### 6. Repurchase of Our Own Securities

The following paragraphs include, among others, certain information required by the Stock Exchange to be included in this document concerning the repurchase of our own securities.

#### *(a) Provisions of the Listing Rules*

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their own securities on the Stock Exchange subject to certain restrictions, the most important of which are summarized below:

---

## APPENDIX IV

## STATUTORY AND GENERAL INFORMATION

---

### *(i) Shareholders' Approval*

All proposed repurchases of securities (which must be fully paid up in the case of shares) by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution of the shareholders in general meeting, either by way of general mandate or by specific approval of a particular transaction.

Pursuant to a resolution passed by our Shareholders on [•], 2026, the Repurchase Mandate was given to our Directors authorizing them to exercise all powers of our Company to repurchase its own Shares on the Stock Exchange or on any other approved stock exchange on which the securities of our Company may be listed and which is recognized by the SFC and the Stock Exchange for this purpose, such number of Shares will represent up to 10% of the number of the Shares in issue (excluding treasury shares) immediately following the completion of the [REDACTED], such mandate to remain in effect until the conclusion of the next annual general meeting of our Company, or the expiration of the period within which the next annual general meeting of our Company is required to be held by the Articles or any applicable laws, or until revoked or varied by an ordinary resolution of Shareholders in general meeting, whichever occurs first.

### *(ii) Source of Funds*

Purchases must be funded out of funds legally available for the purpose in accordance with the Memorandum and the Articles and the applicable laws and regulations of Hong Kong and the Cayman Islands. A listed company may not purchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

### *(iii) Trading Restrictions*

The total number of shares which a listed company may repurchase on the Stock Exchange is the number of shares representing up to 10% of the aggregate number of shares in issue (excluding treasury shares). A company may not issue or announce a proposed issue of new securities for a period of 30 days immediately following a repurchase (other than an issue of securities pursuant to an exercise of warrants, options or similar instruments requiring the company to issue securities which were outstanding prior to such repurchase) without the prior approval of the Stock Exchange. In addition, a listed company is prohibited from repurchasing its shares on the Stock Exchange if the purchase price is 5% or more than the average closing market price for the five preceding trading days on which its shares were traded on the Stock Exchange. The Listing Rules also prohibit a listed company from repurchasing its securities if the repurchase would result in the number of listed securities which are in the hands of the public falling below the relevant

---

prescribed minimum percentage as required by the Stock Exchange. A company is required to procure that the broker appointed by it to effect a repurchase of securities discloses to the Stock Exchange such information with respect to the repurchase as the Stock Exchange may require.

*(iv) Status of Repurchased Shares*

The [REDACTED] of all purchased securities (whether on the Stock Exchange or otherwise) but not held as treasury shares is automatically canceled and the relevant certificates must be canceled and destroyed. Under the laws of the Cayman Islands, unless the Directors resolve to hold the Shares purchased by our Company as treasury Shares prior to the purchase, Shares purchased by our Company shall be treated as canceled and the amount of our Company's issued share capital shall be diminished by the nominal value of those Shares. However, the purchase of shares will not be taken as reducing the amount of the authorized share capital under Cayman Islands law. The Company will in the future publish announcements (including but without limitation, any next day disclosure return) which shall identify, amongst others, the number of repurchased Shares that are to be held in treasury or cancelled upon settlement of such repurchases. The [REDACTED] of all Shares which are held as treasury shares will be retained. The Company will ensure that treasury shares are appropriately identified and segregated. For any treasury shares deposited with [REDACTED] pending [REDACTED] on the Stock Exchange, the Company will ensure that it would not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the relevant laws if those shares were registered in the Company's own name as treasury shares by, including but not limited to, obtaining an approval by the Board that (i) the Company should procure its broker not to give any instructions to HKSCC to vote at general meetings for the treasury shares deposited with [REDACTED]; and (ii) in the case of dividends or distributions, the Company should withdraw the treasury shares from [REDACTED], and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions. The [REDACTED] of all Shares which are purchased by the Company (whether on the Stock Exchange or otherwise) but not held as treasury shares shall be cancelled upon repurchase. The Company shall ensure that the documents of title of these repurchased Shares are cancelled and destroyed as soon as reasonably practicable following settlement of any such repurchase.

