

FORWARD-LOOKING STATEMENTS

This document contains forward-looking statements that are, by their nature, subject to significant risks and uncertainties, including the risk factors described in this document. Forward-looking statements can be identified by words such as “may,” “will,” “should,” “would,” “could,” “believe,” “expect,” “anticipate,” “intend,” “plan,” “continue,” “seek,” “estimate,” or the negative of these terms or other comparable terminology. Examples of forward-looking statements include, but are not limited to, statements we make regarding our projections, business strategy and development activities as well as other capital spending, financing sources, the effects of regulation, expectations concerning future operations, margins, profitability and competition. The foregoing is not an exclusive list of all forward-looking statements we make.

Forward-looking statements are based on our current expectations and assumptions regarding our business, the economy and other future conditions. We give no assurance that these expectations and assumptions will prove to have been correct. As forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict. Our results may differ materially from those contemplated by the forward-looking statements. They are neither statements of historical fact nor guarantees or assurances of future performance. We caution you therefore against placing undue reliance on any of these forward-looking statements. Important factors that could cause actual results to differ materially from those in the forward-looking statements include regional, national or global political, economic, business, competitive, market and regulatory conditions and the following:

- our business prospects;
- our business strategies and plans to achieve these strategies;
- future developments, trends and conditions in and competitive environment for the industries and markets in which we operate;
- general economic, political and business conditions in locations where we operate;
- our financial condition and performance;
- our capital expenditure plans;
- our dividend policy;
- changes to the regulatory environment, policies, operating conditions of and general outlook in the industries and markets in which we operate;
- our expectations with respect to our ability to acquire and maintain regulatory licenses or permits;
- the amount and nature of, and potential for, future development of our business;
- the actions of and developments affecting our competitors;

FORWARD-LOOKING STATEMENTS

- the actions of and developments affecting our major customers and suppliers;
- our ability to retain senior management and key personnel and recruit qualified staff; and
- certain statement in the sections headed “Risk Factors,” “Industry Overview,” “Regulatory Overview,” “Business,” “Financial Information,” “Relationship with our Controlling Shareholders” and “Future Plans and Use of [REDACTED]” with respect to trends in interest rates, foreign exchange rates, prices, volumes, operations, margins, risk management and overall market trends.

These forward-looking statements are subject to risks, uncertainties and assumptions, some of which are beyond our control. In addition, these forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. Actual outcomes may differ materially from the information contained in the forward-looking statements as a result of a number of factors, including, without limitation, the risk factors set out in “Risk Factors.”

In this document, statements of, or references to, our intentions or those of any of our Directors are made as of the date of this document. Any of these intentions may change in light of future development.

Any forward-looking statement made by us in this document speaks only as of the date on which it is made. Factors or events that could cause our actual results to differ may emerge from time to time, and it is not possible for us to predict all of them. Subject to the requirements of applicable laws, rules and regulations, we undertake no obligation to update any forward-looking statement, whether as a result of new information, future developments or otherwise. You should read this document completely and with the understanding that our actual future results or performance may be materially different from what we expect. All forward-looking statements contained in this document are qualified by reference to this cautionary statement.
