

FORWARD-LOOKING STATEMENTS

This document contains certain statements and information that are forward-looking and uses forward-looking terminology such as “believe”, “expect”, “estimate”, “predict”, “aim”, “intend”, “will”, “may”, “plan”, “consider”, “anticipate”, “seek”, “should”, “could”, “would”, “continue”, and other similar expressions. You are cautioned that reliance on any forward-looking statement involves risks and uncertainties and that any or all of those assumptions could prove to be inaccurate and as a result, the forward-looking statements based on those assumptions could also be incorrect. In light of these and other risks and uncertainties, the inclusion of forward-looking statements in this document should not be regarded as representations or warranties by us that our plans and objectives will be achieved, and these forward-looking statements should be considered in light of various important factors, including those set forth in this section. Subject to the requirements of the Listing Rules, we do not intend publicly to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. Accordingly, you should not place undue reliance on any forward-looking information. All forward-looking statements in this document are qualified by reference to this cautionary statement.

These statements are subject to certain risks, uncertainties and assumptions, including the risk factors as described in this document. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks and uncertainties facing us which could affect the accuracy of forward-looking statements include, but are not limited to, the following:

- our operations and business prospects;
- our strategies, plans, objectives and goals and our ability to successfully implement these strategies, plans, objectives and goals;
- changes to the regulatory environment and general outlook in the industry and markets in which we operate;
- our expectations with respect to our ability to acquire and maintain regulatory licences or permits;
- changes in competitive conditions and our ability to compete under these conditions;
- future developments, trends and conditions in the industry and markets in which we operate;
- general economic, political and business conditions in the markets in which we operate;
- the effects of the global financial markets and economic crisis;
- our ability to control costs and expenses;
- our ability to defend our intellectual rights and protect confidentiality;
- our dividend policy;
- changes or volatility in interest rates, foreign exchange rates, equity prices, trading volumes, commodity prices and overall market trends;
- capital market developments;
- the actions and developments of our competitors;

FORWARD-LOOKING STATEMENTS

- changes to regulatory and operating conditions in the industry and markets in which we operate;
- all other risks and uncertainties described in the section headed “Risk Factors” in this document; and
- other statements in this document that are not historical facts.

This document also contains market data and projects that are based on a number of assumptions. The markets may not grow at the rates projected by the market data, or at all. The failure of the markets to grow at the projected rates may materially and adversely affect our business and the market price of our Shares. If any of the assumptions underlying the market data prove to be incorrect, actual results may differ from the projections based on these assumptions.

We do not guarantee that the transactions and events described in the forward-looking statements in this document will happen as described, or at all. Actual outcomes may differ materially from the information contained in the forward-looking statements as a result of a number of factors, including, without limitation, the risks and uncertainties set forth in “Risk Factors” in this document. You should read this document in its entirety and with the understanding that actual future results may be materially different from what we expect. The forward-looking statements made in this document relate only to events as at the date on which the statements are made or, if obtained from third-party studies or reports, the dates of the respective studies or reports. Since we operate in an evolving environment where new risks or uncertainties may emerge from time to time, you should not rely upon forward-looking statements as predictions of future events. We undertake no obligation, beyond what is required by law, to update any forward-looking statement to reflect events or circumstances after the date on which the statement is made, even when our situation may have changed.

Subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all. Accordingly, the forward-looking statements are not a guarantee of future performance and you should not place undue reliance on any forward-looking information. Moreover, the inclusion of forward-looking statements should not be regarded as representations by us that our plans and objectives will be achieved or realised. All forward-looking statements in this document are qualified by reference to the cautionary statements in this section. In this document, statements of or references to our intentions or those of the Directors are made as at the date of this document. Any such information may change in light of future developments.
