FORWARD-LOOKING STATEMENTS

This document contains forward-looking statements and information relating to our Company and our subsidiaries that are based on the beliefs of our management as well as assumptions made by and information currently available to our management. When used in this document, the words "aim", "anticipate", "believe", "can", "continue", "could", "estimate", "expect", "going forward", "intend", "may", "might", "ought to", "plan", "potential", "project", "seek", "should", "will", "would", and the negative of these words and other similar expressions, as they relate to our Group or our management, are intended to identify forward-looking statements. Such statements reflect the current views of our management with respect to future events, operations, liquidity, and capital resources, some of which may not materialize or may change. These statements are subject to certain risks, uncertainties, and assumptions, including the other risk factors as described in this document, some of which are beyond our control and may cause our actual results, performance or achievements, or industry results, to be materially different from that expressed or implied by the forward-looking statements. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks and uncertainties facing us which could affect the accuracy of forward-looking statements include, but are not limited to, the following: (i) our operations, business prospects, business strategies and plans to achieve these strategies; (ii) our ability to maintain relationship with, and the actions and developments affecting, our major customers and suppliers; (iii) future developments, trends, general economic, political and business conditions and changes to the regulatory environment in the industries and markets in which we operate or plan to operate; (iv) our ability to maintain the market leading positions; (v) the actions and developments of our competitors; (vi) our future capital needs and capital expenditure plans; (vii) our ability to retain senior management and key personnel and recruit qualified staff; (viii) our ability to defend our intellectual rights and protect confidentiality; (ix) the effectiveness of our quality control systems; (x) change or volatility in interest rates, foreign exchange rates, equity prices, trading volumes, commodity prices and overall market trends, including those pertaining to the industry and markets in which we operate; (xi) our dividend policy; and (xii) all other risks and uncertainties described in "Risk Factors" and elsewhere.

Subject to the requirements of applicable laws, rules, and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events, or otherwise. As a result of these and other risks, uncertainties, and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all. Accordingly, you should not place undue reliance on any forward-looking information. All forward-looking statements contained in this document are qualified by reference to the cautionary statements set out in this section.

In this document, statements of or references to our intentions or those of our Directors are made as of the date of this document. Any such information may change in light of future developments.
