p.m. on Wednesday, 22 July 2026.

(b) Reasons for and effect of the payment of the Final Dividend out of Share Premium Account of the Company

The Board considers it appropriate to distribute the Final Dividend in recognition of the profitability and the strong liquidity position of the Group. After taking into account a number of factors including the financial and cash flow position of the Company, as well as to reward the Shareholders for their continued support during the challenging economic environment and enhance investors' confidence in the Company, the Board considers it appropriate and proposes that the Final Dividend be paid out of the share premium account in accordance with Article 134 of the Articles of Association and section 34(2) of the Companies Act.

The Board believes that the payment of the Final Dividend will not have any material adverse effect on the underlying assets, business, operations or financial position of the Group and does not involve any reduction in the authorised or issued share capital of the Company or reduction in the nominal value of the Shares or result in any change in the trading arrangements in respect of the Shares. Ultimately, the Board considers that the

LETTER FROM THE BOARD

proposed declaration and payment of the Final Dividend out of the Company's share premium account is in the interests of the Company and the Shareholders as a whole.

PROPOSED CHANGE OF AUDITOR

Reference is made to the announcement of the Company dated 26 May 2026 (the "**Announcement**"), in which the Board announced that Ernst & Young ("**EY**") will retire as auditor of the Company upon expiration of its current term of office at the conclusion of the Annual General Meeting and will not offer for re-appointment.

With the recommendation of the Audit Committee, the Board has resolved to propose at the Annual General Meeting a resolution to approve the appointment of KPMG ("**KPMG**") as the new auditor of the Company with a term from the date of conclusion of the Annual General Meeting until the date of conclusion of the next annual general meeting of the Company, and such proposed appointment is subject to the approval of the shareholders of the Company.

The Board and the Audit Committee confirmed that there are no disagreements or unresolved matters between the Company and EY, and there are no other matters or circumstances in respect of the aforementioned proposed change of auditor which should be brought to the attention of the Shareholders and the Stock Exchange. EY has confirmed that there are no other matters or circumstances that need to be brought to the attention of the Shareholders in connection with the proposed change of auditor.

In assessing the competence and capabilities of KPMG, the Audit Committee reviewed the credentials of KPMG, considers that KPMG possesses the necessary competence and capabilities (including industry knowledge, technical competence, manpower, time and other resources) to perform its duties as the auditor of the Company. In particular, the Audit Committee has assessed the following: (i) the audit plan and expenses proposed by KPMG; (ii) the experience, knowledge and technical capability of KPMG in handling audit work for companies listed on the Stock Exchange; (iii) KPMG's independence from the Group and objectivity; (iv) KPMG's market reputation and track record; (v) KPMG's resources and other capability; and (vi) the guidelines issued by the Accounting and Financial Reporting Council.

In view of the abovementioned qualities, the Board, with the recommendation of the Audit Committee, considered that the proposed appointment of KPMG as the auditor of the Company is in the interest of the Company and the Shareholders as a whole.

The estimated audit fee for the audit of the consolidated financial statements of the Group for the financial year ending 31 December 2026 is expected to be in the range of approximately RMB5.0 million to RMB5.5 million.

LETTER FROM THE BOARD

The estimated audit fee represents a fair and reasonable estimation, after due consideration and arm's length negotiation between the Group and KPMG. The estimation takes into account various factors such as the size and structure of the Group, the nature and complexity of the Group's businesses, the expected scope, timetable and direction of the audit and the time and resources deployed by the auditor.

Furthermore, the estimated audit fee assumes there will be no material changes in the Group's businesses and operations, accounting policies or regulatory environment, and that the Group will provide timely and adequate assistance and information as required for the audit.

The estimated audit fee is preliminary in nature and may be subject to adjustment depending on, among other things, changes in the scope of audit work and other relevant factors as the engagement progresses. Accordingly, the final audit fee may differ from the estimated amount set out above.

Mr. NG has made an annual confirmation of independence pursuant to Rule 3.13 of the Listing Rules.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares was 2,538,084,412 Shares of nominal value of US\$0.00001 each, which have been fully paid. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 253,808,441 Shares which represent 10% of the issued Shares (excluding any treasury Shares) during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company following the Annual General Meeting; or (ii) the expiry of the period within which the next annual general meeting of the Company following the Annual General Meeting is required by any applicable laws and regulations of the Cayman Islands or the Articles of Association to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting of the Company revoking or varying such mandate.

REASONS FOR AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to repurchase its Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

Repurchase of the Shares must be funded out of funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases with profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if authorized by the Articles of Association and subject to the Companies Act, out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company.

The Directors have no present intention to repurchase any Shares under the Repurchase Mandate and they would only exercise the power to repurchase Shares under the Repurchase Mandate in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors believe that if the Repurchase Mandate is exercised in full, it may have a material adverse impact on the working capital or gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2025, being the date to which the latest published audited consolidated

financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

GENERAL

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective close associates (as defined in the Listing Rules), have any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

The Company may cancel such repurchased Shares or hold them as treasury Shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

To the extent permitted by the applicable laws of the Cayman Islands, for any treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the treasury Shares from CCASS, and either re-register them in its own name as treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury Shares.

In addition, the Company has confirmed that neither the explanatory statement nor the proposed share repurchase has any unusual features.

As at the Latest Practicable Date, no core connected person (as defined in the Listing Rules) has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the

Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate. As at the Latest Practicable Date, to the best knowledge of the Directors, none of the Shareholders or a group of Shareholders acting in concert (within the meaning under the Takeovers Code) would become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any repurchase of Shares by the Company pursuant to the Repurchase Mandate. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public Shareholders falling below the prescribed minimum percentage required under the Listing Rules.
