
FORWARD-LOOKING STATEMENTS

This document contains certain forward-looking statements and information relating to us and our subsidiaries that are based on the beliefs of our management as well as assumptions made by and information currently available to our management. When used in this document, the words “anticipate”, “believe”, “could”, “estimate”, “expect”, “forecast”, “going forward”, “intend”, “may”, “ought to”, “plan”, “project”, “seek”, “should”, “will”, “would”, “wish” and similar expressions, as they relate to our Company or our management, are intended to identify forward-looking statements. Such statements reflect the current views of our Company’s management with respect to future events, operations, liquidity and capital resources, some of which may not materialize or may change. These forward-looking statements are subject to certain risks, uncertainties and assumptions, including the other risk factors as described in this document. Although we believe that our expectations expressed in these forward-looking statements are reasonable, our expectations may later be found to be incorrect. Our actual results could be materially different from our expectations. Important risks and factors that could cause our actual results to be materially different from our expectations are generally set forth in “Risk Factors”, “Business”, “Financial Information” and other sections in this document. You should read thoroughly this document with the understanding that our actual future results may be materially different from and worse than what we expect.

You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks and uncertainties facing our Company that could affect the accuracy of forward-looking statements include, but are not limited to, the following:

- our business strategies, plans, objectives and goals and our ability to implement such strategies, plans, objectives and goals;
- our business operations and prospects;
- our future business development, financial conditions and results of operations;
- the expected growth of the optical connectivity industry and the markets in which we operate;
- our expectations regarding the demand for our products;
- our ability to maintain good relationships with our business partners;
- our ability to manage our risk exposure;
- changes to regulatory and operating conditions in the industry and markets in which we operate;
- the future developments, trends and conditions (including economic, political and business conditions), as well as competitive environment in our industry;
- our ability to stay in compliance with the laws and regulations that currently apply or become applicable to our business both in the PRC and internationally;
- our future debt levels and capital needs;

FORWARD-LOOKING STATEMENTS

- all other risks and uncertainties described in the section headed “Risk Factors” in this document.

Since actual results or outcomes could differ materially from those expressed in any forward-looking statements, we strongly caution investors against placing undue reliance on any such statements. Any forward-looking statements speaks only as of the date on which such statement is made, and, except as required by the Listing Rules, we undertake no responsibility to update any forward-looking statement or statements to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of any subsequent unanticipated event. Statements of or references to our intentions or those of any of our Directors are made as of the date of this document. Any such intentions may change in light of future developments.

All forward-looking statements in this document are expressly qualified by reference to this cautionary statement.
