Our Directors have a balanced mix of knowledge and skills. We have three independent non-executive Directors with different industry backgrounds, representing more than one-third of the members of our Board. Our Company has evaluated the structure, size and composition of our Board, and is of the opinion that the structure of our Board is reasonable, and the experience and skills of the Directors in various aspects and fields can enable our Company to maintain a high standard of operations.

Besides, we particularly recognize the importance of gender diversity. Our Board currently consists of one female Director and seven male Directors. We have taken, and will continue to take, steps to promote gender diversity at all levels of our Company, including but without limitation to our Board and senior management levels. Going forward, we will continue to work to enhance gender diversity of our Board when selecting and recommending suitable candidates for Board appointments and will at least have one female Director and will ensure that our female management members will get equal opportunities to develop and perform so as to eventually be equipped to step up as a member of our Board. Our Company also intends to promote gender diversity at the mid to senior level so that our Company can maintain a balanced gender ratio at different levels. Taking into account our existing business model and specific needs as well as the different background of our Directors, the composition of our Board satisfies our board diversity policy.

Our Nomination Committee is responsible for ensuring the diversity of our Board members. After the [REDACTED], our Nomination Committee will examine the board diversity policy from time to time to ensure its continued effectiveness and in particular use their efforts to identify and recommend suitable female candidates for the Board’s consideration in the future, and we will disclose in our corporate governance report about the implementation of the board diversity policy on an annual basis.
