

FORWARD-LOOKING STATEMENTS

We have included in this Document forward-looking statements. Statements that are not historical facts, including statements about our intentions, beliefs, expectations or predictions for the future, are forward-looking statements.

This Document contains certain forward-looking statements relating to our Company, our subsidiaries and consolidated affiliated entities that are based on the beliefs of our management as well as assumptions made by and information currently available to our management. When used in this Document, the words “aim,” “anticipate,” “believe,” “could,” “expect,” “going forward,” “intend,” “may,” “ought to,” “plan,” “project,” “seek,” “should,” “will,” “would” and the negative of these words and other similar expressions, as they relate to our Group or our management, are intended to identify forward-looking statements. Such statements reflect the current views of our management with respect to future events, operations, liquidity and capital resources, some of which may not materialize or may change. These statements are subject to certain risks, uncertainties and assumptions, including the other risk factors as described in this document. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks, uncertainties and other factors facing our Group which could affect the accuracy of forward-looking statements include, but are not limited to, the following:

- changes in the macro environment, regional and global economy, as well as industry trends related to our operations;
- our ability to successfully implement our business plans, strategies, objectives and goals;
- our ability to obtain adequate capital resources to fund future development plans;
- our ability to control costs, as well as to achieve and maintain operating efficiency;
- our business operations and prospects;
- our capital expenditure plans;
- our dividend policy;
- changes in our customers’ demands and expectations;
- changes in the competitive landscape of the industries where we operate;
- our ability to protect our reputation and brand image, as well as trademarks, technologies, knowhow, patents and other intellectual property rights;
- changes in economic and political conditions and changes in compliance with laws and regulations in jurisdictions where we operate; and
- various business opportunities that we may pursue.

Additional factors that could cause actual performance or achievements to differ materially include, but are not limited to, those discussed in “Risk Factors” and elsewhere in this Document. We caution you not to place undue reliance on these forward-looking statements, which reflect our management’s view only as of the date of this Document. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this Document might not occur. All forward-looking statements contained in this Document are qualified by reference to the cautionary statements set forth in this section.
