
FORWARD-LOOKING STATEMENTS

We have included in this document forward-looking statements. Statements that are not historical facts, including statements about our intentions, beliefs, expectations or predictions for the future, are forward-looking statements.

This document contains certain forward-looking statements relating to our Company and our subsidiaries that are based on the beliefs of our management as well as assumptions made by and information currently available to our management. When used in this document, the words "aim", "anticipate", "believe", "could", "expect", "going forward", "intend", "may", "ought to", "plan", "project", "seek", "should", "will", "would" and the negative of these words and other similar expressions, as they relate to our Group or our management, are intended to identify forward-looking statements. Such statements reflect the current views of our management with respect to future events, operations, liquidity and capital resources, some of which may not materialize or may change. These statements are subject to certain risks, uncertainties and assumptions, including the other risk factors as described in this document, some of which are beyond our control and may cause our actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks, uncertainties and other factors facing our Group which could affect the accuracy of forward-looking statements include, but are not limited to, the following:

- changes in the macro environment, regional and global economy, as well as industry trends related to our operations;
- our ability to successfully implement our business plans, strategies, objectives and goals;
- our ability to obtain adequate capital resources to fund future development plans;
- our ability to control costs, as well as to achieve and maintain operational efficiency;
- changes in our customers' demands and expectations;
- changes in the competitive landscape of the industries where we operate;
- our ability to protect our reputation and brand image, as well as trademarks, technologies, know-how, patents and other intellectual property rights;
- changes in local economic and political conditions and changes in compliance with international laws and regulations in the countries and regions where we operate;
- developments in technology and our ability to successfully keep up with technological advancement;
- our ability to attract and retain experienced professionals and other qualified employees and key personnel;
- changes in currency exchange rates; and
- the other risk factors discussed in this document as well as other factors beyond our control.

FORWARD-LOOKING STATEMENTS

The forward-looking statements are based on our current plans and estimates and speak only as of the date they were made. Nonetheless, due to the risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect, or at all. Further, subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise.

Accordingly, you should not place undue reliance on any forward-looking statements in this document. All forward-looking statements contained in this document are qualified by reference to this cautionary statement, as well as the risks and uncertainties discussed in the section headed "Risk Factors" in this document.

In this document, statements of or references to our intentions or those of our Directors were made as of the date of this document. Any such information may change in light of future developments.
