

FORWARD-LOOKING STATEMENTS

We have included in this document forward-looking statements. Statements that are not historical facts, including statements about our intentions, beliefs, expectations or predictions for the future, are forward-looking statements.

This document contains certain forward-looking statements and information relating to us and our subsidiaries that are based on the beliefs of our management as well as assumptions made by and information currently available to our management. When used in this document, the words “aim,” “anticipate,” “believe,” “could,” “estimate,” “expect,” “going forward,” “intend,” “may,” “might,” “ought to,” “plan,” “potential,” “predict,” “project,” “seek,” “should,” “will,” “would” and the negative of these words and other similar expressions, as they relate to us or our management, are intended to identify forward-looking statements. Such statements reflect the current views of our management with respect to future events, operations, liquidity and capital resources, some of which may not materialize or may change.

These statements are subject to certain risks, uncertainties and assumptions, including the other risk factors as described in this document. Risks and uncertainties that could affect the accuracy of forward-looking statements include market opportunities for our services; our ability to attract and retain senior management and key employees; our operations, business prospects, and strategies (including our ability to execute those strategies); industry trends and competition; general economic, political, and business conditions in the industries and markets in which we operate; applicable government policies and regulations affecting our industry, business, and corporate structure; our ability to maintain strong relationships with business partners; our ability to control costs and expenses; our ability to defend intellectual property and protect confidential information; our dividend policy; changes or volatility in interest rates, foreign exchange rates, equity prices, trading volumes, commodity prices, and overall market conditions; capital market developments; competitor actions and developments; changes in regulatory and operating conditions in our industry and markets; and the other risks and uncertainties described under “Risk Factors” in this document, as well as statements in this document that are not historical facts.

Subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. Given these and other risks, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all. Accordingly, forward-looking statements are not a guarantee of future performance and you should not place undue reliance on any forward-looking information.

The inclusion of forward-looking statements should not be regarded as representations by us that our plans and objectives will be achieved or realized. All forward-looking statements in this document are qualified by reference to the cautionary statements in this section. Statements of or references to our intentions of the date of this document, and may change in light of future developments.
