FORWARD-LOOKING STATEMENTS

This document contains forward-looking statements and information that relate to our current expectations and views of future events. These forward-looking statements are contained principally in "Summary," "Risk Factors," "Industry Overview," "Business," "Financial Information" and "Future Plans and Use of **[REDACTED]**." These statements relate to events that involve known and unknown risks, uncertainties and other factors, including those listed in "Risk Factors," which may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements.

In some cases, these forward-looking statements can be identified by words or phrases such as "may," "will," "expect," "anticipate," "aim," "estimate," "intend," "plan," "believe," "potential," "continue," "is/are likely to" or other similar expressions. These forward-looking statements include, among other things, statements relating to:

- our operations and business prospects;
- our financial condition and performance, debt levels and capital needs;
- our capital expenditure plan;
- our ability to maintain good relationships with our business partners;
- future developments, trends and conditions (including economic, political and business conditions) in the industries and markets in which we operate or plan to operate;
- changes to the regulatory environment in the industries and markets in which we operate;
- the actions and developments of our competitors;
- the ability of third parties to perform in accordance with contractual terms and specifications;
- our ability to retain senior management and key personnel and recruit qualified staff;
- our ability to control or reduce costs;
- our ability to control risks;
- our dividend policy;
- various business opportunities that we may pursue;
- our business strategies, objectives and plans and our ability to achieve these strategies, objectives and plans;
- changes or volatility in interest rates, foreign exchange rates, equity prices or other rates or prices, including those pertaining to the PRC and the industry and markets in which we operate; and
- capital market developments.

FORWARD-LOOKING STATEMENTS

These forward-looking statements are subject to risks, uncertainties and assumptions, some of which are beyond our control. In addition, these forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. Actual outcomes may differ materially from the information contained in the forward-looking statements as a result of a number of factors, including, without limitation, the risk factors set out in "Risk Factors."

The forward-looking statements contained in this document relate only to events or information as of the date on which the statements are made. Except as required by law, we undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise, after the date on which the statements are made or to reflect the occurrence of unanticipated events. You should read this document completely and with the understanding that our actual future results or performance may be materially different from what we expect.

In this document, statements of, or references to, our intentions or those of any of our Directors are made as of the date of this document. Any of these intentions may change in light of future development.
