
FORWARD-LOOKING STATEMENTS

This document contains certain forward-looking statements and information relating to our Company and our subsidiaries that are based on the beliefs of our management as well as assumptions made by and information currently available to our management. When used in this document, the words “aim”, “anticipate”, “believe”, “consider”, “could”, “estimate”, “expect”, “going forward”, “intend”, “may,” “might”, “ought to”, “plan”, “potential”, “predict”, “project”, “seek”, “should”, “will”, “would” and the negative of these words and other similar expressions, as they relate to us or our management, are intended to identify forward-looking statements.

These forward-looking statements are based on numerous assumptions regarding our present and future business strategies and the environment in which we will operate in the future.

Such statements reflect the current views of our management with respect to future events, operations, liquidity and capital resources, some of which may not materialize or may change. These statements are subject to certain risks, uncertainties and assumptions, including the risk factors as described in this document. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks and uncertainties facing us which could affect the accuracy of forward-looking statements include, but are not limited to, the following:

- our operation and business prospects;
- our capital expenditure plans;
- our business strategies and plans to achieve these strategies;
- our ability to control or reduce costs;
- our dividend policy;
- the actions of and developments affecting our customers and suppliers;
- the industries trend of our downstream customers;
- the amount and nature of, and potential for, future development of our business;
- future developments, trends, conditions, standards, requirements and competitive landscape in the industry and markets in which we operate;
- changes to the regulatory environment, policies, business conditions and general outlook in the industries and markets in which we operate;
- our financial condition and performance;
- general economic, political and business conditions; and
- certain statements included in the sections headed “Risk Factors”, “Industry Overview”, “Regulatory Overview”, “Business”, “Financial Information” and “Future Plans and [REDACTED]” in this document with respect to operations, margins, overall market trends, risk management and exchange rates.

Subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all. Accordingly, you should

FORWARD-LOOKING STATEMENTS

not place undue reliance on any forward-looking information. Moreover, the inclusion of forward-looking statements should not be regarded as representations by us that our plans and objectives will be achieved or realized.

In this document, statements of or references to our intentions or any of our directors are made as of the date of this document. Any such information may change in light of future developments.

All forward-looking statements in this document are qualified by reference to the cautionary statements in this section.
