FORWARD-LOOKING STATEMENTS

This document contains forward-looking statements and information that involve risks and uncertainties, including statements based on our current expectations, beliefs, assumptions, estimates and projections about us, our industries and the regulatory environment in which we and companies integral to our ecosystem operate. In some cases, these forward-looking statements can be identified by words or phrases such as "may," "will," "strive to," "seek," "expect," "target," "goal," "anticipate," "aim," "estimate," "intend," "plan," "believe," "potential," "continue," "projected," "is/are likely to" or other similar expressions. Such statements reflect the current views of our management with respect to future events, operations, liquidity and capital resources, some of which may not materialize or may change.

These statements are subject to certain risks, uncertainties and assumptions, including the other risk factors as described in this document. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The forward-looking statements included in this document relate to, among others:

- our business and operating strategies and the various measures we use to implement such strategies;
- our dividend distribution plans;
- our planned [**REDACTED**];
- our operations, business, financial conditions and prospects, including development plans for our business and future cash flows;
- our capital commitment plans;
- our future debt levels and capital needs;
- geopolitical tensions, international trade policies, protectionist policies and other policies that could place restrictions on economic and commercial activity;
- the future developments and competitive environment of the industry and markets in which we operate;
- the regulatory environment as well as the general industry outlook for the industry which we operate in;
- relationships with parties we contract and collaborate with to conduct our business;
- risks identified under the section headed "Risk Factors" in this document;
- general economic trends and business conditions; and
- other statements in this document that are not historical facts.

Subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. In light of the aforementioned and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all.

Accordingly, the forward-looking statements are not a guarantee of future performance and you should not place undue reliance on any forward-looking information. Moreover, the inclusion of forward-looking statements should not be regarded as representations by us that our plans and objectives will be achieved or realized. All forward-looking statements in this document are qualified by reference to the cautionary statements in this section.

In this document, statements of or references to our intentions or those of the Directors are made as of the date of this document. Any such information may change in light of future developments.
