
FORWARD-LOOKING STATEMENTS

This document contains forward-looking statements that state our intentions, beliefs, expectations or predictions for the future that are, by their nature, subject to significant risks and uncertainties. These forward-looking statements include all statements in this document that are not historical facts, including, without limitation, statements relating to:

- our expectations with respect to obtaining regulatory approvals, commencing commercial production and the ability to achieve market penetration of our drug candidates;
- our expectations or targets for the timing and likelihood of achieving milestones associated with our drug development programmes, including the commencement and completion, and the progress of our research and clinical trials, as well as the target timing of regulatory approvals and commercial launch of our product candidates;
- our expectations with respect to the potential clinical benefits and competitive positioning of our drug candidates and technology platforms;
- our ability to successfully commercialise our drug candidates;
- our existing and potential collaboration arrangement with business partners;
- our ability to attract and retain senior management and key employees;
- our strategies, business plans, objectives, prospects and goals and our ability to successfully implement our strategies, plans, objectives and goals;
- the market opportunities and competitive landscape of our product candidates and the indications they focus on;
- future developments, trends, conditions and competitive landscape in the industry and markets in which we operate;
- the future regulatory and operating environment in the PRC, the U.S., and other jurisdictions in which we may operate and our ability to comply with applicable regulations in the future;
- estimates of our costs, expenses, future revenues, capital expenditures and our needs for and ability to obtain additional financing; and
- the general political and economic conditions in the PRC, the U.S., and other jurisdictions in which we may operate.

When used in this document, the words “aim”, “anticipate”, “believe”, “could”, “estimate”, “expect”, “going forward”, “intend”, “may”, “ought to”, “plan”, “project”, “seek”, “should”, “will”, “would” and similar expressions, as they relate to us, are intended to identify a number of these forward-looking statements. Such statements reflect the current views of our management with respect to future events and are subject to certain risks, uncertainties and assumptions, including the risk factors described in this document. Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove to be incorrect, our results of operations and financial condition may be adversely affected and may vary materially from those described herein as anticipated, believed or expected. Accordingly, such statements are not a guarantee of future performance and you should not place undue reliance on such forward-looking information. Moreover, the inclusion of forward-looking statements should not be regarded as representations by us that our plans and objectives will be achieved or realised.
