
FORWARD-LOOKING STATEMENTS

We have included in this document forward-looking statements. Statements that are not historical facts, including statements about our intentions, beliefs, expectations or predictions for the future, are forward-looking statements.

This document contains certain forward-looking statements and information relating to us and our subsidiaries that are based on the beliefs of our management as well as assumptions made by and information currently available to our management. When used in this document, the words “aim”, “anticipate”, “believe”, “can”, “could”, “consider”, “continue”, “estimate”, “expect”, “forecast”, “going forward”, “intend”, “may”, “might”, “ought to”, “plan”, “predict”, “potential”, “project”, “propose”, “seek”, “shall”, “should”, “will”, “would”, “is likely to” and the negative of these words and other similar expressions, as they relate to us or our management, are intended to identify forward-looking statements. Such statements reflect the current views of our management with respect to future events, operations, liquidity and capital resources, some of which may not materialize or may change.

These statements are subject to certain risks, uncertainties and assumptions, including the other risk factors as described in this document. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks and uncertainties facing us which could affect the accuracy of forward-looking statements include, but are not limited to, the following:

- our business prospects;
- our business and operating strategies and plans to achieve these strategies;
- future developments, trends and conditions in the industry and markets in which we operate or into which we intend to expand;
- general economic, political and business conditions in the markets in which we operate;
- changes to the regulatory environment, operating conditions and general outlook in the industry and geographical markets in which we operate;
- the effects of the global financial markets and economic crisis;
- our financial condition and performance;
- our ability to control or reduce costs and optimise pricing;
- our dividend policy;
- the amount and nature of, and potential for, future development of our business;
- our expectations regarding our relationships with customers, business partners, suppliers and other partners;
- capital market developments;
- the competitive environment of the industry and markets in which we operate;
- the actions and developments of our competitors;
- our ability to attract and retain qualified personnel;

FORWARD-LOOKING STATEMENTS

- volatilities in interest rates, equity prices, volumes, operations, margins, risk management and overall market trends;
- various uncertainties described in the “Risk Factors” section; and
- other statements in this document that are not historical facts.

Subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all. Accordingly, the forward-looking statements are not a guarantee of future performance and you should not place undue reliance on any forward-looking information. Moreover, the inclusion of forward-looking statements should not be regarded as representations by us that our plans and objectives will be achieved or realized. All forward-looking statements in this document are qualified by reference to the cautionary statements in this section.

In this document, statements of or references to our intentions or those of the Directors are made as of the date of this document. Any such information may change in light of future developments.
