FORWARD-LOOKING STATEMENTS

This Document contains forward-looking statements and information relating to us and our subsidiary that are based on the beliefs of our management as well as assumptions made by and information currently available to our management which are not historical facts. When used in this Document, the words "aim," "anticipate," "believe," "could," "expect," "going forward," "intend," "may," "ought to," "plan," "project," "seek," "should," "will," "would," "vision," "aspire," "target," "schedules," and the negative of these words and other similar expressions, as they relate to us or our management, are intended to identify forward-looking statements. Such statements reflect the current views of our management with respect to future, events, operations, liquidity and capital resources, some of which may not materialize or may change. These statements are subject to certain risks, uncertainties and assumptions, including the risk factors as described in this Document, some of which are beyond our control and may cause our actual results, performance or achievements, or industry results, to be materially different from that expressed or implied by the forward-looking statements. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks and uncertainties facing us which could affect the accuracy of forward-looking statements include, but are not limited to, the following: (i) our operations, business prospects, business strategies and plans to achieve these strategies; (ii) our ability to maintain relationships with, and the actions and developments affecting, our major customers and suppliers; (iii) future developments, trends, general economic, political and business conditions and changes to the regulatory environment in the industries and markets in which we operate or plan to operate; (iv) our ability to maintain the market-leading positions; (v) the actions and developments of our competitors; (vi) our ability to effectively contain costs and optimize pricing; (vii) the ability of third parties to perform in accordance with contractual terms and specifications; (viii) our ability to retain senior management and key personnel and recruit qualified staff; (ix) our ability to defend our intellectual rights and protect confidentiality; (x) the effectiveness of our quality control systems; (xi) change or volatility in interest rates, foreign exchange rates, equity prices, trading volumes, commodity prices and overall market trends, including those pertaining to the industry and markets in which we operate; (xii) our dividend policy; and (xiii) all other risks and uncertainties described in "Risk Factors" and elsewhere.

By their nature, certain disclosures relating to these and other risks are only estimates and should one or more of these uncertainties or risks, among others, materialize, actual results may vary materially from those estimated, anticipated or projected, as well as from historical results. Subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this Document, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this Document might not occur in the way we expect or at all. Accordingly, you should not place undue reliance on any forward-looking information. All forward-looking statements in this Document are qualified by reference to the cautionary statements in this section.
