## FORWARD-LOOKING STATEMENTS

---

This document contains certain forward-looking statements and information relating to us and our subsidiaries that are based on the beliefs of our management as well as assumptions made by and information currently available to our management. When used in this document, the words “anticipate”, “believe”, “could”, “estimate”, “expect”, “forecast”, “going forward”, “intend”, “may”, “ought to”, “plan”, “project”, “seek”, “should”, “will”, “would”, “wish” and similar expressions, as they relate to our Company or our management, are intended to identify forward-looking statements. Such statements reflect the current views of our Company’s management with respect to future events, operations, liquidity and capital resources, some of which may not materialize or may change. These forward-looking statements are subject to certain risks, uncertainties and assumptions, including the other risk factors as described in this document. Although we believe that our expectations expressed in these forward-looking statements are reasonable, our expectations may later be found to be incorrect. Our actual results could be materially different from our expectations. Important risks and factors that could cause our actual results to be materially different from our expectations are generally set forth in “Risk Factors”, “Business”, “Financial Information” and other sections in this document. You should read thoroughly this document with the understanding that our actual future results may be materially different from and worse than what we expect.

You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks and uncertainties facing our Company that could affect the accuracy of forward-looking statements include, but are not limited to, the following: (i) our strategies, plans, objectives and goals and our ability to implement them; (ii) our business operations and prospects; (iii) our future business development, financial conditions and results of operations; (iv) the expected growth of our industry and market; (v) our expected demand for our products and services; (vi) changes to regulatory and operating conditions in our industry and market; (vii) competition in our industry; (viii) our ability to control costs; (ix) the actions and developments of our competitors; (x) capital market developments; and (xi) other risks and uncertainties described in the “Risk Factors” section in this document.

Since actual results or outcomes could differ materially from those expressed in any forward-looking statements, we strongly caution [REDACTED] against placing undue reliance on any such statements. Any forward-looking statements speaks only as of the date on which such statement is made, and, except as required by the Listing Rules, we undertake no responsibility to update any forward-looking statement or statements to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of any subsequent unanticipated event. Statements of or references to our intentions or those of any of our Directors are made as of the date of this document. Any such intentions may change in light of future developments.

All forward-looking statements in this document are expressly qualified by reference to this cautionary statement.