*(v) Suspension of Repurchase*

A listed company may not make any repurchase of securities after a price sensitive development has occurred or has been the subject of a decision until such time as the price sensitive information has been made publicly available. In particular, during the period of one month immediately preceding the earlier of (a) the date of the board meeting (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of a listed company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules) and (b) the deadline for publication of an announcement of a

listed company's results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules), the listed company may not repurchase its shares on the Stock Exchange other than in exceptional circumstances. In addition, the Stock Exchange may prohibit a repurchase of securities on the Stock Exchange if a listed company has breached the Listing Rules.

### *(vi) Reporting Requirements*

Certain information relating to repurchases of securities on the Stock Exchange or otherwise must be reported to the Stock Exchange not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the following Business Day. In addition, a listed company's annual report is required to disclose details regarding repurchases of securities made during the year, including a monthly analysis of the number of securities repurchased, the purchase price per share or the highest and lowest price paid for all such repurchases, where relevant, and the aggregate prices paid.

### *(vii) Core Connected Persons*

The Listing Rules prohibit a company from knowingly purchasing securities on the Stock Exchange from a "core connected person," that is, a director, chief executive or substantial shareholder of the company or any of its subsidiaries or a close associate of any of them (as defined in the Listing Rules) and a core connected person shall not knowingly sell its securities to the company.

### *(b) Reasons for Repurchases*

Our Directors believe that it is in the best interests of our Company and Shareholders for our Directors to have a general authority from the Shareholders to enable our Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made where our Directors believe that such repurchases will benefit our Company and the Shareholders.

### *(c) Funding of Repurchases*

Repurchase of the Shares must be funded out of funds legally available for such purpose in accordance with the Memorandum and Articles of Association and the applicable laws of the Cayman Islands. Our Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Any payment for the repurchases of Shares will be drawn from the profits

of our Company or from a fresh issue of shares made for the purpose of the repurchase or, if authorized by the Memorandum and Articles of Association and subject to the Cayman Companies Act, out of capital and, in the case of any premium payable on the repurchase, out of profits of our Company or from sums standing to the credit of the share premium account of our Company or, if authorized by the Memorandum and Articles of Association and subject to Cayman Companies Act, out of capital.

However, our Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of our Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for our Company.

### *(d) General*

The exercise in full of the Repurchase Mandate, on the basis of [REDACTED] Shares in issue immediately following completion of the [REDACTED], could accordingly result in up to [REDACTED] Shares being repurchased by our Company during the period prior to the earliest of:

- (i) the conclusion of the next annual general meeting of our Company unless renewed by an ordinary resolution of our Shareholders in a general meeting, either unconditionally or subject to conditions;
- (ii) the expiration of the period within which our Company's next annual general meeting is required by the Memorandum and Articles of Association or any other applicable laws to be held; or
- (iii) the date when it is varied or revoked by an ordinary resolution of the Shareholders in general meeting.

None of our Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates currently intends to sell any Shares to our Company.

Our Directors [have undertaken] to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws in the Cayman Islands.

If, as a result of any repurchase of Shares, a Shareholder's proportionate interest in the voting rights of our Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of our Company and become obliged to make a mandatory offer in

## APPENDIX IV

## STATUTORY AND GENERAL INFORMATION

accordance with Rule 26 of the Takeovers Code. Save as aforesaid, our Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

Any repurchase of Shares that results in the number of Shares held by the public being reduced to less than 25% of the Shares then in issue could only be implemented if the Stock Exchange agreed to waive the Listing Rules requirements regarding the public shareholding referred to above. It is believed that a waiver of this provision would not normally be given other than in exceptional circumstances.

No core connected person of our Company has notified our Company that he or she has a present intention to sell Shares to our Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.
